The Hotwife Games: Invincible

Prepare to enter a world of desire, temptation, and competition like no other. Welcome to the 2nd collaboration crafted by the esteemed ACHE group, the Authors of Cuckold and Hotwife Erotica. Each book is a standalone tale, a tantalising journey into the electrifying challenges of a once-in-a-lifetime sexual adventure as our five couples explore love, lust, and self-discovery in ways they never imagined. Get ready to be tantalised, teased, and utterly captivated by The Hotwife Games.

Invincible: Jade and Kenny had lived the vixen/stag lifestyle for their entire married life. Her first dalliance with another man had actually taken place during their honeymoon, and Kenny had enjoyed every single playdate she'd had since. Their regular arrangement of her seeing a bull every couple of months was disrupted when an old friend of Jade's sent her details about a sexy event taking place in New England, USA.

Curiosity piqued, they followed the link to a website that made bold promises. It claimed The Hotwife Games was a competition designed to push couples' boundaries of love, trust and desire. The website also explained the attendees would be competing for prize money and the coveted 'Queen of Hotwives' title, but Jade paid those details no heed. She was more interested in the part that promised to unleash her inner desires and explore new dimensions of passion.

They discussed the implications and felt their marriage was strong enough to withstand anything thrown at them during the competition. Their relationship wasn't just strong, it was invincible. Their subsequent application was successful, and travel documents duly arrived, all paid for by the generous organisers.

When they reached The Diablo's Retreat Hotel, it became immediately apparent that this wasn't just some sordid little backstreet event for people to get their jollies. The setting was like something from a fairy tale, which suggested the challenges they were about to face would also be something special.

As predicted, Jade and Kenny *were* confronted with situations they had never encountered before. For Kenny, some of the challenges he faced were more enjoyable than others.

In the face of eleven other beautiful hotwives, Kenny knew his wife wouldn't be intimidated. Though not fiercely competitive, she was intensely passionate. And as she'd pointed out, she wasn't there to win the title.

She was there for some kinky fun.

CHAPTER 1

Jade was in the kitchen, already dressed for work when Kenny got home. The thing he liked most about getting home from a nightshift was spending an hour cuddling his wife's warm body, but he'd missed the chance.

"Hey, you," she said. "I was just about to take my breakfast out to the garden to enjoy the sun, now it's finally decided to make an appearance."

He nodded, eyeing her scrambled eggs and toast.

She must have read his expression. "Want me to make you—?"

"No, go eat yours. I'll grab a bowl of cereal and join you in a sec."

Jade smiled and headed out to their block-paved back yard. Kenny necked a glass of orange juice, then added milk to some cereal and headed out to join his wife.

"What kept you this time?" she asked, a fork in one hand and a slice of wholemeal toast in the other.

"Collision between a minibus and a black cab. Happened around five-thirty this morning, so no independent witnesses. Cab driver claimed the minibus came out of a side road without looking, but the damage to the vehicles suggests the cabbie was driving a lot faster than he should have been." Kenny shrugged. "The coppers can sort that out. We were just treating the casualties."

Jade's big brown eyes showed concern. "Anyone badly hurt?"

"Cabbie got a bruised sternum from his seatbelt, the minibus driver has a broken arm. An elderly couple sitting just behind him also needed hospital treatment. We patched the others up at the scene."

“Oh dear.” She looked up at the sun. “Looks like it’s going to be another hot day. Shame it’s a month too late.”

Kenny muttered his agreement. They’d taken a two-week walking holiday in Pembrokeshire last month, and it had rained nearly every day. While the rest of Europe had scorched in record-breaking temperatures, the UK had registered one of the wettest Augusts ever.

Jade heaped the last of the scrambled eggs onto her toast and ate it, then stood and picked up her plate. “Do you want a coffee, or are you heading up to bed?”

“I’ll have a cup after I’ve slept. Where you working today?”

“Back in Peckham. A slight re-jig of ideas for that big Victorian house near Cossall Park that they’re turning into apartments.”

“Cool.”

Cereal finished, he yawned and followed her inside.

Jade hoisted her bag onto her shoulder, went up on tiptoes and kissed his cheek. “See you later, babe.”

After she’d left, Kenny locked up and headed upstairs. He stripped off his uniform, showered, then slid naked between sheets that still smelled of his wife and fell asleep.

He awoke five hours later with a raging erection. Though he couldn’t remember his dream in its entirety, images of Jade riding her latest bull had definitely been part of it. The guy was mixed race, his skin tone several shades lighter than Jade’s. She’d fucked him all night long while Kenny watched and had still demanded more pleasure from him once her bull had left. He squeezed his cock in his hand but decided to do nothing more. If her

latest playdate was still turning him on four days after it'd happened, the least he could do was work off that lust on his wife's ever-eager body.

Kenny got up and dressed in shorts and t-shirt. The day was as hot as Jade had predicted, so after he'd made himself a cup of coffee and some toast, he went out into the back. Today's chore was to apply a second coat of beeswax to the Edwardian chair they'd picked up from a sale in Shoreditch a couple of weeks back. Jade loved restoring old furniture, and their house contained many pieces she'd found in sales rooms all over London.

Brunch finished, he brought out the chair and placed it onto a sheet of cardboard. The entire process took him a couple of hours. When he'd polished up the last section, he took the chair back inside and placed it in the corner of the hall. One more coat would be enough, and once that had been done, Jade would fit fresh leather to the cushioned seat. Kenny doubted he'd ever be able to sit on it, though. Edwardian craftsmen didn't seem to make furniture that looked like it'd support six-foot-four, sixteen stone black men.

Checking his watch, he realised Jade would be home in less than an hour and decided to start dinner. A quick survey of the fridge contents told him he needed to walk to the shops. At the supermarket he bought chicken thighs and the other requisite ingredients for one of her favourite meals. He prepared the dish and put it into the oven for a while, then finished it off under the grill to get the smoky flavour.

By the time Jade arrived, he'd cooked the coconut rice to go with it. Her face beamed when she walked into the kitchen and got a whiff of the familiar fragrance.

"Is that Jamaican jerk chicken?" she said, bending to inspect the shallow bowl on the counter.

Kenny smiled and added rice to two bowls. “Want to eat outside?”

She seemed to consider it briefly, then shook her head. “Nah. Let’s eat here then have coffee outside.”

While Jade went to change her clothes, Kenny dished up dinner and poured them both a fruit juice. They ate in the kitchen, making small talk about Jade’s day at work and the chair Kenny had waxed. Then he admitted he’d dreamt about her playdate.

“Which part?” she said, narrowing her big brown eyes.

“I probably dreamt about the entire night, but I could only remember fragments. You riding him, and also your face when he was taking you from behind.”

“Did you have a wank?”

He laughed. “No, but I was tempted.”

“You should’ve done. I get all tingly thinking about you wanking off while reliving a playdate.”

“Not as tingly as you get when I take my frustrations out on you.”

She sucked her lower lip into her mouth, then smiled. “You keep talking like that, you’re going to have to make me all tingly before you head off to work.”

He glanced down at her almost empty plate, then shrugged. “I’m happy to delay coffee for a while.”

Jade put down her fork and stood up. “Where?”

“Here’s fine.”

She snorted. “In the kitchen?”

His only response was to smile. He twisted on his chair as she stepped around the table and stood in front of him. Reaching up, he cupped her substantial breasts, stroking his thumbs over the nipples which he could feel stiffening through her bra and vest top.

Jade purred her approval as he massaged her tits, but she soon got impatient. She pulled her vest off over the head and unclipped her bra. She jiggled her big, firm breasts in front of his face, then guided a nipple into his mouth. "That's it," she whispered as he sucked and chewed. "Mmm, now the other one."

As Kenny worked each nipple in turn, he used his hands to tug off her shorts and panties. He ran a hand up her inner thigh, squeezing the soft yet firm flesh and then feeling the wetness of her engorged labia. Dragging a fingertip through her folds, he bit harder on her nipple. She sighed and placed her bare feet a step apart. When he pushed his middle finger into her channel, she squeezed down on it. Her pelvic muscles never ceased to amaze him. He'd seen her make some of her bulls come just by squeezing and releasing those muscles. Suddenly, finger-fucking her wasn't enough. After releasing her nipple from his mouth, he stood up and pulled her naked body against his.

Jade stroked his hard-on through his shorts and smiled up into his face. "Is this for me?"

"Yeah, that's dessert."

"Want me to clear the table so you can lay me on that?"

Kenny shook his head. "Too low." He walked her backwards to the cupboards, then effortlessly lifted her onto the edge of the counter-top. As Jade opened her legs, he released his cock from his shorts and pressed the tip

against her clit. He could feel the beat of a pulse but wasn't sure if it was his wife's or his own. He looked into her eyes, and she smiled.

"Bring it home," she whispered, a phrase she so often said now after he'd watched her with a bull.

As he inched forward, she wrapped her legs around the back of his thighs and pulled him all the way into the tight, wet heat of her sex. Both of them let out a sigh, then Kenny fucked her slowly.

She took a breath and watched his face. "Tell me about your dream."

"I can't remember it all, just flashes."

"Flashes of what?" Her voice was a throaty whisper. She often spoke this way to turn him on, and it was working.

"You, riding his cock."

"I love riding cock."

"I know."

"Do you like to watch me ride a bull's cock?"

"Yeah, but I also like to watch you riding mine."

"But when it's a bull's, you get a better view. You can watch me slide all the way down on it and see my juices on his dick when I rise up again."

Kenny nodded and glanced down at his own cock gliding in and out, the thick shaft glistening.

"What's more," she continued, "after he's shot his load, you get to see his cum seeping out."

"Speaking of which..."

“You going to come so soon?” She looked more surprised than disappointed.

“Maybe I should have wanked off earlier. Might’ve lasted longer.”

She smiled and shook her head. “I don’t need longer. Just fuck me hard and spill your load. I’ll come.”

He entwined his fingers in her hair and pulled her into a kiss as he pounded her. When she squeezed down on him, he groaned. “Don’t do that, or it’ll be—”

“Come now.”

He did.

Jade rocked with him, then he felt the vice-like grip of her orgasm milking every last drop from him. Eventually she pulled her head back and smiled up into his eyes. “That’s about as good a welcome home as I can remember. Jerk chicken then hot sex for afters.”

“The dessert didn’t take as long as the main course.”

She stroked his face. “It was perfect. I like it when you’re needy.”

He chuckled. “Yeah, me too.”

They’d been living the stag-vixen lifestyle for so long that a routine had developed. Jade usually saw a bull every six weeks or so. During the first week after her playdate, the sex between them was often impulsive and heated. Beyond that, it became more relaxed and sensual. As Jade put it, they fucked to get the lust out of their system, then went back to making love until the next bull re-ignited the fuck-fest.

As Kenny stepped back and slipped his depleted cock inside his shorts, Jade slid off the counter-top.

She picked up her clothes from the floor. “Is it okay if I have first shower?”

He glanced at his watch; he didn’t need to go to work for another hour. “Yeah, no problem. I’ll shower after you.”

When Kenny came downstairs after his shower, Jade was in the living room. The cafetière sat on the coffee table with two cups. Frowning, she held up her phone.

“Remember Zeke, from the film studio?” Jade had worked as a set designer at a small independent filmmaker in London a couple of years back.

“Yeah.” He grinned. “Though I’m guessing your memories of him will be better than mine.” Zeke had been one of Jade’s regular bulls for a while until he’d landed a job at one of the major Hollywood studios.

“Probably. Anyways, he’s just got in touch.”

“I see.” He pushed down the plunger on the cafetière and poured them both a cupful. “And is he moving back to London, or just coming over for a visit?”

“Neither.” She was scrolling through the message. “He’s just sent me this.” She turned her phone around so he could see the screen.

Kenny squinted. It looked like some kind of advert with red and white text on a black background, but on the screen of a phone it was much too small to read. “What is it?”

“It’s a flyer for some kind of competition. Zeke said he thought I might be interested.” She patted the cushion next to her, and Kenny moved over so they could read it together.

In bold red text, the title announced, *Experience the Ultimate Adventure in Intimacy and Desire*, and below it in white it said, *The Hotwife Games: Where Passion Meets Possibilities*.

He shook his head. “Is this some kind of joke?”

“I don’t think so. According to Zeke, there’s some kind of secretive sex club that organises parties for people in the lifestyle.”

The writing was far too small for him to read, so Jade expanded the screen and scrolled sideways as she read to him. “‘The Hotwife Games is an exclusive and secretive contest that brings together twelve daring and adventurous couples.’” She grinned. “I like the sound of this already. ‘With a series of thrilling tasks, we delve into the heart of intimacy’—”

Kenny snorted. “It won’t be your heart they’re delving into.”

She slapped his leg. “—‘Exploring the essence of your connection. As you navigate each challenge, you’ll embark of a voyage of self-discovery and create memories that will last a lifetime.’” She blinked. “Okay, some big promises there.”

Kenny could see his wife’s curiosity was piqued. “So is Zeke a part of this?”

“I don’t think so. At least he didn’t say so, just that he knows it’s going on and that he thought it’d be something I’d like.”

“And is it something you’d like?” He could tell from her expression that it was.

Jade looked down at her phone screen and read some more details. “‘Ignite the spark of adventure. Push your boundaries and embrace the

exhilarating unknown. Strengthen trust and communication with your partner. Unleash your inner desires and explore new dimensions of passion.”

He pushed his shoulder against hers playfully. “You’re already sold on this idea.”

“I just think...” She shrugged. “After every playdate, we behave like newlyweds on honeymoon. As a case in point, earlier you fucked me on the kitchen counter and shot your load much sooner than usual. That heat came from a dream about the bull I saw last weekend.”

Kenny could see where her logic was taking them. “And you think—”

“I think that if we were in this contest, the thrill we’d get from it could turn that honeymoon period into a fuckathon.” She smiled. “Besides, it’s been a while since I had more than one bull at a time. An opportunity like this doesn’t come along every day.”

“So are you suggesting we do this?”

She scrolled down. “It’s not something you can just sign up for. You have to apply, and places are limited.” She glanced up into his face. “We might be getting all hot and bothered for no reason.”

Picking up his cup, he flashed her a smile. “I guess if we don’t at least apply, we’d always regret it.”

She nodded. “So, while you’re out tending to sick people and saving lives, should I apply for the Shag Olympics?”

Kenny laughed. “If you like. Are you going to ask Zeke to put a good word in for you?”

“I don’t think he has any influence in it. From his text, it sounds like this sort of thing is out of his league. It mentions the group is elite. Zeke’s just a

set designer on a low-budget sci-fi series.” She looked back at her phone. “Looks like you accumulate points as you go through your tasks, then one woman becomes Queen of Hotwives.”

“Is that what you want?”

“Not particularly. I just want some kinky fun.”

“Who could ask for more than kinky fun?”

“Exactly.”

He finished his coffee and stood up. “It’s up to you. Go ahead and apply.”

Jade beamed at him. “Okay.”

He kissed Jade on the top of her head before leaving for work. The conversation about The Hotwife Games had given him tingles, and he hoped he’d be able to spend an hour working those tingles off using Jade’s warm body the following morning.

CHAPTER 2

Kenny's shift ended on time and he was home before six-thirty. He took a shower and slipped naked into bed, nuzzling Jade's neck. She responded by twisting in his arms and kissing him passionately, running her hands down his body and gripping his cock. She pulled him on top of her, guiding his quickly growing erection inside her. Her eagerness surprised him, but he wasn't about to complain. Jade wrapped her legs around his and writhed against him, reaching orgasm quickly. Then she relaxed her hold on him, spread her legs and instructed him to use her body.

He pinned her arms above her head and held himself up, sliding his cock in and out. "Well, this is a better homecoming than I dared hope for."

She smiled. "Last night you gave me jerk chicken with extra stuffing. I thought I'd return the favour and give you a dirty wife for breakfast."

"I'm guessing this has more to do with the thing Zeke sent than what you had for dinner."

She opened her eyes wide in mock surprise. "What makes you think that?"

"Oh, I don't know." He ran a hand over her breast and pulled at her erect nipple. "Maybe it's because I've cooked you jerk chicken many times and never got a reception like this."

Her nostrils flared. "I'm going to come again."

"Already?"

She nodded. "Will you come with me?"

He shook his head. "I want to watch your face when you come, then I'll put you on all fours and fuck you hard."

“I like when you fuck me hard.”

“Me too.” He squeezed her nipple again. “And I know we both like it when somebody else fucks you hard.”

“Oh...” Her eyes fluttered.

“Did you apply for The Hotwife Games?”

She was breathing too hard to answer. After giving him a brief nod, she closed her eyes and he felt the grip of her second orgasm. He fucked her slowly as she shuddered through it. As soon as she opened her eyes and smiled, he withdrew and flipped her over. She slid her knees beneath her, presenting her rear end to him.

He fed his slippery cock back inside, gripped her hips and pounded her hard. Jade squealed, pushing herself back to meet his thrusts. He fucked her hard and fast, then buried himself deep and erupted. She milked him with her inner muscles, making him groan. He eventually eased out and they settled down under the covers, his arm around her shoulder as she snuggled into him.

She kissed his chest. “I like early morning sex.”

“You like any sort of sex.”

She giggled. “True.”

“But what you like most is sex with other men.”

She looked up and frowned. “That’s not true. Nobody makes me feel the way you do.”

He smiled. “Good answer.”

“What I like most is sex with you while we’re discussing me having sex with other men.”

“Yeah, I guess.” He stroked her hair. “So, you applied to be The Hotwife of the Year?”

“What I applied for was to get into the games. I think the term they used was ‘Queen of Hotwives’ but that’s not something I care about.” She flashed her eyes. “I’m only interested in getting lots of attention.”

“Is that right?”

“There was more information on the website. Guess where it takes place.”

“The Royal Albert Hall. All the women will get fucked on stage while their husbands jack off in the stalls.”

She slapped his arm. “Think again.”

“Wembley Arena?”

“No.” She grinned. “It’s in New England.”

“Milton Keynes?”

She slapped him again, hard. “Stop being a smart-arse. You know full well where New England is.”

He laughed, though his arm was still stinging. “Does Zeke remember we still live in London?”

“Yeah. And he also knows the travel costs will be paid for by the organisers.”

“You serious?”

She nodded. “That’s what it said on the website, too.”

“Wow.” He wondered if this would turn out to be some sort of scam.

“What you thinking?”

Not wishing to pour cold water on the event—especially when he was benefitting so much from the effect it was having on Jade—he just shrugged and shook his head.

“I know. Why would anyone pay a woman all that money just to spread her legs? Am I right?”

“I just think there must be a lot of hotwives who live closer to New England than we do.”

“Well, according to Zeke, the organisers have pockets deep enough to buy all the sexiness they want.”

“So you’re willing to sell yourself?”

“Maybe.”

“That’s not being a hotwife, that’s being a sex worker.”

Jade shook her head. “From what I can make out, the only men I’ll be spreading my legs for are bulls, and they’re probably getting paid too. The people funding it just want to watch the action, which makes me a paid performer.”

“Like an actress?”

“If the bulls do their job right, I won’t *need* to act.” She reached down and squeezed his cock. “You want to lay some more pipe before you go to sleep?”

He chuckled at her phrasing. “What’s gotten into you?”

“Well for a start, not you. Yet!”

Kenny wasn’t sure if he’d be able to get hard so soon after such a powerful orgasm, but when Jade slid her head beneath the covers and kissed her way down his stomach, he knew there wouldn’t be a problem. She ran her

tongue up his shaft and he felt his cock coming back to life. When she took the top third into her mouth, he let out a long sigh. Her oral ministrations got him hard in no time.

Her head reappeared from beneath the guilt, a triumphant smile on her face. "So, you going to sort me out, or shall I just help myself?"

He stroked her face. "How about you help yourself for now, and I'll see how I feel when you're done."

She crawled up and straddled his hips. "Sounds good to me." Raising herself up, she guided the tip of his cock to her opening and lowered herself down. "Hmm." She closed her eyes and began to rock her hips.

Her gyrations gave his cock a massage. He reached up and cradled her breasts, watching her expression as she fucked him. It went on for quite a while before her thighs began to tremble and she let out a long breath. She was getting close, and so was he.

Jade moved faster, pushing herself down and grinding her clit.

"Do you want me to come with you?" he asked.

She opened her eyes and moved faster. "Whenever you're ready."

He slid his hands down to her hips and pushed himself up and into her. "I'll come as soon as you do."

Jade's mouth dropped open and her eyes squeezed shut. The first clench of her orgasm tipped him over the edge. He grunted as the first gush flooded her body. She pumped her hips faster, their bodies jumping and twitching as they both rode out their pleasure. Eventually she lay down on his chest, letting out a long, contented sigh.

He kissed her head. “Even if we don’t go to New England, I’m glad Zeke sent you that leaflet.”

“Yeah, it’s given us a definite buzz between playdates.” She raised her head and smiled at him. “You get a buzz from the idea of it, right?”

“Yeah, but you acting all horny gives me a buzz anyway.”

She laughed. “Good thing it does. Otherwise we’d have to step up the playdates to every other week.”

He stroked her back, his tiredness catching up on him. “Has all this sex made you late for work?”

“I’m working from home today. Just need to draw up some stuff and send the plans off. I guess I should let you get your beauty sleep after working all night, then amusing and using me all morning.” She slid out of bed and picked up her robe. “I’ll see you when you wake up.”

* * * *

Kenny woke and glanced at his watch, shocked to see it was three in the afternoon. He got up and pulled on joggers and a t-shirt, then went downstairs. Jade was sitting on one of the couches with her laptop on her knee.

She smiled up at him. “Hey, sleepyhead. I came up an hour ago but you were dead to the world.”

He shrugged. “Sorry, I was going to wax that chair but—”

“The chair can wait, so don’t worry about that. When your body needs rest, it tells you.”

He wandered through to the kitchen and flicked on the kettle. “Have you eaten?” he called.

“No,” she answered quietly from behind him. She’d followed him in. “Sit down and I’ll make your coffee. I’ve already made our lunch.”

Kenny smiled his thanks and sat at the table while his wife poured his coffee and plated up the ham and egg salad she’d prepared. “Wow. Dirty sex for breakfast, then coffee and lunch.”

“You complaining?”

“Hell, no.”

“Good.”

They chatted about the highlights of Kenny’s previous night’s shift—taking a sixty-four-year-old woman who’d tested positive for Covid to hospital because of breathing difficulties, and treating a man who’d fallen and gashed his head while walking home drunk—and the changes Jade had made this morning to her design for the upper floor apartment she was working on.

Once they’d finished eating, Jade smiled. “Go sit in the lounge. I’ve got something to show you.”

Intrigued, Kenny made his way through to the living room and sat down. When Jade joined him a minute later, he noticed immediately that she’d applied shiny red lip gloss. He also noticed she was carrying a long cucumber.

“So,” she said, dropping to her knees on the rug in front of him. “I thought I should do some training in case I have to audition for The Hotwife Games.”

A tingle developed in his groin. “What sort of training?”

She raised the cucumber and licked the tip. “First, I thought I’d practice my deepthroat technique.”

“Why use a cucumber when I’m sitting right here?”

She laughed and slapped his leg. “I’m hoping to impress the judges, not my husband. Get your phone and film this.”

As Kenny fished out his phone from the pocket of his joggers, Jade spat on the cucumber and spread her saliva over it. Then she looked directly into the camera lens, parted her cherry-red lips and inserted the cucumber.

She sucked and slobbered on it, then withdrew it and smiled. “It feels weird with it being so cold.”

Kenny patted his crotch. “Got a warm one right here.”

She smiled, then took it back into her mouth, patiently working it further into her throat. She pulled it back a little, then took it deeper still. She began to pump her head while pushing the cucumber ever deeper. Then she closed her lips around the girth of it and hummed. Kenny knew from experience exactly how great it felt when she did it to his cock and again wished she were demonstrating this on him.

Jade gently pulled her head back. The cucumber glistened. She held it vertically in front of the camera, the red gloss circle showing just how much she’d taken into her mouth and throat. Kenny blinked in surprise. She’d swallowed at least ten inches, maybe more.

She sniggered at his expression, then stood up. “I have another one.” She walked behind the chair in the corner and brought something out. It took him a few seconds to realise what it was. She’d tied one end of a small dumbbell to the base of one of her vibrators.

Kenny stared, confused. “What the hell?”

Smiling, she kicked off her slippers and shucked down her leggings and panties. “Just start recording.” She placed the dumbbell on the rug in front of the couch, then squatted down on bent knees and smiled at the camera. “I thought I’d practice a bit of weightlifting.” After licking her fingers and tracing them over her outer lips, she gripped the vibrator and carefully inserted it. Once it was buried to the hilt, she looked at her husband and scowled. “Don’t film my face, film the dumbbell.”

Kenny lowered the angle of his hand and watched the screen as she slowly straightened her legs. The sheer power of her grip held the sex-toy in place as she raised the 2.5kg weight six inches off the floor. She slowly rocked her hips, making the dumbbell swing like a pendulum, then bent her knees and lowered it to the floor. She straightened her legs and lifted the dumbbell again but after a few seconds it slipped out and hit the rug with a thump. She sighed, but Kenny could see the reason for her loss of grip. The vibrator glistened with her juices.

“I don’t think the muscles were the problem,” he said.

Jade nodded down at the slick sex-toy, then smiled at him. “You got anything to take its place?”

“Oh yeah.” Kenny pushed down his joggers and released his cock, which was rock hard and seeping precum. “But first, show me that lipstick trick.”

Jade laughed, dropped to her knees and took his cock into her mouth. He groaned and pushed his head into the back of the couch as she bobbed her head and worked him deep into her throat until her nose was buried in his pubic hair. Then she pulled back and smiled down at his cock. There was a red ring of gloss at the very base of his shaft.

She climbed onto his lap and leaned forward to kiss his lips, no doubt smearing them with cherry-red gloss. Gripping his cock, she positioned herself and slid down, enveloping it in the hot, wet tightness of her Olympic-standard cunt.

He let out a sigh and placed his hands on her hips, following the lazy rhythm she used to fuck him.

“How does that feel?” she whispered.

“As amazing as the two times we did it earlier.”

“Hmm, I guess we’ve hit a purple patch.”

“That’s because you’re excited about fucking for an audience.”

Her eyebrows went up, then she nodded. “I hadn’t thought about it that way, but you could be right.”

“I want to see you come.”

“Stay hard for another minute and you will.”

“I mean at The Hotwife Games. I want to see you come with all the bulls you fuck.”

She stared into his eyes and bounced harder.

“I want to see you fuck black men, white men, Asian men, Latino men.” He slid his hands up her t-shirt and groped her breasts roughly through her bra. “I want to see you come with two men while they spit-roast you then take turns.”

“God, Ken. Oh... fucking... *God!*”

As soon as he felt the grip of her orgasm, he pumped his hips and bounced her harder, coming with her. They both grunted and bucked, their

breathing ragged. She sucked his tongue, bit his lips and scratched his neck as he squeezed her tit with one hand and her arse-cheek with another. Finally they stilled and smiled at each other.

“You can do more than lift weights with your cooch,” he whispered.
“When you come like that, you could crack a walnut.”

She laughed and lifted off him. “How about we take a shower then walk to the park?”

“Yeah, I’d like that.”

Fifteen minutes later, they were walking hand-in-hand down their road. It was another sunny day and the pavements were crowded with teenagers in school uniforms hanging around with friends before heading home. A gang of about six boys parted to allow Jade and Kenny to pass, and Jade thanked them. As they walked through the park gates and headed for the old cast-iron bandstand, Jade squeezed his hand.

“I gave my first ever blowjob in this park,” she said.

“Really?”

She smiled and nodded. “Leon Mackenzie. We were in the same class at school.”

“Did he come in your mouth?”

“Yeah.” She gave a rueful smile. “It wasn’t my finest moment. I gagged, coughed and spat it out.”

Kenny chuckled. “I guess it’s an acquired taste.”

“It wasn’t the taste that was the problem, it was the power and volume. It was like sucking off a firehose.”

He squeezed her hand. “Well, I’m glad you’ve managed to master keeping it all in.”

She nodded. “Took some practice, though.”

He laughed. “Yeah, I hate to think how many of the other boys you practiced on.”

“No you don’t. It probably turns you on.” She pointed at an ice cream van parked on the far side of the park. “Come on, you can buy me a cone.”

They wandered along the paths between flowerbeds and stretches of grass. Some boys were kicking a football about, and a gang of girls sat on the grass, chatting and giggling. Kenny pointed to a bench and told Jade to wait there while he bought the ice creams. There were several kids in the queue and once Kenny eventually got served, he walked back to the bench. Jade was reading her phone.

As he got close, she looked up into his face, an excited twinkle in her eyes. She held her phone up for him so he could read the email.

Dear Jade and Kenny,

Congratulations!

We are thrilled to inform you that your application to participate in The Hotwife Games has been successful.

A tingle ran through him. “Wow.”

She nodded, a broad smile now creasing her face. “Looks like there’s no audition after all.”

He passed her an ice cream and sat next to her. “Happy?”

“Yeah, but also a little bit nervous.” She shrugged. “I never really got into competing, or playing to win.”

“Don’t think of it as a competition. Just think of it as an excuse to have dirty sex with some hunky men.”

“Now that’s something I *can* get into.”

CHAPTER 3

When they returned from the park there were a few hours to kill before Kenny had to leave for work, so he flicked on the TV and channel surfed while Jade opened her laptop.

After a few minutes, she looked up. “Hey, I’ve just been reading more of this email.”

He muted the TV and turned to grin at his wife. “Are you going to drag me off to bed again before I go to work?”

“That’s wishful thinking on your part. I was just reading some stuff, and it’s got me a bit worried.”

Uh oh. “What sort of worried? Have they asked for bank details?”

“No, nothing like that. In fact, they give some details about...” She lowered her gaze and read from her laptop screen. ““You will receive flight tickets to Logan International Airport in Boston, and a rental car with directions to the exclusive location will be provided upon arrival.”” She scrolled down. ““There is no financial obligation to you. Everything is included and paid for, including flights, transfers, meals and accommodation. If nothing else, treat your experience at The Hotwife Games as an all-expenses-paid vacation.””

“So what parts *are* you worried about?”

“All the things that say it’ll be a test of our relationship.”

Kenny sat forward, wondering what that meant. “What does it say?”

Jade used her finger on the touchpad to navigate through the email. ““The Hotwife Games involve sexual, physical and emotional challenges that may push your limits and boundaries.””

Kenny shrugged. “I don’t think there *are* any limits to your sexual, physical or emotional boundaries.””

She smirked and read on. ““By participating, you acknowledge that you are undertaking the Games voluntarily and at your own risk. The organisers shall not be held liable for any injuries, damages, or emotional distress that may arise during the event.””

“I doubt they’ll have any men whose cock you can’t take. And you know that whatever you choose to do, I’ll be happy for you to do it.” He smiled. “It sounds like a bit of legal jargon to cover themselves if you accept the opportunity to fuck on a moving motorbike.”

Jade laughed. “It says there are three tasks that each couple has to participate in. ‘The three challenges that you will face as a couple could involve such practices as sex with multiple partners, bukkake, bondage and BDSM play, sensory deprivation and more.’” She looked up. “Would you be okay with those things happening to me while you watch?”

Kenny licked his lips and nodded. “I think so. I’ve seen you doing most of them over the last few years.”

“Have you?”

“Yeah. Multiple partners you’ve done many times.”

“I’ve only had a threesome a couple of times without you being one of the men, though, and you were never in the room. Could you stand seeing me with two men and not getting to fuck me as well?”

“I’m sure I could.”

“What if there’s more than two men? Multiple could be three or four.”

“A gangbang? Like I said, if you’re happy to do it, I’m happy to watch.”

“What about the other things?” She glanced down again. “Three B’s — bukkake, bondage and BDSM?”

“The bukkake won’t be a problem. I’ve watched more men splash their jizz on your face and tits than I can count. I’ve also seen you tied or handcuffed to a bed before.” He chewed his lip. “I don’t know what their definition of BDSM is, but as the B stands for bondage, they’ve already covered that. The D is for domination—”

“I thought it was discipline.”

“Is it?” He thought about it. “I guess both mean the same thing. And Sado-Masochism is up to you. If someone wants to hit you with a paddle or a whip, it’s your choice. If you say no, then I’ll make sure it doesn’t happen.”

“You’ll protect me?” She was smiling.

“Damn right.”

“But if I want to be spanked?”

He shrugged. “Like I said, I’m happy for you to do anything you want. I’ll only step in if they try to do something you say you don’t want.”

She gave him a warm smile, then glanced down again. “What d’you think they mean by ‘sensory deprivation’?”

“Blindfold, maybe? I don’t know.”

“So you’re not worried about this affecting our relationship?”

He shook his head. “Our relationship is solid. We’re invincible.”

“You’ll be happy for me to get fucked by any other men?”

“It’s nothing we’ve not been doing for almost ten years.”

“And you’ll be happy that there’ll be other people watching?”

He smiled and nodded. "Sure. I know how sexy you look, and I'm happy for them to see that, too."

She gave him another smile. "They'll be filming it."

"They say that?"

She nodded and scanned through the email. "There's something about confidentiality. 'Any information disclosed during the Games, as well as the identity of other participants, must remain strictly confidential. Sharing any details or images on social media, personal websites, or any public platforms is strictly prohibited. Violation of this confidentiality agreement may result in disqualification from the event and legal consequences.'"

"That seems obvious. I mean, who'd put clips of them getting tag-teamed on their Facebook page? 'Hey Mom, look what I did last weekend!'"

Jade laughed. "The email's signed W & J, so I guess they're the rich dudes footing the bill."

"Do you think they'll be there in person? I mean, if they're so secretive and filming everything, maybe they won't actually be there."

"They ended the email with 'looking forward to meeting you,' which to me suggests they will."

"Cool. That's probably why there's all the confidentiality stuff." He scratched his face, briefly wondering whether to shave before he went to work. "When does it take place?"

"The end of October."

"So we have over a month to get you fit enough for The Sex Olympics."

She closed her laptop and smiled. "Don't you go getting any ideas. I'm not letting you wear my cooch out before I have to compete."

* * * *

Over the next couple of weeks, The Hotwife Games were barely discussed, and their sex life moved back to sensual lovemaking in bed, rather than fucking all over the house. It wasn't until the tickets for their flight arrived that the subject of their upcoming trip became a conversational subject again.

"I've been looking at the weather over there, but it's not that easy to judge," Jade said, one Sunday afternoon as they sat in their living room.

"Why not?"

"I didn't realise New England covered such a big area. It's about five states, and it encompasses mountains, forests and beaches."

"If we're flying to Boston and driving the rest of the way, I guess it must be close to there."

Jade nodded. "That's what I thought. So, if it's not in the mountains of Vermont where there'll be snow, it's going to be similar temperatures to here. If we'll be staying in Massachusetts, it's probably like our autumn."

"So I should pack jumpers and not my shorts?"

"I guess so."

"What are you taking?"

"Sexy dresses, high heels and see-through underwear."

"Isn't that what you pack for work trips?"

She giggled. "I only tell you that so you pull yourself off every night thinking about me getting hot and heavy with all and sundry."

"Hmm." He looked across at her, taking in her bare feet and toned calves in the knee-length skirt she was wearing.

“Don’t go getting a hard-on, I’m off limits.” She shrugged. “I stopped taking the pill to let mother nature take its course. I’ll be back on it and hot to trot in time for next week’s escapades.” She laughed at his expression. “Stop looking so glum. If you’re good, I’ll pretend your cock’s a cucumber later.”

* * * *

The flight from London to Boston took almost eight hours, though travelling first class made the experience far more pleasant than any other flight they’d ever taken. From the air, Logan looked like a criss-cross of runways on an X-shaped slab of land sticking out into the sea. They were met at arrivals by a tall, good-looking man in a dark suit, who led them to a top-of-the-range Toyota hatchback. He explained that directions to the hotel had been entered into the car’s GPS system, wished them a safe journey then left with a smile.

Kenny got behind the wheel, racked the seat back as far as it’d go and manoeuvred the car out of the parking lot and onto the highway. Following the GPS directions, they headed south on the Massachusetts Turnpike, through a tunnel that went beneath the water, and came out on the south side of the city. From there they headed west, passing signs for suburbs with familiarly British names like Cambridge, Aberdeen and Brighton. As they left the city behind, the scenery became very much like what they were used to at home.

“I can see why they call this part New England,” Kenny said, glancing around at the oak and beech trees in autumnal hues.

“Yeah,” Jade said. “It’s really pretty here.”

After about forty-five minutes the GPS directed them off the interstate and onto smaller roads, where they passed through picturesque towns and villages. A right turn at another junction sent them onto a side road, which

eventually tracked left onto a wide, tree-lined driveway. A large ornate sign displayed the words *The Diablo's Retreat Hotel*.

Jade turned to him and frowned. "Diablo? Doesn't that mean the devil?"

He smiled at her. "That's because you're in for *a hell* of a shagging."

"Ooh, promises, promises." As they progressed further along the drive, her eyes opened wide.

Pine trees offered an occasional splash of green amongst the copper and russet colours of the deciduous trees. They rounded a bend in the drive and the hotel was in view. It was a splendid stone building nestled against a backdrop of trees. With a steep pitched roof and high, narrow windows, the Gothic architecture looked imposing.

"Jeez," Kenny whispered, slowing the car. "It's kind of creepy."

"No, it's like something from a film."

"The Shining or The Addams Family?"

She slapped his arm. "Neither. It's like something from a fairy tale, magical and enchanted."

"If you say so." He steered into a parking space near several other cars to the side of the building. Gravel crunched beneath his feet as he stepped out into the cool, crisp air.

Once he'd retrieved their bag from the hatch, they made their way towards the broad stone steps that led to the entrance. Kenny looked around, admiring the formal gardens. The flowerbeds were filled with red and black flowers that, from a distance, had looked like playing cards scattered at random. On closer inspection, they were crimson roses and some other variety of black flower he didn't recognise. The most striking part of the

garden was a hedge maze like the ones used in *The Shining* and the *Harry Potter Goblet of Fire* film. The labyrinth path was marked out with compacted ten-foot evergreen firs.

Jade had a look of wonder in her eyes as she stared up at the building. “I’m liking this already. Cocks or no cocks, I could get off just from looking around this building. I can’t wait to see what the inside is like.”

They walked up the steps, through the open, ornately carved oak door and into the entrance hall.

“Oh my,” Jade murmured, as she looked at the impressive wood-panelled walls and ornate chandelier. A wide staircase with polished handrails led up to the next floor.

Behind a rosewood counter stood a tall, handsome man. “Good afternoon, and welcome to The Diablo’s Retreat Hotel.” He glanced down at his hand-held tablet. “Am I correct in assuming you are Jade and Kenny?”

Both nodded.

“Very good. I am The Concierge, and my role is to make sure that all our guests have everything they require. If you need anything during your stay, please do not hesitate to ask. If I am not here, ask whoever is on duty and they will know how to contact me.”

Jade leaned forward over the counter, as if not wishing to be overheard. “We’re actually here for The Hotwife Games.”

The Concierge smiled. “Our hosts have hired the entire hotel for the duration of The Games, and all of the guests are involved in one way or another.” He stepped around the counter and looked at the suitcase by Kenny’s feet. “Would you like me to get someone to help with—?”

“No, I’ve got it.” Kenny effortlessly picked up the case.

The Concierge smiled and gave a slight bow. “If you’d like to follow me, I’ll show you to your room.”

He led them up the wide oak staircase and along a carpeted landing, where oil paintings and tapestries adorned the walls. After he’d unlocked and opened a panelled door, The Concierge stepped back to allow them to go in first.

The large room had a high ceiling with an intricately carved cornice. The floor was made from wide, polished oak planks and scattered with oriental rugs. There was a huge four-poster bed on the left, and a log fire burning in a black cast-iron fireplace. Two long windows on the far wall were draped with heavy, dark blue and gold brocade curtains that matched the bedspread.

The Concierge watched Jade as she wandered around the room admiring the furniture. “Dinner won’t be served for several hours. I understand you’ve had a long journey, and that your body clock will be several hours ahead of ours. If you wish, I can arrange to have sandwiches brought up to your room.”

Kenny nodded. “That’d be great, thanks.”

Moving towards the door, The Concierge gave another smile. “After you’ve eaten and rested, feel free to explore the hotel and grounds. Dinner will be served in the dining room at six, and guests are welcome to have a drink in the bar beforehand.” He gave a final nod, then left.

Jade’s face beamed. “This place is just...” She walked over to one of the freestanding wardrobes and opened one of the doors. “This is worth a fortune.”

Kenny chuckled. “It won’t fit in the suitcase, if you’re thinking of—”

She turned around, her big brown eyes wide. “It’s a nineteenth-century French armoire, probably worth about ten grand.”

“Serious?”

She nodded, moving over to examine the tall chest of drawers then the bed. “The furniture in this room alone must be worth thirty grand. I don’t think we’d be able to afford a single night’s stay in this place, so can you imagine how much it must have cost to hire the entire hotel for several days?”

Kenny shook his head, walked over to a window and looked out. There wasn’t another building in sight: just stunning views of a walled garden with a solitary tree, then woodland and rolling hills all the way to the horizon.

“Are you tired?” he asked.

“No, I’m too excited about this place.”

He grinned. “Just the place, or the reason we’re here?”

“Both. Let’s unpack, then after we’ve eaten we can go for a wander around.”

Jade was hanging her dresses in the wardrobe she’d made such a fuss about when a pretty maid delivered a tray of sandwiches, pots of tea and coffee, and a selection of what looked like home-made biscuits. They both thanked her, then sat down to eat on the leather wing-backed chairs by the fire.

Once they’d finished eating, Kenny and Jade dressed in warm jumpers and walked down the stairs, through reception and onto the broad steps. Tall wrought-iron gates blocked the access to the walled garden and hedge maze,

so they turned left and walked along a path towards a wooded area. The flagged paving came to an end but there was a well-trodden trail to follow between the gnarled trunks. Though the canopy above them was still dense, many leaves had already fallen and crunched underfoot.

Jade slipped her hand into his and squeezed it. “This place is fantastic.”

Kenny had to agree, now reconsidering his first impression that the place was spooky.

They spent an hour exploring the grounds and enjoying the fresh air, not meeting anyone else on their walk. Returning to their room, they took turns in the shower and then dressed for dinner. Jade wore a knee-length green dress and Kenny a casual shirt with chinos.

The bar was similar in appearance to the reception hall, with wood panelling on the walls and a rosewood counter. A pretty barmaid was serving another couple, who Kenny assumed were also competing in The Games. They were white and looked a few years younger than he and Jade, probably still in their twenties. The guy’s hair was short and dark, the woman’s long and blonde. The barmaid passed them their drinks then turned her attention to Kenny, who ordered two gin and tonics.

Jade, ever the friendly one, turned to the couple standing next to them. “Hi. I’m Jade, and this is my husband, Kenny.”

“Shawna,” said the woman with an American accent.

“Troy,” said her husband. “Are you guys English?”

Jade nodded. “Yeah, we flew into Boston this morning.”

“So did we,” Shawna said. “We’re originally from the Midwest but are now living in Vegas.”

Once Kenny and Jade had their drinks, the four of them stepped away from the bar. Jade led the way to a table surrounded by four leather wing-backed chairs like the ones in their bedroom.

“Want to join us?” she asked, and the couple smiled and sat down.

Shawna kept glancing at Kenny, then turned to Jade. “Are you guys here for the competition?”

Jade scrunched up her nose. “Yes and no.”

Shawna and Troy looked at each other, then back at Jade. “You mean one of you is and the other isn’t?”

Jade laughed. “I mean I’m here for the sex, not so much for the competing.”

Shawna blinked, then turned to Kenny. “What about you?”

“I’m not here to compete either. I’m just here to watch.”

“Ah, okay.” She nodded at her husband. “We often play with other couples, and Troy’s hoping to be joining in with the fun.”

Jade smiled at him. “Good for you, hon.”

“So,” Shawna asked, “how long have you guys been in the lifestyle?”

“Almost ten years,” Jade said.

Kenny smiled. “It actually started on our honeymoon.”

The American couple looked shocked. “Really?”

Jade gave a laugh. “It wasn’t planned that way, it just happened.”

Shawna and Troy glanced at Kenny then looked back at Jade.

She sighed. “My mum was born in Jamaica and her folks still lived there. I used to visit as a kid and used to hang out with the boy who lived next door

to my grandparents. And when we took time out of our honeymoon to visit my nan and grandpa—”

“They hadn’t been well enough to travel to the wedding,” Kenny added.

“Right,” Jade confirmed, “so we went to see them, and Jahmar—the boy next door—was all grown up.” She gave a smile, then looked at her husband.

Kenny continued with the story. “It’d been over ten years since they’d met, so we asked him over to our hotel for a drink that night.”

“Just to catch up on what we’d been doing,” Jade said. “Nothing more.”

“But the rum is stronger over there,” Kenny said, smiling.

“He means I got drunk.”

He ignored her interjection. “And the nights are hotter, and the stars seem so much brighter sitting out on that terrace.”

Jade sighed. “I may have flirted a little bit.”

Kenny laughed. “She kept recrossing her legs and leaning forward to flash her cleavage.”

Shawna’s eyes were on Kenny. “How did it make you feel?”

“Horny, I guess.” He shrugged. “I don’t get jealous, and I’d noticed the way Jahmar couldn’t keep his eyes off her body.”

“Who suggested she sleep with him?” Troy asked.

Jade frowned. “I don’t think either of us suggested it. It just kind of... happened.”

Shawna’s eyes were wide. “Did you take them both?”

“No, just Jahmar.” Jade shrugged. “Kenny watched. After Jahmar had left, he got into bed and fucked me until it was light.”

“Wow.” Shawna’s cheeks were slightly pink.

“How did you two get into it?” Kenny asked.

“I...” Shawna frowned and glanced at her husband.

“Shawna had a fling with a man she worked with,” Troy said. “When she admitted it, I realised I didn’t mind as much as I should have.” He shrugged. “While I didn’t like the fact she’d lied and snuck around behind my back, I found the idea of her sleeping with somebody else arousing.”

Shawna reached over and held his hand. “We had a few clear-the-air conversations, then ended up going to a sex club to meet other couples. After a few two-on-two nights, Troy encouraged me to arrange a night with a single guy so he could watch. That’s what we’ve been doing for the last three years. Sometimes we meet up with couples, sometimes I meet with a bull and Troy watches.”

The bar had filled during their conversation, and Kenny saw there were now four other couples present, though he and Jade were the only black pair.

The deep ring of a gong resonated through the room.

“Dinner is about to be served,” the barmaid announced. “Please make your way to the restaurant. Feel free to take your drinks with you.”

When Kenny walked into the restaurant, he was a little surprised to see it was nothing like reception or the bar. The room was large and light, with high, vaulted ceilings and numerous tall windows offering a great view of the gardens. The tables were arranged to seat only two people at each, and several of them were already occupied by couples, presumably their fellow competitors.

The Concierge met them just inside the door. “Good evening, Jade and Kenny. I trust you’re both feeling rested. Please follow me. Your table’s right over here.”

After holding out Jade’s chair for her, he gave a final smile. “A waitress will be over to take your order shortly. Please excuse me while I greet the other guests.”

Jade watched him go then let her eyes wander around the other guests, who were all attractive and well-dressed. “It’s hard to believe that all these nice people are doing the same sort of dirty things that we do in the privacy of our bedroom.”

“Whatever they do while they’re here won’t be in private.”

She grinned. “And that’s fine with me.”

CHAPTER 4

A pretty, redheaded waitress came to deliver menus and take drink orders. Jade ordered a bottle of Malbec. When all the couples were settled at their tables, a slim blonde woman walked into the room. She looked good in a long black dress and stiletto heels, though the upper half of her face was hidden behind a Venetian mask. Everyone in the room seemed to be watching her. She stopped at the table nearest the door and spoke quietly to the couple seated there.

“Who d’you think that is?” Jade whispered.

“I don’t know. Maybe she’s W or J?”

“The mask adds to her mystique, don’t you think?”

He shrugged.

“I wonder if I’ll have to wear one for the films they make.”

Kenny watched as the woman moved on to the next couple. “I guess we’ll soon find out.”

The blonde in the mask eventually reached their table. She crouched down beside them and Kenny couldn’t resist letting his eyes wander along the thigh exposed through the slit in her dress before focusing on the blue eyes behind the mask.

She smiled. “Good evening. I trust your room is to your liking?”

They both nodded, with Jade saying how much she loved the whole building.

“Yes,” agreed the blonde. “I love it here. So, I am The Manager, and I will be overseeing the smooth running of The Hotwife Games, which starts tomorrow.” She looked at Jade. “Are you ready?”

Jade smiled. "I'm always ready to play games."

The Manager laughed and turned to Kenny. "How about you? Are you looking forward to seeing your wife in action?"

"Oh yeah."

The masked blonde held eye contact for a few moments, then slowly stood up. "Well, I hope you both enjoy the rest of your evening. I know you've travelled a long way, and no doubt you'll be ready for bed as soon as you've finished dinner." She turned to Jade. "I recommend you get a good rest, because you're going to need all your energy tomorrow."

Jade smiled. "That's what I was hoping for."

The Manager laughed again, cast a final smile at Kenny then moved on to the next table.

Before they could say anything, the waitress arrived with their wine and took their food order. After she'd left, Jade leaned over the table. "Do you think that manager lady's flirting with all the men like that?"

"Huh?"

"Don't pretend you didn't notice her flashing those big blues at you." She leaned over the table. "And don't think I didn't notice you gaping at her legs."

Kenny chuckled. "I could barely see her eyes behind that mask, let alone tell if they were doing any flashing."

"Hmm." She picked up her wine glass and smiled at him over the rim. "It's supposed to be me who's getting flirted with, not you."

"Fine with me."

When The Manager had spoken to every couple, she went to talk to The Concierge. Just before she left the restaurant, she glanced over in Kenny's direction one final time. He laughed at Jade's expression and gave a shrug as if to say he'd done nothing wrong. Then the waitress brought their food, which was as good as anything Kenny had ever eaten.

By the time they'd finished dessert, Jade looked as tired as he felt. As they left the restaurant, The Concierge informed them that breakfast was served between seven-thirty and nine-thirty, and that The Manager would be in the lobby to explain the rules to everyone at eleven.

They walked up the wide staircase and along the landing to their room. One of the maids had closed the curtains, turned on the bedside lamps and put a fireguard in front of the grate, where embers still glowed. They undressed and each visited the bathroom, then settled down in the huge, comfortable bed.

Jade snuggled into his arms and kissed his chest. "Are you still happy for me to participate in these games?"

"I wouldn't have come all this way if I wasn't."

"You excited?"

He smiled. "Yeah, but probably not as excited as you are."

"Been a while since my last bull."

"Hmm." It'd only been a matter of weeks.

"Want to abuse me? Might be your last chance for a while."

"No, I'm going to wait my turn."

She kissed his chest again. "Tell me nothing's going to come between us, no matter what."

He kissed the top of her head. “Nothing will ever come between us. Now let’s get some sleep. I don’t want to be too tired to watch you getting tag-teamed tomorrow.”

“Hmm. Promises, promises.”

* * * *

Kenny woke early, no doubt because his body was still on UK time. He lay in the semi-darkness and watched his sleeping wife, the familiar tingle of arousal thrumming through his body as it always did before her playdates. He slipped out of bed and went for a shower. When he returned to the bedroom, Jade was sitting up in bed with a smile on her face.

“Hi,” he said, walking over to stand at the foot of the four-poster. “Sleep okay?”

“Like a baby. These pillows are wonderful. How’s the shower?”

“Fantastic, like everything else in this place.”

They wandered down for breakfast a little after eight. There were already several couples serving themselves, though Kenny couldn’t see Shawna and Troy yet. He poured himself a glass of orange juice and took it to a free table, then perused the food options. He saw Jade get herself fresh fruit and yoghurt, and he followed her lead. Back at the table, they looked around at the other couples. Some returned friendly smiles.

“Do I look as nervous as they do?” Jade whispered.

He laughed. “It does have the air of the first day at a new school.”

“Well, I never got spit-roasted on my first day at school.”

“Yeah, but I bet it’d happened before the end of the week.”

A waiter stopped at their table to offer coffee and tea. Kenny chose the former, Jade the latter. Once his fruit was gone, he went to fill his plate with bacon and pancakes. Jade chose scrambled eggs and toast, then a pastry. It was more than she usually ate for breakfast, and Kenny commented on it.

She leaned over the table. “I don’t want to run out of energy before my bulls have run out of jizz.”

Breakfast finished, they decided to take another walk before the eleven o’clock start. It was another bright day, and neither of them spoke much as they wandered through the grounds. They got back to the hotel just before eleven to find the other guests in the lobby, standing in a semi-circle around The Concierge and The Manager. Kenny sensed a buzz of excitement in the air.

The Manager was wearing a different mask over her eyes. “Welcome, dear guests, to The Diablo’s Retreat Hotwife Games. Today marks the beginning of a journey that will test your limits, challenge your assumptions, and strengthen the bonds you share with your partners.”

Kenny glanced down at Jade, who squeezed his hand.

The Concierge took over. “Over the next few hours, you will face the first of a series of challenges designed to ignite your passions, explore your desires, and push the boundaries of your relationships. This first challenge—and if you are successful, the subsequent two—will require trust, communication, and an open mind.”

Kenny frowned. He thought there were three challenges, no matter what. He hadn’t seen any mention of them having to pass the first to qualify for the others in any of the information he’d read.

The Manager stepped forward with a smile. “But first, let me introduce you to your hosts.” She held out her hand. “Ladies and gentlemen, please welcome W and J.”

Everyone turned as a tall black man and a short, slender black woman emerged from a door at the back. Both were wearing sparkling half-face masks, the guy’s a stag with crystal-covered antlers and the woman’s an orange vixen with black gemstones.

The man spoke, but he didn’t introduce himself so Kenny didn’t know if he was W or J.

“Welcome, all, to the tenth Hotwife Games.”

Kenny glanced at Jade. She was obviously as surprised as he was that there’d already been nine other versions of this competition.

“Before we begin,” the masked man continued, “I must emphasise that participation in these games is entirely voluntary. At any point, should you feel uncomfortable or wish to withdraw, you may do so without judgment. Your wellbeing and boundaries are of utmost importance to us.”

Jade squeezed Kenny’s hand again.

Next, the masked black woman spoke. “As we proceed, remember that The Diablo’s Retreat is a place of mystery and enchantment. Embrace the challenges with an open heart, and you may uncover truths about yourselves and your relationships that you never thought possible.”

The assembled couples murmured to each other, then the guy spoke again. “You might face some tests alone, or you might share them with another couple. You may see us at some of them, others may be observed by our table of judges through stationed cameras or mobile cameramen. If you’re

uncomfortable being observed in this way, remember that you're free to walk away at any time without judgement."

Jade grinned at Kenny, pushing out her cheek with her moving tongue and mimicking sucking a cock.

The female host may have noticed because she was smiling in Jade's direction. "You'll face a total of three challenges," she said. "The first today, the following two taking place over the next couple of days."

"However," the man said, looking serious, "failure to complete a challenge will result in disqualification and your departure from The Diablo's Retreat. The prize pot will be divided amongst all the finalists who complete their three challenges."

Kenny and Jade shared another look. They'd dismissed the competitive side of this thing immediately, so mention of prize money was a surprise.

"Finally," the masked woman said, "we hope you all have a wonderful time today. The Manager and The Concierge will be on hand to answer any questions you may have but until then, have fun at The Hotwife Games."

W and J held hands and walked back through reception. Kenny turned to see everyone else leaving the lobby and walking down the steps to the front courtyard.

The Manager pointed behind her to several metal stakes placed around the lawn. "These are your starting points," she said. "Two couples start at each one. After your first test, the route through the challenges will become clearer. Finally," she called, "dinner will be in the restaurant at seven. You'll have the evening to relax and reflect on the test you've faced. Then I recommend you get a good night's sleep to prepare for tomorrow's challenge."

The crowd dispersed and made their way across the lawn. At the top of each spike was a golden cardboard plaque, printed with heavy embossed writing. There was a title and two sets of names. They found their own names on the third spike they got to. It read:

No Hands, No Holes

Shawna & Troy / Jade & Kenny

[Play Areas 6 & 7. 2pm Start]

Kenny bent to whisper in his wife's ear. "What are you thinking?"

She frowned. "I'm thinking it doesn't sound like much fun for me."

He laughed, then saw Troy and Shawna approaching. "Hi," he said. "Looks like we're both down for the same first challenge."

He watched as the newcomers read the plaque and exchanged puzzled looks.

"Have you any questions?" said a male voice from behind.

Jade turned, folded her arms and glared at The Concierge. "For now, my only question is where do we find play areas six and seven."

He opened his mouth to reply, but Jade spoke over him.

"Depending on what goes on in those play areas, I may have a question about why my holes have to be neglected."

A broad smile creased his handsome face. "I see. Well, I can certainly answer your first question. The play areas are located inside the hotel. Six and seven are on the ground floor to the left of the lobby, near the spa and gym. As for your second question..." He held out his hands, palms up. "I'll let our hosts respond to that if, after the task, you still feel the need for clarification."

Jade regarded him with a semi-serious expression. “Hmm. Well, we’ll see how I feel later.”

He gave another smile and a brief bow, then moved along to the couples standing by the next spike.

“Looks like we have a bit of time to kill before it starts,” Troy said.

Kenny glanced at his watch and saw it was a little after eleven-thirty. “You guys fancy a pre-game drink?”

The American couple nodded, and the four of them wandered back towards the hotel, passing chattering and excited couples who were discussing their own challenges.

In the bar, Kenny ordered his and Jade’s drinks, then looked at Shawna.

“Bourbon.” She chewed her lip. “Make it a double.”

Jade laughed and gave her new friend a reassuring hug. “Loosen up, girl.”

Shawna’s smile looked forced. “I’m just a bit anxious.”

“I know what you mean.” Jade shook her head. “I really don’t like the sound of the ‘no holes’ part.”

The four of them took their drinks to the same table they’d used the previous night and chatted about the hotel and grounds. Kenny noticed that Troy kept glancing at his phone.

At ten minutes to two, Jade excused herself and went to the loo. Then she returned and smiled. “Come on, let’s go see what’s in store.”

* * * *

As Kenny had expected, two play areas meant that each couple had a room of their own. Both doors were locked, so they waited outside. Voices approached

from the end of the corridor and The Manager appeared around the corner with two guys in jeans and black t-shirts, each carrying a small movie camera.

The Manager smiled. “Ah, good. You’re already here.”

“Yep,” said Jade. “I’m an eager beaver, though I get the feeling my beaver’s going to be disappointed.”

The Manager laughed out loud, then glanced up at Kenny. “Is she always so outspoken?”

“Oh yeah.”

She smiled, then looked at the two cameramen. “Well, this is Greg,” she said, touching the arm the nearest guy. “And that’s Hal. They’re going to capture the action, though all the playrooms are fitted with cameras as well.” She looked from Jade to Shawna. “You’re both aware you’ll be filmed, correct?”

Both women nodded.

“As the rules explained, what goes on here is confidential. Copies of the films will be made available to you once they’ve been edited together, but you’ll be asked to sign an NDA before we’ll release them.”

Shawna glanced at her husband, then asked, “How do we know you guys won’t upload the films onto a porn site?” She shrugged. “I mean, you’re wearing masks, but we’re going to be showing our pussies *and* our faces.”

The Manager nodded as if she’d been expecting this sort of question. “There’s a lot of legal jargon on the application forms you guys signed, but it’s a two-way contract. Not only does it stipulate that you’re not allowed to share stills or footage on social media, it also guarantees your rights. If we

don't uphold our half of the confidentiality agreement, we'd be liable for extensive damages." She shook her head. "Trust me, there is no way that we'll compromise your privacy. I've been organising get-togethers like this for many—"

"At this hotel?" Jade asked.

The Manager looked confused. "Some were here, but also at other locations. A few months ago we organised a party in Malibu, before that there was—"

"So you're not just manager of this hotel?"

The blonde laughed and shook her head, reaching out to stroke Jade's arm. "No, honey, I'm not the hotel manager. I work for W and J. The actual manager of the hotel has been given the week off, as have all the regular staff. We've brought in our own people, including chefs, kitchen and wait staff, cleaners, everything."

"Wow." Jade shook her head. "So who's W and who's J?"

"I'm afraid they're very private about their—"

"No," Jade said, shaking her head. "I mean which is which?"

"Ah. W is the man, and J is his wife."

"They're married?" Jade seemed to be happy about this. "And from their masks, are we to assume they have a stag-vixen kind of relationship?"

The Manager gave another smile. "Remember that thing about confidentiality we were just talking about?"

Jade laughed and nodded.

"Right, I think I should tell you a little about your first task, No Hands, No Holes." She paused to see if any of the participants said anything. When

they didn't, she continued. "As practicing hotwives, I'm sure you both know exactly how to satisfy a man, be it your bulls or your husbands. For this task, each of you ladies will have three bulls to satisfy."

Kenny saw Jade and Shawna share a look.

"However, we believe that any woman worthy of the title Queen of Hotwives should be able to satisfy a man without his penis entering her body."

Jade pouted.

The Manager laughed again. "You two ladies both have wonderful bodies, and I'm sure you'll think of ways to satisfy the men waiting in the rooms behind you. Your task is simple: make all three men ejaculate without inserting their penises into your body or you touching them with your hands. Once the man has ejaculated, you have to make him taste his own semen."

Jade's eyes went wide. "Say what?"

She smiled. "Just a taste, we're not talking drinking a cupful through a straw. There's no set time limit but to successfully complete the challenge, all three men must ejaculate." The Manager then knocked once on each door. The sound of them being unlocked from inside made Kenny's heart race.

"Good luck," Shawna whispered to Jade, who smiled and gave her the thumbs up.

Jade opened the door of room number six and walked in. Kenny followed, with The Manager and Greg the cameraman close on his heels.

The room was about as big as their bedroom and, like everywhere else in the hotel, the decoration was tasteful and elegant. He suspected that for the rest of the year, it would be used as a regular room. Today, it was bare except

for the huge four-poster bed positioned in the middle of the floor, and a set of shelves on one wall. Standing in line at the side of the bed were three men, all of them tall, fit and naked, their hands tied behind their backs. Two of them were white, and one looked Middle Eastern.

Jade regarded the three men. “So they can’t use their hands on me, either?”

The Manager smiled and shook her head. “I’m afraid not, but let me introduce them.” She placed a hand on the closest man’s shoulder. He had blond hair and a broad, hairless chest. “This is Bradley, an ex-Marine from Iowa. Next to him is Andy, a close neighbour of ours from Toronto.”

Andy had dark hair tied back in a ponytail and a smattering of hair on his chest.

“And finally,” she said, leaning forward so she could see the man at the other end of the line, “we have Mansour. He’s from Marseille in France, though his parents originate from Algeria.” He had short-clipped black hair that was receding, dark eyes and numerous tattoos on his arms and torso.

Jade glanced down at the men’s flaccid penises. “Well, I guess I’d better find a way to wake up these sleeping pythons so that I can do some snake-charming.” She kicked off her shoes, peeled off her blouse and pushed down her leggings.

Kenny looked at his wife standing in front of the three men in just her ivory-coloured bra and thong. “It’s a shame there’s no music,” he whispered to her.

The Manager frowned. “Sorry?”

Kenny tilted his head towards Jade. “She’s a great dancer. I get hard just watching.”

“Every room has Bluetooth speakers.” She walked over to the shelves, picked up a tablet and tapped the screen. She held it out to him, but he nodded at his wife. “Let her choose the music.”

The Manager handed her device to Jade, who quickly searched the app for songs she wanted to dance to. She handed it back to the blonde, who tapped the screen then the room filled with the sound of Doja Cat’s ‘*Get Into It (Yuh)*’. The speakers were good. The music was crystal clear, the bass rich.

Jade arranged the men so they were facing her in a triangle, then began gyrating to the beat between them. She moved fluidly among the men, grazing her breasts against one before backing up to rub her bum against another.

Kenny saw Greg moving around to get different angles of Jade’s dance. He’d already noticed the other cameras in the room, including one attached to the upper frame of the bed. The Manager excused herself, saying she needed to go and make sure everything was okay next door.

By the time the song ended, all three bulls were sporting semis. Jade stood immediately in front of Bradley and watched his eyes while reaching around to unclip her bra. Even without support, her ample breasts sat high, keeping their shape. Kenny watched as she rolled her thong down her legs then backed into Mansour until his swollen cock pressed between her bum cheeks. As the opening bars of a vaguely familiar reggae tune began to play, Jade began to move.

For this song, her dancing became much more raunchy. Not only did she swing her hips and *shake her booty*, as Kenny liked to call it, she was

grinding her arse into the bulls' crotches and squatting down to drag her breasts over their cocks. By the time the third song had finished, all three bulls had full hard-ons. Kenny's cock had also thickened, and he suspected Greg's had, too.

Jade squatted and pressed her tits around Andy's cock, moving them up and down. Greg stood to one side with his camera aimed down from shoulder height.

Jade looked up into Andy's eyes and smiled. "How does that feel?"

Andy let out a sigh. "Feels good."

Jade smiled, then moved around until she was facing Bradley. She smothered his cock between her tits and repeated the action for a few moments, then treated Mansour to the same. Finally standing up, she nodded towards the four-poster. "Okay, you three go lie side-by-side on that nice big bed."

The men did as instructed, though it looked an awkward task with their hands tied behind their backs. Just then, The Manager slipped quietly back into the room.

Jade crawled onto the bed between Bradley and Andy and cast her eyes over the three erect cocks. She turned to The Manager. "You sure I can't use my holes?"

"I'm sure. Sorry." The blonde's smile suggested she wasn't sorry at all.

"That's a shame, because I could accommodate all three of these fellas at the same time and leave nothing of their cocks in view."

The Manager licked her red-painted lips. "Perhaps you'll get the chance to demonstrate that in a future challenge."

“Hmm, I hope so.” She looked down at the men again, then back at The Manager. “Do we have body oil?”

“We most certainly do.” The masked blonde walked over to the shelves, flashing Kenny a wide smile as she passed, and returned to the bed with a large bottle, handing it to Jade.

Jade straddled Andy’s legs, since he was in the middle. Raising the bottle, she dribbled oil over her breasts and massaged it in, rubbing the spheres and tugging at her nipples. “Since you boys aren’t going to do it for me, I’ve got to play with my own tits.”

After a minute or so of caressing herself, she poured oil onto Andy’s cock, reached to her left and poured some onto Bradley’s, then reached over to her right to do the same to Mansour. “Well, I suppose I’d better get on with the challenge.”

Flashing a smile up at the camera Greg was pointing at her, she manoeuvred herself until she lay face down across the crotches of all three men. Then she began to squirm and writhe, massaging their cocks with whatever part of her body was in contact. She moved her tits against Mansour’s cock, ground her crotch against Andy’s, and gripped Bradley’s between her legs. After a couple of minutes, she back-crawled across the width of the bed, treating Andy and then Bradley to the same tit-lashing that Mansour had seemed to enjoy so much. The playlist had finished, and Kenny was able to hear their slick bodies sliding together.

“Okay,” she whispered, “I think it’s time we worked on the money shots.” She slid down and twisted through ninety degrees until she was kneeling over Bradley’s legs, her backside sticking up in the air. Kenny and The Manager moved to the side of the bed to get a better view. Greg stood beyond the

pillows, making the most of the fact that the bed was in the middle of the room. From his angle, he'd be able to capture Jade's expression as well as get a clear view of what she was doing to the bulls' cocks.

Pressing her tits on either side of Bradley's shaft, she let out a low purr. "Are you ready for this?" she whispered. The guy smiled and nodded. His eyes, like Kenny's, were fixed on the thick white cock sitting between the two brown spheres of Jade's tits. She lay down, settling her entire body against his, then looked up at The Manager. "Is there anything in your rules about me fucking his leg?"

The Manager smiled. "No."

"Good, 'cos I think I deserve a little *me time*." Jade looked up at Bradley. "So, what's going to happen now is we're going to have a little competition of our own. While I'm giving you an oily tit-fuck, I'm going to be humping your leg. Let's see which one of us comes first."

"Okay."

Jade began to move, pumping her hips and sliding her body up and down his. After a minute or so, her breathing became ragged. "I hope we manage to get together on another challenge, because I'd really like to feel this cock inside me. And once it's in there, I'd make you paint my pink walls white."

Her breath caught and her thighs trembled, then she let out a sigh and began moving her body faster, riding Bradley's leg and sliding her tits over his cock. The bull exhaled as a thick dollop of pearly white splattered onto Jade's glowing skin. Eventually she slowed her movements, dipped her head and ran her tongue through the cum on his stomach. Then she crawled up the bed and held it over his face.

Bradley leaned up and sucked her tongue into his mouth, and the pair kissed for several seconds before Jade pulled back, smiled and crawled over to straddle Andy. She retrieved the bottle of oil from the side of the bed and added another generous dollop to his cock, then lowered herself so that the length of his shaft nestled against her labia. “Your dick might not be allowed into the house, but there’s nothing in the rules about sheltering in the porch.” Jade rocked her hips forward and back, the bull’s cock trapped between his stomach and her ever-moving body.

“How’s that working for you?” she asked, stroking Andy’s chest. “D’you think we’ll be able to come together?”

Kenny watched his wife slide back and forth at speed, pressing down to get the friction she needed on her clit. His own cock was wet inside his shorts.

Jade came first, groaning and sighing a few seconds before Andy arched his back and sent a thick rope of cum high onto his own chest. She pumped her hips faster and Andy shot more cum up onto his stomach. As he lowered himself, she leaned over and dragged her breasts over the mess on his chest. After crawling further up the bed, she dangled one over his head until he sucked the cum from her nipple.

Jade looked directly into the lens of Greg’s camera. “Two down, one to go.”

The Manager leaned close until her shoulder pressed against Kenny’s. “She’s a natural, the way she plays up to the camera.”

He glanced at her and smiled. “Yeah, she is.”

Jade smiled down at Mansour’s cock. “I don’t think this is going to take

us long, but that's fine."

Kenny followed her gaze. There was already a puddle of clear precum pooling in the third bull's bellybutton.

Jade stood up on the mattress, steadying herself by holding the frame of the four-poster. "I know I can't use my hands, but I've given foot-jobs before." She placed her sole on Mansour's cock and slid her foot up and down on his shaft.

Kenny watched, a smile on his face. Jade had done this to him several times.

"What are you smirking at?" The Manager whispered.

He nodded at his wife's foot, now sliding quickly over the bull's oily cock. "I know how good this feels."

"Do you get involved in her playdates?"

Keeping his eyes on the action, he nodded. "Sometimes."

"Hmm, that's interesting."

He looked over at the blonde, who smiled up into his face for a second before turning back to the bed. The mask made it impossible for him to read her expression.

Mansour grunted as Jade's foot brought him to orgasm. She whispered words of encouragement and kept her foot sliding up and down. He closed his eyes and pushed his head back, then let out a long, contented sigh.

"Don't you go falling asleep," Jade scolded. "You're not finished yet." She swiped her toes through the cum on his stomach and held her foot over his face. Mansour leaned up and licked her toes clean.

“Good boy.” Jade flashed another smile at the camera, then turned to The Manager. “How did I do?”

The Manager smiled. “I’d say you’ve passed your first challenge with flying colours.”

CHAPTER 5

Jade stepped down from the bed and quickly slipped on her clothes.

The Manager passed packs of wipes to the bulls, then turned to Jade. “Well done. Right, the rest of the day is your own. I may see you at dinner later.”

Jade smiled at the three guys mopping cum from their bodies. “I hope we get the chance to do more at another challenge.”

They all murmured their agreement as Jade and Kenny left. The door to Play Area 7 was closed, so they didn’t know if Shawna had finished her challenge yet.

“What do you want to do now?” he asked.

“What d’you think?” She gripped his hand and led him through the lobby, up the stairs and back to their room. As soon as the door was closed, she started pulling at the belt holding up his jeans.

He laughed. “You’ve just come twice.”

“You think *that* satisfied the itch?” She stepped back, leaving him to remove his jeans as she quickly stripped and walked over to the fireplace. Now naked, Jade sat on one of the leather wing-backed chairs, placed a leg over each chair arm and huffed impatiently at her husband.

“Can you wait until I’ve got my shoes off?”

“I don’t want your feet! I’ve just had foot-sex. What I need is a cock inside me.”

He dropped to his knees in front of her chair, his shoes and socks still on and his jeans bunched uncomfortably around his shins. “What about my jumper?”

“Shut up and give me your cock.”

Without preamble, he gripped his hard-on and entered her. Her insides felt as if they were coated in hot honey.

She let out a sigh, slipped her arms around his neck and looked up into his face. “This isn’t just for me,” she whispered. “Don’t think I didn’t see your hard-on while I was working those guys to a frenzy.”

His balls were already tingling.

Jade seemed to read his mind. “Don’t worry about making this one last, just blast away whenever you’re ready.”

Nothing more was said. Kenny pumped his hips and fucked her with force. Considering he’d been dribbling precum for the best part of an hour, he lasted longer than he expected. It wasn’t until he felt the clench of his wife’s orgasm that he emptied himself inside her. She moaned and dug her fingers into his shoulders as they rode out their release.

Finally, he withdrew and smiled at her. “How about a bath?”

“Yes please.”

“Shall I call down for champagne?”

“Can we do that?”

He nodded. “The Concierge said to make use of all the facilities the hotel has to offer.”

While Jade drew the bath, Kenny phoned down their order. Ten minutes later, they were immersed in the huge bath of scented bubbles, each with a flute of chilled champagne in their hand.

Jade rubbed her foot against his leg. “I could get used to living like this.”

“Yeah, me too.” He remembered W’s talk from earlier. “Speaking of which, did those texts Zeke sent you say just how much the prize money was?”

“I don’t think a figure was ever mentioned, but I’m only here for the sex anyhow.” She scowled. “At least that’s what I thought before they came up with that no holes malarky. Why?”

“I was just wondering. W and J must have spent a fortune on this event, with the flights, reserving the hotel and bringing all their own staff, supplying all we can eat and drink, and so on.” He shrugged. “I’m guessing the prize isn’t just going to be a fifty-dollar Ann Summers voucher.”

“Don’t you go putting more pressure on me to win this competition.”

He laughed and shook his head. “There’s no pressure. We don’t need the money as much as you need the sex.”

She laughed, splashing water into his face. “And don’t go making out I’m some kind of pervert. I know you’re getting just as much out of this as I am.”

He chuckled, then topped up their glasses. “I probably got more out of your challenge than you did. I got to see you being all sexy and using your body, while you didn’t even get a cock inside you.”

“If I don’t get some cock tomorrow, there’s going to be trouble.”

He gave her a teasing smile. “You saying mine isn’t enough?”

“Yours is great but, after coming all this way, I expect *fresh* cock.”

* * * *

By the time they’d got out of the bath and dressed, there was still over an hour to kill before dinner. They explored the hotel a little more, checking out the gym and spa they’d passed earlier and the balcony that overlooked the

rear courtyard and walled garden. They also investigated the tower at the back of the hotel, with its spiral staircase.

Rather than going into the bar for a drink, they rested in the lounge by the open fire until it was time for dinner. Several other couples were already seated in the restaurant when Kenny and Jade entered, including Shawna and Troy. Jade flashed them a smile as The Concierge showed her to the table.

After the waitress had delivered menus and taken their drinks order, Jade leaned over the table to whisper. "I guess we'll have to count the couples to see if any failed today's challenge."

Kenny thought about it. "I expect there's a scoreboard somewhere, so the competitive ones know how many other women still have their eyes on the prize."

"Maybe W and J will give some sort of update later." She picked up the menu. "What you going to eat tonight?"

"Last night's steak was so good I'm going to have it again."

"Typical man. No imagination." She perused the list. "My seabass was wonderful, but I'm trying another dish tonight."

"Typical woman. Fickle."

Jade eventually chose a vegetarian dish. The atmosphere in the restaurant seemed more relaxed than last night's. They'd successfully completed their first challenge, and there was an air of camaraderie amongst the women. After dinner, Kenny and Jade headed over to the lounge. Shawna and Troy wandered across and Jade invited Shawna to sit next to her.

"So," she said, slipping her arm around the blonde's shoulder. "How did you do with the no holes thing?"

“Not as well as you. I’d only made one of them come when your cameraman came through, so I knew you’d already finished your three.”

“Maybe my bulls were just quicker on the draw.”

Shawna shrugged. “I honestly didn’t know what to do. I asked if I could wear gloves and jack them off, but apparently that’d be against the rules.”

Jade laughed. “Yeah, I can see why.”

“I also asked if I could talk dirty while they all jacked off over me, but she pointed out the ‘no hands’ part also applied to the men.” She glanced from Jade to Kenny. “Were your guys handcuffed, too?”

Both nodded.

Shawna frowned. “It made it awkward. In the end I just slid my tits up and down their cocks. It took a while, but—”

“Hi ladies.” The Manager smiled down at them. “Congratulations on completing your first challenge.”

Jade and Shawna muttered their thanks. The Manager ignored Troy but gave Kenny a wide smile, then moved on to chat with other people in the lounge.

Leaning close to whisper to Shawna, Jade said, “That woman keeps eyeing up at my man.”

“From what I hear, he’s her type.”

Jade glanced over at The Manager, who was wandering around the lounge with a big white guy in tow. “What d’you mean by that?”

“Our cameraman said she’d given blowjobs to the black bulls in another hotwife’s challenge. He’d seen the footage.”

“How can she do that?”

The three of them stared at Jade. To Kenny, it seemed a stupid question.

Jade shook her head. “I know she uses her mouth. My point is, *why* can she do that? She’s not a hotwife. Or at least, she’s not in this competition.”

Kenny suspected Jade was only ranting because she’d taken a dislike to The Manager for smiling at him.

But his wife was in full flow. “What I’m saying is, she’s just the hired help. Her blowing the bulls is a case of two lots of hired help having fun outside the remit of their roles.” She shook her head. “If she tries to get hot and heavy with any of the bulls who are supposed to be pleasuring me, I’ll kick her ass.”

Kenny chuckled. “You’re overreacting. I’m pretty sure there are enough bulls around here to keep everyone satisfied. Even you.”

Jade pouted. “Doesn’t seem right, that’s all. Why should she have all the fun while we’re not even allowed to use our holes?”

Shawna looked at Jade. “So, how did you get—?”

The sound of a phone ringing made her stop. She glanced nervously at her husband, who took the phone out of his pocket and sighed.

“Sorry,” Troy said, getting to his feet. “I need to take this.”

Kenny could see worry etched on Shawna’s face as Troy left the lounge. Maybe there was an illness in the family. It seemed like they’d been expecting bad news. He and Jade shared a concerned look.

“You okay, hon?” Jade asked.

There were tears in the American’s eyes. She shook her head, lower lip

trembling.

“Come on,” Jade said, getting to her feet and helping Shawna up. “We can get more privacy in our room.”

The three of them picked up their drinks and left the lounge. There was no sign of Troy in the lobby as they went up the wide stairway. Once in their room, Jade led Shawna to one of the wing-backed chairs by the fire and knelt by her feet. Kenny sat in the other chair. Even though he was a paramedic and trained at comforting people in distress, he let his wife do all the talking.

“What’s wrong, hon?” Jade whispered, pushing a strand of blonde hair from Shawna’s tear-stained face.

The blonde took a breath and let out a shuddering exhale. “Oh God!” She covered her eyes with her hands and took several steadying breaths, then shook her head as if to clear it. “We’re frauds. I’m not really a hotwife. I’m his wife, but...” She blew out her cheeks and looked from Jade to Kenny. “We’re in trouble. Travis has...” Another sigh. “See? Even our names are false. He’s Travis, I’m Sarah. Remember I told you we’re originally from the Midwest but now live in Vegas?”

Jade nodded.

“That part’s true, and we fell into the honeytrap. After growing up in Ohio, Las Vegas was like a fairy tale. We loved the bright lights and glamour. We were enticed into the casinos and pretty soon realised we’d gambled away all our savings. So we stopped, or at least I thought we did. But Travis had caught the bug and was convinced he could win it back. He borrowed money and lost that too, and now the people he owes are starting to put pressure on him.” Her tears returned.

Jade sniffed at Shawna's glass and turned to Kenny. "Want to order her something stronger than this wine?"

"Bourbon?"

She nodded.

Kenny went to phone in the order while Jade rubbed Shawna's back and soothed her. The drinks arrived in no time. He'd ordered three large glasses, thinking Shawna might need them all. He passed her one, then took his seat again.

Shawna smiled her thanks, took a gulp, then let out another sigh. "So, we decided to enter this competition."

Jade shook her head. "But if you're not a hotwife, he's effectively forcing you into trading your body to pay off his debts." She frowned. "He's whoring you out, girl."

"It's not like that." Shawna smiled. "I mean, I'll be getting more out of it than he is. I enjoy having sex more than he enjoys watching."

Kenny felt for them. "But it can't be healthy for your relationship."

Shawna shrugged. "It is what it is. We talked about it for a while before we applied, and we agreed once this was over we'd never talk about it again. You know, he won't be able to use it against me in arguments."

"It seems a big risk to take," he said. "What if you don't win?"

"I don't need to win. Like W said, the prize money is split between the women who complete all three challenges." She downed the rest of her bourbon, then smiled her thanks as Jade passed her another one. "All I need to do is complete two more challenges."

Jade nodded, but Kenny could tell she was still uncomfortable about her new friend's dilemma.

"I think Travis was happier than me about the no holes rule," Shawna said. "He didn't have to watch me getting railed."

Kenny was thinking about Zeke's text. "How did you guys even hear about the competition if you're not in the lifestyle?"

"Someone Travis knows told us about it. He's a swinger who keeps trying to get us involved." She laughed. "He's always telling Travis how he'd love to fuck me."

Jade smiled. "I'm not surprised. You're hot."

Shawna laughed. "I may be hotter than that guy's wife, but not the women here. You all ooze sexiness, whereas I feel like..." She closed her eyes and shook her head. "Anyway, we fabricated the backstory and filled in the application on the website he mentioned. Remember me telling you we'd gotten into it all through me cheating and then us swinging?"

Kenny nodded.

"It was all lies but it got us here." She took another gulp of liquor. "So, tomorrow I need to start acting like a real hotwife, and not just making guys come with tit-fucks."

Jade ran a hand down Shawna's arm. "You'll be fine, it's just like riding a bike." She grinned. "Or, to be more accurate, riding someone else's bike."

"That's easy for you to say." She nodded at Kenny. "You get to sleep with him every night. Apart from high school boyfriends, Travis is all I know."

"He's your only ever sex partner?" Jade sounded appalled.

“No, but heated sessions in the back seats of cars with inexperienced eighteen-year-old boys doesn’t make much of a resume, does it?”

Jade glanced at Kenny, then looked at Shawna. “Is that why you were so nervous before the first challenge?”

She nodded. “I guess I don’t want to make a fool of myself and have it all caught on film. Lying to get here is one thing, but being shown up as a fraud in front of everyone else would be...” She sighed, then took another hit of bourbon.

“You’ll be fine,” Jade assured her. “All the guys seem nice, and they’re really good looking. Trust me, they’ll enjoy getting their hands on you. Like I said, you’re hot.”

”Thanks, but I’m not like you.” She smiled. “Travis reckons you’re built for fucking.”

Jade laughed out loud. “Well, that’s quite a compliment. But I reckon all the men here are going to think the same about you.” She turned around to Kenny. “You think she’s hot, right?”

Kenny nodded. “Definitely.” Shawna had a pretty face and great figure. Slim and willowy.

“See?” Jade said.

“My concern isn’t if they’ll want to fuck me. It’s about me not reacting the way they expect, or in a way that’ll look wrong through those cameras.”

“Just be yourself. Being a hotwife makes no difference in the way you react to having a nice big cock sliding into your cooch.”

Shawna giggled, now sounding a little drunk. “Easy for you to say. Not so easy when all you’re used to is Mr Average taking you for a ten-minute

missionary ride twice a week.”

Jade blinked in surprise, then turned to Kenny. She raised her eyebrows, but he didn’t know what was on her mind.

Finally, Jade turned back to Shawna. “Men are men, and there’s no secret to satisfying them. Any woman can do it, and with a body like yours, you can do it better than most.”

Shawna grinned. “Are you flirting with me?”

Jade laughed. “No, but I’m going to get you laid.” She tilted her head at Kenny. “By a big black stud.”

Shawna’s jaw dropped. “Are you serious?”

Kenny was still too shocked to speak. He hadn’t slept with another woman in all the years he’d known Jade.

“I think it’d do you good,” Jade said. “It’ll prove to you what I already know—that you have the capacity to satisfy any man.”

Shawna looked over at Kenny, chewing her lip. “I’ve never been with a black man.”

“Then I’m doing you a favour because the darker the meat, the better the roasting.” Jade got up and looked down at her husband. “Come on you, you’ve got work to do.”

“What about Troy?” Kenny said. “I mean Travis.”

“He’s not here, she is.” Jade reached out and ran her hand down his cheek, an imploring look in her big brown eyes. “And so are you.”

Kenny got to his feet and looked down at his wife, then at Shawna. Or Sarah. “You sure about this?”

She nodded. “It’d be good if I knew I’ll be able to... Tomorrow, I mean. When the cameras are on me.”

Jade led Shawna across towards the bed and placed her hands on her arms. “Just relax and do what comes naturally. Don’t think of it as an act or a performance, just do what feels right.” She turned to her husband. “And you, be gentle.” With that, she walked over to the light switch and flicked it off, then returned to the fireplace and sat on one of the wing-backed chairs. The room was lit only by the fire burning in the grate, the flames sending flickering shadows across the sheets of the four-poster bed.

Shawna looked like a deer caught in headlights. Kenny gave her a smile that he hoped exuded more confidence than he felt. He hadn’t been with anyone but Jade since he’d dated a nurse called Nekkah in his early twenties. He couldn’t even remember the last white girl he’d slept with. That had probably been when he was a teenager.

Shawna placed her hand on his chest and ran it down his abs. “Your body’s so hard,” she whispered.

He stroked her upper arm. She felt tiny and fragile compared to his wife, who had considerable muscle tone.

Shawna looked over at Jade. “Can I kiss him?”

“Oh yeah. He’s a great kisser.”

Kenny glanced over at his wife. The only source of light was behind her, so he couldn’t read her expression.

Shawna stepped close and went up on tiptoe, but he still had to dip his head quite a way. Her lips were soft and her tongue tasted of bourbon. They kissed gently for a few moments, then he pulled her close and wrapped her in

his arms. She moaned into his mouth. Fingers clawed at his shirt, so he pulled back and allowed her to undo the buttons and slip it back off his shoulders. She stared at his shoulders and chest.

Reaching around her back, he eased down the zip of her dress. She did a little shimmy and it slid down to her feet, leaving her in just black bra and panties. He was a little taken aback at how slender she was. Her boobs were probably average-sized but on a body as slight as hers, they looked big. The thought of her using them to make three bulls come appealed to him.

Shawna's hands reached out for the buckle of his belt, so he stood still and let her do things in her own time. He wanted to glance over at Jade to make sure she was still okay with this, but didn't. His mind still reeled from the fact she wanted him to fuck another woman. All the buttons of his jeans were now undone, and Shawna tugged them down a little. Her eyes widened when she saw the bulge in his shorts.

After shedding his jeans, socks and shoes, he stood in front of her wearing only white jockey shorts. She stepped closer and gently kissed his chest. She ran her small hands around his shoulders, down his ribs and over the firm ridges of his abs.

He reached around to unclip her bra, then slid it down her arms and off. Her nipples were pink and erect, the areolae small. As he cupped her breasts in his hands, Shawna closed her eyes and sighed. He dipped his head and kissed her again, pulling her close and crushing her cool breasts against his body. She hardly weighed a thing as he lifted her and laid her on the bed.

When he slipped his fingers into the waistband of her panties, she raised her hips to allow him to tug them down. Her pubic hair was waxed into a narrow strip. Her pussy lips were pale pink and slick. The scent of her arousal

turned him on. She raised her head and watched as he pushed down his shorts, gasping when his cock sprung out.

She looked up into his eyes, and again he was struck by her startled expression. He gave a reassuring smile and ran his hand up the soft flesh of her inner thigh.

“I’ve never seen a cock like that.” She frowned. “You’re even bigger than the three bulls I saw earlier.”

“It’ll be okay,” he whispered, a little worried that she’d change her mind and he’d miss his chance.

“Take it slow, okay?”

He nodded, manoeuvring himself between her spread legs. “If you want me to stop, you just have to say.” Holding his body above hers, he positioned his tip at her opening and slowly eased inside.

Shawna took a deep breath and held it as he felt her stretch around him. She yelped as the tip of his cock slipped inside, so he held still, watching her face. She took several quick breaths through her mouth, then nodded for him to feed more into her. Her sheath clung to him as he did so, offering sweet resistance. Shawna let out a long moan. He pulled back a little, then pushed again.

She moaned again. “Oh, that feels so...” Moving her hips a little, she opened her eyes and smiled. “That feels so good.”

He smiled, allowing her to work more in as she became accustomed to his girth. He could feel her expanding. He moved slowly in and out, and her eyelids fluttered.

“Oh, that feels... that’s so...” Her eyes snapped open, then he felt the clench of her orgasm. “Oh fuck...” Her legs twitched and she let out muted cries.

Kenny slid his cock slowly in and out, resisting the urge to go deeper yet.

Shawna eventually stopped shaking, opened her eyes and gave him a beautiful smile. She had a really pretty face. “How did I do?”

He laughed. “You’re doing great.”

“Did you come yet?”

He smiled and shook his head.

“I’ve never been stretched so wide. I didn’t think I could take it all.”

“You haven’t. Yet.”

A puzzled look crossed her face. He felt her move her hands between them and close her fingers around the lower half of his shaft. Her eyes went wide. There were still three or four inches more of him to take.

“Jesus.” She swallowed and shook her head. “I’m sorry, I thought you’d pushed it all in.”

“It’s okay, we’ll take it slow.” He leaned down and kissed her. She ran her hands over his shoulders and he slowly pumped his hips, going a little deeper with each thrust. He took his time, and Shawna came a second time.

She was much more vocal this time, her guttural moans interspersed with expletives. She writhed and jerked beneath him as he slid in balls-deep. She screamed and scratched his back. He didn’t know if she’d come again or whether this was just her reaction to taking his full length. He fucked her hard, and she grunted and clung to him.

“Have you come yet?” she rasped, looking up into face with a sense of wonder.

“No.”

“Can I go on top? See if I can take it like that?”

He nodded and pulled out. Jade was still in the chair ten feet away, her face in shadow. Kenny lay on his back and Shawna knelt by his thighs. Staring down at his cock, which glistened in the firelight, she moved over him. She knelt up, gripped his cock and lowered herself onto it.

Shawna stopped with less than half of it inside her, breathing hard and frowning. Then she took in more, rocking her hips forward and back as she lowered herself further. It took her a minute to get it all inside her.

He stared down at where his thick black root nestled between her pale pink folds, then looked up into her face and smiled. Taking her hips in his big hands, he started to move her on his cock. She closed her eyes, braced herself on his chest and took over. He no longer needed to use his hands because she was riding his cock, swaying her hips back, forward and side to side in a slow lazy rhythm.

A sob escaped her lips, and he felt another series of spasms as she came yet again. She bounced up and down on his cock like a woman possessed. His tip felt like it was slamming against her cervix, but she didn't seem to mind. Her nails clawed his chest as she rode out the final throes, then finally she stilled, gulping in air.

After about twenty seconds she opened her eyes. “You didn't come yet, did you?”

Kenny smiled and shook his head. If she'd ridden him for a few more minutes, he would have.

“Would you fuck me from behind? If I can take *you* doggie-style, I can take any of the bulls.”

She raised herself off him and he rolled to one side. Once she was on all fours, Kenny got into position behind her. She had a lovely figure with a great backside. He slid easily into her stretched pussy and pulled her back onto his full length. She squealed but took it. In no time, she was pushing herself back to meet his thrusts.

He gripped her hips and started to fuck her in earnest. Shawna grunted with each thrust, but he didn't let up. He was at the bottom of the incline and working his way to his release. Her arms seemed to collapse from the force of his onslaught, her head now resting on the mattress. Kenny held her hips in place and hammered into her. She screeched as another orgasm gripped his cock, and this time he was ready to unload. As a series of contractions gripped him, he fired a gush of hot spunk into her quivering body.

He pushed too hard and she fell forward onto her tummy. Kenny went down with her and kept pumping his hips, shooting more cream into her writhing body. He reached beneath and groped her tits, making her moan and shake. She twisted her head and kissed him, his cock still buried inside her. As the pair of them finally stopped moving, he pulled out and flopped onto his side, sucking in ragged breaths.

Jade was standing by the side of the bed, her eyes on Shawna, looking concerned. Realising Shawna was crying, he immediately sat up. He blinked at Jade, who gave him a smile and shook her head as if telling him not to worry.

Finally Shawna got up onto her knees and looked at Kenny. She laughed, tears still running down her cheeks. “I’m not surprised your wife spends so much time smiling.”

He glanced up at his wife, still unsure if he’d done something wrong.

“She’s telling you she had a good time,” Jade said. “And I can tell by that faraway look in your eyes that you did too.”

Kenny looked back at Shawna and smiled. “I had a great time,” he confirmed. “I’m sorry if—”

“Don’t apologise,” she said. “Don’t ever apologise for giving me something like that.” She turned to look up at Jade. “Thanks for—”

Jade reached out and squeezed her hand. “Like I said, there’s no man you can’t satisfy with a body like yours.” She nodded at Kenny. “And believe me, he’s satisfied.”

Kenny grinned at Shawna to confirm it.

Shawna twisted around on the bed. “I’m not sure I’ll be able to walk.”

Jade laughed, then turned serious. “Are you going to tell Travis what happened?”

Shawna took a breath and gave a shrug. “I know I should, but...”

“It’s up to you. We won’t mention it in case you decide to keep this practice run a secret.”

As the blonde started to dress, Kenny pulled on his shorts and shirt. Shawna gave him a squeeze-hug, Jade a longer one, then left to find her husband.

Jade looked up at him, then pulled him close and held him tight without

speaking.

Kenny got the impression his wife was conflicted about her magnanimous act of kindness towards her new friend. He went to take a shower. When he returned, Jade was in bed. He slipped in beside her and she moved close, kissing his chest before falling asleep in his arms.

CHAPTER 6

The Concierge welcomed Kenny and Jade into the restaurant at breakfast. They went straight to the counters, helped themselves to food and returned to their regular table. As he sat down, Kenny noticed a large envelope with their names printed on it. He picked it up.

“What’s that?” Jade asked.

He handed it to her. “I’m guessing it’s the details of your next challenge.”

Jade opened the envelope. Sure enough, it contained a piece of gold card with black embossed writing. She read it, raised her eyebrows and passed it to Kenny. He looked at it.

The Anagram Treasure Hunt

Jade & Kenny

[Hedge Maze. 2pm Start]

He scratched his chin. “Anagram Treasure Hunt?”

Jade didn’t look impressed. “That doesn’t sound any better than the last one. I want fucking, not a fucking crossword puzzle.” She scowled at his reaction. “And don’t you go smirking. You’ve had more sex at these games than I have!”

“That was your idea.”

She took a breath, then nodded. “I know.” After glancing around the room, she added, “No sign of Shawna and Troy this morning.”

Kenny checked their table. “Maybe they ate earlier or decided to have breakfast in their room.”

“Yeah, maybe.” She ate for a few seconds, then looked up at him. “How much debt do you reckon they’re in?”

He thought about it. “The fact they’re being threatened suggests it’s not a trivial amount.”

“Yeah, that’s what I thought.” Jade chewed her lip. “I really hope she wins this tournament.”

Once he’d finished his cereal, Kenny went up to get a plate of bacon and pancakes. Jade followed him, frowning at the mountain of food on his plate as she helped herself to scrambled eggs and a single slice of wholemeal toast. Back at their table, they discussed what to do until the start of their next challenge.

“As gorgeous as the grounds are,” she said, “walking round them twice is enough for me.”

Kenny nodded. “How about we visit the spa?”

“That sounds good. You want to go for a workout first?”

“Not especially. I’ll be happy to sit in a sauna and hot-tub for a couple of hours. The gym at home will still be there when we get back to London.”

“I think there’s a pool, too.”

Breakfast finished, they left the restaurant and went back to their room to get their swimsuits. Like every other facility in the hotel, the spa was luxurious and tasteful, offering a small indoor pool as well as a hot-tub, steam room and sauna. They got changed in one of the large cubicles and wandered along the mosaic-tiled floor to the steam room, which was unoccupied. Jade climbed onto the higher of the wooden benches and Kenny took the lower one on the adjacent wall so they were sitting at right-angles to each other. He

leaned his head back and closed his eyes, and they sat in silence for several minutes.

“Can I ask you something?” Jade said.

Kenny opened his eyes and saw his wife was lying on her tummy, her head only a couple of feet from his. “Sure.”

“What do you feel when you watch me with another man?”

He frowned. “You know what I feel. I’ve told you often enough.”

She nodded. “Turned on. Yeah, I know, but—”

“Not just turned on. I feel proud. It’s a great feeling knowing you’re mine when I see the lust in their eyes.”

“You like them lusting after me?”

“Oh yeah.”

“And you don’t mind me lusting after them?”

“Lust’s a healthy emotion. You can lust after anybody you want, just don’t go falling in love with anyone but me.”

She nodded. “What about when you see them fuck me?”

“It makes me horny and want to fuck you myself.”

“And when they make me come?”

“Same. I want to make you come and feel your spasms on my dick.”

She was silent for a while, and he wasn’t sure if she was thinking about his answer or her next question.

“What about when they come?” she asked eventually. “I know we use condoms sometimes, but not always. How do you feel about all those men blowing their loads in me?”

“You know all this. I love to see you getting creamed, and we’ve done enough threesomes that prove it. I’ve come inside you while other men were spraying their load in your mouth or up your arse.” He peered at her face through the steam, trying to read her expression. “Is this about last night?”

She opened her mouth and started to shake her head, then hesitated. “Maybe.”

I knew it! “Jade, I only did that because you—”

“I know, and I’m not saying I wish you hadn’t done it. I just...” She shrugged. “Don’t you ever feel *any* jealousy when I’m all hot and heavy with someone else? When I’m coming on a stranger’s cock while it pumps me full of cream?”

He stroked her face. “That angst is part of the thrill. It’s like a niggling undercurrent that I know is there, but it’s suppressed because of all the excitement and arousal that makes the surface bubble.”

“So you don’t mind other men fucking me?”

“You know the answer to this, too.” He leaned close until their noses touched. “It’s not that I don’t mind that you do it. I *want* you to do it. I encourage it because it makes me love you more. I got the best thing in the world, and I’m happy to share it.”

“And it doesn’t threaten our relationship?”

“No. That’s unshakeable.”

“Invincible.” She smiled, then turned serious. “I guess I’m lucky you enjoy watching.”

“Yeah. I’d hate to be here if it wasn’t my thing.”

She nodded. “It must be really hard for Travis.”

“It’s his own doing.” Kenny remembered how Shawna had cried after he’d fucked her every which way. “It must be hard for Shawna, too.”

Jade nodded, then shrugged. “I think you helped. I doubt she’s ever been reamed like she was last night.”

He tried to suppress a grin but must have failed because she slapped his arm.

“Come on,” she said. “We’d better get in the hot-tub before you get a hard-on thinking about your side-helping of blonde.”

He laughed and helped her down from the benches.

They stayed in the hot-tub for a while, then visited the sauna. To finish off their session, they went through to the pool.

Shawna had just got out and bent to pick up her towel. “Hiya,” she said, smiling at them.

“How are you?” Jade asked.

The blonde’s smile didn’t look convincing. “I’m okay.”

“And Troy?” Jade looked around, but Kenny had already checked. He wasn’t in the pool.

“He’s waiting for me in our room. He didn’t fancy a swim, so...” She glanced at Kenny, then looked back at Jade. “I didn’t tell him about, you know.”

“That’s probably wise.”

“And now it’s time for my next challenge.”

“The Anagram Treasure Hunt?” Jade asked.

Shawna laughed and nodded. “God knows what this one will involve.”

“Well it better involve me getting laid, or I’ll be giving W & J an ear-bashing.”

With another nervous laugh, Shawna carried her towel into the changing cubicle. Kenny watched her go, then got into the pool and swam to the opposite end, which only took him four strokes of freestyle. When he looked back to the other end, Jade was standing waist-deep in the water, droplets covering her toned body. She looked amazing.

* * * *

Kenny was lounging in one of the wing-backed chairs, reading his phone, when there was a knock at their door. His watch said 1:30, and Jade was still in the shower. They weren’t late.

He opened the door to find a pretty maid holding a large white gift box tied with gold ribbon and matching bow. She smiled. “Hi, this is for Jade’s challenge. The Manager will meet you by the entrance of the hedge maze at two.”

After she’d left, Kenny put the box on the bed.

Jade came out of the bathroom a few minutes later wearing a white fluffy robe. She eyed the box. “What’s that?”

“It’s for your challenge, apparently.”

Jade untied the ribbon and opened the box. “You’ve got to be kidding me.”

He got up and stepped closer to look over her shoulder. The box contained a pair of shiny, knee-high white boots and what looked like a bikini in red and blue.

Jade picked up the top. “They expect me to do this challenge dressed as Wonder Woman?”

Kenny examined the garment, then shrugged. “You were naked for the last one.”

“That was inside a warm hotel room. This one’s outside in the garden. I’ll freeze.”

He slipped his arms around her. “No you won’t. And in that outfit, you’ll make every man there feel hot.”

Muttering, she picked up the box and took it into the bathroom. Ten minutes later, she emerged wearing the outfit, having dried her hair and applied makeup.

Kenny stared with unconcealed pride. Her large breasts strained against the top, the material pushing them together to emphasise her cleavage. The skimpy hotpants hugged her peach-shaped backside, and the muscle-tone of her flat stomach and firm thighs was clearly defined. Troy’s description couldn’t be more accurate; Jade *was* built for fucking.

“What are you thinking?” she asked.

“That I’m married to one *hot* woman.”

“One *hotwife*.” She stepped close and looked up into his eyes. “Which means there’s going to be some other man using my body.”

“I know.”

“You’re okay with that?”

“We had this conversation earlier. You know I am.”

“I need to hear it again.” She frowned. “I’m still coming to terms with

watching you with another woman.”

He placed his hands on her cheeks. “I love watching you. You’re the sexiest woman I know, and I want every other man to know it, too.”

She smiled. “Thank you.”

He glanced at his watch. “Come on. Time to shake that ass, Wonder Woman.”

As they walked through the lobby, Kenny was proud of the way his wife made heads turn. They strode down the wide steps, across the gravel drive and onto the lawn. The Manager, wearing a red, sequined dress with matching face mask, stood by the open wrought-iron gate. Greg filmed them as they crossed the grass.

“Welcome to your next challenge,” The Manager said. “As you know, this one’s called The Anagram Treasure Hunt, and I think you’re going to enjoy it.” She turned to Jade. “As you may or may not be aware, what you’re wearing is the cheerleading uniform for The New England Patriots, the local football team.”

Jade pouted. “So I’m not Wonder Woman?”

The Manager laughed. “Well, you could be. Inside the maze are numerous bulls, each dressed as a Patriots football player. Each has been given a single letter of the alphabet. Your task is simple. Make him come, and he’ll reveal the letter.”

Jade folded her arms. “Are there any restrictions on what I use to make him come?”

The Manager smiled. “No. You can use every asset you possess, though the positioning of the bulls may limit your options.”

“I hope you’re not making it impossible for me to use my holes.”

“No, you can use any hole you wish.” She turned to Kenny and handed him a notepad and pen. “You need to write down the letters. Your wife has to satisfy all the bulls because you’ll need to rearrange all the letters to reveal the location of your final challenge.”

Kenny looked at Jade. “Ready for this?”

She pushed out her boobs. “I’m about to get my first bit of bull cock since I got here. Of course I’m ready.”

The Manager laughed. “Well, Greg will accompany you. I have other challenges to oversee, but I’ll catch up with you later.” With that, she turned and walked back toward the hotel.

Jade took Kenny’s hand and led him into the maze. There was nobody else in sight. They went right, then took the first left turn. Still no sign of a bull. They turned left again, then right. Sitting on a hard-backed chair was a guy in an American football kit.

Jade dropped to her knees at his side and ran a hand over his crotch. “I believe you have something for me.”

He smiled. He was a handsome Latino with dark brown eyes. “I have two things for you, and I can’t give you the second until you’ve extracted the first.”

She chuckled. “You’ve actually got three things I need.” She pulled down the waistband of his pants and released his cock. She gripped it in her hand. “This is the first of them.” She bent forward and took his cock into her mouth, sliding her lips up and down the shaft. By the time she released him,

the guy had a full hard-on. She looked up into his face. “And now that it’s ready for me, I’m going to take it.” She stood up and removed her hotpants.

Kenny noticed she hadn’t bothered to wear panties.

She placed a booted foot on either side of the chair and smiled down at the bull. Gripping his cock, she bent her knees and lowered herself onto it. She closed her eyes and let out a sigh, then looked up into the camera Greg was pointing at her from behind the bull’s chair.

“I can’t believe I had to wait until my fourth cock to feel one inside me.”

He chuckled. “Sorry, but I don’t set the rules. I’m just paid to capture the action.”

“Hmm.” She turned her attention to the bull. “So, now I have the first thing I need, I don’t want you rushing to give me the second.” She placed her arms around his neck and thrust her hips back and forth. “What I want you to do is to hold on to your creamy reward until I’ve made full use of this lovely cock.”

As Jade rode the bull, Greg captured her expression for a while before walking around and bending down to film a close-up of her sex sliding up and down on the guy’s thick shaft. She let out a long groan, her legs trembled, and she rested her forehead against the bull’s. A frown crossed her face and then she let out a sigh, jerking her hips faster as she rode out her orgasm. Then she opened her eyes and smiled. “Thank you.” She kissed his lips, then nodded. “Okay, now it’s your turn.”

She bucked her hips and when Kenny saw the startled expression in the bull’s face, he knew Jade was clenching those wonderful inner muscles of hers.

She gave the guy a smile. “Got something for me yet?” She jerked her hips faster.

The guy grunted and dropped his head back.

“Hmm, that’s it. Let it flow.” She rode him slower, rocking her hips from side to side, no doubt milking every last drop. She glanced over her shoulder at Greg, who was still filming her from behind. “You want proof of this one?”

“It’s not needed for the rules, but always nice to have.”

Jade raised herself up and held the bull’s cock upright so the tip was still just between her folds. Then she clenched and dribbled a thick glob of cum onto his cock.

“Perfect,” Greg said. “They’ll be creaming their jeans watching this.”

“Good.” Jade straightened and stepped back. She pulled on her hotpants then smiled at the bull. “Okay, so what else do you need to give me?”

“A. My letter is A, for anal. As in me attacking your ass.”

Kenny wrote it on the pad, and Jade bent to give the bull a final kiss.

They walked further into the maze. After ignoring a gap in the hedge on the left, they took one on the right, and then chose to go right again at the next junction. A short walk took them to the second bull, a muscular white guy lying on a yoga mat, wearing only football boots and a helmet.

Jade removed her hotpants and passed them to Kenny. “You might as well hold these from now on.” She dropped to her knees, sucked the bull to hardness and straddled him. “You’re about to get sloppy seconds, but I don’t need you to last any longer than you have to.” She lowered herself onto his cock with an audible squelch. “Hmm, let’s you and me go for a nice ride.” She began to move up and down on him.

The guy had considerable staying power, and after about five minutes Jade was getting breathless. “Okay,” she said, standing up and turning around to face his feet. “If you’re going to make me work this hard, I’m going to make the most of it and enjoy me some reverse cowgirl.” She re-impaled herself on his cock and bucked her hips.

Kenny watched her face. After a couple of minutes he could tell she was working up to her second orgasm. The guy beneath her must have been getting close as well because his hips were jerking up and down. Jade moved faster and the guy jerked harder, then they both released explosive groans as they climaxed together. Jade lay down on the guy’s shins to get her breath back before standing on shaky legs and squeezing out a cream-pie for the camera.

She looked down at the bull, who was still breathing hard. “And your letter is?”

“R, for rimming your rectum.”

She turned to Kenny. “Add it to the list, babe.” With a final smile at the prostrate bull, Jade moved further into the maze, with Kenny walking behind holding her hotpants and Greg at his side filming her bare arse.

The next bull they encountered was a black guy in helmet, shoulder pads and Patriots shirt. He was naked from the waist down. As they got closer, Kenny saw two tall metal stakes hammered into the ground next to the hedge. The bull’s hands were cuffed to the stakes, forcing him to remain standing.

Jade took in the situation and glared into Greg’s camera. “How come my best-looking bull is tied so that I can’t fuck him?”

“Like I said, I don’t make the rules.”

The bull smiled at Jade. "I'm as sorry about it as you are, believe me."

She ran her hand down his body and traced a fingernail down his long cock. "I may not be able to fuck you, but I can still make you feel good."

The guy smiled. "You already have."

Jade stepped closer and looked up into his eyes. "Tell me what you want."

"I want to see those great tits of yours, and I want to feel them crushed against my body."

"That I can do." With a smile, Jade passed her top to Kenny. Now wearing only the shiny white boots, she slid her arms around the bull's waist and pulled their bodies together, crushing her boobs against his stomach. "How's that feel?"

"Feels good. How about you slide them lower?"

She laughed, then bent her knees and dragged her tits down to his groin. "Like this?"

"Yeah, just like that."

Kenny could see the bull's cock was thickening. As Jade pressed her tits around it and moved up and down, it grew harder still. It was soon fully erect and pointing up at her chin.

"In my last challenge," she said, looking up into the bull's eyes, "I couldn't use my mouth to pleasure my bulls."

"That's harsh, because you got such sexy lips."

Jade grinned. "You trying to sweet-talk me into a blowjob?"

He gave an unconvincing shrug. "I hadn't thought of that, but don't let me stop you."

As Greg moved to the side of the couple, Jade knelt on the ground and ran her hands over the bull's cock and balls. She licked her lips, then pushed her tongue out and licked around his tip.

“Well,” she said. “As much as I’d like to spend my time teasing this gorgeous cock, I’m on a mission here. And besides, it’s too cold. So here’s what’s happening—I’m going to suck your balls dry, then you’re going to tell me the letter. How does that sound?”

The bull gave a confident nod. “Sounds good to me.”

Jade held the guy's dick in both hands, looking up at Greg. “Zoom in so I can show you what deep-throating's all about.”

With that, she spat on the bull's cock and rubbed the saliva up and down the thick black shaft. Kenny was reminded of her trick with the cucumber when they first heard about these games.

Jade took the tip into her mouth, closed her eyes and went to work. She took her time, bobbing her head and slowly working more and more of his cock into her mouth and throat. The bull uttered moans and sighs as she used her tongue.

Eventually, as Kenny knew she would, Jade had swallowed the bull's entire length. Her nose pressed up against his pubic hair, and her tongue occasionally poked out to lick his balls. She bobbed her head in a slow rhythm, and the bull started mumbling encouragement.

Kenny's cock thickened inside his jeans. He knew how good this felt and also knew it wouldn't be long before the bull blew his load down his wife's throat. He leaned closer to Greg. “Make sure you film his balls bouncing.

He's so far down her throat, there'll be no way she can show you any of this load."

A matter of seconds later, the bull groaned and dropped his head back. His balls lifted numerous times in his sac as he sent spurt after spurt down her throat.

Jade eventually moved her head back so that the glistening shaft was visible, only the tip now in her mouth. She slid her lips up and down the bull's cock a few more times then sat back on her haunches, smiling up at him.

"That was amazing." He looked into the lens of Greg's camera. "That was *fucking* amazing."

Jade got to her feet and reached up to kiss the guy. "Thank you. Now, what's your letter?"

"I, for interracial intercourse."

Kenny wrote it on the pad, then looked at Jade. "That spells AIR. Maybe your final challenge is in a helicopter."

"Or on a zip wire." She seemed to think about it. "Or in an airing cupboard."

He laughed and held out her top and hotpants. "You putting these back on?"

She shook her head. "I don't see the point, do you?"

Jade strode off between the high hedges wearing nothing but the white boots, with Kenny and Greg walking a few steps behind, admiring the view. After turning a corner, she stopped in her tracks.

Kenny soon caught up and saw The Manager standing against a hedge. Though still wearing the red dress and mask, she was now standing on a low platform and secured to two metal stakes.

“What’s this?” Jade asked sternly.

The Manager smiled. “I’m your next bull.”

“*What?*” Jade shook her head. “No way are you a bull.”

“Well I won’t reveal my letter until I’ve been made to come.” The Manager glanced over at Kenny. “There’s nothing in the rules that forbids you getting someone to help with your tasks.”

Jade stomped forward. “No fucking way, lady.” She shook her head. “I don’t care what you do with the hired help, but there’s no way you’re touching my man.” She turned to glare at Greg. “Did you know about this?”

“No. I’m not told anything beforehand, you know that.”

When she looked up at Kenny, he could tell she was angry. Maybe if Shawna hadn’t told them about The Manager sucking off the black bulls in someone else’s challenge, his wife might have taken this in a better spirit.

She glared at The Manager. “Is there a strap-on I can use?”

“Not unless you’re hiding one in your boots.”

“Hmm.” Jade reached her hand forward and lifted the red dress.

The Manager was wearing neutral hold-up stockings and no panties. Her sex was completely hairless. She looked good, but Kenny knew there was no way Jade would let him help to get the letter. His wife was still struggling to come to terms with him fucking Shawna, so there’d be no way Jade would ever agree to him touching a woman she actively disliked.

“I guess if I need that letter, I’m just going to have to tease it from you myself.”

The Manager’s red lips smiled beneath the mask. “Ah, the promise of some sweet Sapphic satisfaction.”

“You like that, huh?” Jade ran her hand between the blonde’s legs. “You like to play with girls?”

Kenny saw The Manager jerk as his wife stabbed two fingers into her sex. Jade cupped her hand against the smooth mound and rocked her wrist.

Jade looked over her shoulder. “You want to come and film from closer, Greg? You never know, she might be a squirter.” Jade bent lower, pumping her arm up and down between The Manager’s splayed legs. “If you want to pretend this is my man’s cock, that’s up to you. I can show you how hard he pushes.” She pumped her arm faster.

The Manager stared into Kenny’s face while Jade continued to finger-fuck her.

Jade roughly groped the woman’s breasts through the red dress. “I think it’s time we got her letter, don’t you?” With her fingers buried all the way inside The Manager’s pussy, Jade slid her thumb over her clit.

The Manager gasped. Her legs locked straight, and her entire body juddered. Jade’s hand didn’t let up as the other woman jerked and tried to pull back, probably too sensitive to be touched.

Jade finally withdrew her hand and stood on the platform so she and the other woman were eye to eye. She reached up and lifted off The Manager’s mask. “You’re far too pretty to be hiding behind a mask.”

Kenny agreed. The woman was undeniably beautiful.

The Manager smiled. "It's part of the rules."

Jade raised her right hand and held her first two fingers in front of The Manager's face. "Do the rules say I need to make you taste your own cum, like in the first challenge?"

The Manager answered by opening her mouth.

Jade traced the sticky fingers around the woman's parted lips, then pushed them into her mouth. The Manager sucked them clean. Jade withdrew her hand, leaned in and kissed her. Kenny saw a flash of tongues as the women kissed before Jade pulled back.

"You're a dirty girl," The Manager whispered.

"Damn right. Now what's that letter?"

"B for blowjob." She smiled. "Blowing your bull's boner."

Stepping back down to the ground, Jade turned around and walked away down the maze. Kenny flashed a rueful grin at the gorgeous woman in the red dress, wrote down the letter and followed his wife. He heard The Manager tell Greg he'd have to edit out any shots of her face.

When they encountered the next bull, who was naked except for a pair of football boots, Jade gave a wide smile. "Ooh, this is a nice surprise. I didn't realise I'd see you again."

It took Kenny a moment to realise it was the guy who'd met them at Logan airport.

The guy gave Jade a smile. "I have another surprise for you."

Before she could answer, a second bull wearing only boots stepped from behind a hedge.

“Oh my.” Jade turned to the camera. “They’ve ordered me a tag-team.” Without another word, she dropped to her knees and took the first bull’s cock into her mouth. After a short while she moved her attention to the second while pumping her hand on the first.

Both men were soon fully erect, and Jade leaned back and wanked them both at the same time while Greg filmed it.

Jade stopped pumping but kept hold of their cocks. “Would it surprise you to know that one of my favourite dishes is a spit-roast?”

Both men laughed.

“So,” she said, looking from one to the other. “Who wants my cooch, and who wants my mouth?”

The guy from the airport answered. “I want both.”

“So do I,” his friend said.

“Fine by me.” Jade got onto all fours. “Just decide who starts where.”

After an exchange of glances, the guy from the airport stepped in front of her face. As soon as she’d opened her mouth, he fed her his cock.

The other guy dropped to his knees and entered her from behind, and Kenny finally got to watch his wife being spit-roasted by two men. They’d discussed this very thing happening, and he enjoyed watching the performance as much as he’d expected. His wife looked incredibly sexy as she pushed herself forward and back between two cocks, even more so when her orgasm arrived.

After she’d come, the two men swapped places and Kenny watched his wife make a point of licking her own juices from the cock that had just taken

her to orgasm. As they recommenced skewering her from both ends, Greg moved a little closer.

“Guys,” he said while filming. “You all know I’m just here to capture the action, right?” He pulled his eye away from the camera and looked at the guy buried balls-deep on Jade’s pussy. “But from a cinematic perspective, it’d make a great spectacle if both you guys came over her body.”

Jade released the cock from her mouth and scowled at him. “You trying to limit my quota of joy juice, Greg?”

He laughed and shook his head. “No ma’am, I’m just pointing out how good some pearly white splashes would look on that sexy brown skin of yours.” He shrugged, then put his eye back to the camera. “But it was just a thought.”

Jade turned to look at the guy from the airport. “What d’you think?”

He was already breathing heavily. “I’m happy to come wherever you want.”

“You don’t mind pulling out?”

“I see his point.”

She looked up at the guy who she’d just been sucking. “You?”

“I can pull out, too.”

Jade glanced up at Kenny. “You happy for a shower scene?”

“Always.”

She glanced up at the two bulls. “Okay, let’s do it to make Greg happy.”

As the first bull recommenced his thrusts, Jade took the second back into her mouth and swallowed his full length. She jerked back and forth between

the cocks impaling her. The guy behind finished first, sending a thick rope of cum in a high arc over her bum and onto the small of her back. The other bull pulled out of her mouth and sent his first spurt over her shoulder, landing between her shoulder blades. Both men used their hands to finish off, glazing Jade's back and arse with cream.

When they finally stepped away, Greg walked slowly around Jade, capturing her splattered body from every angle.

Kenny helped her to her feet. She looked at the two bulls and raised her eyebrows.

"R, for roleplay," said the one who'd shot his load over her shoulder. "Or getting reamed in rubber."

The guy from the airport smiled. "Y, for you yanking off my Y-fronts."

"You wear Y-fronts?"

He chuckled. "No."

As Jade and Greg walked away, Kenny added the letters to his notepad then hurried to catch up with his wife.

"Is briary a word?" he asked.

She stopped walking and turned to him. "Isn't a briar some kind of rose?"

"I don't know."

Greg lowered his camera. "I think any plant with a thorny stem can be described as a briar."

Jade frowned. "Am I going to be fucked in the rose garden tomorrow?"

"No," said a male voice from behind the hedge to their left.

They walked to the next junction in the maze and looked around. A mixed-race bull wearing only a helmet was kneeling on a high platform. As Jade approached, Kenny realised she wouldn't even be able to reach the guy's cock with her mouth.

"Why are you all the way up there?" she asked.

"I think I'm being punished." He looked down at her voluptuous body. "I *know* I'm being punished."

She laughed. "It seems the only thing I can do for you is use my hand." With that, she turned through a slow circle to show him the cum on her back. "Maybe you can add to your buddies' artwork."

"Yeah, I'm sure I can."

After stepping next to the platform, she reached up and gripped his cock. He was fully hard in no time, but after wanking him for just a few seconds she paused and let go of him.

"Maybe it'd be nicer with a bit of lube," she said. "I've got no oil, but..." She ran her fingers over her sex. "Some of your friends gave me this." She raised her hand, the fingers now coated in the gloop from the two bulls who'd come inside her. She dragged her fingers over the dome of the guy's cock, coating it. Then, holding the base with her left hand, she proceeded to jack him off with short, fast strokes.

"How's that?" she whispered. "I know it's not as nice as being snug inside a wet place, but I'm hoping it's still good enough to get your juices flowing."

"Oh yeah, that'll get them flowing."

She wanked him faster. Greg stepped closer to film the action, so Kenny had to peer around him to see his wife in action.

Jade pumped her hand with a steady rhythm. “How are those juices?”

“They’re bubbling in my balls.”

She smiled. “They’re no use to me there.”

The guy was breathing hard. “Keep that up and they’ll be with you any second now.”

“Hmm, that sounds good.” She stood on tiptoes but her face was still about a foot from the end of his cock. “Want me to give you a target?” She opened her mouth wide and stuck her tongue out. Then she pumped so fast her hand became a blur.

The bull shot a thick glob of cum onto Jade’s face, but from his angle Kenny couldn’t tell if it’d found its target. She groaned and kept pumping her hand. The second and third spurts also hit her face, though the subsequent spurts fell short and landed on her neck and boobs. When the guy had finished unloading, Jade rubbed her palm over his slick tip, making him groan.

It wasn’t until she turned to face that camera that Kenny saw the state of her. Her left cheek was covered in creamy white, but there was some cum around her lips. She opened her mouth and stuck her tongue out, proving that the guy had indeed found the target with some of his shots. Then she looked up at the bull and asked for his letter.

“L, for lustful libido. Or licking a lesbian’s labia.”

Kenny wrote it down, then smiled. “I think you might be done for the day.”

“Oh?” Jade moved next to him and looked down at his notepad.

He re-wrote the letters in a different order. “Your final challenge will take place in the library.”

CHAPTER 7

As Kenny and Jade walked away from the high platform, Greg lowered the camera, took out his phone and showed Kenny the screen. He had an app showing a map of the maze, with a red dot pinpointing their current position. Holding his phone in front of him, Greg led the way through the labyrinth to the exit.

The waiting Concierge stepped forward, holding up a red and blue Patriots dressing gown for Jade.

Jade slipped it on, gratefully taking a proffered tissue to wipe her face.

“I’m told that you’ve successfully recovered all of the treasure,” he said with a smile. “So, even if you haven’t yet solved the anagram, you—”

“We’ve worked it out,” Jade confirmed.

“In that case, you can relax and look forward to your final challenge tomorrow.”

Jade and Kenny walked across the lawn, up the steps and into the hotel. When they got to their room, they found a folded piece of paper that had been pushed under the door. Jade held it up so they could both read.

Hi J&K

I thought I’d let you know that I failed the challenge, and we’ve been told we need to leave the hotel immediately.

Travis wasn’t happy when I sucked off the first bull, and he called a halt to proceedings before the two black bulls could touch me.

Guess that proves I was right not to tell him about last night.

Good luck with the rest of the competition.

Sarah (Shawna)

Kenny frowned. "But the first bull..." He shook his head, realising that Shawna's route through the maze could mean she'd encountered the bulls in a different order. It also made sense that fresh bulls were used for each hotwife, because Jade's pair hadn't been black.

Jade sighed. "You were the only other guy to fuck her while she was here."

He chewed his lip. "Maybe it shouldn't have happened."

Jade shook her head. "It was done for the right reasons. While I admit I wasn't too happy immediately afterwards, I'm glad it happened."

"You sure?"

"No. But it was my idea, so I can't complain." She folded the note and dropped it onto the bed. "Do you want to phone room service for some sandwiches while I take a shower?"

Jade eventually emerged wearing the fluffy white robe, her hair wet. The maid delivered their lunch. They devoured the sandwiches and drank the beer while sitting by the fire.

After they'd finished, she smiled. "Do you mind if I take a nap?"

"Of course not. Do you want me to go back to the spa to give you some peace?"

She stood up and slipped off the robe to expose her naked body. "No. I want you to come to bed and show me how much watching turned you on."

"I thought you were tired?"

"I'm counting on you getting me tired enough to sleep."

His cock was rock hard by the time he climbed naked into bed. Jade spread her legs and he slid inside her. Both of them let out a sigh.

She stroked his back. “Want to tell me which part of the challenge you enjoyed watching the most?”

“Later.” He kissed her lips. “Right now, I just want to enjoy having you to myself.”

A beautiful smile creased her face. She wrapped her arms around his waist and her legs around his calves. “That suits me fine.”

* * * *

At dinner, there were noticeably fewer people in the restaurant. Evidently, Shawna hadn’t been the only one to fail the challenge.

Jade watched Kenny eating his salmon, a smirk on her face. “Nice to see you’re trying something different from the menu.”

He was chewing, so limited his answer to a nod.

“How is it?”

He swallowed. “It’s good.”

She studied him for a moment. “You wish you’d had the steak again, don’t you?”

He laughed.

Jade took a sip of wine, then swirled the liquid in her glass for a couple of seconds before looking up into his eyes. “I guess it’s down to individual personalities.”

“What is?”

“You know. I want to try everything on the menu, but you want your favourite meal every time.”

He shrugged. “I like steak.”

“I know babe. But I wonder if these traits extend to our sexual appetites, too.”

“Huh?”

“Well, I like a lot of variety in my men, whereas you...” She pushed her foot against his under the table. “You’re happy to stick with just me.”

Kenny gave a chuckle. “I don’t see any correlation between the two.”

“I’m not so sure.” She took another sip and watched him over the rim of her glass.

“You just like to think of yourself as my favourite piece of meat.”

“Yeah.” She scrunched up her nose. “I’m the tenderest fillet you ever tasted.”

“What about Shawna? Was she my salmon?”

Jade seemed to think about it for a moment. “Well, I don’t think you would have tried either if it hadn’t been for me pushing you.”

She was right. He put down his knife and picked up his own glass. “True, but I don’t get off from watching you eating everything on the menu.”

“Maybe you do but don’t realise it. Seeing me eat these perfect scallops could be having an effect you don’t realise.”

He laughed and continued eating.

“Speaking of which,” she said, lowering her voice again. “You never told me which part of the challenges you enjoyed the most.”

Kenny loved these conversations but preferred to do them when they were alone and naked. “I think we’ll have plenty of time to discuss everything that happened once we’re back home.”

“Okay.” She took another sip of her wine. “What did you think about The Manager being part of my challenge?”

“It was a surprise.”

“She was hoping you’d fuck her.”

“No, I doubt—”

“Don’t pretend you hadn’t noticed all the smiles she flashed your way. You think she was in the maze as one of Shawna’s bulls, offering Troy a go at her shaved pussy?”

Kenny didn’t answer.

Jade narrowed her eyes. “Would you have liked to give her what she wanted?”

He tried for a non-committal shrug.

“Be honest.”

“She’s a good-looking woman.”

Jade nodded. “She’s stunning. Great body and a beautiful face.”

“But you don’t like her.”

“I don’t dislike her, I just don’t think she deserves to get her hands on my man.”

“And Shawna did?”

“Yeah. The Manager probably fucks someone new every other week. Shawna will never forget what she did with you.” She shrugged. “I don’t

intend sharing you with people who don't deserve it."

A tingling of anticipation coursed through him. "So you might share me again at some point in the future?"

"Maybe in another ten years." She looked down at their empty plates. "You want dessert?"

"No, I'm okay." He glanced around the restaurant. Some of the couples had already left.

There were only two other couples in the lounge. Jade made brief small-talk with them while Kenny got drinks. They'd just taken a seat on a couch by the window when The Manager and the English guy she was seeing came in.

"Hey, girlfriend," The Manager said, smiling.

Jade laughed. "Hey yourself."

The blonde moved closer, pulling her beau with her. "I was just telling Will how dextrous you are with your fingers."

"Oh, I am," Jade agreed. "Was Shawna just as dextrous with hers?"

"Unfortunately, she didn't get as far into the maze as you did."

When she crouched down in front of them, Kenny tried not to stare at her thighs. Or think about her shaved pussy.

"In truth," The Manager continued, "we doubted she'd get as far as she did."

Jade glanced at Kenny, then turned back to the blonde in the mask. "I'm not sure I follow."

“We have a very thorough vetting practice for all the activities we organise. When someone applies for a competition like this, all sorts of background checks are carried out.”

“You checked on us?”

“We checked on everybody. We know the people who run the contact forums. They help us build up a picture of all the applicants.” She laughed at Jade’s expression. “Obviously they never tell us intimate details. Simply the number of contacts you make, how often you play. Just your metadata, essentially.”

Kenny was thinking about Shawna and Troy pretending to be swingers who’d gotten into the hotwife lifestyle. “So when you say you doubted Shawna would progress, what did you mean?”

The Manager sighed. “We were aware they hadn’t been totally honest on their application form.”

“So why accept them?” Jade asked. “And how do you know, anyway?”

“As you know, everything you guys do in the challenges is filmed.” She looked from Jade to Kenny. “Do you guys ever watch hotwife porn?”

“There isn’t much we *don’t* do,” Jade said.

The Manager smiled. “In that case, you’ll know how popular the ‘first-time hotwife’ section is. Many viewers enjoy watching a rookie struggle to take a huge cock. Shawna struggled on her challenges.”

Jade frowned. “It sounds like you used her as cannon fodder.”

“No we didn’t.” The Manager straightened up. “We don’t have favourites, and we don’t influence the outcome. Every couple here has the opportunity to

succeed.” She gave another smile. “Speaking of which, good luck with the challenge tomorrow.”

“If you’re thinking of joining in with that one,” Jade said, “bring me a strap-on to wear.”

A peal of laughter rang from the blonde. “I’m sure *that* would go down well with all the viewers.”

The Manager and Will moved over to talk to another couple. Jade and Kenny spent twenty minutes finishing their drinks, then retired to their room.

Once in bed, the only light coming from the fireplace, Jade lay on her side with her arm around his waist and her head on his shoulder. “I wonder what tomorrow’s challenge will be?”

“At least it’ll be inside, so you don’t have to worry about being cold.”

“True. The challenges are getting harder, though. The first one had three bulls. The second had twice as many, *and* a woman.”

This hadn’t occurred to him. “You think tomorrow might be more still?”

She shrugged. “Could you stand to see me take more? What if it’s ten bulls? What if it’s twenty?”

Kenny chewed his lip. “Is that what you think it’s going to be?”

“I don’t know. I presume the fact we’re in the library plays some part in whatever the challenge is.”

He agreed with her reasoning. “It’s like a game of Cluedo. I bet Professor Plum does you with a lead pipe. Or Reverend Green with a candlestick.”

Jade giggled. “Well, I had Miss Scarlet in the garden earlier, so who knows?” She shook her head. “I saw a porn clip once that I keep thinking about.”

“You watched porn without me?”

“You might have been there, I can’t remember. It was a Japanese newsreader, a really pretty woman with a white blouse and conservative makeup. She was sitting at a desk reading the news—well, I assume it was the news, it was in Japanese—when some guy walked onto the set, turned her head to the side and shoved his cock into her mouth.”

“Nope, you didn’t watch that with me.”

She shrugged. “Anyway, the woman let him fuck her face for a few seconds then tried to go back to reading the news. The guy walked behind her, pulled her up out of her chair and bent her over the desk. She kept reading the news while he flipped up her skirt, tugged off her panties and entered her from behind.”

“Sounds like a free-use porno.”

She nodded. “Yeah, but this was way before I’d ever heard the phrase free-use. So the beautiful Japanese woman was trying to read the news as the guy fucked her from behind. Then another guy appeared and did like the first, pulling her head to the side and shoving his cock into her mouth while his buddy fucked her. More men kept turning up and taking turns. They all fucked her while she endeavoured to read the news.”

“But you know that in reality she was a porn actress.”

“Yeah, of course I do. The film was really sexy, though. She was beautiful, and all the guys came on her face. So I’m wondering if my final challenge will be that I have to bend over a table in the library and attempt to read a passage from a book while a series of men take turns at me from behind.”

Kenny thought about it, disconcerted that the idea actually appealed to him. “What if it is?”

She shrugged. “I’m not worried about me. I have no trouble reading or getting fucked from behind.”

“You worried I won’t like it?”

She looked up into his eyes but didn’t answer.

With only the light from the fire, he couldn’t read her expression. “I’ve told you all along, I’m happy so long as you’re happy. We may be invincible, but your cooch isn’t. If it gets too much, just say the word and I’ll make sure it ends.”

She kissed his chest. “It may be nothing like that.”

He nodded. “We saw the library when we explored, right?”

“Yeah, it’s in the tower at the back of the hotel.” She kissed his chest again. “Now let me get my beauty sleep and rest my cooch.”

* * * *

At breakfast the following morning, Jade found the envelope on their table. She opened it and held it so both could read the writing on the thick gold card.

Fictional Playdates
(aka Obscene Scenes)

Jade & Kenny

[Library. 11am Start]

Kenny read it twice, then looked up at his wife. “Doesn’t say anything about reading while being railed from behind.”

“No.” She ran her eyes over the card again. “But it does seem to be based on books in some way. At least I don’t to wait long to find out.”

After Kenny had refilled his plate, they ate and discussed leaving tomorrow to fly home to London. Each had taken the full week off work, so they’d have a couple of days at home to talk through all the things that had happened at The Diablo’s Retreat.

Back in their room, they found another white gift box on the coffee table between the two chairs, this one also tied with gold ribbon and a bow.

“Perhaps they’ve sent you a white blouse, tweed skirt and flat shoes.” He bobbed his eyebrows. “Maybe even a pair of half-moon reading glasses.”

Jade raised the lid and peeped inside without allowing Kenny to see the contents. She put the lid back on and picked up the box. “How long before I have to be in the library?”

He checked his watch. “About ninety minutes.”

“Okay. I’m going to have a nice relaxing bath. Why don’t you go to the spa for an hour or so?”

“Fine by me. And when I get back, will you be dressed in your latest outfit?”

“You’ll have to wait and see.”

As Jade began to draw the bath, Kenny grabbed his swimsuit, pecked her on the cheek and left.

Ten minutes later he was sitting alone in the sauna, the familiar trickle of anticipation about his wife’s upcoming challenge pulsing through his body. He used the hot-tub and pool before showering, and then headed back to their room at a quarter to eleven.

He opened the door and stopped in his tracks. Jade stood by a window. He closed the door behind him and stared. Her white outfit consisted of a Lycra dress and heeled sandals. The dress was strapless with a hemline that reached mid-thigh, and it clung to her figure like a second skin. She wore no underwear beneath it. Her nipples and areolae were clearly visible through the white material, her hips and bum presenting perfectly smooth curves with no VPL. The white stiletto heels had long white laces that wound around her calves and fastened just below the backs of her knees. She'd pinned her hair up but left small tendrils hanging either side of her face. Her legs, arms and bare shoulders had a subtle lustre that made him think she'd rubbed on some sort of oil. She looked fabulous.

“There were no reading glasses in the box,” she said with a smile.

He shook his head and blew out his cheeks. “I doubt anyone will mind.”

She turned serious. “Are you ready for this?”

“I think so. Are you?”

“Yeah.” She slipped her hand into his. “Come on, let's go check out some dirty books.”

CHAPTER 8

Jade and Kenny made their way to the tower at the rear of the hotel. As they emerged from the spiral stairwell, they saw The Manager and Greg standing outside the library door. The former offered a wide smile; the latter filmed Jade walking towards them in the tight dress and killer heels.

Jade's nemesis stared at her. "You look like every bookworm's dream."

"I'm hoping they're all packing something bigger than a worm."

"Always with a smart answer." The Manager turned to Greg. "Try and capture the expressions on the bulls' faces when they see her in that outfit." She opened the door and stepped inside. "Gentlemen, please say hello to the lady who'll be entertaining you all for the next two hours."

Two hours? Kenny glanced at his wife, concerned.

Greg followed Jade as she stepped into the room, filming the reactions of the men inside. Last into the library, Kenny glanced around. It looked like something from a film: book-lined walls, leather couches, and a polished wooden table and chairs in the middle. But the most noticeable thing was the number of men in the room. A quick head-count told him there were fourteen guys, all of them well-built and athletic.

"So," The Manager said, walking to the centre of the room where a bull sat perched on the table and another two sat on hardbacked chairs. "This challenge is called Fictional Playdates, but I prefer the alternative title: *Obscene Scenes*.

"The rules are straightforward. Our hosts have chosen numerous passages from their extensive collection of erotica. You need to choose a bull, ask him

to read his passage, then play out the scene with him. Each task is deemed complete when the bull climaxes.”

Kenny watched his wife’s face. If she was nervous about the number of men in the room, it didn’t show.

“So I get to choose?” Jade asked.

The Manager smiled. “Yes, so you can decide whether or not you want me to read a passage for us to play out.”

Jade scoffed. “Don’t hold your breath.”

Kenny glanced around the library, noticing at least four static cameras with blinking red lights in addition to the one Greg had.

“Another thing I should point out,” The Manager continued, “is that some of the scenes involve the woman taking more than one bull at a time.”

Jade gave a confident smile. “More than one at a time is fine by me.”

She walked slowly around the central table, looking at each of the bulls scattered around the room. Some stood by the shelves, others lounged on armchairs and couches. She stopped in front of a tattooed man Kenny recognised. It was the French-Algerian from the first challenge.

“Hello again, Mansour.”

Unsurprisingly, Jade had remembered his name. The guy beamed at her. Kenny guessed his passage involved more than a foot-job.

“Madame.”

“Would you like to read me your passage?”

“Oui.” He took out a piece of paper and cleared his throat. “She sat on the armchair with her legs draped over the arms,” he read in his French accent.

“He dropped to his knees, crawled forward and slowly slid his prick into her eager pussy.” Lowering the paper, he looked up and smiled.

“May I use that chair?” she asked.

Mansour stood and stepped aside. Jade slowly tugged at the material of her dress to inch up the hemline to the top of her thighs. She sat down and, holding Mansour’s gaze, raised and parted her legs, draping them over the arms.

A murmur of appreciation went around the room as the other bulls saw she wasn’t wearing underwear. Greg moved closer to capture the action.

Mansour unfastened his black trousers and took out his cock. He pumped it in his hand a few times, then dropped to his knees and dragged the tip through her folds. “You’re already wet,” he whispered.

“I’m playing my part. The scene demanded an eager pussy, and that’s what I’ve got.”

He grinned. “I believe it also said something about the prick sliding in.”

Kenny watched as Mansour’s cock stretched his wife’s pussy lips wide and then disappeared inside her. Jade let out a long moan and raised her hips to allow him easier access. The bull eased back then slid all the way to the hilt. The pair of them soon got into a rhythm, Mansour slowly pumping his hips and Jade rocking her body, the dangling feet jumping in time to his thrusts.

Jade stroked a hand over his buzzed-short hair. “It sure feels better in there than it did between my toes.”

“Better for me, too.”

“I’m going to come soon,” she whispered.

Mansour nodded and kept sliding his cock in and out at the same pace.

Jade smiled. "And you're going to come with me."

He gave a confident shrug. "Let us see what transpires."

She shook her head. "It wasn't a request."

Kenny saw the muscles in her thighs flex and he knew she was bearing down hard on the cock inside her. Mansour gasped in surprise, then jackhammered into her. Jade's eyes fluttered and she dropped her head back, her mouth opening in a silent scream.

The pair eventually stilled and Mansour withdrew. Jade stayed where she was until his cum dribbled out of her pussy and ran down the crease of her bum. Then she lowered her legs and got to her feet.

Without looking at Kenny, she walked over to a tall blond guy standing by a wall of bookshelves and smiled up at him.

He took out a folded sheet of paper. "While she's on her hands and knees, wiping up the spilled drink, one of the men drops to his knees behind her." The guy smiled. "This had been her plan all along. Who bothers to mop up a spilled drink at a stag party? And why else would she do it wearing no panties?"

Jade raised her eyebrows and turned to look at The Manager. "Do I actually need to spill a drink?"

"No. We can just imagine that part."

Glancing back at the blond guy, Jade flashed him a smile then dropped onto all fours. Kenny admired the curve of her bum in the stretchy dress. The bull dropped to his knees behind her and rolled up her dress, her rich skin contrasting with the white material.

The bull took out his cock, which was getting harder by the second, and placed the shaft between her bum cheeks. Kenny chewed his lip. The passage hadn't said anything about her being taken anally. Maybe this one was open to interpretation.

Evidently the guy had only been sliding his cock between her arse cheeks to get it fully hard. He pulled back, lined it up with her drenched pussy, and pushed in. He then proceeded to fuck her slowly, pulling her back by the hips to meet each thrust.

After about five minutes, Jade reached her second orgasm of the day, but the bull showed no sign of being close. He continued to fuck her for a long time. Kenny glanced at the clock. The guy's thrusts got steadily harder and faster, and Jade came again. After almost fifteen minutes, the bull pushed deep and held still.

Kenny watched his wife rock her pelvis. He knew she'd be squeezing the cum from the cock inside her, milking it dry. He glanced around; the other bulls' eyes were fixed on Jade, their expressions hungry.

The blond guy eased out and slowly got to his feet, as did Jade. Her dress was still hitched up around her waist, and she didn't bother to adjust it. Kenny couldn't help feeling proud of the way she looked.

She stepped over to the guy standing closest to The Manager. Kenny thought he looked familiar; maybe he'd been one of the bulls who wore a helmet in the maze.

He took a piece of paper from the pocket of his white jeans and held it up. "She looks up from her cocktail to see a guy watching her. 'Can I help you?' she asks. He slowly pulls down his zip. 'Yeah, you can suck me like you're

sucking that straw, and don't stop doing it until you get the warm milkshake'."

Jade laughed out loud and shook her head. "Oh man, that is *bad* erotica."

He shrugged as if embarrassed by the passage he'd been given.

"Okay," she said, dropping to her knees in front of him. "Come on, give me that meaty straw of yours."

The guy unzipped and took out his semi-flaccid cock. Jade reached out and held it in her hand. Watching his face, she ran her tongue around the crown, licked up and down the shaft, then pressed it up against his body as she sucked his balls. Then she started the blowjob.

She took him all the way into her throat and bobbed her head, twisting her neck and digging her nails into his buttocks. He didn't last as long as the guy who'd just fucked her. With a quiet moan, the bull dropped his head back and squeezed his eyes shut. Everyone else in the room had their eyes open, watching Jade as she gulped and swallowed while bobbing her head. She eventually stopped and released him from her mouth. The guy's cock glistened with his cum and her saliva.

Just then, the library door opened. W and J slipped quietly into the room. They gave a brief nod to Kenny, then stood perfectly still by the door. Both were dressed in black, and both wore the same masks as on the day of the first challenge.

Jade paid them no attention. She got to her feet and turned to one of the bulls sitting on one of the hardbacked chairs at the reading table. "Let's hear your story next."

This guy looked older than the other bulls, his dark hair greying a little at the temples. He took the note from his shirt pocket, then slipped on a pair of reading glasses. “The three men laid her on the table and took turns, each fucking her for only a short time before making way for the next.” He smiled at her over his glasses, then continued. “Each man sent his seed over her writhing body, glazing her tits and stomach with their sticky passion.”

Jade guffawed and turned to look at their hosts. “Jeez, you boys need a better script writer.” She looked back at the older bull. “Who are the other two?”

Two men stepped forward.

Jade took hold of the dress and pulled it over her head and off. Another murmur of appreciation rippled through the gathered men. Kenny had never felt so proud of his wife. Her big breasts sat high on her chest, dark nipples pointing slightly upwards. Her stomach was flat and toned, and the high heels emphasised the muscles in her legs and pushed her arse out.

Built for fucking!

Jade backed up to the reading table and lifted herself onto it. Then she lay back and parted her legs. The entire area around her pussy was smeared with cum.

“Okay boys,” she said. “Take turns and glaze me with your sticky passion.”

The men stepped closer, the older one going first. Greg moved in to stand just beyond Jade’s head and filmed down her body. The first man fucked her for less than a minute then pulled out and let the second younger guy take his place. The newcomer had tattoos showing below his sleeves and above his collar. Then the third took a turn. They all had a second turn, then a third. By

now the men's breathing had become ragged. The first guy only stayed in her for a short time on his fourth turn at her, the second stayed in longer. Kenny guessed they were all getting themselves close for the big finale.

He was right. The next time the older guy entered her, he fucked with short, fast thrusts then withdrew and sent a thick cord of cum onto Jade's breasts. As if remembering the script, she writhed as the rest of his spurts coated her chest and stomach. By the time the second, then third guys had stepped back, breathing hard, Jade's entire upper body was covered. She did indeed look as if she'd been glazed.

Greg walked slowly around the table, filming her from all angles. Then he held out his hand and helped her up.

She moved over to a black bull on a couch. He had a shaved head and a close-trimmed goatee. "You're next, handsome."

The guy had the note scrunched up in his hand. He flattened it out, looking a little flustered, then started to read. "She knelt on the floor in front of her bull, then instructed her husband to jack the guy off into her face."

Kenny thought he must have misheard. He looked at Jade, then over at The Manager, who was grinning broadly.

"Think you can do that, Kenny?" the masked blonde asked.

J was also smiling. "I've been looking forward to this part all morning," she said. "The leaflet clearly states that there will be emotional challenges for *both* of you. They're designed to push your limits and boundaries. We need to see how far a husband will go to please his hotwife."

Her chest still splattered in cum, Jade stepped forward and stroked Kenny's arm. "Come on, babe. We can do this." She narrowed her eyes and

lowered her voice. “*You* can do this.”

He nodded, then glanced down at the bull. The guy looked as uncomfortable as Kenny felt.

Jade held out her hand to the bull, who got up and allowed her to position him next to Kenny. Then she dropped to her knees and unbuckled his belt.

The bull was a few shades darker than Kenny. Not quite as tall but just as wide across the shoulders. As Jade slipped her fingers inside his jeans, he turned to Kenny. “Sorry, man. I didn’t choose this.”

Kenny avoided eye contact, focussing instead on his wife’s hand as it brought out the guy’s meaty cock.

She ran her thumb over the wet tip, then, looking up into the bull’s face, sucked his precum from her thumb. “You going to hose my face, handsome?”

He shrugged. “That’s the plan.”

She nodded. “Good. Just don’t make me wait too long.” With that, she sank back onto her haunches and looked up at Kenny.

He stared at her, then glanced around the room. Everyone’s eyes were on him. A few of the bulls may have had contact with cucks. Kenny knew some husbands liked to help service bulls, but his only involvement had been to help them service Jade. He’d felt his cock moving against a bull’s during DP sessions on numerous occasions, but never had he touched one with his hand.

Gulping in a deep breath, Kenny re-positioned himself so he was standing slightly behind and to the right of the bull. Then he reached around and gripped his dick. It was a weird sensation. He’d done this to his own cock more times than he could count, so it shouldn’t feel completely alien. Kenny pumped his wrist, making sure to slacken his grip on the in-stroke. As

someone who'd had eager girls jacking him off as a teenager, he knew only too well that having the skin pulled down too far wasn't a pleasant experience. He felt the guy's dick growing harder in his fist.

"That's it," Jade whispered, her eyes on Kenny's. "I know how much you like to see a man give me a facial. This time, you get to choose where it goes. You're the one pointing the gun."

Kenny pumped his arm faster. He wondered if he should ask The Manager for some oil, then he had another thought. He looked at Jade. "Spit on it."

"What?"

"Spit on his dick to act as lube."

Jade knelt up and dribbled saliva over the bull's dick. Kenny used his hand to smear it over the shaft and head, then recommenced the pumping action, adding a twisting motion to each out-stroke.

The bull closed his eyes, probably pretending it was Jade's hand on his dick. Kenny pumped faster, wanting this to be over.

Jade was smiling with a mischievous amusement. "You could speed things along by slipping your finger up his arse to press his prostate." She laughed when he scowled.

"Don't do that," the bull hissed. "Please, man."

"Don't worry, there's no way I'm doing that," Kenny whispered. "Just shoot your fucking load and get this finished."

"Yeah," Jade said. "Shoot your fucking load." She knelt up so her face was inches from the end of the bull's cock, then ran her hands over the mess on her chest and neck. "I've already got three guys' worth of cum on my tits."

She smeared the cum all over her breasts, trapping the engorged nipples between her splayed fingers. “And I’ve got another two loads in my pussy and one in my stomach, so how about you bring your cum to the party?”

The guy’s jaw clenched; he was now breathing hard through his nose. Kenny knew Jade’s dirty talk was helping to get him over the line.

“Think you can cover my face, handsome? Think you can—?”

Jade squealed in the same split second that the cock pulsed in Kenny’s hand. A huge dollop of goo hit her high on the forehead and into her hairline. He lowered his aim. As Kenny continued to wank the guy, it twitched with each gush, coating her cheek, nose, lips and chin.

Kenny slackened his grip and pulled his hand away, wiping the palm on his own jeans. Jade leaned forward and took the bull’s spent cock into her mouth, making him groan. She looked up into Kenny’s eyes as she sucked the bull clean, then stood up.

Turning, she walked slowly over to The Manager and stopped immediately in front of her. “How about another kiss?”

The blonde laughed and shook her head. “I’m not involved in this challenge, remember?” She held up a box of tissues. “I can give you these, though.”

Jade shook her head. “I’m fine like this, assuming these boys don’t mind a slippery hotwife.”

J laughed. “I don’t think they’ll mind at all.”

Kenny worked out that Jade had made it halfway through the challenge, but she still seemed to have plenty of energy as she stalked over to a white guy with long black hair tied back in a ponytail. “Let’s have your story next.”

He raised his piece of paper. "One bull lay on the floor, his cock rigid as a board. She impaled herself on it, then lay flat on his chest. The second bull bent over her and squeezed in some lube, then got himself in position and penetrated her ass."

Jade's eyebrows went up. "Hmm, my first DP of these games. So are you going to be the one lying on the floor?"

"No." He pointed at his neighbour on the adjacent chair. "That'll be Ben."

"Hi, Ben. I hope you don't mind a drenched pussy and sticky tits."

Ben grinned. "No ma'am." He stood up and removed his shirt, revealing a muscular body entirely covered in tattoos. When he pushed down his sweatpants, his thighs were similarly decorated, though there was no inkwork on his cock.

He lay down on the wooden floor and lazily pumped his cock in his fist. The guy ran his eyes all over her well-used body as she dropped to her knees, held his cock straight up and lowered herself onto it. After thrusting her hips a few times, Jade leaned forward and crushed her cum-slicked chest against the bull's.

Ponytail guy did the honours with the lube, dropped his trousers and positioned himself above the couple, placing one knee and one foot on the floor. After lubing the tip of his cock, he pushed easily into Jade's backside. She let out a low groan as the three of them fell into a slow, sensual rhythm. Jade orgasmed after several minutes, but neither man showed any sign of speeding up or getting close to their own finale. She came again, panting through her mouth as the men she was sandwiched between continued to rail her.

Ben let out a groan, and the one with the ponytail sped up his thrusts. Jade's moans grew louder. She may have come again, or perhaps the bulls were just pushing deeper as they approached climax. Suddenly all three were grunting and groaning in a tangle of jerking bodies and twitching limbs.

They eventually stopped moving. Ponytail pulled out and stood up. Jade crawled further up onto Ben's tattooed chest and Greg moved in close behind to capture the image of their cum dripping from both holes.

When she finally stood up, Kenny became a little concerned. She looked exhausted, which was completely understandable, but there were still a lot of guys to go. He wondered if he'd need to call a halt to things. Then she looked over at him, and he stopped worrying. Her expression said it all: she was invincible.

Jade made her way over to the rear of the library where two men sat on a green leather Chesterfield couch. She stopped in front of one of them and waited.

One took out a note, glanced at it, then looked up into her face. "None of the men meant anything to her," he said in an accent that Kenny thought was German. The guy had obviously memorised his passage because he didn't need to read the words from the page. "And she didn't mean anything to the men. She was simply a plaything to be used at whim. A vessel for their seed. The five men sat her on the couch, then proceeded to use her for their pleasure." He gave her a smile. "They didn't let up until all five were sated."

Kenny turned to glare at The Manager, who seemed to be enjoying herself. W & J whispered something to each other, and he wondered if they were expecting him to step in. He looked back at Jade. She'd already sat on the green couch and parted her legs. A swarthy Mediterranean guy knelt

between her feet, dropped his trousers and entered her. The German knelt on the cushion next to her and fed his dick into her mouth. Another man knelt on her other side, cock in hand and waiting his turn. The swarthy man withdrew and let another take his place.

As the proceedings unfolded, Kenny's stomach tightened and became knotted. They were using her, pulling her this way and that, prodding their cocks into her mouth and pussy, and he didn't find it a turn-on. There were three white guys, one black and the swarthy guy who'd been the first to fuck her. It seemed to go on for a long time. Too long, from Kenny's point of view. Greg was moving around them, capturing all the action.

After what felt like an hour but was probably less than half that, the bull who was fucking her dropped his head back and grunted. As he backed off to make room for someone else, the Mediterranean guy came in her mouth. Once he'd pulled out, Jade turned to look at the black guy who was fucking her, and parted her lips. Cum dribbled down her chin onto her neck and chest. It seemed to spur him on. He pumped faster, then his buttocks clenched and relaxed as he fired his load deep inside her. Another of the white men turned her head and fed her his cock while the German entered her pussy. Kenny knew these would be the final two bulls of The Hotwife Games.

Jade bounced her head and was soon rewarded with yet another mouthful. The German pulled out, lifted her legs onto his shoulders and then entered her anally. Jade let out a quiet moan, then looked over at Kenny. They held eye contact as the last of the bulls used her body. He banged her so hard her tits shook, but she never broke eye contact with Kenny. Even as the guy cried out and flooded her bowels with cum, she didn't take her eyes off her husband's face.

Kenny gave her a smile that he hoped projected his pride and love.

As the German withdrew and stood up, Greg angled his camera down and captured the evidence for whoever would be watching it. When Jade finally got to her feet, W and J walked over to her. Kenny couldn't hear what they said, but Jade smiled and thanked them.

"Wow," said The Manager, who was now right behind him. "She knocked that challenge out of the park."

He nodded, wondering if the organisers had discussed Jade's chances of succeeding, like they had with Shawna's.

"Congratulations."

"It's not me you should be saying that to, it's my hot hotwife."

The Manager shook her head. "No, it's both of you. We know how difficult some of the tasks must have been for you to witness, and you both performed admirably."

"Are you still hankering for my man?" Jade asked, now standing next to them with a smirk on her face.

The Manager laughed and shook her head. "I don't think he has eyes for anyone but you, and I can certainly see why."

Jade slipped her arm around Kenny's waist. "Thank you."

"Well done, Jade. That was one hell of a show." The blonde looked over at the bulls chatting to each other. "I'm pretty sure they're all happy to have been picked for this challenge."

"I can think of one that isn't," Kenny said, looking over at the guy he'd jacked off.

“Don’t worry. I sucked him off in one of the other women’s challenges.” She turned to Jade. “He doesn’t deserve both of us.”

One of the bulls brought Jade her dress. She thanked him, then bunched it up in her hand. “I think I’ll walk back to our room as I am.”

“I hope Greg films that,” W said. He and J were just behind them. “Please, keep the outfits you wore as a memento. You have a few hours to relax. Bathe, eat, sleep, whatever you need. This evening, we’ll invite you down for a chat.”

J reached out and ran her hand down Jade’s arm. It was one of the few parts of her body that wasn’t caked with cum. “Amazing performance, Jade. Well done.”

“Thank you.”

After the hosts had left, The Manager went to talk to the bulls at the reading table. Greg hurried ahead, then Kenny held Jade’s hand as they walked to the stairwell. Greg filmed her walking down the spiral stairs. They passed him, and he filmed from behind as they walked along the hotel corridor to their room.

Kenny led Jade into the bathroom, where he turned on the shower. She unpinned her hair as he dropped to his knees and untied the shoes. When she was completely naked, she stood in the shower while he directed the hand-held nozzle at all the cum on her body. It took five minutes and half a bottle of shower gel to wash it all off. While she washed her hair, he filled the bath and called down for a bottle of champagne.

As his wife relaxed in the bubbles, Kenny went to walk around the grounds for one last time. He breathed in the cool, clean air and admired the

beautiful scenery. There was a tranquillity about this place, which was exactly what he needed at that moment.

He and Jade had been in this lifestyle long enough to prove he could suppress his jealousy, but he'd found today's challenge difficult to witness. Jade had taken more men in those two hours than many women take in a lifetime, and also done things most would never experience. He knew they'd talk about everything she'd experienced and get off on it, but for the moment he was still too wound up to enjoy it.

A break in the trees offered him a view of the back of the hotel. Kenny stared at the fabulous façade of The Diablo's Retreat Hotel, knowing that behind those gothic windows, somebody else's wife was probably being fucked at that very moment. Another husband would be experiencing the sweet ache of seeing the woman he loved being pleased by strangers.

Two huge birds, eagles of some kind, glided on the thermals high above the roof. Kenny watched them until they disappeared behind the treeline, then made his way towards the hotel.

CHAPTER 9

When Kenny got back to their room, Jade was sitting in one of the wing-backed chairs, wearing the fluffy white robe. He bent to kiss her gently on the lips, then stuck a fresh log into the glowing embers of the fire before taking the other seat.

“How are you feeling?” he asked, peeling his sweater off.

“I’m okay.”

“What about your bits? I’m guessing you’re tender all over.”

“If you’re horny, I could still—”

“No!” He laughed. “I’m asking out of concern, not because I want my turn.”

“Reclaiming me is an important part for both of us, you know that.”

He sighed and shook his head. “We’ll have a lifetime to do that. You’ve just fucked a dozen men, so I think I have every right to be worried about your physical and emotional wellbeing.”

She nodded. “I’m okay on both parts. I did what I came here to do, which was to have a lot of kinky fun.”

“No regrets?”

She shook her head. “Do you?”

“I could have done without jerking the guy off.”

A smirk twisted her lips. “I think that may have been payback for not fucking The Manager.”

“I don’t know. J seemed pretty interested in that part, too. As couples go, we’re pretty straightforward. You fuck and I watch. But I’m guessing some of

the other couples here do things differently. Maybe there are some cucks who're happy to help service the bulls or perform clean-up. The filming seems to be catering for all tastes."

"Hmm." Jade seemed to consider this. "Like watching a rookie struggle to take a big cock?"

"Exactly like that." He frowned as it sank in. "Or a stag struggling to be a cuck. Viewers will see my discomfort at having to wank another man off and aim it into my own wife's face."

Jade reached a foot out and placed it on his knee. "Are you having regrets now?"

He smiled and shook his head. "That was nothing compared to what you had to do."

"I didn't do anything here I haven't done dozens of times."

"What?"

"I've done the spit-roast and DP thing lots of times. And I've given blowjobs to more men than I can count."

"You've never been gangbanged before, and today you had two of them."

She blinked. "Did I?"

"Three guys on the table and five guys on the couch."

"Right." She frowned and shook her head. "I hadn't thought of them as gangbangs, but I guess that's what they were."

They sat in silence for a moment, Jade watching the flames as Kenny studied her face.

Finally, she looked at him. “Okay, without going into too much detail, what was the highlight and lowlight for you from the three challenges?”

“Jacking off somebody else was the lowlight.”

“Even though you were able to point it at my face?”

He nodded. “It just felt wrong. It would have been weird if we were on a regular playdate in our own house. But here, in front of everybody in the room *and* a camera...” He shuddered at the memory.

“And the highlight?”

He thought about it. “Probably the two guys coming over your back after the spit-roast in the maze.”

“Really?”

He nodded. “It just looked really sexy.” He smiled at the memory, then raised his eyebrows. “What about yours?”

“Lowlight was having to dip my fingers into a waxed woman.”

“I bet you secretly enjoyed that.”

“I’d have enjoyed fucking her up the arse with a strap-on.”

Kenny chuckled. “And the highlight?”

She chewed her lip for a moment. “Making the bull come with my pussy lips in the first challenge.”

This was a complete surprise. “Why would you choose that after all the cocks you’ve had inside you?”

“Because it was different, I guess. And erotic.” She narrowed her eyes. “I got off by sliding my clit against his oily shaft. Then when he came, I felt his cock spasm with each gush he shot onto his stomach.”

Kenny thought about it, then shrugged. He'd felt certain she'd have chosen the DP in the library. His stomach rumbled. "Are you hungry?"

"Not really." She grinned. "I swallowed quite a bit of protein earlier."

He sniggered. "You're unbelievable."

"You'd better believe it."

"I'm going to order a sandwich. Would you like one to help soak up all the protein in your stomach?"

She nodded. "Yes please. And maybe a beer."

After Kenny had called down their order, he sat back opposite his wife. "Be honest, did you enjoy your final challenge?"

"I'm glad I've done it."

"That's not what I asked."

"You saw how many times I came."

"I wasn't talking about the physical side."

She chewed her lip, then shrugged. "I think we should talk about this when we're back home, when we've both had time to digest what happened. But to answer your question, yes, I enjoyed all of the challenges."

"Okay."

"Do you regret coming here?"

"God, no." He laughed. "I've seen you do enough dirty things to keep my libido simmering for months."

"You also got laid."

"Yeah." He was relieved when she smiled. "But as I've said many times
—"

“That was *my* idea.” She nodded. “I know, and I don’t regret it.”

A knock at the door announced the arrival of lunch. They ate and drank in relative silence. Afterwards, they walked over to the bed. Kenny kicked off his shoes and lay fully clothed on top of the covers. Jade, wrapped in the fluffy robe, snuggled into his arms and they lay together for two hours. Jade dozed for much of the time, but Kenny’s mind kept going over all the things he’d witnessed his wife doing over the past three days.

The sky outside had darkened by the time they roused. Kenny took a shower while Jade got dressed and put on makeup.

He checked his watch. “We have an hour to fill before dinner. Do you want to go to the bar for a drink?”

“Actually, I’d quite like to wander around and take some photos of the hotel. This place is really classy, and I could use a lot of the décor as inspiration for future projects.”

He grinned. “Is the interior designer coming out to play now the hotwife has been sated?”

“Who said she’s been sated?” She moved close and pressed her body against his. “You might not need to reclaim me, but I need to reclaim your hand after its dalliance with another cock.”

He chuckled and shook his head. “You’re not going to let me forget that, are you?”

“Not ever. I had no idea you were such a wanker.”

He pinched her nipple, making her squeal.

“Come on,” she said, picking up her phone. “Let’s go snap some fixtures and fittings.”

They walked along the deserted corridor and down the wide staircase, with Jade taking pictures of the intricately carved balustrade, ornate cornices, and the crystal chandeliers. She took several photos of the wood-panelled lobby, smiling at the young man behind the reception desk. After walking down the wide steps and along the gravel drive, she turned and took several pictures of the tall windows, which by now were illuminated from inside. This was the first time they'd seen the hotel from outside in the dark, and it was an awe-inspiring spectacle. They walked across the dew-damp lawn to the entrance of the hedge maze. Turning to look back at the hotel in all its splendour, Kenny took out his own phone and snapped several photos.

Jade shivered in the cold evening air, and they headed back inside, passing the entrance to the lounge and bar as they walked toward the back of the building. They reached the rear courtyard, where Jade photographed several arches.

"In the old days," she explained, while swiping through the photos she'd just taken, "arches were the only way to support a large opening in a wall. Now we have girders and lintels, but arches are still very much in vogue. People want them incorporated into the designs."

He watched her take a few more photos. Behind her was the tower that housed the library, and she seemed to be leading them in that direction.

She made her way to the spiral staircase. "I'd like a few photos of the library, too."

"Is that purely for inspiring some future designs?"

"Partly." She shrugged. "I noticed how nice the room was, but didn't get the chance to take in all the details."

“No, you were too busy taking in everything else.”

They entered the library but didn't turn on the overhead lights. A few brass reading lamps on the small side tables cast a warm, welcoming glow over the book-lined room. Jade took several pictures from the doorway, then walked to the centre and took more.

Kenny watched her, a little freaked out by the fact that only hours earlier, fourteen men had shared her in that room.

“It's really a lovely room,” she said, coming back to stand next to him.

He nodded his agreement. Like his wife, he hadn't really appreciated the surroundings during their previous visit. They went back to the main part of the hotel, intending to have a pre-dinner drink in the bar. As they crossed the lobby, the young man behind the reception desk called them.

“I've been trying to reach you,” he explained. “Would now be a convenient time to see W & J?”

“Sure,” Kenny answered. W had told them earlier that they'd be invited for a chat.

After a brief phone call, the man smiled and nodded towards the stairway. Kenny turned and saw J standing to one side of the stairs, wearing a skintight black catsuit and black vixen facemask.

“Hey guys, could we have a word before dinner?” she said in a light, friendly voice.

The pair nodded and crossed the lobby.

J ran her hand down Kenny's arm, then gave Jade a hug. “It's just down here.”

They followed her through the door and into a large square room. One wall was lined with wide flatscreen TVs, all turned off. W sat on one of the many couches, again wearing his antlered mask. He stood up and shook their hands, then invited them to sit opposite. J joined him as Kenny and Jade sat down.

“We just wanted to thank you for taking part in The Hotwife Games,” W said. “As I mentioned before, we’ve been running this event for quite a few years. I’ll be honest, I think this year has been one of the best yet.”

Kenny and Jade offered smiles, but neither spoke.

“As you’ll probably have guessed,” J said, “not all hotwives here faced the same challenges. We only ever have two couples facing similar challenges. Each is designed to test certain qualities, and there’s a panel of judges who have to decide which of the competitors dealt with those challenges the best.”

“For example,” W explained, “one challenge faced by another competitor was to see how long she could refrain from reaching orgasm while numerous bulls pleased her.”

Jade frowned. “I don’t like the sound of that one.”

W laughed out loud. “I’m not surprised. You somehow managed to get two orgasms during a challenge where you weren’t allowed to touch the bulls’ cocks.”

“Girl’s got to have her fun.”

J smiled broadly. “Amen, sister.”

Kenny studied the woman opposite him. She had a fabulous figure and carried herself with elegance and grace. Even with most of her face hidden,

he could see enough of her mouth and eyes to be confident that beneath the mask the woman was a knockout.

W leaned forward and looked at Jade. “I think it’s fair to say the challenges you faced during the games concentrated on your endurance. Without checking the actual numbers, I don’t think any of the other women encountered as many bulls as you did over the three challenges.”

“But we were confident you would prevail,” J said. “You have a certain...” She shook her head as if searching for the right phrase.

Kenny tried to help. “Another hotwife’s husband said she was built for fucking.”

J laughed and nodded. “I think that sums it up perfectly, but it doesn’t quite do you justice. You *do* have an incredibly sexy body, but the thing that shone through in all the films we watched was your attitude. Your humour and personality lit up every scene.” She reached across and placed her hand on Jade’s knee. “You’re built for *fun*. Everyone you encountered had a good time.”

Kenny beamed with pride.

“Which brings us to the decisions still to be made on the Queen of Hotwives title,” W said. “We will need to discuss it more fully with all of the judges, but I promise we’ll have reached our decision before you guys leave tomorrow.”

“However,” J said, “we now know that only a third of the couples completed all their challenges. So, since you’re one of only four couples eligible to split the total prize, your share equates to one-hundred and twenty-five thousand dollars.”

Kenny felt like he'd been slapped.

Jade leaned forward. "Say what?"

W smiled. "The half-million-dollar prize has been split four ways, which makes—"

"Half a *million*?" Jade's voice was a hoarse whisper.

J glanced at Kenny, then back at Jade. "Are you saying you didn't know about the prize money?"

"I knew there was prize money and a title, but we never paid much attention." Jade shrugged. "We only applied because we thought it'd be sexy fun."

"The figure was clearly stated on the website. Didn't you click on the link that explained it all?"

Jade shook her head, then reached for Kenny's hand and squeezed it. "Would it be possible to give half of it to Shawna and Troy?"

Now it was W and J who looked shocked. Even though they were wearing half-face masks, their surprise was clearly evident.

"You want to give half your winnings away to a couple that failed early on in the second challenge?" W sounded incredulous.

Jade looked at Kenny for confirmation, who nodded his agreement.

"Yes, please," she said. "They really need the money, and that's why they entered in the first place."

"If they really needed the money, she would have tried harder to complete the challenge," J pointed out.

“She was prepared to do anything, but at the end of the day, her husband couldn’t stand to share her. I don’t think most people would condemn him for that.”

W and J looked at each other, then W shrugged. “If that’s what you really want, we can certainly arrange it.”

“Thank you.” Jade glanced at Kenny again. He leaned over and kissed her forehead, more proud of her than ever.

“Well,” J said, “we’ll let her know it was your decision and, with your permission, we’ll pass on your email address so she can thank you herself.”

Jade nodded. “Yes, please pass on my contact details. I liked her, and it’d be nice to keep in touch.”

W slapped his hands on his knees. “Well, I think that’s everything for now.”

The four of them got to their feet, and W led them to the door. After more handshakes and smiles, Jade and Kenny walked through the lobby and into the completely deserted bar.

After they’d got their drink, they chose a couch near the log fire.

Jade squeezed his hand. “Are you sure you don’t mind me giving away all that money?”

He smiled. “It was a really nice gesture.”

“But it probably amounts to about fifty grand in our money.”

“We still got that much, which is more than either of us ever dreamed of. Besides, you earned the money with your cooch.”

She laughed and slapped his arm. “What shall we do with the money?”

He shook his head. "You decide. You earned it."

"We should pay a chunk off the mortgage."

He nodded. London house prices meant they'd had to borrow a lot when they moved house last year.

"But maybe save some back for a holiday," she said. "I like the idea of going somewhere hot during the winter."

He nodded, then had a thought. "Or you could take your mother to Jamaica for a visit." Jade's grandmother was well into her eighties, and he didn't think his mother-in-law could afford a trip back.

"Are you serious?"

"Yeah."

Tears filled her eyes. "That's why I love you."

"I thought it was because I jerked guys off into your face."

She rested her head on his shoulder. "Well, there's that as well."

They sat in silence and watched the flames flicker. He turned and kissed the top of her head. "And if Jahmar's folks still live next door, maybe you can have a little fun for yourself and tell me all about it when you get back."

Jade looked up at him and smiled. "You have a beautiful, dirty mind."

"I know." He kissed her on the lips. "I also have a beautiful, dirty wife."

When the dinner bell rang, they got up and made their way to the restaurant. The Concierge showed them to their table, and the waitress came to take their drinks order. When she returned with their drinks and menus, Jade shook her head.

“We don’t need to see the menu tonight,” she said with a smile. “We’ll both have steak.”
