Chapter 1

“I thought we said ‘no phones,’” I say.

Jackie has paused at the edge of a set of steps leading down to the beach. She’s retrieved her phone from the depths of an enormous beach bag, and is swiping at it furiously. She holds a finger up to get me to be quiet. “I just...”

I lean on my crutch, amused.

I’m enjoying the view. Jackie is clad in a clingy red cover-up with a deep plunge between her pert breasts, which stand upright like conical grain silos in spite of her age. A warm Caribbean breeze has picked up the flared skirt in just the right place, opening a risqué slit I did not realize is there. Her lean, muscled thigh peeks out all the way to her hip.

We’ve only been in the Caribbean for about three hours (most of which consisted of hauling luggage around, searching for a shuttle, and being annoyed), but Jackie’s toasted-almond skin is already flushed with a pink glow. Her waves of chocolate, shoulder-length hair have been tousled by the sea breezes and gone a little curly in the humidity.

She looks relaxed, and sexy as hell, even if she is on her phone. Maybe this whole vacation is not ruined by my lame foot, which requires me to use crutches and wear a medical boot. I look like a tool and I can’t even go swimming, but the tickets were non-refundable, so here we are.

The worst part is that it isn’t even a manly break with a manly story. I stepped off the second-to-last step with (get this) the vacuum cleaner in my hands.

I do have a made-up story, involving a motorcycle I don’t own, just in case an attractive female asks me. Jackie has approved my use of this story, mostly because she’s been married to me far too long to waste time fighting that sort of battle.

“Oh my God,” Jackie says. “It *is*. It’s right here.”

She looks up from the screen, biting her lower lip. She pushes a strand of whipping hair from her face and squints out at the beach.

I laugh. “Well,” I say cheerfully. “If you can’t beat ‘em, join ‘em.”

Jackie grimaces and ignores my comment. “I guess this is why it was such a good deal,” she says.

“Good deal” is a relative term. While this trip is a gift from Jackie, I have seen the credit card statement that reveals the “deal” she got on this trip, and while it may be a “good deal” given that the place is spectacularly luxurious, it’s not *my* version of a deal.

That being said, things do seem to be getting interesting.

“So are you going to... you know?” I say, trying to get back to the issue I find most alluring at the moment.

Jackie looks at me like I am crazy, which she does a lot. Then she surprises me greatly by smiling, in an almost secretive way, and purring, “Who knows?”

My eyes pop involuntarily, and I feel my cock twitching to life.

Also involuntary.

“Really?” I say, unable to contain my enthusiasm. I know she’s joking, but I am also a man, and I live and die with unrelenting hope when it comes to nakedness.

Jackie rolls her eyes. “Of course not, are you crazy?!”

Not crazy, my dear, just hopelessly male.

She squints at the bright beach, her forehead wrinkled slightly with worry. It’s the only wrinkle on her face. Jackie is forty-two, but she doesn’t look it at all. Nor have the kids taken much of a toll on her body, except to give her stomach a very pleasant roundness. She insists that her breasts, which were perfect, have been altered horribly, but I think they look the same as when I met her, for the most part. Like I said: conical grain silos. The only thing different about them is that her nipples are a bit larger.

I’m thinking about all of this as I watch her take in the view: the cloudless blue sky, the gentle waves, the white sand.

The lovely people lying on beach chairs, sipping from coconuts or tall glasses with fruity drinks, getting massages under cabana tents, playing paddle-ball in a little pool.

Some of whom are doing these things completely naked.

I take the phone from her hand – she’s nearly forgotten she’s holding it, and slip it into her beach bag. “I, for one, do not have a problem with this,” I say.

Jackie gives me a look. It’s a look she’s sharpened to perfection in the fifteen years of our marriage. It’s like a cross between “shut the hell up” and

“why did I marry an imbecile” and “I love you anyway.”

It is at this moment that one of my wildest dreams actually comes true. A slender woman, probably in her thirties, approaches us. Her long brown hair is streaked blonde by the sun, and her skin is tanned and somewhat sandy. She has the longest legs I have ever seen, but possibly this is because I can see all of her legs, all the way to her completely shaved snatch.

“Oh,” she says sweetly, and puts her hand on my arm. She looks down at my foot. “What happened to you?”

This naked woman is standing like ten inches away from me now.

Feeling a little sorry for me and my foot.

My mind seizes.

I have a story for this, is all I can think. *What is the story?*

I look at Jackie, who is stunned, but also amused. She’s waiting for my big joke.

“It’s just a little... a fracture on my tarsus. With a pin in it,” I blather.

(I am aware, for the record, of how lame I sound.)

Then this woman leans in, and kisses me on the cheek. Her lips are dry and soft. “Oh,” she coos. Her hair slides over my face and shoulders and I catch the scent of her skin: coconut, flowers, something else. My cock is tingling. “Feel better,” she tells me.

And then she walks away, her hand drifting down my torso in a goodbye gesture.

I look at my wife.

Unsurprisingly, she has folded her arms across her chest. “What the hell was *that?*” she asks. She doesn’t sound angry, or even perplexed. She’s using the voice we use to ask the dog rhetorical questions (“Baxter, what’s this?” when he’s ripped up the trash, for example).

“I have no idea,” I murmur.

And ain’t that the truth?

Jackie then surprises me by turning back toward the beach, stepping down the steps, and mocking me as she goes: “I have a fracture on my tarsus’...oh, my God, that was *lame*.”

I raise my eyebrows. Have I heard right, and “what the hell was that?” was actually directed at my stupid answer, not the attractive woman flirting with me?

She turns at the bottom of the stairs, and looks up at me. “Can you get down these okay?”

I contemplate the pros and cons of asking my wife why she has nothing to say about a naked woman kissing me on the cheek, and decide the whole thing is a fantasy that took place in my mind only.

Asking about it will only make me look crazy.

I hobble down the steps. I’ve gotten pretty good with these things. Anyway, I’m on a high from getting kissed by a naked lady.

Don’t get me wrong. The woman at the bottom of these steps is the only one I have any real interest in.

In fact, any proclivities toward “others” go the other way: I fantasize about Jackie with other *men*.

Still, it’s nice to be kissed on the cheek by a woman who is not wearing any clothes and has bright pink nipples melting on a hill of incredibly firm, sun-kissed skin.

“The sand is going to be tricky,” I say.

But actually, it isn’t really that bad. I smile, and Jackie sighs. “Well,” she says. “I hope this doesn’t ruin the trip even more than your foot. I didn’t even... oh my God.”

Jackie was about to say that she failed to read the final line of the description of Jaguar Bay Resort in Belize, which states that it is “Clothing Optional.”

The reason she has cut herself off is because a man is walking in our direction. He is large, tall, well-sculpted, with dark hair ever-so-gently peppered with gray.

Between his legs, a semi-hard cock, dark pink and enormous, slaps against his thighs and his dangling balls. We see this, because this man is exercising the “optionality” of the clothing at Jaguar Bay.

He smiles at Jackie, who just stands there, mouth open.

He passes us, overtly turning as he passes, to look at Jackie’s ass.

This whole time, we’ve been eking through the sand, so hopefully we don’t look as shocked as we feel.

“What I don’t understand,” I say, to break the tension, “Is how everyone keeps the sand out of their privates.”

Jackie’s mouth slowly closes.

We walk a little more. I can see that she is studying the scene, looking for a place where there is not too much skin hanging out.

Not everyone is naked. I see a black bikini, a lot of swimming trunks. A lot of naked, though.

“I want to go over there,” Jackie whispers, pointing at an umbrella at the far end of the beach, where no one has bothered to go. “Can you make it?”

“What’s wrong with here?” I say cheerfully.

Jackie closes her eyes and presses her lips together. “It’s just...” she whispers.

“A lot of dong,” I offer.

She loses it. Her laugh, which she tries to keep in, is a wet snort. She has to cover her face.

I start to hobble out to the distant outpost of beach chairs. It’s nice that there are a lot of naked women around, but like I said, I’m mostly into my own wife. And if it makes her happy to hide away at the end of the beach, so be it.

Jackie sighs when she reaches the lounge chair. It’s a fancy resort, so the chairs are good quality, which I’m happy to see because with this foot, I’ll be spending a lot of time in them.

She lifts her cover-up by pulling on the sides and slinking out of it, and I doubt she’s aware of what a sexy spectacle she’s making of herself.

Inch by inch, her lean body is uncovered. A plain black bikini covers her from waist to the very top of her thigh – it’s more sporty than deliberately sexy, because she likes to swim – but it’s still very eye-catching. Also, I happen to know that she’s gone to the spa and gotten a wax, leaving only a landing strip of soft, dark hair just on the verge of curling.

She’s been working out lately, now that she has more time on her hands (the kids have become not only more independent but rather insistently so). Her efforts show in the line of toned muscle on her inner thighs.

I whistle as the cover-up makes its way over her head and her breasts, bouncing lightly in a sporty bikini top, are freed.

“Lookin’ good, Mrs. Price.”

Jackie treats me to a smile, gives another glance at the partially-naked beach, and spreads her towel out on the chair. She adjusts it, and I see that

she is pleased with how easy it is to do so. We have some at home that truly suck.

She stretches out on the chair and lets out a sigh of contentment as she places her sunglasses on over her eyes. "There we go," she says.

"Did you put sunscreen on?"

"Pretty much."

This means yes, because Jackie is a sunscreen dictator.

"I could rub some in for you if you need."

She just smiles. I know all she wants to do is rest. It was a hassle getting on the flight because of the pin in my foot, which required me to carry x-rays and go through extra security. We almost missed our flight, and then our luggage was misplaced. We missed the shuttle from the hotel and had to wait for another one. Small problems, but still: annoying.

Now this, I thought: a nudist hotel.

I pull a magazine out of her beach bag and settle into the chair. Mine is in the shade, hers in the sun, because there is nothing Jackie likes more than lying around in the sun. She always wears sunscreen, so she isn't even doing it to get a tan. But she loves it.

"You're not even going to take your top off?" I asked.

I can't help myself. I am looking out at the water, where two lovely ladies are playing paddle ball with their tops off, their big breasts bouncing with every swing. Splashing, bouncing, their nipples wet with seafoam...

My imagination is getting the better of me.

"I don't have any sunscreen on my boobs," Jackie says dryly, in response to my question.

She's actually taking the whole thing pretty well, I have to say.

I decide to stop being a jerk and try to focus on my magazine.

As you can imagine, it doesn't go well. While Jackie seems content to close her eyes and take a nap, I myself am unable to put the scantily to not-at-all-clad people to my left out of my mind. My eye keeps wandering from the page to take in the scene.

There are the two ladies playing paddle ball. They're both tanned with platinum blonde hair and billowing breasts (not my type, but lovely to look at). They look like they could be sisters.

There is another woman with long dark hair stretched out face-down on a beach towel. Her bare bottom is lamentably turned toward the water, but the shape of it from where I sit is still nice to contemplate.

And under the massage tent...

I squint. It would appear that a very young, well-toned man in only shorts is giving a massage to an openly naked woman. But more importantly, two men are sitting in beach chairs, facing the tent and not the ocean, and *watching*.

My cock twitches.

How I would love for that to be my wife. Watching another man's hands kneading her muscled thighs, sliding through the shiny oil on her skin. Kneading her flesh, a finger slipping into the dark tangle of her curls – I correct my imagination, because Jackie's dark curls are now a trim landing strip – maybe even into the moist folds of her pussy...

I look back at my magazine. My pulse is elevated.

"Hello!" A cheerful voice calls out, startling me. I look up and see a hotel employee approaching us. I had been too caught up in my massage reverie that I hadn't seen him.

He is a dark man – kid, really, probably no older than twenty-five. Probably half-black, with a mop of curly dark hair and the peculiar green-brown eye color that people of mixed race sometimes have. His teeth are so white they almost glare. "You really have come as far away from the action as you can," he says cheerfully. "Can I get you anything to drink?"

He is looking at my wife, and I'd have to say he's doing it in an openly... shall we say, appreciative?... way. His eyes travel the length of her body, not once but twice, as he smiles at her and crinkles his eyes.

Well, my interest is piqued.

Jackie props herself up on her elbows. Her eyes are hidden behind her dark sunglasses, so I have no idea if she sees what he is doing. Her mouth, with its full lower lip and the pronounced bow-shape of her upper lip, is partially open in a neutral expression.

She says nothing.

I indulge in imagining that she is quite taken by the cabana-boy, whose musculature is evident through the white polo shirt he is wearing, both buttons undone to reveal a peek at his smooth chest.

"I can make you my special drink," he offers, with a smile. His eyes twinkle, or something like it, again. "It's very, very tasty."

The guy is standing at the foot of her recliner now, and he's a good two feet away, but the way he says this ("very, very tasty") makes it seem

like he is trailing his tongue from Jackie's ankle to her knee, with his eyes trained on the center of her legs, where he will go next.

My cock is, officially, hard. I set the magazine down over it.

I wonder sometimes what's wrong with me, why I let my mind run away with this particular fantasy so often.

I love to picture other men with my wife. I love to think about them fondling her, stroking her, making her gasp and arch her back.

And worse things than that, you can rest assured.

Jackie's a very attractive woman, who, like I said, doesn't look her age. So I'm used to men hitting on her, or flirting with her. They don't normally do it so blatantly and in front of me like this, but I am hardly complaining.

Jackie's mouth falls open a little. "I... what... what's so special about it?"

Cabana-boy has a tray in his hands, and he tucks it under one arm. He raps his fingers on it. His smile transforms again, more mischievous now than anything. "I make all of my drinks e-specially for the ladies. I bet you like sweet things," he says. "But not *too* sweet. And maybe just a taste of something different. Not too exotic."

Now, if this were an analogy about how Jackie wants almost everything in her life, it would be dead-on.

I look over at her.

Her mouth is really open now, and just as I turn, she snaps it up. I can see a smile forming at the corners of her mouth. Confused, interested, and a little aghast. "Uh... okay. I'll... try it, I guess."

"The drink?" he says. And he *winks* at her.

Jackie laughs, and I am probably the only one who can hear a trace of something – maybe nervousness? - in her voice. "Just the drink," she says.

Her voice is at an odd volume, which is what happens when she gets flustered.

"And for you, sir?" the guy says. "You strike me as a Corona kind-of-guy when you're on vacation."

He is right. I am an unimaginative beer drinker. I smile at him.

He grins back at me, like we share some kind of secret, and then – again, very blatantly – sweeps his eyes in Jackie's direction and takes another lingering look at her before sucking on his lower lip. "Right. Be back in a minute," he declares.

We watch him walk away.

We turn to each other after he's out of earshot, and look at each other for a moment before we both laugh.

"What is *up* with this place?" Jackie whispers. It's an expected question, but again, I feel like the tone is off. I can't put my finger on *why*, but it's odd, the way she's asking me this. She turns her face, and she seems to be looking at the people on the beach.

Her mouth falls open a little. "Wait a minute," she says.

She whips her sunglasses up and puts them on her head. "Is this a...? No. This isn't a... you know, a... like a swinger's club or something. Is it?"

I turn to look out at the beach. Don't be silly, I'm thinking, but my cock and my torso are doing something else. Saying something else to me.

Getting excited. It's a cold, buzzing sensation in my gut.

"I don't think they let you.... you have to have a...."

I babble on like this, with no end to my sentences in sight, as I scan and re-scan the beach.

The massage cabana, where one of the men who was watching the massage has risen from his chair and is also massaging the woman.

To the paddle-ball players, who are still splashing and bouncing.

To the woman on her towel.

To another couple... scratch that, threesome, under a large umbrella like ours. A man, kneeling, watching a couple who are wrapped around each other, making out wildly. I wish I could see better: they appear to be playing with each other's tongues, twisting their heads to better bite and lick.

But more importantly: the woman has one hand wrapped around the man she is making out with. Her legs are wrapped around his torso, and she appears to have no clothes on. She is rocking slightly, up and down.

This is pretty spectacular, on a beach in the middle of the day with all these people around. But even more spectacular? The woman's free hand is extended behind her, to the lap of the man who is watching.

I can't see what she's doing, but her arm is pumping up and down. It doesn't take a rocket scientist to figure it out.

My eyes remain fixed on the scene and I forget all about the fact that I'm openly staring. Or that my wife is right next to me, probably doing the same thing.

We're both in this trance when the waiter returns.

“One tasty drink for the lady,” he proclaims, startling me again. He extends the cool drink to my wife, who can’t take her eyes off the couple and grabs it clumsily. Some of it spills onto her chest, just above the neckline of her bikini.

I see it splash, which snaps me out of my reverie. A sticky glob of white slush is sliding down her chest.

The cold seems to have woken her up. Her eyes snap back to the waiter, and she starts to look down at what she’s done.

But the waiter has acted faster than either of us can. He snaps a towel, leans forward, and wipes the white, creamy drink off my wife’s chest. His eyes lock on hers as he does.

Jackie is frozen. Her lips part and tremble slightly.

“So sorry about that,” the waiter says. “Drinks are on the house.”

Jackie mumbles something. The waiter gives me my drink without taking his eyes off of Jackie for more than a nanosecond.

“Anything else I can get for you?” the waiter asks, after burning through Jackie for few moments with his hot-Latino stare.

I wait. I’m enjoying the scene immensely, so as far as I’m concerned it’s Jackie’s show.

“I... um... no. Not anything. Not...” she looks over at me, flustered. I take pity on her.

“That’s it for now,” I say cheerfully.

The waiter clutches his tray. “Well. Just let me know how I can be of service. My name is Luis, you can ask for me at the front desk.”

The guy sort of bows, winks at my wife again, moves his eyes salaciously all over her body, and walks away.

There is a silence, and then Jackie turns to me. Her mouth hangs open. “Did he just... *proposition* me?”

She’s slightly amused, I can tell. The only reason I can think of for that is that “Luis” is a really good-looking guy. A younger guy. And he definitely seemed to think of her as a tasty treat.

The suggestion that she “ask for him” at the front desk, as far as I can tell, can only be taken one way.

“This place *is* a swinger’s club,” she says, in a low voice. “It really is.”

Her eyes shift to meet mine. There's something odd in her expression, almost like she's looking for my reaction to a joke.

“You think it’s... what?” she says, reaching over to pinch my arm.
“Funny?”

I’m too quick for her. I pull my arm away and smile back.

“It’s kind of... funny,” I say. “Don’t you think?”

“We’re here for five nights,” she says. “What are we going to do?”

The tone of her voice is not the one I’d expect. It’s sort of... hesitantly sultry.

I raise my eyebrows.

She shakes her head, but she’s smiling.

“I don’t know,” I say, reclining in my chair with my beer. “You know what they say. If you can’t beat ‘em, join ‘em.”

So here’s the thing: I’ve “sort of” shared my fantasy with my wife. On a few particularly drunken nights, I’ve talked to her about it, but I’ve always done it in a way that made it seem like sort of a joke. Sometimes she plays along, but I feel like it’s only because I treat it more like a joke than a serious desire.

Her eyes have shifted to the scene behind me. “Those people are having sex,” she whispers. “On the beach.”

“How gritty,” I quip.

“Look,” she says, pointing toward them. “And it’s... one woman. With two... guys – oh! Oh my.”

She reclines in her chair, and puts her arm over her eyes, after letting her gaze linger long enough to see something that makes her mouth drop open again.

“It’s maybe too much,” she says.

This is an odd statement, but my mind is working on overdrive right now just taking it all in, and I don’t get very far analyzing it. I decide that I should look over at the scene myself.

When I do, I see the tail end of a spurting fountain of cum – I can barely make it out at this distance – landing all over the face of the woman who is seated on the lap of the other man. She is turned to get the full dose of cum all over her face. As she leans back and twists to accept the cum, the man she is (purportedly) fucking squeezes hard on her breasts.

I can’t quite believe what I’m seeing. And I actually have no idea how to react to it.

“I guess to each his own,” I manage to say, and flip the magazine page and lie back in my recliner.

Jackie has removed her hand from her eyes and is staring at the scene again. "Oh my God," she repeats, in a whisper. Then she turns onto her stomach and smiles a little. "I think... we should wait until they're gone before we go to our room. Tell me. Tell me when they leave."

"Okay," I say.

What else can I do?

I'm forced to watch the group kiss, make out a little, and then wander down to the water's edge, naked, to splash in the water. The woman has large, full breasts that bounce a lot as she kicks at the waves. The two guys enjoy taking fistfuls of her ample bottom, which is a bit bigger than I'd expected, and which jiggles enticingly as she bounces around.

But, Jackie's asked me to keep an eye on them (more or less), so I do it.

"Okay," I say finally, as the threesome make their way back toward the hotel. "They're gone."

Jackie pushes up and hastily grabs her things, shoving them into her beach bag. She makes a sound that is something between a whinny and a giggle, perhaps with a tinge of horror. "Well," she says. "Let's make a run for it!"

And she does.

Well, a quick walk.

I sort of hobble quickly on my crutches, but I admire my quickness and how much I've adapted to traveling in the sand.

Jackie is sort of laughing, sort of mortified, the whole time, looking back at me.

But there is something else in her expression, and I'm not quite sure what it is.

Chapter 2

“Well,” I say, after we sit down on the bed to take stock of our situation for a few moments. “We can’t just hide out in our room the whole week.”

Jackie bites her lip and shakes her head. “It’s too much,” she says. And then, curiously: “Isn’t it?”

I shrug. “Look, if you ask me it’s pretty interesting. Let’s just go, enjoy the beach and the pool, watch people doing what they’re doing, politely decline when they offer their services, and have a good time.”

Jackie is staring at me. I can tell, though, that she’s warming up to the idea. If anything because she knows as well as I do that we can’t hide in this over-air-conditioned room for five nights when such a display of sinful behavior is going on right outside.

“The way I understand it,” I say authoritatively, “A lot of people just come to watch anyway.”

I have no such understanding, but it sounds possible and maybe even probable, and it also seems like it might convince her to leave the room again.

“Really,” Jackie says.

I have a hard time reading her tone again. It's almost like I gave her an answer to a question.

“Sure,” I say, but with a little more hesitation, because half my mind is working on sorting out Jackie's reaction. “Some people are just into watching.”

I pause, then I decide to add: “Some men are really into just watching their wife with another man.”

Jackie makes a face I cannot decipher. She looks around the room.

There is a long pause while Jackie makes a big show of being indecisive.

The thing I know about her, though, is that curiosity always gets the better of her. I know that, in fact, she *can't wait* to get back out there and see what's going on, now that she's had a moment to recover.

We once watched a some porn together (this was way back, back in the day when the internet wasn't overflowing with porn and you still had to

rent it). The same thing happened: she wanted to watch, but she had to keep insisting that she wasn't really into it.

After we watched, she was wet as hell and we had the wildest sex we've ever had.

I am hoping for a similar outcome here.

The idea that Jackie will actually *participate* is still a fantasy that's as out of reach as... I don't know. Colonizing Jupiter.

(There's always a chance).

"Well," she says, feigning reluctance. "We can't stay here all week, that's true."

"Exactly," I say. "And anyway, it isn't like the whole place is going to be one big orgy. It might just be totally normal out there."

She looks a little reluctant, like her commitment to the idea is starting to recede like a tide.

"If anyone asks, you just say, 'I'm just here to watch,' or something like that," I add. I am really coming across as an authority on this topic, which is impressive to Jackie as well as to myself, because up until half an hour ago I didn't actually believe a resort like this existed.

She bites her lip again.

"I'm *right* here," I continue. "I won't let you out of my sight."

Jackie shrugs. "Well..."

"Come on," I use my reassuring voice. "It'll be fine."

I extend my hand.

There is a long pause.

Jackie takes it.

*

Well, it doesn't happen exactly like that.

After taking my hand Jackie decides she wants to change clothes, take a shower, put on make-up, and all this other stuff.

So I make myself a cocktail from the minibar, sit on the edge of the bed, and flip through cable channels, which is where I make the discovery that this place is peddling a lot of free video porn.

I turn the volume down and watch a few minutes of it while the shower runs. A blonde is on her knees sucking two black guys off, one after

the other. She has her big blue eyes on their faces as she opens wide for their thick, black meat.

It's hot. I get horny.

When Jackie comes out, I instinctively turn the porn off.

Then (also instinctively), I move toward her suggestively.

She's changed into a casual black cocktail dress. It's one she's had forever, and it looks pretty good on her, but I'd love it if she had something sexier, like her swimsuit cover up.

I slide my hands around her waist. "You know, you should go shopping at the hotel store," I say. "Get something really sexy for going out to dinner."

I pull her close to me, and I'm about to kiss her when she laughs. "That place is ludicrously expensive, I'm sure. Anyway," she pushes through my attempted embrace and reaches for a bag on the dresser, "I don't want to call any undue attention to myself here, right?"

There's that weird tone again.

It's almost like... sarcasm.

"Right," I say, in an equally vague tone.

Jackie, it would seem, is ready to go out and get dinner. She is indifferent to my erection, and she is also probably getting hungry, which gives me a five-minute window before it turns to "hangry."

So I abandon my plans to slide my hands beneath her skirt and pull down her panties before tossing her on the bed. I also realize, as I hobble around, that I couldn't do that anyway without putting weight on my foot. I open the door for her instead. A little awkwardly.

"After you, my lady," I say gallantly.

*

There are three restaurants at the hotel, two of which are part of the all-inclusive meals bit and one which is not. Of *course* the only thing we want to eat is at the non-included restaurant, so we head there.

It's a very beachy, very romantic setting. Candles flickering in the sea breezes, the whole Caribbean romance scene.

There are a few couples seated at small tables that surround a fire pit in the middle of a circular, open-air seating area. We find a small table to

ourselves on a part of the circle with no one else there, and settle in, exchanging smiles at each other.

Jackie is a little nervous, I can tell, and she wants to look around at the other patrons and see what they're doing without gawking.

A waiter comes almost immediately (another tawny, lean cabana-boy with a thousand-watt smile) and I order a bottle of white wine.

Jackie raises her eyebrows, but she doesn't object.

The menu is full of seafood, which is why we are here.

"Oysters," I murmur. I read from the menu: "The Casanova Oyster Plate: take a cue from the greatest lover of all time, and indulge in two dozen delicious oysters, warm and cool, ready to slip down your throat and stimulate your desires."

Jackie flips her menu down. "It does *not* say that," she says.

"You think I could make this stuff up? It says here Casanova ate fifty oysters every morning for breakfast."

Jackie lifts the menu back up to her face. She surprises me again when she says: "I *do* like them," she says.

The waiter returns with the wine, and gives Jackie a very winning smile as he pours it for her.

Jackie clutches her menu to her chest. "Do you have any oyster plates that are... I don't know. Have fewer oysters?"

The waiter smiles. He's pouring this wine like he stepped out of a Danielle Who's-it novel. "I have the perfect thing for you," he says, and I suspect he is only peripherally referring to me as part of "you."

"It's the Aphrodisiac platter." He leans close to Jackie to point with a thick, wiry finger.

Jackie reads the description quickly, as do I. Then she looks at me over the menu with her eyebrows raised.

The platter is a lengthy list of concoctions consisting of things like oysters, avocados, chocolate, maca, asparagus, and strawberries. For some reason (probably the textures of the foods) I find the list itself to be a little sexually stimulating.

But most things are.

"Sure," I say.

"Okay," Jackie says, and she smiles winningly at the waiter. "We'll start with that. And also... honey, I hope you don't mind... I wanted a drink with, like a little umbrella in it... maybe a daiquiri or something?"

No matter what becomes of this evening, I'm certainly having a good time.

While we wait for our platter and her umbrella drink, Jackie has a glass of wine anyway. She drinks her drink, then the platter arrives. It's enormous, and the food really does either look sexual, or have a slippery, sexy feel to it.

The wine is going to both of our heads, and we're having a lovely time. Jackie is relaxed, she's talking and laughing and I'm thinking what a great idea it is that we came here in spite of my foot (which I have almost forgotten about). Neither one of us really notices that the restaurant is filling up. It gets louder, and the sexual tension starts to turn up.

But we're in our own little world. Jackie has a flush on her cheeks and she's smiling much more than I've seen her smile in the past five years, combined.

And the way she is eating these oysters? Tipping her head back and slurping the slimy liquid out of the shells, giving me a half-joking, half-serious eye as she does it? I have a hard-on the whole dinner through.

She bites into the last of the strawberries, sending a drip of red juice down her chin, laughing about it and wiping it from her chin with her finger, which she licks off.

I smile and raise my glass. I'm enjoying the show.

And it is at this point that Jackie looks around. I'm still watching her, her fluttering lashes, her pink-stained cheeks, the curve of her breasts hanging forward in her dress. I'm thinking about the way she's been using her mouth to suck on oysters and bite into the flesh of strawberries.

She turns back to me, eyes wide. "Oh my God," she giggles. She puts her hand to her forehead. "I'm so drunk. Is that woman eating dinner naked?"

I look over at a very attractive woman who is bare-chested, but, after a thorough inspection, is revealed to be wearing a skirt. I shake my head in wonderment, appreciate the view briefly, and turn back to my wife, who I'd rather be watching anyway.

Jackie grins. "Let's get out of here," she says. And she has a mysterious twinkle in her eyes. "Come on, I think they have Tiki torches and bonfires down by the beach."

I look out at the water, which is nothing more than a black canvas with a few white lines at the edge, and only where the lights of the hotel

shine on it. "At night?" I say.

"Come on," Jackie insists. And she gives me a wink. "It'll be *fun*. Maybe we can make out on the beach or something."

I'd like to say at this point that I'm not so much an "outdoor sex" guy. And Jackie isn't much of an "outdoor sex" gal.

But I am a guy, so really there isn't any reason to say no to Jackie's offer, especially since my cock is throbbing from being turned on all dinner long.

"Let's do it," I say.

*

We sneak out onto the beach and find a bonfire and Tiki-torch set-up, which I'm guessing the hotel does for the patrons, because it's very professionally set up and there are many more scattered throughout the beach. It's a sluggish and less than graceful walk for me. I opted for taking only one crutch and I now regret it, because I really did get quite good in the sand as of this afternoon on two crutches.

This is a bit of a disaster.

Before I know what's happening, Jackie is snapping a towel to sit down on.

"Where'd you get that?" I ask.

She shrugs. Jackie is a resourceful woman. "I snagged it on our way past the pool area."

She has another one, and we relax on the towels, side by side. Around us in the dark, we can hear a lot of couples and groups laughing and talking. It isn't easy to see what they're doing because the bonfires are spaced out. But by the way the laughter is punctuated by moments of silence, I can guess what people are up to.

"This is nice," Jackie says. "And I have to admit..." she reaches over and puts her hand in my crotch, stroking my cock. "Those aphrodisiacs worked wonders."

We start making out. It's pretty fun, because for a long time, our sex life has been sort of perfunctory. Jackie says it's because everyone knows what they're getting in the end, so there's no anticipation really. I've been fine with that, because... well, I'm getting old.

But kissing Jackie, whose mouth tastes like strawberries and whose tongue hasn't explored mine for a long time, is a special treat. She runs her tongue playfully along my lips, teasing me, and then we kiss, hard and wet. She bites my lower lip gently. I put my hand down her dress and feel for her nipples.

This goes on for a while when Jackie climbs onto my lap. I slide my fingers under her skirt and slip them beneath the fabric of her panties. She is soaked, and I am disoriented by her smooth snatch and the wetness. It almost feels like foreign territory.

We make out some more. Then she pulls away. "You know," she purrs. "Let's go hide in the dark a little more."

Whatever. I follow her lead. She stands up, and my fingers slip from under her panties with a snap. I can smell her sweet-scented excitement on them.

She walks into the dark and toward a seawall, where there are some chairs stacked every few yards or so. I reach for her bottom beneath her skirt and she giggles at me. Pretty soon it's too dark to see much and we are following along the wall with our hands.

She turns toward me unexpectedly and we start to kiss again. We fall to our knees and explore each other in ways that we haven't for a long time. Because it's dark, I am left to feel my way around Jackie's body, guess at what she's doing.

Jackie pushes me away suddenly and her eyes move back and forth in the darkness. They're the only thing I can see well, glinting in the light of our abandoned bonfire. "Shh!" she hisses. Her hiss ends in a giggle, which is a sign that she's drunk, and that she's ready to have a good time. "Do you hear that?" she whispers, pulling me toward a stack of beach chairs next to the stone seawall.

She drops to the ground, and I'm pretty tanked, so I copy her movement. Now that she's squatting on the sand, her black dress has risen up to her bottom and I have a nice view of the length of her thigh and even a small patch of her wet, silky black underwear between her legs.

She looks at me, her eyes reflecting the light from the Tiki torch. She has a wild smile on her lips. She holds a finger up to her pursed lips again and tugs on my arm at the same time, to pull me along with her, further between the seawall and the chairs.

She pushes them out a little bit by gripping them with two hands and shimmying them forward. It gives us enough room to fall forward on our knees, and peer through the cracks between the chairs.

I hear a woman's sing-song laugh, and my attention is diverted away from my wife, toward the beach.

Two women, holding hands, are walking through the sand. They're obviously intoxicated, laughing happily, and clinging to each other as they make their way in the unsteady sand.

A light from the hotel, either motion-activated or just a coincidence, rains down a little more light on the scene in front of us, and suddenly we can see the whole thing better. And equally suddenly, we are voyeurs, cloaked only by the stacked chairs.

There are also two men with them, just a pace behind. They're watching the two women with lustful eyes.

They pass us, and I'm starting to think we're going to miss the fun that they're headed for. They're off to our right about five yards, when suddenly one of the ladies stops, bringing the whole train to a halt. They've simultaneously gotten a little closer to the water. "Here's fine," she laughs.

She's a leggy blonde, probably in her late thirties but in great shape. She has a loose-fitting white sundress on, but only for a moment. As soon as she's declared this to be the spot, the thin white fabric is flying through the air.

She's tan and well-sculpted, with large breasts that have a slight pear-shape to them. She has enormous caramel areolae and long nipples, and her breasts bounce as she makes a turn toward the water. She starts to skip as she heads for the surf, long blonde hair caught in the breeze, bountiful bottom rising and falling with her gait.

One of the men shrugs, and drops his shorts. He's an average-looking guy, a little younger than the woman, and his dropped pants reveal that he is fairly well-endowed, as well as relatively aroused. He peels his shirt off as he heads for the water, saying nothing.

The woman plops to the sand, letting out a little laugh.

"You're not going?" the guys says. He sits down next to her.

"Nooo," she says, giving a shake of her pony-tailed brown hair. "I don't swim in the water in the dark."

It's at this point that I realize that these two are speaking to each other in that date-night kind of way; they aren't a couple.

The man drops down next to her, folding his legs up to his elbows. “No? Worried you might run into something?”

Their eyes meet, and she barely manages to say, “something like that,” before he’s moved in on her and is starting to kiss her.

There's a heat between the two of them, but also an unfamiliarity. It's stimulating to watch, because it's been such a long time since I've felt that kind of unfamiliarity myself: I know Jackie's body inside and out, the feel of her and the way she will respond to the way I touch her.

These two have none of that: they are groping each other, feeling their bodies out and finding things for the first time.

Their tongues meet in sloppy, messy kisses, before they settle into a rhythm. They rise up onto their knees and the man starts to pull at the cover-up on the girl's lean body. He strips it from her skin, and then pulls down her bikini to let her breasts free. She has caramel-tipped, jiggling breasts with large areolae, and they're shiny in the light from the distant Tiki-torches, like she's started to sweat a little.

He takes a handful of them and moans in pleasure as her nipples harden beneath his thumb. I look over at Jackie, and I'm pleased to see that she's riveted as she watches the scene unfolding in front of her. Her lips are parted and her eyes are fixed on the couple.

I turn back to watch. The man's hands are moving down now, and working their way under the scanty bikini-bottom the girl is wearing. He puts both of his meaty hands on her small bottom and kneads her ass, pulling her close to him.

I'm expecting to see a scene a lot like the one I saw at the beach, but he suddenly changes tack and reaches a hand up to grab the girl's ponytail. He pulls her head back and kisses her throat, trailing his tongue along the length of her neck and then sucking up her jaw into his mouth. She presses her hands against his chest and claws into his skin. He works his way back down her neck and growls – loud enough that we can hear – “I want to stuff your throat full of my cock.”

My eyes pop, and I don't dare look at Jackie. But she doesn't move, so I keep watching.

The man pushes the girl back, ponytail still in hand. He's up on his knees still, and she gets onto her hands and knees. He drops his boxer swim trunks with his free hand, and his thick, stubby cock pops out. It isn't terribly long, but it's fat and hard as a rock, pointing straight in front of him.

We have a nice view of it, against the ocean, the contours of his dick outlined by the reflecting lights.

The girl opens her mouth, and he pulls her by her ponytail onto his cock. The inches of his meat disappear between her lips, and her cheeks puff visibly as he crams himself all the way inside of her. Her chin squashes up against his sack before he pulls back on her hair and, using her ponytail like a handle, begins to pump her face back and forth on his cock. The wet, slurpy sounds of her sucking can be heard over the faint waves.

We're so transfixed by this scene that we (well, I don't know about Jackie, but definitely I) don't notice the other two returning from the water.

They are naked, and it's almost as if they just appear behind the couple we are watching. The blonde falls to the sand on her knees, facing us and the guy getting his cock sucked, and then she leans right in and starts to run her tongue along his shaft when it's out of the other woman's mouth. I can see her tongue curling up to lick the underside of his dick as he unsheathes it from the brunette's lips.

The guy who went into the water is still standing, watching, stroking the length of his hard cock languidly. The blonde giggles a little, and puts her hand on the man's hand at the back of the brunette's head. The blonde turns her head toward the brunette, and kisses her.

The man then begins to alternate between pushing his dick into the blonde's mouth, then the brunette's. They sometimes kiss in-between, or run their tongues along his shaft together, only to meet up at the end of his cock and play with each other's mouths. They swirl their pink tongues around his crown, darting at their nearly-meeting lips. The man's cock is shiny with spit, and he seems to have swelled to twice the thickness. His cock bounces a little when the girls release him to kiss each other.

The blonde laughs again and turns, almost reluctantly, back to the standing man. "Let's not be rude," she says. "Ethan here should have some of the fun."

I now dare to look at Jackie. She's still staring, her mouth open. She looks sidelong at me, quickly, but turns her attention back to the scene in front of us just as quickly.

The blonde and the brunette release the first man's cock, giggling between the two of them, and rise up on their knees. The standing man, Ethan I guess, doesn't hesitate to move toward them, guiding his dick toward their hungry mouths. I almost can't believe what I'm seeing as the

two girls treat Ethan to the same treatment they just gave his companion; running their tongues along the length of his shaft, playing with each other when they reach the crown, tongues teasing and licking and interlocking, pink and wet.

The first man rises to standing, and for a few minutes we have a nearly perfect view of the foursome: two men, standing with cocks erect, and the two eager women servicing their cocks by taking turns swallowing their shafts and kissing each other.

I notice that the brunette is playing with herself only after watching for a few minutes; her hand is between her legs and swiftly stroking her wet sex while she sucks on the cock of the man who was clearly not her partner to begin with. I watch her fingers as they play between the wet lips of her pussy with a practiced expertise.

And then I look over at Jackie.

Almost as if she has read my mind, she looks at me and our eyes meet in the dim light, her gaze burning into me. I'm not sure what to expect, and so I am not entirely surprised, but not completely expecting it, when Jackie smiles and slips her fingers underneath the straps of her dress to allow the cocktail dress to fall down. It peels away from her skin to reveal her breasts, their pert tips hardened with excitement.

We are now facing each other, and next to us the foursome are still going at it. Only now, the blonde has decided to change position and offer her round bottom to the two men, while the brown-haired girl has reclined on the sand with her legs spread as the blonde hovers over her body.

Jackie, I see, has no idea where to look now that I have her nipples between my thumb and forefinger, so I smile at her and give a slight nod in the direction of the foursome. Go ahead and watch, I want to say to her.

And she does.

I lower my mouth to Jackie's hardened left nipple and make a circle around the base of it with my tongue. Then I suck it between my lips and roll the meat of her nipple between them, before sucking it in between my teeth and gently biting until she gasps. As I do this, Jackie, the wife who was blushing and running back to hide in her room just hours before, is riveted to the scene in front of her.

I pull on her cocktail dress, which is slipping off of her lot like a condom peeling away from a cock, until the dress is clinging around her thighs and there is only the pair of black underwear – a bikini-cut black

satin pair that I know she would consider her “raciest” panties – between her wet pussy and my fingers.

I am trying to look everywhere at once, and it isn't easy: the Tiki torches reflecting on the bodies of the foursome we're watching seem to be fading, and I want to watch both them and my wife, watching them, as I peel away her panties and slip my fingers into her exposed slit. But I also want to savor the sight of Jackie's landing strip, her curated snatch, as I dip in between her folds and find her delectably wet.

Her pussy is hot and slick, and I find her engorged clit easily. Her body shudders when I slide my finger over the face of her love button. I haven't felt Jackie's pussy so hot in a long time, almost so long I wonder if it was ever like this. Her lips are parted and her eyes are wet and dark with excitement, fixed on the scene to my left that I only listen to, because I don't want to stop looking at my excited, stripped-down wife who is watching them as I fondle her pussy on the sands of a foreign beach.

Next to me, in my peripheral vision, I know that the blonde has leaned forward to slip her tongue into the wet, spread folds of the brunette, and that behind her, the two men are taking turns slipping their cocks into her pussy. All four of them are making sounds that drive me wild, but none so wild as the sound of my own wife panting excitedly as she starts to gyrate her hips, watching the four of them go wild on the beach.

Even though I am only fingering her, the excitement I feel is more than ever before as I watch Jackie's cheeks flush and feel her body stiffen as she rises to the crest of her climax. It might seem strange that even though I'm not inside of her, feeling her hot flesh clench around me, the sensation of her body rippling wildly beneath my fingers is the hottest thing I have ever felt. Perhaps because she is finally excited about a fantasy that is my own, because she is doing something so dark and sinful and voyeuristic, that it turns me on so much. Whatever it is, when she convulses beneath my fingers, and I feel the well of cum that oozes from inside of her, my own cock throbs so hard that for a moment I think I might ejaculate without ever touching myself.

Next to us, the foursome are still going at it. I turn my head slightly to get a better view. As I do, I see that Jackie is pushing her sweaty hair from her forehead, and though I can't see her very well in the dim light, I know she has a flushed, satisfied face. Just as I turn my attention to the foursome,

Jackie's mouth turns up in a smile, and I feel her hand on my pants, fumbling with my belt and the zipper.

I am staring openly at the foursome, which is continuing much like before except that the brunette has propped herself up on her elbows and has her hands in the blonde's hair as the blonde eats her out. Her voice is becoming more and more excited as the blonde head bobs between her legs. The blonde is moaning into her pussy and I can hear the wet slops of the blonde's pussy as she takes the one they called Ethan deep and repeatedly.

The other man is close to coming, and he has moved toward the brunette on his knees, his cock in hand. He pulls on her ponytail again and points the tip of his dick toward her face. She is opening her mouth obediently to take the fountain of cum that is surely coming.

Jackie is squeezing my cock this whole time, and she's really grasping it, kneading it and making me pulse in her firm grip.

Just as the guy holding on to the brown-haired girl starts to splash ropes of cum all over her open mouth and her cheeks, I feel Jackie's hot wet mouth take my cock inside. She runs her tongue in circles around the crown of my dick and then slides her mouth along my shaft.

I am enclosed in her wet, soft mouth inch by inch just as the members of the foursome begin to climax. The man fucking the blonde withdraws his cock and holds onto her ass, spurting his cum all over her bottom. The brunette gasps and holds tight to the blonde, and the blonde gyrates her hips, rubbing her fingers between her legs as she finishes the brunette off with her mouth.

I fill Jackie's mouth with cum. The orgasm grips me so suddenly I don't have time to even warn her. To my surprise, Jackie doesn't pull away immediately, as she ordinarily does. She sucks the cum right out of my dick and then slowly, slowly, as the gasping and wailing of the foursome in front of us dies down, Jackie releases my cock inch by inch.

She runs her tongue along my shaft as she slides her mouth up to the crown, licking every inch of cum from my shaft and releasing me with a wet pop.

I am too stunned by everything I've seen to do much more than sink onto my legs, and stare ahead. It takes me a moment to realize that my leg is in excruciating pain.

When I do, I roll onto my side and open my mouth in pain, trying not to scream. Jackie covers her mouth, and her eyes fly open in compassion,

but she's also laughing behind her hand.

Which is fine; it's very funny in a way.

But my leg is killing me.

I manage to alleviate my pain by lying still for a moment. Jackie mouths, "are you okay?" as soon as she is able to regain her composure. In the meantime, the foursome have headed toward the water, even the brunette, who claimed to not go in the water at night. Their figures become faint as they head into the darkness.

"Are you okay?" Jackie whispers, when they're far enough away.

I sit up, pulling my bad leg around in front of me. I have an incredible body high going on, the kind that comes after amazing sex. But my leg is also throbbing because, as so often happens with sex, I performed feats of incredible contortion and strength and felt none of them until after I came.

Jackie giggles. She squeezes my shoulder. "Are you good enough to get out of here before they see us?" she whispers. "I don't want to get caught."

"Oh, sure," I say, and I get onto my hands and knees. Jackie helps me up, handing me my crutch, and we hobble away on the sand. I feel sure the foursome probably sees us, but I don't look back to confirm or deny.

*

We're really drunk, we realize, as we stumble-hobble back to the hotel room. We are laughing like two teenagers, and I'm on a pretty good high. Jackie tells me she needs to take a shower, though – which is not what I have in mind. She has sand in her underwear, she explains, and gives me a smile. Though the longer we're away from the beach scene, the more her smile goes from wicked and fun to slightly embarrassed.

I figure that's okay. Jackie has done something I would never have guessed she'd get into, and if that's all that comes out of this trip, I'm a-okay with it.

I crack open a Jack Daniels from the mini-bar and dump it into a Coke. I'm in such a good mood that I deliberately choose the Coke (not the Diet Coke, hell, live a little) and don't even worry about the money like I usually would. My foot, to be honest, is killing me. I pop an Ibuprofen and my good mood keeps me from worrying about the drug and alcohol combination at my age. Why? Because my wife just let me finger-fuck her

on a beach watching a foursome, right before she gave me the best blowjob I ever had.

Jackie's in there forever, so I lie back on the bed and my mind wanders off to what we just did.

Incredibly, though (or maybe not so incredibly, because I've had so many drinks), I fall asleep.

Chapter 3

I wake up when I feel Jackie moving on the bed next to me. It's morning, and I know that because we forgot to close the curtains, and light is blasting directly into my face. Though by the strength of it, and the angle, it's been morning for a while.

It takes a few moments for the events of the night before to be re-activated in my mind. Oh yes, my head hurts because of the drinks... and then I remember everything else, and I feel my cock get stiff instantly. I am sideways on the bed, at an awkward angle. I roll over and pull Jackie toward me before she can get out of bed.

I reach an arm over her, placing it on her stomach. She makes a sound and says something about the curtains. I try to push her back down into the sheets. I hope she'll toss her head back on the pillow, and let me kiss her shoulder, then her neck, and then run my hand over her panties. Which I hope I will, of course, find invitingly wet and easily accessible when she spreads her legs...

She pushes my hand away gently and sprinkles a smile on me. "I just have to get that curtain," she says. She holds a hand to her head. "My head is killing me."

This is not surprising, because Jackie rarely drinks, and I haven't seen her drink that much for probably twenty years. I feel a little heaviness in my chest: maybe she's going to be too hungover today to get into the great mood from last night, and the even better atmosphere of the hotel. Or maybe she doesn't even remember what she got up to last night.

I'm grappling with this disappointment, and already talking myself down from the delightful fantasies I am having about my wife really getting into the "clothing optional" scene at this place, perhaps even repeating what we did last night, when Jackie yanks the curtains closed. But then she hops cheerfully back into bed and scoots her bottom closer to me.

I know she can feel my erection against her ass, and instead of stopping there, she grinds herself against me.

She's wearing a silky tank-top and a pair of shiny satin underwear, both red. In fact, I think to myself, I've never seen these before, and they're

a lot more sexy than her usual nighttime garb of a t-shirt with a hole in it (usually mine) and cotton panties.

“Hmm,” I say hopefully. I’m mostly kidding, because Jackie is not historically a morning sex kind of person. Maybe she was, ages ago – I can’t even remember that time of my life now – but I’m pretty much destined to get shot down, if the last fifteen years are anything to go by.

I decide to go for it.

I figure I might as well. I’m on vacation, away from the kids, and so far, Jackie’s been doing a strange thing or two.

I drape my arm across the curve of Jackie's body, along the dramatic dip from her chest to her waist, then the slow, rounding fullness of her hip. I scoot closer against the curved perfection of her ass.

She doesn’t move away; in fact, she pushes against me, her soft bottom enfolding my stiff cock.

I let my hand drop from her hip to her belly, taking a swipe across the satin panties that barely cover her trimmed bush. I move my fingertips over her belly, where a small roundness that fits into my palm emerges just below her navel.

My fingers keep moving, underneath the silky nightshirt.

I could get turned down any second, in which case I could divert to her belly button and pretend to be joking.

Jackie pushes her ass back, into my groin and against my cock. The tip of me is against her crack now, and I can feel the valley between the two mounds of flesh that make up her full ass.

I start to move my hand along her body and toward her breasts, hoping to slowly bunch the fabric of her nightie up in my palm until I can move down, along her skin, to the rim of the satin panties. I plan to go underneath them, to the small patch of landing strip left above her pussy. And then further, to where her flesh is soft and hot.

She gives me a light moan.

I stop, not because the sound is discouraging, but precisely because it *isn't*.

Again, I haven't scored morning sex in ages.

My cock pulses in excitement against her ass.

I prop myself up on my elbow, and I look at her face. Her eyes are closed, but her lips are parted in a small smile.

I slide my hand beneath the fabric of her nightie, and keep moving up. I take the hem of the nightie with me, hoping to get it out of the way. I want to pay a visit to her breasts and see if I can tease her nipples into hard beads.

My fingers find her right nipple, and I enjoy the sensation of its hardness as I make a circle around it with my finger, swiping at the silky skin of her caramel aureola. The pleasure of feeling her nipple harden in my hand travels as a shiver down my arm and through my abdomen, and my cock twitches again against her butt.

I move my hand down.

I slip my fingers beneath the panties. I can feel her silky hair, so short that it can barely curl, but there is a thin line of it. I run my fingers along the edges of the trim patch, where her skin is so soft I can hardly believe it. I play for a bit with the silky outside of her snatch, enjoying the feel of it against my palm. With my forefinger, finally, I seek the slit between her two lips.

My finger dips into a thick, hot wetness.

No kidding, I think.

I lean forward and push her hair from her neck, meaning to nuzzle against her skin.

But Jackie moves, and stops me. She doesn't pull away. Rather, she pushes her ass back against me and sort of folds herself over so that her ass is back against me.

The message?

No foreplay?

It's odd, but so was last night. And what man in his right mind turns an opportunity like this down? My fingers are clamped into her wet flesh, exploring, but now I pull them out. I do so easily, because her cunt is so slippery and wet. I move my hand to her hip and start to slide her panties away.

She moves her hand up to where mine is and grasps it. For a moment I feel an ache in my cock; the sensation of getting turned down. It's especially painful because she's let me get so worked up.

But her hand moves mine away, and grasps the fabric at the hips of her panties. She winds her hand beneath them and twists.

Her underwear gets sucked between her asscheeks like a thong. I can see this because I am looking down at what she's doing, my breath hot and

getting trapped beneath the light covers. I stare at the curve of her spine, the swell of her ass, and her hand just above it, which is twisting her panties up and up.

I suck in my breath. Jackie is winding her panties around her wrist like a rope.

I stare. My cock throbs, but I am unable to act for the moment.

Jackie has never done anything like this before.

She pushes her ass toward me, lifting it seductively. She twists her improvised BDSM device even tighter around her wrist.

I use the hand I have been propping myself up with to pull on the thong she has created. It's tight against her crack, and as I pull on it to test its strength, Jackie gasps. It must have slipped between the wet folds of her pussy – it's that tight – and pulled taut against her clit. She gasps again as I pull slowly. She rocks her hips toward me again.

I slide my finger up and down the length of the fabric, from the top, just at the beginning of the valley between her butt cheeks, to the bottom, where the fabric slips between her legs. The panties get wetter with each passing centimeter, and when I near the center of her legs, they are soaked.

Now I can smell her excitement. It's sweet and honeyed.

"Fuck me," she says. Her voice is hoarse and the words leave her mouth with some difficulty, because Jackie never says things like this.

So it's only in retrospect that this will seem odd. Later, when I reflect on it. Because at the time, I have my knuckles covered in the juices of her pussy, and her ass grinding against me, and my wife has just ordered me to fuck her with her hand bound behind her waist by her own underwear.

I don't argue. I fumble to get my cock out before she changes her mind.

Then, buoyed with confidence, I slide my fingers along her self-made bondage again. When I reach the top, I tug gently on it. I know the red fabric is pulling tight against her gash, possibly rubbing her clit, maybe just grinding between her folds with a tiny bite. She gasps again, and her gasp ends with a rumbling moan from her throat.

I do it again, a little harder.

Another gasp, and a low purr. The sound drives me wild.

This is fun, pulling on her panties like this, making her mewl. But my cock is so hard now it feels like it might burst. My precum is oozing onto her ass, and I smear it with my thumb.

Jackie rolls onto her stomach. Her hand is still wound up in her panties. When she gets on her stomach, she surprises me by working her free hand beneath the very tight fabric on her left hip. There is no way to wind this hand up in her panties: the fabric is already stretched like a cord and sinking into her flesh.

I can only imagine that it must be rubbing between her lips, against her clit. And she is prone and bound, and asking me to fuck her.

I climb over her and push her legs apart. The tight red panties are pressed against her asshole and tight against her outer pussy lips. I slide a finger from just above her ass, down, to lift up her underwear. The weight of her body strains against the material. I push the fabric out of my way. It holds her outer lip open so I can see her gushing hole and her throbbing clit very clearly.

She tucks her knees up beneath her a little, and the picture seems to open up. I have only to press her other labia away, and her entire flower is exposed for me, raw and swollen. Her nectar is dripping down her thighs, and even her pink eyelet is wet.

Maybe...?

No.

Jackie never lets me go there. Once, a long time ago, when we were very very drunk and not even married, but that didn't go very well and I didn't get very far.

I flutter my fingers over her ass anyway.

She shivers and gasps again.

"Fuck me!" she repeats, as my fingers make a circle around the rubbery bumps of her tiny hole. For a moment I entertain the idea that she wants me to fuck her *there*, which I have never revisited since that ill-fated try.

Of course that's a fairy tale, and my cock is so hard it's starting to hurt, so I aim it at her pussy instead. I enter her roughly, but I slide into her melted-butter flesh easily. She is almost *too* wet. As I move back and forth, the panties spring back to the center of her slit. They start to rub against my cock.

I don't care, just like I didn't last night about my foot.

I start to ram into her, and she presses hard against me. She's trying to get as hard of an impact as she can. Our skin slaps together. Her left wrist is

turning purplish-red now, streaked by white where the fabric of her panties cut into her skin.

Her muscles clench around my cock and she turns her head away to bite into the pillow. “Harder!” she screeches, before she begins to bite the white sheet.

The sounds she is making are different than anything I have heard from her throat before. But I’m not complaining. I slam into her, harder and harder, while she lets out a slew of filthy demands.

Jackie rarely talks dirty, and my ears are ringing as my own orgasm crests. I barely know what she’s saying, just that it’s hot and driving me wild.

I come suddenly, and harder than I have in years. It’s so much that I almost double over from the sensation.

Jackie screams as she comes, turning her face again to bite at the sheets.

We remain where we are for a few moments, panting. I slowly pull my cock from inside of her, and my cum dribbles from her engorged slit onto the bed. She unwinds her hand, and her panties – now stretched beyond recognition – release her flesh. The white marks against her skin begin to fade away to pink.

“Whoa,” I said, not knowing what else to say.

Jackie is still out of breath, her chest rising and falling. Her dark hair clings to the sweat on her neck, curling in the moisture. She remains as she was, with her ass in the air, my cum dribbling from it. I just enjoy the view.

Finally, she sits up, on her knees, and tosses her hair back. A little of it whips my face. I am just getting ready to slide my arms around her waist when she hops nimbly out of bed. The abused panties slip from her hips and land on the floor with a plop.

“Need to pee,” she says, with a smile.

“So...” I say, when Jackie gets back from the bathroom and slips into bed, behaving much more like the forty-two year old woman I’m married to than the wildcat I just had sex with.

She pulls the sheets up to her chin and wiggles her feet around at the bottom of the bed. She is smiling in a way that indicates she is a little surprised at herself, as well as I am.

“So?” she says, and rolls her eyes up at me. I am happy to see that she’s smiling.

I have propped myself back up on my arm. With my right hand I run my fingers over the contours of her body, and I’m pleased that her nipples rise beneath the white sheet, into tiny peaks at the round peaks of her breasts.

We laugh together.

“I dunno,” I say. “Do you want to... you know...?”

Jackie looks at me as if she’s clueless.

Disappointment starts to move through me again, like a cold anesthetic. But I also feel a sensation of relief. Because as hot as all of this is, I’m feeling a little out of control with Jackie behaving so differently. Like something has come loose, and maybe I won’t be able to steer things as well as I usually do.

“Do you remember last night at all?” I ask.

She puts her hand on her face and closes her eyes. She snorts. “Do I!” she says.

I can see by the awkward twitch of her lips that she does, indeed, remember it well.

“I can’t believe this place,” she whispers.

“Well,” I say, and now disappointment, of my two ambivalent feelings, begins to win out. “You seemed to have a good time.”

She pulls the sheet over her head. “I admit it,” she says, from under the sheets. “I did. But...”

She leaves the sentence unfinished.

“But...?” I prompt, because I want to know.

She flips the sheet down and looks at her feet, which she wiggles again, as if to provide an explanation for why she’s looking down there instead of at me. She bites her lip in the most fetching way. “But... oh, you know!”

She slaps me, playfully but fairly hard. Then she sits up and slides her feet around to the side of the bed. She leans over and picks up her panties, and then she tosses them aside. “Let’s go get breakfast,” she says. “I feel a little rough.”

“Wait a minute,” I say. I pull on her arm, and I’m pleased that she’s wriggling away, but with a smile. Still playful. “I want to hear more about this, ‘but...’”

And Jackie says:

“You just want to hear more about *butts*.” She holds the panties up again and sighs. “These are trashed,” she says. Then she looks behind her, at my stunned face, and smiles. “Come *on*, ” she says. “Let’s go have breakfast. I guess they put cinnamon in the coffee or something.”

I lean back on the bed with my hands behind my head. “Now there’s a detail you certainly remembered to read.”

Jackie laughs, and there it is again. That funny element to her laugh. She stands up, naked and beautiful.

“Are you going like that?” I say suggestively.

She puts a hand on her hip and tosses her hair. She does this so convincingly that I actually get a little worried again when she says: ‘I thought I’d give it a try.’

I raise my eyebrows and make some kind of face.

“No,” she says, snorting a little and tossing a pillow at me.

“Why not?” I ask, returning to my relieved joking mode.

She is in the bathroom now. “Yeah,” she says, and I hear the sound of a toothbrush in her mouth. “I’m sure the whole place is just dying to look at a forty-two year old woman walking around naked.”

“They are if she’s hot,” I say.

Jackie spits her toothpaste out and I hear her give an incredulous snort. “Okay. Anyway, get up, I’m getting cranky.”

I jump out of bed, onto one foot, tipping slightly as I try to balance and keep the weight off my foot. “Yes, ma’am,” I say.

*

We go to breakfast at a rooftop restaurant. I think both of us are a little hungover (well, I am definitely hungover and more than just a little). We don’t say much until the food arrives.

Jackie has ordered Eggs Benedict and, to my utter surprise, after they arrive she lifts a hand to touch the waiter’s elbow. He smiles at her the way almost everyone at this place seems to do, and it makes my cock twitch and my stomach sink all at the same time.

“Can I get a Bloody Mary, too?” Jackie asks him.

Only Jackie’s question – is it my imagination? - is not as neutral as it usually is. Or as it would be, if all she were doing was ordering a Bloody

Mary from a waiter. She lifts her sunglasses up to her head, for one thing, to give him a nice view of her pretty blue eyes. Her eyelashes flutter and she brings her hand to her mouth to chew on her pinkie finger.

Which... come on.

It's something a guy can only interpret one way.

"I'll have a beer, then," I say gruffly, slamming my menu closed.

The waiter's gaze lingers on my wife for just a moment too long before he turns his attention to me. "Of course," he says. "What kind would you like?"

"Tecate," I say. It's a shitty Mexican beer but for some reason it's the only one that immediately comes to mind, probably because I saw an ad for it on a table.

"One Tecate," the waiter responds, and then looks back at Jackie with his lecherous smile. "And one Bloody Mary."

Jackie flutters her eyes again and hands him the menu, which should be a neutral thing to do, but she somehow does it sexually.

I stare at her as she practically waves at the waiter like they're lovers saying goodbye for a year apart.

She flips her head back at me and leans on her elbows. She gives the sunglasses a tap and they slide down to her nose with a snap.

"What are you doing?" I ask her, in a mock whisper.

She shrugs, folding her fingers together under her chin. "Just checking out your hypothesis. Having fun. I thought you liked it?"

"I... well... I do," I blabber. "I... yeah. Okay."

Jackie leans back in her chair. She laughs at me. "Oh, jeez, Sy. They're *waiters*, I'm sure they have a staff meeting every morning where they're like, make sure to flirt with the cougars."

Jackie is killing it.

"Cougars?" I say. "You hardly look like a *cougar*."

Jackie relaxes her hands on the armrests, and then taps her fingers on them playfully. She makes a pucker out of her mouth. "That's true," she says. "I don't really have cougar-chest."

I have brought a glass of water up to my mouth, and the laugh just explodes into it, sending a whole cube of ice tumbling out of the glass and onto the table. This is because I know exactly what she means: the mottled, over-sunned leather skin on the chest of an older woman.

Which Jackie most certainly does not have.

She is grinning at me.

“Anyway,” she says. “Calm down. I’m just playing around.”

The funny element to her voice again. She says this almost like she's challenging me.

I lean back in my chair. Electric excitement is traveling over my skin again, and my stomach is twisting itself into knots. We’re back on this topic again, and Jackie is... well, amenable, at least... to discussing it.

“Well,” I say. “You could always do something more than that.”

Jackie lifts her sunglasses again. “Oh I could, could I?”

I nod.

She lets the glasses drop. “Really,” she says, and it’s a statement, not a question. “And you would be okay with that?”

I try to act cool. This is just a casual discussion, that’s all. A nice, calm, casual discussion about my deepest fantasies and desires, at a swingers' resort. That’s all. I shrug, but I realize it comes across as forced. “You know I’d be okay with it.”

Jackie smiles and looks up at the umbrella above us. “Are we talking just flirting here, or something else? I mean, seriously, Sy, because I’ll just say this, right at the start: I’m not going to end up on the beach in some foursome.”

She looks at me over her glass as she lifts it to her lips, and again I’m caught up in the strange expression on her face. I can’t tell if she’s serious or joking, teasing me or admonishing me for having dirty thoughts, or being ironic, or what.

I have absolutely no idea what she’s up to with this look. You’re married forever and a day and all of the sudden you have no idea who this person is.

I smile and take a sip of my water.

I’ve decided that the less I say, the better.

Our food is coming anyway.

*

We eat, and then Jackie says she wants to relax at the pool for a bit. She wore her black suit under her fairly conservative cover-up: a loose black linen shirt with billowing sleeves and a pair of jean shorts that are pleasantly short.

It's nothing, of course, compared to what the women around here are wearing – or not wearing, there was a naked couple at breakfast – but it's hot.

We go straight from the restaurant to the expansive pool and bar area on the first floor, in the center of the u-shaped hotel layout.

Jackie sighs. "I suppose you can't go in the pool bar," she says, looking down at my foot.

"You know," I say. "Why don't I just sit over here..." I motion vaguely at a line of reclining chairs against the back retaining wall, where no one is sitting or probably ever does. The wall is providing a lot of shade, along with the umbrellas, and the spot is tucked away enough that no one will notice me, but not so remote that I don't have a pretty good view of the bar and pool area.

Jackie looks at where I've pointed incredulously.

"That way," I add, "you can go have some fun. By yourself."

Jackie looks back at the pool. It's almost lunch, and there are quite a few people floating in the pool, dangling feet in the water, and sitting at the bar. Some of them are very attractive, some very young, and some quite old. In fact, it looks like a pretty normal scene at any resort, except that there is a definite sexual vibe to the place. I'm much more attuned to it now. I suppose at this sort of place, if you know that most people are here for the same thing, you get a little bolder about how you send messages to the opposite sex.

She puts her hand on her hip. Then she looks back at me.

"Seriously?" she says.

I shrug, again trying to look oh-so-casual, and probably failing. "Let's test your hypothesis. *I* think plenty of men will be interested in a forty-two-year old woman, especially at this place. I bet you'll have a guy flirting with you in like ten minutes."

Jackie rolls her eyes; I can't exactly see it through her sunglasses, but the face she makes reveals that she's doing it.

But she heads over to the shady area I pointed to just now.

She looks behind her as she walks.

That look again, even though I can't see her eyes.

"Ten minutes, huh?" I *think* I hear her say. "I think I can do it in less."

I'm not sure I've heard her correctly, so I don't say anything back. Jackie's surprising me every minute, and while that's a ton of fun it also

feels like... slippage. My stomach twists again.

It's too late, though. She's already out of earshot.

She turns back at me when she gets to the edge of the pool, and then she extends her leg with her hands on her thigh to dip her toe in the water. She's exaggerating, being a little silly, and I know that it's almost a sarcastic gesture.

But the other men probably just see a very sexy fortyish woman looking stunning as she lengthens her lean thigh to step into the pool water with an impish smile.

Jackie steps in slowly, and then glides into the water on her stomach. She playfully floats out to the center of the pool and then flips onto her back, dipping her dark hair into the water. Her conical breasts float above the surface, the water spills over her tummy, a tiny roundness floating out of the water. Her legs kick sensually and her lean arms spread out. She is picture-perfect in the center of the pool, and as I look around, I see that she's not going unnoticed, in spite of the plethora of pretty women sitting around half-naked on the edges of the pool.

Jackie paddles around for a bit, and I enjoy the scene. She stands up after a while and pushes the water from her hair. It looks jet-black like her suit, and has the appearance of being straight and much longer than it is, clicked back from her forehead. She glides to the pool bar, and takes a seat. I'm a bit disappointed that she sits alone, at the edge of the bar.

It isn't long, though, before a man comes floating over to her. He seems pretty young, though it's hard to tell from where I am. He has dark hair and a toned body, and there's no mistaking his intentions as he sits down next to my wife.

I don't know what I was expecting Jackie to do if something like this happened. I guess I figured that she'd get shy and start laughing or wave the guy away. Instead, she smiles, and starts sensually stroking the straw in her drink. Before I know it, she's turning toward him, leaning back a little in her seat, kicking her legs out in his direction, sort of floating next to him invitingly. Her mouth is open and she's smiling.

My wife, I realize, is flirting with this guy. A pleasurable chill runs through my body. I adjust myself in my seat. My cock is thickening as I watch her, kicking her legs in the water alongside this stranger's thighs, her mouth open and inviting.

I watch them talk for a while. Jackie finishes her drink, and then has another with this guy. I feel hot jealousy creeping along the back of my neck.

They talk for a while, while I sit burning in the shade. I feel myself silently urging the guy to drop his hand into the water casually and put his hand on Jackie's thigh, then run it along her leg and up to her bikini top. I can already picture him working his fingers under the fabric, bunching it up as his fingers move over her ass, inward to her crack, between her buttocks...

But they just flirt. Jackie doesn't even look over at me, and as I sit there, I have the perverse thought that she's just completely forgotten that she's married.

After about half an hour, the guy leaves, and Jackie twists her drink straw and waves goodbye to him. Then at last she looks over at me. It's a pretty good distance but I can see the corner of her mouth turn up in a wicked little smile, and I have to admit I'm a little relieved that she hasn't just forgotten about me entirely.

She orders another drink and takes an extra-long time, with her back turned to me, talking to the bartender, who is also quite happy to flirt with her. Then she slides out of the chair and into the water, crosses languidly to the stairs, and slinks along the edge of the pool and back to me. She is grinning when she gets to where I am.

"So?" she says, but she has an expression on her face that indicates that she already knows how she's affected me.

"Hot," I say, because it's the only thing I can really think of.

She sits down on a lounge chair next to me and stretches out her legs, which are still glistening with drops of water from the pool. "Really?" she says.

Then she adds, "That was kind of fun."

I look over at her. She shrugs. "I guess I understand it a little better, you know, after doing it?"

I am openly staring at her with my sunglasses sliding down my nose.

Jackie looks at me. "What?" she says. She shrugs again. "It was kind of fun, thinking about you over here watching me." She leans back in her chair and settles her shoulders against it. She drops her sunglasses and hides her eyes again, and I'm not sure what she's decided to do so I just sit there,

looking at her, wondering if this is actually my wife and where this is going to go.

And then she smiles. "So that guy," she says, her mouth in a sort of mischievous grin, "has a bunch of friends over at the hot tub."

I wait. I can't, to be honest, quite believe what is going on, and I'm half convinced I'm just dreaming. In some ways, I think I might *want* to be dreaming, because after all this fantasizing about my wife with other men, being this tangibly close to her doing something like that, I feel really out of control.

"Can you believe they have a hot tub here?" she says, as if that's the thing that is most unbelievable at the moment. "I mean, it's so warm."

I clear my throat.

I see now, from Jackie's smile, that she's really enjoying making me uncomfortable in this particular way. She lifts her glasses up. "You know he invited me over there."

"Uh..."

"With his friends."

I make a sound that really isn't much of a word.

Jackie lowers her glasses and shifts her legs around in this very sinewy, sexy way. "Do you think I should go?"

Do I?

I look around. I can see the hot tub from here, though I have to say, not very well. I look down at my leg.

"Do you want to?" I ask her.

She shrugs again. "Oh... I don't know. Do *you* want me to?"

I am thinking about my reply when Jackie stuns me by letting her hand drift over to my lap and feeling the contours of my hardened cock through my shorts.

"Hmm," she murmurs. "It seems like maybe you do."

"Um, I mean... yeah. If you want to. If you... are you going to... you know... what are you going to do over there? You think?"

Jackie pauses everything but her fingers, which are playing with my cock in light strokes that are sending chills through me. Then she purses her lips sexily.

"I don't know," she says mysteriously. "Probably just flirt a little."

My cock pulses.

Jackie sits there for a little bit. Then she sits up and drops her legs over the side of the chair. “Do you want anything? A drink or anything?”

I am staring at her and my mind is racing. I think I say, “A beer,” though I’m not really sure as she walks off toward the bar if I’ve said anything at all. She takes a towel with her in one hand and her hips sway a little as she walks to the bar.

But when she gets there, if she was in fact going to get me something, she is intercepted by the same guy, who has come around the other side of the bar from the hot tub and is smiling broadly at her. They go behind the bar, where they can stand without being in the pool, and I can see only their torsos as they lean against it and start talking to each other. This time, they are standing very, very close.

Jackie drapes her arm on the bar-top, and the guy leans in after her and puts his fingers very close to her hand. I watch as he lifts them and drops them onto the top of her hand, stroking the back of it as they chat.

I know it isn’t a big thing, and that I’ve been dreaming about far more... intimate... scenes between my wife and another man, but seeing another guy actually *touch* her, in a way that is not just “friendly” or professional, like a handshake, sends a knife of red-hot jealousy through my chest. I can feel my cheeks burning with something that’s a mix of excitement and rage.

I’m wondering if I should get up, hobble over there on my lame foot, and put a stop to what I’ve set in motion, but before I can take any action, it’s sort of too late. With a little shake of her head, and that shrug that is becoming all-too-familiar, Jackie is following the guy to the left, toward the hot tub.

My eyes snap to the area. There are two women and three men sitting on the side of the hot tub – which is, admittedly, a peculiar thing, given how warm it is. They’re sitting on the side of the tub dangling their feet into the water. One couple is sitting particularly close – a very attractive woman with a dark tan and a neon-peach swimsuit. The guy talking to her looks considerably younger than she is, and he is sliding his finger along the strap of her bikini and talking close to her ear. I then see that a gray head of hair is in the hot tub, on the side closest to me. I bet it’s her husband, watching from the other side.

I have a pang of jealousy of a different kind.

Jackie and her man have reappeared from behind the large column that was blocking my view, and Jackie stands by the edge of the tub area. All heads turn toward her, and a round of smiles and introductions ensues. But they're a different kind of introduction than "the usual;" the smiles are a bit wide and wet, the looks that are exchanged are hungry and more intimate than they should be.

And then the guy puts his hand on Jackie's back, and I watch as it moves down, along her spine and over the round curve of her bottom, where it stays.

I try to get a read on Jackie's face: is she mortified? Upset? Happy? Turned on? I can't read the expression on her mouth, and her sunglasses hide her cheeks and her eyes.

As much as this burns in my gut, it sends my cock into fully hard mode in a second. I can see the tendons in the guy's forearm moving, moving his fingers around behind my wife's ass where I can't see what he's doing.

But I can imagine. I can imagine his fingers sliding up and over her skin, down to the hem of the suit, beneath it to the fold of her bottom. Sliding, sliding, nearing the center of her shorts...

Jackie smiles, almost as if she's read my mind. Then she tips forward and twists around. She grasps the man's hand, and says something to him. Then she leaves, walking straight toward where I am sitting.

Well, you can't win them all, I think. It was fun while it lasted.

I still can't tell what Jackie's face is saying. She looks serious, but other than that I can't make out how she feels.

I notice, though, that Jackie is sauntering a little bit as she walks over.

I raise my eyebrows, and I'm about to ask her if something has gone wrong, when she smiles and leans over her chair. I see that nothing is wrong: she's come back for something. She digs in her large bag and then pulls out a bottle of sunscreen.

She clicks her tongue. "Sunscreen," she says.

"Are you going to put it on, or is he?" I ask.

"Hmm," Jackie says. As I asked the question, she was popping the top open and turning the bottle to her open palm. She uses her palm to snap the bottle shut. "Now there's an idea."

And then she saunters away.

I think I forget to breathe for the next few minutes while my wife returns to the hot tub area with her tube of sunscreen. I know the guy she's with saw her talking to me. I wonder what he's thinking, if he's asking himself why I'm sitting over here in the shade while my beautiful wife goes to a "hot" hot tub gathering.

The guy is sitting down with his feet in the water. As Jackie approaches, he reaches out an arm to her and touches her calf when she gets close. Jackie sits down next to him and he produces a drink from a small table behind him, one he evidently ordered while she was retrieving her sunscreen.

Jackie chats with him, thanking him, I'm guessing, for the drink. She has set her sunscreen bottle next to her and sets her drink down to pick it up.

I'm not sure if I'm disappointed or relieved, again, as she pours the creamy white lotion into her own hand, and then starts to rub it on her chest. Sure, the guy is looking at her, watching her, openly staring at her hands working the lotion into her skin. The oily shine spreads across her glorious sun-kissed skin.

But that seems to be all the show I'm going to get: Jackie rubbing sunscreen into her skin while another man watches lecherously.

Except...

When Jackie picks up her bottle to get some more sunscreen, the guy reaches over and plucks it from her fingers.

My heart skips a beat.

He squeezes some sunscreen onto his fingertips, and then sets the bottle behind him, out of reach of Jackie. Jackie has stopped moving and is staring at him, her mouth open a little. It's clear as day that he intends to use those fingertips to put some sunscreen on my wife, but what I can't tell from where I sit is how Jackie is reacting to it. I wonder if she was just teasing me all along and had no intention of things going this far.

In which case, the chivalrous thing to do would be to go over there and help her out.

Still, Jackie is a pretty big girl. She could get herself out of an awkward situation.

And there's always the possibility, isn't there, that this is going exactly the way Jackie wants it to?

My heart skips a beat again.

The guy reaches forward and pulls on the strap of Jackie's swim top. He slides his other hand across her skin, starting at her collarbone. He travels to the skin beneath the strap, and starts to move his fingers in slow, sensual circles on Jackie's chest.

He moves down, following the edges of the swimsuit – one hand lifting the fabric, the other following with drops of creamy sunscreen. He pauses occasionally to rub the lotion in and lean forward a little to get a nice eyeful of what is behind my wife's bikini top.

Jackie, for her part, does nothing except stare at the guy with a slack jaw as rubs his hand all over her chest.

But then I see that he's talking as he does it. What's he saying? I wonder. Words of seduction, or just casual conversation?

Jackie shifts, and then the guy climbs behind her, his legs on either side of her. He's a little bit back from her, and that's when I realize that he's going to do her back.

I don't have a very good view of him rubbing sunscreen into her back, but it's made up for when he pulls gently on Jackie's shoulder and she leans back against him. He slides his hand around her waist and onto her stomach, where he didn't get her before.

Jackie is facing me, and so I know that she can see me, if she is looking. She hasn't changed the expression of her face much, and her sunglasses are on, so I don't know if she is looking at me or her man's fingers as he travels all over her torso and then begins to give the same rubbing treatment to the hemline of her bikini – just this time, the bottom.

And from where I am sitting, it seems that he gets his fingers a lot further under the bikini bottom at the edges, than he did with the top.

This seems to go on for a really long time, and then Jackie leans forward. I am sure I see her lips form the words "thank you."

The guy leans back and trails his fingers down her spine before he swings his legs around and sits next to her again.

For the next half hour, I watch my wife flirt with this guy. His skin is pressed up next to hers, and they are kicking their feet in the water. A few other guys stop and talk to Jackie as well, and even though it's a fair distance away, I can see that they're taking their eyes all over her body.

I start to feel like an idiot for even suggesting such a stupid idea as a semi-challenge to my wife. Why the hell would anyone let a woman that attractive go flirt with guys in a hot tub at a swingers' resort?

I stare when the guy sitting with Jackie leans toward her – she leans toward him, too – and places his hand on her thigh. He is talking into her ear, but more importantly, his hand is on her knee, moving in little circles.

I cannot imagine what lewd thing he's suggesting to her. Or how she is enjoying it. Maybe he is telling her how he will lick her pussy until she screams, while he proves that it will be the best cunnilingus she's ever had, because he's able to send shivers along the backs of her thighs like he had his tongue on her clit just by talking about it. Or is it his fingers, sliding over her smooth skin, that are proving his point? If he can get her this worked up with just the tips of his fingers on her knee, what else could he do?

My cock is aching. I want Jackie to come back, and I want her to stay there. The forces pulling me in these two opposing directions are driving me crazy.

Suddenly, I am turned to ice when Jackie reaches an arm out and points to me. The guy turns his head and looks at me as well. They're saying something to each other, and I imagine the worst, whatever that is. The guy smiles. He raises his glass in my direction, and then goes back to hitting on my wife.

I am not sure how long this goes on, the two of them side-by-side in a hot tub (how ridiculous). This guy is leaning in close to Jackie, his lips moving all the time. They don't look like they're talking about the weather. Jackie's legs are kicking in irregular patterns – sometimes they stop in the water after he tells her something, and he smiles at her reaction.

And my cock just gets harder, my stomach turns over and over. And I sit there, watching. Waiting for something to happen, hoping it will, hoping it won't. I zone out of all context: our life, our marriage, this planet – all I can think about is how close Jackie is to being touched by another man. Taken by someone else. I picture him grabbing her hair and pulling her mouth to his, tasting the contours of her lips and their wet sweetness, polluting them with his own saliva.

I can't tell if I am willing this to happen or praying that it won't.

It seems to go on forever, this limbo, but Jackie finally touches his shoulder and smiles. Then she stands up and starts to walk around the bar and back toward where I am sitting, a towel modestly thrown over my shorts (however silly that may be).

As my wife slinks toward me she is wearing that expression again, the indescribable and unfamiliar one that I cannot put my finger on in any way. It's *hot*, but it isn't anything like Jackie.

She stands at the edge of my lounge chair, smiling. Her eyes drift down to my crotch, where the towel is not doing much to hide my erection. The strange expression covers her face again, and she grins.

"Not working out with your guy?" I squawk.

Jackie grins again. "I'm going in the pool," she says. "His name's Drew." She sits down next to me and pulls a room key and some cash from her swimsuit. It's a sexy, sneaky gesture, and one I'm surprised by because I didn't see her slide them in there to begin with.

"That's very... James Bond," I say lamely.

She smiles again. "Make sure you keep an eye on these for me," she says. "I might be gone for a while."

I am turned to cold stone by what she says. Or is it raging lava? Is it both?

Whatever it is, my cock pulses and I am frozen solid where I am, my jaw hanging open, trying to make sense of what my wife has just said to me.

My body remains paralyzed, running cold and hot, as she slinks back to the pool, where I see that Drew has brought over a flotation device for her, which my wife climbs onto with a surprising amount of grace. It's not without getting in the water, though, so her skin gets wet and shiny.

As she settles into the floaty, "Drew" lifts a hand in my direction. Like he's *waving* at me.

They start to float around the pool, Drew leaning on the flotation cushion near my wife's knees, looking right up at the edges of her swimsuit bottoms and by all accounts, enjoying the view.

My heart seems to sputter into motion, and adrenaline starts to fill my veins. I come back to life. I exhale and the numbness leaves my extremities.

I sit up.

I grab for my crutches and strain my right leg rising on only one foot without propping myself up (because I won't look like an old, decrepit man, dammit). My eyes are on my wife and Drew, slowly rotating toward the "river" that surrounds the hotel.

Each of the hotel rooms on the ground floor open up to a small private pool, and each of these leads into a pool encircling the hotel.

They're all varying degrees of private: there is a large wall, belonging to the gymnasium building, running along the opposite edge of our pool, for example, so only those passing by in the channel running around the hotel would see into the private pool area, which is enclosed on one side by a wall from the building, where the next room over has their porch, and a wooden dividing wall covered in flowers on the other.

It's down this channel that Jackie disappears with her new friend Drew. He is pushing her on her raft, and she is paddling along languidly in the water. Her body glistens with sprinkles of water, and she looks like a goddess.

And she hasn't looked back, not even for a second.

I have a problem. It's more of a problem than just the fact that my wife is paddling down the river with a man who seems to want to eat her up.

My problem is my foot.

But Jackie is disappearing around a corner, and I am either going to stand here and watch my wife disappear with another man for the afternoon, or I am going to do something about it.

I look down at my foot.

The instructions, are, specifically, not to get it wet.

Jackie's raft has turned and all I can see of her are her long legs, which she is unfolding sinuously for her man to see.

As the cushion makes a last, slow turn and Jackie faces me at last, she lifts her sunglasses and makes an odd gesture. I can't see it too well, I can only see that it is for me. And then she lifts her fingers and waves, and the two of them disappear around the corner.

I stand there, burning. I have a thought that I might jump into the pool, but only for a moment. And then, do what? Drag my leg and my melting cast through the water until I find the two of them doing whatever they're doing, and then have to stand there in the water because I can get out?

I waste a lot of time, my heart racing, thinking about what to do.

And it's only then that Jackie's gesture starts to make sense to me. She was pointing at something.

In the direction she was going? Or...

Back towards the lounge chair.

I hobble back to the chair, where I've left her stuff, anyway. My mind is split into two now: the part of me that can't stop thinking about my wife floating away with another man, and the shock of it, and the part of me that is looking for our stuff like a dutiful husband.

I pick up the room key and money.

I'm glad I do, because on one of the bills (American), Jackie's handwriting glares at me in dark black marker:

Room 135.

I go cold again. I flip the bill over, unable to believe what I'm seeing. And then I gather up our stuff and head, hobbling as fast as I can, for Room 135.

Our room, conveniently, is on the way, so I stop to drop off our stuff. I insert the card Jackie left, half-hoping it doesn't work and that it's the key to Room 135, and half-terrified that this is the case.

It's our room key, though, and it opens the door.

I throw our stuff inside, all but one of my crutches, and I head back down the hall as fast as my disabled leg will get me there.

I'm standing in front of it for a while.

Do I knock? What's the protocol here? What's Jackie doing in there?

Or is this even Jackie's handwriting? Maybe this is all just an illusion in my mind, and the two of them have floated around the hotel and back to the main pool, and nothing like what I am thinking is happening.

I put my ear to the door.

I can't hear anything through the door, nor can anyone else, because that's the kind of place this is.

I consider knocking. I consider, too, how that would proceed in the best of all circumstances, and decide that I'm (insanely enough) too shy to just speak to the guy who's going to fuck my wife.

I look to my left, where the hallway ends at a balcony that hangs over the pool.

I look down at my crutch and my foot.

I think about the fact that I am a forty-five year old man with more sense than this.

And then I hobble to the end of the hall, lean over the side, survey the situation, have one more thought about how crazy I am.

And then I step over the black iron balcony and onto the edge, leaving my crutch behind. And I, Sy Price, start to hop along the edge of the pool, clinging to the balcony and then to anything I can grab. Right around a wall and into someone's private patio.

Thankfully, no one is in the two rooms whose private pools I hop around.

It's exhausting.

I'm ridiculous, I realize, but I'm driven by the last sighting of Jackie, floating away with another man, and so I go on. I lean against the next wall, eyeing the very small lip of slippery white brick that I will have to hop around (I'm putting the tiniest bit of pressure on my broken foot and honestly, it's okay – but it isn't enough to make the going easy.)

At last, I hear Jackie's voice. It's light and flirty, the kind of sounds you hear from a porn star in the five minutes before the whole thing gets raunchy. But unmistakably hers. It's one patio over, right where room 135 would be.

Sighing, I move to the wall and peek through the wooden fence and the tangle of flowers.

I am so stunned by what I see that I have to jerk my head back, take a breather, and refocus. I almost fall backward into the pool.

I peer through the slats again.

Jackie is sitting on a lounge chair. She is pulling her swimsuit top up and over her head.

Drew, who is on his knees behind her on the lounge chair, is ready with some sunscreen.

Again.

He rubs the sunscreen between his palms, warming it. Jackie waits, her hair suspended by one hand, and I can tell that a breathless anticipation has overtaken her. She is already thinking about Drew's hand, and how they will feel on her shoulder blades, then wherever they go from there.

Drew places his large hands on her shoulders, and trails them down her back, where he massages her gently for a moment. Then he slides his hands around to the front of Jackie's body, as simply as if he has done it thousands of times before and Jackie's breasts are his to touch.

He cups her breasts and kneads them in his hands. Jackie makes a pleased sound and leans back against his bare chest. Her eyes are closed and she seems to be blissfully enjoying this man fondling her as he

“applies” sunscreen (which, as I haven’t forgotten but evidently they have, he has already applied).

He rises from the back of the lounge chair after leaning in to whisper something in Jackie’s ear. “Mmm,” she says. “I don’t know.”

They turn around and look out at the water.

Jackie giggles. It’s not a delighted or a funny-joke giggle, but a naughty one. The sound of it falls all over me like shards of glass, stinging and cutting through me.

Drew pushes Jackie down onto the lounge chair. Jackie draws a hand up to her neck and looks down at him, as he slides her suit bottoms from her body. “I don’t know,” she says again, but she reaches forward to get her fingers into his hair. “I have to...”

Her voice trails off as Drew slithers up between her legs, pushing them apart and holding them open. His head moves in to her wet center.

At the angle I’m at, I can see Jackie’s face perfectly as her eyes fly open in surprise and her jaw drops.

Drew’s head begins to move as he attends to my wife. I can’t see what he’s doing, and I’m desperate to: but I can imagine it, only by watching the expression on her face. She stares down at him, her fingers clutching more fiercely at his hair with each passing bob of his head. “I can’t... I should really wait for... wait for...” I hear her say.

Her head falls back. Drew is working furiously on her pussy now, and she has forgotten all about what she should wait for. Her legs are trembling in his hands, starting to shake as she gets closer to coming. Drew has his tongue inside of my wife’s pussy, he’s licking her until she comes.

This is really happening.

“Oh, oh, oh my GOD!” she screams, and her legs almost fly out of his hands. She bucks her ass up from the lounge chair and into Drew’s mouth. He grips her fiercely and continues to eat her out. She grips his head and pulls him to her, and then as her orgasm winds down she tries to push him away.

But he is locked on her cunt, still going. She tips her head forward and looks down at him, open-mouthed. “I can’t,” she moans. “Oh, please, I can’t take any more... oh God, no, no more.”

Drew continues to eat my wife’s pussy.

I have no idea what to do. I am reeling from what I have seen: as much as I wanted it, it’s tearing me apart. Now it’s really happened: my

wife has really let another man taste her cunt. And he's still going at it, savoring her sweet juices, making her legs shake and her whole body shudder. He's going to eat her out until she comes again.

I could put a stop to it, but I'm paralyzed.

I move toward the edge of the wooden fence and peer around it. My leg is hurting so I prop my knee up on a bench leaning against the wall. If I just lean out I can see the whole scene, from a better angle as Drew maws down on the wet center of Jackie's mound.

At last, when she starts to mewl so wildly it sounds like she might pass out, he draws his face back from her pussy. I can see his tongue flick at her clit and the soaked lips of her cunt. She is so wet that his whole jaw is sticky with her cum and excitement. Her pussy is engorged, red and bursting beneath her trim line of hair. Her stomach rolls in waves as she tries to control herself.

Drew stands up and drops his boxers.

I watch my wife's face as she drops her gaze from his face to his cock, which is erect and enormous, pointing out straight in front of him. It's thick, ropes of blue vein wrapped around it, pulsing with his own excitement. The tip glistens with his precum, and when he looks at Jackie's pleasure as she takes his cock in, the whole shaft pulses and it practically slaps him against his thigh. He takes it in his hand and begins to stroke himself while she watches.

Jackie opens her mouth and says, again, "I really should... um... wait..."

At this moment she moves her eyes lazily out at the water, and sees nothing. But as she is moving them back to Drew's cock, I lean out a little further, and her eyes meet mine.

There are many things I could do at this point, but I do none of them. I do nothing.

I suppose because, in the end, I really want Jackie to keep going. If I didn't, wouldn't I step around the fence and tell her to go back to our room?

Instead, I meet her eyes, and she meets mine, and then she looks back up at Drew as she leans forward. She reaches for his cock, and in seconds, it is in her hand.

She brings the crown of his dick to her lips and rubs it on them.

Now that Jackie knows I'm here, she seems to be putting on more of a performance. "Mmm," she says, and she flutters her eyes to look back at

Drew as she licks the fat bulb of his crown with the flat of her tongue. It's an obscene, pornographic gesture: she has her mouth open like she's twerking and she's rubbing his cock and his precum all over the blade of her tongue.

And then, she lowers her eyes to his cock, then very quickly over to me. Her eyes are on mine as her mouth stretches open and she takes Drew's cock inside of her throat.

Drew clutches the back of her head and leans his own head back, moaning with pleasure as my wife's mouth slides down the length of his shaft until her lips are almost at the base. His dick is so big she can't go any further, even though he seems to be pulling hard on her head to try and get himself completely inside of her.

Jackie reaches a hand up to fill in the space between his pelvis and her lips, and with an expertise I was not aware she had, she starts to move her mouth and her hand in rhythm. Up and down she slides her mouth on Drew's veiny cock, which is pulsing in her hand. I can hear the wet slurping from where I am, below the sound of Drew's breathing and occasional grunt as my wife services him with her mouth.

And this whole time Jackie's eyes are on mine. Burning through me, hanging over another man's cock.

Drew's abdomen flexes and he clutches Jackie's hair more tightly. He's going to come.

I wonder what Jackie will do.

She drops her eyes, and looks up at Drew submissively. But she keeps going, stroking his pulsing cock even more fervently, trying to milk the cum from him.

Drew looks down at her and pushes her head further on his cock as he lets out a groan.

And Jackie? She keeps her eyes on him as he dumps his load of cum in her throat.

I start to double over with the pain in my abdomen, which is just as much from the burning jealousy I feel as my hard dick. Jackie looks over at me and smiles as she releases Drew's cock, which she still holds in her hand. With her eyes on mine, and a smile on her lips, she licks the length of Drew's cock, all the way to the base. She breaks eye contact with me only briefly, to turn her head slightly and curl her tongue under his ball sack, lapping up the cum that has dribbled there.

She moves back along the length of his cock, sucks his crown into her mouth one last time, which causes him to groan again and push her away by her forehead.

He take his cock in his hand and holds it while Jackie leans back in the recliner.

“Dang, girl,” Drew says, and it is suddenly evident to me how much younger he is. He sighs, kicks his feet out of his swimming trunks, and kicks them aside. His cock is still semi-hard and bounces lightly with this movement.

He stretches. “I’m going for a swim,” he says. “You coming?”

Jackie smiles and looks over in my direction. Drew starts to follow her gaze and I duck behind the fence. I don’t know why: it isn’t as if I’m really hiding from anyone or anything here: everything goes at a place like this, after all.

“I have somewhere to be,” Jackie purrs. “You go ahead.”

I hear their lips meet, and I peer through the slats in the wood just in time to see Drew withdrawing from kissing my wife. “Hope to see you around,” he says. And then he stretches again and jumps into a dive into the pool (a dumb thing to do, in shallow water), and like a muscled knife, he is gone. Jackie smiles at him when he looks back. She waves.

I step around the deck carefully as soon as he’s gone.

Jackie has already stood up and is pulling her swimming bottoms on.

I stand at the other end of the deck, my chest heaving.

“Come on,” she says, still smiling, and her calm demeanor confuses me so much I simply follow her. We walk through Drew’s room and into the outdoor corridor outside. We are just doors away from our own room, and so there isn’t much time to say or do anything but follow Jackie, my slutty wife, into the hotel room. After hopping to the end of the hallways to retrieve my other crutch (sexy).

She produces a key from God knows where).

“Well?” she says, turning around to face me when the door closes.

I am still too shocked to speak.

I don’t know what to say or to do. My cock is aching and I want to slap her, I feel enraged and as vital as I ever have.

And Jackie, curiously – who was just a complete slut right in front of me – is stepping forward as if everything is totally fine, as if she didn’t do

what she just did at all. She plays her fingers over my pants, touching my cock, smiling. "Did you like it?"

I have no idea what to say.

I gape at her, as she grins.

"I hope you do," she says. "It was your Christmas present."

My eyes bulge.

I'm not quite sure what's happening here.

"Come on, Sy," she says sitting down on the bed. She is spreading her legs and drawing a finger between her breasts sensually. "You don't think I'd *not* read the fine print on a vacation package, do you?"

She flutters her eyes. Her finger travels down to the center of her bikini bottoms, where she traces it over her mound and starts to play with the hard bump of her clit through the fabric.

"You... you planned this?" I manage to stutter.

Jackie laughs and crosses her legs, throwing her hair back. "You mean it really worked?" she says, with a note of triumph. "I thought for sure, so many times, you had me all figured out."

I stare at her. With her wild hair, her cum-stained bikini that hides her just-fucked pussy, and the gleam in her eyes, she looks nothing like my wife for a moment.

"I thought for sure it was all so obvious," she says, and she hops onto the edge of the bed on her knees. She slides her hands down, into her bikini bottoms, out the legs, back up, where she pauses at her crotch, playing with her wet pussy. She brings her right hand up to her mouth and sucks her juices off her fingers with a pop. "Don't tell me you don't like it," she says.

Devilishly.

"What?" I manage to say.

She is sliding her bikini off. It's down to mid-thigh now. "Don't tell me you don't want to fuck my brains out right now. See for yourself what I feel like one last time before I get stretched out by a big, huge cock?"

I am on her before she finishes her sentence, and she starts to giggle but turns serious quickly as I push her onto the bed and jerk her bikini off so quickly it tears. I yank her right leg out of the material and push it to the side, staring down at the pussy that Drew explored just moments before.

My ears are still ringing with her suggestion, the barely-hidden idea that she might go further still.

She is pulling at my swimsuit, tearing it away from my cock. I'm so hard now that every moment is painful, and I can hardly wait to sink inside of her.

When I do, she is wildly wet. My cock sloshes inside her pussy, and takes almost no time for me to work up to near orgasm. But she wants to come again, I know because she is grinding against me and begging me to fuck her for just a little bit longer.

We come at the same time and it is the most violent orgasm I have experienced in my life. Her cunt tightens around my cock in wave after wave of heated, slick muscle. For a while I am dizzy. I don't know how we ended up on the bed, side-by-side, or how long we are there before we start to talk.

My hand is on my forehead.

"So what the...?" I say.

She smiles. "You've been telling me forever how this was your fantasy," she says.

There is a long pause before she starts talking again. When she does, she has this conspiratorial whisper to her voice.

"I met this girl at spin class, and we started talking. She's been married like the same amount of time as we have, and we... you know. Got into girl talk."

I don't, I want to tell her. I don't actually know what that is.

"So she somehow actually brings this up, that her husband is into hotwifing. And that she gave it a try because he kept asking her to do it, and now they're just... like, into it. So of course I ended up finally confiding to her that you... you know. You have this fantasy. And she's like: you should just do it."

"So you did?" I say incredulously. "Just like that?"

Jackie shakes her head and smiles, now with a hint of embarrassment. "Of course not! I was like: that is crazy, I could never, you know? So she's actually the one who recommended this place because it's kind of like a... I don't know. Starter kit or something."

I don't say anything, so Jackie keeps talking.

"I thought if it looked like, I don't know, an accident, then it would happen more organically or something. Or I could back out, if it turned out

you didn't really want to. But Kelly – that's the girl – she convinced me that you wouldn't be unhappy about it. If I actually did it."

She turns to me. "You're not, right?"

I sit up on my elbows, ignoring the question. "So this is all... you planned this whole thing?"

She rolls onto her stomach, squirming and stretching delightfully. She pushes a pillow out of her way and leans on her arms. "I mean, not everything. Like, I didn't know who we would meet or what would happen exactly. But you mean, like, did I know this was a swingers' resort?"

I raise my eyebrows.

"Yes," she says. She adds, after a pause: "I was going to just do it in a massage with Luis, but then this whole thing at the pool happened and I just decided to... go for it."

I fall on my back with a sharp exhale. "I can't believe it," I say. And this is true. My wife is incredibly, incredibly... unbelievable right now.

She has her thumbnail between her teeth now. "But you liked it, right?"

There is a trace of nervousness in her voice. Not much, but enough to make me feel relieved: she isn't entirely different.

"I think... I sort of... what just happened sort of speaks for itself," I say. I turn to look at her. "I still can't believe you *planned* this whole thing."

She leans close to me and kisses me. "And it's not over yet. I just got tired of all the... pretending. That, and... I'm also really worried you're going to fall into the pool."

She smiles. "Merry Christmas."

I blink.

And then I find myself asking the dumbest question ever.

"So you were just pretending you didn't know this place was a swingers' club?"

At which Jackie smiles the smile reserved for our marriage.

*

We hang out in bed for a little while, Jackie dozes off, I stare at the ceiling, replaying the scene I just witnessed over and over in my mind. I'm turned on when Jackie curls up and then stretches herself awake with a yawn, so we make love again.

It's a more passionate, more tender, more connected lovemaking session than we've had in a long time.

Then we decide we're hungry. We take a shower together, all the time not really talking so much. I feel reconnected to Jackie in a way that is much more like when we first started dating, when we were in love and not just people who loved each other.

We end up taking a cab to the little town not far from the resort, where we find a pizza place that Jackie really wants to go to. The pizza is pretty awful and the atmosphere is hilariously adolescent: a concrete slab next to the beach with a single ragged umbrella and plastic benches that look like something from the malls of my childhood. But it's probably the best meal I've had in a long time. Jackie's hair keeps flying into her pizza with the ocean breeze and she has to constantly clear it from her eyes and face with a gesture that I have always found adorable.

The whole time we eat, we don't say much, and I spend it thinking about how incredible my wife is.

We head back to the hotel fairly early, and I doze off while Jackie gets ready for bed. When she comes back to the bed, we spoon, and I feel inclined to get something going with her but in a sleepy way. Eventually we fall asleep.

Chapter 4

Jackie is up earlier than me, and I hear her get up and shower.

She is standing at the end of the bed, now, nudging my foot. “Come on, sleepy-head. It’s almost noon.”

I open my eyes. To my surprise, Jackie is in a red bikini now. It’s one that I spotted in the hotel gift shop, because it’s incredibly skimpy.

Incredibly.

And by incredibly skimpy, I mean that it is not really a bikini so much as a collection of mesh and what looks like yarn in the places where a bikini should be – covering nothing. Jackie’s nipples peek out of the yarn-like web, and the dark line of her landing strip can be seen, in patches, through the material of the bottom.

She twists her hips side to side.

“What do you think?” she says. She adjusts the bikini a bit as she twists her torso over her hips. “I’m not quite brazen enough to go totally buff. But I thought this would be... you know. Fun.”

My jaw drops. “It’s... It’s...”

“You like it?” she asks, but I can tell she knows that I do. I like it very much, and I’m getting turned on just looking at it. Not to mention – because my mind has already gone there – thinking about her wearing it on the beach, near the pool, in full sight of so many other men.

“You’re actually going to wear that?” I ask, stupidly.

Jackie puts her hand on her hip. “Of all the things,” she muses, “to ask me if I’m actually going to do.”

“I didn’t mean that how it sounded... I just...”

Jackie is on the edge of the bed now, crawling toward me on her knees, grinning. “You just... what?” She drops her hand and feels around for the erection I’m certain she knows is there. She grins.

“I’ll stop talking,” I say.

Jackie grins. She pulls the sheet away from me, and lowers her head.

*

It's... admittedly not a hugely long time before we are showered and ready for lunch. Jackie proposes a way for me to take a bath/shower, with my leg hanging out of the tub, and she helps me with it in an erotic way that almost makes us even later than we are to starting our day.

I hop along with her down the cool corridor toward the stairs to the rooftop restaurant, where we've decided to eat. My stomach is writhing in anticipation as we head toward the plaza-like area in the center of the hotel, where Jackie will be on display in her little, see-through, bondage-like "bikini." The back of the suit is just as appealing as the front, and Jackie's ass looks terrific in it (and hanging out of it, and through it). I hold back a little to watch as she steps into the sunlight and strolls by the pool.

I'm aware of the fact that I don't exactly cut a "smooth" figure as I hop behind my hot, hot wife in that suit. But I really don't care. It's amazing that I don't care; you'd think that it would be a little humiliating. Maybe it is, maybe I'm enjoying that a little, too. Or maybe I'm enjoying the fact that the woman in front of me *is* my wife, and so all these guys can ogle her as much as they want (and they are, she's turning heads and igniting interest from every angle); but at the end of the day (and the vacation), she's going home with me.

Hobble or no hobble.

I have an especially nice view as we climb the stairs, so I sort of milk my cripple act to be three steps under her as she ascends. This gives me a nice peek at her long legs, and occasionally, slit as she walks up the stairs.

Jackie is already seated when I get to the table and awkwardly fall into my chair.

She leans on her elbows and smiles at me. "I think a lot of guys were actually checking me out," she says excitedly.

And there I am again, on a razor's edge. This is exciting, but is it too exciting? Jackie's got an excited tone to her voice, like she's getting a taste for something she might start indulging in too much.

And what would be too much, I wonder?

Our waiter approaches, and it's none other than Luis, from our first day.

Jackie smiles at him, moving her eyes from me to Luis in a look of mock surprise.

"Well," Luis says, setting some waters on our table. "It looks like we are loosening up a little on our vacation."

This is for Jackie, clearly. I look about as loose as a screw on a NASA project.

Jackie smiles flirtatiously at him. "Can we get two of your special drinks?" she asks him.

Luis bows, or some crazy thing, and Jackie gives him another flirty smile.

I take a sip of my water.

Jackie turns back to me. "I was thinking," she says, drawing her hand along the outermost edge of her top. "You remember how Luis mentioned that he... you know. Has some other services he offers?"

I set my glass down, trying to play it cool.

"Uh-huh."

"Well?" Jackie says. "What if I, um... see if he's available?"

I look at the waiter, then back at Jackie.

She is smiling.

"I think you might be able to get a more comfortable seat," she says, grinning.

But she is already leaning her cheek on her palm and turning toward Luis, who has somehow retrieved the drinks already and is returning to our table. "Thank you," Jackie says, playing with the straw with her fingers in a way that would best be described as brothel-worthy. "Luis..." she coos. "I remember you telling me something about a massage the other day?"

Luis smiles. "I give *excellent* massages."

"Mmm," Jackie purrs. "And... is this the kind of thing maybe Sy here could come and watch?"

Luis smiles at me. It's a knowing smile. In fact, it's not as unnerving as I might have thought. It's the sort of smile he seems to have given to hundreds of men before. "Of course you're welcome to come and watch," he says. "Or even.. participate."

My mouth is getting dry. Jackie shoots me a look that warns me not to speak, which is an admittedly good idea because lately I am making a mess of speaking. Fine, I think. You know what? This is my present. I'll just relax and let it hit me in the groin as it comes.

"You have any time today?" Jackie says.

Luis grins again. "I have just the thing, at three o'clock."

"Where do we go?"

Luis smiles. “I come to you. Now... you want some lunch?” He is smiling when he adds: “Eat something light.”

*

We’re not back to the room until fifteen till three. I’m thinking about what a strange time it is to have a guy over to fuck your wife, and Jackie is thinking about what to wear.

She decides on a robe, nothing more, and so I get comfortable on the bed while I watch her untie her skimpy bikini and slip out of the bottoms. Her pussy is still a little red from yesterday’s antics; a little puffy, a little used.

It turns me on, I have to admit.

And it’s only going to be more so from here.

My stomach twists again, anticipation running along my skin as electricity.

Jackie ties up the robe and looks at me. “You ready for this?” she says.

I nod. I guess so.

Obviously one part of me is ready.

At precisely three, there’s a knock at the door. So much for “Caribbean Time.” Jackie smiles at me, her eyes dropping to my foot. “I’ll get it,” she says.

When she comes back, Luis is following her. He smiles at me. He’s carrying a massage table.

I suddenly have a sinking feeling: what if this really is just a massage?

This is when I recognize it: I am more disappointed than relieved by that thought, that this might be just a massage. I was looking forward to watching my wife be a slut again, and the thought of having it taken away from me is almost too much.

It tells me: this *must* be what I want.

Jackie looks over at me, clutching her robe. I can tell she is wondering the same thing.

But I know Jackie likes massages – legitimate ones – anyway, so I see her give something like a shrug to the room in general.

Luis sets up his massage table while we watch him. I'm unsure of what to do, exactly, in a situation like this. Jackie set out some rum and a few Cokes for me, so I make myself to look nonchalant.

Luis sets up the massage table, which is really incredibly sturdy when he's done. He gives it a good shake, as though he's reading my mind, and it remains improbably still.

Luis takes out some oil and starts to rub it in his hands. "Okay," he says to Jackie. "Ready to begin?"

Jackie nods.

Luis lifts a sheet up from the table, and again I feel disappointed: it may be just what we've been calling it, a massage.

Jackie slides the robe off her shoulders. Even though Luis is being professional and holding the sheet up above his eyes, there's something deeply erotic about the fact that another man is inches from my wife's bare body, with only the thin sheet between them.

Jackie lies down on the table and settles herself in, face down. Her lean body makes a pretty sight: the pressed bubble of her breast under the curve of her back, a sharp curve at her waist, and the round hill of her bottom.

The sheet falls over her body, and Luis begins to arrange it for maximum exposure of her skin. He folds it at the edge of her bottom, and his fingers graze the fold of her ass where it meets her legs. Just fractions of an inch from her pussy.

Jackie gives me a smile, her face turned toward me. Luis also looks at me and sort of half-smiles. Then he gets to work.

He starts at her feet, making his way to the end of the table and taking her small feet in his hands. He kneads the sole of one foot, then wraps his fingers around her foot and moves his fingers in undulations around the arch. First one foot, then the other.

His hands move to her ankles, then her calves. The same gentle, firm motions; kneading and then rubbing, then caressing as his hands inch further up, toward her ass.

He pulls the sheet down so that only her bottom is covered, and I see her stiffen a little. He gets some oil and starts to move his hands over her body in long strokes, the sound of the oil sticky and wet on her skin. His dark skin contrasts with hers, and I stare at his thick fingers as they roll over her ribs, her shoulder blades, her lower back.

He looks up at me, and I nod in encouragement. It's Jackie's show, but I'm certainly not going to put up any barriers here.

"Relax," he says, as Jackie tenses again. "Now, I have a question for you," he says, his hands moving up to her neck, fingers playing with her scalp. A streak of goosebumps flash across Jackie's neck and shoulders; I can see that the wispy hairs of her neck are standing on end.

He massages her for a bit, while I wait on pins and needles for his question.

"Have you ever had a toe job?"

Jackie almost pushes herself straight up, but he moves his hands deftly along her back, smiling.

"A.. a what?" Jackie says.

Luis works expertly on her back and his voice becomes very soothing. He's looking at me when he says. "No, no, it's nothing like what you're thinking. Not exactly."

Jackie ceases trying to push herself up. Luis's hands continue to roll and knead her flesh, massaging her, tickling there. He heads back down, skipping her still-covered bottom and starting with his fingertips deep in the inner area between her legs. He moves down, not prompting her to answer the question.

Down further, and he moves around to the end of the table. He lifts one foot, so that it is pointed up at the ceiling, bent at a 90-degree angle at the knee. He starts to massage the sole of her foot with his thumbs, pressing along the length of it.

It looks perfectly legitimate, like a regular massage, until he leans over slowly, and then, with his hands holding her foot like a sandwich, he sucks her big toe up into his mouth.

I see the effect this has on Jackie as it rolls in a wave from her head to her toes. Her skin turns to gooseflesh and she shakes on the table. I hear her suck in her breath sharply.

I wonder if she's going to tell him to stop, but she doesn't.

Luis is rolling his tongue around her toe, inside of his mouth.

Jackie begins to squirm on the massage table; it's clear that he's getting to her. But he takes his time, moving his lips along the length of her big toe, slowing his assault on her.

This only makes Jackie wiggle more. Luis releases her big toe and starts to run his tongue along the length of each of her small, soft toes,

sucking on the fat pads of each of them before moving on to the next.

He finishes one foot and lifts her other foot by manipulating her calf. His tongue works its way around the tip of her big toe and then he sucks the whole thing into his mouth.

Jackie makes a noise. It's a cross between a gasp and a moan, but she's trying to keep it in. She squirms again, and the sheet on the table slides over her skin, threatening to tumble to the floor.

Luis's eyes are on my wife's bottom now, because the sheet is slowly slipping past a point of no return. Jackie stops moving her bottom, evidently not wanting to send the sheet falling to the floor but also not wanting Luis to stop what he's doing.

Her back rises and falls with her labored breath as she tries to control herself.

Luis lets his hand slide over her ankle and down to her knee. Jackie's body ripples and the sheet slides off completely.

Luis is kissing her now, slowly moving his lips down her foot to her ankle, and then along her calf, his head tipped in the opposite direction so all I can see is his head as it makes its way down my wife's leg.

Jackie pushes herself up on her elbows. Her hair tumbles loose around her shoulders, freed somehow from the loose ponytail she had it collected in before. She looks at me through her wild hair.

I nod to let her know it's okay.

More than okay; please, God, Jackie – continue.

Luis reaches the back of her knee, and Jackie's eyes roll a little and then close. Her lips part and she gasps. "Oh, I..." she murmurs.

Luis moves his muscled arm out and gently pushes her down on the table, while his mouth keeps traveling along her leg. He's behind the table now, traveling up to her bare bottom. One hand follows his mouth, playing with the places he's just kissed, and the other hand is resting on her back, making circles on her skin with his fingers. Holding her still.

When he reaches her bottom, I see his tongue dart along the crease where it meets her thighs. Jackie gasps. Luis smiles and his hands slide along her inner thigh, fingers getting closer to her pussy.

Abruptly, he changes course, and begins to work his way back down her leg.

I'm mildly disappointed until I see his plan. He gets to the end of the table, and slides his hands along both of her outer legs. His fingers sink into

her flesh as he grips her, just above the knees, and pulls her along the table toward him.

Jackie lifts her head to look behind her, then at me, then back. Luis meets her eyes as he gets her into position and starts to pull her legs apart. She is now bent over the table with her bottom toward Luis. He makes circles over her round ass, his dark hands massaging her. And then he lowers a hand, draws it up from just above her knee, along her inner thigh, and right between her legs.

His other hand slides to her lower back.

I can't see exactly what his fingers are doing, but the sound of them slipping into her pussy is sticky and wet, so I know that Jackie is excited and ready for his touch. By the way his forearm flexes and move back and forth, I know that he is playing with her pussy, exploring her folds. Jackie balls her hands into fists and her mouth falls open.

The sticky sound of his fingers moving in and out of her pussy is followed by a moan from Jackie. Luis is watching his hand as he penetrates her, and her body begins to move on the table as he delves deeper inside of her.

The hand he was holding her back with moves back to her bottom, and he uses his thumb to push her ass open and get a better view of what he is doing. Jackie's eyes fly open and she looks upward to meet my eyes. Another moan escapes her, and then a little squeak, as Luis pushes his hand deeper inside.

Jackie's moans get squeakier and less controlled, until at last she lets out a scream as she comes. I see her legs shaking almost uncontrollably as the orgasm rips through her body, and the sound of Luis's fingers sloshing in her pussy gets even stickier and wetter than before.

Luis continues to play with her pussy and fuck her with his fingers – he seems to have three inside of her – even though Jackie is squirming like she can't take any more. His every touch makes her body ripple.

Finally, he slows to a slow and steady pace, turning his hand inside of her, still “massaging” the insides of her, perhaps even rubbing his thumb on her clit.

“Now,” he says. “Is that all the massage you want? Or is there something else I can do?”

He's speaking to Jackie, at least with his words. But he is looking at me, looking for me to make the call.

I am about to open my mouth, though what I'm going to say is anybody's guess, when Jackie's eyes fly open and she looks at me directly.

I give a barely perceptible nod, though I'm not sure she's even had time to see it before she starts talking:

"I think... I think I want one more thing," she says.

Luis unzips his pants, and we all hear it. The crackling sound of his zipper cutting through the air, the plop of his shorts on the floor.

His cock is thick and dark pink, with a fat crown. It springs from his pants and points in front of him. He pulls on the back of his shirt to pull it over his head, and the muscled glory of his youthful body is revealed. With his other hand, he guides his cock to Jackie's quivering thighs, and rubs it along the inside of her legs. I know that Jackie can feel the shape of him against her, and guess at the size and thickness of the meat he is rubbing up and down her leg.

She stares at me, her lips parted. Her eyes are wide. I think she might be a little nervous now that she's felt the size of his cock against her leg.

"Something like that?" Luis says.

The reality of the situation strikes me: this is a different situation than with Drew. A man has his cock against the inside of my wife's thigh. This is a new line that Jackie will cross, and there will be no coming back from it. My stomach knots up.

Luis is looking down at Jackie now, and she turns her head to look at him. "I don't... I don't know," she says. "It's so... big."

This causes my cock to practically split open as it thuds to its fullest thickness. I'm not especially small, and I don't have some big hang-up about cock size... but hearing your wife whine to another man that his cock might be too big (and that's the *only* reason she doesn't know if she wants you to put it in her) is really just insanely hot.

I will her silently to do it, and Luis keeps rubbing his dick along her thigh.

Then he reaches forward and squeezes her leg. "Here," he says. "Turn over. I know what you will like, it will all be just fine."

Jackie turns over on the table, and Luis pushes her by her knees up, scooting her along. He spreads her legs open. Her bottom is at the edge of the table, and her pussy is right in the line of his cock. He guides his cock to her sopping hole and begins to rub the crown against her clit.

For a moment, Jackie just lies there, looking down at Luis. I can see she's taking in the view of his naked body – his ripped abs, his thick chest, the smooth brown skin and the bulging forearms. All the way to his fat cock, which she looks at with mild alarm. But Luis doesn't try to push inside of her. Instead, he continues to rub his cock against her clit.

“Oh,” Jackie says.

Luis reaches for her hand and guides it to his cock. She grasps it and her eyes widen again. “It's too big,” she whispers. But she squeezes it hard in her fingers.

Luis continues to guide her to use his cock to pleasure herself, and so she does. She grips his dick and rubs it against her clit, slowly at first and then with increasing speed. The cock makes her sticky pussy splutter and slosh, and I see that she's getting closer to an orgasm as her legs start to stiffen and she strains to look down at what she is doing, even though it leaves her in a permanent sit-up.

She's getting so close to coming that my mouth is getting dry and I'm leaning on the edge of my chair, waiting to watch her release as if it will be mine as well.

Then Luis pulls away from her suddenly.

She gives a moan of disappointment. The sentiment behind the sound is echoed in my mind. Jackie falls back on the table, breathing hard.

“Do you want to come?” Luis purrs.

Jackie tosses her head on the table. “Oh,” she moans. “Please. *Please* don't stop.” She slides her hands down to her pussy, and slips her fingers into her sopping slit. I hear the stickiness of her excitement as she starts to play expertly with her clit, but Luis reaches forward and takes her wrist in one hand to stop her.

Jackie moans in disappointment. She bites her lip and begs Luis, with merely her expression, to fuck her hard.

Luis points his cock at her pussy again, grinning at her. Jackie props herself up on her elbows to watch him. He rubs his fat crown against her clit – one languid stroke that makes her legs jolt again. Then he stops, and lowers his member to her sopping hole.

She looks at him. “I don't know,” she pants. “It's so big...”

Luis pushes forward slightly. The head of his cock is so fat it seems to cover her entire pussy, and as the first few inches of his cock sink into her cunt, Jackie is too shocked to do anything.

“We’ll just take it nice and slow,” Luis is saying. He looks over at me. “That pussy feels so good. So nice and soft and hot around my cock. I can’t wait to get it all the way in.”

I stare at his dick as it disappears inside my wife. Luis is holding her thighs open, pushing them apart as he sinks forward. Jackie mewls and flops back onto the table, and only then, as half of Luis’s cock sinks inside of her and stretches her open, does she finally remember that she is married and that I am watching.

She tosses her head a little and then turns to look at me. She brings her hand to her lips and bites into her fingers, smiling. Her eyes roll back in her head a moment later as Luis sinks every last inch of his dick inside of her, and his flat abdomen crushes into her thighs.

Jackie’s body begins to slide on the table as he rocks his hips to fuck her. She hooks her legs around his torso and starts to pull on his body with her feet, to get him deeper inside and fucking her faster. “Oh! Oh! Oh my God!” Jackie screams. Her thighs tighten as she pulls hard on Luis’s body to crush his dick inside of her to the hilt, deep inside of her pussy.

“You like that, don’t you?” Luis coos. “Is that the biggest cock you’ve ever had inside of you?”

“Oh, yes,” Jackie says breathlessly. My own cock throbs painfully.

Jackie starts making indescribable sounds as she tips over the edge and comes. She lifts her hips off the table and digs her heels into Luis’s lower back to grind her cunt against his pelvis as she lets out a scream of pleasure.

Luis continues to pummel her as she wails, her orgasm pulsing through her and then leaving her depleted. Her thighs relax and she seems to wilt into a limp doll. Luis grabs her by her thighs and fucks her hard for another minute, as Jackie moans incomprehensibly on the table.

I see his abs strain and the tendons of his neck flex as he nears his climax. I am paralyzed to stop this guy from dumping his cum into my wife’s pussy, filling her up.

At the last minute, though, he reaches forward and grabs Jackie by the hair, pulling her toward him as he unsheathes his cock and points it at her mouth. He pushes her down so her lips are at the tip of his shaft.

Jackie follows his lead, and takes his dick in her hand to pump it. It’s so wet with her cum that the sticky sound continues, just as if he were still

inside her pussy. She hardly has to stroke it at all though before a fountain of white cum wells up and spurts onto her lips.

She drags the crown of his dick over her mouth, and the pearly cum smears across her face. She laps at his cum, taking a great deal of it into her mouth. Some of it spurts across her cheeks in thick ropes or dribbles down her chin, overflowing from her lips.

Luis's orgasm seems to go on and on, seed overflowing from his shaft. At last, a final glob of semen plops onto Jackie's lap, and he leans back, releasing her head. He gives her a slight push, and she collapses on the table.

He leans down to pull up his shorts, which he has expertly removed and is now expertly putting back on. He snaps the band around his waist and gives Jackie a smile. Then he looks over at me and winks.

"Anything else I can do for you two?"

I shake my head.

"Enjoy," he says. "I'll have the housekeeping get the table."

And just like that, he leaves.

Jackie rolls over on her side and looks at me after a minute. She brings her thumb to her lips and folds one hand between her legs. She looks a little bashful; a stain of pink creeps across one cheek.

"Well?" she says.

"Come here," I say, coarsely. My cock is so hard it's causing me pain.

Jackie sits up, sliding her legs over the side of the table. She is naked and glorious: Luis's cum is drying on her collarbone and her thigh, her pussy is so wet the insides of her thighs are streaked with her own cum, and her hair is a tousled, sweaty mess. A creamy sheen of cum coats her lips, and one tint pearl of Luis's seed is beaded on her upper lip.

She drops to the floor, and I begin to work myself out of my pants as she crosses the room to the bed. She looks at my cock, and I see that it reassures her that I'm so turned on. Her demeanor changes from semi-mortified to confident, and she smiles her new, delicious smile.

"So?" she says, lowering herself to a crouch in front of me. Her hands slide along my thighs and up to the bumbled mess I've created trying to get my cock out of my khaki pants. Her fingers slip under the material and easily release me. My cock stands up straight and her eyes wander over it, gauging my readiness. "I take it you enjoyed that?"

Her tongue flicks out to tantalize the underside of my cock, and it twitches so wildly it slaps against her face. She grins. “So it wasn’t too much, then?”

I am staring at her, breathing hard and heavy, and unable to speak. I just nod. Whoever this woman, who is flicking her tongue at my cock with Luis’s seed drying on her lips, is – she is *not* my wife.

She raises her eyes to look at me as she trails her tongue from the base of my dick, where she playfully darts around my balls, to the crown. I can hardly stand the teasing anymore.

But she stands up abruptly, and I watch her, confused.

Then she climbs onto the chair, her knees on either side of my thighs. It’s a fairly awkward arrangement but I don’t care because the scent of her stretched pussy is reaching my nose, and the wet cum on the insides of her thighs is cold against my skin. My cock pulses and slaps against her snatch, which is so wet it’s dripping. Her breasts are in front of me, her right nipple red and swollen where Luis bit into it.

She guides my dick to her wet, gaping hole. As she lowers her hot body on to my cock, and her quivering cunt envelops me, I suck in my breath. I want to enjoy her used pussy a little more: feel out if it is looser, or somehow changed. Maybe some of these slick juices are Luis’s precum.

But because I think all of these thoughts, and because I have a moment of weakness in which I go on to think more, filthier scenarios, I end up boiling over after she rocks her hips back and forth just a few times.

The orgasm is so all-encompassing, I can’t even make a sound. My entire abdomen seizes up as though I’m being electrocuted, and I grip the chair fiercely for what seems like a full minute.

But Jackie keeps going, long after I dump my seed into her. She is riding me hungrily, trying to get her own pleasure, again. She throws her head back, and I cling to the chair watching her.

I wonder what she is thinking about, as she bounces on my cock: Luis, and his enormous dick? How she can get him back inside of her? Or me, watching her?

My cock feels raw as she bounces and bounces; it’s almost too much to take. At last I feel her squeeze around me and she drops her head to meet my eyes. “Oh!” she squeals.

Her pussy seems to turn to liquid around my cock. She is so loose at one moment, and then her muscles clamp down on me in pulses of syrupy

cum. I can feel her juices, mingled with mine, sliding over my balls.

“Jesus,” I say, after we sit like this for a few minutes.

Jackie bites her lip enticingly again. Then she puts a hand to her face, and pushes her sweaty hair away. She drops forward onto my shoulder. Her pussy is still quivering around my cock, and I am so spent it actually feels a little uncomfortable, but at the same time I like having her everywhere around me, wet and pulsing.

“I can’t believe we just did that,” she whispers in my ear.

“It was hot,” I say, making sure to reassure her. “So hot.”

She leans back, holding onto my shoulders with her two hands. Her breasts are glorious as she swings slightly left to right.

“Jackie,” I say. “This was hot. I’m so proud of you.”

She brings a finger to her forehead and smiles. “It wasn’t too much?” she asks.

I shake my head.

She chews on her lower lip, and opens her mouth as though she’s about to say something, and then stops.

“I’m famished,” she eventually says. “That light lunch didn’t cut it for me. Lets go get some food.”

Something is a little strange about her, I think. I can’t quite put my finger on what it is. She’s cheerful as she climbs off of me, though, and she hums in the shower, so I don’t give it much more thought.

Within half an hour, we’re headed back to eat and go to the beach, and Jackie is back in her flimsy red “suit,” which she puts on without a second thought.

Chapter 5

Not much happens for the rest of the evening. By the time we eat, the sun is starting to go down, which Jackie is a little disappointed by. Like I said, she loves the sun.

Also, she says she's getting cold. "It's a little more clear to me now why there is a hot tub," she grins. "Want to go to the pool bar?"

I agree, only this time, I sit down next to her.

We have a few drinks and watch the people in the pool, Jackie is flirtatious with the bartender and I enjoy him ogling her nipples and enjoying glimpses of her pussy through her skimpy suit.

Jackie shivers at some point. "I think I need to go get in the tub for a bit," she says. "Either that, or cover up."

"It's a very well-ventilated suit," I say.

Jackie smiles for me, and slides off her stool, headed for the hot tub.

For some reason, I don't feel compelled to look over and see what she's doing there, right away. I just assume she wants to warm up and that's the end of it. I look out over the pool area and watch some lovely ladies drift by on floats, pretty pink nipples upturned in the air.

Then, I slowly shift my gaze to where Jackie has gone.

I don't know why I'm surprised to see that she's in the hot tub with Drew, or that he's gone right over to her and she's leaned her head back on the edge of the small pool and stretched her scantily clad body out in the water. Or why I'm surprised that Drew, who has already felt and tasted my wife's charms, feels perfectly comfortable placing his hand under her bottom and sliding his fingers beneath the hole-infested fabric of her suit, right between her legs.

But... I am. I am surprised by the whole scene. The same freezing, paralyzing sensation grips my chest and then sinks slowly down to my groin. My cock twitches to life.

Jackie is flirting with Drew as he plays with her pussy, right there in public, not even five seconds after she got in the hot tub.

And not only that, Drew seems to have a friend. A big, dark-skinned guy who has moved next to Jackie. He hasn't touched her yet, but has his eyes running all over her body in a way that makes me feel like he's been

inside of her already. He sucks on his big lower lip and says something in a low baritone next to my wife's ear. His voice is so deep it practically shakes the area like a subwoofer.

Jackie laughs, looks over in my direction, meets my eyes. And then her hand leaves the edge of the pool and travels to the black man's neck, and she pulls him toward her. The back of his head, a mass of tightly wound black curls, covers her face from my view. But what is happening where I cannot see it is obvious: the same full mahogany lips he just sucked on are now on my wife's mouth, teasing her, pulling her in.

I wonder if this is too far, but I can't get my head around my feelings or orient myself as to what is happening. Not really. As Drew slides his fingers further into the crevices beneath my wife's bikini, and his black friend kisses her while she massages the back of his neck, I remember the odd look on Jackie's face after her massage.

I wonder if my wife has gotten a taste for something, and if now we are on a course toward disaster. Where every encounter will be more filthy than the last, where my wife will become a super-slut of some kind.

As I'm thinking about this, I'm getting more and more turned on. I can't take my eyes off the hot tub, and I can't stop replaying the searing look that Jackie gave me as she pulled one-third of her threesome toward her face.

My stomach is still ice-cold, churning, and my limbs feel numb.

The black man pulls away from Jackie, who is smiling, and I scrutinize her face, her lips, for something changed about her. Her mouth falls open, because Drew is playing with her pussy, and the black man is massaging her nipples.

I realize, suddenly, that the bartender has stopped what he's doing and is watching the whole scene as well. I turn slowly to look at him, at the entertained smile on his face. He comes back to life suddenly, setting a rum and Coke in front of me. "That your wife?" he asks.

Then he nods, and it's a nod of approval. "Hot," he says, and starts doing something with the glasses under the bar, while he watches some more.

I look back at my wife, who is squirming a little, and whose eyes are half-closed, as Drew plays her like an instrument and brings her to orgasm with his fingers. I see that quite a few people are watching this scene, and a peculiar thrill travels along my spine.

Jackie leans in to kiss Drew, and then the black guy, and she drops her feet to the floor of the hot tub as she does this. Her hand floats down in the water to the black man's cock, and with her lips right next to his, but her eyes suddenly on mine, she says something inaudible from where I am.

And then, sending me on another roller coaster of emotions, she is rising to standing, then climbing out of the hot tub, then toweling off. The two men relax against the wall and look over at me with odd smiles.

Jackie is tying a towel around herself, and the strangest thing about this is that she seems utterly unbothered by the fact that so many people have just watched her get fingered by two men in a hot tub. Her hair is a little wet at the tips, clinging to her neck, and the smattering of lip gloss she was wearing earlier has been sucked off her face. She has the look of a high-school girl who was just making out; a little disheveled, a little plucked.

"So," she says, sexily, and the appearance of a high-school girl disappears. She is now a very grown, very mature woman, in control of herself and what she is doing. "Drew and his friend, Mike – I'd like to invite them over." She takes a sip of my rum and Coke. "They're okay with you watching," she says.

I was just about to respond to her first sentence when she nails me with *that*, and I'm struck dumb.

They're okay with me watching?

Who is this woman?

Jackie stirs my drink with her finger. "Okay?" she says. She brings her finger to her mouth and sucks on it. Her eyes burn through mine.

I am not sure how it is that I assent, but I must, because whatever it is that I do – nod, say "yes," mumble incoherently – Jackie takes it for assent and smiles. "Okay," she says. "Go get comfortable in the room. I'll be there soon." And she turns on her heel, dropping the towel, and saunters over to the two men in the hot tub.

The game, evidently, is on.

*

I go back to the room, hobbling along, sweating a little, and not from the heat.

I alternate between a high of excitement and elation, and then an abysmal low in which I feel like I've completely lost my grip on my life. And my wife.

It's what I wanted; it's what I want, right? There's no denying I love it, I love the idea of her with two guys (and this pleasant addition of one of them being black is part of an even deeper level of my fantasies that I don't think I've shared with her at all).

But it all feels... what?

Maybe too fast. Maybe too crazy. Everything that Jackie has done is so... unlike her. Planning this whole vacation, this big act she put on when we got here. Is this woman even my wife?

And where will it end? What's too far for me?

More importantly, too far for Jackie? She seems to have no brakes now.

I could stop all of this, I'm thinking. But as I have that thought, I keep moving myself forward, down the hall, away from the pool and the easy route to telling Jackie to pause things. I get out my key, I open the door. I take a piss (not easy, given my erection) and get some bottles out of the mini-bar and stack them up along with a partially decarbonated Coke. I sit on the bed, then I sit on a chair.

And I wait.

How much time goes by? I have no idea. My stomach feels like it's come to life in my belly, moving and slithering through me, My pulse is well over the advisable resting heart rate recommended for men of my age. I get up, I open the door to the private pool area, because I suddenly guess that's how they'll come in.

What is Jackie doing right now, I wonder?

I hear some voices out in the pool, and the water ripples and three bodies snake through the water. They go past the room, though, and as they near I recognize that the woman's voice is not Jackie's.

Maybe she won't even come here. Maybe that was just her way of getting rid of me. Making that offer, then heading off to some other place with those two.

It feels like an eternity, and then I hear it: Jackie's laugh. A splash. The water ripples again. My hand shakes so much I drop a bottle of rum I'm trying to pour into a glass. I don't pick it up, because I think it will make me look foolish. I relax into the chair (or try to give off that appearance).

Jackie's body emerges from the pool. She's naked, her hair still only wet at the tips. She smiles at me, rising out of the water like a goddess, a woman I've never met. I've never seen Jackie radiate this kind of aura. It's sexy, it's terrifying, it's beautiful.

And it's followed by these two guys she picked up at the hot tub. Also naked.

I stare at Jackie's body, wondering what happened to her suit. I try to see if she's already done something, if there's some evidence of that that is visible as she passes me to the bathroom. The guys pause on the porch, and I start to frown in confusion, until Jackie comes back from the bathroom and tosses them towels. She rubs her hair and towels herself off.

“Okay,” she says, laughing. “Drew, Mike. You can come on in now.” She turns to me as she gives a pirouette and falls onto the bed. “Didn't want to get the sheets too wet.”

The men approach Jackie, giving me a quick look and nothing more. I suppose this isn't something unusual for them, and I try to act like it's not my first rodeo either. I sip my drink.

Drew stands next to Jackie, and his cock is fully erect, right next to her. She grins at him, looking up. His friend seems willing to let Drew take the lead.

I realize that if ever there is a time to stop my wife from doing this, the very last moment is now.

And then it is gone, and the dice are in the air. My gut goes cold, but there is nothing I can do but watch now.

Drew guides Jackie's hand to his cock, and wraps her fingers around it. He doesn't have to hold her there or guide her to do anything: she begins to stroke him naturally, eagerly even. Her lips part and take on a hungry look.

As she strokes his cock, he brings a hand to her mouth and slides his thumb over her lower lip. He leans toward her ear and says, very wetly and closely: “I'm going to fill your mouth full of cock, you little slut.”

Jackie squirms in reaction to this, and this is when I see for myself that she is turned on by this sort of talk. Maybe she *wants* to be used like a sex object, treated like a slut.

Well, it's clear she's about to get her wish.

Drew slides his thumb with force into her mouth, and Jackie obediently sucks it. She is still stroking his cock, and now a pearly bead of

precum is forming at the tip of his crown.

He continues to fuck Jackie's mouth with his thumb while his free hand moves to his cock and swipes the cum from his dick. He brings the droplet up to Jackie's mouth. Releasing his thumb from her mouth, he pulls on her lower jaw and inserts the cum-covered forefinger.

Jackie plays with his finger and takes the drop of cum willingly.

He then inserts a second, and then a third finger, and Jackie struggles a little to accommodate him. She stops stroking his cock and he leans forward to command her to keep going.

All this while, Mike is on his knees, facing the two of them and not looking at me at all. He's resting on his own ankles, his huge cock in his own hand. He is stroking himself languidly, watching, being patient for his turn to defile my wife.

Drew tips Jackie's head back, and pushes his fingers into her throat. Jackie gags, but she stretches her mouth open to accommodate him, and she continues to stroke his cock. He spreads his fingers wide, stretching Jackie's lips. "That's how big Mike's cock is," he says. "Think you can do it? Think you can swallow it all?"

Jackie makes a gurgling sound. Mike rises up and walks on the bed, to stand behind Jackie. "Let's try with Mike here," Drew says.

The scene is so lewd I can hardly believe it, and I wonder if Jackie doesn't want out of this scene, but has no idea how to say so. Mike crouches over her tipped-back head, and Drew slides his fingers out her mouth, keeping his palm against her throat and chin to hold her head back, her mouth up toward the ceiling.

Jackie continues to stroke his cock, though, and she obediently keeps her face toward the ceiling.

Mike crouches lower, obscenely, his fat cock dangling over Jackie's lips. It swings over her mouth, brushing against her lips from time to time. It's a thick, black snake, veined and gnarly, with a fat crown that drips at the moment with precum.

I stare as Jackie begins to lick at the tip of his cock.

"Open up," Drew says.

And she does.

Mike takes his cock in one hand. He is now crouching so lewdly over Jackie's mouth, his muscles and thighs straining a little as he lowers himself into her throat. The inches of his cock disappear slowly between her lips.

Mike reaches down and holds Jackie's head when his cock is about halfway in her mouth. He steadies her face and then shoves down, pulling up, and making every last inch of his cock disappear into her mouth.

Jackie makes a sound, struggling to accommodate him, and her hand stops stroking Drew's dick.

Then she relaxes, and he starts to fuck her, bouncing up and down, sawing the length of his cock in and out of her throat.

He gives her a few seconds to breathe after every four or five thrusts, and Jackie breathes greedily in wet, sloppy gasps before she opens her mouth again and Mike disappears into her throat.

The most obscene thing is that I can see a small lump – the tip of his cock, perhaps – pressing out against her throat, rolling like a marble up and down her trachea as he fucks her in the mouth.

He does this for quite some time before he releases Jackie's head and she tips her head forward, gasping. Her makeup is smeared and her lips are swollen slightly. Her whole face is wet with spit. She looks at me and licks her lips.

She almost needs no prompting from Drew to lean forward and open her mouth to suck on his cock.

This proves harder than she thought, evidently, because even though she stretches her mouth wide, she gets stuck about halfway down the length of his cock.

He puts his hand on the back of her head and pushes gently. "You can do it," he says. "Open up for Daddy, that's it, there you go. You can get more in, there you go."

She lifts her head and gasps for air, and she jerks him off with his hand and stares at his cock as she does.

She starts to lean forward to take him into her mouth again when he puts a hand on her shoulder. "Here, lie down on the bed on your back and I'll show you how we do it."

Jackie looks a little scared. She glances at me, and I nod slightly; I want to see what he has in mind and as perverted as it is, I no longer care if Jackie is hesitant about it. I just want to see my wife fucked like a little whore, see what plan Drew has for getting every inch of his fat cock in her mouth.

Jackie obeys him and lies down on the bed, the crown of her head toward me. Mike helps Drew push her forward, in my direction, until her

head slides off the bed and hangs over the edge of it.

I watch porn like any man, so I know – though I can't quite believe – what's about to happen.

There's no way Jackie will go for this, I think. And I almost want to tell them to stop, because it will just end badly.

Jackie at first lifts her head, but Drew pushes her down with a rough hand. "No, no, no," he says. "Just let your head hang, that's right. Let your head hang and open that slutty mouth for me. I'm going to fuck your face 'till I fill you up with a big load of cum."

Jackie's eyes are open and she is looking right at me. I can't see her entire face because Drew has stepped off the bed and is crouching in front of her head. His balls are in front of her nose, and his ass covers her mouth.

But when he pulls his hips back to guide his dick to her mouth, I get a glimpse of Jackie opening wide to take his cock in. His hand is on her throat, massaging it, and then the meat of his dick begins to fill her mouth.

In the meantime, Mike is pushing her legs open and up. The scene looks even more lewd than before, now that Jackie's feet are bobbing next to Drew's thighs as his cock disappears in her mouth.

Jackie looks at me, and the cock disappears roughly in her mouth until his hairy nuts land on her nostrils and flop against her, blocking her from breathing at all.

He starts to fuck her. Jackie's eyes begin to water as Drew moves his hips to slide his cock in and out of her mouth. He gives her a few instructions (tip your head up, tilt like this, open wider, there you go). They get into a rhythm.

And then, astoundingly, he reaches for her ankles, and starts to pull on her feet.

As he does this, my wife's body becomes contorted in a way I would never have imagined possible, let alone that she could do. Drew pushes her calves down next to his thighs, tilting her whole ass up and closer to him. I look at Jackie, who is alternating closing her eyes and opening them, as Drew saws his cock in her face.

I lean over to the right, desperate to see the scene from that angle. As I do, I get to see Drew dropping a big wad of spit onto Jackie's ass. Her butt is turned over and right in his face, and the spit wad lands right on her asshole.

Mike reaches forward and strokes it with his fingers, making a circle around Jackie's ass.

This whole time, Jackie is still being face-fucked by Drew, who is doing it slowly now. He gives her time to breathe, panicked, through her flared nostrils before he sinks slowly onto her face and his balls block her airway. He lingers there while she struggles and her eyes water, before he slowly, tortuously, slides his cock out her throat and lets her take a breath.

In the meantime, Mike licks his finger and plunges it into her butt.

Jackie's legs flail, and she twists her feet as Mike finger-fucks her and Drew watches.

"That's squeaky like a dolphin," Mike says. "Is this her first time?"

Drew looks back at me, still fucking my wife's face.

I nod.

He grins, and turns his attention back to my wife's ass. "I want to get a nice big wad in her throat," he groans, still fucking her. "Why don't you do her after I come?"

Mike spits in her ass, and plays with her hole some more, dipping in and making her feet twist again. He nods.

They drop her ankles back so she is prone on the bed again, and Mike pulls her thighs up to him so he can play with her pussy. I can hear, even where I am, that Jackie's pussy is sloshing wet, so however demeaning this may be for her, she likes it. Mike starts to fuck her with more fingers, eliciting more moaning from Jackie.

"Oh, that feels good on my cock," Drew says. "Yeah, get her to do it again."

Mike balls his hand up into a fist and pushes it into Jackie's pussy. Jackie makes a yelping sound, but her mouth is so full of dick it's distorted, and Drew laughs. "Oh fuck, fuck yeah, that's good. Fist her, make her do it again."

Mike pushes his fist in and out of Jackie's pussy, which by now is stretched from all the cock she's taken lately that it really must not hurt her that much. Jackie mewls, and Drew fucks her face faster and faster, until at last he jams his dick into her throat hard and pushes his balls against her nose. Jackie meets my eyes with hers, and her own grow wet as Drew fills her mouth ruthlessly with cock all the way to the very back.

Mike, meanwhile, stares at his fist going in and out of Jackie's pussy.

Cum spurts out the sides of Jackie's mouth, overflowing as Drew fills her up. He jiggles the last of his semen into her throat and then slowly pulls out of her mouth. His cock falls against his thigh with a plop.

Jackie's face is wet with cum and spit, and she brings her hands to her chest and stares at me with her cum covered skin as she plays with her own nipples. Mike moves her body slightly with his fist, pulling her up and down as he slides in and out of her pussy.

Then suddenly, Jackie begins to moan again. It is a really filthy, porno kind of moan: "Oh! Oh! Oh!"

And then she lifts her head and looks down between her legs, at Mike fucking her. She lifts her legs and holds onto her ankles, watching him as he sinks his whole hand into her pussy. She throws her head back, still clutching her ankles, when she comes "Fuck! Fuck, oh fuck!" she says.

The sound of Mike's hand in her pussy gets wetter and sloshier as Jackie's pussy wells over with juices and cum. She clings to her ankles, holding herself open, even as her legs shake violently with her excitement.

Mike pulls his hand from her pussy. His cock is throbbing this whole time, and it has swollen so much it looks twice as big as before. He grasps it one hand and jerks himself off, in just a few strokes, onto Jackie's pussy.

I know, even though I can't see, that his big load is pooling in the entrance to her cunt, and then slowly oozing down her taint and to her asshole. That from cunt to ass, Jackie is just one slimy, ready, set of holes, waiting to be fucked. All lubed up.

But now Mike is spent, and he falls back on his heels.

Drew just came as well, I remember. I feel a little disappointed that the show might be over.

But when I look at Drew, who has walked around the bed, watching Mike lube up my wife, I see that his cock has never really gone flaccid, and it's already back to a ready state.

He is looking at Jackie's pussy, and her cum-dribbled asshole with interest.

Jackie is just lying on the bed, her legs spread, squirming a little because she's turned on and because she doesn't know what she'll get next.

Drew reaches for her and flips her over, one leg at a time. Then he reaches for her hair and pulls back on it, lifting her face up from the bed, forcing Jackie to get onto her hands and knees. Now she is looking at me, and she gives me a smile.

I smile back at her, even if I am a little more nervous than thrilled, because what Jackie is doing is well outside my comfort zone. But she's right: it's what I want, I don't want her to stop, I'm not going to ask her to.

And I'm not sure there is anyway to stop this train anyway.

Drew is looking at Jackie's ass, one hand between her legs. I want a better view, so I lean to the right, and then I get out of the chair I'm in to sit in on the couch.

My movement is utterly unnoticed.

Drew has his thumb on Jackie's ass, and he's playing with her hole. As soon as I am situated on the couch he pushes against her eyelet and Jackie gasps as the tip of his thumb permeates her anus.

"Oh!" Jackie says, and she turns her head back to look at him. Her hair slaps against her skin, wet with sweat. As she watches Drew pop his thumb out of her ass and then pushes it back in, her face looks like it has come directly from the pages of a dirty magazine, or a well-produced porno. Her mouth is open and her face is filthy with cum and spit, but still somehow beautiful.

Drew continues to push his finger into her ass, and Jackie squirms and mewls as he does.

"She likes that," Mike murmurs. "Don't you? You want some cock in your ass." He looks at Drew and jerks his chin. "She does. I can tell."

Jackie sucks in her breath as Drew slides his thumb into her butt, all the way to his palm. He bites his own lips and his cock throbs back to an even fuller state than before. "This your first time?" he asks.

Jackie moans and leans onto her chest. "Oh!"

"It's so tight," Drew says. He looks over at Mike, who is watching Drew's hand in my wife's ass with hungry interest. "Feel that. I think we're going to be breaking this little slut in."

Then he looks at me. Only briefly, and he gives me a smile. But it isn't really a challenging smile, just a strange kind of smile that's almost friendly.

Drew slides his hand from her ass and Mike sucks on his pointer and middle finger as he does. Then he reaches forward and starts to push against Jackie's asshole.

Jackie gets back onto her hands and knees and looks back at them. "Oh," she says, and she sucks her breath in again as Mike slides his two fingers into her ass.

I see Jackie's eyes roll in her head and her arms go a little weak. "Just relax," Mike says, watching his fingers move back and forth in her hole. "Relax that ass and you'll start to like it. Mmm."

Drew leans over Mike's finger and drops a wad of spit onto them. Now Jackie's ass starts to slosh a little. Drew spits again and Mike starts moving his fingers faster. Jackie throws her head back and mewls.

I can see from her face that even though she feels some discomfort, she likes it. She looks ahead of her and pushes back against Mike's hand.

He stops with his fingers inside of her deeply, and for a moment I'm not sure what he's doing. Then I realize that he's moving his fingers around inside of her, maybe clawing in different directions, moving around like a clock, as Jackie squirms and moans.

"That's it," Mike says. "Oh yeah, she likes it right there. You're gonna like it hard in the ass, aren't you?"

Drew is stroking his cock again. He pushes Mike's forearm and Mike slowly pulls his hand from Jackie's ass. Drew moves behind Jackie and slides his cock along her slit. Her pussy squelches with her cum, and he dips his cock in a few times as Jackie moans.

But he is just getting ready to put it in her ass. He fucks her a few times to get his cock wet, and then he lines the crown up with her slightly distended eyelet. He draws some of her pussy juices up to her ass with his hand and traces them around her asshole.

"Get your head down," he says. "Get your head down and get those hands up on your ass."

Jackie obeys, turning her head so she can see me. Her face is a little vacant now, but she obeys Drew and brings her hands up to her asscheeks. She reads his desires (and mine, and most likely Mike's) and pulls her ass open for him. Drew nods. "There we are," he says.

Jackie squeezes her eyes as Drew pushes forward. Her mouth flies open as the first inch of his cock, his fat, bulbous crown, stretches her open. "It's too big!" she says.

"You can do it," Drew assures her, and pushes a few more inches inside of her slowly.

He starts to fuck her when his cock is only halfway in. He slowly saws back and forth, his hand on Jackie's lower back.

Jackie has started to relax, and her moans have gone from shocked to purring like a cat as Drew slides back and forth inside her ass.

“I knew she would like it,” Mike says, staring at Drew’s cock.

Drew grabs Jackie’s hips. “Get on your hands,” he orders her.

Jackie returns to hands and knees. Drew jerks her ass back toward him and his cock disappears deep inside of her with a single, violent thrust. “Oh!” Jackie screams. “Oh, my!”

Her mouth is open in shock, and she squirms against Drew’s pelvis, but he gives her no time to accommodate his cock in her ass. He starts to fuck her, roughly, by pushing and pulling her hips. He fucks her like this for a few minutes, while Mike and I watch. My cock is so hard I feel sick.

Drew pulls on Jackie’s hair to bring her up to a sitting position. He rests back on his own feet and pulls Jackie onto his lap, his cock moving deeper inside of her. Jackie flops a little like a rag doll. “Oh my God,” she says. I can tell that his cock is touching her in new and deep places, and she is reeling from the sensation.

But Drew isn’t done yet. He settles on his ankles and pulls her legs apart. Jackie is now spread-eagle and I can see the pink column of Drew’s cock beneath her pussy, sunken into her ass, moving slightly. Her pussy opens up, glistening and dripping cum onto her ass, lubricating Drew’s shaft as he thrusts it inside and then relaxes.

But Mike is coming around to face my wife, cock in hand as he scoots on his knees.

He draws a finger down the length of my wife’s torso and slips his fingers into her soaked lips. As he slides his finger over her clit, it darts in her liquids like a fish, and he chases it, pushing against her and making her spread legs flex with the stimulation.

He guides his huge cock toward her pussy, which is spread wide open as though for a display, and then he slides his legs apart until he can line himself up, and feeds his long black snake into her cunt. The going is slow, because Drew’s cock is pushing against Mike’s from inside her ass.

Jackie’s eyes are open wide and her mouth is open, but I cannot read the expression on her face at all. “Oh! Oh my god! It’s too much!” she pants, but she makes no effort to move, only tilts her head slightly to watch the black man disappear inside her cunt.

They fuck her like this for a bit, and I stare at their dicks sawing in and out of my wife’s holes. Drew leans back after a bit and groans, spurting his cum into my wife’s ass.

I see Jackie's mouth form an "oh" of surprise, but she says nothing, only leans forward to bite into the flesh of Mike's shoulder. Then she looks over at me, her eyes floating above his muscles of black flesh as he rides her hard.

At some point, Drew's cock flops out of her ass with a wet splash and Mike pushes her onto the bed to spread her legs wide again and hammer himself into her.

But perhaps because he's already come, Mike fucks her for a long time. He holds her by the knees and her calves and feet bounce limply to the side. While he's doing this, Drew gives me a look, fishes a cigarette out of somewhere, lights it, and goes out to our pool area.

In my peripheral vision I see his figure drop into the water. But Mike is still sawing at my wife, and that is where my eyes are riveted.

Mike fucks her pussy for a good long while, on her back, while Jackie moans and starts to rise to another climax. When she is getting close, the black man lifts her up with one of his thick, muscled arms, his hand on her ass, and jams two fingers into her asshole. As Jackie comes, he claws forward toward her pussy, and the sounds she makes are incredible and almost frightening.

When Mike comes he does it with a loud bellow, and his ass clenches while he dumps his cum into Jackie's cunt.

Mike, too, gets up to walk toward the pool, and I am aware suddenly of the strangeness of this situation, of the throbbing of my own cock. I stare at my wife, who sits up on the bed. Her hair is tangled and sticky and wet, her lips puffy, her skin everywhere tainted with the sweat and cum of the men she just let fuck her like a whore.

But she looks incredibly sexy, and she props her hand in her hair like a model and smiles at me. Then she crawls toward me on the bed, like a cat – a very naughty, filthy cat – and keeps crawling, right off the bed to crouch in front of me.

My mind is so busy on this I don't even notice that I'm getting my cock out of my pants. My wife has me so transfixed that I can do nothing more than stare at her as she takes her filthy mouth – the same mouth that Drew fucked so recently, right in front of me, the same mouth that is still coated with his cum – and brings her lips toward my cock.

She starts to suck on my cock, and I am so incredibly swollen and ready that I feel the veins of my cock straining, the cum rising to a boil,

almost instantly. I put my hand on the back of her head, and start to push her down, down to the base of my dick.

To my left, I see that Drew is coming back into the room. He's smoking another cigarette, though this one has a funny smell that could be hash, and he watching us with that look that never leaves his face.

He comes toward us and stands next to my wife, who is sucking my cock. I am really close to coming, and I have the sense of dread filling me that he is going to do exactly what he does, which is grab Jackie by her hair and pull her hot mouth from my cock.

He redirects her to his own, and Jackie smiles and opens her mouth, looking sideways at me as she sucks on his dick while I am left painfully awaiting my release.

Her hand, though, comes up, and grasps me, and so while she sucks Drew's cock and looks at me through the corner of her eye, she jerks me off. It doesn't take long, and my cum splurts out and across her shoulder and into her hair, on her cheeks.

She continues to massage my cock, which is not going limp at all, as she sucks and sucks on Drew's cock. She is sucking him off like a professional whore, and I am left to watch this as the last dribbles of cum well up from inside of me.

Drew eventually tires of this blowjob and pulls Jackie back toward the bed, telling her to get onto it with her ass toward me. He reaches for her ass and plays with the meat of her bottom, pulling it apart to view the destruction he has wreaked on her asshole, which is sore and red and still gaping, white cum oozing from inside of her.

I hear Mike's voice, low and commanding. "It's my turn in that ass," and suddenly the big black man is back in the room, walking toward us.

For a moment the scene is so lewd I can barely look at it, especially because I just came. But just as quickly I get hard again. I can feel the pull of wanting to fuck again, wanting to watch Jackie come again, wanting to watch her be defiled over and over by these two men.

Drew climbs onto the bed and sits on his heels, and Jackie gets her mouth on his cock again. He leans over her and grasps her ass with his hands, pulling it apart for Mike. Cum spurts from her hole, and Mike stands to the side to give me a good view as he reaches his forefinger to her ass and runs it along her swollen rim.

Jackie, though, is no passive flower. She reaches a hand behind her and starts to play with her own ass, teasing her asshole.

Mike likes this. He murmurs something, or maybe just moans in pleasure, and the two men watch as Jackie plunges a finger into her own ass and begins to finger-fuck herself.

They let her do it for a while, while she slurps on Drew's cock. But then Mike adds his own finger, and he pulls and stretches her from side to side, before inserting another finger.

I notice that Jackie's cunt is quivering and dripping excitement and cum onto the bed, but I can smell the sweet scent of her pussy above the acrid cum that fills it, so I know she is getting off on this like she has never gotten off on anything before. My cock aches.

Mike puts the fat head of his dick into her sloppy-wet folds and gets it wet before he impatiently pushes her hand away and lines himself up against her eyelet. Even though it's already been used, his cock is fat and enormous compared to her hole. It doesn't look like it can fit.

"You gonna take all this big black cock for me baby? I'm gonna fuck your ass full of cum."

Jackie moans, and I see her fingers slide up to her pussy.

Mike says to Drew: "You better take her mouth off your dick until I get it in there."

Drew grins and lifts Jackie's head with two hands. He tilts her face up toward him. "Look at me, baby. That's it. I want to see your face while Mike fills your ass up with black cock."

I imagine Jackie, in an act of total humiliating submission, meeting Drew's eyes as Mike's big black column slides into her. She is silent as the first few inches go inside, and then she starts to moan.

"You can do it, baby," Mike says. "That's it."

"Oh!" Jackie says. "I can't, it's too big."

Drew smiles down at her and he puts his fingers in her mouth to pull her jaw open. "Keep lookin' at me, you little slut. Oh yeah, she likes it. Keep going."

Jackie whinnies like a horse, with her mouth pulled open by Drew, as Mike plunges forward and fills her ass with the last inches of his cock.

Drew takes his dick and whips it against Jackie's lips. "You gonna be a good girl or you gonna bite me?"

Jackie's voice is wet and sloppy, because she's started running her tongue along his shaft when he slaps her lips. "I'll be good," she says. "Oh!"

Mike has just thrust himself up inside of her. Drew rises to his knees and pushes my wife's mouth back onto his cock, and they ping-pong her back and forth for what seems like an eternity. Drew comes first again, and he holds her head to his cock with both hands. "Get that tongue out and run it over my balls," he says. I lean to the side to see if she complies, but I can't really see. I suppose she does, because Drew says, "Oh, yeah."

Jackie's fingers are working on her pussy again, and now that her mouth is released I can hear her mewling as Mike fucks her ass. He's enjoying the hell out of her ass, if his groans are any indication. He fucks her for a long, long time.

"You gettin' sore, baby?" he asks her. Jackie falls to her chest and makes a sound of assent.

"Let me hear you say that. Tell me how your ass hurts."

"My ass hurts," Jackie says.

"You want a big load of cum?"

"Yeah,"

"Say it. I want you to beg me for it like a little whore."

Drew is amused by this. He's watching, lying on his side, lighting another cigarette.

Jackie gets on her hands again and flips her hair back as she looks behind her. "I want a big load of cum," she moans. "Oh, my ass is so sore. Please. Give me a big load of cum. I want... I want you to... fuck it into me..."

Mike grabs her by the hair and pulls her head back. "Oh, I'll fuck it into you," he growls. "I'll fuck it into you until it's coming out of your mouth."

Jesus, is all I can think. I'm stroking my cock furiously now.

Jackie lets out a wail, and it takes me a minute to realize she's flicked herself to orgasm with her fingers.

"Oh yeah, that's nice, squeeze that cock, squeeze all... that... cum..."

But Mike doesn't finish his sentence, because he's hammering it into her hard.

I expect things to wrap up then, but they don't. I make myself a drink after I jerk off onto the carpet, and the three of them lounge on the bed. The guys get up and go to the pool, but Jackie just lies there. Drew offers her some of his cigarette. They fuck her again and again, in all sorts of filthy ways, using her like a whore until the sun comes up and Jackie is covered in sweat and cum and her holes are so red they gleam like some wild, burst fruit.

Since they have taken turns sitting on the deck at our private pool before coming back to fuck Jackie again, I'm sort of unaware that it is the last time until the two of them jump into the water and float away.

Jackie is lying on the bed, one hand above her and the other strung out to her side. Her legs are still spread slightly, and I have a view of her pussy, which has been fucked over and over again by Drew and Mike until it is dripping with cum and puffy-red with use. Cum has dried on her cheeks and on the insides of her thighs, and I know that the cum dribbling from her cunt is mingling with the cum that is overflowing from her ass, spreading out in a puddle on the sheets.

Shaking, I rise from the couch and lean to catch myself on the edge of the bed. I hop to the bed and climb onto it on my knees, shaking my trunks off as I go, holding my cock ready in my hand.

I am so hard, so wound up, that I almost double over in pain when my hand grasps my own cock.

Jackie, my slut wife, is spread-eagle below me, crumpled and used, and she is dozing off. She's fucked so much she is exhausted and is nearly asleep.

I move her leg up and her eyes flutter drowsily open, and she smiles slightly and weakly lifts a hand to run her fingers along the length of my chest.

I guide my cock to her pussy, and the well of creamy cum rises to kiss the crown of my dick. Her pussy is hot and overflowing with other men's seed, and as I sink into her I feel that she is loose and stretched, a totally different woman than when I last fucked her.

Jackie makes a sound, but it is half-asleep like she is and she smiles again. I begin to fuck her, and she holds my shoulder for a moment and looks at me, but soon she is drifting off, exhausted. Her eyes fall closed as I slosh around in her pussy, and her arm drops, limp, to her side.

I am pretty sure she is totally asleep when I arch my back and fuck my cum deep inside of her filled pussy. It takes a long time to work through the orgasm that very nearly makes me blind. And then I roll onto my back and stare at the ceiling, my ears ringing, and I, too, fall asleep.

Chapter 6

When I wake up it is practically noon. I look over at Jackie, who is strewn on the bed, filthy and delicious, smelling of sex and still sticky with everything that has happened. I get up and hobble to where I left my crutches, hobble to the bathroom, and relieve myself.

My cock is hard, and it gets harder as I think about the night before, as scene after lewd scene surfaces in my mind.

When I come back, Jackie is still asleep.

I move my hands over her body until she stirs, and then I cover her body with mine, and tenderly make love to her until she is fully awake. She encircles my neck and we kiss. Her body is like completely new territory to me as I explore her inside and out. I can tell that she's sore by the way that she squirms beneath me, so I take my time, reclaiming her softly.

We fall asleep, and Jackie gets up to take a shower. I lie in the bed, staring at the ceiling.

We still have one more day here, I am thinking, and the thought of it fills me with a strange feeling. And then, just like that, I know what I need to do.

I grab my phone, and my wallet, and cringe at the level of network insecurity as I recklessly use my credit card anyway. Recklessly, I tell you. I send emails, I do it all so quickly I stun even myself.

I get up and hobble into the bathroom, where Jackie is still spinning in the shower, her skin turning red from the heat. I open that door, and she looks to me, surprised. Then she looks to my foot with alarm.

I shrug it off. I'm such a badass. Besides, I won't get it wet. I have just dropped a ton of money on an Airbnb, a rental car, and probably thousands in fraudulent charges from using this shitty network to do it. I'm also going to change our flight. So there's no way I'm going to blow it all by having to leave early or go to some third-world hospital because of a wet cast.

No. I'm going to take my new wife to a very beautiful house on a private beach, where it is also clothing optional, though not for the same reasons. And we are going to have a private, extended holiday, and get to know each other again.

Jackie is looking at me. She has an expectant smile on her face.

I think I understand everything for a moment. Everything in the world.

I look her up and down.

“Honey,” I say. “There's been a change of plans.”

The Tenant: A Very Naughty Hotwife Novel

Once upon a time, his exotic and incredibly sexy wife Anna loved to indulge Brian's fantasies...to a point. She teased strangers, and took them to cruel, tantalizing places. But she never went all the way. The game ended when Brian and Anna got married, and that was that.

Or was it?

When the gorgeous, charming, and very black John moves into their basement rental, Brian finds that his sleeping desires have been building up all these years. He doesn't just want Anna to tease. He isn't just toying with the idea. He is obsessed with driving his wife to do things with another man. Lewd things. Obscene things.

When he confesses his desires, is Anna just a little bit too willing to make things just like old times? Is she too easy to push over each new line? Brian

can't help but wonder if his own obsessions have gone too far...or if Anna's have.

Not Black And White

When a photographer turns Rick on to the idea of watching his wife with another man, Rick feels an obsessive desire inside of himself catch fire. He can't help arrange for his shy, girl-next-door wife Danielle and the rugged, black photographer to cross paths. He knows that Drake Reyes' erotic photographs are not as abstract as they appear, and that Reyes sleeps with his married models. He knows his wife is not immune to Reyes' charms – no one is. He just can't help but imagine what it would be like to stand in his gallery, looking at Reyes' lurid photos, knowing his own wife is the model, knowing how the photos were taken. But was it really his idea, or have Drake and Danielle been as manipulative as he has?

Please note, this is the novelized version of the short story Black and White, with significant changes to all scenes depicted in the short story, as well as the point of view. There is, however, some repetition: scenarios which occurred in the short occur in the novel. There are plenty of fresh new adult scenes, however. Please enjoy.

Unlocking Noel: A Reluctant Hotwife Novel

Pretty, bookish Noel is not exactly an adventurer in or out of the bedroom, and Spencer has come to accept that. But things take an unexpected turn one year at an annual ski vacation. When they return the following year, Spencer gets to work on unlocking Noel and her (literally) dark desires.

A romantic hotwife novel with a deliciously corruptible and reluctant heroine.
