Bon Voyeur

Another man in their bed? Madness! Sophie and Jim had never done it before—heck, it was only supposed to be a fantasy to get them in the mood for each other. What if Sophie likes it too much? What if Jim has second thoughts when he sees his beautiful wife taken by another man? What if she enjoys the other man more because he has more to offer?

When the perfect opportunity presents, though, they both jump at the chance.

Joel is tall, handsome, and so much bigger than even Sophie expected! Best of all, he's moving to the other side of the world, so they need never see him again. If Jim plays this right, Joel won't even suspect the stranger they're sharing is his loving wife.

Watching his beautiful Sophie—so vulnerable, so unprotected, so utterly owned—Jim experiences a powerful revelation. It's sure been fun having a gorgeous wife all to himself, but it's much more fun to share.

Chapter One

“I was just wondering,” teased Sophie, holding Jim’s dick in her hand and kissing the tip of it, “do you think I could get all of Patrick’s cock into my mouth?” Then she took Jim deep into her throat.

Jim tried to keep his breathing under control. “Funnily enough...I was just thinking about you doing that to my dick straight after I’d fucked Liz.”

Sophie kept him in her mouth, sucking slowly, then raised her head and looked at him. “You’d like to invite Liz to join us?”

Jim shrugged. “She’s the sexiest woman down this street.”

Sophie paused from running her tongue around his tip. “Oh, is she?”

“After you, of course.”

Sophie nodded, smiling. She moved up the bed, straddled him.

Jim watched her face as she held his cock at her entrance. Her eyes closed, and her mouth opened slightly as she lowered herself onto him, and Jim let out a long breath.

Leaning with her hands on his chest, Sophie started to slowly rock her hips.

He enjoyed the sensation for a few seconds before continuing with their conversation. “So, you were thinking it’d be better to have Patrick join us?”

Sophie opened her eyes and smiled. “Well, he’s the fittest guy in your office.” She increased the speed of her movements, then returned to the gentle rocking. “Oh, after you, obviously.”

Jim pushed her sideways and rolled on top of her. He raised his upper body up on straight arms and banged into her with force for a few seconds, making her cry out. Then he slowed his movements but still held himself up so he could see her face. “Do you think inviting Patrick would be more fun than inviting Liz?”

Sophie bit her lip and raised her eyes, giving the impression she was considering her answer. Then she looked back at Jim and smiled wickedly. “It’d be a lot more fun for me.”

Their conversation stopped while they concentrated on their love-making. Sophie reached her orgasm first, with Jim coming inside her just a few seconds later. Afterwards they lay side by side on the tangled sheet.

Sophie kissed his chest and laid her head on his shoulder. “Have you noticed how quickly we both come when we fantasise about a threesome?”

Jim thought about her observation and nodded. “So, when shall we ask Liz?”

Sophie laughed quietly, her breath puffing against his skin. “As soon as Patrick’s too tired to keep me satisfied, I suppose.”

He traced circles on her back with his fingertips. “I don’t think I’d like going to work every day and having to look at a guy who’d shared my bed, and my wife.”

“I know. I wouldn’t be too happy bumping into Liz at the wine bar for the same reason.”

After a short silence, Jim leaned over to turn off the bedside light. As they settled back onto their pillows in the dark, he kissed Sophie’s ear. “There’s no denying the effect the fantasy has on both of us, though.”

* * * *

Then Jim got a letter from an old university friend and their fantasy moved a step closer to reality.

Jim and Joel had been close friends and roommates at university, but got jobs at opposite ends of the country, and their contact reduced to just Christmas cards before stopping completely. It had been six years since they’d last met. From his note, Jim saw that Joel was currently living in Canterbury, apparently soon to move to New Zealand for a new start after recently separating from his long-term girlfriend.

Joel suggested they meet up for a drink to reminisce about the old days before he left the country. Jim told Sophie about his invitation; later that evening, Sophie asked Jim if he had any pictures of Joel.

It wasn't until they were in bed that Sophie told Jim about her idea. While she gently stroked his naked body beneath the sheets, she outlined a plan she'd formulated. From Jim's response, Sophie could tell the idea appealed to him, too. They made love passionately, and both reached orgasm much quicker than they usually did. Afterwards, lying in each other's arms, they talked for almost an hour as they ran through the pros and cons. Each admitted that this was a unique opportunity.

The idea was simple: to solicit Joel into making up a threesome. This would get them past the stumbling blocks of not wanting to involve any of their friends, but not wanting to pick up a total stranger, either. With Joel, they could have someone familiar, and within a couple of weeks, the only person who knew it had happened would be living on the other side of the world. However, the part of Sophie's plan that most appealed to Jim was the fact that Joel would never know who Sophie was. Not only had he never met Sophie, but he didn't even know Jim was married. Jim was no longer in touch with any university friends who knew Joel, so there should be no problems on that score.

The following day, Jim punched Joel's number into his phone.

"Hello?"

"Hi Joel, it's Jim Hurst."

"Jimbo! Good to hear from you. How's it hanging?"

Jim smiled at his friend's familiar greeting. "I'm good, mate. Long time, no see."

Joel laughed. "Yeah, I know. Where'd the time go, eh? So I assume you got my letter?"

"Yeah, it came yesterday. Been a while since I got any snail-mail."

"I didn't have your e-mail, and I never signed up to ArseBook or Twatter or any of that social-media shite."

Jim laughed. "Yeah, me neither. So, I'm all for meeting up for a goodbye beer."

Joel whooped. "Good man! If you get your skinny arse down to Canterbury, we can go out for a farewell drink and you can wish me a *Bon Voyage*."

"Sounds good."

“Excellent. How will you get here? It’s a long drive from Middlesbrough.”

“Yeah, I know. I’ll get a weekend return on the train.”

“That’s great, mate. Really appreciate it. Text me when you know what time you’ll be getting here and I’ll meet you at the station.”

“Isn’t that a song by the Monkees?”

“Fuck off. I was hoping your jokes would have improved with age.”

Jim smiled. “Never. Are you still pulling ugly girls because you’re too vain to wear your specs?”

“Better pulling ugly girls than your own dick, which is what you spent three years doing at uni. Besides, I’ve had laser treatment now, so I only pull birds that deserve me.”

A few more lines of banter, and Jim cut the call.

They arranged to meet the following Saturday. They’d have a pub lunch and stay there all afternoon watching sport, and then out on the town Saturday night. Jim could spend the night at Joel’s flat and return home Sunday.

That was the plan that Joel thought was to be followed.

What Jim actually did was to rent a caravan in a holiday park in nearby Herne Bay for a few days. He and Sophie drove down together on the Friday morning. They spent the afternoon walking along the coastal paths, and the evening drinking in a nice quiet pub.

Around eleven the next morning, Sophie took Jim to the local station where he caught the train to Canterbury. The guys spent the next few hours catching up on each other’s lives from the comfort of the pub’s lounge bar. Joel told Jim about the soul-destroying boredom as a Quality Control official, the night his ex-girlfriend threw a chopping board at his head, his epiphany moment about emigrating when watching the filming of *The Lord of the Rings*, and his better offer of a Project Management post out in Christchurch.

Jim then told Joel almost everything about his own life—except that he’d got married two years ago.

“So, what’s the plan for tonight, then?” Jim asked, as casually as he could.

Joel grinned mischievously. “There’s a nice bar that’s always heaving with crumpet on

Saturday nights. Fancy seeing if we can pull, like in the old days?”

Jim smiled to himself. “The way I remember it, I always pulled and you got yourself a kebab for your lonely walk home.”

“Bollocks. I pulled totty more often than you pulled your own dick, and that’s saying something. Anyway, the place is called ‘The Mucky Duck’. And even better, it’s only a ten-minute walk from my place.”

As Joel went to the bar to replenish their glasses, Jim went to the toilets and phoned Sophie, letting her know where they would be later. All she needed to do was to be in the bar. He would ‘get her talking’, and then the rest of the night depended on her. If she still liked the idea, she’d allow herself to be picked up by the two men. If she didn’t find Joel suitable (even though she liked the look of him in the photos), then she could just go back to the caravan, where Jim would join her next day.

“We should get there around nine,” he told her.

“Okay. I’ll try and get there just after that. How’s the day going so far?”

“Good. I’ll have to try and slow down with the drinking. The rate we’re going, neither of us will be of any use to you tonight.”

Sophie was silent at the other end, and Jim realised he’d been insensitive.

“Sorry. Are you OK?”

“Yes, I’m fine.”

“How do you feel?”

“A bit nervous. What about you?”

“The same,” he admitted.

When someone else came into the toilets Jim ended his call and went back into the bar. They left the pub just after five, calling for a takeaway pizza on their way to Joel’s flat.

While Joel was in the shower, Jim sent Sophie a quick text to say they'd started to get ready for their night. Then Jim showered and dressed in pale blue collarless shirt and black jeans. When he came out of the spare bedroom Joel was standing at the archway to the kitchen with a bottle of beer.

Looking at Jim's shirt, he started to laugh. "What the fuck have you got on?"

Jim looked down at himself, then back at Joel, who was wearing a checked shirt and Chinos. "What's up with my shirt?"

"Nothing, if you're Steptoe."

Jim was just about to defend his clothing choice when Joel turned into the kitchen and spoke. "Come and see what I've got to drag round with me tonight."

To Jim's horror, there was somebody else in the flat. A guy with a beard and glasses stepped from the kitchen holding a couple of bottles of beer and held one out towards Jim, who was momentarily dumbstruck. After an awkward pause Jim took the beer, his mind racing.

Joel rocked his bottle between the two men, pointing at each in turn. "Jim, Roger. Me and Jim were at uni together," then turning to Jim he explained that Roger was his soon-to-be ex-colleague.

Roger smiled. "Can't believe I only have to correct his reports for another three weeks."

Joel scoffed. "Roger's just returning some books he's borrowed. I've been trying to expand his mind, but I think it's a lost cause."

Jim nodded, but his mind was still reeling.

"We're off to The Mucky Duck for a few beers, Rog. Fancy joining us?"

Jim nearly groaned out loud. This could ruin the entire plan. He doubted Sophie would be up for taking three men.

Thankfully, Roger was shaking his head. "Sorry, but I'm meeting Anna in The Ship."

Jim tried to exhale quietly, but then Joel had another stupid idea.

“No problem, we’ll come there for a quick one first, give me the chance to say goodbye to your other half,”

“What? But what about the bar you were telling me about?” Jim realised he sounded desperate, and probably more than a little ignorant as far as Roger and Anna were concerned.

Joel dismissed him. “Don’t worry, we’ll just have a swift one.” Then he turned to Roger and whispered, “Jim’s from up north. They don’t get out much, so he’s eager to get amongst the crumpet in The Mucky Duck.” As Roger smiled, Joel added, “not that he’ll have any chance of pulling in *that* fucking shirt.”

Chapter Two

It was almost ten o'clock by the time Jim and Joel arrived at The Mucky Duck. The place was crowded. Loud music – Razorlight's *Stumble and Fall* – blasted from the speakers. As Joel fought his way to the bar, Jim looked around for Sophie. He knew she was in the bar somewhere because he'd seen their car parked outside. It wasn't until Joel got back with their drinks and they'd moved to the other side of the bar area that Jim finally saw her, sitting alone at a table. At an adjacent table was a group of men, and two or three of them were talking to her. Jim could see from her expression that she was happy about the attention she was getting. She was leaning forward, gesticulating more than usual. Flirting.

He was a little surprised at the way she was dressed. She wore a pink vest-top, short black skirt and black shoes with stiletto heel and ankle strap. He knew that Sophie owned short skirts, but she never usually wore them with high heels. And she certainly never wore them together without tights on. She was also wearing more make-up than usual, and her long straight black hair shone as it cascaded over her shoulders.

For the next thirty minutes while Jim and Joel talked, Jim watched the other men chatting up Sophie and realised he was getting turned on. He didn't know why this should be the case. He'd seen other men trying to chat her up in the past, and never had it aroused him. It was usually either funny or annoying. He wondered if it was different tonight because of what they'd got planned for later.

Finally, Sophie walked passed them on her way to the toilets. Jim made a point of watching her legs as walked away, and Joel agreed that she was 'tidy.' When Sophie came back their way, Jim smiled at her. Then he leaned forward and whispered in her ear.

"Pretend I've just said something funny, but make it obvious that I'm the better looking of the two of us."

Sophie burst out laughing, looked at Joel and then at Jim. "That *was* funny."

Jim faked a hurt look. He knew Joel was handsome. Enough of the women they'd known at university had said so. Joel had big brown eyes and a nice smile, and had been known to tell women he was George Clooney's cousin. Although it was a total lie, Jim couldn't deny the slight resemblance.

Jim offered to buy Sophie a drink, meaning he had to leave the two of them together while he went to the bar. He hoped Joel wouldn't say anything to make Sophie want to abort the plan. When he returned with their drinks, the two of them were laughing and having a great time. As they all talked, the conversation got more and more flirtatious, with Sophie smiling suggestively at all the innuendo.

Joel was in his element. "Have you got a friend with you, Sophie? I'd feel so guilty for leaving Jim on his own while we share the night of your life."

Sophie laughed again, and put her arm around Jim as if to console him. "Ah, don't say that. I think he's very cute. But no, I'm afraid I'm all alone." She lowered her face a little, and looked up at them with big, sexy eyes. "But even as a little girl, I never liked sharing my toys with my friends."

Joel gave Jim a knowing look, and then went to the bar to get more drinks. While Joel was at the bar, Jim explained about Roger's visit.

"Nearly shoved a spanner right in the works, that did. Sorry we were so late. So, how do you feel it's all going?"

"Good. Very good." She smiled. "Joel's charming and much better looking than in those old pictures."

Jim felt a little pang of jealousy, but knew he was being childish.

Sophie squeezed his arm gently. "If you want to call it off, that's fine with me," she said gently.

Jim shook his head. "No, I want this to happen. I want it for you, but I want it for me, too. As we said, this is a unique opportunity."

Sophie smiled and squeezed his arm. "I can't believe how much attention I've been getting all night," she whispered, looking back towards the table of men who'd chatted to her earlier.

Jim looked down at her slender figure, then back at her pretty face, the big brown eyes between thick lashes, and the perfect white teeth between full lips.

“I can,” he said. “Right, I’ll go and help Joel with the drinks. Don’t let anyone else move in on you while I’m away.”

Sophie shook her hair away from her face, putting on her catwalk expression. “I’ll try and fight them off.”

The queue at the bar was several people deep, and Joel was still waiting to be served. When he saw Jim, he winked and leaned over to whisper. “If she’s not up for taking us both on, I’m a fucking Chinaman.”

Jim tried to look doubtful. “What makes you say that?”

Joel looked astonished at his friend’s apparent naïveté. “Hello? Earth calling Dick-Head,” he said in a voice disguised to sound like it came over a radio. “Have you not been listening to her? Have you not seen her body language? Christ, can’t you hear her fucking well purring like a cat that knows she’s getting all the cream? Well let me tell you, mate—she’ll get my fucking cream, that’s for sure.”

Jim shrugged, thinking maybe he shouldn’t act quite so stupid. Sophie had been so suggestive that anyone would have seen it. He imagined Sophie getting all of Joel’s cream. It turned him on. He looked over at Sophie again, then back at Joel. “So,” he said, “are you up for that?”

Joel looked incredulous. “Too fucking right I’m up for it. I had to come to the bar because I’d got a hard-on. She was rubbing those legs together and giving the big-eyed ‘I don’t want to share my toys’ line. Fucking hell, she’ll be getting as much as she wants from me tonight. I’ve had nothing since me and Viv split up four months ago.”

Jim felt a mixture of possessiveness and horniness, but didn’t dwell on the dilemma for too long.

“If you don’t want in,” Joel continued, “you can still have the spare room. Just cover your ears if you want to get any sleep.”

“Bollocks. If there are going to be any shenanigans, I want to be involved.”

* * * *

When their drinks were finished, Joel invited Sophie back to his flat for a nightcap and she accepted with a big smile. Once outside, Sophie said she'd need to get her coat from her car. The men stood and watched as she walked over the road. Her skirt was very short, and the ankle straps and high heels made her legs look absolutely fantastic.

Jim was just thinking how great Sophie looked when Joel whispered "Fucking Hell, Jimbo! Have we hit the jackpot tonight, or what?"

He didn't feel the need to answer.

Sophie rejoined them on the pavement and she walked between the two men for the short walk back to the flat, linking arms with both as they chatted and laughed. Once inside the sitting room, Joel left to get beer. While alone together Sophie and Jim whispered briefly, confirming both were happy with the way the evening was progressing. Sophie hung her coat over the back of a chair, and then Joel returned with three cold bottles of Beck's. They all had a couple of mouthfuls of beer, and then there was a brief pause in conversation. Jim was feeling awkward, and even Joel was reticent.

Sophie broke the silence, and the ice.

"Look, I think we all know what's going to happen here tonight," she said. "Basically, I don't want anything up my backside, and I prefer sex to be gentle. Other than that, I'm up for most things."

Joel put some music on the hi-fi and all three started to slowly dance together, Sophie sandwiched between the men as they all swayed. The men both lightly touched her through her clothes and she returned the gesture, scratching her nails down arms, running her fingers through hair, pushing her hips into their groins.

Sophie removed her top so she was dancing in just a lacy black bra, black skirt and shoes. Both men removed their shirts, and Joel also removed his shoes and socks.

Joel went to change the CD and Jim went to get more beer from the fridge. It took him a couple of minutes to find the bottle opener. He returned to see friend and wife kissing passionately. Joel had his hand up Sophie's

skirt, and she was slowly stroking his erection through the material of his trousers.

Jim stood and watched them. They seemed oblivious to his presence, which made it feel like he was spying on them. He was watching his half-naked wife and another man doing some heavy petting, and it turned him on. He felt a trace of jealousy, a hint of guilt. But overriding all—pure lust.

As Jim finally re-joined them, any thoughts of drinking and dancing seemed to have been forgotten. He undid the back of Sophie's skirt, and with a wiggle of her hips it slid to the floor. She stepped out of the pool of material and stood facing the two men. She slid her arms around her back and unfastened her bra, but held it in place over her boobs.

"I think you two should lose some more of your clothes, don't you?"

In less than ten seconds, both men were naked. Sophie smiled and let her bra join the pile of clothes on the carpet. In her black thong and high heels, she allowed the men to lead her into the bedroom.

The only light came from a small lamp on a bedside cabinet, which cast elongated shadows of them across the walls and ceiling. Sophie lay in the middle of the king-size bed, and Jim and Joel sat either side of her. Jim undid her ankle straps and she kicked off her shoes, then raised her bum up off the bed to allow the men to remove her thong.

Both men started to stroke her body lightly, letting their hands slide over her arms, shoulders, stomach and legs. Jim knew that Sophie had a special liking for getting her feet stroked, and he spent several minutes attending to this. He watched as Joel ran his hands all over her stomach and boobs. When Joel leaned closer and took Sophie's nipple into his mouth, she let out a little whimper of pleasure.

Jim moved further up the bed and took her other nipple into his mouth. Sophie did not try to return any of their caresses. She lay still in the middle of the bed and allowed herself to be stroked and kissed. Jim had one rock-hard nipple between his teeth, his hand stroking the soft skin just above the inside of her knee. Sophie was breathing heavily and moaning quietly. Jim slid his hand slowly up her leg. Sophie gently started moving

her pelvis up and down, and Jim felt her juices on the inside of her thigh. He was surprised at how wet she was getting just from this kissing, but as his hand moved a little higher he realized why. Joel already had his hand on her sex.

Jim opened his eyes and saw that there were two fingers of Joel's hand busily going in and out of Sophie's slit. Joel had felt the presence of Jim's hand and removed his own, allowing Jim access. Jim slid two fingers easily into his wife's wet sex and pleased her for a few seconds before letting Joel take over. This 'finger-tag' went on for a few minutes, with each man spending about fifteen seconds pleasuring Sophie before letting the other take over.

Joel encouraged Sophie onto all fours on the bed, with her facing him, and Jim now standing behind her. This was the first time Jim had noticed Joel's dick. Now it was fully hard, it looked impressive, and certainly bigger than his own.

Jim watched as his friend's dick slid into his wife's open mouth. Another moment of mixed emotions: a cold tightness in the stomach from the jealousy, and a burning fire lower down from the excitement. Jim sank his face between Sophie's legs and started to kiss and lick at her. She was completely soaking, and his face was instantly covered in her juices. He prodded and teased her sex with his tongue for several minutes, and then Sophie moved away from him. She turned around on the bed so that she was still on all fours, but now facing Jim. She looked into his eyes as she took his dick deep into her mouth, sending a shudder through his entire body.

Jim watched as Joel guided his big dick, wet and glistening, towards her sex. She let out a yelp as Joel entered her. Joel started fucking her with long, slow thrusts, his fingers tracing the contours of her hips and waist. Sophie soon started to have the orgasm that she must have been building up to all evening. At the height of her ecstasy, Sophie was so vocal she let Jim's dick fall from her mouth. Joel was obviously nearing his own moment, and Sophie had to hold onto Jim's legs to support herself as Joel banged her from behind. With four or five short hard thrusts, Joel came, and Jim watched in turmoil as Sophie wriggled and pushed back onto him, seeming to enjoy the fact Joel had come inside her.

Then Sophie had Jim back in her mouth, and he realised he was on the verge of his own release. Joel had his eyes closed and was still inside Sophie, now moving very slowly. Sophie's eyes were also closed, her mouth still sucking him. Jim gently tapped her on the side of the head, and she opened her eyes and looked up at his face. He discreetly indicated that he was about to come, expecting her to finish him by hand, or turn around so that he could go inside her. Instead, she started to move her head back and forwards on him with more zeal, and suddenly Jim was coming into her mouth. He closed his eyes and concentrated on the feelings in his body as he was drained of all the pent-up frustration and stress of the previous few hours. Sophie kept sucking and swallowing, and Jim kept coming. Never could he remember such an intense orgasm.

When Jim eventually opened his eyes, Joel was standing next to the bed. His dick was now soft, and he had a big smile on his face. Jim instantly regretted what had taken place. It was a common feeling for Jim, the usual comedown after his orgasm. As the chemical change in his brain kicked in, the mixed emotions suddenly threatened to ruin the whole evening. But after reminding himself how he'd felt every time they'd fantasised over this exact thing, he quickly calmed down again and all three settled in bed under the quilt, Sophie in the middle. There was no conversation as each privately came to terms with what had just occurred.

After about fifteen minutes, Sophie leaned up on her elbow and started to kiss Joel, ready to continue with her night of passion. As she pushed the quilt down the bed with her foot, Jim saw that her hand was gripping Joel's dick, slowly masturbating him. Joel was already hard. Evidently, he was ready for more, too. Jim wondered how long Sophie had been playing with him. Sophie climbed on top of him, feeding his thick dick inside her.

Jim knelt on the bed next to their legs and watched as his wife slowly made love to the other man. Her head was buried against Joel's shoulder, her long tousled hair a dark fan over the pillow, hiding both their faces. Their bodies moved together in a slow, sensual dance. From his position on the bed, Jim had a perfect view of their union. With each slow, upward movement of Sophie's hips he could see Joel's slippery hardness, partially exposed for a second or two before it disappeared again inside the

dark pinkness. Joel was holding Sophie's hips in his hands, moving her on him. Jim stretched his hand out and gently stroked the back of Sophie's leg, aroused to feel her thigh muscles working as she rode his friend.

There was a layer of perspiration on Sophie's back, giving her a sultry, exotic look in the dim yellow light. Their lovemaking seemed to go on for a long time before Sophie reached her climax. She was very vocal as she came – muffled moans and sighs as the current built up, urgent grunts as the waves swelled inside her, then screams and shouts as the waves broke into an explosion of pleasure. Finally, she let out grateful cries and whimpers as she rode the final ripples of her orgasm. Jim was in a cold sweat and felt like his stomach was in a vice. Still gently stroking her, he could now feel her leg muscles shaking as she struggled to maintain the rhythm in her post-orgasmic state. As Jim watched her moving on Joel, he wished he could have been the one that had made her come earlier. Sophie had reached orgasm twice, and each time it had been when Joel was fucking her. Jim hadn't even been inside her yet.

Jim told himself he was being childish. If he hadn't wanted her to have this pleasure, then why did he agree to this weekend? And what about the pleasure he was getting from it?

Before he could contemplate the answer to that question, it became apparent that Joel was nearing his orgasm. His hands were gripping Sophie's hips, moving her more vigorously up and down along the length of his dick. Jim's hand stopped stroking Sophie and he just watched them. Joel was breathing heavily and grunting, sounding like he was feeling pain rather than pleasure. His final groan reminded Jim of the weightlifters in the Olympics – an agonised second or two of immense effort before the final exhalation of relief on completing the lift.

Jim watched Joel's balls move up by an inch or so inside his sac, then relax and move up again, three, four, five times. Jim knew that Joel was firing more and more of his cum inside his wife with each spasm. Sophie was obviously aware of it too, and Jim watched her gyrating her hips, milking Joel of every drop. Suddenly, Sophie was coming again. She slid her knees up the bed slightly, and then raised herself up on her arms, grinding her clitoris against Joel's pelvic bone until her pleasure subsided.

Obviously exhausted, Sophie rolled off Joel and lay back on the bed. She opened her eyes and looked at her husband. She was sweating profusely, strands of her hair stuck to her face. She held eye contact with Jim for a few seconds, and then her eyes made their way down his body. It was only then that Jim realised his dick was rock hard. Sophie looked back up into his eyes and slowly parted her legs. Instantly, Jim was upon her. He pushed himself into her as hard as he could, and she took him in easily. She was very wet, and Jim got a perverse kind of pleasure from the fact the wetness was not only her own juices. He slammed into her with force again and again, and with each thrust Sophie cried out. Jim knew that Sophie was not in discomfort, and as she came again, Jim fired his own addition to the mixture of fluids inside her. They stared into each other's eyes for a few seconds, and then Jim rolled off onto the other side of the bed. After a few minutes they all drifted off to sleep.

It was a couple of hours later when Jim was awakened by Joel's voice. Jim looked across to the other side of the bed and saw his friend's face. His eyes were closed and he was mumbling something under his breath. At first Jim thought he was talking in his sleep, but then realised what was happening. He pushed the quilt slowly down the bed and saw that Sophie was giving Joel a blowjob. Whether she'd started this while Joel was asleep, Jim couldn't tell. Nor, for that matter, did he care.

His jealousy from earlier was long forgotten, and as he watched her he felt his erection grow. Jim slid himself down the bed and eased Sophie over onto her back. She spread her legs and turned her head to one side so that she could keep Joel's dick in her mouth. As Jim mounted her, Sophie looked up at him, slid her arms around his waist and pulled him into her, moving herself against him. She leaned herself up and slightly to her right, craning her neck as she slid her mouth up and down on Joel, taking as much of him into her mouth as she could.

Jim was fucking his wife while only a few inches from his face she had another man's dick in her mouth. This just seemed to drive him on all the more, and his lovemaking became more heated. Suddenly Joel's mumblings became louder and louder, and his hands gripped Sophie's hair. Jim could hear her gulps and see her throat moving as she swallowed all that Joel fired into her mouth. All the while, Sophie kept looking straight

into Jim's eyes. Jim came almost immediately after Joel had, the release making him shout and grunt with each spasm.

Chapter Three

Jim was the first to wake next morning, and he discovered that Joel was the only other person in the bed. He went to look for Sophie, and saw she'd written a message in lipstick on the mirror over the fireplace in the lounge:

Thanx for a great night.

I'm glad that U 2 learned to share your toys.

See Ya.

S. xx

Jim was relieved that she'd left before they woke. He'd been worried that the situation may have seemed less erotic in the cold light of day. He went for a shower and then made two cups of coffee. When Jim walked back into Joel's bedroom, the smell of last night's sex and beer seemed anything but erotic. Joel woke up and glanced questioningly over Jim's shoulder.

"Our guest has already left," Jim announced.

A big smile spread over Joel's face, and then he whooped like a kid at a fair. "Fucking hell, can you believe we got so lucky?"

Not sure how to answer that, Jim smiled and shook his head.

"What a babe," Joel continued. "Looked like an angel, fucked like a demon. Top combination."

Jim tried to maintain a smile. His jealousy had briefly resurfaced in the shower earlier, as images from last night's events kept filling his mind. But now something made him want to know more. He wanted to hear exactly what Joel thought of his wife's sexual performance. Joel was obviously impressed with everything that she'd done to him, and Jim grew strangely proud of the glowing reference his friend gave.

After a full English breakfast at a local café, Joel drove Jim to the station. The two men walked slowly onto the platform.

Joel held out his hand. "I really appreciate your coming down, mate. Hope you think it was worth it."

Jim shook his friend's hand "It was definitely worth it."

"Yeah. Hey, I hope you were paying attention last night. That'll be the last time I'm able to show you how to pick up women."

"Oh, I think I'll be able to manage. I mean, I've learned from the master."

Joel laughed, then turned serious. "I still can't believe last night. I've been going to that bar for weeks and never seen anyone as hot as that Sophie."

Jim tried to hide his pride. "I reckon she's probably been there every week, but only came near you because I was there."

Joel snorted. "Dream on. I wonder if there are women like that in New Zealand."

"Of course there are," Jim assured him. "But without me as your wing man, none of them will have anything to do with an ugly-fuck like you."

Joel laughed again, and then the train pulled into the station.

They assured each other they'd keep in touch, but Jim doubted he'd receive more than a couple of e-mails from Joel. Neither of them was very good at keeping in touch, and that was something Jim knew would work to his advantage.

When Sophie met Jim off the train at the next station, there was no awkward silence or tension. They embraced like they hadn't seen each other for weeks and walked arm in arm to the car. During the short drive to the caravan they made small talk about the previous few hours, but never actually mentioned how they felt about what had taken place. Jim asked what time she'd left the flat, if her journey back to the coast had been OK considering she'd had a few drinks, and if she'd been able to catch up on the sleep she'd missed.

Once back in the caravan, they opened a bottle of red wine and sat at the table. Jim recounted all the nice things Joel had said about her, and Sophie was smiling when suddenly her face dropped.

"Shit!"

Jim turned around to the window to see what she was looking at. About two hundred yards away, walking slowly through the caravan site, was Joel.

Sophie stood up. “What the fuck’s he doing here?”

Jim was just as shocked. “I certainly didn’t tell him. As far as he knows, I’m sitting on a train heading back to Middlesbrough.”

Joel was looking at the cars parked by each caravan. Jim remembered Sophie telling them she was staying in a caravan at Herne Bay, and Joel had obviously made a mental note of her car the previous night when she’d retrieved her coat.

Sophie was beginning to panic. “What are we going to do?”

Jim shrugged. “We could come clean and admit what happened was more than a coincidence.”

“Or we could both hide in the bathroom until he’s gone.”

Jim frowned. “Since the car’s still here he’ll probably assume you’re out for a walk and will probably wait for your return.”

Jim looked around the caravan, evaluating all the possibilities. He knew there were two bedrooms and a bathroom. He saw there was a fitted cupboard opposite his seat. He glanced outside; saw Joel slowly walking towards them. He noticed the cupboard door had an air-vent — a grill fitted into the door at head-height, enabling him to breathe. And to have a perfect view over the seating area in the caravan. He felt a smile spread across his face and looked at Sophie.

“What?”

“Why don’t I hide in there?” he said, pointing at the cupboard fitted into the caravan lounge area. It was tall and housed the electric meter, the ironing board and vacuum cleaner.

Sophie looked at Jim, then out of the window. Joel was less than a hundred yards away, and the net curtains wouldn’t prevent her from being seen for much longer.

“Are you serious?”

Jim nodded. His mouth was dry.

“And what are you asking me to do, exactly?”

Jim shrugged. "You can just talk and drink the wine. Or," he said, looking into her face, "you could give him more of what he had last night."

Sophie stared at him for a few seconds. "Is that what you want?"

Jim's stomach was cold. He nodded. "Is it what you want?"

Sophie shrugged, and then nodded slowly. "I'll do it, if you want me to."

"I want you to," he confirmed.

Then he quickly climbed into the cupboard. He found somewhere to stand where he wouldn't have things getting under his feet as she shut the door and slid the small brass bolt into place. He heard it engage with a snick. He wasn't hugely fond of small spaces, but then they didn't want the door swinging open accidentally, either. He knew he could break his way out of the cupboard if he really had to. Jim took a slow breath as she went to open the door and look shocked at Joel's arrival.

"Well, this is a surprise," she said.

Joel sounded suitably embarrassed. "I had nothing planned for this afternoon. Since I enjoyed last night so much, I thought it would be worth my while to drive up here, see if you were still around."

From where he was hiding, Jim could hear the nervousness in his friend's voice.

"Worth your while?" Sophie raised her eyebrows.

"You know, I just wanted another chance to meet you, to talk."

Sophie was wearing a grey t-shirt, cut-off jeans and no shoes. Her hair was pulled back into a long ponytail. She leaned out of the door and looked around outside. "Did your friend not think it was worth his while, too?"

Joel smiled, relaxing a little. "He had to catch a train. But I'm sure that he would have been here otherwise. He was just as happy about what happened last night as I was."

Sophie smiled, poured two glasses of wine and led him to the seat directly opposite Jim's hiding place. She sipped her wine, forcing Joel to start the conversation.

Joel picked up his own glass and started to rotate it slowly by the stem. "I just wanted to tell you how much I'd enjoyed last night."

"Mmm, it was fun. I think you probably saw that I enjoyed myself, too."

Joel seemed to relax. "Yeah, that's the impression I got. Good. It was, er, something new for me."

Sophie raised her eyebrows. "What, enjoying yourself?"

"No, not that." Joel laughed, then shrugged. "Although in truth, it's a long, long time since I've had that much fun."

Sophie laughed at that but didn't respond.

"I've never been involved in a threesome before."

Jim watched Sophie's face through the grill. He wondered if she was going to admit she'd only fantasised about it.

"I think they're fun."

Jim smiled to himself. Sophie's voice seemed to have taken on a more intimate quality, as if she was a little short of breath. Joel apparently noticed it too, because just then he leaned forward and kissed her on the lips.

Jim watched as Sophie returned his kiss, and she didn't resist when Joel's hand slid up her t-shirt. The kissing quickly turned passionate and then Joel broke away, panting.

"Bedroom?"

"I've already had you in a bedroom. What's wrong with here?"

Joel stood up and pulled her t-shirt over her head, then pulled her gently to her feet. He undid the buttons at the front of her cut-offs and eased them down her legs. Then he put his arms around her and kissed her gently, his fingers unhooking her bra. He pushed her back into the seat, positioning her so that she was sitting in the corner of the caravan, wearing only a white silk thong. A continuous bench seat ran around the corner of the caravan, and she had one leg resting on each seat, at right angles.

Joel was still fully dressed. He knelt on the floor between her legs and started kissing and licking her through the thin material of her panties.

Occasionally he pulled the wet material to one side so that his tongue could slide inside her.

Jim's mouth was dry, and he licked his lips as Joel's tongue licked Sophie.

Sophie kept her eyes fixed on the grill in the door.

After several minutes of Joel's tongue, Sophie reached the inevitable climax. She kept her gaze on the door, but Jim saw her struggle to keep her eyes open as the orgasm swept through her. It was as if she was sharing her ecstasy with him. Her hands gently stroked Joel's hair, but her eyes never left the grill through which she knew Jim was watching.

The lovers then swapped places, but Sophie didn't bother undressing Joel. She just opened his jeans enough to pull out his dick, which she immediately took into her mouth. Joel closed his eyes and stroked her hair. She only sucked him for a short time—less than a couple of minutes before she stood up and pushed him back against the corner of the caravan. Then she slipped off her thong and straddled him, putting a knee on either bench-seat. She guided his dick inside her. From the way Sophie had positioned herself, Jim had a perfect view of the sex act, and he realised this had been her intention. She rode Joel very slowly, talking to him all the while, telling him how big he was, how good it felt, how much she liked the feel of him inside her. Joel's hands were all over her, his fingers caressing and kneading her full breasts, smooth thighs and firm bum.

After several minutes of this Sophie raised herself off him, then lay full length on the seat opposite the cupboard. Joel got on top of her and started to take her with more urgency, his thrusts deep and hard, making her boobs shake with each stroke. When Joel was getting close to coming, Sophie put her hands to his chest, pushing him up.

“Come over me.”

Jim realised she'd said this for his benefit, so he could see the spectacle. Joel didn't seem to be listening. His eyes were closed and he was banging her, fast and hard.

Sophie scratched at his chest with her fingernails, interrupting his concentration.

“Shoot it all over me. Come on my face and tits. I want to watch you come. I want to see your pleasure, feel it on my skin, I want...”

Joel pulled himself out just in time and a jet of creamy-white liquid spurted over her, landing on her chin and chest. Joel took his dick in his hand and, grunting, pulled himself until another couple of heavy spurts splashed over Sophie’s belly. Sophie ran her fingers over the mess on her body, rubbing it into her skin.

Jim watched her, his mouth dry again.

After a few minutes, Sophie wiped herself with tissues and slipped on her shirt and shorts. She and Joel chatted for maybe twenty minutes as they finished their wine. Joel told her all about his decision to emigrate and the job he was going to, and even offered to find her a bed if she ever fancied a holiday in New Zealand. She smiled at the way he’d worded his offer.

Joel refused a second glass of wine because he was driving, and said he really should be getting back to start packing up his belongings in his flat. He apologised for tracking her down the way he had, but she told him she was glad he had. A brief kiss, and then he was gone.

After a couple of minutes, Joel had walked far enough from the caravan for Sophie to let Jim out of the cupboard. She looked into his eyes, and they went straight to the bedroom. By the time she’d removed her clothes, he was naked. She took his throbbing erection in her hand and he started to shake. He let out a groan and suddenly came all over her wrist and arm. She was totally surprised, but quickly masturbated him, making him cry out at his release.

Afterwards, they lay in bed and talked about everything that had happened, both last night and that afternoon.

“I didn’t really think it would live up to what I’d hoped, but it did,” she said.

Jim looked into her eyes as she continued.

“I doubt if I could have been so comfortable with any of the men we know. And I’m sure I would have been too intimidated and uncomfortable to enjoy it with two complete strangers. The fact you were there meant I felt safe and could relax.”

Jim held her a little tighter. “I didn’t know what I was expecting to feel, but I never thought I’d feel how I did.”

Sophie raised her eyebrows. “Why, what did you feel?”

Jim felt slightly embarrassed. “When I came out of the kitchen and you two were necking...”

“Yes?”

“I don’t know...I was a bit hurt. You know, jealous. But I was turned on. I mean, *really* turned on. I saw his hand up your skirt, and I saw you stroking his dick, and straight away I got a hard on.”

Sophie’s hand went instinctively to Jim’s dick and started to stroke it.

“And it was the same again later, when he fucked you from behind. I think it was the very fact that he was coming inside you which brought on my own orgasm.”

Sophie smiled. “I knew you were getting some voyeuristic pleasure from it all. After I’d been on top of Joel, you know, the second time...?”

Jim nodded.

“You fucked me so hard, so passionately. And you came really quickly.”

Jim closed his eyes and remembered how he’d felt at that moment. He was hard again. He rolled on top of Sophie and slid into her.

Sophie held him tight and carried on whispering in his ear, her voice breathless and intimate. “When Joel was fucking me from behind, I could feel you shaking with excitement. Did you see how thick his dick was?” She ran a hand slowly down his back, scratching him gently with her nails. “I wondered what was turning you on more—having your dick in my mouth, or watching another man fuck me. Knowing he was shooting his load inside me, filling me with his stuff...”

Jim closed his eyes, kept his teeth gritted. He was breathing heavily. He wanted her to keep talking.

“That’s why I sucked Joel’s cock when I woke up,” she continued. “I considered giving you the blow-job and letting Joel catch us, but decided against that.”

Jim's entire body was shaking.

Sophie pushed her tongue into his ear, nibbled the lobe a little. "I knew you'd want to fuck me when you saw me like that, how the sight of another man's big dick in my mouth would spur you on to fuck me again. And it did. I can't remember you coming three times in such a short space of time before."

By now Jim was scratching her down her sides, gripping her bum so tightly that it was probably painful.

"I wanted you to see Joel come in my mouth, so that you knew how much pleasure I can give to another man. I wanted you to see how much pleasure I could give to you, just by letting you watch me. Letting you watch me fucking and sucking other cocks."

Jim was starting to come, his face buried in Sophie's neck.

"This afternoon," she continued. "I wanted you to see me come when he went down on me. And I wanted you to see him come, with all his spunk shooting over me. I wanted you to see him come fucking me, wanted you to see him shoot his load after he'd fucked your wife..."

Her words stopped when she reached her own orgasm. Jim was thudding into her with more force than he'd ever used, a mixture of anger and passion, jealousy and gratitude, loathing and lust. She held on to the bed as the whole caravan rocked with the intensity of their lovemaking. With a final groan, Jim flooded his wife.

They lay in silence for several minutes. In the come-down, Jim had no regrets. Last night had surpassed everything he'd imagined. Never had he suspected he'd get such a kick out of watching his wife with another man. There were no anxieties. Clearly the jealousy thing worked for him. It felt like they'd opened a whole new chapter of their sex life and he hoped Sophie felt the same.

He kissed the top of Sophie's head. "Penny for your thoughts?"

Sophie looped her arm across his chest, a lazy smile all over her face. "Who's next?"

Jim smiled, relieved. He kissed her head again. "Maybe you should ask around, see if any of your old friends are thinking of leaving the country."

Abuse of Power

Sara moved things along. She turned to Jim, but spoke loud enough for everyone to hear. “My husband hasn’t been able to take his eyes off your wife all evening. If she doesn’t fuck him soon, I think he’ll explode.”

Sophie looked across at Jim and Sara, then turned to Billy and rested a hand on his arm. “Well, I quite like the idea of both those things. Maybe he could explode while I’m fucking him...”

Jim saw them share another look, and watched transfixed as Sophie leaned into Billy and kissed him on the mouth. Billy returned the kiss, their hands moving to touch each other’s arms, stomach and legs. Their kissing became passionate in seconds, and Jim felt himself getting hard. Sara’s hand stroked his leg and Jim was momentarily shocked—he’d forgotten she was there. They kissed. Her hand moved up towards his groin and her tongue pushed into his mouth. He caressed her breast, tracing a fingertip round the taut nipple. Sara breathed harder into his mouth. Jim could hear heavy breathing from the other couch, and when Sophie let out a moan he couldn’t resist looking. Sophie had her legs slightly open and Billy’s hand was up her dress. She was running her hand over the bulge in his trousers, her fingers tracing the outline of his erection.

Sara glanced in their direction then smiled at Jim. “Where do you want to do this?”

Jim shrugged, looked over again at the other couple. He didn’t want them to use separate bedrooms. “We could stay here, maybe...”

Sophie must have heard their conversation, because she came up with a better plan. “Why don’t we all get in our bed?”

Jim’s learning things about himself that he never knew. Surprising things. Like how much he enjoys watching his wife lose herself with another man. Sophie’s learning as well, like how when it comes to male attention, for her it’s a case of the more the merrier.

And Sophie loves getting merry. You might say she’s becoming addicted. Sometimes she needs it so bad she’ll take the initiative herself, even when Jim is not around. For most men, that might be a problem, but Jim is not most men. Just knowing what his loving wife is doing without him, giving herself to those men, letting them have her in every way they can... Yes, he gets jealous, but if Sophie tells him everything, how she

becomes so needy that she simply relinquishes her will, it can be almost as good as being there.

Drunk on the seemingly inexhaustible depth of his wife's libido, Jim oversteps at a swinging party and starts directing Sophie's lovers, telling them where they should finish. Finally, Sophie cracks. Sticky, degraded, angry, she strikes back and gives her cuckold husband a taste of his own medicine... or at least, her lovers' medicine.

[Abuse of Power](#) is the next instalment of Sophie and Jim's adventures and is available from Amazon.

Operation: Cuckold

“Come on, Sissy. Get up here now.”

Harry obeyed.

Roy held his huge cock in his hand. “Right, now jerk me off into your wife's pretty face.”

Harry's mouth dropped open. “What?” He turned to look at Michelle, who stared back at him with unfocussed eyes. Her hair was clinging to her face.

Roy grabbed Harry's arm and pushed it towards his huge cock. “I said beat my fucking meat. Your wife wants to feel my hot cum all over her face.”

Harry hesitated for a split second too long.

Roy slapped him round the head. “Come on, Sissy, I'm itching to blow, here.”

Stunned, he reached out and wrapped his hand around the dick. It was hot, wet and slippery. And bigger than anything he'd ever held before. He gripped tighter.

“That's it. Now, wank me off.”

Harry started to slide his hand up and down on Roy's cock. It felt surreal.

“Yeah, that's it. Work it like that, but faster.”

Without taking his eyes off the cock in his hand, Harry started to pump his wrist faster. He'd had lots of practice at this over the years, but only ever on his own small cock. He looked up to his wife's face. She was watching him, smiling. He moved his hand faster, gripped a little tighter.

Michelle shook her hair back from her face, licked her lips. “Come on, drench me.” She leaned closer and held her tongue out.

Harry's having problems rising to the occasion and discovers Michelle's been using porn to help take care of things herself.

He suggests she lives out her fantasy of a one-night stand, but is shocked by how much he gets out of it. As they repeat the experience with other men, pretty soon neither can stand the idea of going back to what they had before, even though Michelle pushes Harry right out of his comfort zone.

A cuck and bull story about a very happy hotwife.

Stag Nights

Michelle climbed up off the lounge and turned to face Harry. Lucas's sunglasses still hid her eyes, and his cum still covered her chest and stomach.

She tilted her head to one side and smiled. "Take my picture."

Harry did so, taking at least ten shots.

"And now shoot a video," she ordered.

Harry obeyed, selecting the correct option and pressing the red button.

Michelle smeared the cum all over her stomach and breasts while looking directly into the lens. "I have a confession—this isn't my husband's cum. My husband has just watched another man fuck me, and I know he enjoyed it almost as much as I did." She licked

her lips. “And when we get home, my husband is going to use me for his pleasure, and then he’s going to come all over me as well.” Michelle gave her most beautiful smile. “I love my life.”

There were butterflies in Harry’s stomach, and he stopped filming. He stared at Michelle, who removed the sunglasses and looked down at her body.

Harry and Michelle are now fully entrenched in their new wife-sharing lifestyle. Michelle is proving to be one of the hottest hotwives around, with bulls waiting in line to take turns. Literally.

As Michelle gets more of what she craves, she pushes Harry further into the role of the cuckold and he's presented with situations he finds hard to accept.

Things look like they might be going awry until he discovers that not all wife-sharing husbands need to be cucks...
