About the Author

Foreword

Amazon made me change the content of my newest 'Cuckold Collection' book, ['Access Denied'](#), so I decided to rework the offending material into 2 bonus chapters that follow on directly from the end of the book while also being somewhat standalone too. This is better read AFTER reading ['Access Denied'](#) to get the most out of it, but it's possible for you to read it on its own as well. I hope you enjoy it and if you do - check out the rest of my books.

The Dinner

“So when do you have to return to the prison?” Sarah asked my father.

We were having lunch, me, my wife, Sarah, and my father, Frank, who was on day release from jail. Also with us was my best friend, Danny, and my mother, Lisa. My parents were long since separated. Frank was on his second stint in prison for an attempted heist gone wrong. He’d only been out of prison for a short time before ending up back inside again but hopefully after this short-ish sentence, he’d finally learn to behave himself.

“Tomorrow lunchtime,” Frank replied, somewhat regretfully. He rubbed a hand over his bald head - he was in his fifties age-wise but was still in decent shape, a tall, thick-set man with a nose that had been broken more than once and several small tattoos on his face.

Quite what my mother ever saw in him, I don’t know. She was - back in the day - a Barbie doll of a woman. Even now, in her middle years, she had an hourglass figure, large breasts, narrow waist, curvy hips and perfectly styled long blonde hair. She turned many a man’s head - and took most of them to bed. She was a... liberated woman, to say the least.

“Where are you staying?” she asked him.

“At the hotel, where we’ve just done the photo shoot,” Frank explained, then thanked the waiter as he brought us over a fresh round of drinks. We’d already eaten and were now just chilling out together as a family, spending some time together while we could.

“Ah, the photo shoot,” my mother replied. “I meant to ask about that. How did it go?”

We were at the back end of the covid lockdown, the worst part of which had seen Sarah and I both lose our incomes, so Sarah had to turn to doing an OnlyFans page to keep us afloat financially. She’d started off just doing nudes, then progressed to giving me a blow job on video and full sex. Unfortunately, I wasn’t very well endowed and the derogatory comments had given us a dilemma of what to do, the outcome of which - after much angst and reluctance on both our parts - had resulted in Sarah ‘performing’ with our best friend, Danny, instead.

Danny was a good-looking lad. In his early twenties, like us, he had short brown hair and an open, friendly disposition but he made the ideal partner for Sarah’s OnlyFans page because of his much bigger penis. Not only that, but he was living with us temporarily throughout the lockdown and we trusted him. He also had some knowledge of OnlyFans and how it all worked, having helped set up a page for his ex-girlfriend prior to us copying her.

Sarah performed oral sex and was encouraged by the huge surge in subscriptions and demand for more, to do a full sex video with him. It had been incredibly difficult for me, but to my surprise, I’d enjoyed the experience - me being the cameraman - almost as much as I enjoyed the uptick in income.

My mother and father had both learned what was going on - and helped out financially and support-wise with advice and encouragement. My father,

in particular, enjoyed watching the videos, which was kind of awkward. He'd enjoyed it so much that he'd requested if he could come along to watch Sarah's latest video - her first interracial boy/girl video with one of my mother's black lovers, James.

"How did it go?" Frank repeated his ex's question before laughing out loud. "It went *that fucking well* that my daughter-in-law here let me cum in her mouth. That's how well it went."

"Really?" My mother's jaw dropped at the revelation.

It was true. We'd intended it to simply be a video of Sarah having sex with James but Danny had ended up joining in - making it a threesome - and then when they'd finished, Frank had been so turned on that he'd asked Sarah to get him off. He hadn't expected her to give him a blow job, but that's what had happened. The entire session had been incredibly surreal for me, especially as I was the only one in the room that hadn't cum, which felt kind of wrong, but it was what it was. I'd get to reclaim Sarah later, as we often did after this kind of thing.

"It just happened," my wife defended herself. "I got a little carried away."

"That happens," my mum tilted her head. "Did you enjoy James? I bet he *loved* it."

He had and no wonder, Sarah was good-looking, even if I said so myself. She had long dark brown hair, light brown skin inherited from her Tunisian mother with huge dark eyes. Her figure was curvy and voluptuous with being chubby and her large breasts were firm and round.

"I think he did," Sarah smiled, somewhat shyly. She was often like this after doing something naughty. She'd be nervous at first, then enthusiastic and horny once past those initial nerves, but then afterwards, she'd clam up a little

bit. I wondered if she felt guilty or shameful. If she did, it never stopped her from doing it again. "I had a good time."

"I lost count of how many times she orgasmed," Danny said with a chuckle. I'd just discovered that Danny had slept with my mother - a bit of a shock to say the least - but I was trying not to think about that right now.

"Do you have to tell *everyone* everything?" Sarah asked, casting a sharp look in his direction. She was obviously surprised by the revelation too - and probably still processing it.

"I hope you're not staying in the same room we just made the video in," Danny said to my dad. "The bed was a bit damp when we left."

"Danny!" Sarah squealed at him.

"No, I'm not," my father laughed. "I've got my own room in case things were a bit awkward."

"Where's Nick?" I asked my mother, trying to change the subject. Nick was her boyfriend. They'd been going out for a few years now - even though I knew she had several lovers behind his back, one of which was Danny.

"He's working," she shrugged. "He was going to come but it was a last minute thing at work."

"How is he?" Frank asked casually, taking a sip of his whisky. "Is he still fine with you having all your friends-with-benefits? Does he still get off on it? Even young Danny here."

"He doesn't mind," my mother shrugged, "He knows he can't satisfy me fully. My lovers make me happy and that makes him happy too."

"What about me?" Frank replied smoothly. "I've got a double room. I'll satisfy you tonight, if you fancy it?"

"Aren't you a bit too old to get it up again?" My mother raised an eyebrow at him. "Sarah got you off earlier, you said."

“That was hours ago,” Frank patted his groin. “There’s still plenty of action left in my old man down here. I might be pushing sixty but my dick’s like that of a twenty year old.”

My mother rolled her eyes. “No, Frank. If you’re intent on getting laid before you go back inside tomorrow, ask your daughter-in-law maybe?”

“Mum!” I retorted.

“I’m sorry, Sam,” she chuckled. I knew she was only teasing me, but still... Why was my family so weird and inappropriate?

“I’m not sure my pussy would be up to it anyway,” Sarah said, even though the initial question had been a rhetorical one. “James and Danny both gave me quite a working over earlier.”

“I’ll be gentle,” Frank grinned.

“Just stop,” I sighed. “You’re all terrible.”

He apologised and we managed to finish our drinks talking about more normal things - mainly my mum and dad catching up with each other and with us and then when we realised how late it was, we stood up and prepared to head home in our respective directions.

“It’s been good, seeing you,” I said to my father. “Hopefully they’ll let you have another day’s release soon.”

“Yes, it’s been nice,” my mother agreed, giving him a kiss on the cheek. She was drunk, I could tell. In fact, we all were, apart from Danny who was driving. “Which way is the hotel? I’ll walk with you if it’s near the taxi rank.”

It was in the same direction, so they headed off while Danny, Sarah and I got into Danny’s car to go home. Halfway back to our house though, I felt in my pocket and to my horror, realised I couldn’t find my wallet.

At almost the same time, my phone rang.

“Dad?” I said, answering it. “Can I call you back, I’ve lost-”

“Your wallet?” He finished the sentence off. “It’s okay, son. I’ve got it. I saw it on the floor and picked it up, thinking it was mine. I’ve just realised as I’ve got into the hotel room that it’s yours.”

“Phew,” I sighed. “Thank god for that. Look, we’re in the car. I’ll get Danny to turn around to the hotel and I’ll pick it up from you.”

“Cool.”

We spun the car around and made our way back to the hotel and pulled up in the car park as Sarah told me that she was desperate for the bathroom.

“I’ll go to get your wallet,” she offered. “Then I can go to the bathroom in the hotel on the way.”

“Okay,” I nodded. “Whatever. Don’t be long.”

She got out of the car - and somewhat drunkenly - staggered into the hotel, disappearing from view. Five minutes passed, then ten and then fifteen. “What is she doing?” I said out loud.

“I don’t know,” Danny replied, his eyes scouring the front of the hotel but there was still no sign of her. “Shall I go look for her?”

“No,” I replied. “Give her a couple more minutes.”

When she still hadn’t emerged another five minutes later, I told him I’d go search for her and getting out of the car, I headed into the hotel foyer.

“Hello,” I said to the night receptionist. “My wife came in to use the bathroom and collect something from my father, who’s staying here.”

“Did she have long brown hair?” the pretty, oriental-looking lady receptionist asked. “Came in about twenty minutes ago?”

“That sounds like her.”

“She went up to the room,” she replied. “To collect something, yes. I haven’t seen her come back down. Do you want me to call the room?”

“Yes, please,” I replied and then waited patiently while she picked up the telephone and made the call.

“I’m sorry, but there’s no answer,” she replied. “It’s room twenty-three, if you want to go and knock.”

“Thanks,” I smiled, wondering what was going on.

I got in the lift and headed to the second floor, finding room twenty-three quite easily. It was just a few doors away from where we’d made the earlier video.

“Dad?” I called through the door before knocking quietly.

The door opened but it wasn’t my father or even Sarah.

“Hi, Sam,” said my mother.

“Mum? What are you doing here?” I asked, then realised as she opened the door further so that I could see she was just wearing a dressing gown. “Oh. You’ve... with dad. You said... Never mind, where’s Sarah?”

“She inside,” my mother replied, blushing slightly. She never blushed. “She’s a bit drunk.”

I walked into the room to see Sarah sitting on the bed next to my dad, the two of them giggling at some joke or other.

“Sorry,” my father apologised. “She picked up your wallet but said she needed the toilet, then we haven’t been able to get rid of her.”

“They forgot you were coming for the wallet,” Sarah said, her speech slurred. They were fucking when I knocked on the door. I could hear them... *at it.*”

My dad was only wearing a dressing gown too, confirming the story.

“Yes, we were having a good time until you disturbed us,” my father said with a chuckle. “And we’d like to finish it off if you’d kindly go home.”

"I'm not stopping you," Sarah said. "You got to watch me having sex earlier, now *I* want to watch *you* have sex."

"See?" My mother rolled her eyes. "She's drunk."

"She's got a point though, Lisa," my dad said, getting up from the bed and grabbing my mother around the waist. "Come on, let's finish what we started."

As they giggled and wrestled with each other, I groaned and grabbed Sarah's hand. "Come on, let's leave them to it."

"No," Sarah said stubbornly. "I meant it. I want to watch. I've never watched someone else have sex. You all have."

"Really?" I stared at her. "Come on. It's my mum and dad. I'm not watching them have sex. That's gross."

I realised that the giggling had stopped and that Frank was now on top of my mother, on the bed, kissing her.

"Go on, Frank," Sarah said drunkenly and I realised she wasn't messing around.

"Really?" I repeated when I tried to pull her towards the door but she wriggled her hand from my grip and glared at me. "I'm not doing this."

With that, I walked out of the hotel room, feeling a mixture of disgust and anger only to almost walk straight into Danny who was about to knock on the door.

"What's going on?" he asked. "I've been waiting ages."

"You don't want to know," I told him, closing the door behind me.

"I do," he insisted. "What's happening? Is everything okay?"

"Sarah wants to watch my dad fuck my mum," I said, scarcely able to believe the words coming out of my mouth.

"Lisa's in there?" Danny looked at me as though he didn't believe me. "No way."

“They’re all drunk,” I rubbed a hand across my face, wondering when this crazy day was ever going to come to an end. “I tried dragging Sarah out once mum and dad started getting frisky but she insisted on staying She says everyone’s watched her have sex and now she wants to watch someone else do it.”

“That’s crazy,” Danny laughed. “She’s not wrong but it’s crazy. Let me go in there and talk to her.”

Then I heard my mother moan out loud. They were doing it. They were fucking...

With my wife in the room.

The Hotel Room

I looked at Danny but he just shrugged and knocked on the door until it opened to reveal Sarah looking through at us.

“We need to go home,” he said, trying to talk her out of the room. “I’ve got work tomorrow.”

“Frank and Lisa are fucking,” Sarah told him conspiratorially. “Come in for one minute, then we can go home.”

“We’re not going in there,” I refused.

“Not you,” Sarah pulled a face at me. “Just Danny. One minute, I promise.”

Before I could object further, Danny walked into the room and the door shut behind me. “Danny?” I called through the door. “What are you doing?”

There was no answer. Just the continued moans of my mother.

For fuck’s sake. I just had to let them do it. I sat down in the hotel corridor and waited for a few minutes, until the door opened again and Sarah popped her head out to find me.

“Sam?” she said. “Can I have sex with Danny?”

“What?”

“I’m horny,” she said, then pouted. “Please.”

“Sarah, you’re drunk,” I said, standing up but then Danny appeared next to her.

“It’s the only way to get her home,” he said softly as Sarah went back into the room. “It’s not like we haven’t done it already.”

He just wanted to fuck her. I knew that. This was totally crazy. I just wanted to go home.

“You can fuck her at home,” I suggested. “Tell her that.”

“I already tried that,” he said. “Come in. Your mum and dad are under the covers so you can’t see anything.”

Trying not to look towards the bed, I stepped inside the hotel room but it was hard not to see the shape of my dad on top of my mother, his backside moving up and down to the rhythm of her soft moans.

“Sarah,” I hissed at my wife, who was leaning against the wall, watching them. “Let’s go.”

“I’m horny,” she replied. “I need sex.”

“I’ll have sex with you when we get home.”

“I want sex now,” she insisted.

“Go in the bathroom,” I told her. “I’ll fuck you in there.”

“I want it here,” she shook her head. “I want to have sex while watching someone else have sex.”

“I’m not fucking you in here while my parents have sex,” I refused. “That’s fucking weird.”

“Then let Danny fuck me,” she said, crossing her arms and staring at me defiantly.

When I paused, wondering what to say to her, she moved across the room and knelt down in front of my best friend. Her hands went to his trousers,

undoing them and tugging them down along with his boxer shorts before I had the chance to stop her.

“Oh, come on,” I said under my breath. “This is *not* happening.”

But it was. Danny winked at me and mouthed at me the words, ‘trust me’ then stripped off his shirt, while Sarah’s mouth worked his long, thick cock.

My dad was still fucking my mum when Sarah suddenly stood up after getting Danny’s impressive cock fully hard. She slid down her jeans and panties and bent over, putting her hands on the edge of the bed where my parents were still at it.

“Fuck me,” she said, looking over her shoulder at my best friend.

Danny did as he was asked, sliding his dick into her shaved pussy but my father must have heard her say it because he threw the covers back to see what was going on.

“Hey,” he said to my mother beneath him. “Look at this.”

My mum’s blonde head appeared from beneath the covers too, looking at Sarah as Danny began to pound her from behind. She didn’t say anything, she just laid there, moving on to her side as my dad slid off the top of her, the pair of them laying next to each other watching my wife get fucked.

I’d never felt smaller in my entire life. My parents were watching my best friend screw my wife right in front of me, while I stood there doing nothing.

“Get on the bed,” Frank said after a moment. “There’s room. It’s king size.”

They shuffled across as Sarah took off her top and her bra, letting her large breasts with her dark pink nipples swing free. Then my wife lay down on the bed and opened her thighs so that Danny could get in between them. From where I was standing, I could see his cock slide inside her again and he kept himself raised up on his arms so we could all see how Sarah’s tits wobbled backwards and forwards as he started to fuck her.

I wasn't surprised when one of Frank's hands moved to her tits, squeezing them and playing with her nipples as Danny kept screwing her. I liked to feel her tits when we did it too. They were soft and smooth and also felt so good in my hands and they were great to suck too. Frank must have thought the same, moving his head between her and Danny to take one of her nipples in her mouth.

Just then, Sarah came. She grunted, almost animal-like, and then her legs stiffened up for a moment as the grunt became a low, drawn-out groan.

"I don't suppose you'd mind if we swapped?" my dad said, looking over at me after watching Sarah's orgasm subside.

"What?" I frowned at him. "What do you mean? Swap what?"

"He's asking if he can have sex with me," my wife said, somewhat breathless still from the orgasm. "While Danny does Lisa."

"It's not like he hasn't fucked me before," my mum added, her eyes optimistic as she looked at Danny with a smile.

"She's already sucked my dick," my dad pointed out. "Come on, son. Let your old dad have some fun."

"It's up to Sarah," I said, realising too late that it was the wrong thing to say when Sarah smiled at him and the two men exchanged places on the bed. My mother kicked the covers off the bed entirely, so I saw her large, slightly-droopy breasts and the triangle of light brown hair where her thighs met, right before Danny positioned himself between her legs.

"You're really doing this?" I said to the four of them but if they heard it, they didn't pay me any attention.

With an almost-morbid fascination, I watched Danny's young penis push against my mother's pussy and then disappear inside her. He laid his body weight on top of her and they started to kiss, a gesture which made me feel

suddenly nauseous. I looked away but my attention was now caught up by my father, who was lying between Sarah's legs, his tongue lapping on her swollen clit.

I wanted to leave. I should, I just couldn't. It would be better to simply wait outside but something kept me there, observing the sordid foursome occurring in front of me.

As Sarah's back arched and another, smaller, orgasm trembled through her, my dad moved, straddling her chest and offering her his long, curving cock to suck. Sarah took him in her mouth, hungrily sucking it until it got harder and the curve more pronounced. Then he climbed off the bed, pulling my wife by the hips until her ass was hanging from the edge. Then he lifted her thighs, placing them upright against his chest and guided his dick into her.

"This is how to fuck," he said, looking over his shoulder at me. "You use your back muscles, son. Ram it in as hard as you can and don't stop until they can't take any more."

His first thrust made Sarah yelp slightly, but once he got into a rhythm, driving his length into her fiercely with each rough thrust, the yelps of almost-pain turned into groans of pleasure.

"Fuck me," Sarah gasped, "Fuck me hard."

My father gave her what she wanted, his butt cheeks clenching with every forward thrust, his rhythm getting faster. "She's lovely and tight, son," he congratulated me. "Nice pussy *and* tits."

Then I saw and heard my mother cum on Danny's cock, the sound of which made Sarah turn her head to watch while my dad kept fucking her.

"I'm done," my mother said, fighting to get her breath back. "Danny, you're so fucking good but I need a break. Between you and Frank, my pussy needs a rest."

When Danny pulled out, I saw my mother's pussy again and it did look sore; pink and swollen. She saw me looking and closed her thighs.

"I guess you're going to have to finish me off then," Danny said to Sarah, offering her his dick to suck. She took it in her mouth, not even hesitating at the reality that it was covered in my mother's pussy juices.

"I love a cock at both ends," my mother muttered, watching Sarah get fucked now by the both of them. "Why don't you put yours in her ass, Sam? It's probably the tightest hole for your smaller dick."

"I'll wait until I get her home, thanks," I replied curtly, ignoring her provocative comment.

"Cum inside me," I heard Sarah say to my father around Danny's dick. "I want to feel you cum in me."

"Oh I intend to," he replied, his voice tight and then I saw him give her one more deep thrust and he groaned, his back muscles tensing up as he emptied his load into my wife.

"I'm cumming too," Danny said through gritted teeth and shoved his cock right into her mouth, making her gag but she managed to keep her head there while he came. I saw the base of his dick pulsating as he pumped his cum into her throat, taking a minute or so before he finally stepped back.

My dad moved away too and a huge trickle of white cum leaked from Sarah's small but ragged-looking pussy lips, dripping onto the floor.

"I'd rather have it on the floor," my father said, looking down as it formed a small puddle. "So I don't have to sleep in it."

"I think I've left a small wet patch though," Lisa said, feeling the bed covers next to where she was lying.

It was done. I let out a huge breath as they all sat down for a moment to gather themselves, feeling relieved that it was finally over and I could now go

home and pretend none of this had ever happened.

“Well, that’s another thing to tell the boys when I go back tomorrow,” my dad laughed, wrapping his dressing gown back around himself. “They’re never gonna believe it.”

“I can’t believe I let you talk me into this,” Lisa said, also covering herself up. “I shouldn’t have had so much to drink.”

“Oh, you enjoyed it,” Frank winked at her. “Don’t pretend you didn’t.”

“I didn’t say that, did I?” my mother replied. “I’m just saying that I shouldn’t have done it. Your ego is big enough already without letting you fuck me again.”

“Shall we go home?” I said softly to Sarah while they continued to argue humorously.

“I owe you a blow job at minimum,” she said, finding her clothes and beginning to put them back on. “I don’t think I dare let you near my pussy, it’s that sore.”

“I’ll settle for that,” I said with a sigh, watching her and Danny both get dressed and then we turned to say goodbye to Frank and Lisa, only to find them kissing, the pair of them back beneath the covers.

“For fuck’s sake,” I said, under my breath. “Let’s just go.”

“I’ll see you soon, Frank,” Sarah said to my father as the three of us headed out of the door. My dad lifted a hand and waved goodbye but didn’t break the kiss.

“You *have* got the wallet, haven’t you?” I asked her as the door closed behind us, removing the sordid scene from view. “I don’t want a reason to go back in there again and witness that.”

“It’s in my pocket,” my wife said. “Let’s go home. There’s one person here who hasn’t cum yet and I think he deserves to.”

Danny looked at me and smiled but didn't say anything. We went downstairs, got in the car and headed home, only a short drive but during which Sarah fell asleep, the alcohol getting the better of her.

"What an insane day," Danny said, looking sideways at me from the driver seat.

"You could say that," I said, chuckling at the understatement.

When we got home, Sarah woke up slightly and we headed upstairs to bed right away, the three of us all feeling tired now. As we went into our bedroom, Danny followed us.

"You've got your own room," I reminded him. "You've had Sarah twice today. I think you've had enough. It's my turn now."

"Let him come in," Sarah said, putting a hand on my arm. "But he can only watch."

"He's seen you suck my dick," I replied. "I think he wants more than to just watch."

"I changed my mind about the blow job," Sarah led me to the bed and began undressing. "My pussy is too sore to be fucked, but your mother gave me an idea."

"What?" I said, undressing too, forgetting for a moment that Danny was still there because I remembered what my mum had said and a sense of excitement filled me.

"She suggested I let you fuck me in the ass," my wife replied once she was naked. She knelt up on the bed, pulling her ass cheeks apart. "It's the only hole that hasn't been fucked yet and unlike my pussy, it's not at all sore."

I looked at Danny and he grinned and nodded. "I gotta see this," he said excitedly.

I walked over and pointed my small but very hard cock at the small pink nub of her anus and pushed forward. It met some resistance, so I pulled out and spat on the end of it and then tried again. This time, it went in - just the head at first - before I managed to push it all the way in, bringing a groan from Sarah.

This was the first time I'd ever had anal sex with her and it felt incredible.

"Fuck me," my wife said as my best friend watched. "Fuck my ass."

So I did.
