Abuse of Power

Jim's learning things about himself that he never knew. Surprising things. Like how much he enjoys watching his wife lose herself with another man. Sophie's learning as well, like how when it comes to male attention, for her it's a case of the more the merrier.

And Sophie loves getting merry. You might say she's becoming addicted. Sometimes she needs it so bad she'll take the initiative herself, even when Jim is not around. For most men, that might be a problem, but Jim is not most men. Just knowing what his loving wife is doing without him, giving herself to those men, letting them have her in every way they can... Yes, he gets jealous, but if Sophie tells him everything, how she becomes so needy that she simply relinquishes her will, it can be almost as good as being there.

Drunk on the seemingly inexhaustible depth of his wife's libido, Jim oversteps at a swinging party and starts directing Sophie's lovers, telling them where they should finish. Finally, Sophie cracks. Sticky, degraded, angry, she strikes back and gives her cuckold husband a taste of his own medicine... or at least, her lovers' medicine.

Chapter One

When Jim opened his eyes, Sophie was watching him from her pillow. He wondered how long she'd been awake.

He blinked and smiled. "Good morning."

She smiled back, leaned across and kissed him gently on the mouth. He could still taste Sara's juices on her lips.

It was light outside and Jim leaned over to check his watch. He was shocked to see it was almost ten, but then they'd been awake well into the small hours.

"You looked so peaceful, I didn't want to wake you."

Jim watched her face, trying to gauge her mood. "Does that mean you didn't sleep well?" He was anxious about how she felt, but tried not to show it.

Sophie moved closer to him, slipping under his arm and snuggling her body against his. She kissed his neck. "I slept fine. Don't worry, I'm not having any regrets."

Jim relaxed. Last night had been his turn to enjoy two lovers after an experiment a few weeks ago, when Sophie had been at the centre of his and Joel's undivided attention. Sophie playfully referred to their session with Sara as his 'payback'. He hoped that wasn't the only way she saw it—the idea was that she enjoyed the session with Sara, too. Sophie ran her hand down his stomach and kissed his neck again. "So, did having two women at once live up to your all your fantasies?"

Jim's mind filled with images from the previous night. "I didn't have *that* many fantasies about it..."

"Rubbish. Ever since I told you about Sara's life-style you've been obsessed with the idea of getting her into our bed."

Jim looked at his wife. She was smiling, and he was relieved to see she was winding him up. "I wasn't obsessed. But when you came home and

told me the good-looking woman from the gym was bi-sexual and had an open marriage, obviously my curiosity was a little piqued...”

Sophie slid her hand down to his cock. “It was more than your curiosity, the number of times this thing ‘peeked’ out of your pants when we talked about her.”

“Okay, maybe I did let my imagination run a bit wild.”

He was concerned that Sophie would be hurt and jealous that he’d want to sleep with someone else—that’s how he’d expected to feel when he shared her with Joel, but then the voyeuristic buzz had kicked in and he hadn’t suffered the jealousy he’d expected. He hoped she wouldn’t start having regrets. “What about you? Did you enjoy last night?”

Sophie looked thoughtful, and then nodded slowly. “Yes, I think I would definitely put it down as a success.”

Jim watched her face. He thought she was going to say more, but she didn’t. “So you’re saying your first taste of lesbian sex was exciting?”

“I think you could have chosen a better word than ‘taste’. That was probably the worst thing about it for me.” She pulled a face, wiping her mouth. “But it was exciting. It was different, being kissed by someone soft. One of the sexiest things was having her body and legs rub against mine. That in itself turned me on.”

“What about the sex?”

She gripped his cock. “I enjoyed *this* a lot, if that’s what you mean.”

Jim stroked her arm. “I know you enjoyed that, but did you enjoy having a woman touching you, making you come?”

“God, yeah. The time she used her finger to stroke me inside and her lips to suck my clit. She was really gentle and slow, and when I started to come she brushed her tongue back and forth over my clit really slowly. I swear I saw stars.”

Jim’s cock was now hard, and Sophie climbed up and impaled herself on it. She leaned forward so they could continue to whisper into each other’s ear.

“What about you? Did you see stars when she made you come?”

Jim thought about it. He'd only come twice, the first time inside Sara while she was sitting on top of him, the second time while both women had been taking turns sucking him. "I had a good time, but I don't think I can say that I saw stars. I really enjoyed watching you two together, though."

"Why am I not surprised?"

Jim rested his hands on her hips as she rocked on him. "How did you feel when you watched me with Sara?"

"I was fine. I didn't feel any of the jealousy I was fretting about. It was kind of weird to watch. I've never seen people having sex before without being directly involved. But I didn't get the voyeuristic buzz that you described after seeing me with Joel."

Jim stayed silent, and Sophie must have seen something in his expression because she sat up a little and stopped the rocking movements. "What is it?"

He smiled and shook his head. He moved his hands on her hips, encouraging her to resume her rocking motions, which she did.

"Were you expecting me to get the same buzz you got?" Sophie asked.

"No, but I was expecting that I would."

Her eyes opened in surprise. "And you didn't?"

Jim shrugged. He felt a little guilty at the confession. "Not like before, no."

Sophie increased the speed of her movements slightly, a knowing smile on her face. "Why d'you think that is?"

"I'm not sure." Jim wasn't being entirely truthful.

"Would it have helped if Sara had used a strap-on? Would you have preferred to watch her fuck me with a dildo?"

Now it was Jim's turn to open his eyes in surprise. *How did she know?* "Maybe."

Sophie moved a little faster. "Or maybe it would have been better still if I'd told Sara to bring her husband along, too. You could have fucked her while you were watching him fuck me."

Jim let out a groan as his orgasm seemed to arrive from nowhere. He hadn't even felt close, but all of a sudden he was gushing inside her. Sophie pushed down and moved in short, fast thrusts. She let out a sigh and he felt her contractions squeezing him. They moved slowly, each breathing heavily. She rolled off and they lay side by side.

Jim broke the silence after a couple of minutes. "How did you know?"

Sophie shrugged. "I knew you were enjoying yourself, but there wasn't the same intensity that'd been there with Joel."

"How d'you mean?"

"You fucked me with so much passion that night. I'd never known you be so hard, so aggressive. Last night we all made love. I knew you were enjoying it, but not like before. With Joel it wasn't *making love*—that night was fucking in its rawest sense. And I got more of the same the next day, after you'd watched us."

Jim shrugged, a little embarrassed. "Sorry."

Sophie hugged him. "Don't be silly. It's a great compliment that you enjoy watching me receive pleasure, and it turns me on."

They lay in bed and cuddled for another twenty minutes or so before Sophie got up and took a shower. While Jim showered she went downstairs to prepare breakfast.

* * * *

A few days later, Sophie told Jim she'd invited Sara and Billy over for dinner the following Saturday. Although no mention was made of what would happen after they'd eaten, Jim found himself running the potential scenes through his head. The idea of having sex with Sara again was good, but what really got him worked up was the thought of seeing Sophie with Sara's husband. Jim hadn't met Billy before, but if he was honest with himself, it probably wouldn't really matter if he liked him or not. He simply wanted to watch him have sex with his wife.

As it turned out, Jim found Billy to be a very likeable character. He was also tall, dark and handsome, which Sophie looked very happy about.

Billy was a lot of fun, making jokes about most things—including himself, which Jim liked. He didn't have a lot of patience with people who took themselves too seriously.

Jim noticed Billy watching Sophie as she served the starters, and he couldn't blame him. She'd dressed in a rust-coloured crushed velvet dress that was fitted at the waist and clung to her hips and bum. The skirt was a few inches above her knee, and the neckline low enough to show a flash of cleavage every time she leaned over the table to reach something. Her long dark hair was pinned up, which emphasised her cheekbones and big brown eyes. Sophie caught Billy looking at her and Jim saw them share a secret look, which caused butterflies in his stomach. The four of them chatted freely about their jobs, holiday experiences and TV programmes they'd watched.

“So,” Billy asked when there was a lull in the conversation. “How did you guys get into the sort of thing me and Sara do?”

Jim and Sophie shared a smile. Jim took a breath, but Sophie answered for them.

“We'd often discussed getting someone else to join us as part of our foreplay.”

Billy smiled and nodded, as if this was how a lot of people started. “But you found that you wanted more?”

Sophie shook her head. “Not really—or at least not at first.”

Somewhere in the back of Jim's brain, a question formed: why add ‘not at first’? Did that mean that she now needed someone else present to make sex enjoyable?

Sophie was already continuing with her answer. “But we were presented with a unique opportunity. One of Jim's old friends was emigrating. The idea came to us—”

“The idea came to Sophie,” Jim cut in, smiling. “But only after she'd seen a photo of my friend.”

Sophie laughed. “Actually, he's right. It was my idea. We used to tease each other with who we should invite to join us, but we honestly didn't know anybody else who did that sort of thing.”

Sara almost spat out her wine. “You should have asked me—I’d been dying to get into your knickers for months.”

Everyone laughed and Sophie blushed, evidently flattered. “Thanks, but I had no idea. Anyway, when Jim’s friend Joel wrote to ask Jim if he wanted to meet up for the weekend before he left for New Zealand, my mind started seeing all sorts of possibilities. Joel had never met me—in fact he didn’t even know Jim was married.”

Jim nodded. “We shared a house for a couple of years at uni, but both got jobs at opposite ends of the country. You know what blokes are like—we never kept in touch.”

“So, I had the idea—”

“After she’d checked his photograph,” Jim chimed in.

Sophie shrugged. “I wanted to know what I’d be getting. Anyway, I had the idea that we’d both go. I booked a caravan a few miles away. Joel wouldn’t know I was Jim’s wife, and a few days afterwards he’d be living on the other side of the world. All I had to do was to go to the same bar and allow myself to be picked up by two ‘strange’ men.”

Sara laughed out loud. “You hussy.”

“Was the evening a success?” Billy asked, a hint of teasing in his voice.

Sophie took a sip of her wine as she held eye contact with him. “I think it’s fair to say all three of us had a good time.”

Jim wondered if Sophie would tell them about the following day, when he’d suggested she have sex with Joel again while he watched—hidden, this time. Sara and Billy were nice enough, but he wasn’t ready to share his voyeuristic kink with them. He decided to steer the conversation back to his guests. “How about you two? What was the catalyst for you guys doing it?”

Sara answered for them. “Billy admitted he’d fucked a woman he worked with, and I realised I didn’t mind. So I told him there was a guy at my gym that I wanted to fuck, and he realised he didn’t mind, either.”

Sophie was watching Sara. “So, did you?”

Sara looked puzzled. “Did I what?”

“Fuck the guy from the gym?”

“Of course I did. I had him the next day. We’d been flirting for ages, so when I knew I could have him, I fucked his brains out.”

The relaxed conversation continued, veering away from sex and back onto work and holidays. Sara was teasing Billy over something or other. Sophie was defending Billy, and the four of them were all laughing when Sara jokingly turned to Jim.

“I don’t know why Sophie’s taking his side, he’s the only person here who hasn’t made her come.”

Jim was shocked, and even Billy looked a bit taken aback.

Sophie looked at Jim for a brief second, then picked up her wine glass and smiled at Billy. “Hmm... well, it’s still early yet.”

Jim saw another look pass between them, and he felt the pre-cum seep into his pants.

They took their coffee through to the living room, and when Sara sat on one of the couches, Billy sat on the opposite one. Jim wondered if this was the usual way that these things worked—he and Sara getting ‘cosy’ on one couch, Billy and Sophie on the other. The light conversation continued until the coffee was finished.

Sara moved things along. She turned to Jim, but spoke loud enough for everyone to hear. “My husband hasn’t been able to take his eyes off your wife all evening. If she doesn’t fuck him soon, I think he’ll explode.”

Sophie looked across at Jim and Sara, then turned to Billy and rested a hand on his arm. “Well, I quite like the idea of both those things. Maybe he could explode while I’m fucking him...”

Jim saw them share another look, and watched transfixed as Sophie leaned into Billy and kissed him on the mouth. Billy returned the kiss, their hands moving to touch each other’s arms, stomach and legs. Their kissing became passionate in seconds, and Jim felt himself getting hard. Sara’s hand stroked his leg and Jim was momentarily shocked—he’d forgotten she was there. They kissed. Her hand moved up towards his groin and her tongue pushed into his mouth. He caressed her breast, tracing a fingertip round the taut nipple. Sara breathed harder into his mouth. Jim could hear heavy breathing from the other couch, and when Sophie let out a moan he

couldn't resist looking. Sophie had her legs slightly open and Billy's hand was up her dress. She was running her hand over the bulge in his trousers, her fingers tracing the outline of his erection.

Sara glanced in their direction then smiled at Jim. "Where do you want to do this?"

Jim shrugged, looked over again at the other couple. He didn't want them to use separate bedrooms. "We could stay here, maybe..."

Sophie must have heard their conversation, because she came up with a better plan. "Why don't we all get in our bed?"

Sophie led the way and Jim noticed she kept hold of Billy's hand as they went up the stairs. Once in the bedroom, Sophie turned to Billy and started undoing his shirt buttons. Jim helped Sara out of her dress, quickly lost his own clothes and they both climbed onto the bed. Sophie was the last person to be undressed, and Jim held his breath as Billy undid the zip at the back of her dress and slipped it from her shoulders. Jim was so proud of how fabulous she looked in her bra and thong. As he watched, Sophie removed her clips and shook out her hair, then reached behind her back, unhooking her bra. She let it drop to the floor and Billy bent to take one of her nipples into his mouth. Sophie closed her eyes and her hands came up to cradle Billy's head, her fingers running through his hair.

Jim felt his own heart start to race, then Sara placed her hands on his chest and pushed him back onto a pillow. Jim tore his gaze away from his wife and looked down at Sara as she knelt between his legs. She licked her lips and lowered her head. As his cock was enveloped in Sara's mouth, Jim let out a sigh. Sophie opened her eyes and watched Sara's head moving up and down, then smiled at him. That made him feel a little weird.

Sophie lifted Billy's head away from her breast and sat on the bed. Billy was still standing, and Jim watched as she placed her hands on Billy's hips and pulled him towards her. From his angle Jim couldn't see everything, but the expression on Billy's face made it obvious when her mouth took in his cock. Jim could hear Sophie's slurps and Billy's moans. He pushed himself a little harder into Sara's mouth.

Billy only allowed Sophie to pleasure him with her mouth for a short time. Jim saw him place a hand on either side of Sophie's head and ease her away. Sophie moved herself up the bed until she was lying next to Jim. Billy reached for her thong and she raised herself up to allow him to pull it down her thighs. Jim watched as she raised her legs so her last item of clothing could be thrown onto the floor with the rest.

Billy climbed between Sophie's legs and ran his hand up her inner thigh. Jim watched Sophie's face as Billy's fingers slid inside. Her eyes closed and her breath caught momentarily before she let out a sigh. Billy finger-fucked her and Sophie let out a low moan. As he started to lower his head Sophie pulled at his arms. Billy looked up, a trace of concern on his face.

Sophie shook her head once. "No, not that. Fuck me." Her voice was breathless. "I want you to fuck me."

Billy placed one hand next to Sophie's head and guided his cock to her entrance with the other. Sophie tilted her hips up and Billy pushed all the way inside her. She let out a long groan and wrapped her legs around the back of his. They started to move together, writhing in a slow, passionate dance.

Sara evidently decided it was time for her to get some pleasure. She straddled Jim and impaled herself on his cock. Jim was worried he'd come too soon, but Sara started grinding herself down on his pubic bone and he felt the contractions of her orgasm build quickly. Jim was surprised Sara was the first to come because he'd given her hardly any attention at all.

As Sara's moans escaped her lips, Sophie also started to become more vocal. Her moans grew more urgent and she pulled Billy against her.

"Oh yeah. Oh...ah, yeah."

Then Sophie's orgasm was upon her, and she was screaming and swearing. Jim hardly recognised her voice.

Billy raised himself up on straight arms and started fucking her harder. Jim watched Sophie throw her head back onto her pillow and arch her back, opening herself up for Billy.

Sara started moving on him a little faster, and Jim felt the familiar tightening in his groin. He came powerfully inside her and she leaned

backwards, her hands resting on the bed by Jim's feet. He bucked his hips and felt another spurt erupt into her. Sara let out another groan and rotated her hips.

Jim was surprised when Sophie started talking dirty to Billy. She hadn't done it with Joel, and she only rarely did it with Jim. But it turned him on. Billy was now banging her with force, the entire bed shaking with the impact of each thrust.

"Oh god, yeah. Come on, fuck me. Fuck me."

Sara lay down on Jim's chest and rested her cheek against his. Together they watched their respective spouses fucking with abandon. Jim wondered if Sara got as big a thrill from it as he did.

Sophie was being bounced up and down on the bed, but she was still talking in breathy whispers. "Yeah, that's it. Let it blow. Come for me. *Explode*. Let me feel you shoot it inside me. I want you to flood me."

Billy let out a low growl and Sophie wrapped her legs around his waist and pulled herself up off the bed, rocking her pelvis. Jim had never seen her act like this before, and he wondered if Billy had done something to make it so wonderful, or if Sophie was doing it for his benefit. Whatever the reason, Billy was undoubtedly enjoying emptying himself inside her. He was visibly shaking by the time his orgasm had subsided, and when he stopped thrusting, Jim watched as the two of them stared into each other's eyes. Sophie raised her head and kissed him tenderly on the lips. Then she lay back and turned to look at Jim. Her eyes were half-open and she looked exhausted. He wanted to kiss her but didn't think it would be appropriate.

They lay like this for several minutes, and then Sara leaned over and kissed Sophie on the mouth. Sophie returned the kiss and Billy rolled off Sophie to allow her to sit up. Jim watched as the kiss between his wife and the woman he'd just had sex with became more passionate. With Jim lying on one edge of the bed and Billy on the other, the two men watched as their wives kissed and fondled each other. Sara pushed Sophie onto her back and dropped her head between her legs. Sophie let out a sigh as Sara's tongue lapped her husband's juices from her. After a few minutes Sophie started to whimper.

She turned her head and Jim watched her face as Sara brought her to her second orgasm of the evening. Sophie's eyelids fluttered and lips pursed. Her breathing became ragged, but she didn't cry out or utter obscenities like she'd done throughout her first one. Billy sat up and Jim saw his cock was ready to go again. Billy knelt behind his own wife and entered her doggy-style. Sara let out a moan but didn't stop licking Sophie. Billy fucked her slowly, and Sara pushed herself back to meet each thrust. Sophie looked down at Jim's cock and smiled. He also had another erection. She pointed to her mouth, and twisted her upper body towards him. He crawled up the bed and pushed his cock into her mouth, getting a thrill from the fact she'd be able to taste Sara's juices, and probably his own cum as well.

Over the next thirty minutes the four bodies seemed to move as one. The choreography was completely unrehearsed, yet to Jim it all felt natural and unforced. They changed fluidly from one position to another. Sophie sucked Billy, Jim took Sara from behind, Jim watched while both girls pleased Billy, Sara watched while both men pleased Sophie. Sophie reached her third and final orgasm of the evening while Jim was inside her. Billy made Sara come by finger-fucking her and sucking her clit at the same time. Both men then achieved a second orgasm. Billy fucked Sophie in the missionary position for a short while, then withdrew so that Sara could finish him off with her hand, aiming his cock so that he came all over Sophie's stomach and chest. Jim took Billy's place between Sophie's legs and fucked her with force. Sara was sucking Sophie's nipples, and Jim fired his own cream onto Sophie's writhing belly.

They all lay in silence for several minutes, then Sara and Billy got dressed. Jim and Sophie put on their robes and they all went downstairs to say their goodbyes.

Jim walked round turning the lights off, but sensed Sophie watching his face. "What is it?"

She smiled, shrugged. "Was that better than last time?"

"You mean with Joel, or with Sara?"

"With Sara."

Jim nodded. "I think so, yes."

"Voyeuristic buzz?"

Jim laughed, embarrassed. "You could say that."

Sophie moved closer, kissed his cheek. "I could tell." She glanced at the clock. "Fancy a bath?"

"At this time of night?"

"Well I need to clean up—you pair both used me for target practice. There's still some wine open..."

They settled into the hot water a few minutes later and Jim looked at his wife's face. She'd removed her make-up and pulled her hair back into a ponytail. Her cheeks had a slight redness and her eyes shone. She looked radiant.

Sophie sipped her wine. "Tell me how you felt about tonight."

"What do you mean?"

"You know what I mean." She was smiling.

Jim took a long breath while he tried to put his thoughts in order. "All through dinner Billy was stealing glances at you."

"Was he?"

"You know he was—I saw you two sharing little smiles. I watched you both checking each other out. I tried to imagine what it must have been like, eying someone up and knowing that in a short time you'd be becoming intimate."

Sophie remained silent.

Jim rubbed his calf against her hip under the water. "Come on—tell me what it was like, sitting opposite someone and knowing that in an hour or so he'd be fucking you."

Sophie leaned forwards, a teasing smile on her face. "Tell me what it was like for you, first."

"It turned me on. Every time I saw you two smile at each other my cock twitched."

She laughed. "Well, I was sitting in a pool of my own juices throughout the meal."

“You weren’t the only one. My cock was dripping like a faulty tap all night.”

Sophie stood, turned around and lowered herself back into the water. She leaned her back against his chest and turned her head to kiss his cheek. “Did you like having another woman while you watched me with another man?”

“Yes and no. To be honest, I felt guilty that I was watching you when I should have been paying attention to Sara.”

“Hmm. From the noises she was making, I think you paid her more than enough attention.”

Jim cupped her breasts in his hands, his thumbs gently stroking the nipples. “Speaking of noises, you seemed to enjoy the attention Billy gave you.”

“Are you complaining?”

“Of course not. I was surprised, that’s all.”

Sophie seemed to hesitate. “When we were with Joel I was more reserved. As far as he knew, I was a woman on the pull. But I didn’t want to come across as some scrubber who would get picked up by two strangers and let them do anything they wanted while she screamed her head off.”

Jim frowned. “You were pretty vocal during the night with Joel.”

“What do you expect? I was fucked senseless by two men—you’re lucky I didn’t wake every neighbour he had. But I held back as much as I could, and I didn’t talk during the sex.”

“But you did tonight.”

“Well tonight was different. For a start, we were in a detached house, not a first-floor flat. What’s more, now I know you like to watch me getting taken by someone else, I don’t feel guilty about enjoying it.”

Jim turned his head so he could see her face. “Did you feel guilty about enjoying Joel?”

Sophie nodded. “A bit. I thought it would be hard enough for you to watch, without me moaning and groaning like it was the best sex I’d ever had.”

“I didn’t realise that. So tonight with Billy...?”

“Tonight I let him *and* you know exactly how much I enjoyed it.”

“Which was a lot, judging by the amount of noise you were making.”

Sophie dug her elbow into his ribs. “Don’t try and make me feel guilty now. I’d spent all evening building up to that first one.”

They sipped their wine in silence.

Sophie nuzzled her cheek against his. “What part did you enjoy the most?”

Jim closed his eyes and thought about all that had happened. “I’m not sure... I got a big thrill out of the dinner, but it had nothing to do with what we ate. Having said that, dinner itself *was* really good.”

“Thanks.”

“But the whole time we were sitting there making conversation, it felt like some sort of twisted foreplay. There was an undercurrent. The entire discussion felt charged, somehow. I don’t know, it’s hard to put into words.”

Sophie nodded. “I didn’t know you’d noticed me and Billy flirting. Maybe if I’d known I would have made more of it.”

“I think you made enough of it anyway, saying he could explode while he fucked you.”

Sophie laughed and dropped her head back onto his shoulder. “Oh God, I’d forgotten about that.”

Jim rolled her nipples. “Well I think you got what you wanted.”

“Mmm. I suppose I did. So, the build-up was the highlight?”

Jim shook his head. “No, the build-up was really nice. Watching you letting go while being fucked hard was probably the highlight. Although I also liked the fact that Sara aimed Billy’s cum over you. Seeing you getting splattered turned me on a lot.”

“Oh, that’s nice to know. Maybe I can use that knowledge in the future.”

Jim got a warm feeling in his loins.

Sophie rubbed her leg against his. “What about your own pleasure? Forgetting your voyeuristic buzz, what was the physical highlight for you?”

“Probably when I came the first time. It was something I’d been building up to all evening, as well.”

Sophie nodded. “I watched your face when you came. It looked like you were enjoying yourself.”

“I don’t think I’ve ever *not* enjoyed coming.”

“I know, but some are better than others, right? And yours tonight looked like one of the better ones.”

“Yeah, I suppose it was. Right, come on. I need some sleep.”

They got out of the bath and dried themselves, then got straight into bed. They held each other close and were both asleep within a matter of minutes.

Chapter Two

They slept in late on Sunday and spent the rest of the day doing very little. Jim carried out a couple of small chores in the garden and Sophie did a couple of loads of laundry. They spent the afternoon relaxing, and no mention was made of what they'd done the previous night. When they went to bed Sophie read for a while, then they cuddled and fell asleep. Both went to work Monday, and Sophie stopped off at the gym on her way home as usual. When she walked into the kitchen, Jim had almost finished preparing their dinner.

“Hey,” he said, smiling.

Sophie dropped her kitbag on a stool by the island and kissed his cheek. “Hiya.”

“How was the workout?”

Sophie did a spinning class on Monday evenings, and her cheeks still showed a little pinkness, even after her shower and drive home. “The usual. Ross is a sadistic bastard.”

Jim laughed as Sophie walked to the fridge for a bottle of water.

She peered into the stir-fry. “Looks and smells great. Need me to do anything?”

“No, I’m good. Want to sit in here, or eat it on your knee watching telly?”

“Here’s fine.” Sophie moved her kitbag so they could both sit down on the stools.

Jim served the food and grabbed himself a beer before sitting next to Sophie.

She rubbed his hand as way of thanks for her dinner. “Sara texted to say thanks for Saturday.”

Jim looked into her eyes but didn’t say anything.

Sophie held his gaze for a couple of seconds then smiled. “They both enjoyed themselves very much, apparently.”

“Did she say any more than that?”

“Not really, but it was only a text. I’m sure she’ll have much more to say face to face. Speaking of which, she also asked if I fancied going out for a drink later in the week.”

Jim’s eyebrows went up a little. “I, as in you on your own?”

Sophie shrugged. “I think so. From the sounds of it, it’ll be only us girls.”

“Oh, right.” Jim tried to keep his expression neutral. His immediate thought had been that Billy wanted a threesome with the two women, because Jim had already had that pleasure.

They ate the rest of the meal in relative silence, then tidied the plates away and went to watch television in the lounge. Nothing more was said about Sophie’s upcoming night out with Sara, but for the entire evening Jim’s mind raced over the possibilities. Maybe Sara wanted the chance to have sex with Sophie without Jim or Billy being there. He remembered her comment from Saturday night, about ‘wanting to get into her knickers for months’. Jim was getting turned on by the thought of Sara and Sophie groping each other in a car, and had to re-position himself on the settee to hide his erection. Then he considered the other possibility, where Billy would be joining them and they’d all end up in bed together. Flashbacks from the previous Saturday flickered through Jim’s mind—Sophie arching her back off the bed to meet each thrust of Billy’s cock, urging him to flood her inside with his cum. He also imagined Sophie spread-eagled on the bed with Billy and Sara doing whatever they wanted to her. Jim felt the pre-cum moisten his boxers.

When they finally went to bed, Jim lay staring at the ceiling. Sophie obviously sensed there was something on his mind, and she ran her hand down his stomach. By the time her hand reached below the waist, Jim was hard again. Sophie gripped his cock for a couple of seconds, then he felt her raise her legs up as she removed her knickers. Neither of them spoke as Sophie gripped his cock and climbed on top, guiding him inside her. He was surprised at how wet she was, but he certainly wasn’t complaining.

Sophie lay on his stomach and pushed herself down the bed until he was all the way in, and she let out a sigh. “Does that feel good?”

Jim sighed. “You could say that.”

Sophie moved very slowly, rocking her hips rather than thrusting. “You seem to have been thinking dirty thoughts all night, judging from the number of times you had to adjust yourself.”

“Yeah, I started thinking about Saturday.”

“Oh yeah? What bits were you thinking about?” Sophie started to move a little faster.

“Oh, you know. Fucking another woman while I’m watching you fuck another man.”

Sophie was breathing heavily in his ear. “I think on Saturday, we were the ones being fucked. Sara fucked you while Billy fucked me.”

Jim thought about it. “Yeah, you’re probably right.”

Sophie slowed her movements again, and Jim knew she was on the edge of her climax. Sophie pushed her tongue into his ear, causing him to shiver. “So, what did you like more, being fucked by Sara, or watching me being fucked by Billy?”

This question took Jim a little by surprise, because the truth was he didn’t really know the answer. “I enjoyed both. I liked pumping my cum into Sara while you were getting filled by Billy’s.”

Her inner muscles gripped him and knew he wouldn’t last much longer.

He tried to control his breathing. “What part did you enjoy the most?”

Sophie opened her eyes and stared at him, her expression suddenly serious. “I liked getting fucked by another man.” Then she closed her eyes and gritted her teeth.

Jim felt her contractions and he erupted inside her. She raked her nails down his sides as she came. He cried out, and she sat up and bucked her hips violently, riding his cock and grinding her clit against his pubic bone. She let out guttural moans and uttered obscenities as she ground herself to a second orgasm. By the time she’d satiated herself, Jim’s cock

was flaccid and his pubic bone was tender. As Sophie rolled off him, he wondered if all of their recent sexual experiences had awakened something in Sophie that he hadn't been fully aware of.

* * * *

On the Thursday evening, Sophie went to get ready for her night out with Sara while Jim was reading emails on his laptop. When she came downstairs, he thought she looked really nice. She'd tied her hair back into a ponytail and applied thick mascara to her naturally long lashes. She wore a knee-length, fitted dark blue skirt that hugged her backside and hips, and a tight, cream woollen top that emphasized her small breasts and accentuated her slim waist. She wore blue stiletto heels and completed the ensemble with dark blue opaque nylons. Jim knew these were hold-ups rather than tights, and he couldn't stop his mind conjuring up images of her presenting herself to Sara and Billy in only her shoes, underwear and stockings. Jim watched as she took her lipstick from her handbag and moved to the mirror to apply it. When she turned and smiled at him, his heart was beating against his rib cage. He wasn't sure what he was feeling. Pride? Jealousy? Anxiety? Maybe a little of all of those, but he wasn't exactly sure why.

Sophie walked over to the couch and bent towards him, offering her cheek so as not to smudge her lipstick. "See you later."

Jim kissed her cheek. "Let me know what she says about Saturday."

Sophie nodded, picked up her bag and headed for the front door.

Jim watched as she walked away. She looked amazing. "Have a nice time."

Sophie turned round and smiled. "I won't be late. Bye."

Jim heard her car pull off the drive, and sat in silence. His mind raced and his heart was still beating hard in his chest. He knew he was being childish—it was nothing more than a drink out with her friend. He wondered briefly if they'd kiss each other's cheek when they met, and found himself getting turned on again. He decided to try and take his mind off the women and selected an episode of *Strike Back* he'd recorded the

previous week. He took a bottle of beer from the fridge and settled down to watch the gratuitous violence.

When the episode finished, Jim got another beer and watched the end of a film he'd seen before. He checked his watch—it was a little after ten. He set up another program he'd recorded, but after half an hour he couldn't seem to concentrate on the storyline. He stopped the playback and muted the TV, then started surfing the web on his phone, but his mind wouldn't settle on that, either. He was still thinking about Sophie. He wondered if they were still in the wine bar where Sophie had said they were meeting, or if they'd moved on. Would Sophie call at Sara's house for a coffee before driving home? Would Billy be there? Jim imagined all three of them sitting together on a couch, chatting. Sophie would be laughing at their jokes and fluttering her eyelashes. She'd be remembering how it felt having Sara licking her clit, having Billy exploding inside her.

More images filled Jim's head, so clear it was like he was in the same room. A pause in conversation. Eye contact between the three of them. Billy's hand moves to Sophie's leg, Sara's hand strokes her face. Sophie lays back on the couch. Sara leans over and kisses her on the mouth. Billy drops to his knees and eases Sophie's skirt up her legs, revealing firm thighs above the stocking tops. Sophie's legs fall open.

Jim had an erection again. He went to get another beer. He didn't usually drink more than one bottle a night at home, but tonight he seemed to need it. He checked his watch again, saw it was now past eleven. He checked his phone to see if Sophie had texted to say she was on her way home. No messages. He watched the images on the TV but didn't bother turning up the volume. When he'd drunk his beer he put all the empties in the recycle bin, tidied the kitchen and locked the back door. He returned to the lounge and sat back in front of the TV. Jim knew if Sophie were out with any other of her friends, he'd have gone to bed and been asleep long before now. He couldn't put into words why this was different than other occasions. He still felt anxious, but also excited. He thought about the other night, when they'd made love. His mind fixed on Sophie suddenly opening her eyes and staring at him. *I liked getting fucked by another man.* Those were her words immediately before she'd reached her climax. He wondered

if it was those words—that thought—which had tipped her over the edge, brought on the orgasm.

Could her words be extrapolated to *I like getting fucked by other men*? Could it be that Sophie had discovered a new kind of thrill from their trysts with Joel and Billy? Jim knew Sophie hadn't had much experience before they'd met. She'd told him how she'd lost her virginity to her first serious boyfriend as a teenager. They'd split after a couple of years, and when she went to university she met another guy and stayed with him for three years. Sophie met Jim when she was twenty-four, and she'd only slept with two other men before him. But in the last couple of months, with Jim's encouragement, she'd added as many notches to her bedpost as she'd managed before meeting him.

Maybe they should have stopped after Joel, because—as they'd expected—he was out of their lives. Jim had received a single card from New Zealand a week or so after Joel had left, and nothing since. The postcard showed a picture of a rhea, with the words 'I know you like a bird with long legs' scrawled on the back. Maybe he'd get a card at Christmas, but would probably never hear from Joel again. Which was what they'd bargained on when they conspired to have the threesome. But Sara and Billy weren't going to emigrate any time soon, and Jim worried that Sophie was enjoying the thrill of catching up on the things most people do during their late teens and early twenties.

He finally heard her car pull into the drive at a quarter past twelve. The TV was now off, and the only light on in the house was the lamp on a table near the stairs. Sophie walked in and quietly placed her bag and keys on the table.

She was about to turn the light off and head upstairs when she saw Jim sitting on the couch and jumped a little. "Oh, you're still up."

Jim nodded. He had a cold feeling at the base of his stomach, and a burning thrill lower down in his groin. He let her see his eyes wander down her body.

Sophie stood up straight and half-smiled, a kind of hand-in-the-cookie jar expression on her face. It was obvious that something had happened earlier tonight.

Jim studied his wife. Her hair was now loose on her shoulders, rather than pulled back in a ponytail. Her mascara was still there, but her make-up and lipstick had been rubbed off. And her legs were now bare – either she hadn't bothered replacing her stockings, or they'd gotten laddered during the evening's activities.

Sophie looked towards the stairs, then back at Jim, smiling. "Do you want to chat here, or shall we make our way to bed?"

Jim stood up and nodded towards the stairs. "We can go up now. I was worried because it was a bit late."

Sophie smiled and walked up the stairs. Jim followed, turning the lamp off as he did. Sophie went straight to the bathroom and Jim undressed and got into bed. He was glad Sophie wasn't able to see his semi-erection. While he was waiting, he heard the shower running. When Sophie came into the bedroom she was wearing a long t-shirt. She took a clean pair of knickers from her drawer and put them on without looking at Jim. Then she slipped into bed beside him and they both sat up against their pillows.

Jim tried to keep his voice casual. "So, what did Sara have to say about Saturday?" It was an effort to delay asking about what had happened tonight.

"She assured me they both had a wonderful evening."

"She said it like that? That's how people describe a night at the opera."

Sophie laughed. "I think her actual words were something like 'We spent all Sunday fucking each other and talking about Saturday night.' Does that fit better with what you assume swingers' etiquette to be?"

Jim shrugged. "I don't know what I was expecting. Did she say anything else?"

"If you're searching for compliments, she didn't say 'Jim fucked my brains out'. But then I wouldn't expect her to say things like that to your wife."

Jim shrugged, feeling a bit foolish for asking for more details.

Sophie narrowed her eyes. "I think maybe she feels the same buzz that you get by watching. She said she got really turned on watching Billy with me."

This revelation made Jim pause, and it was a line he was interested in following. “Did she say if she got the same buzz *every* time she watches him with someone else?”

“I didn’t ask. She said she’d got caught up in the heat and passion we showed, especially that first time.”

“I wonder who she enjoyed watching more? You, or Billy?”

Sophie laughed, slightly embarrassed at the thought of being Sara’s object of desire.

“Did she say if she liked your talking dirty at the height of ecstasy?”

Sophie laughed again and pushed him with her elbow. “No, of course not.”

Jim was smiling, and finally dared to broach the subject he really wanted details on. “What about earlier tonight? Did she get caught up in the heat and passion again?”

Sophie looked at him. She held eye contact for a few seconds, and he wondered if she was going to deny anything had happened. Then she smiled and nodded slightly. “I think it’s fair to say she was a little caught up in the heat and passion, yes.”

Jim nodded and smiled. He had a warm glow all over his lower body. “What about you?”

Sophie looked straight into his eyes. The serious look was there again, and it unnerved him a little. “Oh yes.”

Jim had a lump in his throat, and he had to swallow before he could ask the important question. His cock was now so hard it was almost painful. “And what about Billy? Did he get caught up in the heat and passion, too?”

Sophie frowned, confused, and then shook her head. “Billy wasn’t there. We went back for coffee with a friend of Sara’s.”

This answer wasn’t what Jim had been expecting to hear. “What friend?”

Sophie paused for a couple of seconds. “A guy called Clive.”

“And?”

Sophie looked at him, then took a deep breath. “Can we talk about this tomorrow? It’s late, and we’re both working in the morning.”

Jim snorted. “I don’t think so. What happened with Clive? Did you and Sara give him the same treat as you gave me?”

Sophie shook her head, then raised her shoulders and let out a deep breath. “It wasn’t like that, there were other people there.”

Jim felt a slow dread creeping over him. “What other people?”

Sophie bit her lip, then looked directly into his eyes. “There were two other men. Friends of his.”

“So you and Sara went back to a house with three men?”

Sophie nodded.

“And you had sex.” This was a statement, not a question.

“Jim, please don’t make this into some big deal.”

“What? Sophie, it’s a very big deal. You told me you were going out for a drink with your friend when you were actually having sex with three men.”

“That’s not what happened.”

“So *tell me* what happened.”

“Jim, please—”

“Sophie, you can’t expect me not to be angry.”

Sophie’s face turned hard. “Yeah, but are you angry because I had sex, or because you weren’t there to watch it?”

Jim was shocked and it took a few seconds before he could speak. “What do you mean by that?”

“You know exactly what I mean. It was you who started all of this.”

“No it wasn’t. We both discussed and agreed on involving Joel.”

“Yeah, but then you decided you’d rather hide in a cupboard and watch me perform.”

“That was to avoid—”

“That was so you could get off on watching me being fucked by someone else.”

“That’s not fair.”

“It’s true, Jim, and you know it.”

Jim looked at his wife’s face. Her mouth was set in a straight line and her eyes were filled with anger. He wasn’t sure what to say, even though he was still desperate to know what had happened earlier that night. This stand-off lasted for maybe ten seconds or so.

Sophie suddenly sat forward and turned to look at him over her shoulder. “You knew as soon as I came in that something had happened, and yet you didn’t seem to mind then. You assumed I’d gone back to Sara and Billy’s and we’d all ended up in bed.”

He didn’t reply.

“That’s why you thought I was late. Were you turned on thinking about it?” Sophie pushed the quilt down and looked at Jim’s cock. It was still semi-hard.

“Did you jerk yourself off imagining me with Billy?”

Jim shook his head, indignant. “Of course not.”

“But you were turned on, weren’t you?”

Jim held his breath.

Sophie suddenly grabbed his cock and climbed on top of him, sitting on his thighs. Jim made to push her away, but didn’t try very hard. She tightened her grip and he was fully erect within seconds. She smiled, but it wasn’t a warm smile.

Grabbing the hem of her t-shirt with her other hand, she pulled the front up and over her head, but then left it there, her arms still through the sleeves. Her breasts were in full view and her hair was trapped in the cotton. Sophie inched herself forward so her crotch was pressing Jim’s erection against his stomach.

“Shall we pretend I fucked Billy again, to help get you off?”

“That’s not fair, and don’t try and turn this round to be something I’ve done wrong.”

Sophie smiled and started to buck her hips forward and back, massaging his cock between her crotch and his own belly. “Or should I tell you who I really fucked?”

Jim stared into her face, but didn't reply. He'd never seen her act like this before, and he wasn't sure how to handle it.

"Would you like to know their names, or how many of them I had?"

Jim gritted his teeth. He was mad at Sophie, but even angrier at himself for being so weak, for letting her do this. "Why not tell me everything?"

Sophie increased her movements and Jim felt the gusset of her knickers growing wet. He wondered if it was the result of her arousal, or the remnants from another man's ejaculation from earlier in the evening. That thought moved him even closer to his climax, and he hated himself a little more.

"You don't need to know everything, you only need to know how many cocks I had inside me. How many cocks I sucked. How much spunk I ____"

Jim groaned as his orgasm shook his entire body, thick cords of cum shooting out over his stomach and chest. Sophie increased the speed of her movements, massaging more spurts from him. She wriggled and bucked, spreading the stickiness over his stomach and her own thighs and panties. She eventually slowed, then stopped her movements all together, a satisfied grin on her face. Both were silent for what felt like a long time, but probably wasn't more than half a minute. Then she rolled off and lay down on her own side of the bed.

"What happened?" Jim kept his voice quiet. Calm.

Sophie took a deep breath. "I'll tell you everything, I promise. But now we really need to get some sleep."

With that she switched the light off and turned her back to him. Sophie fell asleep within minutes, her breathing regular and deep. Jim lay awake for over an hour. The mess on his stomach dried and became uncomfortable, but he didn't bother going to wash himself.

* * * *

The following night when they sat down after dinner, Sophie turned to Jim.

“Okay, I promised to answer all your questions, and I will. What do you want to know?”

Jim felt a little awkward. There were many details he wanted to ask, but knew he couldn't. Sophie's accusations the previous night had hurt. “Tell me about in the bar.”

Sophie licked her lips. “When I met Sara in the bar, I was a little surprised at how she was dressed. She had a black woollen jumper with a large neck that hung off one shoulder, and she wasn't wearing a bra. Her skirt was quite short—well above the knee, and her shoes had a high heel. She wasn't wearing nylons, so there was a lot of flesh on show. I'm sure you can imagine how many men couldn't keep their eyes off her.”

Jim nodded, imagining the scene. “When did the guys arrive?”

“I'm not sure when they arrived. They could have been there before us for all I know, because the place was quite busy. But they came and stood by us after we'd been there an hour or so. Sara and Clive knew each other, but I don't think she'd met the others before, because Clive introduced them to both of us.”

“How long did you stay in the bar before they invited you home?”

“Maybe an hour, but I'm not sure.”

“Who invited you back?”

“Clive said they were heading off soon, and that we were welcome to go back for a coffee. I think Sara was keen to see his house.”

Jim was puzzled. “Why?”

“He'd recently had an extension built, with a pool.”

“What, a swimming pool?”

Sophie nodded. “It's not huge, but it's nice. Must have cost a bit, I should think.”

“Is he loaded, then?”

“I don't know. He's dead down to earth, but his house is nice.”

Jim thought about this for a while, but then moved on to what he really wanted to know.

“So, how did it start? Did you all go for a swim?”

Sophie laughed. “No, the filters aren’t working, apparently. But Sara was up for it. She offered to be the first to swim naked in it.”

“Yeah, I can imagine she’d be up for that. So where did you all go instead of the pool?”

“We sat in the lounge. It was a big square room with two huge leather couches facing each other. I sat on one with a guy called Carl, and Sara sat on the other between Clive and the other guy, Jason.”

Jim stayed quiet until Sophie continued with her story.

“We chatted for a while, then Sara leaned over and started kissing Jason.”

“Just like that?”

Sophie nodded. “We all stared at them open mouthed, and then Clive got up and walked over to our couch. I think he felt a bit awkward sitting next to them.”

“So you all sat there watching them?”

Sophie nodded. “It felt weird, like watching a film. Then Carl said something that made us all laugh. Next thing I know, he was kissing me.”

“Next thing you know?”

Sophie looked embarrassed. “I can’t remember. We were all sitting close, laughing and whispering, and then his face was next to mine. The whole evening had turned a bit surreal, and suddenly we were kissing.”

“Passionately?”

Sophie looked down at her feet. “Not really, it was normal gentle kissing. Then Carl pulled away and told me Clive was looking lonely. So I turned round and kissed him, too. I honestly thought that’d be it, but when we looked over at the other couch Sara was topless and Jason was sucking her nipples. I suppose that’s when I realised it was going to be more than kissing.”

Jim waited again, but Sophie didn’t add any more. “Do you think Clive and Carl had thought it was only going to be kissing, or did you get the idea they knew it’d be more than that?”

“No, I think they were just as surprised as I was when they saw Sara.”

“So what happened next?” Jim’s heart was beginning to beat faster in his chest.

“We kissed again, and they started stroking me through my clothes.”

“Stroking you where?”

“Where d’you think? They stroked my legs and my tits.”

Jim tried to control his breathing, to stay calm. He was itching to cause a fight, but he needed these details. And it wasn’t just for the reason Sophie had mentioned the previous night. “And did you do any stroking?”

“Yes, I stroked both of them through their clothes. Their stomachs and arms mostly, but I also had a feel at their cocks.” Sophie was now holding eye contact.

“Did this go on for long?”

“A few minutes. It stopped when Sara’s moaning announced her first orgasm.”

“Sara came from having her tits sucked?”

“No, by then Jason was kneeling on the floor with his face between her legs. He’d made her come with his tongue.”

Jim still had that image stuck in his head when Sophie took up the story again.

“That’s when I stood up and allowed Carl and Clive to remove my top and skirt. They took off their clothes, too.”

Jim knew he shouldn’t ask his next question, but it had been nagging at him since she first walked through the door the previous night. “But you kept your stockings on?”

Sophie nodded.

“Tell me, Soph. Don’t make me drag every single detail out.”

Sophie took a deep breath. “Yes, they liked my stockings, and encouraged me to leave them and my shoes on. I was laid down on the couch and Clive went down on me. Carl came and knelt on the seat so I could suck him. I saw Sara was sucking Jason on the other couch. Then

Carl sat on the couch and I straddled him. While he was inside me, Clive stood up so I could suck him at the same time.”

Jim realised his legs were shaking very slightly, and hoped Sophie didn’t notice. He kept quiet.

“Then Sara came and sat on the couch and Clive started to fuck her. After a while the guys changed places. Carl fucked Sara and Clive fucked me. Both men came doing that.”

“What about Jason?”

“He was watching from the other couch, recuperating. Sara had made him come with her mouth—I’m sure you can appreciate how he felt.”

Jim ignored her remark. “So was that the end of your night?”

Sophie shook her head. “No, after a short lull we started again. Jason came over and joined us.”

“Did he fuck you too?”

Sophie bit her lip, then nodded. “He went inside me and fucked me while Carl and Clive were both with Sara. Then Jason and Clive swapped places. Clive had me again on the couch while Carl and Jason both did Sara at the same time.”

“What, like double penetration?”

Sophie nodded.

“Wow. Where were they—on the floor?”

“No, on the other couch. Jason was sitting down and Sara straddled him. Carl stood on the floor and leaned over her, penetrating her from behind.”

“Wow again.”

Sophie smiled for the first time. “From the sounds she was making, I’m pretty sure she had a good time.”

“Did the guys come again?”

“I assume so. They both made noises like they were coming, but I didn’t see it. They both came inside her.”

Jim sat in his chair and ran the story account through his head. “So all three guys came two times each?”

Sophie looked him straight in the eye. “I think so, yes.”

“How come Sara got four of them to your two?”

Sophie laughed out loud. “That’s simply the way it happened—it wasn’t planned. Are you suggesting I should be hurt that we didn’t get three shots each?”

“No, I’m curious.”

Sophie shrugged. “I think it was down to which of us they were inside at the time they got close to climax.”

Jim nodded. “What about you? How many times did you come, or did you lose count?”

“I came twice as well.”

Jim was surprised. “Is that all?”

“Yes, but it was enough.”

“What about Sara?”

“God knows. She was so vocal throughout, you know what she’s like.”

“How vocal were you?”

Sophie shrugged. “Do you want me to do a *When Harry Met Sally* moment so you can judge for yourself?”

Jim shook his head. “I meant were you talking dirty?”

“No, of course not.”

“When did you come?”

Sophie hesitated before finally answering. “I came when Clive was inside me.”

Jim felt his heart beat a little faster. “When he came inside you?”

Sophie nodded.

“Both times?”

“The second time I think I came first, but I knew he was on the brink and about to come.”

Jim nodded. He knew Sophie liked it when he came inside her. She loved the intimacy. He’d witnessed her enjoying Joel and Billy coming inside her as well, so it wasn’t really surprising she’d felt the same way when Clive did it.

Sophie was watching his face. “Is that enough details? Can we move on now?”

Jim smiled and nodded, but in truth he wasn’t happy. He felt like she’d been unfaithful, but she obviously didn’t see it that way. In her mind, this ‘sexual adventure’ they’d embarked on meant she was free to enjoy any opportunities that arose.

A thought occurred to him. “What if it’d been me? If Billy had invited me out for a drink last night and we’d ended up both having sex with three women, would you be hurt?”

Sophie stared straight into his eyes, and again he felt a little unnerved. “No Jim, I wouldn’t be hurt. I’d know it was nothing more than sex, and that you were only doing it for the physical pleasure. Like you did with Sara, and like I did with Joel and Billy.”

Jim’s heart was now beating like a drum in his chest. “And like you did with Clive, Carl and Jason?”

“Exactly. It was sex. It was all they wanted, and it was all I wanted.”

Jim couldn’t think of anything to add.

Sophie evidently assumed his silence meant the conversation was over, because she switched on the TV and started flipping the channels with the remote to find something of interest. Jim spent the rest of the evening pretending to watch programs when his brain was doing some channel-hopping of its own. Images of nights he’d shared and nights he’d missed flashed in his mind’s eye—twosomes, threesomes, foursomes and fivesomes. He saw Sophie sucking Joel, sucking Billy, sucking the faceless men from last night. He heard her groans as she came on strangers’ cocks. And all through the scenes he heard the soundtrack of her dirty talk with Billy. But now she was saying these things to all the men, asking anyone and everyone to fuck her, to come for her, to flood her...

“Jim!”

He looked up, startled. “Sorry, what?”

Sophie was standing by the door, looking exasperated. “I said I’m going to go to bed.”

“Oh, right.” Jim checked his watch—it was only ten to eleven. Sophie was a night owl, and usually stayed up later than this on a week night, but on a Friday staying up until one in the morning was the norm. A niggling feeling in his stomach reminded him she’d still be tired from the late night she’d had with her new friends. By the time he went up to join her, Sophie was fast asleep.

They slept in late on Sunday and spent the rest of the day doing very little. Jim carried out a couple of small chores in the garden and Sophie did a couple of loads of laundry. They spent the afternoon relaxing, and no mention was made of what they’d done the previous night. When they went to bed Sophie read for a while, then they cuddled and fell asleep. Both went to work Monday, and Sophie stopped off at the gym on her way home as usual. When she walked into the kitchen, Jim had almost finished preparing their dinner.

“Hey,” he said, smiling.

Sophie dropped her kitbag on a stool by the island and kissed his cheek. “Hiya.”

“How was the workout?”

Sophie did a spinning class on Monday evenings, and her cheeks still showed a little pinkness, even after her shower and drive home. “The usual. Ross is a sadistic bastard.”

Jim laughed as Sophie walked to the fridge for a bottle of water.

She peered into the stir-fry. “Looks and smells great. Need me to do anything?”

“No, I’m good. Want to sit in here, or eat it on your knee watching telly?”

“Here’s fine.” Sophie moved her kitbag so they could both sit down on the stools.

Jim served the food and grabbed himself a beer before sitting next to Sophie.

She rubbed his hand as way of thanks for her dinner. “Sara texted to say thanks for Saturday.”

Jim looked into her eyes but didn’t say anything.

Sophie held his gaze for a couple of seconds then smiled. “They both enjoyed themselves very much, apparently.”

“Did she say any more than that?”

“Not really, but it was only a text. I’m sure she’ll have much more to say face to face. Speaking of which, she also asked if I fancied going out for a drink later in the week.”

Jim’s eyebrows went up a little. “I, as in you on your own?”

Sophie shrugged. “I think so. From the sounds of it, it’ll be only us girls.”

“Oh, right.” Jim tried to keep his expression neutral. His immediate thought had been that Billy wanted a threesome with the two women, because Jim had already had that pleasure.

They ate the rest of the meal in relative silence, then tidied the plates away and went to watch television in the lounge. Nothing more was said about Sophie’s upcoming night out with Sara, but for the entire evening Jim’s mind raced over the possibilities. Maybe Sara wanted the chance to have sex with Sophie without Jim or Billy being there. He remembered her comment from Saturday night, about ‘wanting to get into her knickers for months’. Jim was getting turned on by the thought of Sara and Sophie groping each other in a car, and had to re-position himself on the settee to hide his erection. Then he considered the other possibility, where Billy would be joining them and they’d all end up in bed together. Flashbacks from the previous Saturday flickered through Jim’s mind—Sophie arching her back off the bed to meet each thrust of Billy’s cock, urging him to flood her inside with his cum. He also imagined Sophie spread-eagled on the bed with Billy and Sara doing whatever they wanted to her. Jim felt the pre-cum moisten his boxers.

When they finally went to bed, Jim lay staring at the ceiling. Sophie obviously sensed there was something on his mind, and she ran her hand down his stomach. By the time her hand reached below the waist, Jim was hard again. Sophie gripped his cock for a couple of seconds, then he felt her

raise her legs up as she removed her knickers. Neither of them spoke as Sophie gripped his cock and climbed on top, guiding him inside her. He was surprised at how wet she was, but he certainly wasn't complaining.

Sophie lay on his stomach and pushed herself down the bed until he was all the way in, and she let out a sigh. "Does that feel good?"

Jim sighed. "You could say that."

Sophie moved very slowly, rocking her hips rather than thrusting. "You seem to have been thinking dirty thoughts all night, judging from the number of times you had to adjust yourself."

"Yeah, I started thinking about Saturday."

"Oh yeah? What bits were you thinking about?" Sophie started to move a little faster.

"Oh, you know. Fucking another woman while I'm watching you fuck another man."

Sophie was breathing heavily in his ear. "I think on Saturday, we were the ones being fucked. Sara fucked you while Billy fucked me."

Jim thought about it. "Yeah, you're probably right."

Sophie slowed her movements again, and Jim knew she was on the edge of her climax. Sophie pushed her tongue into his ear, causing him to shiver. "So, what did you like more, being fucked by Sara, or watching me being fucked by Billy?"

This question took Jim a little by surprise, because the truth was he didn't really know the answer. "I enjoyed both. I liked pumping my cum into Sara while you were getting filled by Billy's."

Her inner muscles gripped him and knew he wouldn't last much longer.

He tried to control his breathing. "What part did you enjoy the most?"

Sophie opened her eyes and stared at him, her expression suddenly serious. "I liked getting fucked by another man." Then she closed her eyes and gritted her teeth.

Jim felt her contractions and he erupted inside her. She raked her nails down his sides as she came. He cried out, and she sat up and bucked

her hips violently, riding his cock and grinding her clit against his pubic bone. She let out guttural moans and uttered obscenities as she ground herself to a second orgasm. By the time she'd satiated herself, Jim's cock was flaccid and his pubic bone was tender. As Sophie rolled off him, he wondered if all of their recent sexual experiences had awakened something in Sophie that he hadn't been fully aware of.

* * * *

On the Thursday evening, Sophie went to get ready for her night out with Sara while Jim was reading emails on his laptop. When she came downstairs he thought she looked really nice. She'd tied her hair back into a ponytail and applied thick mascara to her naturally long lashes. She wore a knee-length, fitted dark blue skirt that hugged her backside and hips, and a tight, cream woollen top that emphasized her small breasts and accentuated her slim waist. She wore blue stiletto heels and completed the ensemble with dark blue opaque nylons. Jim knew these were hold-ups rather than tights, and he couldn't stop his mind conjuring up images of her presenting herself to Sara and Billy in only her shoes, underwear and stockings. Jim watched as she took her lipstick from her handbag and moved to the mirror to apply it. When she turned and smiled at him, his heart was beating against his rib cage. He wasn't sure what he was feeling. Pride? Jealousy? Anxiety? Maybe a little of all of those, but he wasn't exactly sure why.

Sophie walked over to the couch and bent towards him, offering her cheek so as not to smudge her lipstick. "See you later."

Jim kissed her cheek. "Let me know what she says about Saturday."

Sophie nodded, picked up her bag and headed for the front door.

Jim watched as she walked away. She looked amazing. "Have a nice time."

Sophie turned round and smiled. "I won't be late. Bye."

Jim heard her car pull off the drive, and sat in silence. His mind raced and his heart was still beating hard in his chest. He knew he was being childish—it was nothing more than a drink out with her friend. He wondered briefly if they'd kiss each other's cheek when they met, and

found himself getting turned on again. He decided to try and take his mind off the women and selected an episode of *Strike Back* he'd recorded the previous week. He took a bottle of beer from the fridge and settled down to watch the gratuitous violence.

When the episode finished, Jim got another beer and watched the end of a film he'd seen before. He checked his watch—it was a little after ten. He set up another program he'd recorded, but after half an hour he couldn't seem to concentrate on the storyline. He stopped the playback and muted the TV, then started surfing the web on his phone, but his mind wouldn't settle on that, either. He was still thinking about Sophie. He wondered if they were still in the wine bar where Sophie had said they were meeting, or if they'd moved on. Would Sophie call at Sara's house for a coffee before driving home? Would Billy be there? Jim imagined all three of them sitting together on a couch, chatting. Sophie would be laughing at their jokes and fluttering her eyelashes. She'd be remembering how it felt having Sara licking her clit, having Billy exploding inside her.

More images filled Jim's head, so clear it was like he was in the same room. A pause in conversation. Eye contact between the three of them. Billy's hand moves to Sophie's leg, Sara's hand strokes her face. Sophie lays back on the couch. Sara leans over and kisses her on the mouth. Billy drops to his knees and eases Sophie's skirt up her legs, revealing firm thighs above the stocking tops. Sophie's legs fall open.

Jim had an erection again. He went to get another beer. He didn't usually drink more than one bottle a night at home, but tonight he seemed to need it. He checked his watch again, saw it was now past eleven. He checked his phone to see if Sophie had texted to say she was on her way home. No messages. He watched the images on the TV but didn't bother turning up the volume. When he'd drunk his beer he put all the empties in the recycle bin, tidied the kitchen and locked the back door. He returned to the lounge and sat back in front of the TV. Jim knew if Sophie were out with any other of her friends, he'd have gone to bed and been asleep long before now. He couldn't put into words why this was different than other occasions. He still felt anxious, but also excited. He thought about the other night, when they'd made love. His mind fixed on Sophie suddenly opening her eyes and staring at him. *I liked getting fucked by another man.* Those

were her words immediately before she'd reached her climax. He wondered if it was those words—that thought—which had tipped her over the edge, brought on the orgasm.

Could her words be extrapolated to *I like getting fucked by other men*? Could it be that Sophie had discovered a new kind of thrill from their trysts with Joel and Billy? Jim knew Sophie hadn't had much experience before they'd met. She'd told him how she'd lost her virginity to her first serious boyfriend as a teenager. They'd split after a couple of years, and when she went to university she met another guy and stayed with him for three years. Sophie met Jim when she was twenty-four, and she'd only slept with two other men before him. But in the last couple of months, with Jim's encouragement, she'd added as many notches to her bedpost as she'd managed before meeting him.

Maybe they should have stopped after Joel, because—as they'd expected—he was out of their lives. Jim had received a single card from New Zealand a week or so after Joel had left, and nothing since. The postcard showed a picture of a rhea, with the words 'I know you like a bird with long legs' scrawled on the back. Maybe he'd get a card at Christmas, but would probably never hear from Joel again. Which was what they'd bargained on when they conspired to have the threesome. But Sara and Billy weren't going to emigrate any time soon, and Jim worried that Sophie was enjoying the thrill of catching up on the things most people do during their late teens and early twenties.

He finally heard her car pull into the drive at a quarter past twelve. The TV was now off, and the only light on in the house was the lamp on a table near the stairs. Sophie walked in and quietly placed her bag and keys on the table.

She was about to turn the light off and head upstairs when she saw Jim sitting on the couch and jumped a little. "Oh, you're still up."

Jim nodded. He had a cold feeling at the base of his stomach, and a burning thrill lower down in his groin. He let her see his eyes wander down her body.

Sophie stood up straight and half-smiled, a kind of hand-in-the-cookie jar expression on her face. It was obvious that something had happened earlier tonight.

Jim studied his wife. Her hair was now loose on her shoulders, rather than pulled back in a ponytail. Her mascara was still there, but her make-up and lipstick had been rubbed off. And her legs were now bare – either she hadn't bothered replacing her stockings, or they'd gotten laddered during the evening's activities.

Sophie looked towards the stairs, then back at Jim, smiling. "Do you want to chat here, or shall we make our way to bed?"

Jim stood up and nodded towards the stairs. "We can go up now. I was worried because it was a bit late."

Sophie smiled and walked up the stairs. Jim followed, turning the lamp off as he did. Sophie went straight to the bathroom and Jim undressed and got into bed. He was glad Sophie wasn't able to see his semi-erection. While he was waiting, he heard the shower running. When Sophie came into the bedroom she was wearing a long t-shirt. She took a clean pair of knickers from her drawer and put them on without looking at Jim. Then she slipped into bed beside him and they both sat up against their pillows.

Jim tried to keep his voice casual. "So, what did Sara have to say about Saturday?" It was an effort to delay asking about what had happened tonight.

"She assured me they both had a wonderful evening."

"She said it like that? That's how people describe a night at the opera."

Sophie laughed. "I think her actual words were something like 'We spent all Sunday fucking each other and talking about Saturday night.' Does that fit better with what you assume swingers' etiquette to be?"

Jim shrugged. "I don't know what I was expecting. Did she say anything else?"

"If you're searching for compliments, she didn't say 'Jim fucked my brains out'. But then I wouldn't expect her to say things like that to your wife."

Jim shrugged, feeling a bit foolish for asking for more details.

Sophie narrowed her eyes. "I think maybe she feels the same buzz that you get by watching. She said she got really turned on watching Billy with me."

This revelation made Jim pause, and it was a line he was interested in following. “Did she say if she got the same buzz *every* time she watches him with someone else?”

“I didn’t ask. She said she’d got caught up in the heat and passion we showed, especially that first time.”

“I wonder who she enjoyed watching more? You, or Billy?”

Sophie laughed, slightly embarrassed at the thought of being Sara’s object of desire.

“Did she say if she liked your talking dirty at the height of ecstasy?”

Sophie laughed again and pushed him with her elbow. “No, of course not.”

Jim was smiling, and finally dared to broach the subject he really wanted details on. “What about earlier tonight? Did she get caught up in the heat and passion again?”

Sophie looked at him. She held eye contact for a few seconds, and he wondered if she was going to deny anything had happened. Then she smiled and nodded slightly. “I think it’s fair to say she was a little caught up in the heat and passion, yes.”

Jim nodded and smiled. He had a warm glow all over his lower body. “What about you?”

Sophie looked straight into his eyes. The serious look was there again, and it unnerved him a little. “Oh yes.”

Jim had a lump in his throat, and he had to swallow before he could ask the important question. His cock was now so hard it was almost painful. “And what about Billy? Did he get caught up in the heat and passion, too?”

Sophie frowned, confused, and then shook her head. “Billy wasn’t there. We went back for coffee with a friend of Sara’s.”

This answer wasn’t what Jim had been expecting to hear. “What friend?”

Sophie paused for a couple of seconds. “A guy called Clive.”

“And?”

Sophie looked at him, then took a deep breath. “Can we talk about this tomorrow? It’s late, and we’re both working in the morning.”

Jim snorted. “I don’t think so. What happened with Clive? Did you and Sara give him the same treat as you gave me?”

Sophie shook her head, then raised her shoulders and let out a deep breath. “It wasn’t like that, there were other people there.”

Jim felt a slow dread creeping over him. “What other people?”

Sophie bit her lip, then looked directly into his eyes. “There were two other men. Friends of his.”

“So you and Sara went back to a house with three men?”

Sophie nodded.

“And you had sex.” This was a statement, not a question.

“Jim, please don’t make this into some big deal.”

“What? Sophie, it’s a very big deal. You told me you were going out for a drink with your friend when you were actually having sex with three men.”

“That’s not what happened.”

“So *tell me* what happened.”

“Jim, please—”

“Sophie, you can’t expect me not to be angry.”

Sophie’s face turned hard. “Yeah, but are you angry because I had sex, or because you weren’t there to watch it?”

Jim was shocked and it took a few seconds before he could speak. “What do you mean by that?”

“You know exactly what I mean. It was you who started all of this.”

“No it wasn’t. We both discussed and agreed on involving Joel.”

“Yeah, but then you decided you’d rather hide in a cupboard and watch me perform.”

“That was to avoid—”

“That was so you could get off on watching me being fucked by someone else.”

“That’s not fair.”

“It’s true, Jim, and you know it.”

Jim looked at his wife’s face. Her mouth was set in a straight line and her eyes were filled with anger. He wasn’t sure what to say, even though he was still desperate to know what had happened earlier that night. This stand-off lasted for maybe ten seconds or so.

Sophie suddenly sat forward and turned to look at him over her shoulder. “You knew as soon as I came in that something had happened, and yet you didn’t seem to mind then. You assumed I’d gone back to Sara and Billy’s and we’d all ended up in bed.”

He didn’t reply.

“That’s why you thought I was late. Were you turned on thinking about it?” Sophie pushed the quilt down and looked at Jim’s cock. It was still semi-hard.

“Did you jerk yourself off imagining me with Billy?”

Jim shook his head, indignant. “Of course not.”

“But you were turned on, weren’t you?”

Jim held his breath.

Sophie suddenly grabbed his cock and climbed on top of him, sitting on his thighs. Jim made to push her away, but didn’t try very hard. She tightened her grip and he was fully erect within seconds. She smiled, but it wasn’t a warm smile.

Grabbing the hem of her t-shirt with her other hand, she pulled the front up and over her head, but then left it there, her arms still through the sleeves. Her breasts were in full view and her hair was trapped in the cotton. Sophie inched herself forward so her crotch was pressing Jim’s erection against his stomach.

“Shall we pretend I fucked Billy again, to help get you off?”

“That’s not fair, and don’t try and turn this round to be something I’ve done wrong.”

Sophie smiled and started to buck her hips forward and back, massaging his cock between her crotch and his own belly. “Or should I tell you who I really fucked?”

Jim stared into her face but didn't reply. He'd never seen her act like this before, and he wasn't sure how to handle it.

"Would you like to know their names, or how many of them I had?"

Jim gritted his teeth. He was mad at Sophie, but even angrier at himself for being so weak, for letting her do this. "Why not tell me everything?"

Sophie increased her movements and Jim felt the gusset of her knickers growing wet. He wondered if it was the result of her arousal, or the remnants from another man's ejaculation from earlier in the evening. That thought moved him even closer to his climax, and he hated himself a little more.

"You don't need to know everything, you only need to know how many cocks I had inside me. How many cocks I sucked. How much spunk I—"

Jim groaned as his orgasm shook his entire body, thick cords of cum shooting out over his stomach and chest. Sophie increased the speed of her movements, massaging more spurts from him. She wriggled and bucked, spreading the stickiness over his stomach and her own thighs and panties. She eventually slowed, then stopped her movements all together, a satisfied grin on her face. Both were silent for what felt like a long time, but probably wasn't more than half a minute. Then she rolled off and lay down on her own side of the bed.

"What happened?" Jim kept his voice quiet. Calm.

Sophie took a deep breath. "I'll tell you everything, I promise. But now we really need to get some sleep."

With that, she switched the light off and turned her back to him. Sophie fell asleep within minutes, her breathing regular and deep. Jim lay awake for over an hour. The mess on his stomach dried and became uncomfortable, but he didn't bother going to wash himself.

* * * *

The following night when they sat down after dinner, Sophie turned to Jim.

“Okay, I promised to answer all your questions, and I will. What do you want to know?”

Jim felt a little awkward. There were many details he wanted to ask, but knew he couldn’t. Sophie’s accusations the previous night had hurt. “Tell me about in the bar.”

Sophie licked her lips. “When I met Sara in the bar, I was a little surprised at how she was dressed. She had a black woollen jumper with a large neck that hung off one shoulder, and she wasn’t wearing a bra. Her skirt was quite short—well above the knee, and her shoes had a high heel. She wasn’t wearing nylons, so there was a lot of flesh on show. I’m sure you can imagine how many men couldn’t keep their eyes off her.”

Jim nodded, imagining the scene. “When did the guys arrive?”

“I’m not sure when they arrived. They could have been there before us for all I know, because the place was quite busy. But they came and stood by us after we’d been there an hour or so. Sara and Clive knew each other, but I don’t think she’d met the others before, because Clive introduced them to both of us.”

“How long did you stay in the bar before they invited you home?”

“Maybe an hour, but I’m not sure.”

“Who invited you back?”

“Clive said they were heading off soon, and that we were welcome to go back for a coffee. I think Sara was keen to see his house.”

Jim was puzzled. “Why?”

“He’d recently had an extension built, with a pool.”

“What, a swimming pool?”

Sophie nodded. “It’s not huge, but it’s nice. Must have cost a bit, I should think.”

“Is he loaded, then?”

“I don’t know. He’s dead down to earth, but his house is nice.”

Jim thought about this for a while, but then moved on to what he really wanted to know.

“So, how did it start? Did you all go for a swim?”

Sophie laughed. “No, the filters aren’t working, apparently. But Sara was up for it. She offered to be the first to swim naked in it.”

“Yeah, I can imagine she’d be up for that. So where did you all go instead of the pool?”

“We sat in the lounge. It was a big square room with two huge leather couches facing each other. I sat on one with a guy called Carl, and Sara sat on the other between Clive and the other guy, Jason.”

Jim stayed quiet until Sophie continued with her story.

“We chatted for a while, then Sara leaned over and started kissing Jason.”

“Just like that?”

Sophie nodded. “We all stared at them open mouthed, and then Clive got up and walked over to our couch. I think he felt a bit awkward sitting next to them.”

“So you all sat there watching them?”

Sophie nodded. “It felt weird, like watching a film. Then Carl said something that made us all laugh. Next thing I know, he was kissing me.”

“Next thing you know?”

Sophie looked embarrassed. “I can’t remember. We were all sitting close, laughing and whispering, and then his face was next to mine. The whole evening had turned a bit surreal, and suddenly we were kissing.”

“Passionately?”

Sophie looked down at her feet. “Not really, it was normal gentle kissing. Then Carl pulled away and told me Clive was looking lonely. So I turned round and kissed him, too. I honestly thought that’d be it, but when we looked over at the other couch Sara was topless and Jason was sucking her nipples. I suppose that’s when I realised it was going to be more than kissing.”

Jim waited again, but Sophie didn’t add any more. “Do you think Clive and Carl had thought it was only going to be kissing, or did you get the idea they knew it’d be more than that?”

“No, I think they were just as surprised as I was when they saw Sara.”

“So what happened next?” Jim’s heart was beginning to beat faster in his chest.

“We kissed again, and they started stroking me through my clothes.”

“Stroking you where?”

“Where d’you think? They stroked my legs and my tits.”

Jim tried to control his breathing, to stay calm. He was itching to cause a fight, but he needed these details. And it wasn’t just for the reason Sophie had mentioned the previous night. “And did you do any stroking?”

“Yes, I stroked both of them through their clothes. Their stomachs and arms mostly, but I also had a feel at their cocks.” Sophie was now holding eye contact.

“Did this go on for long?”

“A few minutes. It stopped when Sara’s moaning announced her first orgasm.”

“Sara came from having her tits sucked?”

“No, by then Jason was kneeling on the floor with his face between her legs. He’d made her come with his tongue.”

Jim still had that image stuck in his head when Sophie took up the story again.

“That’s when I stood up and allowed Carl and Clive to remove my top and skirt. They took off their clothes, too.”

Jim knew he shouldn’t ask his next question, but it had been nagging at him since she first walked through the door the previous night. “But you kept your stockings on?”

Sophie nodded.

“Tell me, Soph. Don’t make me drag every single detail out.”

Sophie took a deep breath. “Yes, they liked my stockings, and encouraged me to leave them and my shoes on. I was laid down on the couch and Clive went down on me. Carl came and knelt on the seat so I could suck him. I saw Sara was sucking Jason on the other couch. Then

Carl sat on the couch and I straddled him. While he was inside me, Clive stood up so I could suck him at the same time.”

Jim realised his legs were shaking very slightly, and hoped Sophie didn’t notice. He kept quiet.

“Then Sara came and sat on the couch and Clive started to fuck her. After a while the guys changed places. Carl fucked Sara and Clive fucked me. Both men came doing that.”

“What about Jason?”

“He was watching from the other couch, recuperating. Sara had made him come with her mouth—I’m sure you can appreciate how he felt.”

Jim ignored her remark. “So was that the end of your night?”

Sophie shook her head. “No, after a short lull we started again. Jason came over and joined us.”

“Did he fuck you too?”

Sophie bit her lip, then nodded. “He went inside me and fucked me while Carl and Clive were both with Sara. Then Jason and Clive swapped places. Clive had me again on the couch while Carl and Jason both did Sara at the same time.”

“What, like double penetration?”

Sophie nodded.

“Wow. Where were they—on the floor?”

“No, on the other couch. Jason was sitting down and Sara straddled him. Carl stood on the floor and leaned over her, penetrating her from behind.”

“Wow again.”

Sophie smiled for the first time. “From the sounds she was making, I’m pretty sure she had a good time.”

“Did the guys come again?”

“I assume so. They both made noises like they were coming, but I didn’t see it. They both came inside her.”

Jim sat in his chair and ran the story account through his head. “So all three guys came two times each?”

Sophie looked him straight in the eye. “I think so, yes.”

“How come Sara got four of them to your two?”

Sophie laughed out loud. “That’s simply the way it happened—it wasn’t planned. Are you suggesting I should be hurt that we didn’t get three shots each?”

“No, I’m curious.”

Sophie shrugged. “I think it was down to which of us they were inside at the time they got close to climax.”

Jim nodded. “What about you? How many times did you come, or did you lose count?”

“I came twice as well.”

Jim was surprised. “Is that all?”

“Yes, but it was enough.”

“What about Sara?”

“God knows. She was so vocal throughout, you know what she’s like.”

“How vocal were you?”

Sophie shrugged. “Do you want me to do a *When Harry Met Sally* moment so you can judge for yourself?”

Jim shook his head. “I meant were you talking dirty?”

“No, of course not.”

“When did you come?”

Sophie hesitated before finally answering. “I came when Clive was inside me.”

Jim felt his heart beat a little faster. “When he came inside you?”

Sophie nodded.

“Both times?”

“The second time I think I came first, but I knew he was on the brink and about to come.”

Jim nodded. He knew Sophie liked it when he came inside her. She loved the intimacy. He’d witnessed her enjoying Joel and Billy coming inside her as well, so it wasn’t really surprising she’d felt the same way when Clive did it.

Sophie was watching his face. “Is that enough details? Can we move on now?”

Jim smiled and nodded, but in truth he wasn't happy. He felt like she'd been unfaithful, but she obviously didn't see it that way. In her mind, this 'sexual adventure' they'd embarked on meant she was free to enjoy any opportunities that arose.

A thought occurred to him. “What if it'd been me? If Billy had invited me out for a drink last night and we'd ended up both having sex with three women, would you be hurt?”

Sophie stared straight into his eyes, and again he felt a little unnerved. “No Jim, I wouldn't be hurt. I'd know it was nothing more than sex, and that you were only doing it for the physical pleasure. Like you did with Sara, and like I did with Joel and Billy.”

Jim's heart was now beating like a drum in his chest. “And like you did with Clive, Carl and Jason?”

“Exactly. It was sex. It was all they wanted, and it was all I wanted.”

Jim couldn't think of anything to add.

Sophie evidently assumed his silence meant the conversation was over, because she switched on the TV and started flipping the channels with the remote to find something of interest. Jim spent the rest of the evening pretending to watch programs when his brain was doing some channel-hopping of its own. Images of nights he'd shared and nights he'd missed flashed in his mind's eye—twosomes, threesomes, foursomes and fivesomes. He saw Sophie sucking Joel, sucking Billy, sucking the faceless men from last night. He heard her groans as she came on strangers' cocks. And all through the scenes he heard the soundtrack of her dirty talk with Billy. But now she was saying these things to all the men, asking anyone and everyone to fuck her, to come for her, to flood her...

“Jim!”

He looked up, startled. “Sorry, what?”

Sophie was standing by the door, looking exasperated. “I said I'm going to go to bed.”

“Oh, right.” Jim checked his watch—it was only ten to eleven. Sophie was a night owl, and usually stayed up later than this on a week night, but on a Friday staying up until one in the morning was the norm. A niggling feeling in his stomach reminded him she’d still be tired from the late night she’d had with her new friends. By the time he went up to join her, Sophie was fast asleep.

Chapter Three

The following morning Jim woke early and left Sophie sleeping. He dressed and walked into town. He went to the barber's then called at a greasy-spoon café for breakfast. He was finishing his second cup of coffee when he received a text from Sophie:

Hiya—not sure where you are. Going to the gym. See you about 12.
Sx

Jim rested his hands on his bloated stomach and felt guilty. It probably would've been better if they'd both gone to the gym. He sent a reply explaining he'd wanted to get his hair cut, and that he'd be at home when she got back.

Jim walked home and started tidying the house. He cleared the magazines and mail from the lounge, vacuumed the carpet and loaded last night's dinner plates into the dishwasher. Deciding to put in a load of laundry, he went to the linen basket and started sorting the white garments. His hand gripped something that felt strange and he looked at it. It was a pair of Sophie's panties, and from the state of them Jim knew they were the ones she'd worn on Thursday night. Jim dropped the other clothes and examined the knickers. They were white silk with a lace edging. There was a matching bra, and Jim could picture Sophie standing between the two men wearing these and her blue stockings and high-heels. He felt his dick begin to swell. He pulled open the waistband and stared inside at the gusset. It was caked and crusty.

Jim's breathing was shallow and his dick was now fully erect. The thought of Sophie writhing under Clive while Sara was being filled front and back made him shake a little. Without thinking about what he was doing, Jim opened his jeans and released his erection. He kept looking at the soiled gusset, knowing the stains were caused by a mixture of his wife's juices and a stranger's ejaculations. Sophie had probably been leaking juices the entire evening, anticipating what was going to happen. Then Clive had come inside her twice. Sophie could have lied, of course, and

more than one guy may have come inside her. All three could have shot their loads while they were with her. *Flooded her*—because that’s what she asks for when she’s getting fucked hard by strangers. By now Jim’s breathing was ragged, and his hand was moving quickly up and down on his cock. His mind went back to Sophie’s night out, and he imagined her wrapping her legs around Clive’s as they both reached their second climax. Jim knew she’d have stared into his eyes at the moment of his release. She’d have watched his face and clenched her muscles to make him gasp. She’d have loved the fact he was pumping his cum deep inside her.

Jim’s legs began to shake. He wrapped Sophie’s soiled panties around his cock as he ejaculated. His hand kept moving and he cried out as he added another spurt to the mix. In his mind, he imagined himself coming inside Sophie while Clive was with her. He pretended he’d been there as well, and while Sara had a man in each hole on one couch, Sophie had the same on the other. Clive was pumping his cream into Sophie’s twat, and Jim was doing the same into her arse.

Jim closed his eyes and waited for his heart to slow down. He tried wiping himself with the soiled garment, but it was now wet and crusty at the same time. Jim used tissues, then washed his hands. He carried all the white laundry downstairs and loaded the washer. Then he took a glass of orange juice from the fridge and went to sit on the bench in the garden, more than a little ashamed of himself for what he’d just done. If he didn’t like the changes he was seeing in Sophie, it was nothing compared to the loathing he felt for himself, having masturbated into her knickers because he’d been so turned on by the presence of another man’s semen.

* * * *

Over the following few days Jim tried to act as normal, but felt there was a certain something—which he couldn’t define—different between them. There seemed to be a kind of distance, or maybe *reticence* would be a more accurate way to describe it. They chatted and they laughed, but the usual warmth wasn’t there. At first Jim wondered if it was his own anxiety making it awkward, but later decided it was down to Sophie’s behaviour as well. He could feel Sophie watching him sometimes,

and he wasn't sure what to do about it. He worried she knew what he'd done with her dirty underwear. They hadn't had sex since that night, when Sophie had made him come by wriggling her already damp crotch on him while taunting him with how many cocks she'd fucked and sucked earlier. Each time they'd gone to bed since, neither had made any attempt to start anything physical.

On the Thursday evening Sophie had arrived home from work earlier than usual. Jim was usually home at least half an hour before her, but when he'd pulled onto the drive her car was already there. He found her in the kitchen, and noticed she was dressed in one of her favourite skirts. Her feet were bare and her toenails were a dark shade of pink.

He dropped his keys onto the side. "Hiya—how come you're home early?"

Sophie was making herself a cup of tea. "We had a meeting in one of the other buildings which finished early. It didn't seem worth walking all the way back to my office, so I went straight to the carpark. D'you want a coffee?"

"Yeah, thanks."

Jim watched her from behind as she poured the drinks. The skirt fitted tight around her hips, and her blouse was quite lacy and not really appropriate for a work meeting.

"Oh, by the way—Sara's asked if we want to go to a party at some mansion next weekend."

Jim felt a tingling in the pit of his stomach, and tried to remain nonchalant. "Oh yeah? What sort of party?"

Sophie leaned back against the cupboards and looked at him. "Well, let me think..." She placed a finger against her chin and looked towards the ceiling in mock concentration. "Billy and Sara are the swingers we invited to our bed a couple of weeks ago, and they've asked if we want to go to one of their parties. Now, I'm not really sure what sort of party to expect. I suppose it could be a murder mystery. Or maybe it's a—"

"Okay, I admit it was a dumb question. What I meant was, why a mansion."

Sophie shrugged. "I dunno. Maybe they hired it, maybe it belongs to one of their friends. All she said was it's a lovely big house, and everyone has to dress in evening wear."

"Black tie?"

Sophie nodded. "And all the ladies are to wear ball gowns."

"Wow. Are you up for it?" Jim held his breath.

Sophie pushed away from the countertop and crossed the kitchen. She stood close and pulled on the belt loops at the sides of his trousers. When she had her shoes off, Jim was almost a foot taller than her. She looked up into his eyes. "Are you?"

Jim's mouth was dry. "I asked first."

Sophie smiled and rubbed her nose against his chest. "What did you ask, exactly?"

"I asked if you're up for a night of..." Jim shrugged. "Swinging, I suppose."

Sophie held his gaze. "Do you mean am I willing to go somewhere and have sex with another man?"

Jim's voice caught in his throat, so as a reply he nodded.

"Yes, I'm up for that. What about you? Are you up for having sex with another woman?"

Jim paused for a second and then nodded. He'd been expecting her to ask if he was also up for her having sex with another man.

"Good. I'll let them know we can make it. It's alright for you, you own a dinner suit."

"And you own about six ball gowns."

Sophie smiled at him like he was a child. "Oh, they're all old. I'll have to go shopping this weekend to get a new one."

Jim shook his head and carried his coffee through to the living room. As he passed through the hallway, he saw a pair of Sophie's shoes on the bottom stair. They were the dark green suede pair with a high stiletto heel, and he'd never known her to wear them to work before. Jim was beginning to wonder if the meeting Sophie had attended earlier was actually anything to do with work. There was no reason to suspect she'd lie if asked

outright, but he didn't want to risk another confrontation. Then a thought occurred to him, and he knew he'd be looking for evidence in the laundry basket later that evening.

* * * *

The day of the party at the mansion arrived. Sophie disappeared early to get her legs waxed, and Jim went to pick up his dinner suit from the cleaners. They hadn't spoken much about what they were expecting the party to be like, but Jim got the impression that Sophie was a lot less anxious about it than he was. She'd shown none of the signs of doubt which had been there before their meetings with Joel, or Sara and Billy. Jim, on the other hand, was more nervous about tonight than he'd felt before. Maybe it was because this time they had no idea how many other people would be present, or what was expected of them. He also had no idea of who they would be having sex with. This was really quite a step up from inviting one or two people they knew to join them in bed.

Jim was dressed and waiting in their lounge when Sophie finally came downstairs. She was dressed in a pale grey ball gown and high-heeled sandals covered in clear, sparkling stones. Her nails were painted with a pale blue polish, and her hair was pinned up with a couple of strands left hanging either side of her face. She wore a diamanté choker with matching dangling earrings, and had applied bright red lipstick.

"You look stunning." Jim meant it, and he again wondered what was wrong with him. Why would anyone want to share a wife as beautiful as Sophie?

"Thank you. You look very handsome yourself."

Jim could smell her perfume. He didn't recognise it, but liked it. No doubt she'd bought something new especially for the occasion. He wondered where she'd dabbed it on her body, and a shiver ran through him.

Sophie had suggested they booked a taxi so they could both drink to help them relax, but Jim had said he was happy to drive. The journey took around thirty minutes, during which both were unusually quiet. When they arrived a man at the gates asked their names, checked a list on a flip

chart and waved them through. The drive was lined with fir trees and as they rounded a bend, the house came into view. It was a Georgian red-brick building, the front of which was covered with ivy and illuminated by spotlights set into the ground. Jim thought it was the most impressive house he'd ever visited. A valet took their keys and gave them a blue plastic token with a number on it. Jim noticed the number was 35, and wondered exactly how many people were going to be attending this party.

They walked up the steps to a studded front door. Inside was a huge entrance hall with a grand wooden staircase running up to a galleried landing. There were about fifty people in the hall, all chatting and laughing. Everyone was dressed up, and there were also waitresses in French maid's uniforms carrying trays of drinks and canapés between the guests. Sophie spotted Sara and they headed towards her, picking up a glass of champagne on the way. Sara was chatting to several people, but Billy was not among them. Sara hugged Sophie, and presented Jim her cheek, which he kissed.

“Hi. You both look great.”

Jim smiled. “So do you.”

Sara's dress allowed Jim to see a good portion of her body. There was definitely no bra, and he doubted if there were any knickers, either, judging from how snugly the dress fitted her hips. Jim's mind flashed with images of Sara being taken by two men at the same time, and his mouth went dry.

“Where's Billy?” Sophie's question brought Jim back to the present.

Sara looked around the room, then shook her head. “God knows. He'll turn up soon enough, I'm sure.”

Sara introduced Jim and Sophie to the group she was chatting to, and everyone made polite conversation. Jim noticed how many of the men in the room were passing admiring looks in Sophie's direction. Billy joined them a few minutes later, and then some of the group moved on, and more people came to introduce themselves.

There were double doors leading to other grand rooms, but most of the people seemed to be staying in the hall, which Jim thought was a fabulous space. It was oak-panelled throughout, with a large stone fireplace

set into one wall, casting flickering shadows across the mosaic-tiled floor. A grand piano sat in one corner, and a selection of leather armchairs and couches were strategically placed around the room. Sophie and Sara drifted away to stand with other guests, and Jim found himself chatting to a woman a few years older than him. She had streak-dyed blonde hair and her very blue eyes peered at him over her glass.

“I don’t think I’ve seen you at one of these gigs before.” There were tiny age-lines around her eyes and mouth but she was a very attractive woman, with a figure women half her age would be proud of.

“No, I’m kind of new to these parties.”

The woman smiled mischievously. “Ooh, I love cherries.”

Jim laughed out loud, and held his hand out. “I’m Jim.”

She avoided his arm and stepped close, so Jim’s outstretched hand ended up on her waist. She put her cheek to his and pressed her boobs against him. “Naomi.” Her voice was breathless and intimate, and she’d spoken right into his ear. Jim felt goosebumps rise on the back of his neck.

He smiled and tried to make polite conversation, nodding towards the group of men chatting to Sara and Sophie. “Which one’s your husband?”

Naomi stood at his side and tilted her head so it was resting on his shoulder. “I’m actually here with my ex-husband. We can’t stand each other but we both like fucking other people, so it makes sense to continue attending these gigs as a couple.”

Jim was still trying to think of a suitable reply when he noticed Sophie walking across the room to talk to more people. He saw several heads turn as she passed each group of guests.

“Have you been to the house before?”

Jim turned his attention back to Naomi. “No. I don’t think I’ve ever been to a house as grand as this one.”

“Yes, lovely isn’t it? I love coming here, which I always manage to do.” She was smiling, obviously enjoying his discomfort.

Jim took a sip of his drink.

“Do you think you’ll enjoy coming here?”

Jim was saved the embarrassment of not having a witty reply by Billy joining them.

“I hope you’re not trying to sneak Jim into a bedroom for your own wicked pleasure.” Billy placed a hand on Naomi’s hip as he kissed her cheek.

She pouted her lips and shook her head. “Of course not, darling. I’m hoping he’ll fuck me on top of the piano so my ex-husband can see how well I can ride a younger model.”

Billy laughed and turned to shake Jim’s hand. This was the first time they’d met since they’d shared a bed with their wives. “Good to see you again, Jim.”

“Yeah, you too. How’s things?”

They chatted like old friends, the conversation filled with innuendo—mainly from Naomi—and Jim got the distinct impression that she and Billy had done more than talk to each other at a previous party. Throughout the time they talked, Jim kept glancing over to where Sophie was. He was trying to see who she was with, but a huge fern in an earthenware pot obscured his view. Jim noticed that some guests were starting to get more acquainted with each other. A few people were making their way up the staircase, and others were getting settled on the couches. One woman by the fireplace had removed her gown and was standing there in only a thong and high heels.

A few more guests came to say hello, with Naomi and Billy greeting them like old friends. Jim found himself next to a woman called Anita, who was dressed in a black dress and black fish-nets. She stood close and stroked his back while everyone was talking. After a very short time Jim felt her hand move lower. She kneaded his bum cheeks and scratched her nails up the back of his thigh. Naomi was getting friendly with a guy with a shaved head, and Billy seemed to be closely inspecting the necklace worn by a petite blonde in a blue dress.

Anita had somehow managed to move so that she was standing directly in front of Jim as they continued their conversation with the rest of the group. Jim felt her hand brush against the front of his thigh, then move up to rest over his groin. Jim was getting harder by the second, and when

Anita gripped him through the material of his trousers he ran his hand over her buttocks. She turned and smiled, then nodded in the direction of a vacant armchair by the wall behind them. Jim looked around at the others in their group—everyone seemed to have settled on their partner. Jim looked over at where Sophie had been chatting but couldn't see her, though he did see Sara in a passionate embrace with a tall black guy.

“Come on.” Anita was guiding him toward the chair while still squeezing his erection through his trousers. “I want this in my mouth.”

Jim eased down into the chair and Anita dropped to her knees between his feet. She leaned in and they kissed, her tongue immediately in his mouth. Jim reached out and pinched her nipples and she moaned. Then her hands were on his zip and his hand was reaching down inside her dress to her breast. She groaned and he rolled a nipple between finger and thumb, and then he let out a long sigh as she took his cock deep into her mouth. One of her hands cupped his balls while the other held the base of his cock. Jim closed his eyes as her tongue swirled round and round the head of his cock.

Her hands squeezed and twisted, her lips moved up and down and her tongue was a constant tormentor against his shaft. He gripped the material of her dress in both hands and slowly pulled it towards him, revealing her lower half. As the dress came over the perfect swell of her backside he saw her fishnets were hold-up stockings and that she wasn't wearing any panties. He continued to pull the dress until the entire garment was bunched up round her waist. She slowly released his cock from her mouth, knelt up and raised her arms. Jim slid the dress off over her head, leaving her naked except for her stockings. Her shoes had fallen off and were lying discarded behind her. Jim noticed that one of her toes had pushed a hole through the netting of her stockings, and he found it a little off-putting.

She took his cock back into her mouth and Jim leaned back in the chair. As he did so, he caught a glimpse of Sophie, standing about halfway up the staircase. She was with two men, one of them standing a little further up, and the other standing a couple of stairs lower than her. Sophie was facing the man on the higher stair, and as Jim watched she bent forward and started to undo his trousers. The man behind lifted the dress, revealing her

legs. As the dress was lifted higher still, Jim realised that Sophie wasn't wearing any underwear at all. The guy behind her dropped to his knees and pushed his face between her legs.

Jim pushed his cock further into Anita's mouth, and she responded by gripping his balls a little tighter in her hand. On the stairs Sophie and the two men changed positions. The guy on the lower stair stood upright and the guy further up the stairs sat down. Sophie turned round and lowered herself onto the cock of the seated guy. Jim saw her eyes close and mouth open as the dick slid inside her. The second man took a step closer to Sophie, his cock standing proud through the zip of his pants. Sophie looked up into his face and said something to him while she stroked his erection. Then she looked down at Jim and held eye contact for a couple of seconds, her expression serious. Jim felt uncomfortable under her gaze. While still looking at Jim, Sophie started to lick up and down the shaft of the other man's cock. She then closed her eyes and pushed her head forwards, the guy's entire cock disappearing into her mouth. Jim saw the man's head fall back and felt himself ejaculate at the same time. Anita momentarily choked—she obviously hadn't been expecting it to happen so soon. Jim let out a groan as another spurt erupted from him.

Anita kept him in her mouth until he'd finished, then sat up to look at him, a satisfied smile on her face. "Well, you seem to have enjoyed that." A dribble of semen remained on her chin.

Jim was too breathless to speak. He was also embarrassed for coming so soon without even attempting to return any of the attention Anita had given him. He was lost for words, and watched in silence as she wiped the remnant of cum from her chin with her finger and sucked it into her mouth. As he glanced at the stairs, Jim was shocked to see that Sophie and the two men were no longer there. He frantically looked around the hall, then back up the stairs. Finally he saw them, walking arm in arm along the galleried landing with Sophie between the men. Exactly as she'd walked between himself and Joel before her first threesome. Jim had the sudden urge to get up and chase after them. He wanted—needed to see what they were doing. But he knew he couldn't simply get up and leave Anita. She'd just performed oral sex on him, and he'd been so turned on by watching his wife with two strangers that he'd come without warning. Jim was starting to

panic, and then with a flood of relief he saw one of the guys they'd been chatting to earlier making his way towards them.

Jim leaned forwards and stroked Anita's face. "I don't think anyone has ever made me come so quickly before."

It was a lie, but it seemed to please her. She smiled, completely unaware of the man removing his trousers behind her. Jim saw the size of the guy's cock and stared in amazement. It was huge.

Jim leaned closer, whispered in her ear. "You deserve something in return for what you've given me."

Anita's smile broadened. "What did you have in mind?"

Jim watched the guy kneel and position himself between her legs, his bulbous cock rigid in his hand. He was watching Jim's face, waiting for the go-ahead.

"I hope you're nice and wet."

Anita put on a sexy pout. "I've been wet since I first saw you."

Jim nodded to the guy, who plunged his cock deep into Anita. Her eyes went wide and she let out a yelp as he penetrated her. Jim cradled her head as she started to moan and buck her hips. Jim stayed where he was for another few seconds, and then climbed out of the chair. He quickly pulled up his pants and headed for the stairs. When he looked back, Anita was resting her head on the cushion and holding on to the chair arms as the guy banged her from behind.

Jim took the stairs two at a time and headed in the same direction Sophie had taken. The mansion was big, and there were about five doors on each side of the landing. He knew he was being unreasonable, but some force was driving him on regardless. He opened the first door on the left, interrupting the couple on the bed. A pretty black woman was straddling a white guy who was about twice her age. Jim apologised as he pulled the door closed behind him. The next room contained another couple, and the room after that was empty. He tried one of the rooms on the right, and stopped in his tracks. Sophie's dress was laid out over a chaise longue by one wall, and a completely naked Sophie was kneeling on the carpet between the two men. She still wore the choker and earrings. The men were

also naked, Sophie holding an erect cock in each hand. All three of them stared at Jim.

One of the men finally spoke. "Sorry buddy, but as you can see, this room's taken."

Jim stared at him, then at the other man, and finally at Sophie. He didn't know what to say, and was regretting his actions. He felt stupid.

"He's my husband." There was an awkward pause before Sophie added, "He likes to watch."

With that, she took one of the dicks into her mouth for a few seconds. Then she did the same to the other. She repeated this for a short while, sucking the men in turn, before standing up and walking over to the large four-poster bed. Climbing on, she lay down in the middle and spread her legs, which were slightly bent at the knee.

She looked at Jim for a few seconds, and then pointed to one of the men. "So come here and show him how you like to fuck me."

The guy didn't look at Jim, but joined Sophie on the bed. He knelt between her legs, pointed his cock at the opening of her sex and pushed into her. Sophie let out a groan and hooked her arms around his waist. He fucked her slowly and Sophie started moving with him, writhing beneath him, and moaning with each thrust. Jim sensed the other guy looking in his direction, but he kept his gaze on Sophie.

After a couple of minutes the first guy got up, and Sophie pointed to the second man. "Okay, now you. Come on, show me what you can do."

The second man entered her and Sophie let out a long sigh. "Oh god, I'm going to remember your cock. Come on, fuck me. Push it all in, I can take it. Mmm, it's so fucking *thick*."

Jim wondered whose benefit Sophie's words were for, but he didn't really care. He'd taken a couple of steps closer to the bed to get a better view. His cock was starting to swell again, which was a surprise considering he'd come in Anita's mouth only a few minutes earlier. The men on the bed changed places again, and Sophie's moans suggested she was approaching orgasm. Jim saw her scratching and pulling at the guy's backside and then her screams filled the room. She was clinging to the man

on top of her and crying out line after line of disgusting words of encouragement.

Jim now had a full erection. He'd never seen Sophie so animated before, and he wasn't sure if she was doing it to hurt him or please him. Jim's mind kept going back to her descriptions of Sara being taken by two men at once, and he wished the guys would do it to Sophie now. He wanted to see her banged front and back until she screamed, but he couldn't admit it. The men on the bed changed places again. As the second guy re-mounted Sophie, she instantly became more vocal, reminding everyone in the room how well-endowed he was. The guy was holding himself up on straight arms and jack-hammering into Sophie, who was writhing around like a woman possessed.

"Come on her face."

The three people on the bed all looked at Jim, and he realised he'd spoken aloud.

"Come on her face. She likes that." Jim couldn't look Sophie in the eye.

The man on top of Sophie looked at her and she pushed him off. She re-positioned herself so she was sitting on the end of the bed closest to Jim. She shook her hair back and tilted her face up slightly. She pointed for the two men to stand either side of her. She gave a slight nod of her head, and then glared at Jim.

The two men started to jerk themselves off. Sophie didn't look at them, but instead held eye contact with Jim. Her expression suggested she was far from happy with his interruption. The guy on her left started to breathe very heavily and Sophie turned her head slightly in his direction, but kept her eyes on Jim's. He remembered how she'd looked into his eyes as Joel came in her mouth during their first ever adventure of this kind. He couldn't help thinking that her expression this time was a lot colder.

A stream of cum hit Sophie on her cheek. She opened her mouth and managed to catch some of the second spurt on her tongue. The guy kept pumping his hand and another dollop landed on her chin. Then the second guy started mumbling and Sophie turned her head in his direction, never once breaking eye contact with her husband. A thick spurt shot from the

guy's cock and hit her on her forehead, leaving an off-white cord down one side of her face from her eye-brow to her jaw line. He unloaded again, hitting her slightly to one side of her mouth. Sophie closed her eyes and started to moan. Jim looked down and saw she was playing with herself. She grunted as she came, and kept her eyes closed.

The room was now quiet and Jim felt more than a little uncomfortable. The other men started to collect their clothes, but Sophie remained seated on the bed. She watched the men dress, and offered them a smile as they headed for the door. Neither of them acknowledged Jim before they left the room. Sophie slowly got up and moved towards Jim. She took his lapels in her hands and turned him around, moving him back towards the bed. When his legs hit the edge he sat down, and Sophie kept pushing until he was lying flat.

She leaned over him, her face only inches from his. Her expression was stern, her eyes ablaze. "I don't know what the fuck you think you were doing, but you do *not* get to choose where men come when they're with me."

"I wa—"

"You have no fucking right to tell them what I like. What makes you think you know what I like, anyway?"

Jim's mouth opened, but no words came to mind.

"You're not a film director, and you don't make any decisions. I let you watch because I know that's your *thing*, but don't ever assume you can have any influence on what happens."

Jim's heart was racing and he wanted to shout back and fight. But for reasons he didn't understand, he said nothing. Sophie grabbed his erection through his trousers, and he groaned.

She smiled a humourless smile, shook her head slowly. "Oh, Jimmy, did it turn you on?" She'd put on a childish, sing-song voice.

Jim stayed quiet, tried to control his breathing.

Sophie leaned closer, and Jim's focus turned to the jism covering her face. Sophie continued in her childish voice, but this time she whispered as she squeezed his erection. "Did Jimmy get all hard after watching the big boys playing tag with me?"

Sophie was annoying him. He wanted to push her away and storm out, but he didn't. He lay there looking into the eyes of someone who seemed to have turned into a stranger.

Sophie undid his zip. Jim knew if he had an ounce of self-esteem he'd push her away. He held his breath. Sophie squeezed his cock and ran her thumb over the tip. It was slick with pre-cum.

"Do you want to fuck me, or do you want to come on my face like the others?" Her voice was back to normal, but her expression was far from friendly.

Jim couldn't answer. He wanted to push her away and tell her fuck off, and he hated himself for being too weak to do exactly that.

Sophie seemed to know all of this, and she laughed in his face. Then she raised herself up and impaled herself on his cock.

Jim sighed and started to tremble.

Sophie bent forward and dropped her lips to his. She pushed her tongue into his mouth and Jim tasted semen. His face was now covered in the two men's juices, and Sophie continued to rub her face against his.

Then she sat up and looked into his eyes, her face deadly serious. She rocked her hips and contracted her muscles, causing Jim to erupt inside her. Sophie's expression never altered, and she didn't rock or move after he'd come, causing him to shake a little as he fought the urge to thrust and bang.

She stared at him with cold eyes. "You started this game, but we need to define what the rules are. You can fuck who you want, and I'll fuck who I want. Sometimes I'll let you watch, because I know that's what you like. But that is *all* you can do. You watch in silence. If you can't do that, you won't watch at all. Do you understand?"

He nodded like a naughty child being reprimanded.

"Tonight I let you watch, and you abused my willingness to let you get your kicks. That won't happen again."

Sophie stood up and walked into the bathroom. She came back a minute later with her face wiped clean. She stepped into her shoes, then slid on her dress. As she reached the door she turned to look at him. "I need a drink." Then she was gone.

Jim stayed on the bed for over fifteen minutes, his mind racing. He was ashamed of how he'd behaved. He knew he'd spoilt the night, not only for himself, but for Sophie, and probably the two men with her. He wondered what would have happened on this bed if he'd stayed downstairs with Anita. Maybe Sophie would have described it all to him when they got home.

Sophie had changed beyond recognition. This wasn't the woman he'd married, but he knew he only had himself to blame. He'd encouraged her to let other men use her body for his own personal gratification, and it was now coming back to bite his ass.

Finally, he stood up and fastened his trousers. He visited the bathroom to wash his face and went back downstairs. There was no sign of Sophie. He saw Sara and the guy with the shaved head who'd been with Naomi. Both were dressed and chatting by the fire.

Sara waved Jim over when she saw him. "Hey baby, how are you enjoying your night?"

Jim forced a smile and looked around the room. "Lots to enjoy here."

She tilted her head toward the other man. "D'you know Justin?"

Jim held out his hand. "No. Hi, I'm Jim."

Justin shook his hand and smiled.

Sara leaned closer to Jim. "I think Sophie must have made an impression. Some foot-soldier came and invited her to have a nightcap with G-J."

Jim ran the initials through his mind, but had no idea who Sara could mean. "Sorry, who's that?"

"Mr Goodier-Jessop—the guy who owns this house."

He felt his eyebrows raise. "The guy who owns this house is *here*?"

Sara laughed. "Of course he's here, you idiot, this is where he lives. Why would he be anywhere else?"

Jim shrugged. "I assumed the house had been rented for the occasion."

Sara laughed. “Rich guys like their kicks, too. That’s why there are so many beautiful, horny people here.”

Her words seemed to echo in his head like a scene from a film where the character’s been drugged. Jim’s mind kicked into overdrive once more, and he wondered what sort of nightcap a horny rich guy might offer.

As the rest of the guests started to say their farewells and drift towards the door, Jim was approached by a small man of about fifty in a black suit and red tie.

“Good evening, sir. Miss Sophie has asked me to inform you that she will be staying for a little while longer, and suggests she joins you later. Mr Goodier-Jessop will have his driver drop her at home.”

Jim didn’t get a chance to reply—the guy gave a curt nod and walked away before Jim could think of a reasonable response. He was painfully aware that he’d overstepped some boundary tonight, and he didn’t intend making a complete fool of himself in front of the entire room. He said goodbye to Sara and headed towards the door. Gripping the plastic token from his pocket, he looked around for the valet.

When Jim got home, he walked straight to the dining room. Picking a bottle of Remy from the cupboard and a glass from the shelf, he opened the patio door and went to sit on the bench in his garden. He poured himself a large measure and placed the bottle on the bench next to him. Then he sat back and looked up at the stars, going over everything that had happened earlier that night. He accepted he’d behaved badly, but had he really been that out of line? Surely Sophie must see she’d been the person who’d overstepped the boundaries first. To his mind, they’d entered this game as a team. They’d used Joel to fulfil their fantasy. It had been the same with Sara, and then Sara and Billy together. In Jim’s view, this had always been a joint venture. But Sophie obviously didn’t agree.

They’d never actually discussed it, so maybe it was just a lack of communication on both their parts. Jim wondered if there was any truth in Sophie’s previous accusation. Was he really upset that she’d slept with other men, or was he only upset because he hadn’t been able to watch it? If he didn’t get such a thrill from watching her, would he even be bothered about

her night out? It could hardly be termed as her being unfaithful, given the lifestyle they were now leading. He may have gotten them into the game, but Sophie was now the one who was calling all the shots. She was the one with the power. On top of that, she apparently had a very rich admirer.

Jim raised the glass to his nose and breathed in the fumes. He wondered what Sophie was doing at this very moment. He was determined to be too drunk to ask her about it when she got home.

“Amy, are you asleep?”

“I was *almost* asleep.”

“Oh. Sorry.”

“What is it?”

“I just remembered something, but I can tell you another time.” Ian was beginning to regret starting such a trivial conversation at this hour

Amy pulled herself up a little and turned her light on. “Yeah, like I could get back to sleep now. What was it you remembered?”

He smiled. “Someone flashed their stocking-tops at me on the train today.”

Amy glared. “You woke me up to tell me that?”

“I didn’t actually wake you up. If you’d been asleep, you wouldn’t have heard my asking if you were asleep.”

Amy continued to glare at him. Then her expression softened a little. “What makes you think she was flashing her stocking-tops at you?”

“I didn’t say it was a *she*.”

The glare returned. “You woke me up to tell me about a drag queen?”

“No. Okay, it was a woman.”

Amy shook her head. “So I ask again, what makes you think she was flashing them to you?”

“Because it was obvious. And besides, I was the only one who could see.”

“Right. Now I’m confused, but fully awake. Thanks for that! Start at the beginning and tell me what happened.”

“I was on the train, reading my paper. I was in one of those carriages where there are sets of seats facing each other, either side of a table. She got on the train a few stations later. She took the seat facing the same way as me, but on the other side of the aisle.”

“Were there other passengers in the carriage?”

“Yes, lots. There was another guy sitting opposite her, but nobody else was at my table.”

“What was she like?”

“Good looking and well dressed. Long auburn hair and brown eyes. Smart suit, silk blouse, leather shoes with a heel, and black nylons. Looked like she could have come straight from an interview.”

“And she just flashed you?”

“Not then. But every time she reached over to get something from the bag on the seat next to her, her skirt rode up her leg. I tried reading my paper but kept getting distracted by it.”

“Distracted how?”

Ian shrugged. “I guess I kept looking.”

“There are names for people like you.”

“What was I supposed to do? Anyway, one time her skirt rode up so much I could see she was wearing stockings, attached to a suspender belt.”

“Were you turned on?”

“I was more embarrassed than aroused.”

“Why?” Amy stroked his arm. “Come on, be honest. You can tell me. If I’d been sitting opposite a fit guy and he’d exposed a bit of his six-

pack when he leaned back, I'd have been turned on." Amy's hand slid down and stroked his stomach.

"I guess I was a little turned on."

"Did you get a hard-on?" Her hand moved down a little further.

"No, course not."

"But you're getting one now."

"That's because you're rubbing my cock."

"Mmm. So what made you think she was flashing, and not just oblivious to your roving eye?"

"She left her skirt up for a couple of minutes, and then she just undid the suspender belt and rolled the stocking down a couple of inches. Then she looked over and smiled at me, and took her time to straighten them, pull them back up and re-fasten the clip."

"Why do you think she did it?"

"No idea."

"Do you think she was hoping you'd make a pass at her?"

"No. We were on a busy train."

Amy slid on top of him and guided his cock inside her. "That may have been part of the fun for her."

Ian didn't answer, a little surprised that she was so wet already. He closed his eyes and placed his hands on her hips, moving her on him.

Amy kissed his neck. "Why didn't you suggest you both try to find a quieter carriage, or the loo?"

Ian opened his eyes and looked at her. "I think if I'd done that, me and you would now be talking to each other through divorce lawyers."

Amy smiled. "I don't think so. Not if it was just a lust-fuck with a stranger on a train."

"I wish I'd known that a few hours ago."

Amy laughed and whispered in his ear. "Maybe I could dig out one of my suspender belts for you one night."

"I'd like that."

“Mmm. Me too. I’ll wear a black one with black stockings and high heels, and I’ll keep them on while you fuck me. But when you get close, I want you to push your cock down the top of my stocking so I can feel you come on my thigh, and see your cum oozing out through the mesh of the nylon.”

There was no more talk. Ian gripped her backside and pulled her down onto him, pushing his hips off the bed to go as deep as he could. He came hard, and she came just a few seconds later, her contractions milking every last drop from him.

It was several minutes before she rolled off him and lay on her own side of the bed. “I’m glad you woke me up, now.”

“Me too. Although as I pointed out earlier, I didn’t actually wake you up.”

Amy lay on her side to look at him. “I think maybe I should take a trip on a train, and flash at other passengers to see what sort of response I get.”

Ian faced her. “That’d be interesting. Would you tell me what sort of response you got?”

“Of course. Better still, you could come with me and sit further down the carriage. Then you could see for yourself.”

“Yeah, I could do that. What would you wear?”

“Stockings and suspenders seem to do the trick with you. Or maybe I could have just bare legs, and no knickers.”

Ian smiled. “How about stockings and suspenders with no knickers?”

Amy nodded. “Yes, I think that would work well. And obviously I’ll have to wear high heels.”

“Obviously. How would you flash?”

Amy stroked Ian’s flaccid cock and looked thoughtful. “I’d sit somewhere so that there was a guy in a position to get a good view. Maybe the train has the same set-up as yours with tables, or it could be one of those with bench seats facing each other with no tables. Or it could be on the tube, where there are seats facing each other from either side of the

carriage. The tube would be sexier, actually. Underground, false lighting, crowded carriages...”

Ian nodded. “Yeah, the tube would be better.”

“Then when I’m in position, you can sit on the same side of the carriage so you can see my legs, but also see the guy’s face as he watches me. I’ll get a magazine and pretend to read it. While I’m reading, I’ll cross my legs and raise my knees up a little. Then I’ll rub my calves together, taking the top knee up so that my skirt rides up my thighs.”

Ian’s cock began to swell in her hand, but it was nothing like a full erection. She pulled him on top of her and rubbed his cock against her outer lips. “Feed it inside me.”

Ian obliged. “I won’t be able to come again this soon.”

Amy smiled. “I know, but I will.”

Ian pushed his pelvic bone against her clit.

“After I’ve given him a few flashes of my stocking-tops, I uncross my legs and put both feet on the floor next to each other. Then I let my knees part, very slowly. I know he’s looking, and I raise one leg up and pretend to scratch the side of my calf. He now has a perfect view of my cunt.”

Ian pulled his head back, a little surprised. “I can’t remember you using that word before.”

Amy’s eyes were closed, and she was rocking herself against him. “He can see my cunt, and he can see that I’m really wet. My lips are glistening from my excitement. He can’t tear his eyes away. Slowly I put my leg back down and look up from my magazine. When he looks at my face, I smile at him. He takes out a pen and scribbles something onto his newspaper. Then he rips the corner off and stands up. Before he heads for the end of the carriage, he drops the note onto my lap.”

Ian moved against her with a slow rocking motion. “What does the note say?”

“I read it, then stand up and walk down the carriage, dropping the note on your knee. It says ‘I’ll be in the toilet. Join me.’”

“Are you asking my permission to join him?”

“Of course not. By the time you’ve finished reading the note I’ll be out of the carriage.”

“Doing what, exactly?”

“Having a lust-fuck with a stranger on a train. We don’t speak to each other. He pushes me against the wall and lifts my skirt. I put one foot onto the side of the toilet. He opens his trousers and takes his dick out. He’s already rock hard and he rams it straight into me. I moan and grit my teeth. I push back to meet each thrust. He’s rough, and he bangs me hard. I come very quickly. I scratch his neck and pull his hair. By now I’m grunting. I tell him to come. I urge him to shoot his cum inside me. I tell him to flood my cunt. And he does. I can feel him pulsing time and again, and I know he’s firing more and more of his spunk into me.”

Ian stared open-mouthed but didn’t interrupt.

“I come again. I’m screaming, pulling him into me, getting as much of his cock as I can...”

Amy was suddenly bucking wildly beneath him, and Ian reached down and pushed a finger up her backside. Amy screamed out and scratched his back as she came. Ian banged into her, but although his cock was now relatively hard, he couldn’t orgasm.

Amy finally grew silent, but she kept moving herself against him slowly. After a few more seconds she opened her eyes and smiled at him.

Ian was almost lost for words. “Wow.”

Amy eased him off her and they lay in silence for over a minute.

He was the first to speak. “Was he good looking?”

Amy scrunched up her face a little. “Not particularly. But I don’t mind. I won’t ever see him again.”

“You won’t be catching that train again?”

“No. But there are a lot of other trains.”

She took out her phone and tapped the icons a few times. Then she held it up so Jim could see the screen. A video clip was ready to play.

“What’s that?” Jim felt the coldness return to his stomach, but his cock seemed to grow a little harder.

“It’s a recording of what I did after I’d bought the wine.”

Dread and lust fought for space in his thoughts. “Who with?”

Sophie licked her lips. “I thought we’d agreed that didn’t matter. He’s just meat.”

“You met him in the off-licence?”

Sophie nodded. “I caught him staring at my arse and legs, and asked if he wanted a closer look.”

Jim stared at her. His mouth dropped open, but he had no words.

“He said he did, so I took him down an alleyway and sucked his cock until it was hard, then let him fuck me against a wall.”

Jim shook his head. “Why?”

“Because I was horny, and because I wanted to give you a treat.”

“Me?”

Sophie nodded. “I’m going to suck you off while you watch the video.”

Jim is a simple man with simple needs. He's lives in a nice house on a nice street, he's got a good job, and he plays tennis to wind down. And on weekends he kisses his wife Sophie goodbye when she goes off to swingers' parties to service her ever-escalating needs. Billionaires, porn stars, dancers--one at a time or all at once, it doesn't matter to Sophie. She'll take it every way she can get it and relay all the juicy details to Jim when she gets home.

Life is good. Too good, you might say. For a voyeur like Jim, his open marriage is damn near perfect. Little bit of wife-watching, little bit of playing around... what more could a man want? Well there's only one answer to the eternal question, and that's the eternal truth. He want's what he can't have--romantic dates, curling up in front of a fire, sweet togetherness--and while Sophie is off jet-setting with wealthy men to service

her needs, Jim falls into a comfortable friendship with Naomi, a stunning older woman and self-described cougar.

For a man who's known nothing but chocolate-chip, where's the harm in trying vanilla for once? Just a little taste... maybe a scoop...

Operation: Cuckold

“So, tell me what you want.”

Harry got the feeling she was angry at him, all of a sudden. “Nothing. It’s not all about what I want.”

“I know that. But I’m getting what I want by fucking them, so tell me exactly what you want from watching.”

Harry worried he’d spoilt the mood. “Michelle—”

“Tell me what you want, Harry. It’ll turn me on more if I know there’s something you want me to do.”

His dick started to swell in his trousers. “I want to see him fuck you, and hear you moan and groan while he does it. I want to watch your face when you come—because for me, that’s the sexiest part. But when he shoots his load, I want to be able to see it.”

Her face was still very serious. “Where do you want him to come?”

“I don’t care. Anywhere, everywhere. He can come on your tits, tummy, face, back, legs, arse, feet. It’s your choice. He can come in your mouth again if that’s what turns you on the most, but hold his cock a few inches away so I can see it.”

She nodded. “I can do that. I may even get him to come more than once, and unload in different places.”

Stag Nights

Without really thinking about his actions, Harry stepped behind Michelle and gripped her arms, pulling them behind her body. He felt her stiffen, saw her glare in his direction, but he kept his eyes on the stranger. “She’s not wearing any underwear. Check to see if she’s ready for you.”

The man paused for only a split second, then he snaked his hand between her knees and slid it up her thighs.

Michelle emitted a little gasp when Albert’s hand reached her sex, then let out a guttural moan. Harry was sure he’d pushed his fingers inside her.

“Jesus.” Albert was looking into Michelle’s half-closed eyes. “You’re so fucking wet.” He began to piston his arm, finger-fucking her with force while Harry held her in place.

Michelle dropped her head back onto her husband’s shoulder while the stranger continued to finger her. Harry could smell the juices of her sex, hear the squelching sounds his fingers made as they jabbed the soft, welcoming hole of his wife’s body.

Harry had never experienced such a buzz. This was the first time he’d ever been involved in this way.

Harry and Michelle are now fully entrenched in their new wife-sharing lifestyle. Michelle is proving to be one of the hottest hotwives around, with bulls waiting in line to take turns. Literally.

As Michelle gets more of what she craves, she pushes Harry further into the role of the cuckold and he's presented with situations he finds hard to accept.

Things look like they might be going awry until he discovers that not all wife-sharing husbands need to be cucks...
