A Hotwife's 2 for 1 Weekend

For Christmas, her husband had suggested she take another man to bed. As Valentine's Day approaches, he comes up with a gift that's twice as exciting...

Harriet and Luke are only just back to the grey drizzle of northern England after a magical holiday in the Norwegian fjords, but they have so much to look forward to —a new house, a flourishing software business, and more wife-sharing adventures.

While Luke's away on a business trip, he encourages Harriet to make the most of her new hotwife status. On his return, he learns that she went further than he'd expected, taking part in a threesome with her best friend Maisie and some guy from a club. She helps him get over his initial shock by describing her hotwifery in explicit detail.

When the new contract and house are confirmed, they decide to celebrate in the sunnier climes of the Canary Islands, where Luke offers his wife the chance to enjoy a different kind of threesome as a Valentine's Day treat.

Will things go to plan, or will two men prove to be too much of a good thing?

Chapter One

Luke was about to board his plane home when his phone chirped. He opened the text, then immediately pressed his phone to his chest and glanced around to see if anyone in the adjacent seats had seen his screen. Nobody was looking his way, thankfully. He peeked at the phone again, trying to take in the close-up photo of Harriet with her eyes closed and a fat cock buried in her mouth.

He'd spent the last two days visiting a client whose contract would double his company's revenue. He couldn't wait to tell Harriet, his wife and business partner, texting the good news as soon as he'd checked in and gone through to the departure lounge. As it was still very early, he hadn't been surprised that it was almost an hour before she'd replied.

*Harriet: Great news, I'll start
looking at even bigger houses. I also
have some news for you when you
get home xx*

A low-level buzz had developed in his gut. He'd hoped her news didn't just concern an offer on their house.

*Luke: Is it something you'll have to
describe for me in bed?*

How many husbands would be heading home from a business trip hoping their wives had slept with another man?

That was when his phone had chirped and the photo had burst onto his screen.

Luke's mind raced.

The guy must have taken the photo because Harriet's eyes were closed. There was no way she could manage such an accurate, focussed selfie. A flood of emotions battled for his attention. He was turned on, no doubt about that, but also a little concerned.

Another message arrived and he was almost afraid to look at it. He took a peek while angling his phone close against his body. It was just a

text.

Since you weren't able to watch this time, I thought I'd get something for you to see.

An announcement for his flight confirmed the gate number. Before heading that way, Luke sent her one last urgent request:

I'm about to board the plane. Please don't send any more photos. My boarding pass is on my phone and I don't want them to scan an image of you giving head.

As he made his way to the boarding gate, he kept thinking about the photo. Why would Harriet let some guy take a photo of her sucking his cock? He could send that photo to all his mates.

Luke couldn't relax for the entire flight. At least it was short. Since all he had was a carry-on, he skipped the baggage collection and headed for the taxi ranks. As they lived just a few miles from the airport, he was paying the driver and walking past the For Sale sign in his garden just fifteen minutes later.

Harriet was sitting in the living room, wearing one of his shirts. He could see she was naked beneath it and, despite his anxiety of the last couple of hours, his cock swelled immediately.

Smiling, she got up and walked to him. "Hello." Her feet were bare, so she needed to go on tiptoes to kiss him. She smelled of shampoo and tasted of toothpaste.

"Hi." There were so many questions he needed to ask, but he didn't know where to—

"I've been fucked again." Harriet started to undo the shirt she was wearing.

His questions were put on hold as her fingers worked their way down the buttons, exposing her nakedness.

She let the shirt hang open, flashing glimpses of her perfect body, then leaned in and kissed his neck. "I let another man push his cock inside me," she whispered. "I knew it was wrong, but I let him do it anyway."

"In that case, I suppose I'm going to have to take you back."

“Hmm.” She smiled. “Besides, when he pushed his cock in, I knew it was what you wanted.”

Her warm breath and dirty words raised goosebumps on his arms and the hairs on the back of his neck. “So it was all for me?”

Harriet scrunched up her nose. “Well, not *just* you.” She unbuckled his belt and popped open the buttons of his jeans. “I’m pretty sure he wanted it too.” She slipped her hand inside Luke’s boxers and gripped his cock. Her fingers were warm and soft.

“And what about you?”

“Oh, I definitely wanted it.” She dropped to her knees and, holding eye contact, took him deep into her mouth.

Luke let out a long sigh. As he watched her head sliding forward and back on his cock, he pictured the photo she’d sent, trying to imagine what that guy must have thought when the beautiful woman he’d only just met asked him to take a picture of her sucking his cock. Had she told him it was for her husband?

Harriet pulled back and looked up, her hand still pumping. “Where do you want to come?”

“Where did your latest guy come?”

Her eyes widened. “Does it matter?”

“I’d like to know.”

“I’ll tell you all about it later but this isn’t about him. Where do *you* want to come?”

“Inside you.”

Harriet smiled and stood, still holding his cock. “Are you going to take me to bed?”

“Later.” He wrapped his arms around her waist, picked her up and carried her to the armchair. He dropped her onto the cushion and she squealed with laughter as she bounced. Her expression turned serious as she parted her legs and raised them onto the arms of the chair.

Luke dropped to his knees, dragged her forwards until she was at the edge of the cushion, then entered her. Harriet let out a long groan and dropped her head back. He fucked her with fast, hard thrusts and she writhed on the chair, clenching and releasing.

“I like when you take me back,” she said between thrusts.

Luke ran his hands beneath the shirt and teased her nipples. "I like when you fuck strangers."

"So do I." Her eyes fluttered. "I'm going to come soon. Will you come with me?"

He was already close. "Uh-huh."

She jerked her hips up and down as he fucked her. "Come now. Come *now*!"

He felt the clench of her orgasm and exploded inside her. Harriet raked her nails down his arms and kicked her feet. Without really thinking about what he was doing, Luke ran one hand down over her hip and around the perfect semi-sphere of her arse. He kept moving his hand lower. Feeling the slickness of her juices between her buttocks, he pushed a finger into her anus.

Harriet jerked and let out a yelp, which morphed into a long wail that was accompanied by another clench as she came a second time. Luke pumped his hips and his finger. Harriet shuddered and grunted throughout.

When his cock finally softened, Luke pulled away and settled back, his hands on his thighs.

Harriet brought her legs off the chair arms and rested her feet on the floor, her thighs still visibly trembling. "I needed that. I haven't had a man blow his load inside me for about eight hours."

He laughed, slapping her leg. "Have I taken you back now?"

"Yeah." She shook her head and blew out her cheeks. "God, that was intense."

"It's your own fault for teasing me with a photo just as I was about to get on the plane."

She stood up and held out her hand. "Come on, I'll tell you all about it in bed."

Luke followed her up the stairs, admiring the sight of her arse moving beneath the shirt with each step she took. In the bedroom she removed the shirt and slipped naked into bed. He quickly stripped and joined her.

"So," he said, pulling her close and enjoying the feeling of her soft naked body against his. "Tell me about your night out."

"Maisie and I went to the club with the dancefloor in the cellar, and that's where we met Noah."

The last time she'd been in that club, she'd jerked off a guy while he fingered her. "And was there kissing and dirty dancing?"

"Yes, but not with him. I'd been kissing a different guy while Maisie and Noah swapped spit."

"Oh?" He tried to make sense of what she was saying. "So how did you end up with Noah? Did you swap partners before the end of the night?"

"No. My guy started to get a bit annoying so I said goodnight and left him there."

"So what happened? And why did you let this Noah guy take a photo of you sucking his cock?"

"He didn't take it. Maisie did."

"What?" Luke's mind reeled. "Why the fuck would Maisie take a picture of that?"

"I asked her to."

Luke sat up, coldness spreading in the pit of his stomach. "Start at the beginning."

"I got into the taxi with Maisie and Noah. I intended coming straight home after dropping them off, but they convinced me to go in for a drink and get another taxi later."

"Right."

Harriet sat up and leaned back on her pillow next to him. "So we sat in her living room and had a couple of drinks, then the conversation began to get a little strained."

"Strained or strange?"

"Both. I assumed they wanted me out of the way so they could get down and dirty. I took out my phone to call a taxi, but Noah said I shouldn't rush off. I told him I had no intention of spending the night listening to Maisie getting railed in the other room, and he said, 'Who said anything about you being in the other room?'"

"Just like that?"

She nodded. "Maisie told him I was happily married, and he pointed out that I hadn't behaved like I was married in the club when I'd been snogging the other guy." She let out a sigh. "So I told them that you and I had a sort of arrangement—"

"You told Maisie I'd watched you with another guy?"

“No, course not. I just said that you allowed me to have a little fun if I wanted to.”

His throat stopped closing in. “What did Maisie say to that?”

“She didn’t say anything. She just sat there wide-eyed, and probably a little stunned.”

“What did Noah say?”

“He smiled like a cat that had got all the cream.”

“Yeah, I bet he did.”

Harriet raised her brows at him, clearly picking up on the resentment he couldn’t quite keep out of his tone. “What do you mean by that?”

“Nothing.”

“Don’t give me that—you were more than happy when I told you I’d fucked him, so why the sudden change of heart?”

“I’m just a bit shocked that you’ve aired our dirty laundry to Maisie, that’s all.”

“Dirty laundry? I just said we had an arrangement. I didn’t tell her that you get off watching me fuck. She probably thinks the arrangement involves you with other women as well.”

That hadn’t occurred to him. It made him feel less of a pervert.

“Yeah, I guess.”

“But that’s not the real problem, is it?”

“Huh?”

Harriet gave a humourless smile. “You’re not angry that Noah fucked me, you’re angry that he fucked Maisie as well.”

“That’s not—” He shook his head, then realised there might be some truth in her words. “I don’t think that’s the case.” He remembered the photo of Harriet and Maisie all dressed up for the Christmas party they’d attended last month. What man wouldn’t want to end up in bed with two women who looked like that?

She leaned closer and looked into his face. “You’re mad because some other guy got to nail us both.”

“I’m not mad, I just...” He tried to lighten the mood. “There must be a joke in there somewhere about Noah taking two of everything into his ark.”

Harriet smiled. “Please don’t be jealous.”

“I’m not jealous as such, and I’m not angry.” He took a deep breath and tried to collect his thoughts. “Sorry, I just worried about Maisie knowing. I thought this was something we were going to keep private from our friends.”

“That’s impossible if you send me out on the pull with Maisie.”

“Yeah, I guess.” He nodded, now eager to hear the details. “So, what happened next?”

“Like I said, we were all sitting in Maisie’s living room when Noah suggested we all spend the night together.”

“Did the idea of a threesome turn you on?”

She shook her head. “Not particularly. All my fantasies about a threesome involve me with two guys.”

“Oh?” His balls clenched.

She smiled, not seeming to realise how much her throwaway comment had affected him. “I was sitting next to him on the couch and he kissed me. Maisie came and sat on the other side and he kissed her too.”

“Did you kiss Maisie?”

She glared at him.

“So did you all go up to Maisie’s bed?”

“Not straight away. I think Maisie was still a bit freaked out by my admission, because she kept glancing at me to make sure I was okay with Noah running his hand up my leg and under my dress.”

“Were you wearing the same sort of clothes as you did for your other nights out?”

“What clothes?”

“You know, short dress, bare legs and high heels.”

She nodded. “That’s how all the women at the club dress.”

“So, he ran his hand up your dress...”

“He ran his hands up *both* our dresses, and we unfastened his trousers and got his dick out.” She smiled. “I could see Maisie was still unsure about me being involved, so I passed her my phone and told her to take a photo for me to send to you. Then I bent down and sucked his dick.”

“So the picture was taken on your phone?”

She nodded. “I wouldn’t trust anyone else to have a photo of me like that—not even Maisie.”

“Are there any others?”

“No.”

He pushed his leg against hers. “None of Maisie?”

“No, so stop perving after my friend.” She was smiling now, the flirty sparkle back in her eyes.

“So is that all that happened downstairs? Did you go upstairs as soon as Maisie had taken the photo?”

“No, we fooled around on the couch for quite a while.”

The familiar tingle started up again. “Can you be more specific?”

“There was a lot of groping and some oral.”

Luke waited. He needed more than that but didn’t want to come across as whiny.

She laughed at his expression. “I can’t remember everything, or the order in which it happened. There was a lot of kissing. The kissing got more heated, and hands came into play. We played with his dick and he fingered us both for a while.” She leaned closer. “He made Maisie come by fingering her.”

“But not you?”

“No. I didn’t come until he went down on me.”

“Was this in the bedroom?”

“No, still on the couch. He lay me back, peeled off my panties and ate me.”

“Is there a photo of that?”

She smiled and rolled her eyes. “No, there’s only one photo, remember?”

“Did he come before you headed upstairs?”

She gave him a knowing smile. “Yes, he did.”

“Where did he come?”

“Which time?”

Luke laughed, knowing she was now stringing him along. “Where did he come the first time?”

She took a deep breath, then shrugged. “The first time he came was while we were taking turns sucking his cock.”

Luke had a good idea whose mouth the guy had come in, but he raised his eyebrows to show he needed confirmation.

“Yes, in my mouth.”

“And did you swallow?” As far as he knew, no other man had come in her mouth since they’d met.

She nodded.

“So all the kissing and the fingering, that was done after he’d shot his load?”

“Yes.”

“What about when you went up to the bedroom?”

“By the time we got upstairs, he was ready to go again. We stripped naked and got into bed.”

“Was there any girl-on-girl action?”

She laughed and shook her head. “Never you mind.”

“I think it’s only normal that I’d want to know.”

“There’s nothing normal about what we’re doing. You want to know about me taking other men, so I’ll tell you that part.”

Luke’s cock was getting hard again. Harriet’s evasive answers suggested she and Maisie may have touched each other intimately, and that possibility turned him on more than he dared admit. But he didn’t want to push it. “So, tell me about what you did with Noah.”

She ran her hand down his leg. “Want me to tell you while you’re inside me?”

He nodded eagerly and shuffled down the bed until he was sprawled on his back. Harriet straddled him, held his cock up and lowered herself onto it. She let out a sigh, then began to slowly gyrate her hips.

“Well,” she said, “we laid him on his back and I climbed onto him exactly like this.”

“Did you insist he wear a condom?”

She shook her head. “That subject never came up, and I’d already taken one load in my stomach.”

“So you fucked him like this?”

She nodded. “And Maisie sat on his face. After a while, she and I swapped places.” She sighed and clenched around his cock. “I’m sorry, I can’t remember every little thing.”

“Did either you or Maisie come again while you were sitting on him?”

“I’m pretty sure we both did.”

“Did he?”

“No. We changed positions and he took turns fucking us from behind. He came like that inside Maisie.”

“What were you doing while he fucked Maisie?”

She smiled and ignored the question. “Are you going to come yet?”

Luke shook his head. “Did Noah stay the night?”

“Yes.”

“Did he fuck you both again?”

Harriet sped up her movements. “Yes.”

“Did he come again?”

“Twice.”

“Where?”

Her breathing was now ragged. She placed her hands on either side of his head, her face only inches above his as she bucked her hips. “You know where.”

“Both times?”

She shook her head. “The final time was this morning, and he sprayed it over our chests.”

The image of the two naked women lying side by side while a guy hosed their tits with cum was enough to provoke Luke’s orgasm. He grunted as he erupted inside her. Harriet ground her clit against him until the clench of her orgasm nearly emptied him out. He rolled her onto her side and banged into her with force until he was completely breathless.

Eventually, she opened her eyes and smiled. “Can I tell you a secret?”

A warm tingle fluttered through him. “Of course.”

“I love nothing more than you fucking me after I’ve been with someone else.”

He blinked, surprised. He’d thought she was going to admit to some Sapphic shenanigans with Maisie. “We’ve only done it twice.”

She chuckled. “It’s the energetic reaction I’m enjoying. You even fuck me hard after we’ve only *talked* about me being with other men.”

Luke considered it and had to agree. “I suppose it shows how much I approve of our new lifestyle.” He grinned. “Speaking of which, I’ve had another idea.”

“Oh?” She scooted around on the bed and his cock slipped out. She lay her head next to his and pulled the quilt over them. “What’s your idea?”

“We take another holiday.”

She laughed. “We’ve only just had one. And you were in France less than eight hours ago.”

“And in Switzerland just four hours ago. All the snow reminded me of Norway, and I got to thinking about that trip.”

“It was magical.”

“In particular, what happened in Oslo.”

Harriet narrowed her eyes dreamily. “That was magical, too.”

“So I thought we could have another holiday and you could do it again.”

She looked at him for a moment, then leaned in and blew in his ear. “We don’t need to go away to do that, you know. There are contact sites we can use, discretion assured.”

“Yeah, I know, and we will. But I thought we could do something a little special, maybe go somewhere hot.”

“Doesn’t the extra work for the other French thing mean we’ll be too busy?”

She had a point. “We could still go away, maybe just for a long weekend.”

“Well, I suppose Valentine’s Day is coming up in the next few weeks.”

Luke hadn’t thought of that. “Is it over a weekend?”

“No, but that doesn’t matter. We can have a Valentine weekend either before or after the fourteenth.”

“Great, I’ll start looking for places that are hot in February,” he said, already thinking about what she’d said earlier.

He’d had no idea that his wife fantasised about a threesome with two men.

Chapter Two

Luke started working on Mathieu's software modifications while Harriet concentrated on supporting all their other customers. They worked long days on Monday and Tuesday to try and keep abreast of everything that needed to be done.

On Wednesday morning, Harriet received a phone call. Luke saw her expression grow ever more excited as the conversation progressed, and he immediately assumed it was Maisie. Maybe they were having another night out, or perhaps Noah had suggested another night in.

She ended the call and grinned at him. "We've had an offer on our house."

"What?"

"That was the estate agent. The couple who viewed last week have offered two-twenty-five. The agent seemed to think we should hold out for two-thirty."

He thought about it. The house had been valued at two-thirty-five. Then again, it would be good to have the sale over and done with as quickly as possible. "What do you think?"

Harriet looked undecided. "I don't know. The agent pointed out we've only been on the market for a couple of weeks."

"He just wants a bigger commission. I think it's a pretty good offer, over ninety-five percent of asking price." He could see her chewing her lip. "It'd mean you can start looking at bigger houses now."

She smiled broadly. "I already have."

"Tell them we accept."

"Really?"

He nodded.

"He also said they were hoping for a quick completion because they've already got a buyer for their flat."

"That's fine."

“But what if we can’t find a house in time?” she asked, now looking a little worried.

“We’ll rent somewhere for a couple of months.”

Her smile returned and she picked up the phone. Luke went back to working while she spoke to the agent. After she’d ended her call, she walked over to the office door and locked it.

He wondered what was happening until he saw her expression. She unbuttoned her blouse as she walked towards his desk.

“What are you doing?” he asked, smiling.

“I’m going to fuck my boss.”

He could see her dark red bra beneath her open blouse. “I’m not your boss, I’m your business partner.” He pushed his office chair back from his desk and spun through ninety degrees as she reached him.

“In that case, I’m going to fuck my business partner.” She hitched her skirt up her thighs, climbed onto his knee and started to undo the buttons of his jeans.

“What about your husband?”

“Oh, don’t worry about him.” She leaned close and kissed him gently on the lips. “He likes me to fuck around.”

“I find that hard to believe.” He let out a groan as her cool fingers wrapped around his quickly swelling cock.

Harriet pulled her dark red thong to one side and swiped his sensitive tip through her slick folds. “I found it hard to believe until I saw how turned on he gets after my dates.”

Luke watched her rise up and impale herself on his cock. Both let out a sigh. She rode him slowly and it felt wonderful, but he’d been enjoying her roleplay.

“Why does he get turned on after your dates?”

“He loves it when I don’t keep my legs together. What he doesn’t realise is that I can’t.”

“You can’t?”

“Not when a stranger’s filling me with cock. It’d be rude.”

He closed his eyes for a second and concentrated on the feeling of being swathed in her hot, wet sheath. She could probably make him come just from talking like this, and the way she was bouncing on his cock meant

he wouldn't be able to last long. "I hear you've started sucking their cocks as well."

Harriet pulled her head back and looked into his eyes. "You heard right. I let the last one come in my mouth."

"Did your husband like that?"

"He seemed to."

"What about the stranger?"

"Oh, he loved it." Harriet bounced harder. "He twitched and moaned as he sent spurt after spurt into my mouth. Then he whimpered when I swallowed everything he had."

Luke closed his eyes and gave her everything *he* had.

Harriet bucked her hips faster until she came. She pulled his hair and ground against him, then slowed and let out a long sigh. "I like fucking in the office."

"When we set up our office in the new house, we should put a chaise longue in it."

She stood up and smoothed down her skirt, then buttoned up her blouse. "And a hot tub in the corner."

He laughed. "I think we may need a few more lucrative contracts before then, but I really like the idea of going to work in my jammie bottoms and not needing to shave."

"Ooh, I hadn't thought of that."

"It won't apply to you." He grinned. "You'll have to wear tight skirts and high heels every day, though we'll have casual dress on Friday when you can wear a see-through negligée."

"Dream on. It'll be leggings and slippers for me in the office. I'll save the heels and negligée for dates with my bulls."

A tingle of excitement ran through him at her mention of bulls.

Harriet didn't seem to notice. She unlocked the office door and they resumed their work.

* * * *

Though there were many tropical places Luke and Harriet wanted to visit, it made sense not to travel too far for a three-day break. The Canary Islands seemed to have an average air temperature of around seventy

degrees in February and was only a four-hour flight away. Mauritius and the Maldives would remain on their wish-list until they could take a longer break.

They found a website deal for a hotel in Fuerteventura and booked the weekend after Valentine's Day. They worked long hours in the office for the rest of the week, then spent the weekend going through the stuff in the loft, Luke making numerous trips to the town refuse dump.

On the morning of the fourteenth, Luke brought Harriet breakfast in bed. He slid in beside her and passed her the tray. Alongside a cup of coffee and an almond pastry, he'd placed a card and small, gift-wrapped box.

She read the card and leaned over to kiss him, then opened her gift. "Oh, thank you." She held up the short silver chain with the two ornate, shiny letters hanging from it. "You must have had this made," she said, putting it around her wrist.

"No."

"But it's got my initials on."

"I know. And it's not a bracelet, it's an anklet."

"Oh." She laughed and slipped it off over her hand. "I thought it was a bit big."

"And although they happen to be your initials, all the anklets they sell have the same two letters."

She gave him a puzzled look.

"The HW stands for hotwife," he explained.

Harriet's eyes and mouth opened wide.

"It's true, I swear. Ladies wear them to let men know they're available for sex."

"Seriously?"

"Yep. There's other designs. One says 'slutwife', and another has a shape like the ace of spades for women who only want black bulls."

"Wow." She shook her head. "Are you suggesting I wear this when I go out with Maisie?"

"I hadn't thought about that. I just thought you could wear it this weekend in Fuerteventura."

She bit her lip. "Do you think any men will know what it means?"

"I'm sure they would if you went to a swingers' club, but chances are the guys on holiday won't have a clue."

“I’ll wear it anyway, just for you.”

“Thanks. You can wear it tonight as well.”

She frowned. “What’s happening tonight?”

“I’ve booked us a table at that restaurant in Prestbury you like.”

“Really?”

“It’s Valentine’s Day, and I’m a hopeless romantic.”

She shook her head. “No you’re not, but I love you anyway.”

Luke smiled at her, then raised his eyebrows hopefully. “Is there a card for me?”

Laughing, she reached into the top drawer in her bedside cabinet. “I got a card, but not a present.” She handed it over, then leaned close. “I thought I’d give you sloppy seconds on Saturday night.”

Luke’s jaw dropped.

She grimaced apologetically as she saw his expression. “Was that a little too crude?”

“No, not at all. I just…” He gave a little laugh. “Sloppy seconds will be the best present ever.”

She stared into his eyes. “Do we have time for a quickie?”

“Can you eat your pastry on the way to the office?”

She put the tray down on the floor by the side of the bed and bent her legs up to slip off her panties. Then she pulled him on top of her. He released his cock from his boxers and entered her. She moaned and wrapped her arms around his waist.

“Don’t be gentle,” she whispered. “Just use me anyway you want.”

Luke lifted himself up on straight arms and pumped his hips. “Like that?”

She nodded, wriggling her hips from side to side. “Yeah, just like that.”

“Will you come?”

“Probably not, but I don’t care. I just want to be fucked hard.”

Luke stared into her beautiful face and jackhammered his hips.

After a couple of minutes she reached up and scratched his arms. “Okay, maybe I lied.” She started to move with him, pushing up to meet his thrusts. Her eyes closed and her mouth fell open. He fucked harder, driving his cock through her clenches and spasms. She cried out and wrapped her legs around his. He felt the tell-tale tingle deep in his loins.

“Can I come where Noah did?”

She blinked, then nodded. “You can come wherever you want.”

He gave a few more thrusts then withdrew and knelt up. Harriet opened her mouth and sat up, but he pushed her back down—that wasn’t his plan. He leaned over and sprayed his cum all over her breasts. She groaned and writhed beneath him. Once he’d stopped spurting, she pulled him down on top of her and rubbed their bodies together, smearing the warm mess between them.

He kissed her lips. “Happy Valentine’s Day, Mrs Whittaker.”

“Same to you, Mr Whittaker.”

He knelt up and surveyed their chests. “I think we need a shower.”

“I think I just had one.”

He laughed. “Yeah. But for the next one we’ll use soap and water.”

Luke was dressed for dinner and waiting in the lounge. When Harriet walked in, she stopped in front of him and smiled. She wore a fitted black dress with black patent leather heels, and she looked fabulous. Turning to the side, she looked down at her right leg. The HW anklet sparkled in the lamplight.

“You look gorgeous,” he said.

“Is wearing this like a binding contract? If a guy makes a pass at me while I have it on, do I have to just spread my legs no matter what?”

“Yep, that’s the deal. When you wear it, you’re giving anyone in the world permission to bend you over and fuck your brains out, no matter where you are or what they look like.”

Harriet smiled. “Cool. Come on, let’s go.”

He laughed and led her out to the car. The restaurant was in a small, picturesque village about ten miles from their house. It was a cold, wet evening, but the car park was just a short walk from the restaurant. Once they’d been seated and ordered their meal, they chatted about the software upgrade, other projects they were working on, and the state of the loft, which still wasn’t quite empty. Then Harriet told him about a house she’d seen in Glossop, a small market town in the Peak District.

“It’s about seventeen miles away from our house, and it’s on the main train line so we could easily get into Manchester,” she said.

“What’s the house like?”

She smiled. “Perfect.”

“Can you be more descriptive?”

She took out her phone and opened a page in her browser. Luke flicked through the photographs. It was a detached, double-fronted sandstone house with a large garden on a leafy side road. The back garden sloped away, leading to open views over hills and woodland. Inside, the downstairs had been converted to a large, open-plan space with oak block floors and leather couches. There was an open fire, and the back wall was mostly glass, looking out over the garden and beyond. Upstairs, there were four bedrooms and two bathrooms. Best of all was a good-sized barn to one side of the house, which the previous residents had already converted into a bright, modern office. The place was on the market at £545,000.

He passed the phone back. “You’re right, it’s perfect.”

“It’s more than you said we should spend.”

“It’s still within what we can afford, though, particularly if we don’t have to cough up for office rental anymore.”

A beautiful smile lit up her face. “This year just keeps getting better.”

“Don’t set your heart on it. Someone else might beat us to it, or our buyers may drop out.”

“Okay.” She bit her lip and frowned.

“You’ve already set your heart on it?”

She nodded.

“Then definitely make an appointment to view—before we go away, if you can. If it’s as good as it looks in the photos, we’ll offer their asking price.”

“Thank you.”

He reached over, squeezed her hand, then switched to one of his favourite subjects. “So, have you seen any of the men in here checking out your anklet?”

“It’s hard to tell. Men are always checking out women’s legs and feet.”

He nodded. “We’re all perverts.”

“Yes, you are. Fortunately, I’m a slut so I enjoy the attention.” She picked up her wine and took a sip. “I might try and get my legs waxed and a spray tan before Friday.” Eyes sparkling, she leaned close and whispered, “Do you want me to get my lady-parts waxed?”

Luke shrugged. “I like your little triangle, so only do it if it’s what you want.”

“I’ll see how brave I’m feeling.”

They both refused dessert but had coffee. Luke drove them home and they went straight to bed. Their lovemaking was gentle and sensual, and nothing at all like their morning session had been.

Chapter Three

Boarding a plane on a dark, cold morning then disembarking four hours later into a hot, sunny afternoon put a smile on Luke's face. It took half an hour to get through the airport and onto a coach to the resort, and another forty minutes to get to their hotel. Much of the landscape was barren, but the resort was green and lush, with brightly coloured flowers and bushes along with the palm trees and huge cactus plants. The hotel had three pools, and their room's balcony overlooked the Atlantic.

They checked in, put on t-shirts and shorts and went for a walk. At a small bar overlooking the harbour, they sat at a table in the sun, sipping cold beer and eating a club sandwich.

Luke glanced down and compared his wife's legs to his own. "You made the right choice getting a spray tan. I look anaemic."

"I didn't want to be all pink and sunburned for my date tomorrow night."

The familiar buzz developed in his stomach. "Speaking of which, you forgot to put on your anklet."

"I wasn't sure it'd go with my flip-flops."

"It's you that's important, not the shoes."

"Well tomorrow I'll wear it with much sexier shoes."

He decided to tell her about his idea. "I've been thinking..."

"Now there's a surprise." She took a slug from her beer and moved her seat closer. "I suspect there's been little else on your mind since we booked the trip."

It'd be pointless to deny it. "True, but I've been thinking about something in particular."

"Oh?"

"Yeah. Since you had to share your last bull with Maisie, I thought you might like... this time... to let two men share you."

Her eyes widened. "You don't mean that."

“Why not? You said you often fantasised about a threesome with two men.”

“Yeah, but...” She put down her bottle and frowned. “Would you be okay with that?”

“If it’s what you want, I’ll—”

“I love the idea of being spit-roasted while you watch from a chair.”

He blinked. “You—?”

“I’d like you to watch them spread me out on the bed and kiss me all over.”

This wasn’t going the way he’d planned.

“They could take turns fucking me on my back before getting me on all fours and fucking me from both ends.”

Luke was speechless, though the idea of what she was describing turned him on.

“This would take it to another level,” she whispered. “This would take our adventures into the realm of fantasies.”

“Wasn’t what you did in Oslo a fantasy?”

“Yeah, but that was just one guy. What made it so hot was the fact you were watching while I did it.”

“But with two guys?”

“Two guys at the same time is really hot in itself. The fact you’ll be watching takes it up to volcanic.”

Luke now knew that his fantasy of being involved in her threesome wouldn’t happen. Not in Fuerteventura, at least. Harriet’s expression suggested she was already thinking about what the men might do to her. They wandered back to their hotel, put on swimming costumes and went to the least crowded pool. After sunning themselves on loungers for a while, they took a dip. When Harriet swam close and pressed her body against his, the wet, slippery softness of her legs had the same effect as always when they went swimming. Luke got an erection. He pulled her close and pressed it against her.

She smiled. “After getting to the airport so early, we should probably have an early night.”

He nodded enthusiastically.

“I’m going to need a good night’s sleep, because I think tomorrow night will be exhausting.”

He stuck his bottom lip out.

Harriet laughed. “Just look forward to those sloppy seconds. Or whatever it is you call it when you get to go in third.”

A shiver ran through him. “You might be too sore for me to go in at all after a night with two guys.”

She wrapped her arms around his neck and her legs around his waist. It was easy to support her in the water. “I’ll never be too sore for you to reclaim me.”

“You’re not helping my hard-on.”

“I don’t mind if you have a wank.” She slipped from around him and batted her eyelashes. “I might even watch you.”

“Will you give me a hand?”

She laughed and swam away, dipping her face into the water and doing perfect front-crawl.

They dried off in the sun and headed up to their room around five. After showering, they went down to dinner and had a couple of drinks at the terrace bar before returning to their room a little after nine. Nicole stripped to her panties and lay on the bed. “Do you want me to help you get some relief?”

He shook his head. “I’ll be happy to wait my turn.”

“Okay.”

He did have one concern, though. “Where are we going to find your bulls?”

“I thought I could just dress like a slut and the anklet would do the rest for me.”

“Yeah, you’re probably right.” He looked around the room. “Will we bring them back here?”

She nodded. “I’m not going to a strange room with two men, even with you there.”

“Might look dodgy to the other guests.”

“I don’t care, we’ll be leaving the following day.” She kissed his cheek. “Thanks for suggesting I have my fantasy.”

“Like I said, I’m a hopeless romantic.”

“I’m not sure getting two studs to fuck your wife is a romantic gesture, but I’m certainly not complaining.”

* * * *

The following morning was bright and sunny, and after breakfast they took their coffee out to a table on the terrace.

Harriet was reading her phone. “Maisie says there was a smattering of snow last night back home.”

Luke laughed. “Want me to take a picture of you sipping your coffee in the sunshine?”

She grinned and passed him the phone. As he aimed it at her, she crossed her legs, flashing a lot of thigh, and picked up her coffee cup. Holding out her pinkie, she smiled brightly. Luke took the photo, and immediately flashed back to the photo Maisie had taken of Harriet sucking Noah’s cock.

As he handed her phone back, he tried to keep his voice casual. “Did you ever send Maisie the photo she took of you with Noah?”

“No, of course not.” She stared at him like he was mad. “What’s more, as soon as I’d sent it to you, I deleted it. I think you should delete it from your phone as well.”

“Do I have to?”

“Yes! I don’t want to run the risk of anyone else seeing it.”

“Okay.” He hesitated with his next question but asked it anyway.

“Does Maisie know what we’re hoping to do tonight?”

“No. I told her that since we have a busy few weeks coming up with the new contract and possibly moving house, we were taking this break to recharge our batteries.”

He smiled, pleased. “What do you want to do today?”

“Take things easy because I’ll be in for a busy night.”

Chuckling, he nodded. “I’m going in for another coffee. Do you want anything?”

“Orange juice, please.”

As he made his way back to the terrace with the drinks, he could see that a man had stopped at their table and was talking to Harriet. When Luke got outside, he saw the hotel logo on the guy’s polo shirt.

Harriet smiled as Luke approached. “Hey, honey. I was just asking —” she peered at the young man’s name tag “—Carlos about the night life, and he tells me there’s lots to do on a Saturday night.”

The guy nodded eagerly. "Go anywhere, lots of music and dancing. Happy Hour starts at six."

"Ooh, six sounds like a very happy way to spend an hour."

The guy smiled and nodded before walking away.

Luke doubted he'd understood Harriet's joke. He placed their drinks on the table and sat down. "I've a good mind to tell Carlos to bring five of his friends up to the room so they can show you that six in an hour might not make you that happy after all."

She picked up her orange and swung her hanging leg. "Want to bet?"

He ignored her. "I think a walk along the beach would be a nice way to spend an hour this morning."

"That's fine with me. Can we get some lunch in a bar, like yesterday? I enjoyed that."

Once they'd finished their drinks they made their way out of the hotel grounds and onto the path that ran along the shoreline. They headed south, away from the busier part of the beach, then walked through the dunes and down to the water's edge. They kicked off their flipflops and paddled in the sea, holding hands and chatting about the house in Glossop. They'd gone to view it on Thursday and had loved it. What's more, the lady selling the house seemed to have taken a shine to Harriet. When Luke said they'd pay the asking price, the lady had promised to tell the agent not to send any more potential buyers.

"I can't believe we're going to live there."

"Believe it."

"It's been a great week so far."

He nodded at the surrounding blue sky and aquamarine sea. "Well you'd better make the most of this because if interest rates keep going up, we may not be able to afford another holiday for a while."

"Oh, I intend making the most of tonight."

"That's not what I meant."

She leaned close and nuzzled his neck. "Yes it is. You only brought me here to watch me get fucked by two men."

His cock stirred inside his shorts.

After sitting on the beach for a while to allow the sun to dry their feet, they wandered into town. Harriet bought a couple of small toys from

one of the many giftshops to take back for Maisie's kids. Then they chose a bar with outside tables where they ordered cold beers and open sandwiches.

Luke noticed Harriet watching the men walking past and kicked her foot under the table. "Are you window shopping?"

She laughed then held his gaze for a second. "I can't believe you'd suggest me having two guys."

This was his chance to admit that his original plan had been to get another man to help him pleasure her, but he chose not to. Being involved would limit what he could see. By watching, he would get to witness everything the men did to her *and* see her expressions. And after the men had left, he'd get his own release. He smiled at her. "I like the idea of you fulfilling your fantasy."

"There are a lot of good-looking men here," Harriet remarked.

He looked at the blokes walking past the bar. Many of them were tanned and muscular, and a surprisingly large number of them had tattooed calves.

"Should we think about safe sex?" she asked.

She hadn't seemed to bother with the sax player or Noah. "I suppose it'd be wise."

She nodded. "We'd better buy some condoms, then."

Once they had finished lunch they headed back to the hotel, calling at the pharmacy on the way. Harriet picked up a pack of twelve.

Luke laughed. "Is that for Carlos and his friends?"

"Yeah, maybe I could have a couple of happy hours."

Back at the hotel, they donned swimming costumes and went back to the quietest pool. The only other people there were two other British couples. The men were fit, toned lads in their twenties, and their blonde wives looked so similar that Luke thought they must be sisters.

A passing waiter asked them all if they wanted anything from the bar. Harriet asked for a coke, and Luke ordered a beer. When the waiter returned a few minutes later, he was carrying a tray. The sisters had evidently ordered cocktails, and they laughed at Harriet's expression.

"You should get one of these next time," the one with the longer hair said.

The six of them made small talk. Luke had been right; the women were sisters. The foursome lived in Kent and had been at the resort for a

week. After a few minutes, the two sisters removed their bikini tops to sunbathe. Harriet gave a questioning glance at Luke, and he nodded. She smiled and removed her own top, then lay back on her lounge. Everyone sunbathed in silence, though Luke took the occasional dip in the pool to cool off.

The waiter returned and took their next orders. Luke stuck with beer, but Harriet chose a cocktail. There was more sunbathing, and then the sisters got up and packed their books into their bags.

One of them looked over at Harriet. "We're off into town for a drink while these two play pickleball. You're welcome to join us if you like."

Harriet smiled and shook her head. "Thanks, but I'm going to hang around here for a while. Maybe we'll bump into you later."

The women nodded and left. Harriet lay back on her lounge and closed her eyes. Luke did likewise, and he must have fallen asleep because he was roused by squealing and laughter. When he opened his eyes, Harriet and the two guys were splashing each other in the pool. What's more, she was still topless.

When Luke sat up on his lounge, she looked his way and waved. "Are you coming in for a swim?" she called.

"No, I'm good."

She smiled back at the men, then swam between them and whispered something. A chilling realisation slowly swept over Luke. Surely she didn't intend...

Jeez! She's already propositioned them.

While the sisters Harriet had befriended were in a bar enjoying half-price drinks, Harriet would be having a happy hour of her own with their husbands. He saw her say something to the men and then swim back towards his lounge.

She rested her arms on the edge of the pool and smiled at him. "Guess what?"

"I think I've already worked it out."

Her smile widened. "Turns out they think my suggestion will be more fun than pickleball."

"I think they're probably right."

The two men seemed to be holding their breaths at the other end of the pool in case the grumpy husband decided not to share his wife after all.

“Are you okay with it?” she asked.

“Are you?” He inclined his head at the empty loungers the sisters had used. “It seems a bit callous after they invited you out.”

“We’ll never see any of them again, and it seemed like too good an opportunity to miss.”

The idea of picking up two men in a bar had been worrying him a little, and this seemed like the perfect solution. He nodded, and she flashed her eyes at him then swam back to tell the two men.

As the four of them made their way towards the hotel, Harriet did the introductions to Aaron and Dominic. “This is Luke,” she said, hugging his arm. Their smiles were friendly enough, though Luke wondered what they really thought of someone who would offer his wife in such a way.

They took the lift to the second floor and walked in silence to their room. Luke wondered if Harriet felt as nervous as he did.

Chapter Four

The maid had cleaned the room. Harriet kicked off her flip-flops and stood at the side of the neatly made bed. Since there wasn't a chair for him to use, Luke opened the patio door and got one from the balcony. Suspecting Harriet's voice might carry, he closed the door again and pulled the net curtain in case anyone on the neighbouring balconies happened to look over the wall. He placed the chair a few feet from the side of the bed, then sat down.

Harriet pulled off her shirt and peeled down her bikini bottoms. The two men stared at her body with hunger in their eyes, but neither could have been as surprised as Luke was to see her completely hairless below the waist. Aaron and Dominic removed their t-shirts and stepped close, and Harriet ran her hands over their chests.

Luke watched his wife go up on tiptoes and kiss the men in turn while they stroked and caressed her body. Despite her spray tan, their bodies were several shades darker than hers. Her breathing became a little ragged from the kissing and groping, and she sat on the bed and tugged at their shorts impatiently. Both men stripped to reveal white untanned flesh and fully erect cocks. Harriet reached out and gripped them, then leaned to take Aaron's cock into her mouth as she pumped Dominic's. She switched her attention between the two men for several minutes before Aaron suggested she lie on the bed.

Harriet did so, glancing at Luke. He caught his breath as she settled on her back and parted her legs.

Both men joined her on the bed, Dominic kneeling by her hip and Aaron between her feet. They stroked and kissed her body, each taking a nipple into his mouth. Harriet sighed and purred at the attention. Aaron released her nipple to trail kisses down her belly and over her smooth pubis. He ran his tongue through her folds several times before pressing it against her clit and pushing two fingers deep into her cunt.

Harriet groaned and arched up, pumping her hips on his fingers. "I need your cock in there," she rasped.

Aaron looked more than happy to oblige. He positioned the tip between her folds and pushed in. Harriet dropped her head as far back as she could then motioned for Dominic to move further up the bed. He quickly crawled onto the pillows and placed his knees by her shoulders, facing his friend. Harriet opened her mouth and he fed her his cock.

Luke watched as his wife was speared from both ends, glad that his shirt was long enough to hide the bulge of his own erection tenting his trunks.

Dominic nodded to where Aaron's cock was sliding in and out of Harriet's sex. "I want some of that."

They quickly changed places. Dominic entered Harriet as she eagerly licked her own juices from Aaron's dick. While she took him deep into her mouth, Luke wondered about her previous threesome. Had she licked Maisie's juices from Noah's cock?

"Oh fuck." Harriet had released Aaron and was pushing her hips up to meet Dominic's thrusts.

Luke could tell she was close.

"Oh yeah, that's..." Her eyes squeezed shut and her entire body jerked as she came. Crying out, she gripped Dominic's arms and ground herself against him, riding out every spasm before dropping back on the bed, breathless. The two men stared down at her, waiting until she was ready to resume. Luke was impressed by their patience; both must have been aching to come.

Harriet opened her eyes, smiling, then sat up and quickly manoeuvred herself until she was on all fours between them, facing

Dominic. She reached for his cock, still glistening with her juices, and took almost its full length into her mouth. Aaron entered her from behind.

For the next few minutes, Luke fulfilled Harriet's wish by watching every second of her getting spit-roasted.

Dominic let out a low groan and dropped his head back. Harriet bobbed her head faster. Aaron banged harder from behind, pushing Harriet onto Dominic's cock. Luke was amazed to see she was now taking his full length into her throat.

With a grunt, Dominic jabbed his hips forward and Harriet groaned. She was still gulping when Aaron held still and exhaled. Both men were coming at the same time, and a weird sense of exhilaration swept through Luke. He glanced over at her bag on the dressing table, where the condoms remained unopened in their box. As Aaron resumed his thrusts, Harriet reached down to play with her clit, bringing herself off again before Aaron had stopped pumping his hips.

She collapsed on the mattress between their knees, gasping for air. After a few long moments, when all Luke could hear was her breathing, she propped herself up and turned around until her head was on the pillow. The guys lay on either side. She linked her hands through their arms.

The room was now completely quiet except for the steady hum of the air conditioning. The three on the bed looked fully relaxed, bodies languid and expressions content. Luke still trembled with desire and anticipation, but forced himself to remain passive in the chair. His cock was like steel and his balls ached for release, but the twinkle in Harriet's eyes suggested she hadn't finished her fantasy yet.

She flashed Luke a smile, then rolled onto her tummy and went up onto her knees. Looking down at the two men, she ran a hand over each of their flat, toned stomachs. "Are you two ready for more yet?"

They both gave confident smiles, and Harriet lowered her head and took Aaron's flaccid cock completely into her mouth. She closed her eyes and bobbed her head, no doubt using her tongue to encourage the blood to flow back to where he needed it. When she released it, the cock was thickening.

She took Dominic's already swollen cock into her mouth and sucked him animatedly, using her hand to cup his balls as she bounced her head and

moaned. By the time she went back to work on Aaron, Dominic was fully erect.

She left Aaron fully hard to straddle Dominic, who was lying closest to Luke's chair. Harriet lowered herself onto his cock and rode him slowly, her hips rolling in an almost circular motion as she raised and lowered with each thrust. After a minute or so, she moved over to Aaron and fucked him in exactly the same way. Luke could hear the squelching of his cock sliding in and out of her sodden hole. She returned to Dominic for another minute, then it was Aaron's turn again.

Her movements became less fluent, and Luke realised she was nearing another climax. Harriet closed her eyes, grinding herself against him until she came. She smiled down at Aaron, then lowered herself back onto Dominic before lying down on his chest.

With a brief, sly smile at Luke, she turned her head away from him, reaching for Aaron's arm and whispering something to him. Aaron immediately sat up and positioned himself behind the other two. Luke held his breath, suddenly aware of what his wife had asked for. Aaron placed a knee between her open legs and braced his other foot on the floor.

Harriet reached out for Aaron's cock and guided it to the rosebud of her backside. "Take it slow."

Her entire groin was slick with juices, as was Aaron's cock. He pushed forward and Luke watched, mesmerised, as she opened up around his tip.

She groaned, and Aaron pulled back a little before leaning in and sinking another inch inside her. Harriet was breathing through her mouth, short pants of air being sucked in and blown out. Aaron pulled back and pushed in yet again, and this time he didn't stop until his balls came to rest on those of his friend beneath her.

Luke's wife now had two cocks buried inside her, separated only by a thin membrane. After a brief pause, the three of them began to move in a slow, sensual motion. Harriet moaned and whimpered in delight. Luke watched the spectacle from a mere four feet away. The sight of the two cocks sliding in and out of his wife's holes made him tremble all over.

He kept stealing glances at her face, the closed eyes and pouting lips showing her pleasure. Through the raging sound of his pulse in his ears, Luke heard the participants' murmurs grow more urgent. Harriet's moans

had become yelps, and both men were grunting with each exhale. Dominic arched up and Luke saw his balls rise. Aaron must have felt the neighbouring cock twitch because he doubled the speed of his thrusts until his balls also lifted inside their sac.

For the second time in less than half an hour, two men were simultaneously unloading into his wife. Harriet let out a screech, her arms and legs twitching as she bucked between the men. He wondered if this finale had always been part of her two-men-at-once fantasy.

Luke realised he was glad that she'd suggested two bulls. Being able to watch had thrilled him more than he'd ever imagined. Though he doubted Aaron or Dominic would believe it, Luke had enjoyed what had just happened as much as they'd enjoyed Harriet.

The three on the bed slowly separated. Aaron pulled out and stood up, and Harriet lifted off Dominic. It was obvious the session was over. The two men began to dress. Luke stood up and hoped his shirt continued to hide the bulge in his trunks. Harriet stayed on the bed and smiled at the two men as they said goodbye. They gave Luke a brief smile before leaving.

He approached the bed and Harriet stared up into his face for a second before slowly opening her legs. Her entire groin was slick with cum, thick globs of pearly white still seeping from her.

"Do you want me to shower first?" she asked.

"What do you think?" He shrugged off his shirt and rolled down his trunks. His cock sprang out, the tip coated with precum.

"Do you want to fuck my mouth first, like they did?"

"No."

As he climbed onto the bed, she reached up to cup his face with her hands. "Thank you for my threesome. You're about to get your Valentine's Day gift."

"Yeah. I guess I wouldn't have got this if they'd used the condoms."

"The condoms were for strangers off the street. We know those two are in steady relationships, so I thought it'd be safe to let them go in bareback."

"So you did think about it?"

"Of course I did. I also made sure I got both of them to come in there so that yours would be the third shot."

He grinned. "You arranged it that way for just for me?"

“For both of us.”

He positioned his cock at her entrance and paused. “I may not last long.”

“I know. Just enjoy it. Don’t worry about me.”

He pushed into her molten heat. He closed his eyes and visualised orange lava dripping down the hillside. In reality the other men’s spunk was running down the shaft of his cock and cooling on his balls.

“Do I feel good?”

He opened his eyes and let out a sigh. “You feel great.”

She clenched and released, rocking her hips and edging him ever closer. “So what are you waiting for?”

Luke pumped his hips and watched her face as he exploded inside her. She wrapped her arms around his back and held him close as he shuddered and twitched, all the tension finally leaving his body.

They lay together like that for a long time. The sun moved closer to the sea and the sky took on a purple tinge.

“I’ll go for a shower,” she whispered.

He nodded and watched her walk to the bathroom, then lay on his back and re-lived everything he’d seen over the last hour.

Once Harriet was finished in the bathroom, Luke went for his shower. The water felt great and he stayed under the powerful jets for quite a while. Then he towelled himself dry and went back into the bedroom, where he stopped in his tracks.

Harriet wore a short summer dress and high-heeled sandals. She’d dried her hair, applied eyeliner, mascara and lip gloss. She’d also put on the HW anklet.

She smiled at him. “It’s Saturday night and we’re going back to cold, drizzly Stockport tomorrow.”

“Give me ten minutes.” He threw on canvas jeans, a short-sleeved shirt and a pair of Vans before shoving his phone and some folded Euros into his pockets.

Harriet smiled at him, then frowned. “I don’t want to take a bag, can you fit the keycard in your pocket?”

“Yeah, no problem.” He held out his hand and found himself holding both the keycard and a couple of condoms. He stared at them, too stunned to say anything.

“I thought it made sense to take them with us. Just in case.”

He followed her into the corridor, shaking his head.

“Do you want to eat now?” he asked as they passed the entrance to the hotel restaurant.

“I’m not that hungry. Are you?”

“No. Maybe we can get something later.”

Harriet gave a grin. “Ooh, I hope so.”

* * * *

The evening was warm as they made their way towards the centre of town. The first bar they called at was playing loud rock music. Luke stuck with beer and Harriet asked for a Tequila Sunrise. Most of the people there seemed to be drunk Brits, so they just had one drink and left. The next place was better; the music was at a bearable volume and most of the customers could still walk in a straight line. They sat on stools at a tall table near the open doors as they drank.

A woman approached Harriet and it took Luke a few seconds to recognise her as one of the blondes from the pool. He glanced around to see Dominic and Aaron reluctantly making their way over with the other sister. The guys gave him polite nods, but when they looked at Harriet their eyes widened. Harriet had looked good earlier, but she’d worn no makeup and her hair had been tangled after the swim. With gleaming hair and perfect makeup, she looked stunning. Luke smiled to himself. The blonde sisters were pretty enough, but in truth they simply didn’t compare to his beautiful wife.

After the foursome had left, Luke asked if the women seemed suspicious in any way.

“No, but I wouldn’t expect them to be. The lads are hardly likely to admit they tag-teamed the woman from the pool.”

“Tag-teamed?”

“Isn’t that what they call it when two men service a woman?”

“I don’t know. Is it?”

She smiled and sipped her cocktail through the straw.

“Did it live up to the fantasy?”

“In the bedroom, definitely. But I feel like I missed out on the early stages.”

“What do you mean by that?”

“In Oslo, I was all dressed up and spent quite a while exchanging smiles before anything happened. It was the same with Maisie and Noah, even though most of my flirting had been with a different man.” She gave a little shrug. “In the pool I was already half naked, so it felt like there was no mystery.”

“I’m pretty sure the fact you were half naked worked in your favour.”

“Hmm, maybe. I just—”

“Excuse me.”

Luke turned round to see a guy smiling at Harriet. “I was just admiring the ankle chain you’re wearing.”

She smiled and stretched her leg out to show off the anklet. “Oh, thank you. That’s very sweet of you to say.”

He glanced at Luke, then back at Harriet. “Is it yours?”

She laughed. “Yes, it’s mine.” She nodded at Luke. “My husband bought it for me.”

The man’s eyebrows went up, and he slowly nodded.

Harriet leaned closer to him. “Are you familiar with this type of anklet?”

A confident smile creased his handsome face. “Oh, I’m very familiar with the women who wear them.”

There was a sparkle in Harriet’s eyes. “Would you like to join us for a drink?”

“I’m afraid I don’t have time. I’m meeting some friends.”

“Couldn’t you be a little late?”

His eyes raked over her body. “How late would I be?”

“I don’t know. How long do you need?”

He laughed and turned to Luke. “Is she always this forward?”

“Pretty much.”

He looked into Harriet’s eyes. “I’d like a lot longer than I have. What about tomorrow night?”

“We’ll be back home by then, so I’m afraid it’s now or never.”

The guy chewed his lip, then tilted his head toward the open doors. "Let's take a walk."

Harriet got up from her stool and left her drink. Luke followed, still not believing a guy had picked up his wife while he was there. They walked along the crowded pavement then took a left onto a smaller path. After just a dozen yards, the guy led them into a second side alley which led to the back of some shops, all of which were closed up for the night.

The guy glanced at Harriet. "It's hardly The Ritz."

"It's fine." Turning to Luke, she held out her hand.

After a moment of confusion he reached into his pocket and handed over a condom. She passed it to the guy, slipped off her panties and leaned back against the alley wall.

He unzipped and took out his cock. Luke saw it was already hard, and considerably bigger than any of the three she'd taken earlier that evening. Harriet's eyes were on the guy's face as she raised the hem of her dress and placed her feet a step apart.

He moved close, bent his knees then straightened up. Harriet let out a loud yelp, her eyes and mouth open wide as she stared over his shoulder into Luke's face. The guy pushed in again, and she let out another squeal. He whispered something and she nodded, sliding her hands around his waist. He pumped his hips and got into a rhythm.

Harriet moaned with each thrust, her hands clinging to the back of his shirt and her eyes fixed on Luke's. The guy fucked her like this until she came, then withdrew and turned her around. She took a step back from the wall, braced her hands against it, and then bent at the waist. After flipping the hem of her dress up to her waist, he re-entered her. Harriet hung her head between her arms.

Luke watched from six feet away. The entire situation felt surreal. The guy seemed to go on for ages, slamming into her so hard he forced her up onto her toes, the stiletto heels clicking back onto the concrete with each outstroke. Harriet came a second time, and still the guy kept railing her.

Eventually he slammed hard and then held still. Harriet whimpered and wiggled her hips, and he resumed his thrusts for a few more seconds before pulling out.

Harriet slowly straightened up and glanced at Luke, looking dazed.

The guy removed the condom and dropped it into one of the bins, then came back and smiled. "Do either of you have a phone with you?"

Luke took his out and held it up.

"Open up your browser and let me show you something." The guy nodded his thanks as Luke handed over his unlocked phone. He tapped rapidly on the screen and showed them a home page. "I don't know if you use this site, but if you want to meet up for a more comfortable playdate back home, I'm registered as Glen Ten."

Harriet smiled at him. "I'd really like that."

"Me too." He sighed. "I really need to go, but thanks."

"My pleasure." She ran her hand down his chest. "I hope we meet again."

He smiled, handed Luke his phone back and walked out of the alley.

Harriet still clutched her balled-up panties in one hand. After stepping into them, she leaned back against the wall and blew out her cheeks. "I've never been fucked like that before."

"Ever?" He wasn't hurt by her claim, just a little surprised a knee-trembler had given her that much pleasure.

"His dick's the biggest thing I've ever had inside me, but it was also how he used it." She smiled. "He was my first bull."

"What were the others, then?"

"They were just guys I fucked. But he was the real deal. He's just shown me that not all men can be bulls."

Luke watched her in silence.

She smiled at him. "Whatever you do, don't clear your search history."

He opened his phone and forwarded the link to her number. "Now you have it on your phone, too."

"Thanks." She took a breath. "You might need to help me walk back to the hotel."

Ultimate Hotwife Valentine

Which hotwife is the next to enjoy a Valentine's Day treat?

Next in the series is A Hotwife Soccer Mom by Hank Dolworth.

It wasn't my fantasy to be with another man. At least, it wasn't until my husband, Brad, told me that was his fantasy. He wanted to watch another man and me have adult flavored fun. He wanted to watch another man make me fall apart. He knew I'd always be his, but he wanted to share me with some of his friends.

My mind went immediately to Coach Sprague, the massive, ex-military muscle man who made my core clench and my mouth water. Luckily for me, Coach Sprague is newly divorced. This is the perfect time to make myself available for his filthy fantasies.

Do you want to know how I did this and what happened next?

About the Author

Delores Swallows has many dirty thoughts, and during his free time he writes them down in the form of stories. Born and bred in the northwest of England, he has a commoner's accent and a bit of a crush on his future queen (Kate, not Camilla!).

His stories often feature petite brunettes, high-heeled shoes and voyeurism. He claims he didn't realise these were obsessions until someone pointed out how often they appear in his work.

Hired Help

Steven had been waiting all evening for Alicia to get home, the last hour spent sitting on the edge of the armchair with his stomach tightly knotted. He saw the headlights through the curtains as she pulled into the driveway and stood up when he heard the backdoor open. Alicia stepped into the living room. Her hair and makeup didn't seem too much in disarray. Maybe she hadn't actually—

“I've been fucked,” she said.

A sudden lump in his throat prevented him from replying. He swallowed, then nodded.

“Are you glad I've been fucked, Steve?”

He studied her face, trying to determine her mood. Was this playful teasing or intentionally confrontational? “What do you—?”

“Simple question. I went to a bar and let a man take me back to his place, where I went to bed with him. Does that make you happy?”

He tried desperately to read her expression but failed. As a last resort, he decided to be completely honest. “Yes, it makes me happy.”

“Why?”

His chest tightened. He was reminded of being summoned to the headmaster's office after misbehaving at school. He took a steadying breath. “I'm happy because the thought of you...”

“Fucking?”

Steven nodded, smiling a little. “Yeah. Fucking. The thought of you fucking turns me on.”

“Is it the thought of me fucking in general, or the thought of me fucking someone else?”

He blinked, puzzled. He thought they’d established this. Or maybe this was her way of getting him to talk dirty. “Both. I get turned on thinking about you fucking me, and I get turned on thinking about you fucking someone else.” It was getting easier to speak as he became more relaxed. He grinned. “I even get turned on by the thought of you fucking yourself.”

Alicia stepped closer and stared into his eyes. Her perfume was overpowering, but there was another smell there. The musky smell of sex. It made his cock swell.

“Lots of cute guys hit on me,” she continued, “and yet I chose someone who wasn’t very cute.”

“Why?”

“I felt sorry for him. Nobody was paying him any attention. He was standing on his own and being ignored.”

“But you didn’t ignore him.”

“No, I didn’t.”

Steven never imagined that his momentary lapse with a beautiful stripper while on a stag weekend in Prague would completely change the sexual landscape of his marriage...

Since Steven and Alicia often discuss what they'd done with previous partners as a way ramping up their foreplay, Steven's certain that Alicia won't hold his erotic tryst against him. After all, the stripper was nothing more than hired help, like a cleaner or a gardener. However, his attempts to kickstart their sex life by sharing the details of his adventure with Saskia don't quite go to plan.

After an initial outburst he hadn't expected, Alicia treats him to a night of passion reminiscent of the exhilarating early days of their relationship. The spark has been truly rekindled. Until Alicia one-ups him with a long, sexy night with a hunky gigolo.

Though the inequality of her retaliation leaves Steven reeling, he's knocked sideways by a difficult truth — the idea of his stunning wife in the arms of another man is far more appealing than he's imagined. In fact, he can't believe how much he fantasises about sharing her.

While Steve seeks out further thrills in the friendly arms of local sex worker Jo-Jo, who's happy to tell him stories about all the other men she's been with, Alicia wonders how she can replicate the dirty thrill he gets from his hired helpers. What do they have that she doesn't?

Maybe if she could learn to scratch his itch, their burning desire could become even hotter...
