The Ménage Diaries

The complete collection — all six steamy ménage stories.

Taking the Plunge: When Nick asks Molly about her ultimate sexual fantasy, she reveals it's a threesome with two men in a hot tub. Though shocked, the more Nick thinks about sharing his wife, the more turned on he gets. The idea of watching her with another man becomes an obsession, but it turns out that Molly's only too happy to make her fantasy a reality—going as far as booking a chalet in the Swiss Alps with its own private hot tub.

The only question now is who Molly will choose to join them...

1999: As her husband of twelve years has run off with another woman, Mindy faces the new millennium needing a new home and new job. But before facing her daunting future head-on, she decides to celebrate the upcoming special Hogmanay in style. In a posh Edinburgh hotel, she puts on her best dress and happy face, deciding that tonight's the perfect night to take a man back to her room for a night of no-strings passion—something she hasn't done since her punk rock days.

Her night starts promisingly when she shares her table with two hunky brothers—complete with kilts—but when that spell is broken, a different offer presents itself in the form of a beautiful Scottish woman and her handsome Scandinavian husband.

It's something she's never considered before, but... New millennium, new Mindy.

Victor-Juliet-Charlie: When police raid a large house in an exclusive London suburb expecting to find women forced into the sex trade by human traffickers, all they find are very attractive young women reaping the benefits of being the playthings of older Russian oligarchs. While most of the officers consider their evening wasted, Lynne, a WPC, sees things

differently. Having witnessed a young blonde woman tied to a bed being used by two men, she finds herself both excited and painfully aware that her own life isn't as exciting as it should be.

As the raiders 'debrief' over a few drinks at the pub, Lynne confesses to Joey, an old friend and ex-lover, how much the experience had affected her. And when a young, handsome PC joins their conversation, she realises that this may be the perfect opportunity for her to have a little fun of her own...

The Lodger: *Trucker Jon has a good thing going. He might spend the week in his cramped cab, but his weekends are spent in the warm comfort of Gemma's bed. Life couldn't be better—until Gemma announces that she's taking in a lodger.*

He's worried at first that their blissful routine may be disturbed, but it turns out that drama queen Amy happens to be a blonde stunner with a body to die for.

When Gemma confides that her attempts to comfort Amy went a little far one night, her previous indiscretions come to light, too. Jon gets the impression that his lovely girlfriend is giving him carte blanche to sleep with the flirtatious lodger to even up the scores.

Jon knows that only the most unscrupulous of men would accept such an offer, but who's he to deny Gemma her absolution? Besides, the lodger is so incredibly hot...

Julia 07: *Julia receives an invitation to attend a Retirement Ball for her ex-lecturer and decides to attend, even though she won't know any of the other attendees. Once there, she meets two charming young men who both vie for her affections, each trying to persuade her to choose him over the other. But as the night progresses, she realises her choice doesn't have to be a simple either-or decision.*

Later that evening, after doing something she'd never have believed herself capable of, Julia realises she hadn't made the most of the situation. This may be a once-in-a-lifetime opportunity to lose herself in the ecstasy of surrendering herself to two men at the same time.

Could she live with herself if she did it? Then again, could she ever forgive herself if she didn't...?

Party Crasher: *Emma's delighted when her housemate tells her that sexy postgrad-come-barman Jamie is hoping to run into her at an upcoming student party. She's hoping he'll be more mature than the undergrads she's dated so far.*

When they meet again, Jamie's just as cute, charming and funny as she remembers. She knows that before long, they'll be doing a whole lot more than just flirting.

Then Pru crashes the party. Blonde, gorgeous and confident, she's every rival's nightmare.

Emma's unwilling to give Jamie up without a fight, but she's not prepared for Pru to be such good company. She's certainly not expecting to find another girl attractive.

Yet as the night progresses with a move to Jamie's place, it turns out that Pru isn't the party crasher after all...

Taking the Plunge

Chapter One

“You look fantastic,” Nick said as they made their way to the main building of the hotel complex.

Molly smiled and batted her eyes, emphasising her heavy, mascaraed, naturally long lashes. “Thank you.”

His wife moved closer to him, pushing her hip against his leg as they walked. “Do you think I may get lucky tonight?”

Nick looked into her eyes. They looked even more green than usual because of the eyeshadow she’d applied. She was smiling, but there was also a teasing look in her expression. There was a lump in his throat and his heart raced. “I wouldn’t be at all surprised, looking like that.”

Molly playfully shook back her thick black hair and pouted her lips. “And what about you? Do you think you’ll get lucky?”

Nick smiled. “I already have.”

Molly stroked his arm, laughing. “That’s the right answer.”

* * * *

Nick loved the resort. Built high in the Swiss Alps, it was apparently a popular destination with hikers in the summer and skiers in the winter. He was surprised the early evening temperature was still pleasantly warm, even though all the surrounding mountains were covered in snow. He’d dressed in a striped shirt and trousers, while Molly wore a pale blue knee-length silk dress and white sandals with a three-inch heel. The dress clung to her curves in all the right places, accentuating her slender, athletic body. Nick slipped his arm around her thin waist and pulled her close, her head resting on his shoulder as they walked.

Once inside, they headed to the bar for a pre-dinner cocktail. Nick scanned the other patrons. There were sixty-odd people in the room, and

Nick studied all the men, wondering idly if any of them would be lucky enough to have sex with Molly later that night. This, after all, was their intention.

* * * *

It had started as a hypothetical flirtatious question one evening a couple of years ago and the subject had come up on several occasions since. Nick could still remember first asking Molly about her fantasy, and he could also remember how turned on he'd been when she had told him.

"So, if you were to have your fantasy evening of sex, what would it involve?"

"Probably a threesome. Maybe we could invite a stranger to join us."

"Ooh, now you're talking. Blonde or brunette?"

"I don't care, as long as there's a cock between his legs."

"Oh. That sort of threesome."

"Of course. It's my fantasy, remember?"

"Uh huh. And what would the evening entail?"

"Ooh, let me think... Alcohol. And water. But not mixed together. One to drink, and one to sit in."

"Like a swimming pool?"

"Maybe. Or preferably a hot tub."

"I like that idea. And what would happen?"

"Well, we'd all be sitting in the hot water, drinking champagne."

"Champagne?"

"Yes. It's my fantasy, so we'll be drinking champagne."

"Hmm. And then what?"

"After a while there could be some touching, under the water."

"Touching?"

"Yes. Caressing."

“Who’d be touching who?”

“Well, I’d be touching you two, and you’d both be touching me. If you two guys wanted to touch each other as well...”

“No, no. I don’t think anything like that would be happening.”

“Good, because I want four hands touching me.”

“Where?”

“All over. Stroking, caressing...”

“Poking?”

“Yes, but gently.”

“And then what?”

“Well, maybe I could sit on one of your knees?”

“You’d sit on one of my knees?”

“Not one of your knees. The knee of one of you two men. But I wouldn’t actually be sitting on a knee.”

“Why not?”

“Because there’d be something else there I would sit on.”

“Ah, right. So, whose ‘knee’ would you sit on first?”

“Well I can sit on your knee any time, so I’d sit on the other man’s knee first.”

“You’d fuck the stranger before you fucked me?”

“Oh yes. But only for a short while.”

“And then what?”

“Then it would be your turn.”

“Hmm. So you’d fuck me second?”

“Yes. But I wouldn’t do it for long. Then I’d go back and fuck him a bit more.”

“Riding each of us for a short time?”

“Yes.”

“Would you let him come inside you?”

“I’d rather he didn’t. I’d want him to wear a condom.”

“So he’d have to get into the tub wearing a condom?”

“Not necessarily. Neither of you would be allowed to come yet. I’d only ride each of you for a minute or so, and then I’d move on to the other one.”

“But what if one of us comes too soon?”

“You wouldn’t. I’d be in control and would move on to the other man if I sensed either of you was getting too close.”

“But you’d let yourself come in the tub?”

“Of course I would. With the excitement of having a stranger while you watched me and then having you while he watched us, and with all the sliding, wet naked bodies, I’m sure I’d come very quickly.”

“But we’re not allowed to come?”

“Of course you are. But we’d adjourn to the bed for that.”

“You’d want us both to take you to bed?”

“Yes. But I’d want you one at a time. I don’t want to be spit-roast, and I don’t want to be the meat in a sandwich where you both take me at the same time from the front and back. You can both take turns to make love to me.”

“Make love?”

“No, you’re right. Not make love. You can both take turns to fuck me. One at a time. On the bed.”

“And you’ll be making him wear a condom?”

“Yes. In fact, I’ll probably make you both wear a condom. That way, he won’t feel discriminated against.”

“So you’ll fit us both with condoms?”

“Yes, if you like. You two can lie side by side, and I’ll put a condom onto each of you.”

“Will there be any oral action at that time?”

“For who?”

“For us men. You may need to give us a quick suck to get us hard enough to put the condom on. It will have been a while since we’d been inside you in the hot tub.”

“If it was needed, I could do that. Wouldn’t you mind if I sucked the stranger’s dick?”

“You didn’t seem to worry about how I felt when you had it rammed up inside you in the hot tub.”

“Good point. Yes. I’d lick and suck him until he was rock hard, and then I’d roll the condom down to the base of his dick. Next, I’d do the same to you. And then I’d lie between you both, and you could take turns to fuck me.”

“Who would you want to go first?”

“Erm...”

“Okay, I get it. You can get fucked by me any time, so you’d want to get fucked by the other man first.”

“Exactly. It’s my fantasy, after all.”

“Good point. And would he be invited to stay the night?”

“No. He can leave after the sex.”

“You’d just kick him out after using and abusing him?”

“Yes. But I don’t think he’d mind being used and abused. Do you?”

“No, I don’t think he’d mind at all.”

* * * *

Since Molly had sown this first seed of her idea, Nick’s mind had kept coming back to it time and again. He knew it was all only a fantasy, but he liked playing the scenario out in his head—a lot. Molly had admitted she wanted to have sex with another man, and for reasons Nick couldn’t explain, this turned him on. He had finally confessed he’d become obsessed with the idea.

Almost two years and many discussions later, they were now in a position to carry it through. Maybe it would happen; maybe it wouldn’t. They had found this resort on the web. Their main reason for choosing it was that each luxury chalet had its own hot tub. Now the only things which could stop them were if they couldn’t find a suitable third party, or if either of them got cold feet at the last minute.

Molly’s voice interrupted his thoughts. “See anything I might like?” She had a smile on her face.

Nick shrugged. "You tell me."

Molly glanced around the room and Nick noticed several men stealing glances at her. She returned her eyes to Nick, held his gaze for a split second and picked up her drink. She sipped it and Nick raised his eyebrows, prompting her to tell him her thoughts.

"I'm sure we could find someone suitable here, if we're sure it's what we want to do." Her expression was serious, and Nick realised the time had come to consider if this was something that should remain a fantasy, or if they should take the plunge. Literally, since Molly wanted to start it in a hot tub.

"Do you want to do it?" Nick asked.

"It's my fantasy, so of course I want to do it. But the question is, do you? I know you like the idea of it, but could you accept it if it was actually happening?"

Nick's heart raced again as he imagined the scenario they'd discussed many times. Although there was jealousy tingling in the back of his mind, the over-riding feeling was one of desire. He swallowed, bit his lower lip, and then nodded slowly. "Yes, I could accept it. It's what I want."

Molly held eye contact for a few seconds and then nodded once. "Okay. Let's go and have dinner, then we can try and find our dessert."

As they made their way out of the bar, Nick saw several heads turn in their direction. It appeared getting a third party was going to be easier than he'd imagined. All they had to do now was let Molly pick the one she wanted.

Chapter Two

Molly and Nick were seated at a table by the window, next to a larger table occupied by six men. Molly chose the chair that faced their table, so Nick was sitting with his back to the men.

Shortly after they'd given the waitress their order, Molly leaned over the table and whispered, "I think we may have a potential third party."

"Where?"

"At the table directly behind you."

"What's he like?"

"Well, they're all speaking French, so I assume that's where he's from. He's maybe in his late thirties, so about our age, with brown eyes and a nice smile." Molly glanced over Nick's shoulder and then back at his face. "A very nice smile."

"And is his very nice smile aimed in your direction?"

Molly held Nick's gaze as she slowly took a sip of her drink. "I believe so, yes."

Nick sighed. "Wow, that didn't take long."

Molly looked concerned. "What's wrong? Are you having second thoughts?"

Nick was already shaking his head. "No, I just expected it to be like when you go shopping for a pair of shoes. You won't make your mind up until you've looked at every pair in the shop."

Molly laughed out loud. "This isn't the same. I don't have to think about if they'll go with all my outfits, and I certainly don't think it would be appropriate to try them all for size. Or then again..."

Nick shook his head. "Slut!"

Molly was smiling again. "Why can't I just say *he's cute, get him stripped and ready for action.*"

Nick felt a stirring in his trousers but before he could think of a suitable answer, the waitress arrived with their starter.

By the time they were finishing off their meal, Nick had noticed that Molly had held eye contact with the other man several times. As his group headed out of the dining room, he gave her a big smile.

Nick watched the group of men leave, and when he turned back to Molly she was watching his face.

“Are you OK?” she gently asked.

Nick nodded. “I’m fine—a bit nervous.”

“Me too. Listen, we don’t have to do this, you know. You’re enough for me, and I really don’t need anybody else.”

Nick smiled. “I know, and I’m fine with everything. Really. But don’t try and turn this around—if you’re having second thoughts, then that’s fine, too. I’m not going to be criticising one way or the other.”

There was a brief silence between the two, almost as if each was waiting for the other to make the decision. Then Nick took Molly’s hands. “Tell me what you want to do tonight,” he said gently.

“What do you think I want to do tonight?”

“Stop passing the buck; tell me what you want, in plain English.”

“When you say ‘plain’ do you mean four-letter word English?”

Nick smiled. “If you like.”

“Okay. Well, did you see that guy who just left the dining room?”

“Yes.”

“I want to fuck him while you watch me. I also want him to watch me fuck you.”

Nick had to swallow the lump in his throat before he could answer. “That’s what I thought. Okay, let’s go get him.”

* * * *

Nick and Molly headed back to the bar and immediately saw the men from the dining room chatting to other members of a much bigger group. They were standing at the far end of the bar. Nick and Molly got

drinks and found a nearby table. Although they made small talk about other things, their conversation inevitably kept coming back to the subject of the Frenchman who was standing less than twenty feet away.

“Now you’ve had time to look him over for longer, is he still your number one choice?”

“Yes. But he’s my second choice. You’re my number one.” Molly was smiling.

“If I’m your number one, how come I only get to go second?”

Molly looked confused, so Nick reminded her of their original chat about her fantasy, in which she’d told him that she would want the stranger to be the first to go inside her.

“Maybe I’m saving the best until last...”

“Yeah, maybe that’s it,” Nick said, making a point of not looking like he believed her. “Or maybe it’s because you can’t wait to get a fresh piece of meat.”

Molly gritted her teeth and growled, play-acting like a dog with a chew-toy in its mouth.

“So,” Nick said. “How are we going to approach him?”

“I think we should just play it by ear for a while, see what happens. He keeps looking in our direction, so I don’t think it’ll be too difficult.”

Over the next thirty minutes the large group by the bar got more and more boisterous. During this time, Nick noticed the Frenchman and Molly make eye-contact on many occasions. Every time he glanced over in her direction she would hold his gaze for a couple of seconds before he looked back to the person talking to him. Eventually, some members of the larger group started to drift out of the bar—evidently the hikers would be getting up early the following day. Nick was just about to point out to Molly that the Frenchman might be leaving the bar soon when she stood up. Without saying a word, she walked to the bar and ordered drinks. Nick watched the Frenchman move next to her at the bar and the two of them exchanged a few words.

Molly brought drinks back to their table and sat down. Nick waited for her to say something, but Molly just picked up the glass and sipped her drink.

“Well?”

“He’s going to join us for a drink in a few minutes.”

Nick looked over to where the Frenchman was chatting with his friends, then back at Molly. “Just like that? You only spoke to him for a few seconds.”

“How long do you think it takes to ask someone to join us for a drink?”

“I don’t know. What did he say? What did you say?”

“He asked if we were having a nice evening, and I said it would be a whole lot better if I could finish it off by getting rogered senseless by a couple of hot studs.”

Nick stared open-mouthed for a couple of seconds before he realised she was winding him up. He kicked her under the table. “Tell me.”

“I just invited him to have a drink with us, that’s all.”

“Just like that? And what did he say?”

“He said he’d like that very much, and he’d be over as soon as he could.”

“Wow.”

Molly rubbed Nick’s arm, and again she looked concerned. “Nick, you know that we can stop—”

“No, I’m fine.” Nick smiled. “I just can’t believe it’s all happening so easily.”

Molly put on a wounded expression. “Are you saying you thought you’d have to get someone drunk or pay them to fancy me?”

Nick laughed out loud. “No, I just didn’t expect it all to happen without us actually having to do much in the way of *chasing*.”

“This is what it’s like for a woman. If she wants to pull a man, then it’s easy. All I had to do was to smile back when he looked at me. I reckon that’s why gay men are so promiscuous—they never get turned down because all men are slags.”

A few minutes later the Frenchman came over to their table, looking a little nervous. Nick and Molly both stood and Nick held out his hand, which the Frenchman took.

“Hi, I’m Nick, and this is my wife, Molly.”

The Frenchman smiled as he shook Nick’s hand. “Very happy to meet you both,” he said in heavily accented English. “I am Claude.”

They all sat down and, much to Nick’s surprise, there was no awkwardness. Claude was relaxed and charming. “I trust you are having a pleasant trip. Have you visited this hotel before?”

“No,” Molly answered for them. “But it’s very beautiful. Have you been here before?”

“Yes. Many times I have come to this area, and two times before I have been at this hotel.”

Although Claude’s English was good, his accent made it difficult for Nick to understand. Molly, on the other hand, didn’t seem to have any problem with it.

“Are you part of the large group staying here?” Molly was doing most of the talking.

“Yes. I am with a walking party of about twenty persons. We meet up several times through the year.” Claude looked from Molly to Nick. “Are you two walking here, also?”

“No,” Nick answered. “This is more of a relaxation break for us.”

Claude smiled, and Nick could see why Molly liked his smile. He had white, even teeth and dimples in his cheeks, which made for a friendly, genuine smile. “I think this is an excellent place to be relaxing, no?”

“Yes,” Molly agreed.

They chatted about previous holiday destinations and countries visited. Claude had travelled extensively as part of his job as a service engineer for a company who made mining equipment. Molly had done quite a bit of travelling before she’d met Nick, and it transpired she had visited an area in Australia that Claude knew very well.

As Claude and Molly chatted about the places they’d both visited during their respective trips, Nick watched them. Molly’s body language was extremely flirtatious. She was drinking her cocktail through a straw, and even when she wasn’t actually drinking, she kept putting the tip of the straw between her red-painted lips. She constantly touched her hair, curling it round her fingers. Her legs were also very animated during the

discussion. When Molly described how much she'd enjoyed a particular vineyard, she squeezed her legs together and raised her knees. This movement caused her hem to creep up and reveal a few inches of her thighs, and Nick noticed Claude kept stealing glances at the exposed flesh.

"Speaking of wine," Molly said as she caught Nick's eye. "We have a bottle of champagne in the fridge in our cabin. Would you be interested in joining us back there for a night cap?"

Claude nodded enthusiastically. "I would like that very much," he said as he looked from Molly to Nick.

"In fact," Molly continued, leaning forwards as if revealing a secret she didn't want anyone else to hear. "We could drink it in our hot tub."

Claude opened his eyes wide and stared from Molly to Nick. "You are staying in one of the chalets with a Jacuzzi?"

When Nick and Molly both nodded, Claude seemed very happy.

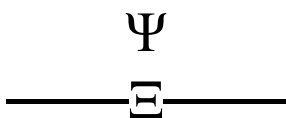

"Wonderful," he said. But then a slightly worried expression crossed his face, and he followed Molly's example by leaning forwards and speaking in a hushed voice. "But I have not got any swimming costume with me."

Molly also leaned forwards so that her face was only a few inches from Claude's. "Well, I'll promise not to look at you if you promise not to look at me."

Claude shook his head slowly. "I'm afraid that this is a promise that I may not be able to keep."

All three laughed and finished their drinks. As they stood up to leave, Molly's skirt rode up her legs to reveal quite a bit of thigh. Nick saw Claude staring at his wife's legs and his heart began to race.

Chapter Three

The inside of the chalet was predominantly bare wood. It was a large, open-plan space with easy chairs immediately on the left, and the kitchen area on the right. The king-sized bed was positioned on the left against the back wall, with the bathroom door next to the bed. But the main feature of the room was the hot-tub, sunk into a raised pine platform in the far right corner, with steps leading up. A large window by the tub afforded a great view of the mountains.

Once inside the chalet, Molly placed the chilled champagne and three glasses on a table next to the hot tub. When she disappeared into the bathroom Nick started to get undressed. Claude followed suit, and soon both men were down to their underwear. Claude had dark hair on his legs, and good muscle tone in his arms and abdomen. Nick saw Claude hesitate to see what he did. Nick kicked off his boxers and climbed into the tub, and Claude did likewise.

Molly emerged from the bathroom wrapped in a thick, fluffy robe. She turned off the centre light, leaving the room bathed in just the glow from the two bedside lamps and the lights inside the hot tub. She walked over to the tub and started to undo the belt of her robe. Both men watched her, but Nick also kept glancing at Claude. If the Frenchman was disappointed that Molly was wearing a bikini, he didn't show it. But then again, Nick thought, why should he? Molly slid the robe from her shoulders and let it fall to the floor. Her costume was a two-piece in shiny silver with subtle black swirls. The bottoms were hipster-shorts and the top had a halter neck that squeezed her boobs together to show an impressive cleavage.

She put her head on one side and smiled at the men. "Room for a small one?"

Claude laughed out loud. "But of course, Madame."

The tub was small and circular, with a diameter of no more than five feet. When Molly had lowered herself onto the seating ledge, all three of

them were only an arm's length from each other, with their knees touching.

Molly poured the champagne and handed out the glasses. "Cheers," she said. "Here's to what I'm sure will be a special night."

The three of them sipped in silence, the hot water bubbling all around them. It was five minutes before Claude broke the silence. Evidently, he was still unsure about what Molly had meant with her toast. "Excuse me, but may I ask a question?"

Molly looked at Claude. "Of course you can."

"This night, it is special for me. I am having a very nice time, but I am worried in case I have not been understanding correctly."

Nick saw Molly smile as Claude's English became a little less correct.

"And what is it that you *might not be understanding correctly*?" she asked, a teasing look on her face.

Claude seemed to struggle to find the right words. "I, er... I was just wondering what you were having on your mind for a special night to be?"

"Well," Molly said slowly. "I hadn't really thought about it exactly."

Nick knew she wouldn't admit they'd been plotting this evening for two years, with a basic plan of everything they wanted to happen already mapped out. Nick and Molly had previously agreed they'd give the impression this was something they'd done before several times, rather than admitting it was their first adventure of this kind.

Claude looked from Molly to Nick with a serious expression. "I am just afraid I might not know what is expected, and may overstep myself in some way."

"Don't worry," Molly assured him. "We are three adults enjoying each other's company. Nothing is expected of you, but do not worry about overstepping anything. We're just going to have a drink and relax, and then we'll see where the evening takes us."

This seemed to appease Claude, and he smiled. "Thank you."

Another few minutes of silence followed, and Molly closed her eyes and rested her head back against the side of the tub. Nick felt Molly's knee

move slowly against his and Claude's legs. It was a very slight movement, but it made his stomach tingle.

"Actually," Nick said, breaking the silence. "I think I understand why Claude feels a little uneasy."

The other two looked at him. Molly raised her eyebrows.

Nick continued, "I suspect it's because we're feeling a little vulnerable, since we're both sitting here naked while you're wearing a costume."

Molly looked from one man to the other. "And do you think you'd feel less vulnerable if you had your costumes on?"

Nick smiled at her teasing. "Well, it's possible. However, I believe another solution would be if you didn't have yours on."

Molly pretended she'd only just understood what Nick had been getting at. "Ah, I see." She looked from Nick to Claude. "So what you're saying is you two would feel less uneasy if I were not wearing my costume."

Nick and Molly both looked at Claude and he seemed a little embarrassed. But then he shrugged his shoulders. "Perhaps," he said.

Molly laughed, and passed her glass to Nick. Then she held eye contact with Claude as she slowly lifted her hand to undo the bow of the string behind her neck. The bikini top fell forwards and the men could see that her nipples were hard. The water bubbled around her breasts and bobbed them gently up and down. Molly undid the clasp on the strap and dropped the bikini top over the side of the tub and onto the floor.

"Happy now?" she asked them.

Claude nodded, and Nick could see he was trying not to stare at her breasts as the water moved them gently at the surface.

"A bit better," Nick agreed. "But you're still wearing something."

Molly feigned a sigh and lifted herself up off the seat just enough to push her shorts down. Then she leaned forwards and pushed her shorts down her legs and over her feet. Sitting upright again, she dropped the shorts next to her bikini top on the floor.

Nick nodded happily. "Much better." He leaned back against the back of the tub and sipped his champagne.

The three of them fell silent, but soon Molly resumed rubbing her legs against the men. Nick saw she was resting her head against the side with her eyes closed, and Claude was watching her. Nick pretended to close his own eyes, but he kept them open just enough so he could watch Claude's reaction to what he knew Molly had planned next. *After a while there could be some touching, under the water.*

Nick felt Molly's hand on his thigh. She slowly ran her fingers up a few inches, and then back down again. She was also rubbing her knee slowly against his leg, and Nick saw she was doing the same to Claude.

Molly's leg felt soft and smooth in the water, her hand making its way back up Nick's thigh. Through half-open eyes he watched Molly and Claude touching each other under the water. Claude's hand appeared briefly at the surface and stroked her breasts before disappearing again beneath the water. Nick placed his own hand on Molly's leg and stroked the soft skin of her inner thigh. Molly hand slid further up Nick's leg. His erection was rock hard as Molly wrapped her fingers tightly around it. Nick suspected Molly's other hand was already gripping Claude's dick, and this thought gave him almost as much pleasure as her hand did when it started to move up and down his shaft in a slow twisting motion.

Molly parted her legs and Nick watched as Claude's hand slid down her stomach. He saw Molly catch her breath as Claude's hand reached her crotch. Nick squeezed Molly's leg, and her hand tightened its grip on his dick.

Molly kept her eyes closed and her head back as the two men caressed her. Her lips were parted and she was breathing quite heavily, letting out occasional moans like a cat purring. After another few minutes of this touching, Molly opened her eyes and looked from one man to the other. Then she stood and turned to face Nick. She slowly lowered herself down onto Claude's lap. Raising herself up slightly, she slipped her hand under the water to hold Claude's dick in position, and without breaking eye contact with Nick she lowered herself down onto it. Nick saw her lips open slightly, but other than that her face showed little emotion.

For several seconds nobody moved, and then Nick saw Claude's hands slide around Molly's waist and move up to cup her breasts. Finally Molly started to move slowly up and down. She kept her eyes fixed on Nick's the whole time she fucked Claude, who kept his eyes closed and bit his lip as she rode him.

It was less than a minute later when Molly stood up and turned around. Nick inched himself forward to the edge of the seat and held his erection in position as she impaled herself on him. The feeling of her wet body sliding against him heightened Nick's pleasure, and he could see that Claude was watching Molly's face. Although Nick couldn't see his wife's face, he assumed she was holding eye contact with Claude the same way that she'd done with him.

Molly was only on Nick for a short time before she returned to Claude. This time she straddled him face to face, putting a knee either side of him on the bench. Nick watched her body slide up and down on Claude in the bubbling water. Claude's hands caressed her back and bottom. Again she only rode Claude for about a minute before she straddled her husband. Nick noticed her breathing was heavy and knew she was close to coming.

Molly climbed off Nick after a very short time. She repositioned herself on Claude and after riding him for a short time she climaxed. Her cries drowned out the sound of the bubbling water. Nick watched as his wife satiated herself on the other man, grinding herself against him again and again until her moans subsided to little whimpers, and her body slowed its movements.

Chapter Four

After a brief silence, Molly raised herself up and sat down on the bench-seat. Her eyes were closed, and her hair was plastered to her face. Nick wondered if Claude had also come, as he too looked more than a little breathless. Molly opened her eyes and looked from one man to the other with a satisfied smile on her face.

“Hmmm. Thank you,” she said as she picked up her glass from the side of the tub.

Molly sipped her drink while the men sat in silence, neither of them bothering to pick up his own glass. She then downed what was left of her drink and climbed out of the tub. She left her bathing costume and dressing gown on the floor and walked naked towards the bathroom. At the doorway she stopped and looked back over her shoulder. “Why don’t you two go and wait for me on the bed. I’ll just be a minute.”

After Molly had closed the bathroom door behind her, Claude looked at Nick with a shy expression, as if waiting for Nick’s permission to go to the bed as instructed. Nick smiled reassuringly, and stood up. As Claude followed suit, Nick saw that Claude’s dick was sticking out straight in front of him, and Nick knew Molly had been able to control it and not let either of the men come in the tub.

Since both men had just stripped and climbed straight into the tub, neither had a towel to use. So they walked over to the bed still dripping with water and lay on top of the bedspread. When Molly emerged from the bathroom her body was dry, and she had obviously towelled her hair because it was all tousled and no longer clinging to her face. In her hand she carried two condoms. She walked around to the foot of the bed and

climbed in between the men. She knelt down, facing them by their legs, and looked from one man to the other. She bent forward and slowly traced her tongue up the length of Claude's dick. Claude let out a quiet sigh, and Nick watched Molly's face as she took Claude's dick deep into her mouth. Claude moaned something in French and Molly kept her eyes on his face as she slid her mouth up and down his cock. Then Molly turned her eyes to Nick, but she kept her mouth on Claude. Nick watched in turmoil as Molly kissed, licked and sucked at Claude's erection for several minutes. This was a definite deviation from Molly's initial plan.

I'd lick and suck him until he was rock hard, and then I'd roll the condom down to the base of his dick.

Claude's dick had been rock hard from the minute Molly took him into her mouth, yet she continued pleasuring him. From the mumbles and groans that were emanating from Claude, he was more than happy with the way things were going. And yet, somehow, Nick felt Molly was doing this more for his benefit. She had a teasing look on her face as she let her tongue swirl around the tip of Claude's dick before pushing it as far into her mouth as she could, all the time keeping eye contact with Nick.

As he watched Molly's performance, Nick's brain kicked into overdrive, filling his head with all sorts of images. Part of him wanted to pull Molly's head over to his side of the bed so he could ram his own cock into her mouth. Another part of him wanted to mount Molly from behind and fuck her as hard as he could while she sucked Claude. But to Nick's surprise, the idea that turned him on the most was for Claude to ejaculate all over Molly's face while Nick watched.

Molly finally knelt up and opened the foil wrapper, then rolled the condom down over Claude's dick. A clear puddle of pre-cum had dribbled out of Nick's dick and soaked the hairs below his belly button. Molly wrapped her fingers around the shaft and rubbed her thumb round and round on the wet tip. She looked at him in a way that showed she knew he'd been turned on watching her going down on someone else. When she lowered her head and took Nick's cock deep into her mouth his entire body shuddered. He was afraid he'd come there and then, but Molly only sucked him for a short time before she fitted him with the other condom.

“Well,” she smiled, holding a hard cock in each hand. “It looks like we’re all ready to continue with our evening.”

And with that she lay on the bed between them. Both men re-positioned themselves onto their sides, each facing her. Molly looked from one to the other, and then settled her gaze on Claude. “Would you like to go inside me now?”

“Oh, I would very much like. Yes,” he said breathlessly. “But perhaps it would be better if Nick were to please you first. After what you have just done to me, I am still somewhere up in the clouds and I worry I may not be able to last as I should...”

The Frenchman looked pleadingly from Molly to Nick, and then back at Molly.

“Ah, I see.” She smiled as she slowly ran a finger down his chest. “Well, I suppose I can wait for you.” Then she turned to look at Nick. “And maybe while I’m waiting, you could keep me occupied...”

Nick couldn’t admit that what Molly had done to Claude had gotten him just as worked up, so he smiled and climbed onto his wife. He entered her easily—he was rock hard and she was completely soaking. She let out a quiet moan as he slid all the way in, and their bodies soon took on the regular rhythm of their own lovemaking, although Nick was very conscious that Claude was watching it all. They moved slowly together, gently sliding against each other. Nick felt Molly rise to meet each thrust, her hands stroking his back. He tried to make it last, but all too quickly he felt the familiar tingling deep inside him. Molly knew what was happening and contracted her muscles, milking him. When Nick came he shuddered with each spurt, the feeling so intense it was almost painful by the time he was completely spent.

Nick’s body was still shaking as he rolled off Molly, and he watched with mixed emotions as Claude took his place. In the hot-tub earlier, Nick had been watching Molly’s face while she was with Claude, but now he was able to see her complete body. He watched her thighs fall apart for the other man, saw her hips lift off the bed as his cock slid all the way into her. He heard her groan as he saw Claude pull back and then push into her again with force. Claude repeated his thrusts and Molly’s groans got louder. Then

Nick saw Molly's hands pulling Claude further into her as her back arched and her groans became screams.

Nick lay on one side of the bed, his dick flaccid inside the flooded condom while next to him his wife bucked and writhed in ecstasy as another man fucked her. After Molly's orgasm, Claude slowed down the intensity of his thrusts. He moved slowly, his eyes closed. Nick realised Claude was getting close to his own release. Molly was obviously aware of it, too. She started to gently stroke his neck and chest. After all the urgency and roughness of the previous few minutes, they were suddenly very tender. Molly leaned up off the bed and started to kiss Claude's face, whispering in his ear.

"Come now," Nick heard her say breathlessly. "I want you to come *now*."

It soon became obvious that Claude was indeed coming. He was groaning and mumbling something Nick couldn't understand, and Molly was holding onto his head and kissing his face. This very intimate moment between Molly and Claude gave Nick a pang of jealousy, but he couldn't understand why. Molly had fucked and sucked Claude and reached two orgasms with his cock buried inside her, and Nick had been more than happy to watch. Although Claude was at that very moment coming inside Molly, the aspect that upset Nick most was the fact that she was kissing him on the side of his face while he did it. Nick told himself to stop acting like an idiot.

Chapter Five

The room was now quiet, and Nick watched the other two. Claude was still lying on top of Molly, but they were completely still. Both had their eyes closed and Molly had an arm around his waist, one leg draped over the backs of his. They stayed like this for several minutes, and Nick hoped they wouldn't fall asleep. He knew Molly didn't want Claude to stay all night. *He can leave after the sex.*

Molly opened her eyes and looked straight at Nick. He raised his eyebrows as if to ask if she was okay, and she smiled. Then she touched Claude's chest and the Frenchman opened his eyes. Nick saw a look pass between them.

As Claude climbed off, he slid his hand down to keep the condom in place. Molly looked down at it and frowned. "I'm sorry about using one of those. I hope it didn't spoil your enjoyment too much," she said.

Claude smiled broadly and shook his head "No. My enjoyment was not spoiled at all. In fact, it may have helped me to have a little more staying power." Then he lowered his voice, as if he were telling a great secret. "To be honest, it made it feel more erotic for me. I have not used one of these for many, many years. I have two daughters, the youngest being almost fourteen. I had a vasectomy shortly after she was born and so contraception was no longer a necessity."

He then looked from Molly to Nick and shrugged. "And I have to admit my wife and I are not having any adventurous evenings like this one."

Molly glanced at Nick in such a way that he wondered if she was going to come clean and tell Claude this was in fact their only adventurous evening, too.

"Well there's nothing wrong with monogamy," Molly said as she stroked Claude's chest. "But we find this sort of thing keeps things fresh for us two."

Nick smiled to himself. Molly was obviously enjoying her role as the open-minded lady of pleasure.

They lay in silence on the bed for about ten minutes, then Nick excused himself and went to the bathroom. When he came back out a couple of minutes later he saw Claude and Molly were back in the hot tub.

Molly was replenishing their glasses with what remained of the champagne, and she smiled at Nick. "We decided it was too early for sleep, and a shame to waste the champagne."

Nick smiled, nodded, and made his way over to join them. He was more than happy to carry on with the evening. They chatted and laughed as they enjoyed each other's company for a while, and when Molly's glass was empty she looked from one man to the other, her eyes finally settling on Claude.

"Stand up," she whispered.

Claude stood in the centre of the tub. The depth of the water meant the surface was just about level with his thick black pubic hair. Molly slid off the seat and squatted down in the water. She slid her hand between Claude's legs and held his dick vertical, the tip now visible above the bubbling water. She lowered her head and slowly ran her tongue around the head. It wasn't long before Claude had a full erection that stood well above the water unaided.

Molly moved forward and pressed her breasts around Claude's cock and slowly moved up and down, sliding her wet boobs on him. Nick watched, mesmerised, as Claude's cock slid in and out of view in Molly's cleavage. He felt his own erection grow. Molly kept eye contact with Claude as she pleased him, and Claude stroked her head. Nick was nothing more than a spectator.

Molly stood up and leaned back, gripping the rim of the tub with both hands. She placed a foot on the bench-seat on either side of Claude and raised herself so her crotch was above the water's surface.

"Fuck me," she instructed.

Claude didn't hesitate and entered her immediately. Nick knew Molly wasn't bothered about the lack of a condom. Claude was sterile, and had obviously only had one partner in about twenty years.

Molly let out a low moan. Nick's face was about eighteen inches away from their genitals, and he felt like he was watching his own personal porn movie. It was a surreal feeling.

"Fuck me harder."

Nick looked up at Molly's face. She was staring at Claude, her wet hair plastered to her face. She was breathing heavily, lips drawn back over gritted teeth. She was pushing herself forwards to meet each thrust.

"Harder," she growled. Claude slammed into her with even more force. Molly's boobs shook violently from the impact of Claude's onslaught, water splashing over the edge of the tub.

Nick didn't notice Molly giving Claude any signal, but they both stopped at the same time, and Molly stood up in the tub and faced Nick.

"Now you," she said as she placed her feet on the seat either side of him. He stood and took up the same position Claude had. Gripping her waist, he entered and fucked her with the same ferocity she had demanded from Claude. But after a couple of minutes Nick decided to take the initiative. He stopped his thrusts and withdrew from Molly, who looked at him questioningly, probably wondering if he was close to reaching his climax. Nick told Claude to sit on the edge of the tub. Then he turned Molly around to face Claude. Nick lifted one of Molly's legs and had her put a foot on the bench. Placing a hand on her stomach, Nick bent Molly forwards and directed her head towards Claude's crotch.

Molly obviously realised his intention and immediately took Claude's cock into her mouth. Nick re-entered her from behind. He gripped her hips and fucked her as hard as he could. Molly was grunting with each thrust, but she never let Claude's cock leave her mouth. Nick banged away until his legs shook from exertion. Finally he knew he was on the brink of coming. Nick didn't know what stage Claude was at, and he wondered if the Frenchman would come in Molly's mouth. But then Nick was coming, and everything else faded from his mind. Over and over the spasms washed through him, leaving him completely drained.

Nick withdrew, sat down and watched as Molly sucked Claude. But then she raised her head and turned to face Nick. Bending towards him, she gripped the tub rim on either side of his head, their faces almost touching.

She wiggled her raised hips, which was obviously enough of an invitation to Claude, who entered her from behind. With their foreheads now touching, Nick and Molly stared into each other's eyes as Claude fucked her from behind for several minutes until he climaxed, grunting with each individual thrust as he ejaculated inside her.

* * * *

Claude eventually slipped out of Molly and all three sat in the tub in silence for several minutes. Although there was no awkwardness, it was obvious to everyone the evening's activities were now over.

Claude broke the silence. "I cannot begin to tell you what an evening this has been for me." He smiled briefly, looking a little embarrassed. "I shall have this memory for a very long time. Thank you."

Molly smiled at him. "I think it was a very pleasant evening for all of us," she said as she glanced at Nick. "Will you tell your wife what went on?"

Claude shook his head slowly. "I do not think it would be something she would be happy about, so no, I will not be sharing it with her. In fact, I will not be able to share it with anyone, just in case it ever got back to her." He smiled at both of them and tapped the side of his head. "But I will keep it here for a very long time, I'm sure."

Molly leaned forward and kissed him on the cheek. "So will we."

The three of them climbed out of the tub. Nick got towels from the bathroom and they all dried themselves. Molly and Nick put on robes, and Claude dressed in his clothes.

Claude moved towards the door and turned to face them. "We are due to leave here early tomorrow morning, so I do not think I will be seeing you again." He shook Nick's hand and then took Molly's hand to his lips and kissed it. "To say it has been a pleasure does not do it justice." And with that, he left the chalet.

* * * *

Molly and Nick stood and looked at each other for a few seconds, and then both smiled broadly.

“Fucking Hell,” Nick said.

“What?” Molly asked, with mock innocence on her face.

“You know exactly what. I’ve never seen you like that before. I thought my dick would fall off, you were so rough.”

Molly laughed out loud and walked over to the fridge. She took out a bottle of Cognac and held it up, lifting her eyebrows at Nick. He nodded, removed his robe and climbed into bed. Molly joined him with two glasses of amber liquid.

They both took a drink. Nick looked at her and waited.

Molly pulled the covers over her legs. “I had a really nice time in the tub earlier. I was so turned on because of everything, and when I came the first time it was wonderful. And then on the bed it was really good, too.”

“Good? I almost came just from watching you giving him a blow job.”

Molly smiled and took another sip of her drink. “Hmm, I guessed. But then when you both had me and it was over, I wanted more. I thought if this is to be the one and only night of unbridled sex, which we’d built up to for all that time, it should be special.”

“It was very special,” Nick said.

“I know, but I wanted more... I don’t know—*passion*. We’d had tender sex, and that was lovely. But I wanted monkey sex.”

Nick furrowed his brows. “Monkey sex?”

“You know, ooh ooh—ah ah.”

Nick laughed. “Well, you certainly got that.”

“I know,” Molly said, frowning. “I’m really sore now.”

“Well, it serves you right,” Nick put on a high-pitched voice as he imitated Molly. “*Fuck me harder, fuck me harder.*”

Molly shook her head, laughing. “Are you complaining?”

“No, definitely not.” Nick looked serious for a moment, and then asked, “Do you think it was our one and only night of unbridled sex?”

Molly looked into his eyes for a few seconds before answering. “Do you mean would I want to repeat the experience of having great sex with two men at the same time?”

Nick nodded and felt a lump in his throat.

Molly took a sip of brandy and held eye contact with him over her glass for a long time. Then she swallowed the drink and whispered, “Yes, I think I would like that.”

1999 (Tonight I'm Going to Party)

Chapter One

Mindy applied the finishing touches of lip-gloss, then regarded her face in the bathroom mirror. Her makeup was good but couldn't mask the lines starting to show around her clear blue eyes. Her naturally blonde hair was cut into a bob, the fresh highlights helping to hide the traces of grey.

She stepped back into the hotel bedroom and checked her outfit in the full-length mirror. Turning sideways, she admired the cut of her black, sequined ball-gown, and the style of her matching stilettos, wishing she'd had a couple of sessions on a sunbed to give her bare shoulders some colour. She turned a little more, looking over her shoulder at the swell of her backside and wiggling her hips. *Not bad for forty-five*. She quickly tidied the room in case she didn't return alone, then grabbed her clutch handbag and headed for the lifts.

Walking into the sumptuous hotel ballroom, she accepted a glass of champagne from a waitress. Though surrounded by total strangers, Mindy was determined to enjoy her evening. She found herself standing near a couple in their early sixties, the husband looking very smart in full highland dress with blue and green tartan and black jacket.

The wife flashed her a friendly smile. "I love your dress," she said with a soft Scottish burr.

"Thank you, it's nice of you to say so. And you both look fabulous." Mindy turned to the husband, whose shock of grey hair was a sharp contrast to his bushy jet-black eyebrows. "I love to see a man in a kilt."

"Well, there'll be lots of those here tonight."

Lucky me.

"Do you live here now, or are you up for Hogmanay?" the wife asked.

"Just for the celebrations. I live in London."

"London?" Her answer had evidently surprised the husband; his eyebrows arched like a pair of Fox Moth caterpillars.

“That’s where I’ve lived for the last fifteen years, but I’m originally from Liverpool.”

“Och, I can tell that,” he said with a smile. “So, why not stay home and enjoy the celebrations in your Trafalgar Square?”

Not wishing to burden them with her woes, Mindy gave a more jovial answer. “As a kid, I spent every New Year’s Eve watching the celebrations from Scotland on telly—Moirra Anderson, Andy Stewart and Kenneth McKellar.”

The couple smiled and nodded.

“The fireworks exploding over the castle seemed magical. Since this New Year’s a special one, I decided to come and see them for real.”

He nodded his agreement. “I can think of no finer place to see in the new millennium.” He held out his hand. “I’m Hugh, and this is my wife Marie.”

“Mindy.” She shook their hands.

“Are you here on your own?” Marie asked.

“Yes.” She kept her smile in place. “I’ve no partner, so decided to make an adventure of it. New millennium, new Mindy.”

As the ballroom filled, Mindy noticed that most men were dressed the same as Hugh, though with different coloured tartans. She couldn’t believe how sexy they looked and remembered being told once that underwear was never worn under a kilt.

An announcer asked guests to make their way to their tables. Mindy smiled at Hugh and Marie, then made her way to the set of easels displaying the seating plan. The room was set out in large, circular tables of eight, and hers listed two McAllisters and two Jensens, suggesting that half the dinner companions were married couples. That wasn’t a deal-breaker; she was looking forward to mingling on the dancefloor after the meal and hoped to find herself a suitable man to take back to her room to round off the evening. It’d been years since she’d given herself to a stranger just for the thrill of casual sex.

Mindy eased through the crowd and saw all but one of the seats at her table already occupied. She smiled at the others as she slid onto the vacant chair. “Hi, I’m Mindy.”

She was greeted by smiling faces and warm welcomes. Each of the others introduced themselves, and Mindy realised how lucky she'd been to end up on this table. Her companions for the next few hours were made up of three groups: two men and a woman who worked together; the Jensens, who were indeed a married couple; and the McAllisters, who turned out to be two hunky brothers. Not only were they tall, dark and handsome—they were both in highland dress. The seating placed Mindy between one of the guys from the work-threesome and one of the brothers, with the Jensens directly opposite.

The McAllisters, Scott and Fraser, were somewhere in their late twenties. Scott was immediately to her left, with Fraser next to him. Whenever Fraser tried to talk to her, Scott either interrupted or leaned forward to sip his wine, a wry smile on his face. The fact that they seemed to be competing for Mindy's attention did wonders for her self-esteem.

Fraser lost patience and slapped his brother on the shoulder. "For fuck's sake—will you sit still? You're back and forward like a fart in a bottle."

Scott shrugged. "I don't know what you mean." He turned to Mindy and winked.

"Right, fannybaws." Fraser pushed Scott's arm. "You swap places with Mindy, then you can sip your Chardonnay to your heart's content while she gets to converse with the interesting brother."

Scott leaned back in his chair. "Is that right?"

"Aye. I'd hate her to think all McAllisters are as dull as you."

Mindy giggled as the brothers squabbled; she could imagine them having argued like this for their entire lives. Scott let out an exasperated sigh and stood, inviting Mindy to swap seats.

Once Mindy and Scott had settled into their new positions, the waiting staff began to deliver the starters and everyone around the table made small talk. It transpired that the three colleagues worked for an insurance company in Stirling. The girl, Kirsty, was very pretty and a few years younger than the two guys.

Mr Jensen offered Mindy a friendly smile. "Have you been in Edinburgh long?" He had a clipped accent—maybe Scandinavian.

Mindy shook her head. “I’m just up for a couple of days. You’re obviously not from round here, either.”

“Copenhagen. But my wife Nina”—he tilted his head—“is from Edinburgh, and this is where we live. My job is here, also.”

It hadn’t been until he’d started talking to her that Mindy noticed how good-looking he was—square jaw, dark blond hair and sexy laughter lines around his cobalt-blue eyes. He was the only man at the table in standard black tie and looked fabulous. If they ever chose a blond James Bond, this guy would be perfect. His wife was equally stunning and had the full Audrey Hepburn-thing going for her—strapless black dress, dark hair pinned up, prominent cheekbones and beautiful big brown eyes. Her frequent smiles revealed perfectly even white teeth.

Nina placed a hand on her husband’s arm and gave a playful squeeze. “It took Mikkel a while to get used to our accents, but I can almost trust him to go to the shops by himself now.”

He leaned over the table a little as if sharing a secret. “Ask Nina how well she copes with speaking Danish when we go back to my home.”

Nina hung her head. “Fair point.”

Scott laughed at the couple’s teasing. “What is it you do for a living, Mikkel?”

“I’m a graphic designer.”

Scott smiled and nodded, then turned to Mindy and frowned. “I havenae a clue what that means.”

Everyone at the table laughed.

“It’s like doing art on computers,” Nina explained. “What about you guys?”

Fraser answered. “We work on the rigs.”

“Oil rigs?” For some reason, this excited Mindy.

“Aye.”

Kirsty turned to Mindy. “What about you, Mindy? What do you do?”

“I’m between jobs at the moment.” She had worked for her husband’s property-management company.

Fraser leaned close. “You mean you’re being supported by a rich husband.”

She forced a laugh. “I’m actually between husbands at the moment, too.”

“Ah.” Fraser frowned. “Sorry, I didn’t mean—”

“It’s fine.” She managed a proper smile. “I’m going to start looking for one when I get back home.”

“What, a job or a husband?” Nina’s comment brought laughs from everyone at the table.

“A job. I used to work in PR in the music industry, though I’m a bit out of touch with that now.”

“Ooh, that sounds exciting,” Nina said. “Did you meet any rock stars?”

“A few. Actually, I used to be in a punk band twenty years ago. We were on Top of the Pops once.”

Everyone at the table seemed suitably impressed, and Fraser wanted details. “What was your band called?”

“We were an all-girl band called Gash.”

“Ah, classy.”

Mindy laughed. “Well, ‘The Slits’ was already taken, so it was the best we could come up with.”

Scott put down his drink. “Would we know any of your songs?”

“I doubt it. We released three singles but only one of them made the Top 40. It was number thirty-seven for a week before it dropped out again. Do you remember a band called Frenzy?”

Mikkel nodded. “They did *Reckless Driver* and *Back of the Bus*, yes?”

“How the hell would you know those songs? You’d have been a kid living in another country when they were released.”

He laughed. “Punk rock was big in Denmark. I was fourteen in 1979, and very into English music.”

Mindy smiled. It’d been a long time since she’d had the chance to talk about those days. “We met Frenzy when we all toured together. Jag, the

guy who wrote all their songs, married our bass player, Debbi. He wrote *Back of the Bus* about Debbi giving someone a blowjob on... well. You can guess.”

The word ‘blowjob’ made both brothers sit forward slightly in their seats. Fraser pushed his leg against Mindy’s. “I bet you’ve got lots of stories.”

She laughed. “Oh, they’d make your hair curl.”

He leaned closer. “I already have some curly hairs.”

Mindy’s mind went back to the old adage about men in kilts never wearing underpants. “Maybe I could tell you stories that would straighten those out for you.”

The friendly banter continued as the staff cleared away the plates. While they were waiting for the main course, Mindy watched Kirsty with the two men from the insurance company, wondering which of the guys she had her eye on. Maybe it was both.

Now there’s an idea...

Mindy looked at the McAllisters. A shiver ran down her back at the thought of being shared by these two hunky brothers. She closed her eyes and visualised them standing either side of her, each wearing only a kilt as they slowly removed her ball-gown.

“Are you alright, hen?”

Mindy opened her eyes and blinked at Fraser, who looked concerned. “Yes, fine.”

There was a lull in conversation as the main course was served. Once everyone had a topped-up wine glass the banter resumed, and Mindy spent a pleasant hour or so relaxing with seven nice people. Their discussions ranged from tropical destinations and holiday disasters to the Y2K bug, which was apparently going to make every computer in the country crash in a few hours’ time.

Occasionally, one of the brothers’ legs inadvertently brushed Mindy’s, making it hard to concentrate on the conversation. There were untethered cocks hanging loose on either side of her. She imagined reaching beneath the table and placing a hand on each brother’s knee, then slowly sliding her fingers under the kilts...

Scott and Fraser littered the chats with innuendo and as Mindy drank more wine, she found herself laughing louder at each crude remark. Mikkell wanted to know more about her experiences during her time in the band, but Fraser somehow managed to steer every question towards the smuttier aspects of the punk era.

“My brothers were both old enough to get their ears and eyebrows pierced,” Mikkell said, “but my parents refused to allow me to do the same.”

Fraser leaned his shoulder against Mindy’s. “Did you have any body-piercings, Mindy?”

“Yeah, but I’m sure you wouldn’t be interested in hearing about nipple rings or the barbell through my clit hood.”

Fraser’s jaw dropped, Scott spat his drink out, and everyone else at the table laughed at their reactions.

After dessert had been finished, the waiters came round to take orders for after-dinner liqueurs. Mikkell and Nina both chose brandy. Kirsty had a Baileys, and Mindy was going to choose the same when Fraser ordered himself a Glayva.

“What’s that?” she asked.

“It’s a whisky liqueur with honey.”

“Ooh, I’ll try one of them, too.”

When the drinks arrived, Mindy clinked glasses with both brothers and took a sip. It was gorgeous and left a warm, glowing sensation in her throat and chest.

She coughed, then opened her eyes wide. “This is what it must be like when God comes in your mouth.”

Both men seemed shocked at her comment, and she was worried she’d gone too far. “Sorry, I think maybe I should stop drinking.”

Fraser laughed. “Oh no, you need to keep drinking. I like a woman with a dirty mouth.”

She leaned closer and pursed her lips. “Well, mine can be as filthy as you want it to be.”

Scott stood up. “Glad to hear it. I’m away to the bar to get us three more glasses of this stuff.” When he returned, each glass contained at least

a double measure, possibly a triple.

Mindy took the offered glass and frowned at it. "This looks big."

Scott smiled. "Aye, God was particularly turned on this time."

She laughed and thanked him.

Chapter Two

A few tables had been moved to clear space for dancing. As soon as the Ceilidh band began playing, Fraser grabbed Mindy's hand and led her to the dancefloor. She found herself standing next to Hugh in the line of dancers.

He leaned close and nodded at Fraser. "I see you managed to find yourself a man in a kilt."

She hoped she'd managed to find herself two of them, but just grinned.

Mindy hadn't a clue what the steps were. Everyone seemed to know which way to turn and when to move, but she got pulled and spun by each man in turn. She laughed so much there were tears in her eyes. After a couple of minutes' watching what everyone else was doing, she managed to at least not tread on anyone's toes or turn the wrong way. After several changes, she found herself back with Fraser. His hands gripped her tightly and she marvelled at his strength. He was broad and tall, and it was driving her mad knowing that, as they jumped and turned on the dancefloor, his naked cock was hanging just a few inches from where she wanted it to be.

As soon as the song ended, Scott stepped onto the floor and tapped Fraser on the shoulder. "Let me show her how it should be done."

Fraser rolled his eyes and shrugged at Mindy. "You're going to have to babysit my wee brother for a while, but I'll be back."

She blew him a kiss as the music started.

The song brought a different, new dance, but she soon worked out what to do. Scott was just as tall, broad and strong as his older brother, and Mindy revelled in the attention of the two hunks.

She danced for almost an hour, the brothers taking turns like a regular tag team. She hoped they'd share her like this all night long. Eventually they all wandered back to their table for a rest and more drink.

The Jensens were still dancing, but Kirsty and her two men were at the table.

Fraser checked his watch. “It’s still almost an hour until the bells—who wants another drink?”

Scott raised his glass and nodded; Mindy declined, worried she’d pass out before midnight. While Fraser was at the bar, the band left the stage, the lights dimmed, and a DJ started playing records. It was no surprise that his first offering was Prince’s *1999*.

Scott grabbed Mindy’s hand and she laughed as they headed back to the dancefloor, which was already crowded. As they began dancing, she noticed that he slid his sporran around to the side so that it hung over his hip.

He’d obviously noticed her confusion and leaned close to shout over the sound of the music. “You cannae dance fast with a sporran full of loose change banging your bollocks.”

Mindy chuckled.

Fraser turned up to replace Scott before the next song had started, and by the time the ten-minute gong warning sounded, her feet ached from her stilettos, her legs ached from the dancing, and her stomach ached from laughing so much at their antics. In spite of all the aching, the overriding feeling was the warm tingle in her crotch.

The DJ announced that champagne was being served on the terrace and the guests made their way through the large double doors at one end of the ballroom to a cobbled area outside. Edinburgh Castle was illuminated at the top of the hill, looking like something from a fairy tale. Mindy took a glass from one of the waitresses, hardly noticing the night’s chill. Scott and Fraser stood either side, and everyone shouted the countdown for the last ten seconds of the millennium.

At midnight, the sky above the castle exploded with colour as the firework display began. Yells of ‘Happy New Year’ filled the air and everyone kissed each other. Mindy felt strong hands slip round her waist and pull her close. She tilted her head to one side as Fraser moved in and kissed her.

“Happy New Year,” he whispered.

Before she could reply, Scott was pulling her towards him. She laughed and kissed him as well.

Suddenly her drink was taken from her and each brother grabbed a hand, crossing her arms in front of her body for *Auld Lang Syne*.

Mindy suddenly became emotional. The night seemed enchanted—the castle, the fireworks, the singing... The entire experience had far exceeded anything she'd dared to hope for. Everyone was so nice and friendly, and it brought home to her the things she'd have to do when she got back to London.

Fraser gripped her hand. "Are you okay?"

Mindy blinked and tried to smile, gently touching her eyes to avoid smearing mascara. "Yes, I'm fine. I just think it's all a bit...magical." She nodded towards the castle.

"That it is. I heard that God considered having Jesus born here in Edinburgh, but then he couldn't find three wise men or a virgin."

Mindy snorted, his humour the perfect antidote for her melancholy.

Fraser gripped her hand. "Come on. Let's get back inside before the cold freezes my nut-sack to my thigh."

In the ballroom the DJ was playing Motown songs from the sixties, and the dancefloor was crowded with old and young alike. Mindy saw Kirsty dancing with one of her colleagues, and the other one dancing with a redhead in a green dress. Evidently, people were beginning to pair off.

Scott and Fraser both headed to the bar and while Mindy was alone at the table, Kirsty came back to have a drink. She looked very pleased with herself.

Mindy smiled. "Enjoying your evening?"

Kirsty nodded. "Oh yes."

"Are you staying here tonight?"

"I wish. No, we've got a taxi booked to take us back to Stirling at two." She looked over towards her colleague with the redhead. "Although Iain seems to be trying his hardest to find an alternative arrangement."

"What about you?" Mindy raised her eyebrows.

Kirsty frowned. “Unfortunately I still live with my parents, and Nick’s crashing on his sister’s sofa.” She gave a frustrated shrug of her shoulders, took one last gulp of her drink and headed back to the dancefloor.

The brothers arrived back at the table with more drinks. The three of them sat and chatted for a few minutes and Mindy got the impression that Scott was preoccupied. But then she noticed Fraser was looking across the room in the same direction as Scott.

She turned to see what they were looking at, and glimpsed legs. Long, shapely legs.

Two women danced together on the edge of the dancefloor, each wearing a very short tartan skirt, like a mini-kilt. Both girls had long blonde hair, bare tanned legs and high-heels. A couple of inches of perfectly-toned stomach showed between their skirts and lacy, tight-fitting blouses. They both looked fabulous.

In the time it had taken for one of the girls to shake her shimmering hair and look over towards the brothers, everything changed.

Mindy’s bubble burst. She took a sip of her drink, then looked at Scott and Fraser. “I think you two have just received a better offer.”

Fraser bit his lip, looked over at the two women then back at Mindy, his expression apologetic.

She laughed and pushed him playfully on the arm. “They’re young, beautiful, and obviously more than a little interested, so go for it.”

The brothers slowly stood up, and both bent to kiss her cheek before they sauntered toward the young women.

Mindy watched their broad shoulders as they walked away. She took a sip of her drink and blinked away the tears trying to form, grateful there was nobody else at their table. Then she headed to the restroom to make sure her mascara hadn’t run.

She jumped a little as the door opened. Nina walked in and stood next to her, meeting her gaze in the mirror.

Nina offered a friendly smile. “Looks like you’ve lost your admirers.”

“Story of my fucking year.”

Nina's eyes widened and Mindy instantly regretted her outburst. Nina was so beautiful she'd probably never had to endure the indignity of being overlooked by a man.

She closed her eyes and let out a long sigh. "I'm sorry, Nina, I didn't mean to snap. I'm just—"

"It's okay."

Mindy turned to face her. "Three weeks ago, my husband of twelve years left me for a younger woman."

"Oh Mindy, I'm sorry. Why don't I buy you a drink?"

Mindy laughed, sarcastically. "Yeah, like I haven't drunk enough already."

"In that case, I'll take you dancing."

Nina gripped Mindy's hand and led her back to the dancefloor. After only a few seconds, Mindy winced. She bent and took off her shoes. Nina did the same, quickly returning both pairs to their table. She was back in a matter of seconds, and the women laughed as they danced to *Walk Like an Egyptian* and *Girls Just Want to Have Fun*, and Mindy squealed when the opening chords of *Teenage Kicks* started up. She hadn't danced like this in years, and it was exactly what she needed.

The McAllisters were dancing with their young ladies, and Mindy smiled every time she happened to catch them looking in her direction.

The music changed to slower numbers and, to Mindy's surprise, Nina pulled her close and writhed suggestively against her body. The softness of the other woman felt nice, and Mindy closed her eyes and swayed with the music. Nina's caresses were subtle—a finger running over a hip, an arm pressing against a breast—and Mindy felt guilty for enjoying the closeness, certain Nina was unaware of the effect she was having on her.

The song changed to Phyllis Nelson's *Move Closer* and every couple on the dancefloor seemed to melt together. Mindy was just about to suggest Nina danced with Mikkel when the other woman pulled her close and put her lips to her ear.

"My husband thinks you're incredibly sexy."

Mindy faltered, unsure of how to respond.

“I agree with him.”

Mindy’s jaw dropped. She wasn’t used to being lost for words.

Nina pushed her body against Mindy’s. “I think you should come home with us for the night. Maybe it’s not what you were hoping for, but I promise it’ll be fun.”

“I’m not... I mean, I’ve never...”

Nina’s fingers dug into her hips. “Well, maybe now’s a good time to start.”

The women moved slowly against each other, their faces cheek to cheek.

“Take a chance.” Nina’s voice was a husky whisper. “I know you’ll enjoy it.”

Mindy felt Nina’s soft lips touch her ear. A shiver ran down her spine.

“Please say yes.”

Without really thinking about what she was agreeing to, Mindy slowly nodded her head.

Nina pulled back, her beautiful brown eyes sparkling. She took Mindy’s hand, linking their fingers, and led her back to their table, where Mikkel sat alone. Nina squeezed Mindy’s hand as she told her husband Mindy would be joining them for the night.

He smiled, then looked at Mindy’s ball-gown. “Do you have a shawl or a coat?”

“No, I’m staying here so I came down like this.” A thought occurred. “If you want, we can all go up to my—”

Nina shook her head. “I want you at our place. It’ll be better there.” She passed Mindy her shoes and quickly put her own on.

The three of them started walking toward the exit when Mindy suddenly stopped. “Wait, I just need to do something.”

She saw the Jensens exchange glances as she opened her clutch and walked toward the dancefloor. She spotted the couple she was looking for in the middle of the crowd.

Mindy approached and leaned close enough to talk into Kirsty's ear. "Phone and cancel your taxi." She pressed the cardkey to her hotel room into the girl's hand. "Room 314. Leave the card at the reception desk when you leave tomorrow. I won't come back until lunchtime, so you'll have all morning to catch up on your sleep."

Kirsty looked at the cardkey, then at Mindy. "Are you sure?"

She stroked the girl's arm. "Happy New Year."

Kirsty threw her arms around her. "Thank you so much."

"You're welcome. Have fun."

"You too."

Mindy headed back to Nina and Mikkel.

Chapter Three

When they reached the lobby, Nina went to collect her coat. Mikkel removed his jacket and slipped it round Mindy's bare shoulders.

Once outside, she was grateful for the jacket. The sky was clear and the air cold. Mikkel walked in the centre with a woman on each arm.

After a few minutes they came to a row of beautiful sandstone tenements, four storeys high with huge windows. It was probably the most impressive road Mindy had ever seen. They stopped at a door a third of the way down and Nina took the keys from her bag.

"You live here?" Mindy was incredulous. She knew enough about property to appreciate how much this place must have cost.

Mikkel looked up at his house and nodded. "Only the first two floors."

Nina opened the door and they walked into a big, tastefully-decorated hallway with wide stairs lining the outer walls.

When they entered the apartment, Mindy's eyes widened. The living room was enormous—the ceiling at least twelve feet high, the floor polished oak boards. There was a marble fireplace in the centre of one wall with three large leather couches arranged into a square around the fire, a dark patterned rug between them.

Nina had removed her coat and was standing by the fire. She clicked a button on the side and flames flickered through the logs. It looked like a real fire, but was obviously gas.

Mindy looked at Mikkel. "What is it you do for a living, again?"

He laughed, then nodded toward his wife. "Nina is the one who allows us to live here."

Nina stood with her back to the fire. "My dad was a barrister and made some very astute investments over the years." She shrugged. "People tell me I'm lucky to have inherited his fortune, but I'd rather I still had my dad around."

“What about your mum?”

“She died when I was thirteen.” Nina tipped her head to one side and smiled. “But I don’t think now’s the time to discuss my late parents.”

Mikkel slipped his jacket from Mindy’s shoulders. “Can I get you a drink?”

“No thanks. I think I’ve drunk more than enough already.”

Nina held out her hand and Mindy crossed the room to join her. The women held hands and looked at each other in silence for a few seconds, then Nina leaned close and kissed her gently on the mouth.

Mindy noticed the softness of her lips, the taste of her lipstick.

Nina ran a finger from Mindy’s neck down and along her exposed collarbone, then downward to the sequined material of Mindy’s dress. She began tracing circles on her breast.

Mindy’s nipples tightened. She was aching for that finger to stroke over the sensitive bead. “I’ve never been with a woman before.”

Nina kept circling at the same speed. “If you think it may be a problem, I’ll be happy to let you just enjoy my husband.”

Mindy glanced at Mikkel, then back at Nina. She swallowed the lump in her throat. “No, that’s not what I meant. I was just letting you know I may not be all you want me to be. I may not—”

“Stop worrying.” The brunette flashed a beautiful smile. “We’re going to have a lovely time, and I don’t want you to do anything you’re not completely comfortable with.”

“It’s not that I’m uncomfortable, I’m just a bit”—Mindy shrugged—“out of practice. I’m also very conscious of the fact that you’re both young and beautiful, and I’m middle-aged.”

Nina laughed and shook her head. “I don’t know when middle-age officially begins, but believe me—we both consider you beautiful.” She turned to her husband. “Mikki, come here and help me take her dress off. I want to see the body we’ve spent our evening fantasising about.”

Mindy held her breath as Mikkel came across and stood immediately behind her. She felt his warm breath on her bare shoulders, then his fingers on the clasp of her dress. The gown had built-in bra cups,

and she knew that as soon as the zip was pulled down, the front of the dress would fall and expose her breasts.

The two women held eye contact as Mikkel slowly lowered the zip.

As it fell, Nina looked down at Mindy's breasts and her mouth opened into a perfect O. Mindy had always been happy with her boobs, as had the men she'd known. Her nipples were dark pink, the areolae not overly large. Tonight, the nipples were standing out much further than they had for a long time.

"Hmm, no nipple rings."

Mindy chuckled and shook her head. "I lied about the barbell, too."

Nina ran her fingers over a sensitive nipple. At the same time, Mikkel leaned close and softly kissed the side of Mindy's neck.

Mindy sighed and closed her eyes, her body trembling as Mikkel's kisses covered the exposed skin from her neck to her shoulder.

Nina bent and pushed Mindy's dress down past her hips. As it fell to the floor, Mindy stepped out of it and Nina placed it carefully over one of the couches. She turned and stared at Mindy, who now wore only a black lace thong and black stilettos.

"You have a fabulous body." Nina stepped close and cupped both of Mindy's breasts. "These are amazing."

"That's one advantage of having no children—my tits don't hang down to my knees."

Nina weighed and caressed them, rubbing her thumbs over the already sensitised nipples. "I'd kill for breasts like yours."

Mindy shivered. "I think you two are a little over-dressed."

Nina's dress was strapless and slightly elasticated to hug her figure. She tugged at the sides, shimmied her hips and pushed the dress down to her feet. She wasn't wearing panties and laughed at Mindy's shocked expression. "I know, I'm such a slut."

Mindy eyed the other woman's body. Although petite with small breasts, the swell of her hips from her narrow waist gave her a femininity that was intoxicating.

Mikkel removed his shirt and Mindy admired his physique. His chest was wide with a smattering of fair hair, his arms and shoulders well-toned and his stomach flat.

Nina stepped out of her shoes, making the height difference between the women even more pronounced. Mindy was reluctant to take her shoes off yet because the high-heels made her legs look better.

Moving close behind, Mikkel wrapped his arms around Mindy's waist and slid his hands up to cup her breasts. She moaned and leaned her head back onto his shoulder.

"And now," said Nina, who was completely naked, "I think it's you who's over-dressed." She dropped to her knees and hooked her fingers into the waistband of Mindy's thong.

As the garment was pulled slowly down Mindy's thighs, Mikkel pinched her nipples, making her groan. She felt Nina's small soft hands stroking up the outsides of her legs and over her hips and a shiver ran up her back. When she felt Nina's warm breath against her mons, Mindy let out another groan. The idea of sleeping with another woman had never occurred before, but this wasn't an act of desperation. Mindy couldn't remember being this aroused. It was an ideal way to welcome the new millennium.

Nina stood and took Mindy's hand, guiding her to one of the couches. Sitting to one side, she pulled Mindy down next to her. Mindy kicked her shoes off. Mikkel was still undressing. As he bent to pull off his socks, Mindy couldn't help admiring the way the muscles and tendons flexed in his shoulders and at the side of his abs. When he dropped his trousers, the outline of his erection through the stretchy material of his boxers made Mindy tingle inside. He stepped out of his trousers and Nina motioned him closer until he stood directly in front of them.

Nina traced her finger along the bulge in his boxers and looked at Mindy. "I think it's time we had a look at this, don't you?"

Mindy's mouth was dry. Her husband hadn't touched her in bed for many months before he'd finally left. She nodded and instinctively licked her lips.

Nina peeled down the boxers and Mikkel's cock sprang out, standing proud and curving slightly to the left. Sticking her tongue out, she licked the small bead of clear pre-cum from the tip. Mindy leaned close and pulled Nina in for a kiss. The brunette pushed her tongue into Mindy's mouth, sharing the taste of her husband.

Mindy broke the kiss and looked up at Mikkel, then shuffled forward and took his cock into her mouth. She heard his sharp intake of breath as she ran her tongue along the underside of his shaft while the tip pressed against the back of her throat. She bobbed her head a few times then released him and kissed Nina again, this time using her own tongue to share the taste of Mikkel's cock.

The women spent a few minutes taking turns in sucking Mikkel and kissing. Nina stood, pulling Mindy with her. Mindy assumed they would adjourn to the bedroom, but Nina instructed Mikkel to lie on the couch. When he was laid full length, she guided Mindy down to lie face up on top of him, her back resting against his stomach and chest.

Nina knelt on the couch between Mindy's spread legs and slowly dragged her fingertips up and down the front of her thighs, holding eye contact as she did it. Mikkel stroked her stomach and breasts, never touching her nipples.

Mindy was nervous in the way she used to be before a gig. This was the first time she'd ever had stage fright before sex.

Nina lowered her head and gently kissed the soft flesh at the top of Mindy's inner thigh, then kissed the same spot on her other leg. Nina's tongue ran slowly along her vulva, time after time starting low and moving upwards, but never reaching her clit.

Mindy whimpered as Nina pushed her tongue a little further between the swollen outer lips. She felt Nina's hand move beneath her, followed by the head of Mikkel's cock swiping slowly along the same path that Nina's tongue had travelled. Mindy pushed down against it, desperate to be entered.

Nina tapped Mindy's stomach. "Do you want me to fit Mikki with a condom?"

“No.” She licked her lips and tried to stop her voice from shaking. “Just get him inside me.”

Once positioned, Mikkel pushed up from beneath, driving himself deep inside. Mindy let out a grateful sob and clenched herself round him, relishing the sensation of being filled with real flesh. Nina lowered her head and her warm lips closed around Mindy’s clit, gently sucking then running the flat of her tongue over the hard nub.

Mindy’s legs started to shake with the tell-tale early tingles of an oncoming climax. Mikkel massaged her breasts, his fingers and thumbs gently pulling and tweaking at the nipples. Nina increased the suction, her tongue dancing over Mindy’s clit until she arched her back and cried out. The flashes behind her eyelids rivalled those of the earlier fireworks over Edinburgh Castle.

When Mindy’s senses returned, Nina was kneeling up on the couch, watching her face. Mikkel had stopped thrusting, though his cock was still buried deep inside her, warm and hard.

She took a deep breath, her heart still beating fast after her orgasm. “What happens next?”

Nina tilted her head to one side. “What do you want to happen next?”

Mindy looked down at the rug. “I want you to lie there, in front of the fire.”

The three of them disentangled and got to their feet. Nina lay where instructed and let her bent knees fall open. Mindy dropped onto all fours between them and looked up at Mikkel. She nodded at his cock, wonderfully erect and coated in her juices. “Put that back in and fuck me. Don’t stop until you’ve come.”

He nodded and dropped to his knees, positioning himself behind her. He slid in slowly, then placed his hands on her hips and began to fuck her with an unhurried, steady rhythm.

Mindy bent down and inhaled Nina’s musk. Although she’d never been with another woman, she’d tasted her own juices many times—either by kissing men who’d gone down on her, or by sucking cocks that had been inside her. She ran her tongue along the moist folds and saw Nina shudder.

She gently kissed all around the opening of Nina's sex, then probed inside with her tongue. Mikkel was now fucking her harder, the thrusts pushing Mindy's face against his wife's sex. Nina moaned, her fingers gripping Mindy's hair.

Mindy pushed two fingers inside Nina and moved up to her clit, licking and gently sucking. Nina raised her hips up off the rug, pushing herself against Mindy's face. Mindy curled her fingers to stroke Nina's G-spot in the way she liked men to do it to her, and flicked the tip of her tongue over her clit.

A throaty groan escaped Nina as she came, and Mindy jabbed her hand in and out, finger-fucking her hard and fast. Nina squealed but Mindy didn't let up.

Mikkel banged hard and fast and then held still. Mindy felt his cock twitch and pulse as he came inside her. She closed her eyes and concentrated on the sensations, imagining being able to watch the result of each spasm, see each spurt of cream flooding her insides. This was enough to push her over the edge and she tumbled into another orgasm, moaning loudly as the waves of pleasure radiated through her body. Mikkel resumed his thrusts but kept them slow, going deep with each stroke.

Eventually he softened and pulled out, and all three lay in a tangle of arms and legs on the rug in front of the fire. Nobody spoke for several minutes. Mindy admired the intricately carved coving as the flames cast shadows of the chandelier across the ceiling.

Chapter Four

Nina pulled Mindy close and kissed her neck. “I hope this wasn’t too much of a disappointment.”

“Are you kidding? It was wonderful.”

“But not the kind of threesome you were hoping for.”

Mindy chuckled. “I wouldn’t change it for anything.”

Nina stroked her shoulders. “I’m glad to hear it. But I could imagine the sort of fantasies going through your head sitting between those brothers.”

“Well, I was tempted to run a hand up each kilt.”

Nina gently bit Mindy’s shoulder. “Hmm, and did you hope they’d reciprocate? I like the idea of them playing finger-tag under the table, making you come while the rest of us ate and pretended we didn’t know what was going on.”

“I’m not very discreet when I come.”

“Yeah, I noticed.” Nina rolled on top of Mindy and kissed her deeply on the mouth. When she broke the kiss, she stood. “Wait here.”

As Nina padded across the rug and out through a wide oak door, Mindy turned to face Mikkel. It was weird; even though they’d just had sex, she still felt like the outsider. “Thank you.”

He looked puzzled. “For what?”

“Letting me share your wife.”

He laughed. “I think it is us who should be doing the thanking, for allowing us to share you.”

The door opened and Nina walked in and stood in front of the fire. She wore a smile and a pink strap-on fitted around her hips.

Mindy looked at the phallus—which looked enormous on Nina’s petite frame—and then into her big brown eyes.

Nina reached down and gripped the dildo in the way a man would grab his erection. “I want to give you the threesome you didn’t get.”

Mindy couldn’t find any words, but her mind was running at a hundred miles an hour.

Nina pointed the dildo at Mindy’s face. “Come here and suck my dick.”

Without hesitating, Mindy got up onto her knees and opened her mouth. She covered the head in saliva then took the plastic deep into her throat.

Nina gasped. “Oh my god, how do you do that?”

Mindy smiled to herself. Back in the day, her blowjobs had been legendary. Now she was showing off.

“Mikki, are you watching this?” Nina’s voice was full of awe.

“Oh yes.”

“Is it making you hard?”

“What do you think?”

Nina pulled the dildo from Mindy’s mouth. “Did you imagine yourself kneeling between the brothers, doing that to each of them in turn?”

Mindy licked her lips and smiled. “Yeah, something like that.”

“Do it to Mikkel.”

Mindy looked at his cock, which was getting hard. She’d never had a woman instruct her to suck her husband’s cock before, but she was more

than happy to oblige. She opened wide and took him deep, her nose pressed up against his pubic hair, his balls resting against her chin.

Nina moved to the side and ran a finger down Mindy's back. "I suppose you fantasised about sucking one brother while the other took you from behind, right?"

Mindy didn't bother answering—she knew what was about to happen. She wiggled her hips invitingly.

Nina positioned the dildo and pushed in with a single stroke. Mindy groaned around the cock in her mouth. Nina gripped her hips and pulled her back to meet each lunge.

Closing her eyes, Mindy drifted in a cloud of pleasure. She was familiar with the art of prostate massage and knew she could have Mikkel coming in her mouth within seconds, but she wanted this to last.

After several minutes of bliss, fingers raked down her sides and Nina leaned over her back. "Do you want us to take you all the way like this, or was there something else you wanted from the brothers?"

Mindy shivered.

Nina saw her reaction, because she pushed in hard with the dildo. "Ooh, did you want to be the filling in those riggers' sandwich?" She increased the pace of her thrusts for a couple of seconds and then stopped, the dildo held deep. "You can have whatever you want, Mindy. You just have to ask."

Mindy released Mikkel's cock and took a deep breath.

Nina stroked a hand down Mindy's back and into the crack of her bum, her finger teasing the opening of her anus. "What do you want to do?"

Mindy eased herself forward off the dildo; Mikkel stepped back and she stood. She looked at the strap-on, glistening in the firelight with her juices, then at Nina's face. She nodded at one of the couches. "You sit on there," she said, then turned to Mikkel. "And you, be slow until I'm stretched, okay?"

He nodded.

Nina sat in the middle of a couch near the fire and leaned back, holding the strap-on vertical. Mindy straddled her, positioned the dildo and lowered herself onto it, pushing forward and crushing Nina against the back of the couch. Mikkel crouched behind her.

Mindy felt his cock at the opening of her anus, then held eye contact with Nina as her husband slowly pushed inside. Letting out a long sigh, Mindy struggled to keep her eyes focused on Nina's. She slowly rotated her hips, relishing the fullness and the way the two invading cocks moved, sometimes in sync, other times out.

Mindy closed her eyes. "I'm going to come."

Nina leaned close and kissed her gently on her mouth, nose, eyelids and forehead.

"Oh fuck, oh... Oh!" Mindy bucked her hips as she rode the wave. Mikkel pushed himself forward, staying locked tight inside her.

The three of them writhed and bucked in unison on the couch. Mindy didn't know if the spasms shaking through her body were the result of another orgasm or simply aftershocks of the last one, and she didn't really care.

Mikkel grunted as he came. Nina reached around and dug her nails into his shoulders, making him groan and push his cock deeper into Mindy.

Finally they all stopped moving, staying locked like this with Mindy still penetrated by Nina's toy and Mikkel. But Mikkel's cock was flesh, and it soon softened and slipped out.

He helped Mindy to her feet and Nina led the way upstairs to a beautiful bathroom. The shower was not really big enough for the three of them, so Mikkel and Mindy went in first and Nina disappeared into a bedroom.

Mikkel washed himself quickly and, as he stepped out, Nina joined Mindy in the shower. She'd removed the strap-on and unpinned her hair, which now hung to her shoulders. The women stood close and held eye contact as the hot spray lashed down on their bodies.

Nina stroked Mindy's breasts. "I got the impression that you'd done that before."

"Done what?"

"What we just did to you, both at once."

Mindy smiled. "I've done it many times, but never with two other people."

Nina's puzzled expression made Mindy laugh.

"My husband liked me to pleasure myself with my vibrator while he fucked my backside. What about you?" Mindy lathered Nina's small breasts. "Do you do that with two men?"

"I've never been with two men. We only invite women to our bed—Mikki gives me all I need from a man."

They climbed out of the shower and went into the huge bedroom. Mikkel was dressed in pyjama bottoms, and stood by a chaise longue in the bay of the window.

Nina led Mindy to the bed. "Mikki probably needs a little rest now, but we can use him again in the morning, if you like?"

Mindy looked at Mikkel. "Yeah, I'd like that."

Nina ran her hands down Mindy's sides and over her hips. "So for now, I'm afraid you're going to have to make do with just me."

Mindy caught sight of something on the chair by the dressing table. Her heart beat a little faster. "Well, I have something in mind..."

Nina raised her eyebrows. "Oh?"

The pink strap-on was on the seat of the chair. Mindy nodded towards it. "I want to wear that."

Nina walked over to the chair and picked up the dildo. "Have you worn one of these before?"

"No."

Bending over, Nina fitted the strap-on to Mindy then stood in front of her, looking down at the big plastic phallus. "So, what did you have in mind?"

Mindy pulled the other woman close, running her fingers through her wet hair. "I'm going to fuck your brains out."

Nina bit her lower lip and sat on the bed. Repositioning herself, she lay back in the middle of the mattress.

Mindy climbed onto the bed, the strap-on swinging in front of her.

Nina opened her legs wide. "I'm not as fragile as I look, so don't assume that you need to be gentle."

"I'm glad to hear it." Mindy lowered herself into position and placed the tip of the dildo at the entrance of Nina's sex, then slammed her hips forward.

Nina eyes went wide and a grunt escaped her lips.

Mindy pulled back and slammed in again, revelling in the power the strap-on gave her. She saw Nina grip fistfuls of the sheet. Mindy raised herself up on straight arms and pumped her hips, imitating the way she loved men to fuck her.

Nina wrapped her legs around Mindy's back, moaning and groaning under the onslaught. Her back arched and eyes screwed shut when she came, her screams surely waking the neighbours. Mindy didn't let up with her thrusting as Nina bucked and writhed beneath her. Nina screamed again, but Mindy had no way of knowing if it was another orgasm. Eventually she had to stop because she was too tired. She collapsed on top of Nina, panting from the exertion.

Nina held her tight. "Jesus, I'm not going to be able to pee for a week."

Mindy giggled. "I'm sorry, I think I got a bit carried away."

"Hmm." Nina kissed her cheek. "I find it hard to believe you've never used a strap-on before."

Mindy rolled off and, gripping the dildo, looked over at Mikkel. "Do you want me to return the favour?"

He blanched. "No thank you."

Nina helped remove the strap-on and Mikkel joined them in bed, with Mindy in the middle. It was well past three in the morning and they all fell asleep within minutes.

Chapter Five

Mindy was woken by Nina gently stroking her tummy. When she opened her eyes, the dark-haired beauty smiled at her.

“Good morning.”

Mindy blinked. “Hi.”

Nina leaned close and kissed her, letting her tongue move against Mindy’s. “Sleep okay?”

She nodded. Mikkel was stirring beside them, and Mindy felt a tingle between her legs. Early-morning sex had always been something she enjoyed.

Nina pushed down the quilt, revealing the women’s nakedness and the bulge inside Mikkel’s pyjama bottoms. “Mikki, get naked. We’re going to take turns riding your cock.”

The pyjama bottoms were quickly discarded and Mikkel positioned himself on his back in the middle of the bed.

Nina got up and walked around to the opposite side of the bed. “Who’s going first?”

“You.” Mindy licked her lips. “I want to watch you two fuck.”

Nina nodded, then looked down at her husband. She straddled him and lowered herself onto his cock. Nina gripped the headboard and rode him for about a minute, then climbed off and knelt on her side of the bed.

Mindy quickly scrambled up and lowered herself onto Mikkel, his cock going deep and feeling wonderful. She closed her eyes and clenched round him, then rode him for a similar length of time as Nina before climbing off.

They continued like this for over fifteen minutes, and Mindy was impressed by Mikkel’s staying power. She watched his facial expressions

and the way his body moved as she rode him. When his hip movements became a little urgent, she'd slow down to keep him on the brink.

Mindy came first—a slow, intense release which made her whimper and sigh. She watched as Nina took her place on her husband. It was obvious both were close to their release. She ran her hand down Nina's back, over her bum and onto Mikkel's thighs. She leaned close and kissed Nina's ear. "Take him all the way."

Then Mindy knelt on the bed and leaned down over Mikkel's thighs. With her cheek pressed against Nina's bum, she took his balls into her mouth.

Nina moaned and thrust faster as she climaxed, but Mindy kept her tongue moving over Mikkel's balls, which suddenly moved up in his sac. He was coming, and Mindy felt each spurt he fired into his wife.

Eventually they all settled and lay in satisfied silence for several minutes. Afterwards, Mindy took a shower and Nina gave her a robe. In the kitchen they sat at a table by a set of French doors overlooking a neat, walled garden at the back of the property.

"So," Nina said, turning to Mindy. "What's next?"

"I'm too sore for anything, thank you very much."

The brunette laughed. "I mean when you get back home."

"Ah..." Mindy sighed. "First I'm going to need to find somewhere to live and a job."

Nina watched in silence over her coffee cup, her big brown eyes displaying sympathy.

"Then I'll need to find a man to keep me warm at night." Mindy smiled. "Or perhaps a woman. You've effectively increased my potential partners by a hundred percent."

Nina laughed. "I'm glad to be of help."

Mindy closed her eyes, dropped her head back and sighed. "This trip was just a delaying tactic—I suppose I wanted to forget about everything I needed to do for just a day or two." She smiled at the pair of them. "I came

here with the intention of having a nice evening and then taking a complete stranger back to my room for a night of unbridled passion.”

Mikkel raised his eyebrows. “I thought you intended taking *two* strangers back.”

Mindy laughed. “Ah, the McAllisters. No, that was just a short-lived fantasy.”

“But a nice one,” Nina said with a teasing voice.

“Yeah. Thinking about it now, I guess it might have felt a bit odd for them, having a threesome with a brother present.” She shrugged. “As things turned out, my evening was better than I ever could have hoped.”

A beautiful smile creased Nina’s face. “I’m very glad to hear it.”

Mikkel put his cup down. “Is this where I should admit that I paid the two blondes to approach the McAllisters?”

Mindy stared at him along with Nina until he laughed, holding his palms out. “It’s not true, of course. Though I am very grateful that they showed up.”

Nina nodded. “So am I.” She reached over the table and took Mindy’s hand. “Will you come back to Edinburgh for Burns’ Night?”

Mindy frowned. “What’s that?”

“It’s a celebration in honour of Robbie Burns. We have it every year, and there’ll be lots of men in kilts.”

Mindy laughed. “I’d love to, but I’ll have to see how things go. I need a job, and—”

“I’ll send you a train ticket and meet you at the station. It won’t cost you a penny.” Nina squeezed her hand. “Let us be your friends and help you through the next few months. I could come down to London and help you look for a new place to live.”

A warm feeling of gratitude surged through Mindy. “Would you want to do that?”

“Of course. I think the connection we have goes beyond the bedroom, but I have to admit I can’t wait to have sex with you again.”

The warm feeling made its way down between Mindy's legs. The idea of sharing a bed with the couple again was a very attractive one. "I'd like that, too."

"Good." Nina stood up and went to get the coffee pot, refilling everyone's cup. "Are you hungry?"

Mindy shook her head. "I ate more last night than I have in a long time."

"When are you going back to London?" Mikkel asked.

"I've got one more night in the hotel, so I'll drive—"

"You're here for another night?" Nina looked ecstatic.

Mindy nodded.

"Stay here. We'll have a day walking round the city, then I'll cook us dinner and we can have a quiet night in. Unless you'd rather go out, but New Year's Day tends to be a bit subdued."

"A quiet night in sounds perfect, but I'll need to go back to the hotel to get some more clothes. I'm not sure a ball-gown is the sort of thing people wear for sight-seeing, even on New Year's Day in Edinburgh."

Nina nodded. "Mikki can drive you. You don't want to be walking there in your gown."

Mindy checked her watch, knowing Kirsty and her man would still be there. "Can we go now?" She wanted to see them.

"Of course." Mikkel went to put on some clothes and Mindy retrieved her gown and shoes from the living room.

Ten minutes later, they drove through the eerily quiet city and Mikkel stopped outside the hotel. "I'll wait here for you."

Mindy got out of the car and entered the lobby. Her heels clicked on the marble floor, and two men at the reception desk turned to look at her. It was the McAllister brothers, now both wearing jeans and woolly jumpers.

They gazed at her dress and shoes. It was obvious she'd gone back with someone after the party, and they'd seen her dancing with Nina.

“Morning.” Fraser’s smile was friendly, but Mindy found him less attractive without the kilt. Definitely not as handsome as Mikkel.

Mindy was pleased to see them. “Hiya. How are your hangovers?”

“Don’t ask.” Scott took his bag off his shoulder and let it rest on the floor. “How about yours?”

She shrugged. “Not too bad, considering how much of God’s jizz I drank.”

The brothers laughed awkwardly.

Fraser shuffled his feet. “Er, do you want to maybe go and have a coffee or something?”

Mindy shook her head. “Sorry, I’ve got plans. I’m just here to get a change of clothes, then I’m gone.”

“Oh, okay.” Both brothers nodded, looking deflated.

Mindy wanted to ask if the blonde girls had stayed the night, but it really wasn’t any of her business. “Well, it was great to see you again.”

“Aye, you too.”

The brothers headed for the door and Mindy stepped into the lift.

When she reached her room, she knocked gently. She heard movement inside, then Kirsty opened the door a couple of inches and peeked out.

“Hiya.” Mindy smiled broadly.

Kirsty had obviously had very little sleep. She wore a man’s shirt. “Hi. Er... I thought you said—”

“Yeah, sorry. There’s been a change of plan.”

“Oh, right.” Disappointment showed on Kirsty’s face as she stepped back and opened the door. Nick was sitting up in bed.

Mindy smiled as she walked in. “It’s a good change of plan, I promise. I just need to get changed and take some clothes with me, then I’m gone. The room’s booked for another night, so it’s yours if you want it.”

Kirsty stared wide-eyed. “Are you sure?”

“Yep.” Mindy took underwear from a drawer and a pair of jeans and jumper from the wardrobe. “I’ll change, pack a few things and get out of your way.”

In the bathroom, she brushed her teeth and slipped her toothbrush into her jeans pocket. When she came out, she selected a nice skirt and top for later, and put on flat ankle boots. She stood and smiled at the young couple. “I need to check out by eleven tomorrow, so I’ll get here just before then.”

“Thank you.” Kirsty gave her another hug, and Mindy noticed her boobs moving beneath the shirt. Her night with Nina had obviously changed the way she looked at women.

Mindy left them and headed for the lift, excited about the next twenty-four hours, and no longer dreading the next few months.

Chapter One

The mood in the squad car was downcast as they made their way back to the station yet, though exhausted, Lynne was secretly buzzing from the experience. It was approaching midnight and they'd spent the last three hours on a wild goose chase.

"What a waste of fucking time that was." Darren, the front-seat passenger, opened his window a couple of inches and spat out his chewing gum. "We've been played."

There were nods of agreement from the other three men in the car. Lynne felt she should agree with them, but smiled to herself in the darkness. A few hours earlier, their station had received an anonymous tip-off about a party planned for that evening at a private residence in Knightsbridge. The informant had assured them the amusement for the men at the party would be eastern European women forced into the sex trade by human traffickers. A magistrate was contacted, and a warrant issued. Off-duty officers had been called in at short notice. Almost thirty officers had been involved in the raid.

What they'd found inside the large house were some filthy-rich Russian oligarchs and some attractive young ladies. Everyone present had indeed been involved in some sort of sexual activity when the police arrived, and it was highly improbable that the women were supplying their services for free.

But the women weren't victims of human trafficking, and they certainly hadn't been forced into the sex trade against their will. They were living the high-life and reaping the benefits.

The officer driving the car was a guy with over twenty years' service in the Met. "When the shit hits the Chief Super's fan tomorrow, he'll make sure none of it lands on him. Someone from CID will end up back on the beat after this fiasco."

Lynne was one of three officers in the back seat. On her left was Aaron, a twenty-four-year-old constable from Swansea. "I don't think it

was a total waste of time. I saw more minge tonight than I've seen since I got to London."

The others giggled, although probably not as loudly as they would have done had Lynne not been in the car. She'd been one of six WPCs involved in the raid, supposedly to comfort and reassure the women after they'd been rescued from their modern-day slavery ordeal. She smiled along with the lads' banter for the rest of the journey, but agreed with Aaron about the evening not being a complete waste. Tonight's fruitless operation had been rather entertaining—and very enlightening. It had certainly made her think hard about her personal life.

The car pulled into the station carpark and the officers climbed out. There'd be a quick debrief, and then they'd head off in their different directions. Some would continue with their shift, some would go home, and others would call for an after-hours drink to wind down. Lynne had every intention of heading straight to the pub.

They assembled in the briefing room. DI Watts stood up and addressed the collection of uniformed and plain-clothed officers.

"Okay, ladies and gents, can I have your attention please?"

All murmurings in the crowded room stopped immediately.

"Firstly, I'd like to thank you all for your work tonight. I know some of you were supposed to be off-duty, and I'm sorry your personal time was interrupted.

"We all know that slavery is a very real and serious problem, and that's why we had to follow this lead. But the information was obviously false, and we need to find out if this was something to piss us off, or to make us look in the wrong direction.

"It was a fuck-up, but it wasn't your fuck-up. I'm sure there are lessons to be learned from tonight's events, but I want to thank you all for your services."

Lynne smiled along with most people in the audience. This was why everyone liked DI Watts—he didn't have his head up his own arse.

"Even though there were no arrests, I'm afraid there'll be paperwork for you all to write up."

Groans filled the room.

Watts held up his hand apologetically. "Hopefully we'll be able to make it simple box-ticking for most. I don't want you all writing similar

reports about a wasted evening when you should be out there helping the public. Right, that's it, back to work—or to whatever you were doing before this mess happened.”

The chatter started up again as the officers filed out of the room.

Lynne passed a couple of the guys from her shift and smiled. “You pair calling for a beer before you go home?”

Steve shook his head. “Sorry, I can't make it tonight.”

Joey nodded. “I'll be there, but I still need to finish something off before I can leave.”

“Okay, see you later.” Lynne headed off to the locker room. She didn't bother to change out of her uniform, but removed her jacket and shoes and put on her long grey trench coat and normal shoes. Although the heels weren't particularly high, they looked better with her nylons and skirt than the flat lace-ups she wore on duty.

The Rampart—commonly referred to by the Bobbies as *The Rampant*—was a small back-street pub owned by a former policeman. It was just around the corner from their station and a regular haunt for Lynne when working the eleven 'til eleven shift. Inside it was small, like sitting in someone's living room with an open fire and comfortable chairs. On a cold evening like this one, it was the perfect place to wind down after a twelve-hour shift.

When Lynne walked into the pub, there were a dozen or so people already there, all coppers, the regular customers having left at least an hour earlier. Considering their night was deemed wasted time by their superiors, the atmosphere in the pub was jovial. Many of the lads were laughing and telling stories of what they'd seen in the rooms they'd been assigned to search.

Lynne ordered a bottle of Beck's.

“Did you see the tall redhead?” Rick stood at the end of the bar with two other men, but was talking to the whole room.

Bob was sitting by the fire. “The one in the high leather boots?”

Lynne wasn't surprised Bob had noticed her. His wife was a very pretty redhead, so he probably had a preference for that colouring.

“Yeah. Jesus, what a body. Three men were naked and taking turns at her.”

A few of the other men muttered among themselves.

The women had been gathered from the many bedrooms and taken into one of the large reception rooms downstairs, where it soon became obvious they weren't victims of human-traffickers. But it had given the officers a chance to have a good look at them, though they'd been allowed to get dressed by then.

Aaron was standing by the fire. "We walked in on one of the blondes getting spit-roasted by two men old enough to be her father."

Gerry, a bald sergeant in his early fifties, scoffed at him. "Well, that's the sort of men these young girls go for. Men with experience—not virgins like you."

"Fuck off, I'm not a virgin." Aaron's Welsh accent was conspicuous in the bar room full of English officers.

Rick placed an arm around his shoulder. "Sheep don't count, mate."

Aaron frowned. "Don't they? Oh, right. Maybe I'm *technically* still a virgin, then."

The others laughed. Aaron had obviously learned since arriving in London that it was easier to play along with the sheep-shagging jokes if he wanted to be accepted as one of the lads. Lynne wandered over to the table to join Jenny and Chrissie, two of the other WPCs who'd been at the raid. She slipped off her coat and sat down.

Lynne and Jenny were Rampart regulars, but Chrissie had two kids at primary school so usually went straight home after her shift.

Jenny leaned over to Lynne. "What did you find in your room?"

She considered how to answer. "I found a girl half my age having more fun than I've ever had, and earning a lot more money than I ever will."

"You're not wrong there. Did you see their clothes? One of them had an outfit that probably cost more than my car."

Chrissie nodded. "And they say crime doesn't pay."

Joey finally arrived. "Hiya. Room for a little one?"

The women smiled and moved up to make space for him to sit down.

Lynne looked at Chrissie. "Was it a crime, though? I don't think they were really doing anything illegal. The men have money coming out of their ears and their wives are over a thousand miles away in Moscow. Men like that probably have girls in every city."

Joey frowned. "But prostitution's still a crime."

"There's no evidence the girls were being paid."

He snorted. "Women who look like that wouldn't be taking ugly, hairy blokes three at a time for nothing."

Lynne nodded. "You're right. But I was chatting to a couple of the girls, and the way they justified their behaviour made sense. They're young, and they know they're not going to be able to live like this forever. There are countless rich men willing to throw money at women for a bit of fun."

"Fun?" Joey was smiling.

"Well, it looked like fun to me." Lynne held eye contact with him.

Lynne and Joey had enjoyed a very brief fling one night a couple of years earlier. Joey was recently separated from his wife when he and Lynne attended a residential training course. One drink had led to another, and they'd ended up in bed. Shortly afterwards, and before they got the chance of a repeat performance, Joey had tried to reconcile with his wife. Lynne had been hurt and felt guilty for what happened—she'd never have slept with him if she'd thought he still wanted to be married. He'd apologised, explained how much he liked her but that he wanted to work things out with his wife for the sake of his children. Lynne and Joey remained friends, but his marriage had failed again a few months later. He was now divorced.

Chrissie downed her drink. "Well, I'll be standing at the school gates in less than eight hours, and I can't do that with a hangover. See you all tomorrow."

The others bid her goodnight and went back to their conversations. "How many men were there altogether?"

Jenny was quick with the answer. "Fourteen men, six women. That's the sort of ratio I'd like."

"Yeah..." Joey pulled a face. "But I'm pretty sure you'd choose different men. One of the guys was so hairy I actually thought he was wearing a suit when I saw him. The only place he didn't have any hair was on the top of his head. It was even growing out of his ears."

"You're only jealous," Jenny teased.

He nodded. "Too bloody right. Money in the bank means it doesn't matter if you're butt-ugly, you still get gorgeous women. Look at some of those professional footballers! No women would look at them twice if they worked at Tesco. But they've all got gorgeous wives—models, dancers,

actresses or some such. Fucking hell, if I'd known that at school, I'd have tried harder in PE."

The women laughed, and Jenny stood up. "Who wants another drink?"

Joey held up his almost-empty pint of lager and Lynne showed the label of her bottle.

As Jenny headed for the bar, Lynne looked at Joey. "What group were you with in the raid?"

"I was with Rick and Dennis in DS Mullen's team."

"So you saw the redhead?"

Joey's eyes widened. "What a babe. Three of them lined up on the bed and she was probably working her way across them. She had on a leather dog collar and these long high-heeled boots. It was like a scene from a porno."

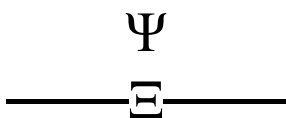

Lynne leaned close so her shoulder pressed against his. "Did it turn you on?"

"Well let's put it this way, if the guys had attacked me I wouldn't have needed my truncheon. I could have defended myself with my hard-on."

"I doubt that would have saved you. I've seen it, don't forget."

He smiled and looked embarrassed at the same time, his dark brows lowered over clear blue eyes. There was definitely still an attraction there—on both sides.

Chapter Two

Jenny returned with their drinks. “Here you go. Joey, I got you Fosters, is that right?”

“If it’s cold, wet and contains alcohol it’ll be perfect. Cheers.”

Lynne put down her empty bottle and picked up the full one. She clinked necks with Jenny, who was also drinking Beck’s. “Thanks. Joey was just telling me he got a stiffy watching the redhead do her tricks.”

Joey sighed and shook his head.

Jenny laughed. “I’m not surprised—even I fancied her, and I’m straight.”

Lynne lowered her voice. “Did you see the very petite blonde girl?”

The others nodded.

“I was chatting to her downstairs. She said that she shared an apartment with one of the other girls, Cheryl, but I’m not sure which one she was. Anyway, she told me they lived in a penthouse in Kensington which is paid for by these Russians. Those men are only over here three or four weeks a year, but the rent gets paid for them every month, all year long.”

Jenny’s eyes widened with disbelief. “Jesus, I should start charging the men I shag.” She sighed and looked down at her thick thighs straining against the trousers of her uniform. “But I doubt they’d pay me enough to cover the rent on my bedsit in Lewisham.”

Lynne smiled. “And these Russians aren’t the only men they see. The little blonde said she’d spent last week on a yacht in the Aegean with five Greek businessmen.”

Joey grimaced. “Five guys and her? Wow, I bet she was sore.”

Jenny slapped his arm. “You filthy beast. Haven’t you ever heard of lube?”

“And last month she spent a week in a villa by the Red Sea with three Arabs. They have a thing for blonde white women, apparently.”

Jenny shook her head. "It's another world, eh? Makes you wonder why we're on this side of the line when all the fun seems to happen on the other side."

Two more policemen entered the pub. Lynne didn't know either of them, but recognised them from the raid earlier. They looked over and one of them nodded at Joey. While they were getting served, she asked him who they were.

"They're with the Serious Crime unit in Kent. They're working on human trafficking full time and since they were here anyway, Watts invited them on the raid."

Lynne nodded thoughtfully. The younger of the two men was really good-looking. She glanced back to see the knowing smirk on Joey's face. "What?"

"Can't think why you might be asking."

"I was just wondering." She leaned closer so that Jenny wouldn't hear, but that turned out to be unnecessary; her mate was suddenly deep in conversation with someone from the next table. Lynne winked at Joey.

"You're not the only one who was turned on by what they saw tonight."

Joey dropped his voice, leaning closer. "So, what was it you saw that turned you on?"

"Mind your own business."

He pressed his arm against hers. "Come on, spill the beans. Which bedroom were you assigned to anyway?"

"One of the ones on the top floor."

Joey nodded. "I assume the petite blonde was in there?"

"She was one of them. There were two girls and four blokes."

"Maybe the other woman was Cheryl."

"Yeah, I suppose she could have been."

"What did she look like?"

"Taller, with a short, dark bob hairstyle."

"I know the one." He winked. "Were they acting as a tag team?"

"No. The dark-haired one was kneeling on the floor giving two guys alternate blowjobs."

"Ooh, sexy. And the tiny blonde?"

"She was tied to the bed with a guy at each end."

Joey stared off into space as if imagining the scenes, then glanced back at Lynne. “So, what was it that gave you the buzz? The idea of being tied up or having two guys at once?”

She looked deep into his eyes and opened her mouth as if about to confess all, then grinned and sipped her drink.

“Lynne!”

“Sorry, Joey. That’s something you’ll just have to wonder about.”

He looked like he was about to press for more details when the two late arrivals from the Kent force came over to their table.

“Mind if we join you?” The older of the two had spoken, and immediately Jenny pushed the chair opposite out with her foot.

“Thanks.” He took the proffered chair, and his young, good-looking partner sat directly opposite Lynne.

The older guy did the introductions. “I’m Pete, this is Nathan.”

“Jenny. This is Lynne and Joey.”

The group nodded and smiled at each other, and Lynne was pleased when Nathan held her gaze for a split-second longer than he did with the others.

Jenny leaned towards Pete. “So, what do you lads think about tonight’s disaster?”

Pete smiled. “It wasn’t really a disaster. A disaster would have been if one of the Russians did something stupid like brought out a gun and someone had been hurt or worse.”

The others murmured their agreement.

Pete sipped his beer. “These things happen—we often get bad intel. It’s the traffickers’ way of keeping us busy elsewhere.”

Joey put his glass down. “Do you think they were making sure we looked the wrong way tonight?”

“Maybe. Or it could have been to waste our time. Or it may have been someone who doesn’t like the Russians.” He shrugged. “It could even have been a jealous boyfriend of one of the whores—that happens, too. In most cases, we never find out the reason they did it.”

Lynne could sense Nathan checking her out, and it excited her. She turned to look back at him and held his gaze. He smiled and she experienced a warm tingle inside. He had big brown eyes with long lashes.

When he smiled she saw white, even teeth and dimples in his cheeks. She wanted to hear his voice.

“So,” she asked. “What scene did you interrupt?”

“Pardon?”

She could tell he hadn’t got a clue what she was talking about.

“Sorry, we were just telling each other what had been going on inside the rooms we’d barged into.”

“Oh, right.” He smiled again and shook his head. “I didn’t go in any of the rooms. I was in the garden in case anyone made a break for it.”

Pete looked at Lynne. “Nathan’s actually only shadowing our unit as part of his training. When we found out he’s a rugby player we decided to leave him to tackle all the runners.”

Lynne looked back at the young officer. He had broad shoulders, big arms and a slim waist. She wouldn’t mind him tackling her.

“What about you, Pete? Have you got the body of a sportsman?”

Jenny was being her usual flirty self.

Nathan snorted. “Yeah, a darts player.”

Pete laughed. “Cheeky sod.”

“Right, my round.” Joey got to his feet.

They all gave their orders and he headed off to the bar. Jenny was concentrating her attention on Pete, so this left Lynne and Nathan by themselves at one end of the table.

“So, how long are you in London for?” She tried to make it sound like a friendly, casual question.

“We’re going back tomorrow. Should have been back by now, but when we heard about the raid we decided to tag along and sleep in a couple of free cells.”

“That’s the sort of commitment we need in the force.”

Nathan grimaced, showing what he really thought about sleeping in a cell. “So, how long you been in the force, then?”

“Eighteen years.”

His eyes went wide. “No, you can’t have.”

She smiled. “Thank you, but it’s true.”

He looked disbelievingly at her. “Are you winding me up?”

“I wish I was. I joined when I left school after my A-levels.”

“You started at eighteen, and you’ve done eighteen years?”

Lynne nodded. “Yeah, sad isn’t it? Half my life’s been spent as a copper.”

“Are you seriously telling me you’re thirty-six?”

She glanced to either side as if checking for eavesdroppers, then leaned forward and whispered. “Don’t say it too loud.”

He laughed, shook his head. “I honestly thought you were about ten years younger than that.”

“God, I wish I was. But thank you, you’ve made my night.”

Nathan shook his head. “I’m serious, you really don’t look that old.”

“Okay, don’t spoil it now by reminding me that thirty-six is *that old*.” Lynne saw Joey struggling with the round. “So, before I go and help carry the drinks, depress me. How old are you?”

“Twenty-three.”

“Oh, God.” Lynne stood up and went to the bar. She couldn’t believe Nathan was so young—she’d thought he was about twenty-eight.

Joey was obviously grateful. “If you carry the two bottles and a pint, I’ll carry the other two pints.”

“Okay. Whose is which?”

“You carry that one back to Nathan. I’m sure he’d enjoy getting it from you.” He shot her a cheeky grin.

Lynne moved close. “Well, I wouldn’t mind giving it to him.”

“Looks like whatever you saw tonight really got your motor running.”

“Hmm.” Lynne narrowed her eyes at him, then smiled and walked back to the table. She knew he’d be watching her bum and legs as he followed.

Having passed out the drinks, Joey sat back next to Lynne, a little closer than before. His leg and hip touched hers, and their arms were pressed so close she could feel his body heat. She remembered their night of passion and squeezed her legs together.

She noticed Nathan was still stealing glances at her, which made her feel good about herself. Jenny was probably feeling pretty good too, enjoying an exclusive tête-à-tête with Pete.

Joey started a friendly conversation with Nathan. “So, how long have you been with the force?”

“Almost two years. I started straight after Uni.”

Lynne smiled at him. “Ooh, brains as well as looks.”

Nathan’s mouth dropped open, but she could see he was flattered as well as surprised.

Pete leant into their conversation. “He’s a bright lad— been put forward for the High Potential Development Scheme but his DI feels he needs to see wider police work in action, first. So he’s been stuck with an old bugger like me.”

“What was your degree in, Nathan?” Lynne looked straight into his big, beautiful eyes and imagined the success he’d probably had with all the female undergraduates.

“Sports Science. My original plan was to be a PE teacher, but when I found out you’re not allowed to hit the naughty kids I became a copper instead.”

Joey laughed. “Well, we’re not *officially* allowed to hit the naughty kids, either.”

Nathan’s eyes seemed to be drawn to Lynne’s chest. She wore a black bra under her white blouse. It wasn’t usually a problem because she wore the uniform jacket on duty, but she’d left that in her locker. She liked the idea of being fancied by someone so much younger.

“Do you realise I’m more than fifty-percent older than you are?”

“I thought it better not to mention it.”

Lynne smiled at him again. “Brains, looks *and* tact. You’ve probably got a lovely young girl waiting for you back in Kent.”

“No, I’m single. Girls don’t want someone who works most Friday and Saturday nights.”

“Occupational hazard for all of us.” Joey’s stoical tone didn’t fool Lynne—she knew how much he missed his kids.

“Are you two single, then?”

They both nodded.

“Have you ever been married?” Nathan asked

Joey laughed. “Yeah, but not to each other.”

Nathan’s dimples appeared again. “How long for?”

Lynne answered first. “I got married when I was your age, but it only lasted a couple of years.”

Joey sighed theatrically. “I served a ten-year sentence. Two kids, seven and five.”

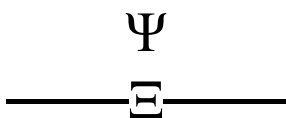

Nathan nodded towards Pete. “He’s going through a divorce at the moment. Came home early to find his neighbour getting a lot more than a cup of sugar.”

Lynne watched Jenny flirting with Pete. “He seems to be getting over it.”

Joey pushed his arm against hers. “Looks like he’ll be getting over her later.”

A warm tingle between Lynne’s legs made her think tonight might not be as disappointing as their superiors had said.

Chapter Three

Nathan pushed his chair back. “Okay, who’s ready for another drink?”

While Nathan was at the bar, Joey nudged Lynne. “I still think about our night together, you know. I’m sorry about how things...”

She placed her hand on his. “I know. And I also know how much you love your kids, and that you had to try.”

He nodded towards the bar. “That lad can’t keep his eyes off you.”

Her hand was still on Joey’s. “Yeah, I noticed that.”

“You’re almost old enough to be his mother.”

“Not quite, but thanks for pointing it out.”

“He’s young and fit, though.” Joey watched Nathan at the bar.

“Yeah, I’d noticed that, too.”

Joey held his hand next to his mouth and distorted his voice to sound like it was coming through a two-way radio. “So, are you thinking it may be nice to treat yourself to a foxtrot-uniform-charlie-kilo?”

Lynne chuckled and copied him, though she didn’t try to do the static-voice. “I may be more in the mood for a tango-hotel-romeo-echo-echo-sierra-oscar-mike-echo.” She watched Joey’s face as he worked out the word ‘threesome’ and smiled when his eyes widened.

His hand kept hold of its invisible radio. “Are we talking a Juliet-Romeo-Juliet type of set-up?”

She laughed. “That’s a negative. There’ll be only one Juliet present, and that’ll be me. But there will be two Romeos – or should I say a Victor and a Charlie. Or a Mike and an Oscar. But definitely two men, and me.”

Nathan returned with their drinks.

Lynne pointed at the tray he’d used to carry them all. “See what a university education can do, Joey?”

Joey looked at Nathan. “She only came to help me so she could get a better look at my arse.”

Lynne snorted. “Dream on. If that was the reason, I’d have helped Nathan.”

The young officer blushed again.

Joey picked up his pint. “Cheers, Nathan. I think Lynne’s being so forward tonight because she saw something going on in one of the bedrooms that’s turned her on.”

“Oh yeah?” Nathan turned his big brown eyes in Lynne’s direction.

She’d been about to take a drink when she froze, the neck of the bottle almost touching her lips.

Joey smiled suggestively. “Is that a clue?”

Lynne was half-tempted to put her tongue to the rim of the neck, but decided it wouldn’t be appropriate, setting it back on the table.

Nathan smiled. “You don’t have to tell us details if you’re shy.”

“Thank you.” She turned to Joey. “See? *That’s* how a gentleman behaves.”

He ignored her and leaned closer to Nathan. “We already know it’s either being tied to the bed or getting two men doing her at once.”

Lynne felt the heat in her face. “Oh, for God’s sake! Why not tell everyone in the pub?”

Joey pled innocence, palms up. “I’m only letting Nathan know exactly what sort of pervert he’s buying drinks for.”

“Thanks!”

Nathan was smiling broadly when Pete leaned and whispered something in his ear. He nodded in reply and Pete stood up, heading for the toilets.

Joey and Lynne looked at each other and smiled. Jenny had obviously pulled.

Jenny stood up. “Right, I’ll be getting off.”

Joey burst out laughing. “I’m sure you will.”

Jenny turned bright red and slapped his arm. “Bugger off. I meant that I’m—”

“We know what you meant, Jen. See you tomorrow.”

Jenny walked out of the pub, her cheeks still red. When Pete emerged from the toilets a couple of minutes later, he smiled as if a little embarrassed and followed Jenny outside.

The three remaining at the table shared looks and drank in relative silence for a couple of minutes.

Lynne cleared her throat, hardly able to believe she was about to do this. “I was wondering... if you two would rather have a nightcap back at my place. I’ve got a nice bottle of Cointreau I save for special occasions.”

The two men exchanged glances. Both nodded in unison.

“Good. Come on, we won’t even need a cab.”

The three of them said their goodbyes to the rest of their mates and headed outside. It was a chilly evening and their breaths condensed in the air as they walked the ten minutes back to her place, Lynne strolling in the middle, her heart racing. What exactly did she want to happen tonight? She thought again about the petite blonde, tied spread-eagled on the bed with two men using her body.

“Did you grow up round here?”

She didn’t know if Nathan was being polite or actually interested. “No, I grew up in Reading, and that’s where I started on the force. I transferred to the Met, lived in Enfield for a couple of years, then Hammersmith. I’ve been here in Camden for just over four years.”

Her semi-detached house was halfway along a quiet street. She showed them into the living room then went to fetch the Cointreau and three glasses from the kitchen. The men had removed their uniform jackets and were sitting on her couch. She knelt on the carpet next to the coffee table and poured three large measures. She wondered if the men noticed her hand shaking slightly.

They all raised their glasses.

Joey’s eyes met hers. “To special occasions.”

She took a large gulp, relishing the warm sensation travelling down her throat and chest. The liqueur was sweet, and the thick viscous consistency felt somehow erotic, although that was probably more due to the two hunky men sitting in her lounge watching her drink it.

There was an awkward silence. Even Joey's sense of humour seemed to have failed him. The two men were watching her, no doubt wondering where tonight was going to lead. They were both handsome and sexy, though in different ways. Lynne fancied them both, and knew this was the closest she'd ever been to doing something like this.

She considered the options in the living room. The couch and armchair were both good for sex—she'd used them before, more than once. But it wasn't the best location for what she had in mind.

She took a breath and broke the quiet.

"That girl on the bed... she looked so tiny. She was only about five feet tall anyway, and the bed was huge."

Lynne's voice sounded strange in her ears. In the pub, everyone had their own way of talking about their night; comic anecdotes had mixed with observations delivered as if giving evidence in court. But here, her voice was quiet, intimate—as if revealing a secret to a confidant. The men didn't interrupt.

"She was lying on her back and tied to the bed. The headboard was leather, so they'd secured her wrists and ankles with silk scarfs to the corner legs. The two men were much older than her, and both much bigger. She looked like a fragile doll. One guy was kneeling between her legs..."

Lynne considered how best to describe what the man was doing to the blonde. She decided the Russian hadn't been making love.

"He was fucking her. The other guy was kneeling facing the door, his dick pushed into her mouth. When we showed up, the men froze where they were. They stared at us open-mouthed, but neither of them tried to remove his dick from the girl."

"Can't say as I blame them." Finally, Joey's humour had returned.

She continued her story in the same soft voice. "It wasn't until our DS told them to get off the bed that they withdrew. I went to untie her. When she'd put her clothes on I took her downstairs, and while we were alone she asked me if it had turned me on. I tried to laugh it off, but she claimed she'd seen something in my expression when I first went into the room."

"Was she right?" Nathan's voice was as hushed as Lynne's.

She looked at his handsome face, his dark, intelligent eyes shining in the lamplight, then glanced at Joey, who appeared to be holding his breath.

She nodded. "Yeah, the scene turned me on a lot."

Joey sat forwards slightly. "Which part?"

She took a breath, hesitating. There was absolute silence while she looked from one man to the other. Finally, she shrugged. "All of it. I imagined being tied to a bed and having two men stroking me all over and using my body for their pleasure. And..."

"What?" Joey prompted.

Lynne took a breath, wondering whether to reveal this part or not. *What the hell.* "And she suggested I join her for a night with the Russians."

"*What?*" Joey looked incredulous. "You can't be serious."

"I don't know if she was serious or not, but obviously I said no."

"Why?" Nathan was smiling.

"Because the Russians were all ugly. Whereas I have two very handsome men of my own to fulfil my needs." Lynne blushed. "But when she asked for my number, I gave it. I could do with a trip on a yacht."

Lynne looked at the men for a couple of seconds, then slowly got to her feet. Standing in the middle of her living room, she held her hands out to them. They got up from the couch and moved to either side of her. Joey reached out a hand and touched her arm. She tilted her head up and kissed him gently on the lips. Then she turned to Nathan and kissed him, too.

Both men started to stroke her through her clothes, and Lynne closed her eyes and concentrated on the sensation of their caresses. Hands gently traced along her arms, back, waist, hips. One of the men cupped a breast through her blouse and bra and she moaned.

She became aware of fingers undoing the buttons of her blouse. Another pair of hands undid the fastener and zip of her skirt. Lynne opened her eyes to see Nathan pushing her blouse gently back off her shoulders, and Joey sliding her skirt down over her hips. She stepped out of the skirt and stood facing them in her underwear. Her black silk panties matched her bra and she was glad she'd worn black hold-up stockings rather than tights. The hunger in the men's eyes excited her. She cleared her throat.

“Would you two please take me to bed?”

Chapter Four

Lynne led the way, with Joey immediately behind her and Nathan following him. She liked the idea of them staring at her backside as she walked up the stairs.

Once in the bedroom, Lynne whipped the curtains shut. This was something she definitely didn't want her neighbours to witness. She stood by the side of the bed and Nathan and Joey approached her. Their strokes and caresses resumed and Lynne closed her eyes, enjoying being the centre of their attention. Two strong arms wrapped around her, fingers at her bra strap.

She opened her eyes and looked up into Nathan's face as he removed her bra and dropped it on the floor. She was proud of her boobs and had often been complimented on them. They weren't overly big, but were firm and well-rounded, with dark brown nipples set in small areolas. His hands cupped her breasts, the thumbs stroking the already taut nipples. She let out a groan. He pulled her close to kiss her again, and her breasts crushed against his shirt. She could feel the erection inside his trousers pushing against her soft belly.

Joey was standing close behind her, his hands stroking her bum through the material of her panties. As she broke the kiss with Nathan she turned round to face him, pushed her breasts against his chest and kissed him, too. Joey's hands slid up her body and stroked the sides of her boobs. He also had an erection straining against his uniform.

Lynne pulled back and looked at the two men. She was a little breathless. “I seem to be wearing considerably less than you two.”

Joey smiled. “Yeah, and you look pretty good like that.”

“Thank you, but I think you two would also look pretty good without those clothes on.” She started to undo Nathan’s tie, then his shirt buttons.

Then she turned towards Joey and did the same to him. Nathan slid his shirt off his broad shoulders. His chest was wide and completely hairless, his waist narrow. The muscles in his abs and upper arms were well-defined—he definitely worked out. Joey was less bulky but still in good shape. He had a smattering of dark hair on his chest and arms.

Lynne’s fingers moved to Joey’s belt, unbuckling it. He undid the button and zip of his trousers and pushed them down his thighs. As she turned to start on Nathan’s, she saw he’d already removed his trousers, shoes and socks. Wearing only a pair of white cotton boxers, Nathan seemed like a dream—handsome face with a fabulous body. By now Joey had also removed his trousers and Lynne glanced between them, both sporting bulges in their underwear. Lynne’s heart pounded in her chest: the two men in her bedroom were far more attractive than the Russians who’d been with the tiny blonde earlier.

She slipped her thumbs into the waistband of her panties and slowly pushed them down her legs to her feet. Still wearing her shoes and stockings, she stepped out of her panties and stood between the men. They closed in until they were all standing in a close huddle. Hands moved over her waist, breasts, hips, bum and thighs. She tilted her head up and kissed Joey, then Nathan.

A hand moved down her belly to her pubic hair, then further down to between her thighs, gently tracing a finger over the wet opening of her sex. Nathan bent over and took one of her nipples into his mouth. She cradled his head in her hands and looked into Joey’s eyes. He smiled, then ran his hand down her back, over her bum and between her thighs. He dropped to his knees and kissed her hips, her belly. He ran a tongue through her pubic hair, and she heard him inhale. She could smell her own arousal.

Nathan also dropped to his knees, and Lynne looked down at the two men worshipping her body. Joey slowly rolled one stocking down her leg, and Nathan did the same to the other. Although the sight of it was erotic, Lynne was a little disappointed—she loved the feel of men stroking her legs in nylon and often wore stockings when having sex. But bare legs were probably more sensitive, and tonight she wanted to feel every sensation available to her. When the nylons were down to her feet each man removed a shoe and stocking, leaving her completely naked.

Joey took the initiative. “Lie on the bed.”

Lynne did as instructed, lying in the middle with her legs together and her arms by her side.

He approached the bed, one of her stockings in his hand. He gently tied one end of the nylon around her ankle, telling Nathan to do the same with the other.

Lynne’s heart raced a little faster. Under normal circumstances she probably wouldn’t have wanted to feel this vulnerable, but tonight she was more than happy with the idea of it. She trusted these men—Joey especially. As both ankles were tied with stockings, the men slowly and gently eased her legs apart until she was splayed on the bed. They secured the stockings to the cast iron foot guard on the bed, pulling her legs flat on the mattress, her feet pointing at the corners.

Joey walked over to the pile of clothes on the floor and returned with his tie. He took both Lynne’s wrists and bound them together, then passed the tie through the rails in the middle of the headboard, pulling tight until her arms were held up at either side of her head and secured.

Lynne looked at their faces, then let her eyes wander down their bodies. Her eyes settled on their boxers. “Take them off.”

Both men complied and though she tried not to compare, Nathan’s cock was particularly impressive. An involuntary shudder ran down her spine.

Joey walked around the bed and knelt next to her left leg. He waited until Nathan had got on the bed on the other side of Lynne. Then both men began stroking her legs, fingertips running from her thighs all the way down to the tips of her toes. Lynne quietly murmured with each stroke. When

Nathan leaned down and sucked one of Lynne's nipples, Joey did the same to her other, making her cry out and arch her back. Her entire body tingled.

Nathan sat and held eye contact with her as he placed his huge hand on her inner thigh. He moved it slowly upwards until his knuckles brushed against her sex. His thumb traced around her swollen clit and she breathed heavily through an open mouth.

She felt his finger slide between her slippery labia, and she thrust her hips towards it, urging him to plunge into her.

His thumb circled her clit again, his eyes smiling at her impatience. He pushed two fingers deep inside her and she cried out, arching her back off the bed to get his fingers as deep as she could. Joey pinched her nipples and watched her writhe on the bed.

Nathan removed his fingers and looked at Joey, who immediately placed his own hand between Lynne's legs. Their gazes locked and she nodded, silently begging for him to do the same thing to her as Nathan had done. He pushed his fingers inside, curling them and pressing against her inner front wall. Lynne's legs locked straight, and her toes spread. Nathan dropped his head to her chest again, sucking her nipples alternately as Joey massaged her g-spot. She came with a grunt, squirming and moaning through the wonderful orgasm. Finally, Joey withdrew his fingers and went back to stroking her legs.

Her hair was sticking to her face a little, but she couldn't use a hand to wipe it away.

Joey climbed over and knelt between her legs. She looked up at him, desperate for him to slide his cock inside her. She started thrusting her hips on the bed, heart still hammering in her chest after the climax.

He shook his head very slightly and smiled. Then he bent down and ran his tongue through the wet lips of her sex.

Lynne groaned, the sound guttural.

He licked her again, then pushed his tongue deep inside, wriggling it from side to side.

She closed her eyes and held her breath, aware she'd probably come again before either of them had even entered her. She looked up at Nathan,

then down at his dick. It was sticking out of his lap, thick and long, curving slightly upwards.

She nodded at his groin. “Bring that up here and fuck my mouth.”

He manoeuvred himself up the bed and knelt by her armpit, then leaned over and fed his cock into her mouth. She kept her eyes open and watched his face as she traced her tongue around the huge tip. Lynne could taste his precum. She craned her neck and took more of him in, feeling his cock slide further into her throat. She swallowed, relaxed to overcome her gag reflex, and pushed her head a little further onto him—all the while watching his face. She was pleased to see his expression of surprise as she took him deeper into her throat. If she’d had a little more time and a better angle, she knew she could get him all the way in and deep throat him. But as Joey’s tongue settled onto her clit, she had to pull her head back and release Nathan’s cock so she could breathe through her mouth.

Joey’s tongue moved slowly over and over her clit and her legs began to shake. Nathan was watching her face and she frowned at him in silent apology for not being able to carry on with the blowjob. Then she closed her eyes and sighed as her second orgasm raked through her, an avalanche of tiny electric shocks which started at the blood-engorged nerve centre of her clitoris and swept outwards through her entire body, making each tethered limb tremble and shake.

It wasn’t until her orgasm abated and she quieted that she realised she’d been whimpering. Joey sat looking down at her, face slick with her juices. He’d made her come twice tonight, and seemed very pleased with himself.

Lynne saw Nathan’s cock, now even bigger and harder after being sucked. She wanted it inside her. She looked up into his face. “Fuck me, Nathan. Fuck me now.” Her voice came out in a croak, but both men heard.

Joey stepped off the bed and to the side, allowing Nathan to position himself between her legs. He leaned over her, held the tip of his cock at her entrance then looked into her eyes.

Lynne bit her lip and nodded, aching to be filled.

He pushed slowly and she let out a long sigh. He was huge and filled her, but she was so wet she stretched around him without difficulty.

When he was all the way in, she felt his cockhead nudging her deep inside. Low moans escaped her lips as she rocked herself beneath him.

Nathan held himself up on his strong arms, but because he was that much taller, his head was directly above hers. She turned sideways to look for Joey—she wanted him in her mouth. He was standing at the side of the bed, watching Nathan fuck her. She looked down his body. His cock was sticking out, a long clear strand of pre-cum hanging down from the slit in the tip. He was breathing hard and fast.

“Joey, come here and put your dick in my mouth.”

He stepped closer but hesitated, obviously aware that he couldn’t kneel over her head with Nathan there. Instead Joey lay on his side with his groin by her face, his head and shoulders curled against the headboard. As she opened her lips and he fed his cock into her open mouth, the long strand of pre-cum tickled across her cheek and upraised arm.

She felt Joey shiver as she enveloped his cock in her mouth. She moved her tongue against his underside and rocked her palate over the head.

Nathan was now fucking her with slow, deep thrusts and her body was responding to him, rolling under him like a boat in the surf. Her eyes were closed but her body completely open, lost in pleasure as the two cocks slid in and out of her with different strokes, sometimes in sync, sometimes not. The feeling was wonderful, but she didn’t think she’d be able to come again.

She became aware of Nathan pushing into her even harder. She opened her eyes, looking sideways and up at the man making love to her—because that’s what it felt like he was doing. She could tell from his expression that he was about to come, and she welcomed it. She let Joey’s cock slip from her mouth and looked up at Nathan, wishing for the first time that night that her hands were free so she could hold his hips and pull him into her while he unloaded.

Instead, she clenched around him. “Come in me, Nathan. I want to feel you coming in me.”

His eyes closed and the muscles in his neck and shoulders stood out. His cock twitched and pulsed.

“Yeah, that’s it.” She bucked her hips and tightened around him, milking every drop she could get. “Come on, give it to me.”

He pushed into her, hard. When she cried out, he did it again.

“Harder.”

He started to jack-hammer into her and she cried out, surprised that another orgasm had arrived so unexpectedly. There’d been no tell-tale tingles or tremors, just a sudden spasm which sent her into meltdown. She thrashed her head from side to side as Nathan went on pounding her, his cock losing a little of its hardness but still filling her completely.

Eventually they slowed their movements and opened their eyes. Beads of sweat covered Nathan’s gorgeous face, and Lynne’s hair was now plastered to her forehead and cheeks. Nathan raised up off her and stepped back from the bed. Lynne smiled at him, grateful for his young, fit body.

Nathan was looking over at Joey, who was sitting on the side of the bed. He’d taken on the role of spectator for the last few minutes, but his cock was still rock hard. Lynne knew he’d probably be extremely frustrated and eager to come by now.

She beckoned him over with her eyes. “I’m here, Joey. Use me. Do whatever you want.”

Joey gripped his cock in his hand, wanking himself slowly. “What do you want me to do to you?”

She shook her head. “I don’t care. You’ve already given me everything I could have asked for, now I want you to come.”

“I’d...I’d love to come in your mouth—”

“Okay then, come in my mouth.”

Joey shook his head. “No, I’m so horny I need it hard and fast—I need to fuck you.”

Lynne nodded. She clenched her muscles, felt Nathan’s cum ooze out of her. Joey was looking down at her sex, no doubt watching the thick white mess slipping down her bum crack and onto the quilt.

She pushed her groin up off the bed. “Hard and fast works for me. Fuck me as hard and fast as you like, and come as hard and fast as you can.”

She groaned as he lay full-length on her body and pushed his cock into her. His chest flattened her boobs and his hands gripped the soft flesh of her hips.

Lynne kissed his ear, whispered encouragement.

She closed her eyes and pretended she was on a yacht in the Aegean Sea with yet another stranger using her body for his pleasure. She imagined she'd already had two of them, and this was the third. When he was finished there'd be two more demanding their release. For one night only, Lynne allowed herself to be a slut, letting strangers do whatever they wanted with her body. She was just an instrument for their pleasure, a receptacle for their loads.

She heard Joey sigh and felt him coming inside her. She tried to clench and wriggle to increase his pleasure, but she was completely spent. Joey didn't seem to need it. His eyes were squeezed tightly shut and she could feel him trembling as he pulled slowly out of her.

The room was now silent. Nathan undid the knots in the tie and stockings, and Lynne went to the bathroom to clean up.

When she came back, the men were still standing by the bed, looking a little awkward. The alarm clock showed it was a little after three in the morning.

She pulled back the quilt and looked at them. "I think we should all try to get some sleep."

She slid into bed and moved to the middle. Joey walked round to the far side of the bed and Nathan got in on the near side. They settled down onto the pillows and Joey turned off the lamp. They'd probably been awake for about twenty hours. Between the expended nervous energy in the build-up to the raid, the drink and the exertions of the sex, all three were fast asleep within minutes.

Chapter Five

Lynne woke up when she heard the bedroom door open. Joey's arm was draped around her waist, and Nathan was fully dressed and about to leave the room. It was still dark outside. She checked the clock: a quarter to seven.

She started to slide out of bed and Joey gripped her arm. "Where do you think you're going?"

She turned back and smiled at him. With her other hand she opened the top drawer of her cabinet, taking out a set of police-issue handcuffs she'd only ever used in the line of duty.

"I'm going to see if Nathan wants any breakfast before he leaves."

"What about me?"

"Your shift doesn't start until later, so you can wait." She silently fastened one bracelet of the cuffs to her cast iron bed-head behind him.

Joey smiled knowingly. "And what are you going to offer him for breakfast?"

Lynne leaned over Joey, her bare breast brushing his chest. She lifted his arm above his head and leaned her face close to his. She smiled and raised her eyebrows. "Me."

Then she clicked the other bracelet round his wrist and stood up. He pulled at it, surprised.

"Sorry, but you're going to have to be patient."

She headed to the bedroom door and turned to catch him staring at her naked body. She smiled again and slipped out and down the stairs.

Nathan was nowhere to be seen. She was disappointed to have missed him, but then she heard the toilet flush upstairs. He was in the bathroom.

She saw her reflection in the full-length mirror at the bottom of the stairs. Her hair was tousled, but she looked good. Well, she hoped Nathan thought so. The bathroom door opened, and she heard him walk along the landing and start down the stairs. She waited silently in the hall.

When he saw her he stopped, his eyes on her body as she started up the stairs.

“Were you planning on leaving without saying goodbye?”

He smiled and shrugged. “I thought I’d leave you two to catch up on your sleep. I assume your shifts start later.”

Lynne stopped when she was standing two stairs down from him. She reached forward and stroked his cock through the trousers of his uniform. She felt him start to harden.

She put on her big eyes. “Do you have to leave straight away?”

He paused, shook his head. He looked back up the stairs, probably expecting another threesome session.

Lynne smiled and undid the buttons of his trousers. She slid her hand inside and released his glorious dick. He was getting harder by the second, and she leaned forward and took him into her mouth. She could taste her own juices on him because he hadn’t showered. It turned her on.

He sighed, placed a hand on her head. “What about Joey?”

Lynne looked up into his big brown eyes and pulled her head back so she could answer. “He’s going to sit this one out.” She flashed a smile. “He’s not as young as you.”

Then she took him back into her mouth. She wanted to do it properly this time, and slowly worked her way down on him, patiently swallowing half an inch at a time and suppressing the gag reflex. Within a minute she had his full length in her throat. It was the biggest dick she’d ever managed to do this with, and she was quite proud of herself.

She wanted more—she wanted him inside her. And she wanted him inside her in her favourite position. She pulled back and slid her hand over and around his cock, her saliva coating it and making it feel wonderful. He moaned as she wanked him. She pulled his cock gently, leading him to stand on the stair next to her. Then she moved up one step and bent over, resting her hands on the top stair. Her head was only about five feet from the bedroom door where Joey was undoubtedly listening to them from the bed.

Lynne looked over her shoulder at Nathan, but spoke loud enough for Joey to hear. “Fuck me from behind. I want to feel you going as deep as you can.”

Nathan positioned himself and lunged into her without any foreplay, but she was already soaking.

“Ooh.” His size surprised her, even though she’d experienced it only a few hours earlier.

He pulled back and slammed in again and she gritted her teeth, pushing back to meet each of his thrusts.

He gripped her by the waist and banged her hard. She found herself grunting and swearing with each beautiful stab. He reached round and stroked her clit, and she started wailing and moaning.

The sound of their fucking was loud. The squelching of his dick as it plunged into her wetness, the slapping of his groin against her bum, the cries and groans that each thrust elicited from her: Lynne knew Joey would be hearing all of it, and decided to give him even more.

“Oh, I’m coming. Don’t stop doing that, just keep on doing exactly...” Her orgasm made her legs weak, but Nathan’s hands held her in place while he continued to plough into her.

She cried out again as another spasm shook her body. She didn’t know if she’d come again, or if it was just aftershocks from the first one. It didn’t really matter. She could hear Nathan start to gasp and she knew he was ready to blow.

Joey had probably heard Nathan too, but she wanted to make sure he knew exactly what was happening on the stairs.

“Come in me Nathan. Shoot it deep inside me. Oh, I can feel it, I feel your hot cum.” It wasn’t exactly true, but she felt him pulsing as he came.

Nathan continue to pump her from behind, but the ferocity of his thrusts had subsided. Now he was slowly pushing all the way in, pausing, and pulling almost all the way out. His breathing was unsteady, and each time he pushed in she could hear a squelching sound.

Finally he pulled out of her and she turned around to look into his face. He smiled, but she got the impression he was a little shocked at her behaviour.

She leaned closer and straightened his tie while he fastened his trousers, then they walked downstairs and stood in the hall.

She wanted to explain last night had been her first experience of a threesome, and even though she’d loved every single minute of it, it would

probably be her last as well. She also wanted him to know how glad she was that he'd been involved. She liked him, and she loved his body.

Instead of saying any of this, she kissed him gently on the cheek. "Thank you for last night."

He laughed and shook his head. "I'm the one who should be saying that. Last night was awesome—like nothing else I've ever done."

Smiling, Lynne opened the front door, watched him walk down the road and out of her life. Then she fastened the latch and walked back up the stairs. Joey was lying on the bed, his wrist still attached to the headboard. He had an erection.

She looked at it. "I hope you weren't eavesdropping."

"I thought that was exactly what you wanted me to do, since you decided to fuck him right outside the door."

Lynne pushed back a loose strand of hair from her face. "Yeah, maybe."

"So, did he enjoy his breakfast?"

She knelt on the bed next to him, traced a finger up the length of his dick, making it twitch. "He seemed pretty satisfied with it, yeah."

"So..." Joey was trying to be patient, but she could sense his frustration as she kept running her fingertip up and down his sensitive underside.

Lynne gazed into his eyes. "Hmm?"

"I was wondering if I'd be getting any breakfast."

She laughed at how he'd phrased it. She shook her head. "Not until you take me out for dinner."

His eyes widened. "On a date? Would you let me take you out after what I did last time?"

"When you consider what I let you do to me last night, you shouldn't be that surprised."

"I thought that was simply satisfying your carnal desires after chatting to the little blonde."

"Yeah, it probably was. But I wanted it to be you."

He smiled mischievously. "You wanted the young, fit stud."

"Hmm, and I got him. But I wanted you, too."

Joey held her gaze. "I'm really sorry about before. I wanted to see you, but I wasn't coping with not seeing my kids."

She nodded. "I know that, and I understand why you had to try again. I also know you didn't see me as just a bit of fun for you to have before going back to your wife."

"You were never that."

Lynne leaned down and kissed him gently on the mouth. "And that's why you're getting another chance."

He smiled, but she could tell he was still desperate. "So breakfast is out of the question?"

"Yeah, sorry. After what you both did to me last night and Nathan's rough treatment on the stairs, I'm a bit too sore."

"Oh." His face dropped.

She laughed and gripped his cock. "Last night you told me you'd love to come in my mouth, but you were so horny you wanted me hard and fast."

His mouth dropped open.

"Do you think you could cope with it not being hard and fast now?" As he didn't seem to know how to answer, she leaned over him and dragged her thick black hair over his stomach. "Would you like to come in my mouth now, Joey?"

"Yes please."

She looked into his eyes and brushed her tongue over the tip of his cock. "Do you want me to undo the handcuffs first?"

"Not particularly."

She lowered her head onto him. She was slow and gentle, and took her time. She gave him some deep-throat treatment, but also spent a lot of time licking up and down his shaft and nuzzling his balls. His breathing got more ragged, and then he started to mumble to himself. Still she kept the pace slow, taking him up three steps then letting him fall back two while she licked and kissed his balls.

After almost fifteen minutes, she could tell he was finding it almost unbearable. His hips were bucking on the bed with his need to explode.

She raised her head and looked at him, her face serious. "Okay, I think I've teased you enough. Ready to come for me?"

He sighed, nodded.

"Good." Lynne took him back into her mouth, then her throat, and moved up and down, twisting her head slightly as she did so.

He whimpered, groaned and grunted as he erupted deep in her throat.

She squeezed his balls and kept her head bobbing on him, and he gushed again. She pulled back until the head of his dick was in her mouth. She swirled her tongue round and round, making him groan again.

Finally, she released his cock from her mouth and knelt up. “Are you feeling a bit more relaxed now?”

He laughed. “You could say that, yeah.”

She used the key to undo his cuffs, then pulled the quilt up over them. “Good. Now maybe we can get another couple of hours’ sleep before we go back on patrol.”

Joey wrapped his arms around her, and she lay with her back snuggled into his stomach. She was warm and contented, and she was happy. She was also a little bit sore, but only in a good way.

The Lodger

Chapter One

I'd just filled up with fuel and was heading back towards the motorway when four young women in micro-skirts and ridiculously high heels stepped off the pavement, forcing me into an emergency stop. The hiss of airbrakes startled them and they looked up with wide eyes at my forty-tonne rig, obviously seeing it for the first time.

I glared down through the windscreen, shaking my head to let them know they should check the road before crossing. One of them gave me a big smile and wiggled her arse. Through the open window, I heard another one saying something about them almost making the driver shed his load. With a chorus of laughter and clatter of high heels, they continued on their way towards the café and toilets of the motorway services.

Selecting a low gear, I slowly drove past the carpark, down the slip-road and back onto the main carriageway. I had another six hours' driving time on my tachograph and needed to drop this trailer in Felixstowe, then pick up another in Luton. Hopefully, I'd get well on the way to Newcastle before I ran out of hours and had to stop for the night.

Through a combination of bad traffic and poor timing, I didn't get as far north as I'd hoped and ended up at a truck-stop near Milton Keynes. I locked up and headed for the shower block for a shit, shave and shower. Twenty-five minutes later, I dropped my bag back in the cab and went to the cafeteria.

I saw a few familiar faces among the other drivers when I walked in, a couple of them nodding as I passed.

The woman serving the food looked a lot tastier than anything on the counter. She had shaggy black hair and thick eyeliner. I ordered pasta with a side salad.

"Nice to see you're looking after your body," she said, passing the plates.

I glanced down at the swell of her tits and hips filling out the uniform so nicely. “I’d rather be looking after yours.”

“Give over, yer dirty bugger.” She feigned outrage, but I could tell she’d liked the attention. She wasn’t wearing a wedding ring. A dozen or so silver bangles hung round her wrist, and there was a tattoo of a rosebud on the inside of her forearm.

“Anything else?” she asked, raising her eyebrows slightly.

“Yes please.” I gave her another smile and made my way down the line to the miserable octogenarian pouring the tea.

I’d found a table and was eating when my phone vibrated in my pocket. I checked and saw it was a text from Gemma, saying she was home now, so I could call her whenever I liked. One good thing about being a driver—you dictate when you’re free to talk to people.

I finished eating and wandered back to the truck. After closing the curtains of the cab, I changed into the t-shirt and shorts I use as pyjamas and slipped into the bunk behind the seats, then phoned Gemma.

“Hi Jon, how’s your day been?” Her voice was breathy and intimate, and I imagined her sitting with her legs up beneath her on the couch in her cosy living room.

“Could be better. It took longer than it should to drop off at the docks, and then traffic was a bitch, so I’m an hour away from where I wanted to be.”

“Oh, dear. Where are you now?”

“I’m on the M1, just not as far along as I’d hoped. I’m near Milton Keynes.”

“Oh, well. Are you all settled down for the night?”

“Yeah, just eaten and now tucked up in my bed.”

“Hmm, I wish I was there.” She gave a sexy giggle which made me smile.

My ex-wife had used a similar sexy giggle when we’d first got together, but after a few years the giggling stopped—and so had the sex. I eventually realised other men were getting the benefit of both the giggle

and the sex while I was driving across Europe to pay the mortgage on a house I only slept in about five nights a month.

“Anyway,” Gemma said. “I have some news.”

“Oh?”

“Hmm. I’m getting a lodger.”

We’d been seeing each other for a couple of years. I’m on the road from Monday to Friday—sleeping in the cab five nights a week—and spend most weekends at Gemma’s.

I’d always made sure I paid for all the food and drink we had at weekends, but now wondered if I should be paying rent. “Really? Do you need the money?”

“No, I don’t need the money. It’s just a favour for a girl in our office. I won’t charge her any rent because I know she’s saving up for a place of her own.”

I wriggled down in my bed. “So why does she need you to put her up?”

“She’s having a bit of trouble at home. Reading between the lines, I think her relationship with her boyfriend is a bit rocky—off one minute, on again the next. Amy’s been a bit down, and her mum’s not helping the situation.”

“Amy, is that her name?”

“Yes. She’s a lovely girl, just a bit fragile at the moment. Her doctor’s given her antidepressants. Her mum blamed it all on Ryan, the boyfriend. When she found out Amy was seeing him again, she went ballistic.”

I wondered how much this would affect our relationship. “So will she be there at weekends?”

Gemma laughed. “Are you worried you won’t get the same treatment as usual?”

I smiled. “Maybe.” I usually made it to Gemma’s on Saturday morning, having driven through the night. She’d wake me after just a couple of hours—but in the nicest possible way.

“I think she’ll be spending most weekends out. That’s what you do when you’re twenty-one.”

“Glad to hear it.”

“So, where are you off to tomorrow?”

“Newcastle, then Glasgow, and then back down to Hull.”

“Ooh, I like a man who gets around.” I got the sexy giggle again.

I often wondered why she’d never married—I’m sure she must have had plenty of opportunities. At forty-one, she was three years younger than me, and still had a good figure. She’d lived with a guy a few years back, but then he’d left her for somebody else.

She cleared her throat, and I realised I’d not replied to her flirty aside. “Sorry?”

“What time will you be setting off in the morning?”

“I’ll be on the road by four, hopefully get there before the traffic builds up.”

“God, I don’t know how you do it.”

“I’ll show you on Saturday.”

I was rewarded with one last sexy giggle before we said our goodnights. I set the alarm for 3:20 and turned the light off.

In the dark, I slipped my hand inside my shorts and stroked my dick. I let my mind wander, first to Gemma sitting in her cosy room in her work blouse, skirt and tights, sipping a glass of wine. Then I remembered the four girls I’d almost run over earlier. I’d bet a week’s wages that all four of them would have been fucked by now. They were dressed to the nines and setting off for a night out, maybe on a long hen weekend. I started to pump my dick as I thought of the four of them in a nightclub, being pawed by men who knew they were up for it. I’d like to get one of them in my cab and give her a good reaming. I’d shed my fucking load, alright.

Then I remembered the woman behind the food counter, her smile and her body. She was a lot more my type than those silly tarts.

I licked my lips and visualised her instead. We were round the back of the services, under the orange glow of carpark lights. Her uniform was open at the front, her firm tits held in place by a black lacy bra. She had the

top half of my dick in her mouth, one hand wrapped round my shaft and the other busy gusset-typing between her legs. The constant hum of motorway traffic was a backbeat to her bracelets, jangling in a steady rhythm as she jacked me off.

I reached down for the sports sock I keep by the bed for these occasions. Rolling it down over my cock like a loose, woolly condom, I imagined her telling me again that I was a dirty bugger. Pumping ever faster, I imagined her tongue working the underside of my cock. I spilled my goods, letting out a long sigh.

I lay still as my breath steadied and my heartbeat slowed to normal, then squeezed out the last drops and dropped the soiled sock on the floor. Time for sleep.

* * * *

Friday evening traffic's a bitch no matter where you are. I usually time it so that I'm parked up and sleeping between four and ten. Not always possible if my transport manager arranges a drop or pickup at that time, but it's what happens more often than not.

This week I'd picked up a load from Plymouth and was heading back north. I pulled into a layby on the side of the A38, overlooking Dartmoor, and got my head down for a few hours. I was back on the road by ten-thirty and drove through the night. I parked up at the drop in Leeds at four in the morning and dozed for an hour as I waited for their forklift drivers to arrive and unload me. Once that was done, I went back to the depot, cleared out my cab and washed the tractor unit. Then I drove my car to Gemma's, arriving just after nine.

She greeted me with a smile and a hug. I went for a shower. In the bathroom I noticed a lot of new makeup, which I assumed was the lodger's. I'd spoken to Gemma several times throughout the week, and she'd told me that Amy had moved in on Thursday. I dried off and climbed naked into bed.

I woke as Gemma slipped into bed beside me, her bare leg rubbing against mine. There's nothing like waking up to a soft, warm body after five

solitary nights in a cab, and my dick was hard before she'd slid her hand under the quilt.

"Mmm," she said as she wrapped her fingers around me. "What've you been dreaming about?"

I eased her onto her back and slipped inside, hearing her sigh as my cock slid all the way home. She often told me mine was the biggest she'd ever had, but I assume she was trying to stroke my ego. I reckon if it was that big, my ex-wife wouldn't have been so eager to sample quite so many others.

"Ah, that feels good," Gemma whispered as I started to fuck her with long, slow thrusts. "That's just so..."

I sped up a little, revelling in the softness of the mattress and her tits, the smoothness of the sheets and her legs. The snugness of her bed and her cunt.

"Oh, Jon."

When she came, her nails raked my back and her inner muscles gripped my dick. I ploughed on through her contractions, feeling her wetness dribbling onto my balls. Her nails dug into me again, and it hurt. I pinned her arms above her head and held myself up as I pounded her, watching her tits shake from the force of my thrusts. Her eyelids fluttered and she let out muted little whimpers.

With a final lunge, I buried myself as deep as I could and unloaded, flooding her. She let out encouraging moans as she wriggled beneath me, and I finally dropped on top of her, satiated. This was the best way to start the weekend.

I took another shower, then headed downstairs while Gemma took her turn. By the time she'd joined me, I'd made us both a cuppa.

"So," I said, as I selected a biscuit, "how's it going with the lodger?"

Gemma smiled. "It's going well. She's a lovely girl, and it's nice to have a bit of company during the week."

I nodded. "Where is she now?"

"She's away with Ryan. It's his big sister's birthday, so they're going to be staying with her."

“So she’ll never be here at weekends?”

“She was here last night. She went out with some friends and came back late. She went over to Ryan’s at eight this morning. His sister lives in Windermere, so they’re spending a couple of days in the Lakes.”

We walked through to the living room. By the side of the couch were a pair of shoes.

Gemma picked them up and put them by the door. “These are Amy’s.”

I stared at them; they were red patent leather with an open toe, four-inch spiked heel and an ankle strap. “Nice.”

Gemma shook her head. “I don’t know how she manages to walk in them.”

Yeah, probably more for wearing when she’s on her back. “Does she always wear shoes like that?”

“Not at work, but she’s always well-dressed. All the men in the office act like puppies around her.”

“Puppies?”

“You know, fawning over her and following her around.” Gemma sat next to me on the couch. “Only it’s not their tails that are wagging.”

“Is she good looking, then?”

She laughed and slapped my arm. “Never you mind, you dirty old sod. She’s less than half your age.”

I smiled as I sipped my tea, remembering the four girls in their short skirts and high heels, their ‘shedding his load’ joke and dirty laughs. I looked back at the red fuck-me shoes by the door, feeling a lot more intrigued about Gemma’s lodger than I had been.

The weather was fine, so we did our usual thing. Gemma’s a member of the National Trust. She enjoys visiting stately homes and wandering around the well-kept gardens, taking photos of plants she likes and then using an app on her phone to identify them. She spends a lot of her spare time tending her garden. After a week cooped up in my lorry, it’s nice for me to get a bit of fresh air, too.

This week we visited a place in Shropshire. We had a quick coffee and cake to keep us going, spent a few hours enjoying the walled gardens and azaleas, and then found a nice country pub to eat in on the way home.

Back at Gemma's place, we had a nightcap before heading upstairs. I lay on my back and Gemma sucked me for a short time, then rode me until she came. She ran out of energy after her orgasm and I had to get on top to achieve my own finale. As I spooned with her, I smiled to myself, content. I smelled Gemma's hair and cupped her tits with my hands.

Then I thought about the red fuck-me shoes now sitting outside Amy's door on the landing.

Chapter Two

On Sunday morning I mowed Gemma's lawn while she weeded her borders and dead-headed the plants in the tubs. We went out for lunch, had a lazy afternoon on the patio, then watched a movie. I headed up to bed at nine as I'd be setting off at two the next morning. Gemma joined me later, and I cuddled her until I got up. As I left her house, I noticed a little blue car parked on the road by the gate. I glanced up at the spare room and saw the curtains were closed. Amy must be back.

I drove to the depot and got into my truck. I headed east and was across the Pennines before sunrise.

By the time the week was over I'd visited all the countries in mainland Britain, calling at Swansea, Bristol, Watford, Nottingham, Derby, Fleetwood, Edinburgh and Sheffield. Five nights alone in my cab meant I was more than ready for my weekend of luxury in Gemma's comfortable bed and comfortable body. As I pulled into her drive on Saturday morning, there was no sign of Amy's car, which suited me fine. After a warm greeting, Gemma nipped off to the post office while I grabbed a couple hours' kip.

I woke when I heard the back door bang. My cock rose at the thought of our usual ritual of afternoon delights. I squeezed it a couple of times and waited patiently. After a few minutes, I heard the door bang again, and then the sound of women's voices. But no sound of footsteps approaching the bedroom.

Sighing, I willed my cock to shrink back to normal so I'd be able to walk. I got out of bed, dressed in clean jeans and t-shirt, and padded barefoot down the stairs. From the hall I could see a tall, slim blonde facing the fridge. She wore a long, tight-fitting skirt that hugged her pert little arse.

Gemma smiled as I walked into the kitchen. "Hiya, I was just going to come up and wake you." Her expression suggested she was just as disappointed as me. "Jon, this is Amy."

Amy turned around to look at me.

Fucking Hell.

She gave me a big smile, showing perfect white teeth. “Hi.” She held out her hand.

“Nice to meet you,” I said, completely enclosing her dainty little hand with my big paw.

She was willowy, and her face gorgeous with big sparkly-blue eyes behind trendy, grey-framed glasses. Prominent cheekbones and a pointed chin gave her an elf-like appearance. Her blonde hair was parted on one side and pinned back over her right ear.

She turned to Gemma. “Sorry for interrupting, but I just need to pick up a few things and then we’re off to Liverpool. One of Ryan’s mates is at Uni there, and he’s having a party.”

While the two of them chatted, I let my eyes wander down Amy’s body. Her skirt was literally to her ankles so I couldn’t get a glimpse of her legs, but the way the material hugged her arse and thighs showed her great figure. Her shoes were grey leather ankle boots with stilettos. I like to see women in sexy shoes, and the image of Amy in those boots and nothing else was a nice one.

As Amy ran up the stairs to get whatever she needed, Gemma leaned closer to me. “It’s a good job she wasn’t ten minutes later, or she’d have arrived during our middle-of-the-day shag.”

I nodded, secretly wondering if the young lodger would have been shocked by the grunts and groans her landlady made during sex.

As Amy gracefully skipped down the stairs with a rucksack over her shoulder, the doorbell rang. “That’ll be Ryan,” she said, walking to the front door.

A few seconds later, she ushered her androgynous beau into the kitchen and did the introductions. Like his girlfriend, he was tall and thin. His blond hair was combed back and held in place with gel. He had a full-sleeve tattoo on his right arm and a metal stud through one eyebrow.

After they’d gone, Gemma looked at me. “What do you think?”

My cock stirred. “About going back to bed?”

“No, you clot. About Ryan.”

I shrugged. “What about him?”

“Did you like him?”

“I only saw him for about twenty seconds—I’m hardly in a position to have an opinion one way or the other.”

“Do you think he’s good-looking?”

I laughed. “Does it matter what I think?”

“He looked nice enough, didn’t he?”

Either she was being over-protective, or she was now wondering if Amy’s mum had a good reason for disliking him. So far, I was with Amy’s mum. “He looks like Amy, and probably spends just as much time doing his hair and make-up.”

She laughed and slapped my arm. “Trust you. Anyway, there’s a new place in town that I thought we could try for lunch, if you fancy it. Then we could drive to the garden centre as I need a couple of things.”

I nodded, then went upstairs to get my shoes on.

The food at Mimi’s was good, though the portions would never satisfy a grown-up. Since the garden centre was quiet, we were back at Gemma’s house by mid-afternoon. She pottered in the garden while I replaced a sidelight bulb in her car, then we sat and watched telly for a while.

By eight o’clock my stomach was rumbling—Mimi’s spatchcock sparrow was never going to keep me going for long. Gemma said she wasn’t very hungry, but when I ordered a takeaway she decided to have something, too. We were tucked up in bed by eleven, and I was tucked up in Gemma by five past. She wriggled and jiggled as I squeezed her nipples and plunged her depths, and again I wondered why she’d never married. I’d certainly landed on my feet when I met her.

Gemma woke me with a cuppa on Sunday morning, but refused to let me park my truck in her loading bay. Instead, she’d thought of another place to visit, and we spent almost two hours wandering through orchid-filled greenhouses before stopping for lunch on the way back. Since I’d be leaving early in the morning, I headed up to bed before nine. I heard Amy arrive back a bit later, but was asleep by the time Gemma came to bed.

I crept downstairs at two, grabbed my bag of clean clothes for the week, and drove to the depot.

Southampton docks, a warehouse in Bristol and numerous pick-ups and drops in and around London kept me in the south of the country for the first couple of days of the week. Throughout, I kept thinking about Amy: her sexy shoes, her big blue eyes, her willowy frame and pert arse.

I was passing Cambridge by the time I ran out of hours and had to stop for the night on Tuesday. I phoned Gemma for a chat as usual, but she cut the call short.

When I called again on Wednesday, the conversation felt a little strained. She wasn't chatty. Usually I got the feeling she was whispering in my ear. Tonight was different, somehow.

"Everything alright?" I asked.

"Yeah, it's fine. Sorry about last night, but Amy was having a bit of a meltdown when you phoned."

"Oh dear. What was that about?" I suspected Ryan had overplucked his eyebrows and then blamed it on Amy.

Gemma sighed. "She called at her house and her mum accused her of being a bad role model. Apparently, her younger sister's started acting up and her mum's blaming it all on Amy."

"Right." I chewed my lip, wondering why Amy's fallout with her mother would be affecting Gemma like this. Something felt wrong. "So, is she alright now?"

"Yeah, she's okay."

There'd been a pause before she answered. "You sure?"

She laughed, but it sounded forced. "I opened a bottle of wine and we sat in the kitchen and bitched about her mum. She cried and ranted, and we worked through a second bottle."

"Probably not the best thing for a girl on antidepressants."

She sighed. "Yeah, I never thought of that at the time. But then all of a sudden, she started acting all weird."

"Weird? You mean raving?"

I waited, wondering if she was trying to decide whether it'd be fair on Amy to tell me about her hysterics. "No, not that. She kissed me."

I caught my breath. "Sorry?"

"Amy was crying, and I had my arm around her shoulder, comforting her. She turned her head to look at me, and our faces were so close, and... And she kissed me."

I couldn't speak for a few seconds, but my mind was reeling in chaos. "Where?"

"On the lips."

I thought about Amy's big blue eyes, sparkling more than usual because of the tears. I imagined her slender body shaking as she sobbed, and Gemma holding her close, pulling her into a motherly embrace. Enveloping Amy in her softness.

"Jon?"

"I'm here. What did you do?"

"I was too shocked to do much of anything, really, but..."

"But?" I heard her take a breath. She hesitated for a few seconds.

"I kissed her back."

I didn't know whether to laugh or cry. What I did know was that my dick was growing inside my shorts.

"The two of you kissed?"

"Mm hmm." The intimate sexiness was back in her voice, or maybe that was just my own interpretation. "Are you angry at me?"

"No, of course not." My left hand had somehow found its way inside my shorts and was slowly sliding the skin of my cock up and down. I needed details but didn't want to sound too eager. I had to let her tell me in her own time.

"Are you jealous?"

Her question unnerved me. At first I thought she was asking if I was jealous because she'd got to grips with the woman I'd been thinking about all week. Fortunately, I realised what she'd meant before I said something stupid.

“No, love. I imagine things were emotional, and that you were both just caught up in the moment.”

I could hear Gemma’s breathing. Even without seeing her expression, I knew there was more to it than she was letting on. I pumped my dick a bit faster.

“Jon?” Her voice was a silky whisper, like a tongue running over my earlobe.

“Hmm?”

“Amy spent the night in my bed.”

You jammy bitch. “Oh?”

“And we did more than kiss.”

I closed my eyes, my left hand moving faster still. I’d need to reach down for my wank-sock any minute. “And what *did* you do, exactly?”

Finally, she gave her sexy giggle. “Maybe we should wait till the weekend, then I can tell you to your face. I’d rather be sure you’re not scowling.”

“Yeah, that’s probably best.” I’d be much happier for her to tell me while my dick was buried up her snatch. “But I promise, I’m not scowling.”

Another giggle. “Well, I suppose I’d better let you get some sleep. Where are you off to tomorrow?”

I was getting so close to blowing my wad that I couldn’t remember. “A few different places, all up north.” I used the light of the screen to locate my wank-sock. Once I’d grabbed it, I trapped the phone between my ear and shoulder while rolling it on.

“Well, I feel better now I’ve told you. Chat tomorrow?” She did sound more like her old self than she had at the start of the call. Confession and absolution over the phone.

“Yeah. Bye.”

“Night night.”

I dropped my phone on the pillow and changed hands, now using my right to pump and twist my sock-sheathed dick as I pictured Amy’s lithe body moving against Gemma’s curves. Before I’d had the chance to imagine what they’d done to each other, I was spurting my goods into the

sock. I imagined filling it up like an icing pouch, then piping my cum all round Gemma's nipples and watching Amy lick it off.

I lay still for a couple of minutes, then chucked the sock on the floor and stared into the darkness of my cab. I doubted Amy would've been as honest with Ryan about what had happened; young people tend to be too possessive. I wondered if Gemma and Amy would share a bed again before I got back at the weekend.

There were so many thoughts crashing through my mind, I doubted if I'd be able to sleep at all.

Chapter Three

When I spoke to Gemma on Thursday night, I deliberately didn't mention Amy, even though I was really curious about how the two of them had reacted after their night together. Was it all embarrassed glances and silence, or did they have another fiddle before showering together?

Gemma told me about one of her neighbours crashing his car into his own brick gatepost that evening, and I told her about a driver I'd met earlier who claimed he'd won ten grand on a scratch card. Just as we were winding the conversation up for the night, she asked me if I'd changed my mind about being jealous.

"No," I said.

Gemma took a breath, and I could tell she'd turned more serious. "I know that you've said that before. I mean last year, when... you know."

She was referring to when one of the men from the accounts department asked her to accompany him to a formal dinner.

"Gemma, we're both grown-ups. Whatever happened then is your business. Same with Amy. I think it's nice that you gave her comfort and had a little fun in the process."

She giggled then, and we said goodnight.

I thought back to the previous year, remembering how she'd been against going to the dinner—or at least pretended to be against it. I'd insisted, saying there was no reason for her to sit at home every night just because I was on the road. Afterwards, she'd told me she'd had a nice time, but there'd been something in her demeanour that made me wonder exactly what part had been nicest. A few weeks later she'd recommended a restaurant we should try, and seemed embarrassed about having been there before. I didn't pursue it, but I was pretty sure she'd gone there with the accountant.

Friday was a nightmare of traffic jams and roadworks. An upgrade to a smart motorway may have been the intention, but there's nothing smart

for the drivers gridlocked for hours on end. I had a shorter sleep than usual in the afternoon, so needed to take a forty-five-minute stop before my drop to obey the tachograph rules.

When I got to Gemma's on Saturday morning, neither woman's car was there. The house was quiet. I showered, closed the blackout blind and curtains, and slipped naked into bed.

The feeling of someone lifting the quilt at the bottom of the bed roused me from my slumbers. I felt soft kisses moving up my legs, and smiled to myself. My flaccid cock was enveloped in the soft, wet warmth of a mouth, and it didn't stay flaccid for long. She released it, then kissed her way up my stomach and chest.

When Gemma's head emerged from the quilt, she kissed me hard, pushing her tongue into my mouth. "Hello, you," she said in a thick, breathless whisper.

"Hi."

Cool fingers wrapped around my dick. "Got something for me?"

"Mm hmm."

She manoeuvred herself and held my cock at her entrance. I placed my hands on her hips and pushed her down onto it, relishing the heat of her tight, welcoming hole.

"Oh, fuck," she whispered. Her tits crushed against my chest as she moved against me.

"And have you got something for me?" I asked, nibbling her ear.

She sighed. "You're already in it."

"I meant have you got something to tell me?"

I felt her smile against my neck. "You're supposed to wait until I can watch your face."

"I've waited long enough. Besides, how can I scowl while you're doing this to me?"

"Mmm..."

I pushed down with my hands and up with my hips, poking as deep as I could. She grunted, so I did it again.

"If you keep doing that, I won't be able to tell you anything."

“Sorry.” I stopped pushing and ran my hands over her back. “Tell me.”

“We were in the kitchen and she was upset. Somehow, we ended up kissing.”

“And?”

“I didn’t know what to say, then she kissed me again. I guess it got more heated.”

“Heated?”

“Passionate.”

I shivered. “Tongues?”

She nodded. “When the second kiss broke, she led me upstairs. I didn’t stop her.”

“Where did you go?”

“In here. We kissed again, wrestling the clothes off each other.”

I closed my eyes. There was a strong chance I’d be blowing my load before she got to the good bit.

“We got into this bed. She’s so tiny and soft compared to you. We moved together—”

“Who was on top?”

“Amy.”

“Was it weird to kiss a woman for the first time?”

She paused, and I lifted her head to look into her face. “*Was* it the first time you’d kissed a woman?”

“No.”

I definitely wanted more of those details, but not now. “So, what happened next?”

She moaned. “What happens next is that I’m coming on your cock.”

I pushed up into her again, and squeezed her arse cheeks in my big hands.

“Oh...” She bit into my shoulder and I felt her tighten around my dick. Her legs trembled.

I held her close until her muscles relaxed, and she began moving slowly on me again.

I grew impatient. “You were saying?”

Gemma took a breath. “We kissed as we moved. The friction of our naked bodies rubbing together brought us both off.”

I scratched her back as I pictured the scene.

“After that, we explored more.”

“Explored?” My voice was hoarse.

“We kissed each other. All over.”

“Tits and minges?”

She lifted her head and smiled down at me. “You’re getting off on this, aren’t you?”

“Of course I am. Did she lick you?”

“Yes.”

“Did you lick her?”

“Yes.”

“Did you both come again?”

She rocked her hips faster, which had the same effect as a racing driver shaking the champagne magnum on the podium. My spunk seemed to bubble and froth in my sac.

“Yes, we both came again. Amy first, on my tongue. Then me, on hers.” She kissed my ear, which she knows I like. “Then she used my vibrator on me and made me come for a third time.”

The cork popped and my champagne came spraying out, splattering her insides. My legs locked straight, and I cried out with the release.

Gemma sat up and bounced on my dick. I shuddered as my next spasm fired more spunk deeper into her bisexual cunt. She scratched my thighs, and I fired a third dollop. Then a fourth. By the time I’d stopped coming, I’d probably lost a pound in weight.

“Don’t move.” She closed her eyes and rocked herself on the softening flesh of my dick, grinding her clit on my pubic bone.

I brought my hands up and cupped her tits, moving my thumbs over her taut nipples. I watched her face, caught in a half-frown as if

concentrating on finding her way through a maze. She sighed, then moaned quietly. She was almost there—must have been able to sense her release just around the next corner. I pinched her nipples gently. She opened her eyes and looked at me. Then she came, breathing hard through clenched teeth, lips drawn back. Her contractions almost forced my dick out. Her eyelids fluttered, then closed.

Finally, she lay forward on my chest. I could feel her heart pounding and I kissed her hair. We lay in silence for quite a while. I thought she'd fallen asleep, but then she spoke in a quiet voice.

“Jon?”

“Hmm?”

“You remember Alistair, the accountant?”

I opened my eyes, puzzled. “Yes.”

“I saw him again a couple of weeks after the dinner.”

I rubbed her back. “That's fine.”

“And I slept with him.”

I squeezed her tight, wondering why she'd felt the need to tell me now. “I know.”

She tilted her head and looked up into my eyes. “You knew?”

I shrugged. “I *assumed*, is probably more accurate.”

“And you didn't mind? Didn't care?” She looked disappointed.

“It's not about minding or caring. You're not my possession. You're a grown woman who can make her own decisions.”

She sighed. “I'm sorry. I wanted to tell you at the time, but when I thought about how your marriage ended, I didn't want you hating me.”

I laughed. “You're allowed to live your life however you want. I'm away all week, and we're not married. You've made no promises, and there's no vows to abide by. I'm happy that when I'm here, we're together.”

She bit her lower lip. “I slept with Amy a second time.”

My cock twitched. “I assumed you'd do that, too.”

“Listen, about Amy...”

“Hmm?”

“I haven’t told her that you know, and she’s asked me not to mention it to Ryan.”

I nodded, then grinned. “So, you’ve kissed girls before?”

She slapped my arm and got out of bed. “Pervert. I’m going for a shower.”

I watched her walk naked out of the bedroom and smiled to myself. *My girlfriend swings both ways, and she’s done so for a while.*

I showered after Gemma, and we went downstairs for a cuppa and a slice of toast. We had a quiet afternoon at her house, then went to an early showing of a film she wanted to see, followed by an Italian meal. When we got home, the house was empty. Gemma explained that Amy and Ryan were away camping for a long weekend, and we’d have the house to ourselves.

As I sat in the armchair sipping a cold beer, Gemma knelt on the carpet between my legs. I watched with pleasant surprise as she put my bottle on the floor, opened my jeans and fished out my dick. Never taking her eyes off mine, she leaned forward, parted her lips and took me deep into her mouth. I let out a shuddering breath.

Her eyes smiled, and she went to work on me.

My breathing grew shallow. “Gem, you don’t need to do this.”

She released me from her lips. “I want to.”

I smiled. “And I want you to, but what I’m saying is, I could go inside you now. Give pleasure as well as receiving it.”

She shook her head. “This time it’s just for you.” With that, she took me back into her mouth and worked her magic.

Over the next few minutes I sighed, I moaned, and I groaned. Then I gripped her hair and closed my eyes and succumbed to the inevitable. With a grunt, I came in her mouth, digging my heels into the carpet as the orgasm washed through me, sending jolts up my spine.

When I opened my eyes, she was watching me. My dick was still in her mouth, and she’d not spilt a drop. She slowly released it, kissed it then tucked it back into my boxers.

“How was that?”

“Amazing, but I don’t want you to feel obliged to compensate for whatever goes on while I’m not here.”

“That wasn’t compensation.” She ran her hand down my leg. “It’s been a while since we’ve done that, and I did it for me.”

I wondered if she was going through some sort of sexual reawakening. I certainly wasn’t complaining.

She passed me the bottle. “Finish your beer, then take me to bed. We need to be up early tomorrow.” She’d bought tickets for a horticultural event at Chatsworth House.

“I don’t think I’ll be much use to you for an hour or two.”

She laughed. “Don’t worry, I won’t make any demands.”

We stayed in the living room for another few minutes. I finished my beer and dropped the bottle in the recycle bin, locked up and turned out the lights.

When we got into bed, she didn’t need to make any demands. She kissed me, having not brushed her teeth. I could taste my dick and my cum. Gemma always brushed her teeth, and I knew she’d not done so on purpose. She was still horny, and I was happy to oblige.

I pushed her onto her back, and she giggled. “I thought you needed an hour or two, first.”

“I might have done, if you’d brushed your teeth.”

“You like me tasting of you?”

I nodded and guided my cock between her spread thighs.

“You like me acting and tasting like a slut?”

“Yeah.” I buried myself inside her.

“So treat me like your slut.”

“Why would I do that?”

“Because it’s what I deserve, and it’s what I want.”

This was new territory for us, and I wasn’t sure what to do. “So how do I do that, exactly?”

“Fuck me hard. Make me scream. Hurt me with your cock and drench me with your cum.”

I don't know if I ticked every box on her wish-list, but I fucked her as hard as I could for as long as I could. I held myself up on straight arms and pumped my hips, and she screamed and shook through two orgasms.

She'd told me to drench her with my cum, so I withdrew and fired it all over her tits. She squealed in shock, but then moaned and rubbed it in, tweaking her own nipples and making all sorts of slutty noises. I loved every second of it. By the time I'd finished pumping my hand, my dick was sore.

She looked down at herself and shook her head. "I meant drench my insides. I'm going to have to shower this off."

I smiled. "Brush your teeth, too."

She slapped me and got out of bed. Five minutes later she was back, smelling of lemon shower gel and mint toothpaste.

We fell asleep immediately.

* * * *

After breakfast, we set off for Chatsworth. She'd offered to give me a break and do the driving, but I'm not the world's best passenger. I drove and she sat beside me, looking out at the countryside.

"I can't believe you knew about Alistair."

"Alistair?"

"The accountant."

"Ah." I shrugged. "I just expected it'd happen. If I'd been him, I'd have tried to get you into bed."

She shook her head. "I'm sorry."

"Don't be."

"Have you slept with anyone since we've been seeing each other?"

It didn't sound like an accusation, but I had no reason to lie. "No, but then nobody's asked me out to dinner."

She laughed. "We both know I couldn't complain if you had, so there's no need to hide things."

"If there was anything, I'd tell you."

She nodded, then went back to looking at the countryside.

After parking at Chatsworth we headed into the crowds, all talk of sexual infidelities seemingly forgotten. The ticket included a buffet lunch but rain arrived in the afternoon and we left earlier than planned. On the way home, we took a detour to the small picturesque town of Matlock Bath and stopped for afternoon tea. The rain had stopped by the time we came out of the café, so we walked hand in hand along the side of a river where parents rowed small boats and their children laughed.

Gemma was silent as we drove home. We watched TV, had a light supper and an early night. We slept naked but only cuddled. I got up at three and headed off, wondering how many times Amy would share the bed before my return next weekend.

Chapter Four

From my phone conversations with Gemma throughout the week, I'd learned that Amy and Ryan's camping trip hadn't gone well. They'd separated again—though she reminded me the couple had separated numerous times over the last few months. I hadn't asked if she'd been comforting Amy since. As I'd found out, those sorts of details were better discussed face-to-face.

Gemma gave me a brief kiss and cuddle when I arrived on Saturday morning, and then I headed up to bed as usual. I woke alone sometime later. Gemma hadn't joined me, so I assumed Amy must still be around. I dressed and went downstairs, finding the two of them sitting at the table on the patio. It was a bright, warm day.

Amy squinted up at me, the sun on her face. "Hello again."

"Hi," I said, worried I was invading their privacy.

Gemma gave me a warm smile, which made me feel better.

"Anyone fancy a cuppa?" I asked.

Amy shook her head. "Not for me, thanks. I'm meeting a friend soon. We're catching a train into Manchester—a bit of shopping, and something to eat."

I looked at Gemma.

"A tea would be lovely, thanks pet."

I went into the kitchen and put the kettle on. Before it had boiled, I saw Amy come in and walk up the stairs. She was barefoot and wearing a knee-length skirt. It was the first time I'd seen her legs, which were tanned and toned. The image of them draped over Gemma's shoulders was a nice one.

I poured two mugs of tea and turned just in time to see Amy at the top of the stairs. She'd put on a pair of black high-heeled sandals and I stared at them as she carefully came down. When she got to the bottom, she held my gaze for a few seconds. I realised she'd seen me staring at her legs and shoes. She'd taken her glasses off—presumably now wearing contacts—and applied lipstick. She looked really good.

I followed her out to the patio, carrying the mugs while struggling to keep my eyes from her arse and legs. And shoes.

“Right, I'm off,” she told Gemma.

“Okay, have fun.”

Amy turned to me. “See you later.”

I nodded and smiled. Once she'd gone, I dropped into the chair she'd vacated. “She doesn't seem too upset about the split from Ryan.” I was giving Gemma the chance to tell me if there'd been more lesbian lust, but she wasn't forthcoming.

“She's been fine. Her mum phoned to say she could move back in, providing she promised to stay away from Ryan.”

“Her mum sounds like a twat.”

She shrugged. “Maybe. I guess she just wants what's best for her daughter.”

I nodded, then thought about what Amy had said about her plans for the day. “Is she coming back here tonight?”

“Yes. She asked if I wanted her to make herself scarce, but I told her there was no need.”

I sipped my tea and thought about us all being under the same roof for a night. My cock thickened.

“What do you want to do today?” she asked, looking up at the clear blue sky.

“Happy to do whatever you want. I’ve spent all week sitting on my arse, so if you want to go for a hike or something, that’s fine with me.”

* * * *

After walking for a couple of hours in the hills around Buxton, we stopped in the spa town for something to eat. My discretion finally gave way to my curiosity while we waited for our food.

I leaned close enough to whisper without the chance of being overheard. “So, have you needed to comfort Amy at all this week?”

Gemma looked at me and smiled, but didn’t answer.

“Sorry. It’s none of my business.”

She pushed her leg against mine under the table. “Course it’s your business. And the answer’s no, nothing’s happened.”

I nodded, trying to hide my disappointment.

Our food arrived and we chatted about our respective weeks. We had another drink, then returned to an empty house. Gemma opened a bottle of wine and we sat and listened to music.

Amy arrived back around nine-thirty, shopping bags dangling from each arm.

“Come and join us for a drink,” Gemma said, and she headed upstairs to drop off her purchases.

I leaned closer. “If she’s on antidepressants, she shouldn’t really be drinking.”

“She stopped taking them a couple of weeks ago. Said if she doesn’t see her mum, she’s not depressed.” She went to the kitchen for another glass.

Amy came back into the living room. I was pleased to see she’d left on her sexy black sandals. She sat in the armchair opposite, and slowly crossed her legs. I didn’t avert my gaze.

Gemma returned and poured Amy some wine. “So, how was Manchester?”

“It was great. On sunny days there’s a really good atmosphere. Buskers and loads of stuff going on in the streets.” She glanced from Gemma to me. “What did you two get up to, or shouldn’t I ask?” There was a twinkle in her big blue eyes.

“We went for a walk, thank you for asking.” Gemma said, smiling.

“Yeah, I’m sure.” Amy looked at me. “So, Gem tells me you spend all week in your wagon.”

“Yep.”

“Isn’t it a lonely life?”

I wasn’t sure if she was teasing, or genuinely interested. “It’s okay. I meet people every day, talk to other drivers and warehouse staff where I unload or pick up.”

Her smiling eyes widened slightly at the word ‘unload’. She was blatantly flirting, and Gemma must have seen it.

I tried to maintain a friendly conversation. “How do you like working at the council?”

She shrugged. “The work’s a bit dull, but the people are nice.” She flashed Gemma a smile. “Some nicer than others.”

Amy rotated the ankle of her hanging leg, as if inviting inspection. I couldn’t resist glancing down. When I looked back, she was smiling at me. She’d wanted to make me look at her shoe. At her legs. She was either a natural prick-tease, or just trying to reassure herself that Ryan should try harder to hold on to an attractive girl like her.

I glanced at Gemma but couldn’t read her expression.

Amy took another sip of her wine, keeping her eyes on me all the time. “So, how long have you been seeing Gemma?”

“A couple of years. How long have you been seeing Ryan?”

Her eyes narrowed slightly. “Same, but we’re a bit on and off—if you know what I mean.”

I nodded. “It happens.”

She tilted her head to one side. “I think you’re very lucky to have someone like Gemma.”

“I agree.” I thought about adding, ‘so are you’, but didn’t want to put Gemma in an awkward position.

She flashed her eyes again. “But then, I suppose Gemma is lucky to have you, too.”

“I’m not so sure about that,” I said with a laugh.

Amy smiled and rotated her foot again. “Oh, I think a big strong man returning every weekend to warm her bed must be nice to look forward to.” She glanced at Gemma. “Isn’t it?”

Gemma looked at me as she answered. “Yes. It’s very nice.”

I drained my glass, then refilled it, also topping up Gemma’s, then offering to do the same to Amy’s. She smiled and held out her glass, and I poured.

Amy looked at Gemma. “I think,” she mock-whispered, “he’s trying to get us drunk.”

“And why would I do that?”

“It’s what men do.”

If Amy wanted to play the prick-tease, I was happy to go along with it. I allowed my eyes to wander down her body, lingering on her legs and sexy shoes. “If you say so.”

The two women shared a look. I remembered Gemma’s sudden confession about the accountant. Why would she bring it up after all this time?

Unless...

The accountant worked for the council. Maybe Amy knew about their fling. Was Gemma worried she’d tell me?

Then I remembered the blow job.

Could Gemma feel so guilty that she’d suggest I sleep with Amy as compensation for her sleeping with the accountant?

I immediately dismissed that theory—I’d told her enough times I didn’t have a problem with it. It had been me who’d insisted she go on the date.

Amy was staring into space, listening to the music. I sipped my wine and ran my eyes over her body again. Even though I’d dismissed the

possibility of Gemma offering up her young lover as a sacrificial lamb, the idea of sleeping with Amy lingered on in my brain. I thought about her young, lithe body. Her pert arse. Those long, shapely legs, and her flirtatious teasing.

The seed had been planted. Once that happens—if the conditions are right—germination takes place. I glanced at Gemma. Could I use the fact she'd slept with the accountant as leverage to get between Amy's thighs?

I know I could.

Amy broke my reverie. "I wonder what Ryan's doing now?"

I glanced at Gemma, worried that Amy was going to start blubbering. I shrugged. "Having his scrotum waxed?"

Both women giggled.

Amy's expression turned hard. "He's probably out on the town, trying his hardest to shag someone new before he comes crawling back."

Gemma sat forward, looking concerned. "Do you think he'd do that?"

"He's done it before. In fact, I'm pretty sure one time we broke up was because his mate's pretty cousin was over visiting from Australia, and it suited Ryan to be single while she was here."

"Wow." Gemma shook her head. "Is that the sort of person you'd want to spend your life with?"

Amy shrugged, then looked at me. "What do you think?"

I think he's a cunt, and that the two of you deserve each other.

"None of my business."

"But you must have an opinion." She licked her lips, tilted her head to one side again.

"Sounds like he's not ready to settle down. But that's just the opinion of a man who got married at twenty-three and divorced at twenty-five."

Amy nodded slowly, as if considering my answer, then turned to Gemma. "What do you think, Gem?"

Gemma gave a rueful smile. "You shouldn't ask a forty-one-year-old spinster for romantic advice."

“Aww.” Amy dropped onto the floor and crawled over to put her arms around Gemma. “There’s nothing wrong with being unmarried in your forties.”

I watched as Amy knelt on the carpet and hugged my girlfriend. Gemma looked at me over Amy’s shoulder.

I know I could, but don’t think I should.

Amy turned her head to look at me, but kept her arms around Gemma. “I think you’re lucky.”

“You’ve already said that, and I’ve already agreed with you.”

“But *I* know how special she is.”

“I’m sure you do.”

Amy glanced back at Gemma, a questioning look on her face.

Gemma held my gaze for a second, then seemed to make a decision. “Jon knows about us.”

Amy’s perfectly sculpted eyebrows shot up and her red lips formed a perfect O. She looked at me with what seemed like renewed interest.

“And how do you feel about it?”

I shrugged. “Gemma’s a grown-up, and she decides what goes on in her life.”

“So you don’t mind?”

“Course not.”

“Do you know I’m not her first?”

I glanced at Gemma. I wasn’t sure if Amy’s little dig was about Gemma kissing other women before, or about her thing with the accountant. I decided to let my answer cover both possibilities. “Gemma makes her own decisions. She can do whatever she likes when I’m not here.”

Amy pursed her lips for a second. “And what about the decisions she makes when you *are* here?”

Gemma was watching me. She looked semi-afraid, but there was also the hint of a challenge in her eyes.

“Like I said, she has a free rein.”

Amy grinned. “So you wouldn’t mind if I did this...?” She leaned close and kissed Gemma on the mouth.

My cock twitched, but I tried to maintain indifference.

Amy broke the kiss and turned to me. "You didn't mind that?"

"Why should I?"

She narrowed her eyes. "Should I do it again?"

"You'd better ask Gemma."

"I don't need to ask her. I know she wants me to." Smiling, Amy leaned forward and kissed Gemma again. This time Gemma kissed her back, her hand slipping to the back of Amy's head.

I looked at Amy's arse and her sexy black shoes. The soles were red, the black stiletto heel pointing straight out behind her.

I don't think I should, but I know I would.

The women kissed for about a minute. When they finally came up for air, they both looked at me.

Amy shook her hair back. "Maybe we could go upstairs, and me and Gemma could put on a show for you."

"Is that what you want?" I asked Gemma, blanking Amy completely.

Amy narrowed her eyes again; it was something she did too often. "I think it's what we all want."

She stood up and held out her hand to Gemma, who slowly got out of her chair. The two women walked hand in hand out of the living room and up the stairs. Leaving the wine on the table and the downstairs lights on, I followed.

Chapter Five

In the bedroom, the women kissed again. Amy was taking the lead, and I wondered if this was how it always happened, or if Gemma was holding herself back because I was there. I watched Amy's slender hands moving slowly over Gemma's chest, caressing her tits through the blouse and bra. As Amy tweaked her nipple, Gemma moaned.

Amy broke the kiss and moved her mouth to Gemma's neck, and Gemma's eyes fell on me. Was she hoping I'd ask them to stop?

Amy trailed her kisses up to Gemma ear. They started slowly undressing each other—Amy undoing the buttons of Gemma's blouse, and Gemma pulling up Amy's cashmere sweater. I saw glimpses of Gemma's cleavage and Amy's waist and back. My dick was getting thicker by the second.

The women briefly stepped away from each other, both of them breathless. Gemma let her blouse slide back and down her arms, and Amy pulled her sweater over her head.

As they resumed their kissing, I studied the differences in their upper bodies. Gemma was pale and voluptuous, her boobs spilling slightly from the laced edge of her cream bra. Amy was tanned and athletic, her smaller boobs completely covered by a pale blue satin bra. Amy undid Gemma's jeans and pushed them down over her hips, then squatted a little to ease the denims over thighs and knees. Gemma wiggled her legs in turn to help Amy tug them off her feet.

I watched Amy's body. Her arse looked perfect as she crouched down on bent knees, as did her calves. The view was made all the sexier by the fact she was still wearing four-inch heels. I was pretty sure Amy knew I'd be watching; she'd seen me staring at her shoes and legs earlier.

Amy straightened up and smiled at Gemma, then reached behind her own back and released her skirt clasp. The soft material slithered down her

long legs, and she stepped out.

Standing in her blue bra, matching panties and black high-heeled sandals, Amy looked like every man's dream. She shook her blonde hair back and put one foot slightly in front of the other in a beauty queen pose. Then she turned her head towards me and narrowed her eyes for what seemed like the fiftieth time.

She was rightly proud of her body. To my untrained eye, she looked as perfect as any of the models I'd seen on fashion posters or in adverts. She was tall, with a willowy frame and beautiful face. Though she stood wearing nothing but underwear and high heels, her standout feature was still her eyes, crystal-clear blue like those of a child's doll.

But I didn't like Amy.

I considered her spoilt and vain. Gemma had described her as fragile, but I suspected that had been an act to garner sympathy. Amy was calculating and manipulative, and if I had an ounce of decency, I'd leave the house now and tell Gemma to phone me when they'd finished.

But that wasn't going to happen.

While Amy was watching my face, I let my eyes wander down her body. Her legs looked amazing.

Amy licked her lips. "Are you going to join us?"

I glanced at Gemma, who smiled. She wanted me to join them, but I suspected the driving force for that was to stop her guilty feelings about fucking that accountant.

Well, who am I to deny her absolution?

"I'll watch your show for a little while, then join in later."

Both women seemed happy with my answer and Amy unclipped her bra between the cups. As she slid it off her shoulders and down her arms, she arched her back and presented her nipples to Gemma, who was barefoot and naturally a few inches shorter. With the heels, Amy towered over her, and Gemma could suck her cherry-like nipples by simply tilting her head down slightly.

Amy sighed and ran her fingers through Gemma's hair. "Oh, baby."

It seemed a strange thing for a girl to say to a woman twice her age, but I didn't care. My girlfriend was sucking the tits of her young lover, and I wasn't going to let stilted asides spoil my enjoyment.

Gemma worked her thumbs inside the waistband of Amy's panties and slowly peeled them down, revealing two perfect, spherical cheeks. While I was watching Gemma's hands cup and squeeze Amy's arse, Amy had released the catch on Gemma's bra. The women embraced and squashed their bodies together. They toppled onto the bed, giggling, and Amy reached down and pushed her panties completely off, though I noticed she was careful not to remove her sandals. Gemma stripped off her own panties and lay on her back with her legs spread.

I felt my throat constrict as Amy's fingers ran through the dark curls of my girlfriend's bush. The hairs either side of her snatch glistened with her juices. Amy ran the tip of her middle finger slowly up through her folds, then round and round her clit. After a few seconds she slipped her finger inside, letting her thumb take over clit duty.

Gemma gasped, reaching up and pulling Amy's head towards her tits. I watched in silence as Amy finger-fucked Gemma while sucking on her tits. My cock swelled further. I let my eyes wander to Amy's raised, perfect rump as she knelt on the bed. I admired her firm arse and got the first glimpse of her pink twat.

Gemma moaned, and Amy clambered around on the bed until she was on her knees, facing me, straddling Gemma's head. She was in position to lower herself down and do an all-girl sixty-nine, but she kept her face up, looking at me.

When she sighed, I realised Gemma had started working on her with her mouth. I watched Gemma's chin moving as she kissed, licked and sucked at Amy's sex.

It was time for me to join the fun. After kicking off my shoes, I lifted my t-shirt over my head and then stripped down to boxers. Amy's eyes fluttered and she let out a whimper. She probably did it for effect, but she still looked really fucking sexy. She looked down at my boxers and frowned, and I pushed them down and off.

Amy stared at my cock, which was now somewhere between a semi and a hard-on. I put one knee on the bed and leaned over Gemma, ostensibly so I could grope her tits, but it was actually so I could get my dick in the vicinity of Amy's face.

I watched her big blue eyes staring down at it. She looked a little uneasy. Maybe Ryan wasn't the all-round hunk she'd thought he was.

I leaned further in, moving my hand to Gemma's other tit. Amy glanced up at my face, then moved her head forward, opening her painted lips as she did so.

Ah, yer fucking beauty.

Her hot little mouth could only just fit round the knob end, but she squeezed my shaft with her hand, giving it a twist and a pump.

I knelt upright and let her suck my dick for a few seconds, then laid a hand on Gemma's thigh and slid it up to her snatch. Not fair to leave her unattended.

I slipped two big fingers in and tried to reach her bellybutton from the inside, getting a moan of appreciation in the process—though it was a muffled moan thanks to Amy's minge.

I could tell both women were getting close by their groans, and I found my voice. "Okay, let's change it up. Amy, you kneel here and bring Gemma off with your tongue."

Amy released my dick from her mouth, but kept it in her hand for a moment, as if weighing up the possibility of it fitting inside her.

Gemma watched as her young lover knelt between her spread legs. As Amy lowered her head, it gave me an unobstructed view of Gemma's face. I held her gaze. She tried to give a reassuring smile, but I got the impression she wasn't completely happy about sharing. I didn't know who she was reluctant to share: me or Amy.

Gemma gasped when Amy's tongue made contact, and I moved my attention down to Amy's other end.

She had her knees spread wide on the bed, and I ran my hand over her arse. It felt firm and soft and perfect, like a hot peach. I bet Ryan didn't appreciate how lucky he was, that girls his age only felt like this for a

limited part of their life. As somebody once said, youth is wasted on the young.

I ran my palm down her arse and slipped a finger between the slick outer lips of her sex. She was sopping, thanks to Gemma's talented tongue.

I withdrew my hand and gripped my dick, tracing the domed head over the porcelain-smooth skin of her thighs and arse cheeks. I slid it between her legs, letting the puffy thick lips smear their juice along the upper side of my shaft. Then I nosed the end of my cock just inside her entrance, easing it forward and back to get the entire tip well-lubed.

I looked at Gemma's face again, and she was watching me through half-open eyes, her breathing shallow. She was close. I decided to delay my own pleasure until she'd come because I was pretty sure that Amy wouldn't be able to give Gemma the attention she needed if I fucked her now.

"Oh, yeah." Gemma's fingers snaked into Amy's hair and abruptly pulled her close, crushing her pretty face against her cunt. "Ahh..."

I ran my cock through Amy's labia again, eager to fill her. When I glanced at Gemma, she was biting her lower lip and rocking her hips, grinding her mound against Amy's face as she jockeyed the aftershocks.

I raised my eyebrows, and she smiled and nodded, giving me the green light.

I gripped Amy's hips and pushed forward, cramming my big fat cock into her tight, size-eight twat.

She screamed and threw her head up, arching her back.

I pulled back and forced it in further, feeling her inner walls stretching around my meaty invader. She howled again, started panting through her mouth like a woman in labour.

Not so fucking self-confident now, are you?

When I pushed in the third time, I ran my hands up along her stomach and cupped her tits. She was firm and taut all over. A truly wonderful body that deserved to be relished.

I took pity on her. I fucked her slowly, but only pushed in about halfway, maybe a little more. She was still wailing and panting, but at least she was now moving with me.

Gemma touched Amy's face. "How do you like his cock?"

Amy's response was a loud grunt as I gave her maybe seventy percent. She was so fucking tight it was untrue. And suddenly, she became much tighter.

"Oh. Oh God..." Amy screamed as she came and, acting a little over-eager, I lunged in a little further. "Jeez...us! Don't push any more in."

I glanced at Gemma and knew what I wanted. I slowly rocked my hips and let Amy finish coming on my cock, then I eased out and lifted her to one side.

I smiled down at Gemma, then looked at Amy. "I'm getting close. When I come, I want to be bollock-deep, and I don't think you're up to that yet."

Amy frowned, but I was already driving my rig towards home. I positioned my dick between Gemma's welcoming thighs and sank all the way in.

"Oh yeah." She slipped her hands around my waist and lifted her legs up to her chest. "Fuck me and fill me."

I didn't know if this was for my benefit or Amy's, but I did exactly what she asked. I pushed in deep and rode her hard. After less than a minute, I blew my load deep inside her, much to the delight of a grateful Gemma.

We all scampered up the bed and lay in silence with our heads on the pillows but still on top of the quilt, Gemma in the middle. She looked happy, and she turned and kissed my cheek. When she turned to Amy, I thought the younger woman looked a little bit dazed. Her eyes seemed unfocused, and she'd lost the initiative she'd shown when the two women were performing.

Chapter Six

We lay in silence for just a couple of minutes, and Gemma ran her hand over my tummy, scratching it with her nails.

Amy took a breath. "That was my first ever threesome."

I nodded. "Mine too."

Both women turned towards me, then Amy ran her hand down Gemma's face. "But it's not Gemma's first threesome, is it babe?"

This was news to me, but it was sexy news.

Gemma shook her head and sighed, embarrassed. She wouldn't look at me.

Amy put her hand up to her mouth. "Sorry, shouldn't I have said anything?" She might look like a model, but she couldn't act.

Gemma finally looked at me and frowned.

I squeezed her leg. "Don't look so guilty. I'm impressed."

She laughed and slapped my arm.

I grinned wildly. "I bet you've had foursomes and more-somes, you randy bitch."

"Piss off." She giggled, and I could see the embarrassment ebbing away. "There were only three of us."

"Two men, or...?"

She smiled. "Me, and one of each."

The idea of Gemma in another threesome turned me on more than it probably should. "Was it a one-off, or a regular thing?"

"I'm not sure it could be classed as a regular thing, but it happened several times."

"Same people?"

She nodded.

"Lucky guy."

Amy scoffed. "But the bastard left Gemma for the other woman."

I looked at Gemma, saw a sadness there. "He was your guy? The one you lived with?"

She nodded.

"And the other woman?"

"A friend of mine."

I leaned close and kissed her on her mouth. "I bet he's regretted it a hundred times over. But his loss is my gain."

She smiled. Her hand gripped my dick and I thought about her doing this with two other people. I soon grew hard.

Gemma kissed me, then turned to Amy. "Think you can take his cock yet?"

Amy smiled defiantly. "Of course I can take his cock." She looked over at me, and the self-confidence was back. "I just hope he can last a bit longer this time."

Cheeky fucking bitch!

"I'll see what I can do." I climbed off the bed and looked at Gemma. "Kneel here," I said, tapping the space I'd just left.

I walked to the foot of the bed and looked up at Amy, who was still wearing her shoes. I ran my hand down her leg and over the heels. "You want to keep these on?"

She smiled. "Do you want me to?"

I nodded. "Just make sure you don't stab me with them."

I pulled her down the mattress a bit, then climbed on the bed between her knees. "Gemma, straddle her face."

Gemma frowned. She looked down at herself, then at my dick. I knew what she was trying to convey—her snatch was full of my spunk. It was why I'd got her in that position. I smiled. "Amy won't mind, she wants to enjoy all the benefits of a threesome."

Gemma looked down at her. "I might be a bit messy down there."

Amy licked her lips. "That's okay, I swallow."

I smiled and looked down at Amy's perfect body and beautiful face. Although I didn't like her very much, I was going to fuck her brains out,

and I was going to enjoy every second of it.

I pushed in slowly, and she moaned. I pulled back and eased in again, holding still while her body stretched and adjusted.

“Lick her,” I instructed.

Amy raised her head and I saw her tongue probe Gemma’s twat. I pushed my dick in further and smiled at Amy’s groan.

Amy was making slurping noises, and knowing what she was tasting turned me on even more. Gemma leaned forward and kissed me. I pushed further into Amy with each thrust. I could feel my dick hitting against something on every in-stroke, and each time it happened, she grunted.

Gemma moaned into my mouth. I pulled back so I could watch her face. “Is she making you come?”

Gemma nodded and sighed. “Is she making you come?”

I shook my head. “Not yet.”

“Good.” She sighed again, then took her lower lip between her teeth. “I want you to fuck her for as long as you can.”

“Okay.” I reached up and caressed Gemma’s tits. “But I won’t do it yet. I want to watch you come.”

She frowned, then laughed and shook her head. “Pervert.”

I nodded, and I watched closely.

Gemma’s eyes fluttered, her nostrils flared, and a pink flush spread up her neck. Her nipples grew a little puffier, and her breathing became ragged. When she blinked, her eyelids stayed closed for a split-second longer than the previous time. Suddenly her breath caught in her throat, and one of her eyes half-closed. She let out a low moan, then a sigh. Then she smiled self-consciously and looked down at where my dick was still buried in Amy’s cunt.

“Fuck her.”

I did so, making Amy groan.

Gemma moved back and squatted on the bed beyond Amy, her thighs now either side of Amy’s head. “Fuck her, Jon. Make her feel it. Make her take it all.”

I pushed deeper and deeper, and Amy moaned and writhed. She gripped my hips with her hands, pulling me into her.

Gemma leaned her head closer to mine. “Make her your slut.”

I looked questioningly at her, and she nodded. She was telling me to fuck Amy hard. To hurt her with my cock. To drench her with my cum.

I reached down and lifted Amy’s legs, bending the knees so her thighs were pressed against her chest, her calves resting over my forearms and her fuck-me shoes dangling in mid-air.

Then I did as Gemma had instructed.

I plunged hard and deep, feeling the resistance in her tight cunt walls, the hard surface of her cunt ceiling—or whatever it was my dick prodded against—and then the clinging of her cunt lips as they distended with my out-stroke.

I slammed into her with force, over and over. Amy wailed and howled and uttered dirty words through clenched teeth. Her body writhed and bucked beneath mine, her eyes squeezed shut. The pitch of her cries heightened, and I felt her clench when she came. I fucked her through it, and her wails faded to sobs, her shoes bouncing like conductors’ batons in time with the beat of my hips.

She wailed again, and a warm clear liquid squirted out between us, soaking me. I glanced at Gemma, worried that I’d made the girl piss herself. Amy cried out again, her entire body spasmed and more liquid came out, though less than the first time.

I’d read about squirting and female ejaculations, but whatever had just happened to Amy was definitely new to me. From the shocked expressions on their faces, it was new to the girls, too. I kept pounding into Amy, worried that my stamina would give way before my bollocks could discharge their load, but then a familiar tingling told me the end was nigh. I gritted my teeth and ploughed on.

Amy was now lying limp beneath me, staring up with those big blue eyes. She looked shattered. Utterly fucked. Her forehead was beaded with sweat, her mascara smudged, and her lipstick completely gone. Her chin was smeared with Gemma’s twat juice and my spunk.

“And now it’s my turn,” I said, giving her the chance to tell me not to come inside her if she wasn’t on the pill.

Amy simply nodded and let out little cries as I increased the pace and then held still while I blew my muck deeper than she’d ever had it before, spurt after spurt coating her tight little cunt.

Her eyes and mouth opened wide, and a muted, surprised scream escaped her lips as I felt her tighten around me again. She shuddered, then squeezed her eyes shut. When Gemma pinched her cherry-like nipples, Amy’s eyes shot open and she looked up at her, a confused expression on her face.

“I felt him come in me,” she said in a hoarse whisper.

Gemma smiled. “He comes like a firehose, sometimes.”

Amy turned her gaze to me. “You kept coming, and I felt it.” She tapped her stomach. “Right up here.”

I smiled. “I doubt it was that far up.”

I eased out and looked down at her cunt. It gaped open and, as I watched, a large glob of cum slithered out and ran down the crack of her arse.

Amy didn’t bother lowering her legs or show any signs of modesty. She lay with her legs splayed and her battered, raw gash oozing spunk. “I’ve never come like that before.”

Gemma patted her head. “I’m pretty sure that was squirting.”

Amy took a deep breath, smiled, and shook her head.

Gemma looked down at the state of her bed. “I’m going to have to change the bedding.”

Amy finally closed her legs and sat up. “I need a shower. I feel like I’ve wet myself.”

Gemma stood up and looked at Amy. “You go for the first shower, and we’ll strip the bed. Maybe we can finish that wine after we’ve all cleaned up?”

I got off the bed. Amy finally removed her shoes, then stood and walked unsteadily out of the bedroom with her sandals dangling from her

fingers. Her clothes were still scattered around the floor, and Gemma picked them up and folded them, making a neat pile on a chair.

She stepped close and looked up at me. She held my gaze, and I wondered what was going on behind her eyes.

“Are you okay?” I asked.

She nodded. “You?”

I chuckled. “Of course I’m okay—I’ve just fucked two women.”

She laughed. “Yes, you did.” She glanced at the door, the sound of the running shower already coming from the bathroom. “I doubt if Amy will be able to walk tomorrow after what you just did to her.”

I shrugged. “You told me to.”

She nodded. “Yeah, she deserved it. I’ve never seen her act like that before.”

“I think Amy is used to getting what she wants.”

“And tonight she wanted my fella.”

I shook my head. “I think tonight she wanted to prove she could have us both, but that’s not what happened. We used her for our own means.”

Gemma looked puzzled. “What do you mean?”

I ran my finger down the side of her face. “You needed me to do something with somebody else to stop you fretting about the accountant.”

She bit her lip, then looked down at the floor. “I shouldn’t have slept with him.”

“We all do things we shouldn’t, but you have to regret them for the right reasons. You did nothing wrong in my eyes, so don’t regret him because of me.”

“But I should have told you.”

I smiled and shrugged. “Water under the bridge.”

“Will we regret what we did with Amy?”

“No.”

Gemma looked thoughtful. “So we both used her?”

I nodded. “You used her to ease your guilt, and I used her as a wank-sock.”

She grimaced. “A what?”

I laughed. “Never mind. Let’s just say I’m glad it happened, but I’m in no rush to repeat the experience with Amy.” I bounced my eyebrows. “But if you have any other friends...”

She slapped my arm. “Amy’s finished in the shower. Go get cleaned up and I’ll change the bed.”

I walked naked to the bathroom, showered and washed my hair, then dressed. While Gemma cleaned up, I headed downstairs.

I sipped my wine and lay against the back of the couch, running what had happened through my mind. Amy walked in wearing a pair of shorts and a vest. Her hair was wet and slicked back over both ears, and her face was free of makeup. She looked younger like this, and I felt a little guilty for being so rough.

She picked up her glass and sat in the armchair opposite. We sat in a comfortable silence for a minute or two, then I heard Gemma get out of the shower. She came downstairs in her robe and smiled at us both. “Hello, lovers.”

Amy giggled, and I smiled at the way she’d broken the ice.

Amy faced Gemma, then nodded in my direction. “Does he always fuck like that?”

Gemma laughed out loud. “Yes.”

Amy winced. “I’m not surprised you’re always smiling at work.”

I took that as a compliment.

There was a buzzing noise, and Amy produced her phone from the back pocket of her shorts. She frowned when she read the screen. “It’s a text from Ryan.”

“Tell him you’re too sore to talk.” Gemma giggled at her own joke.

Amy frowned, then sighed. “He wants to talk things through.” She shrugged. “I’ll go upstairs and phone him.”

Amy glanced at me, then left the room and walked upstairs.

“She’ll be back with him by tomorrow,” Gemma said with a sigh.

“They deserve each other.”

She dropped onto the couch next to me and looked into my eyes.
“And what do I deserve?”

I glanced down at her cleavage. “You deserve somebody better than me.” I slipped my arm around her shoulders. “But until you find him, I’m happy to keep abusing your body as often as you want me to.”

She leaned close and blew in my ear. “Don’t make promises you can’t live up to.”

I took her hand and pressed it down on my crotch. I was hard again.

She stood up and held out her hand. “Take me to bed and treat me like a slut. I want Amy to hear everything you do to me.”

I got to my feet. What more could a man ask for?

Julia 07

Chapter One

Julia reversed into a space on the hotel carpark and stared at the red-brick building. She'd walked past it dozens of times during the three years she'd spent in the city as a student, but had never really appreciated its classical architecture before. This would be the first time she'd ever been inside.

She grabbed her holdall and garment bag—containing her new dress and currently her most expensive item of clothing—and headed for reception.

On checking in she discovered her room was in the newer part of the building, which housed a conference centre. The room was clean and tasteful with twin beds and a small bathroom, probably purpose-built for conference attendees. She had no doubt the older rooms in the main part of the hotel would be a lot nicer, but this one had come at a special rate thanks to the deal the university had made.

It felt strange to be back in Nottingham, but Dr Ritchie was finally hanging up his lab coat. He'd been Julia's favourite lecturer during her degree: a mad-professor character with a dry sense of humour. She'd enjoyed her studies, and he'd written her a glowing reference when she'd applied for her first job as a new graduate. She was a little apprehensive because tonight she'd have to tell him she'd left the scientific world and moved to work in the financial sector.

The invitation letter had said that only ex-students who'd contributed to Dr Ritchie's long-running organo-metallic project were being invited, the numbers limited to one student per academic year; effectively there'd be little chance of her knowing any of the other attendees. Considering the six months she'd endured since ending her relationship with Robert, Julia thought being surrounded by complete strangers would be the perfect way to spend an evening.

Since it was a sunny afternoon and she had a couple of hours to kill, she wandered through the city to check out some of her old haunts before heading back to the hotel at around five-thirty.

After ordering a glass of wine from room service, she relaxed in a hot bath. She dried herself, slipped on a black thong, and did her hair and makeup before getting dressed. Her black dress clung like a second skin, emphasising her slim waist and the swell of her hips. The black straps crossed on her chest before going over the shoulders so she couldn't wear a bra, but her boobs were fairly small and still pert. A pair of black high heels, black hold-up stockings and a faint dusting of glitter on her back and shoulders completed the outfit. She checked her reflection in the mirror one final time, then made her way down to the function room.

Pre-dinner drinks were being served in a small bar just to the side of the function room. Dr Ritchie stood by the door, a broad grin on his face. He hadn't changed much in nine years. His hair was still quite long and his tinted glasses gave him the appearance of a veteran rocker.

His face broke into a wide smile when he saw her. "Ah, Julia, lovely to see you."

Taking his hand, she smiled back. "Thank you, it's lovely to have been invited."

He indicated to the woman at his side. "My wife, Deidre," he said, squeezing Julia's hand before releasing it. "This is Julia, one of my favourite-ever students."

Julia shook the woman's hand and smiled again, a little embarrassed by the introduction. The woman was quite a bit younger than her husband and looked very glamorous in a revealing dress.

Dr Ritchie spoke again before his wife had a chance to say anything. "What are you up to, nowadays?"

Julia grimaced. "I've actually sold my soul and moved into the world of finance."

Dr Ritchie laughed and nodded his approval. "Good move. There's bugger-all money in being a scientist, that's for sure."

As more guests arrived, Julia moved away to allow them to approach Dr Ritchie. She took a glass of champagne from a waiter's tray,

and made her way towards a group of other guests in formal dress. Most people tended to give their first name and the year they were on the project, so Julia introduced herself as Julia 07.

She recognised a couple of other lecturers but none of the other students, which wasn't surprising. One thing that she hadn't considered was the ex-students' age range; since the project had been running for well over thirty years, some were in their mid-fifties others in their early twenties.

Dr Ritchie got everyone's attention and asked them to go through to the function room as dinner was about to be served. The crowd headed through, and Julia found herself on a table with Dr Ritchie and his wife, another lecturer, and six other students. She sat next to a lady in her forties who introduced herself as Vicky 94. Over dinner they chatted about their time in Nottingham and the university itself. Vicky revealed she'd stayed in science, and had taught chemistry before being promoted to head mistress a couple of years earlier.

When Vicky confessed to being recently separated, Julia offered the appropriate condolences, but of course this reminded her of Robert. One of the senior managers in her firm, he'd told her he'd separated from his wife and moved into a small flat in town. He'd described how much he missed his children, and she'd offered him sympathy and support. After going out a few times, they'd become lovers. He'd explained that he couldn't see her at weekends because that was when he saw his children, and he didn't want them exposed to his new partner too soon. Like a fool, she'd believed him. Several months later, she'd overheard colleagues talking about Robert and his family moving into a huge country house that was too far away for him to commute every day.

Julia had been both devastated and infuriated. She'd ended the relationship immediately, but soon realised that all her peers knew about their affair. Worse—they'd pretty much known about it from the start and apparently assumed she'd only been with Robert to improve her chances of promotion. What sort of woman did they think she was?

Julia pushed him out of her thoughts. She was here to have a good time. The dinner was excellent, and the dessert probably contained more calories than Julia usually ate per day. One of the other tables was noticeably more raucous than the other two, with a lot of giggling taking

place. There were two young guys who seemed to be the main cause of the laughter. Julia watched with more than a little envy—she could do with being cheered up.

When dinner was finished, Julia excused herself and went to the loo. On her way back she stopped at the bar and ordered another cup of coffee. Slipping onto a tall stool at one of the high tables while she waited, she noticed the two guys from the raucous table coming out of the function room. They approached her.

“Hi,” said the fair haired one. “Do you mind if we join you?”

“Not at all. Please...” She nodded at the other stools at her table.

Both men smiled and sat down. The blond held out his hand. “Mark 10.”

“Julia 07.” She transferred her handshake to the other man, who had black hair and dark brown eyes.

“Paul 11.”

When the barman delivered Julia’s coffee, Mark ordered himself a glass of red wine and Paul asked for a beer. Julia asked for a glass of Prosecco for after her coffee.

Mark looked at Julia. “I can’t believe old man Ritchie kept you on his table instead of letting you mix with us young single guys.”

She smiled. “From what I heard, your table was having a lot more fun than ours.”

Mark nodded. “Paul was showing naked pictures of himself, and all the women found them hilarious.”

Julia smiled, looking from one to the other. “Did you two just meet tonight?”

Paul shook his head. “No, we did the first two years of our degrees together. But he was such a nightmare I decided to do a year in industry before the honours year just to get away from him.”

“That’s what he tells people.” Mark leaned closer and half-whispered, “I happen to know he couldn’t keep up with us bright things and had to re-sit his entire second year.”

“He’s delusional. It’s one of the side-effects of his anti-obesity drugs.”

Julia laughed out loud. Neither of the men looked like they’d ever struggled with a weight problem.

The waiter returned with their drinks, then Paul returned to the attack. “Mark’s never forgiven me for leaving him here on his own during his final year. He struggles with relationships—even his imaginary friend ignores him.”

“That’s such a lie. I was Mr Popular. I had loads of friends—boys and girls. All the girls fancied me. Paul was going through his gay phase, then. I think he still is.”

Paul shook his head. “See what I mean? Delusional. Watch this.” He turned to Mark. “Knock knock.”

Mark sighed, looking resigned to another joke at his expense. “Who’s there?”

“Nobody, you’ve got no friends.”

Their banter went on until Julia had tears in her eyes. The misery of the last few months was pushed from her mind. These two were putting the wind back in her sails.

Paul leaned closer. “Mark thought you might be a lesbian.”

“Really?” She turned to look at Mark, who for once was lost for words.

“I’m not suggesting that’s a bad thing,” Paul went on. “I sometimes think I’m a lesbian trapped in a man’s body.”

Julia shook her hair back from her face, fluttering her eyelids at him. “Well, I can assure you I’m not a lesbian.”

Paul smiled wickedly. “Maybe Mark could go back and talk to the more mature lady from our table who he bonded with, and then you and I could establish if you’re telling the truth about your heterosexuality.”

Mark looked aghast. “You want me to leave you here while I go and chat to Winifred 78?”

Paul nodded. “Yep. Off you pop.”

Mark looked at Julia, then at Paul. “But then you’d be with the belle of the ball, and I’d be with the crone of the crypt.”

Julia burst out laughing, but for all her sympathy for poor Winifred, she had a warm glow after being referred to in such a way. She leaned closer to Mark. “Don’t you think that’s unfair?”

“Yes, but only to you. I’d be leaving the best-looking woman here with a man who has the emotional capability of a six-year-old, and a penis to match.”

She looked at Paul, expecting a witty response, but caught him looking down at her legs where her dress had ridden up. She wondered if he’d caught a glimpse of her stocking tops.

Heat bloomed in her crotch at the thought of these men vying for her attention. She allowed herself to flirt properly for the first time in ages and it was wonderful to feel her inhibitions melting away. “So, what do you think would be a better solution than going to chat with Winifred?”

Mark shrugged. “I think I should stay here and make sure you don’t get bored.”

Julia smiled. “You’re very kind.”

Paul ordered another round of drinks, and the three ex-students chatted about their respective jobs. Mark worked in research and lived in Kent, while Paul was in the quality control department of a pet food manufacturer in the Midlands. When they asked about working in finance, Julia confessed that she found the backbiting and malicious one-upmanship of her peers tiring. She cut herself off short as they gave her the typical concerned looks which usually came right before the suggestion that she change jobs. Since she didn’t want to dampen the mood, and she had no intention of telling them why her colleagues’ behaviour had become so vindictive, she brushed the matter off with a half-truth about being too busy to worry about it most of the time. Paul nodded sympathetically, confessing that he’d been so overworked himself that he’d almost forgotten to respond to the invite altogether.

“We were lucky to get the last twin room,” Mark muttered. “A total ‘multi-tasking’ fail, there.”

Julia noticed some of the other guests were leaving. She excused herself to go and thank Dr Ritchie. As she slid down off the stool, she saw both men's eyes wandering down her body. It gave her a thrill.

After saying her goodbyes, Julia returned to the bar and saw another glass of Prosecco waiting for her on the table. She also noticed both men glancing down as she slipped back onto her stool.

"So," she said, picking up her new glass of bubbly. "What were we talking about earlier?"

Mark said, "You were trying to think of a subtle way of telling Paul that you've decided to take me back to your room."

"Was I?" Julia frowned as if she couldn't remember that part of the conversation, then turned to Paul and raised her eyebrows.

"I think you were going to explain to Mark that you wanted to take me back to your room so that you could help release the lesbian trapped inside me."

Julia laughed out loud, then shook her head slowly.

She'd reached a crucial part of the evening. In the same way as the two men sitting opposite were giving her alternatives, she seemed to have two different voices in her head. One told her she should thank the men for their company and head off to her room.

Alone.

The other voice was telling her that all her colleagues thought she was a slut anyway, so she should live up to her reputation and have a little fun.

"Oh," she said with a sigh, "this is such a lovely evening. Nice dinner, fine wine, very pleasant company—but what a conundrum..."

The two men stared at her but didn't interrupt.

Julia held the back of one hand to her forehead like a Downton Abbey drama queen. "When two handsome gentlemen vie for one's affection, a lady finds it hard to decide which one she should spend more time with."

Mark and Paul exchanged glances but, surprisingly, neither attempted a wisecrack.

Julia took another sip of her drink and held eye contact with each of them in turn. “Perhaps we should all go to your room. A closer study might help me with my decision.”

Both men leapt to their feet, making Julia laugh again. She downed her Prosecco and stepped between them, linking a hand into each’s arm. “Lead the way, gentlemen.”

Chapter Two

Less than five minutes later, they were all inside Paul and Mark's hotel room. It was very similar to her own: twin beds, beech dresser and small bathroom. The men seemed a little less confident than they'd been downstairs, almost reticent. But Julia experienced an overwhelming feeling of power. A sense of total control. Now it was her turn to shine. After telling the men to each sit at the end of a bed, she leaned nonchalantly against the dresser, facing them.

She looked from one to the other, holding a finger to her mouth as she made a show of studying them intently. "I think one of the sexiest things about a man is his eyes."

The men looked briefly at each other, then back at her.

"I like brown eyes. There's something warm and sincere in them." Julia leaned forward a little, peering closely, then leaned back, looking at Mark. "Paul's eyes are a nice shade of brown."

Mark didn't reply.

"However," she went on, "Mark's got a really sexy smile. A man's smile is one of the most appealing things to a woman. But then... Paul's got very kissable lips." She stared at them for a few seconds, then turned to Mark. "Have you ever kissed him?"

"*What?* No!" He looked horrified.

Julia shrugged. "Just wondered. I think I'd like to kiss those lips..."

She then explained that good shoulders were very important when comparing men and instructed them to remove their jackets. They complied, also removing their bow ties.

Julia admired their crisp white shirts, biting her lip for a moment as she appreciated the view. "Mark's shoulders are particularly nice," she announced. "Do you work out?"

Mark shrugged. "A bit."

“But you’ve got fair hair, and I’ve always preferred dark-haired men.”

Stony-faced, Mark glanced over at his friend.

Julia smiled. “Yes, Paul’s got lovely dark hair, hasn’t he?”

There was a moment of silence as Julia let them squirm in their discomfort. She squeezed her legs together, enjoying the warmth she felt.

“Chests are another thing we like. I love lying against a man’s chest.” She nodded, confirming the fact. “I prefer a broad chest, with not too much hair. So, why don’t you take those shirts off and let me have a look at yours?”

Again the men complied, still seated, each undoing the buttons and then dropping the discarded shirts onto the floor at the side of his bed.

They both had good muscle tone. “Paul’s chest hasn’t got any hair at all, and as I’ve already said, I do like a bit of hair. Mark’s got just the right amount.”

Mark allowed himself a grin.

“But unfortunately the colour’s still wrong.”

His grin disappeared.

She acknowledged that both had nice flat stomachs and good abs, so were equal on that score. “Thighs are important, too. Men’s thighs can be *very* sexy. Why do you think so many women watch football?”

The men gave each other a questioning glance, then stood, unfastened their trousers, and pushed them down to their knees before sitting back down. Mark wore white boxers, Paul dark red.

Julia leaned forwards and ran a finger down each man’s thigh, first Paul’s, then Mark’s. “Very impressive,” she admitted. “Oh, decisions, decisions. As usual, it all comes down to the main piece of equipment.”

The men exchanged more worried glances.

“I’m afraid I’m going to have to see what’s on offer within your shorts.” As they went very still, staring back at her, she shrugged apologetically. “Sorry, but before I can make a decision like this, I need to see which of you would make the better partner for a sexual encounter.”

This was her first admission that sex might actually be on the menu tonight. The fact wasn't lost on Paul. He immediately raised his bum off the bed and pushed his shorts down to below his knees.

Julia smiled down at his cock, impressed. Then she raised her brows at Mark as if to ask whether he'd withdrawn from the competition.

Mark looked at Paul's tackle, then back at Julia's face. His gaze wandered down her body in the tight black dress, then back up to her eyes. She smiled at him, knowing that he didn't want to miss the chance of sleeping with her.

Mark sighed, lifted his backside slightly and ditched the shorts.

Julia stood up, away from the dresser. Both men were starting to get erections. Her heart raced. It was difficult keeping her voice steady. "What a lucky girl I am. Okay, you're both going to have to lie back and let me make the comparison, now that all your best features are exposed."

The men lay down.

"I'm going to have to go into the bathroom and think about it."

Once she'd shut the door behind her, Julia quickly removed her dress and thong. She could hardly believe the situation she was in. While two strange men lay practically naked on adjacent beds in a hotel room, she was preparing to join them wearing only hold-up stockings and her shoes. What's more, she was going to have sex with both of them. She didn't have a decision to make—she'd made her choice over an hour ago.

Taking a deep breath to steady her nerves, Julia opened the door and walked back to stand by the dresser. The men's expressions were a picture, and she noticed their cocks twitching at the sight of her.

She shrugged. "I couldn't choose, so I've decided to be a greedy girl and have you both."

Mark and Paul looked at each other briefly, then back at Julia. Neither spoke, but both seemed more than happy with her decision. They stripped entirely and moved higher up the beds until they were both lying flat.

Julia stepped forward to stand between them. "I'm going to have you one at a time. To decide who goes first, it'll be whoever has a birthday closest to mine." She looked to Paul first.

“August.”

“March.”

She reached down and placed a single finger on Mark’s stomach, tracing small circles to the side of his navel. “I’m afraid you’re going to have to be patient. My birthday’s in September.” As she climbed onto Paul’s bed, she spotted Mark’s disappointed expression. “But you get to watch the fun while you’re waiting.”

As Julia straddled Paul, the room fell silent—both men seemed to be holding their breaths. She wrapped her fingers around Paul’s cock. There was no need for foreplay; he was rock hard, she was soaking. She brushed his cock back and forth between her folds, coating the head with her juices. Then she eased it inside and lowered herself slowly onto him. She closed her eyes and let out a long sigh, relishing the feel of the first man she’d been with for months. She squeezed herself around him and held still for a few moments to enjoy the sensation, allowing herself to stretch. Then she opened her eyes and looked down. Paul pushed his hips up, obviously enjoying being buried deep inside her.

Julia rocked back and forth slowly. She saw him catch his breath and moved her hips a little faster. Her intention wasn’t to use him to get herself off, but to please him, give him something to remember.

Aware that Mark was watching from just a few feet away, she made sure to put on a good show, undulating her body and releasing low murmurs of pleasure as she moved on Paul’s cock. As she increased the speed a little, he groaned.

She smiled at his reaction. “Hmm, do you like that?”

Paul nodded, bit his lip. She leaned back, gripped his thighs, and started to thrust a little faster. Looking down at herself, she knew she looked good. Her breasts were firm and high, her stomach flat and toned, her thighs pale and smooth above the stocking-tops. With each thrust of her hips Paul’s cock vanished, only to reappear slick with her juices.

Glancing over at Mark, she saw him stroking his own cock, already fully erect. A thrill ran through her, knowing she’d be getting to ride him when Paul was through. This thought gave her the final push to the verge of orgasm. She leaned forward, grinding herself down to maximise the

pressure on her clit as she rocked her hips and took herself closer to the edge.

Suddenly, Julia felt vulnerable. She'd dictated the entire proceedings since they'd arrived in the bedroom, and she desperately wanted to keep the initiative. She dropped her head forward so her hair covered her face just before the dam broke. Her moans were breathless, interspersed by sighs and little cries as she moved faster, riding the waves that swept through her entire body, setting nerve endings tingling.

Paul gripped her hips and started to move her a little faster on him, obviously getting close to his own release.

Julia clenched herself around his cock. "Come in me. I want you to come in me."

Paul let out a groan, pushed his head back into the pillow and arched his back, lifting her off the bed.

"Ooh, that's it. That's what I want." She jerked her hips and sucked in air through gritted teeth, enjoying the feeling of each spasm of his cock, taking delight in every pulse that fired more cum inside her.

Julia slowed the rhythm of her thrusts, milking him dry.

Eventually she stopped moving and held Paul's gaze. He was breathing heavily—almost panting, even though she'd done all the physical work.

Placing her hands on his chest, she leaned down and smiled at him. "Thank you," she whispered.

Then she pushed herself up and climbed off the bed, hoping her legs would support her for the two steps it took to get to Mark.

Julia straddled Mark and gripped his cock. It was probably slightly bigger than Paul's: definitely a little thicker. The head was slick with precum. Julia rubbed her thumb over it, watching Mark twitch with each stroke. Then she squeezed a drop from his slit onto her thumb and finger and, holding eye contact, slipped her fingers into her mouth. She narrowed her eyes slightly, smiling at his expression of lust.

As she moved herself up and into position, Julia felt the warm trickle as Paul's cum started to ooze out of her. She briefly wondered if she should wipe herself, but decided against it. She was familiar with the phrase

‘sloppy seconds’—and that’s exactly what she was offering. If Mark disapproved of his friend’s juices running down his cock, he didn’t mention it. She held him upright and impaled herself with one swift push. His cock slid in easily, going deep and making her whimper.

Mark stroked her breasts and pinched her nipples, making her cry out. He pushed up into her, bucking his hips up from the bed. Then his hands gripped her hips, pulling her down to meet each of his thrusts. He was already close, which was only to be expected. He’d had to wait and watch while she and Paul had fucked each other. He was probably aching to come. Julia was aware of Paul now sitting up on his bed to get a better view.

Determined to give Paul a good show of his own, she reached up and played with her boobs, teasing and pulling at her nipples. Then she started to rotate her hips, working up to her second orgasm.

“Ooh yeah, keep pushing.” She was surprised at herself, but something about the novelty of the situation lit a fire in her. “Just keep pushing that fucking thing into me.”

Mark did exactly as instructed, ploughing into her hot core over and over until she came. She cried out, screamed, scratched his chest, shook her head and bounced on him with abandon. Her momentary vulnerability had disappeared and she let go completely.

Sex talk started spewing from her lips. “Fuck me, fuck me. Come on.”

Mark’s fingers dug into her soft flesh. His breathing was ragged and he mumbled with each thrust before letting out a grunt, the tendons in his neck straining.

Julia felt him throbbing. “Yeah, come on. Add your cream to the mix.”

Mark let out a cry and pulled her down onto him, pressing his cock even deeper inside.

She cried out again, little aftershocks from her orgasm sending tingles all through her body.

Eventually they both slowed. They stared into each other’s eyes, and then she pushed herself up and walked to the bathroom. It took a few

moments to clean away their liquid donations, and then she replaced her thong and dress. Julia checked herself in the mirror. Her cheeks were flushed, giving her a healthy look. She looked good.

I've just fucked two men.

The situation felt surreal. Dream-like.

Back in the bedroom, neither man had moved, both lying on their beds, both still completely naked. They looked disappointed to see she'd got dressed.

"I've had a lovely time, but I think I should go back to my room now." She bent to kiss Paul, then Mark. "I'll see you both at breakfast."

Paul went to the door, holding the handle but not opening it. "If you get restless in the night..."

She smiled. "I may just take you up on that."

Paul pulled the door open, keeping his nakedness tucked behind it. She smiled back at them once more and made her way to her own room.

Once inside she stripped naked and ran a bath, adding the entire small bottle of bubbles. Sinking into the hot water, she lay back and closed her eyes. She couldn't believe what she'd just done. She imagined what her married ex would say if he knew. He'd had sex with a girl he worked with. Lots of people did that. But she'd just fucked a stranger while his friend watched, and then she'd fucked him, too. Robert would call her a whore. A slut.

But that wasn't true. She'd spent a lovely evening with two very nice men, and then—

A thought struck her—were either Paul or Mark seeing someone else? Had she just caused someone's boyfriend to be unfaithful? Neither of them had mentioned anyone special in the hours they'd spent chatting downstairs in the bar, so she shrugged the fleeting concern away. It wasn't her problem. She'd never see them again. Or would she?

She smiled, imagining their innocent expressions over the breakfast table.

Or she could see them sooner.

Paul's offer started to run amok in her imagination, sending images through her mind like clips from a film. Her naked body splayed out on a bed, her flesh being explored by four hands, tasted by two mouths. She had two cocks to please her, one to suck while the other plunged deep inside her.

Julia opened her eyes, breathing hard.

Did I just have a threesome?

She considered, then decided she hadn't. She'd had sex with them one at a time. Admittedly, there wasn't much time in between, but they were definitely separate experiences. The fact that each man had watched from the adjacent bed had definitely added something to the experience, though.

Would I like a threesome?

The answer to that probably lay in the warm, tingly sensation in her stomach. Although she'd fucked Paul and Mark, she felt like she'd missed out on the touching, the strokes, the petting, the closeness which usually accompanies sex. She closed her eyes and allowed herself the fun of fantasising about it.

Eventually she climbed out of the bath, dried herself, then went into the bedroom and slipped on a long black negligee. She looked at the door, wondering if she dared walk the short distance to their room. Wondering if she should knock at their door and present herself to them.

Could she live with herself if she gave her body to two men, letting them use her to do... whatever they wanted? But then again, could she live with herself if she didn't? This could be a once-in-a-lifetime opportunity.

Julia looked at her reflection in the mirror, her nipples taut, pushing against the fabric as if crying out to be sucked and bitten. She slipped off her negligee and pulled on the other piece of nightwear she'd brought with her: a lacy tie-around teddy and matching silk black thong. She checked her reflection again. She could slip her jacket on in case she met anyone in the hallway.

She looked at the door again...

Oh, what's a lady to do?

Chapter Three

Julia closed her eyes and took a deep breath, then let it out slowly. Her entire body tingled. If she let this opportunity pass, she'd probably regret it for the rest of her life.

Decision made, she pulled on her jacket and stepped into a pair of flat shoes. Slipping her key card into a pocket, she stepped out into the corridor. At their door she knocked quietly, glancing up and down the corridor. Thankfully there was nobody else around.

The door opened and Mark, wearing just a pair of pyjama bottoms, smiled at her. As he stood aside, Julia stepped into the room. It still smelled of sex.

Paul got up from his bed, wearing his boxers and a white t-shirt. "We were hoping you'd come back."

"I was worried you two may have ended up abusing each other if I didn't."

Mark laughed. "No, I'm pretty sure that wouldn't have happened." He pulled her jacket open and his eyes lit up to see the flimsy black teddy beneath. "So, why did you come back?"

Julia bit her lip, too shy to voice her desires.

"I think I know," Paul said.

Mark nodded. "Hmm, but is it what *we* want?"

She frowned, suddenly unsure of herself.

Paul ran his eyes over her from head to foot. "Yeah, I know what you mean." He nodded at her feet. "Shoes are important. I find women's shoes incredibly sexy."

Julia stared at him open-mouthed.

Mark took over. "Yeah, earlier you wore fabulous shoes. High-heeled with an ankle strap. Very sexy. These..." He tapped his bare toe

against her flat black court shoes and slowly shook his head. "These aren't sexy at all."

"Agreed," Paul said. "Take them off."

Julia shucked them, revealing her neat pedicure.

Mark smiled and nodded. "That's a big improvement. You've got sexy feet."

Paul walked slowly around her, frowning. "Your dress earlier was fabulous, too. It clung to your curves and showed off your body." He pulled at the lapel of her jacket. "This is hardly going to raise our blood pressure."

They were getting their own back for her teasing earlier, and Julia couldn't help smiling. She looked at Mark and saw the twinkle in his eyes. The men were enjoying themselves, and she had only herself to blame.

"Let's see if you look any better without the jacket," Paul said.

Julia slipped it off her shoulders and dropped it onto the floor. Standing in just a black silk thong and see-through teddy, she knew her breasts were clearly visible. Her erect nipples pushed out against the delicate material.

Both men murmured their approval as they circled, inspecting her from every angle.

Now back on safer ground, she shook her hair back and allowed herself a smile. "Is that better?"

Mark nodded. "Much better. You should have walked from your room to ours wearing just that."

"With your shoes from earlier," Paul added.

Julia laughed. "I was worried about meeting Dr Richie in the corridor. I might have given him the wrong impression."

Paul raised his eyebrows. "Or the right impression."

Yes, I'm a slut.

Mark scratched his chin and stared at her face. "I can't speak for Paul, but I really like when women wear makeup."

"Me too," Paul confirmed. "Your makeup earlier was really sexy, especially around your eyes."

Julia sighed. "I needed a bath after my last visit..."

“Yeah, I imagine you did.” Mark said with a chuckle. “But earlier, when you were wearing lipstick, I kept wondering what it’d be like to kiss your mouth.” He stepped close and placed his finger under her chin, then raised it until she was looking up into his eyes. “But even without the lipstick, your mouth is still sexy.”

Julia opened her lips slightly, inviting him to kiss her.

He traced his fingertip along the outline. “Hmm, they feel so soft,” he whispered. Julia slowly closed her eyes as Mark leaned in and kissed her.

The heat between her legs intensified.

Mark broke the kiss and stepped back. “Paul, do you want to...?”

“I’m not sure. I think Julia’s the only woman I’ve ever had sex with but not kissed. Maybe I should keep it that way.”

She blinked—it was true. She’d fucked him, but hadn’t kissed him.

“But earlier tonight she said you’ve got kissable lips,” Mark reminded him.

“Yeah, but then she just used my body for sex.”

Mark turned to him. “Did you feel used?”

Paul nodded. “A bit.”

“Me too. She was sort of wham-bam, thank you, man.” Mark looked back at Julia and sighed. “Her lips *are* really soft, though.”

Paul shrugged. “Maybe I’ll have sex with her mouth, then.”

A shiver ran down Julia’s spine. Unable to come up with a reply, she simply held Paul’s gaze and ran her tongue between her lips.

Mark snorted. “Well if you’re going to have sex with her mouth, so am I.”

Paul frowned. “But not at the same time.”

“What? God, no. We’ll take turns,” Mark clarified. “While you’re in her mouth, I’ll go in somewhere else.”

“Good idea. And while you’re in her mouth—”

“Are you two going to chatter among yourselves all night long?” Julia untied the belt of her teddy, pulled it open and let it slide off her shoulders to the floor. “Or are you going to fuck me again?”

Mark and Paul smiled and stepped closer, trapping her between their bodies. Julia was only five-three in her bare feet and the men towered above her by almost a foot.

They stroked her breasts, stomach, hips and bum. Paul dropped to his knees and peeled her thong down her legs, then both men quickly stripped. Julia reached up and kissed Mark again, feeling his hard-on pressing against her tummy. Paul moved up close behind, his hands cupping her breasts and his cock pressing against the small of her back. She turned between them, pulled Paul's head down and kissed him. For all his earlier joking, he didn't hold back as he bit her lip and tweaked her nipples.

Mark placed his hands on her shoulders. As she glanced back into his eyes, he gave her a wicked smile.

Oh...

He applied a little force, and she dropped to her knees between them. Both men moved to face her. Now eye-level with their cocks, she took one in each hand, looking up into their faces. It was a situation she'd expect to find demeaning, but, right here and right now, this was exactly how she wanted to be treated.

She licked her lips, then took Mark's cock into her mouth. It tasted of her juices from earlier. Although she'd bathed, the men clearly hadn't bothered. They'd probably sat on their beds and discussed the slut they'd just fucked.

After running her tongue along the underside of his shaft for a few moments, she took him deep into her throat, making him cry out. Julia released his cock and smiled at his shocked expression. She repeated the feat with Paul, keeping him in her mouth for longer. While she sucked him and cupped his balls with one hand, she wanked Mark with the other.

She alternated between them, sucking one for about ten seconds before returning to the other. Then she rubbed the two cocks against each other, laughing as the men jumped apart.

"Right, just for that..." Mark bent and picked her up off the floor, plonking her roughly onto his bed. He positioned her on hands and knees so she was facing them with her rear end pointing at the wall.

The men looked at each other and seemed to come to an agreement. Mark stepped in front of Julia, and Paul moved behind. She knew what was about to happen, and the anticipation was almost unbearable.

Paul slid his hand up the inside of her thighs. When his fingers grazed over her wet, swollen sex, Julia shivered. He swiped the tip of his cock through her labia, then pushed his full length inside her with a single lunge, making her squeal.

Holding Mark's gaze while Paul fucked her, Julia opened her mouth invitingly. Mark didn't hesitate, feeding his cock between her lips.

Julia moaned and gagged as the men prodded her from each end.

If Robert could see me now...

Thinking about her married ex-lover at a time like this was ridiculous, but she liked the idea of him holding hands with his wife and watching TV in cardigan and slippers while she was naked between two young studs, getting nailed at each end.

Paul settled into a rhythm, thrusting slow and deep. Julia used his momentum to slide her mouth forward and back on Mark's cock. Paul reached under her and scratched her tummy, then pulled at her nipples. Mark followed suit and raked his fingernails down her back and sides.

In heaven, Julia closed her eyes and succumbed to the sensations. Neither man seemed to be getting close—probably because they'd both come once already—and they continued fucking her in an unhurried manner. She felt the first tell-tale shivers of orgasm deep in her centre. The shivers increased and tension started to build like a rubber band slowly twisting.

The pressure built a little more and Julia's legs trembled. She groaned around Mark's cock. Paul's fingers dug into her hips, but he didn't alter the speed or intensity of his thrusts. He just kept pushing her higher and higher.

Julia sucked deep breaths through her nose while keeping Mark's cock deep in her throat. She moaned again, her pitch rising with each stab of Paul's cock as he took her closer and closer...

The dam finally broke. Julia had no choice but to pull her head back and release Mark's cock from her mouth. She screamed, sucked in a huge

lungful of air and screamed again.

Paul fucked through her contractions. She could feel her muscles clenching around him but his cock carried on at the same beautiful rhythm. An aftershock made her squeal, and then she giggled and eased herself forward and away from him. She was hypersensitive and needed a few moments.

She glanced over her shoulder. Paul's face was beaded with sweat and his dark eyes implored her to let him back inside.

She got off the bed and pulled his face close to hers. "Thank you," she whispered, before kissing him roughly on the mouth, nipping at his lips with her teeth.

She turned to Mark. "Lie on the bed."

Mark complied immediately. Julia straddled him, then impaled herself on his thicker cock, lowering herself down an inch at a time.

Once she had him all in, Julia looked up at Paul, who by now must have been going stir-crazy. Julia was angry at herself for not letting him finish. "Come here and fuck my face."

His eyes opened wide, his expression almost apologetic.

"Don't worry, I know you're close. I want you to come in my mouth."

The angle wasn't as easy as it had been when she was on her knees, and it took her a couple of attempts to get him into her throat. Once there, she started to move, bouncing herself up and down on Mark's cock and throwing her head back and forth on Paul's. She pinched her own nipples and relished the freedom of acting the slut.

Paul grunted and a hot flush warmed her throat. Julia squeezed his balls and was rewarded with another groan as he fired more cum into her throat. She placed her hand at the base of his dick and slowly pulled her head back, keeping the tip in her mouth and licking it clean. Then she released it, smiling up at his grateful expression.

She'd slowed to a grind on Mark's cock while concentrating on Paul's orgasm, but now started to pump her hips faster. "What about you?" she asked Mark in a whisper. "Have you got something to give me yet?"

He nodded. "But not... like this."

“Not like what?” She clenched and pumped her hips.
Now Mark had the pleading expression. “I don’t want to come like this.”

Jesus. Men!

She feigned surprise. “You don’t want to come?”

He nodded his head rapidly. “Yeah, yeah course I do. But I’d rather...” He frowned again.

Julia stopped moving. “Tell me what you want, Mark.”

“I want what he had.”

“Of course you do.” She resumed her hips thrusts, but slowly. “So, here’s what we’re going to do. I’ll fuck you like this for a little while...” She scratched her fingernails across his chest, leaving four red lines visible through the smattering of hair. “If you can hold on long enough, I’ll be able to come again.”

Mark didn’t look confident about being able to delay his finale.

Julia smiled. “It’s not a problem if you can’t. Just tell me when you’re going to come, okay?”

He nodded and took a deep breath.

Rather than bouncing on his cock like she had earlier, Julia rocked her hips and pushed down to get friction from his pubic bone on her clit. As soon as she’d found the right angle, she sighed, and her eyes fluttered. Her orgasm was seconds away, and she sobbed when it hit her.

“Oh fuck... Ahh.” She took a deep breath, then started to move on him, lifting herself up and dropping down on his cock, time and again. She was still experiencing tiny quakes as her orgasm ebbed away, but this was Mark’s time.

She gripped the headboard above him and bounced faster. “Ready yet?”

He looked in pain, breathing hard.

“Come on, you must be getting close by now.” She leaned down, kissed his face and pushed her tongue into his mouth. She wondered if the taste of Paul’s cum turned him off. “Come on, Mark. I’ve swallowed Paul’s, so let me have yours.”

Eyes squeezed shut, Mark pushed up into her a couple of times.
“Now!”

Julia lifted herself off him, scrambled down the bed, took him into her mouth and wanked the base of his cock.

Mark pushed his head back into the pillow and groaned as his hips snapped up off the bed, sending a powerful jet of cum into her mouth. She had to keep swallowing—he fired three more spurts, flooding her. When Mark’s cock was finally spent, Julia released him. His eyes and mouth were both wide open, his expression more shocked than grateful.

Julia smiled and laid his shrinking cock against his body. “Happy now?”

Mark sighed. “I’ve never come like that before.”

Julia giggled and moved up the bed, then kissed him. Mark pushed his tongue into her mouth, which both surprised and aroused her.

She moaned into his mouth, then opened her eyes and smiled at him.
“You dirty boy.”

Mark chuckled, then looked up at Paul. “Lock the door—just in case she tries to repeat her disappearing act from earlier.”

Julia’s heartbeat increased as she looked up at Paul. “Do you think you’ll be able to make it worth my while staying longer?”

“I’m sure I will.” He nodded towards Mark. “But I think you may need to strap a splint to his dick, from the squeals he made when he came.”

Mark laughed shakily, making Julia secretly proud that he’d enjoyed his latest orgasm so much.

Paul dragged the other single bed across the room, aligning it with Mark’s, and lay down on it. He pulled the covers back and got in, and Julia rolled onto his bed as Mark pulled down the covers of the one they’d just used. Soon all three were lying in the make-shift double bed, Julia spanning the gap.

They lay in silence for a minute or two, then Paul said, “What did you think of Doc Ritchie’s wife?”

Mark nodded his approval. “She’s MILF-tastic. I’m not surprised he was always in a good mood.”

Julia laughed. "I'd expected someone his own age, maybe a retired teacher or something."

Paul elbowed Julia. "Me and Mark had decided that if we couldn't get you back here, we were going to try and talk her into coming back for a threesome."

"But she must be twice your age."

"I don't care. She was the second sexiest woman there." He smiled. "Quite a distance behind the woman in first place, but still very sexy."

Julia glanced at Mark, then back at Paul. "And you two cads would have abused the lady on the night of her husband's retirement dinner?"

Mark sniggered. "We'd have let old man Ritchie watch. Might have given him a stiffie."

"Don't be horrible." Julia thought about her old lecturer and his sexy wife. "I wonder if she was ever one of his students?"

Paul bounced his eyebrows cheekily. "I can imagine him bending her over one of the lab benches, or sneaking her down to the reagent store for a quick knee-trembler."

They all giggled, then they quietened down for a bit. As the men relaxed, Julia thought about how the night had unfolded. If someone had told her yesterday that she'd be having a threesome with two younger men, she'd have laughed in their face.

Whatever her colleagues might assume, Julia usually had high moral standards. Many of her friends at school and university had regularly gone out and had one-night stands, but she never had. There'd been a couple of long-term relationships at Uni, and later, when she'd worked in the chemistry department of a research facility, she'd lived with a guy for a couple of years. Her love life had been neat and monogamous.

Until Robert.

She took a breath. "The last guy I slept with was married."

Both Mark and Paul turned to look at her, though neither spoke.

"He was a lying bastard. He'd moved into a small flat and told me he and his wife had separated. After chatting over coffee at work a couple

of times, he asked me out for a drink. Fed me a sob story about missing his kids and being lonely..." She sighed. "I was such an idiot believing him."

Paul shrugged. "Some men will say anything to get into a woman's pants." He frowned. "So he hadn't separated from his wife?"

"No. The family had moved into her parents' old house—some mansion in the country that was too far for him to commute every day. The trouble is, everyone at work knew we were seeing each other, and they also knew he was still married. They thought I was just sleeping my way to the top. Happens a lot in banking, apparently." She looked from Paul to Mark. "So now everyone thinks I'm a slut, and the fact I'm currently in bed with you two kind of confirms it."

Mark shook his head. "All women dream about being in bed with me. Some would even put up with Paul being here, too."

Paul scoffed. "Dream on."

Julia giggled and stroked both men's arms. "Don't start that again. I'm glad I'm here with *both* of you." She sighed, enjoying their warmth. "I didn't come here looking for a man, and I doubt I'd have done this if either of you were alone."

The men looked surprised by this revelation, and she shrugged. "I'm kind of off men at the moment, but the opportunity of two at once may never happen again."

They giggled, then eventually all three of them fell into a satiated sleep.

Chapter Four

In the middle of the night, Julia awoke when someone gently eased her legs open. The room was dark, save for a strip of light from under the bathroom door. The bed was empty on both sides.

Firm hands parted her thighs, and a warm wet tongue lapped over her sex. Julia shuddered, reaching down to run her fingers through thick hair. A tongue pushed into her hole, then danced over her clit.

She closed her eyes and raised her hips to meet the warm mouth, pulling Mark or Paul's head to her. There was something delicious about not knowing who was doing the teasing.

He slid a finger in while he sucked her clit, and Julia rocked her hips. When he added a second finger and curled them up against her inner walls, she came with a grunt, pulling at his hair while grinding her crotch against his face.

The bathroom door opened, casting a rectangle of light over the bedroom. Paul stood naked in the doorway. It'd been Mark who'd made her come.

Julia pushed the covers off and saw Mark smiling up at her. She pulled him up and kissed him, licking all around his lips and face to clean up her juices. "Lie on your back."

Mark obliged and she moved down between his knees. Bending over him, she dangled her hair onto his tummy and slowly dragged it across his skin.

His cock was semi-hard and already leaking precum. Julia licked the tip clean, then watched his face as she took him back into her mouth.

Paul climbed onto the bed behind her. She reached a hand back and stroked his thigh, then scratched it with her fingernails. She wanted him to fuck her while she sucked Mark.

He got himself into position and entered her without preamble. Julia moaned and pushed back onto him. His hands gripped her hips as he fucked her, and Julia began to bob her head on Mark.

Paul rested one of his hands on her bum cheek and then, without warning, pushed his thumb up her arse.

“Ahhh!” Julia turned to look over her shoulder at Paul. He eased his thumb out, flashed her a smile and carried on fucking her.

Julia returned her attentions to Mark, taking his thick cock back into her throat. Just a few moments later, Paul reinserted his thumb and prodded it in and out while his cock ploughed into her sex.

Julia groaned again, arching her back. It’d been a while, but she was no stranger to anal play.

What the hell—why not do the full house?

She released Mark’s cock and knelt up, looking back at Paul. He smiled sweetly and wriggled his thumb, which was still in her butt.

Julia nodded. “Okay, but pull out for a second.”

Paul did as he was told. Julia moved up the bed and straddled Mark, who was oblivious to what Paul had been doing and still didn’t know what was about to happen. She positioned herself over Mark’s cock, then slid down onto him, taking a couple of breaths as she felt herself stretching around his thick girth, then looked back at Paul. His cock was still slick with her juices.

She nodded. “Take it slow at first, okay?”

Paul inched forward on the bed and pressed against her sphincter. Then he pressed a little harder.

Julia experienced a moment’s pain and resistance, but then felt herself opening up. Paul pushed in slowly. The feeling of being completely filled made her groan.

One of her long-term exes had liked anal, but Julia had never experienced anal while being taken vaginally. The sensation was mind-

blowing. As the two men pushed into her—sometimes together, sometimes not—it was if her entire body was being massaged from the inside. Her legs trembled and her toes curled under. She knew this would make her come in a matter of seconds.

Mark's expression made her smile. She wondered how it felt for the men, feeling their cocks moving against another, each in a warm wet place, separated only by a thin membrane.

"Ohhh..." Julia sighed, then reached behind and stroked Paul's thigh. "Please don't stop. Just keep doing this to me for as long as you can hold out..."

Mark reached up and began pinching her nipples, and Julia tumbled into the most all-consuming orgasm she could remember. Her whole body shuddered and twitched, lightning raced across her vision, and every nerve ending short-circuited at once. As she screamed and sobbed, Mark kept pulling and stretching at her nipples, thrusting his cock into her from below while Paul reamed her arse from behind.

"I'm going to come again." Her voice was a hoarse whisper, and then her body spasmed once more. Mark cried out from below, and she felt his cock twitch; he was coming inside her.

"Paul, fuck me harder. Finish in there."

His fingers dug into her hips as he pounded her, going deep and hurting her in a beautiful way.

Julia groaned and gritted her teeth, pushing back to meet each thrust. Mark's cock slipped out under the onslaught from behind, and Julia felt his cum seeping out and down her thighs.

Everything was deliciously dirty. Julia knew that Paul was getting close to putting the icing on the cake. Paul groaned and stopped thrusting. His cock twitched as he unloaded.

Julia closed her eyes and felt his warmth deep in her guts. She murmured encouragement, wiggled her hips, and he resumed his thrusts as he rode the final tremors of his orgasm.

Paul's cock softened and he pulled out, leaning his chest on her shoulders as he got his breath back.

Julia was wedged between the men, helpless as Paul's cum oozed out and dribbled down the back of her thighs and mingled with Mark's, which was already starting to cool.

She wriggled between them. "Guys, I need a shower."

Mark frowned. "But you've already had a bath."

"A lot's happened since then."

"You can have a shower in the morning," Paul said, putting even more weight on her as he straightened his legs and lay full length.

She sighed, then decided to be blunt. "I'm dripping cum from both holes."

"Good." Mark wiped his finger over her chin. "At least you managed not to dribble from here."

Julia turned to look at Paul. "You need a shower, too."

He smiled. "If you're making another pass at me, you should know I'll need to sleep before I can perform again."

"Fine. Why should I care?" She stretched her legs out and the three of them shifted to lie in a line, Julia slightly closer to Mark to avoid the gap between the beds and Paul's dirtier cock.

* * * *

Julia must have slept, but it didn't feel like it had been for long enough. There was light around the edge of the curtains, so it was definitely morning. Both men were asleep. She climbed out of bed and headed for the bathroom. After turning on the shower, she had a quick pee and checked her reflection in the mirror. She felt and looked like she'd been ravaged all night long. It made her smile.

She stepped into the shower and closed her eyes as the steaming water drummed down onto her head and body. The shower door opened, and Mark stepped in. Julia started to shake her head when Paul joined them. The shower wasn't big enough for two people, but three made it almost impossible for any of them to move.

Paying no attention, Paul reached behind her, took the shower gel from the hook, and squirted some onto his chest. He squirted some into Mark's face, making him swear, and added a final dollop to Julia's breasts. She laughed and started to wash herself. The men helped. Pretty soon, all six hands were rubbing soap into Julia's boobs, bum, and between her legs.

Julia was sore and tired—and really would have enjoyed a shower alone—but she was carried along with their enthusiasm. Standing between them, she closed her eyes as they groped and fingered her. She reached down and wanked their cocks, which were both getting harder by the second.

It was impossible to do anything other than fumble in the confined space, but when Paul's finger started to work her clit, Julia bit into his shoulder as an orgasm tore through her.

Her legs started to shake, and she dropped to her knees. Both men saw that as an open opportunity. Mark presented his cock in front of her, and she took him onto her mouth. A few seconds later, she sensed Paul trying to get in on the action.

She snorted. "Not until you wash it properly."

He laughed and added a large squirt of shower gel to his hand, then washed his cock thoroughly. Watching him do it turned her on, and gave her an idea. Once the soap was rinsed off, she took him into her mouth and pleasured him, then did the same to Mark again.

She continued this for a few minutes, then sat back on her haunches. "Okay guys, give me what you've got."

Both men frowned. "What do you mean?" Paul asked.

She didn't reply.

"Let's go back to bed," Mark suggested. "I want what he had."

Julia shook her head. "Sorry babe, but I only do that once."

Paul asked, "So, you want to suck us in here, rather than going back to bed?"

"I sucked you both enough last night. One of you go and get your phone."

Mark and Paul looked at each other for a second, then Mark left and came back a few moments later with his phone.

The water was pummelling Julia's face. "Turn the shower off."

Paul reached round and shut it off, then looked down at her. "What now?"

"Now you pretend you're washing your dick again."

"You want me to jack off?" He sounded incredulous.

She nodded. "I want you both to jack off. And I want you both to come on my face."

The men glanced at each other. "Why?" Mark asked.

"Why d'you think? I'm horny but sore. You've just fingered me and made me come, and now I want you both to come. On me."

The men started to jack themselves off.

Julia scraped her sodden hair back from face and smiled up at them. "Let's make it a race. Who can come first?"

They both smiled and wanked faster.

Julia put on a pout and played with her boobs, first stretching the nipples as far as she could, then crushing the mounds together between the palms of her hands.

Mark made a growling noise in his throat, and Paul responded by jacking himself faster still. Julia could tell they were both close, so she stopped playing with her tits and knelt up straight, tipping her head back. Mark growled again, but Paul was the first over the line, a thick rope of white erupting from him and arcing onto her forehead. His second spurt landed on her cheek just before Mark sent his first jet into her hair, his second landing on the opposite cheek to Paul's cum.

When both men had finished, Julia crawled around in the tight space until she was facing the same way as them, between their legs. "Mark, give me your phone."

Mark retrieved it from the soap dish and activated it, then passed it down. Julia chose the camera app, reversed the lens direction so she could take a selfie, and looked at the screen. Once she was happy that her cum-covered face was in the centre of the shot, with her bare breasts in the lower

part and the still semi-hard cocks showing over her shoulders, she clicked two or three shots.

“Right, you two go and get dressed. Leave your phone on the ledge by the mirror.”

The men left. Julia turned the shower back on and washed her hair, face and body. Once she’d dried off, she picked up Mark’s phone and walked naked back into the bedroom, where the men were moving things back to their original positions.

Once Mark had unlocked his phone again, Julia sat on one of the beds and forwarded each of the photos to her own number. Then she deleted the photos, deleted the sent messages, and checked to see if there was a file of recently deleted photos. There wasn’t.

She smiled and passed the phone back. “Thank you.”

He clicked through his photo gallery and frowned. “Where are they?”

Julia found her thong and pulled it on. “I’ve deleted them.” She next pulled on her teddy.

Mark shook his head. “So why did you take them?”

“I wanted to see what I looked like with all your cum on my face.”

Paul dropped onto the other bed. “I’d have liked to have seen them.”

Julia smiled. “You both saw what I looked like. I didn’t.” She stood up and pulled on her jacket, then stepped into her flat shoes. “Right, I’m going to put some clothes on, then maybe we could all meet up downstairs for breakfast?”

They both nodded.

Paul opened the door and looked out into the corridor. “All quiet.”

She laughed. “I don’t care. I’m single and allowed to do what I want.”

As she headed back to her own room, she wondered if Robert was eating his cornflakes and reading the financial pages of his Sunday newspaper.

Maybe one day she’d send him the pictures of her in the shower, just to prove she wasn’t missing him.

Party Crasher

Chapter One

I'd just left the last lecture of the day, heading towards the stairs with the rest of my classmates, when my phone buzzed in the back pocket of my jeans. It was a text from my house-mate, Jodie, so I moved to the side of the corridor to let others pass while I read. She asked if I fancied meeting up for an early drink in the Students' Union bar. I replied with a thumbs-up and a smiley face.

Ten minutes later, we were sitting at a small table with a vodka and orange each.

"Emma, do you know Becky from my biochemistry class?" Jodie asked.

"Sort of." I'd met her in the pub a couple of times.

"She's having a party on Friday and has asked if we want to go."

"Oh?" I had no plans for the weekend, as usual, and it would be nice to break the pattern. "Sounds good to me."

"Sweet."

I downed my drink and pointed at her glass. "Same again?"

We ended up staying in the Union bar for another hour or so, then headed home, calling at the local Spar for a few groceries.

As we stood in the kitchen, cooking, Jodie smirked.

"What?" I asked.

"I think Becky's been put up to asking you to her party by one of the postgrads."

"Huh?" I shook my head as I thought about all the postgrads I knew. "Who?"

She raised her eyebrows. "Jamie."

The name wasn't ringing a bell.

"He sometimes works behind the bar at Bullies."

"Ahhh." Finally, I smiled with her. "*Him!*"

The city venue had regular live music, and we'd been there quite a few times. On one of those occasions—when I'd had far more vodka than I could handle—I'd flirted shamelessly with the cute guy behind the bar. Though my memories of the conversation were hazy the next morning, I remembered enough to know we'd ventured all the way down Innuendo Avenue and were well on the way towards Filth Corner by the time Jodie dragged me home.

My interest in him instantly rekindled. "I didn't realise he was a postgrad."

Jodie nodded. "Bioinformatics, I think."

I tried to look nonchalant, but as we stared at each other we both burst out laughing. It'd been a while since I'd had any romantic encounters. In truth, it'd been too long, but I'd grown tired of guys of my own age. Hopefully, Jamie would be more mature.

"That gives us *both* a reason to be excited about the party," Jodie said, a shit-eating grin creasing her face.

"What d'you mean?"

"Remember me mentioning Sam, from my genetics class?"

"I remember you getting pissed and admitting you'd named your vibrator after him."

Jodie squealed with embarrassment and hid her face behind her hands. "*God!* Did I really tell you that?"

I laughed. "You also told me you were using it to practice overcoming your gag reflex for when you actually get him into bed."

"I swear I'm going to stop drinking vodka."

"Yeah, 'course you are, babe." I gave her a teasing smile, but I was already thinking about Jamie's blue eyes and cute smile. Not to mention his fit body.

* * * *

The rest of the week dragged, but by Friday Jodie and I were on a high. Since neither of us had lectures after twelve, we grabbed lunch in a

pub and spent the afternoon wandering round the Christmas Markets in the bright winter sun. On our way back to the house, we bought a bottle of vodka and carton of fresh orange juice to take to the party.

I made us some pasta while Jodie showered. We ate watching TV, then I headed upstairs for my shower while she washed the pots. I dressed in a black lacy top and tight jeans, and took more care than usual with my makeup. We had another drink at home, then left for the party shortly after nine. It was a mercifully short walk, which would also save us the cost of an Uber later on.

The three-bedroomed semi that Becky shared was much more impressive than our two-bedroomed terrace. There was a light on in every room, and we could hear laughter coming from the back garden. We rang the doorbell and were let in by a girl who introduced herself as Hayley, who told us that we'd either find Becky in the kitchen or in the garden.

The house was crammed, making it tough to edge our way through the mass of students in the hall. The big, square kitchen boasted an island unit in the middle, the top of which was covered with bottles and tins of booze. Jodie found a couple of tall plastic cups, half-filled them with vodka, and topped them up with orange juice before hiding our bottle of vodka in a cupboard. Since we couldn't see Becky, we wandered out through the back door and down some steps into the garden.

She was at the far side of the patio, already half-pissed. Becky gave us both a hug, then introduced us to some of the people she was chatting with. There were some familiar faces—students I'd seen around campus or in the Union bar—but most were people I'd never met before. There was no sign of Jamie.

After a few minutes, three guys made their way across the patio towards us. Seeing Jodie shake her hair back and push her boobs out, I surmised that one of these guys was Sam.

I was duly introduced and, although Sam seemed nice enough, he wasn't what I'd been expecting. I've nothing against the geeky look, but he seemed to be aiming for ultra-geek with his overly large glasses, unruly hair, and intense way of expressing himself. He certainly wasn't the sort of person I'd name my vibrator after, but he seemed to like Jodie, so I was happy for her.

We all stayed on the patio for a while, even though the night was fairly cold. When a couple of Sam's friends started hitting on me, I decided it was time for another drink. I wagged my cup at Jodie but she shook her head, so I headed inside and left her and Sam to get better acquainted.

I topped up my cup and put the bottle back in its hiding place. The kitchen was crowded and noisy but a lot warmer than the patio, so I decided to stay inside for a while. There was still no sign of Jamie, but I chatted awhile with a couple of girls I knew through Jodie.

"I hope you're not on the vodka again."

I recognised his voice immediately and turned to look up into his face. Jamie had a smirk on his kissable lips, and his gorgeous blue eyes sparkled with amusement.

I held up the cup in my hand. "I am, but I promise not to drink as much as I did the last time you saw me."

"That's a shame—you were very entertaining."

I can be more entertaining on my back.

Keeping that to myself, I tried to look suitably embarrassed. "Thankfully, I can't remember what I said."

"Whereas I was completely sober, and remember everything." He smiled, then leaned closer. His breath smelled of mint. "I had to Google a couple of the terms you used."

I giggled. "I find that hard to believe."

He opened his eyes wide and shrugged. "What can I say? I led a sheltered life before coming to this den of iniquity we call uni."

"Hmm, me too. I blame my housemate for leading me astray. Besides, at the time I thought you were some random barman. You never mentioned you were a student."

He flashed another fabulous smile. "You didn't seem interested in anything except choosing drinks from the bottom shelf to make me bend over so you could 'check out my arse', as you so eloquently put it."

I cringed. "God!" Then I shook my head and gave him a smile. "Well, tonight I'm sober, so I'll ask more relevant questions."

“Are you saying my arse is irrelevant?” His eyes were twinkling again.

“Not at all, but I was always taught to look beyond the surface, no matter how pert the arse might be.”

He gave a chuckle. “Very well, ask away.”

“What are you studying?”

“Guess.”

“Bioinformatics.”

He seemed genuinely shocked for a split second, then a grin creased his face. “Very good.”

“Tell me about your postgraduate research project.” I couldn’t keep the smugness out of my voice.

“Okay...” He took a sip of his beer, which was Beck’s. I looked forward to tasting it on his lips and tongue later.

He took a breath. “Well, as you’ll know, bioinformatics is a combination of biology, computer science, maths, statistics and information engineering.”

I watched his face, suddenly aware of a tingling deep in my crotch.

“And as you so correctly suggested, I’m involved in a research project as I work towards my MSc. The information I got from my latest research was about a young brunette with big brown eyes and a kind of Mediterranean look about her.”

I smiled. “I hear she’s got a Spanish mother.”

His eyebrows went up, and he nodded slowly. “That would explain her Latina good looks. I’m now wondering if she has a Russian father, based on the amount of vodka she can get through.”

I burst out laughing. “Cheeky bugger. No, I’m pretty sure her dad is one hundred percent English.”

“If you say so.” He took another sip of beer. “So, my research revealed that her name is Emma, and that she’s a second-year undergraduate doing a degree in International Business with Modern Languages.”

I was impressed. “Apparently, she’s fluent in Spanish, and can also get by in French and German,” I said.

He bobbed his eyebrows. “I wouldn’t mind testing her French skills.”

I laughed again, and the tingle in my crotch kicked up a notch to a dull ache.

“Anyway,” he continued, “it seems that many members of the science faculty are aware of her, even though she has no interest in science.”

“She shares a house with a girl studying biochemistry, from what I hear.”

“That would confirm the data I got.”

I leaned closer. “I heard it’s that biochemistry housemate who’s to blame for her vodka addiction.”

Jamie laughed. “Speaking of which, I need another beer. Can I get you anything?”

Just bend me over the island unit and fuck my brains out. “I’m okay for now, thanks.”

He walked towards the collection of booze on the counter, but before he’d gone three steps, he turned and said, much louder than was necessary, “And no checking out my arse. Again.”

I laughed, and several other people in the kitchen turned and smiled, rightly guessing that we were in the early-teasing phase of an affiliation that would probably become horizontally physical in the not-too-distant future.

Fuck-sparring.

Jamie came back and clinked the neck of his fresh bottle of Beck’s against the hard plastic of my tall tumbler. “Cheers.”

I raised my cup to my lips and watched his face over the rim as I drank.

He licked his lips. “Say something dirty to me in Spanish.”

I shook my head. “I only say dirty things when I’ve drank too much vodka.”

He laughed. “Come on, I want to hear you speak Spanish.”

I leaned close and glanced down at his lips, wondering briefly what they’d feel like clamped round my clit. Looking back up into his eyes, I

whispered, as sexily as I could, “Quiero tu polla en mi boca y tus manos por todo mi cuerpo.”

A grin creased his face. Having been a bit full-on, I worried for a moment that he could actually understand Spanish. But then he shrugged.

“Sounded fantastic. What did you say?”

I shook my head. “You asked me to say something dirty in Spanish. You never said anything about translating it.”

“That’s not fair!”

I shrugged. “You’re the researcher, go research it.”

“So, where’s your biochemistry housemate?”

“Flirting with some scientist in the garden.”

“The floozy.”

I nodded. “She’s wasting her time with a boffin. She’d be better off with a languages student; they can manipulate their tongues into all kinds of shapes for those awkward foreign pronunciations.”

He stared open-mouthed for a second, then responded with, “But scientists do it with a test tube.”

I burst out laughing and clinked my tumbler to his bottle. “Good response.” I studied his face and liked what I saw. He was good-looking—and knew it—but he was confident rather than cocky. “Tell me about you. Where did you grow up?”

“I moved around quite a bit because of my dad’s job. I went to school in Reading, Norwich, Southampton and Exeter.”

“Hmm. Why bioinformatics?”

“I actually enrolled for a straight biology degree, but in the first year I was advised to think about changing to bioinformatics because they thought I was good with computers.”

“And are you?” I leaned closer, wondering when it’d be appropriate to steal a first kiss. “Good? With computers?”

“Xboxes are more my sort of thing.” He laughed as I rolled my eyes. “Seriously. They’re great for improving the speed and dexterity of the fingers.”

I flashed my eyes at him.

“So, what about you? Where did you grow up?”

I was about to tell him when Jodie and Sam stumbled in through the back door, holding hands. She beamed happily at her boffin soon-to-be-boyfriend. Her eyes were watering, and her cheeks and nose were bright pink. “How’s the garden?” I asked, smiling.

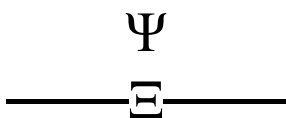

“We’ve had to come inside because I was freezing my tits off,” she said, retrieving our secret vodka bottle. “Drink?”

I held out my cup. “Just a small measure. Jamie tells me I’m too crude when I’m drunk.”

He shook his head. “I didn’t say there was anything wrong with you being crude. I said you were entertaining.”

I smiled at him, then stopped Jodie from adding too much. Whatever was going to happen tonight, I wanted to be able to remember it in the morning. While Jodie and Sam chatted with Jamie, I decided now was a good time to go to the loo.

Chapter Two

Somebody pointed to a door off the hall, but after waiting for five minutes it became obvious that whoever was in there wasn't just taking a pee. I headed upstairs and found the main bathroom. The house was big, and all the fittings were solid and classy, not cheap and flimsy like in ours.

I had a pee, washed my hands and checked my face in the mirror. My makeup was still neat, and even I could see the sparkle in my eyes. I headed out and pushed my way past the people holding their conversations on the stairs.

In the kitchen, Jodie and Sam were now talking to the other guys who'd been on the patio, and Jamie was talking to a girl with short, white-blond hair. I made my way over. They both looked up as I arrived. Jamie had a sort of embarrassed expression, but the girl gave me a broad smile.

"Hi," she said.

I smiled but stared pointedly at Jamie, waiting for introductions. I'd assumed they knew each other.

"Er..." He seemed puzzled and uncomfortable, then he looked back at the blonde, who was extremely attractive. "This is Emma. I'm sorry, I don't know your name."

Oh, not a friend then.

The blonde held out her hand. "Hi Emma, I'm Pru."

Her hand was soft, her voice was friendly, and her smile far too pretty. I didn't want her to steal Jamie before I'd got my hands on him.

"Hi." I frowned. "Pru, as in Prudence?"

She gave a self-conscious giggle. "My dad's a Beatles fan, my mum was a punk rocker and loved Siouxsie and the Banshees. The only song they could both agree on was Dear Prudence."

I'd heard of the Beatles, but not Siouxsie, the Banshees, or the song. I wanted her to go and talk to somebody else so that me and Jamie could continue with our fuck-sparring.

Jamie seemed to have other ideas. “Can I get you a drink?”

Pru smiled. “A beer would be good. Thanks.”

As he wandered over to the island, Jodie gave me a questioning look and flicked her gaze at Pru. I rolled my eyes.

Pru seemed out of place here. Her face was gorgeous: big blue eyes and flawless makeup. Her clothes—a loose-fitting white dress and tan, calf-length cowboy boots—made her stand out in a house full of women in jeans, or skirts with thick woolly tights. Her bare legs were tanned and had a sheen, like there was oil on them.

She was watching me and her eyes danced with amusement. I wondered if she knew she was cramping my style, getting in the way of me and Jamie consummating our flirting.

“Are you studying at the uni?” I asked, refusing to be intimidated, even though every man in the room was stealing glances at her.

She shook her head. “No, I’m one of the employed.”

I wasn’t surprised. Her clothes looked expensive. “So how come you’re at a student party?” I hadn’t intended to sound quite so accusatory, but she didn’t seem to notice.

“I rent a flat a few doors down and I’ve chatted with the girls who live here a few times.” She gave me another wide smile. “What do you study?”

“Languages and Business.”

“Ah, okay. So, are you planning on travelling when you graduate?”

I nodded. “I have family in Madrid, and I’m hoping to work there for a year or so.”

“Are you Spanish?” I could see her studying my face and hair.

“Half-Spanish. What about you? You look Scandinavian.”

She giggled. “I wish. No, I’m a peroxide sham.”

I reached up and touched her short hair, which had a slight curl. “Whatever you do to it, it works. Your hair’s gorgeous.”

When my gaze moved back to her eyes, she was staring directly at me, her face serious.

I worried I'd overstepped. "Sorry. What I meant was, it looks like it's your natural colour."

"Thank you."

Jamie arrived back with three fresh bottles of beer. He passed one to Pru, then looked at me. "I wasn't sure if you wanted one. I think your friend's drunk all the vodka."

"Thanks."

When the three of us had clinked bottle necks, he smiled at Pru. "I'm Jamie, by the way."

I watched his face, saw his eyes wander down to the gentle swell of her breasts. I couldn't blame him for fancying her. Pru was stunning.

"So, how long have you two been together?" Pru asked.

Jamie answered. "We've known each other a while. She comes into the bar where I work and demeans me."

"Ah, the patronising patron." She smiled at me. "Every bar should have one."

I shrugged. "He struts around, bending provocatively."

"Oh, I hate guys who do that." We both nodded, then she glanced at Jamie before looking back at me. "He does have a cute arse, though."

I smiled. "Yeah, but he knows it."

"Never a good combination," she agreed.

"So, what is it that you do for a living?" I hated to admit it, but I was genuinely interested.

"I'm a prostitute."

Jamie spat his beer out, and Pru giggled. "Sorry, that's just my sick sense of humour."

I laughed with her, wondering how much men would be prepared to pay for a session with Pru.

"Actually, I'm a sound engineer." She grinned. "But the prostitute line gets a lot more interest."

"Yeah, I can imagine." I was beginning to enjoy her company. "So, do you work on making records and stuff?"

She shook her head. "I wish. No, it's a dull radio chat show with cranks phoning in about the most mundane of things."

"How long have you done that?" Jamie asked. I could see him checking out her legs.

"A couple of years. What about you? Are you a languages student?"

"No, he plays Xboxes and does things with test tubes," I said.

Pru flashed me another grin, then batted her eyelashes at Jamie. "And how big are these test tubes, exactly?"

"Big enough to make the experiment interesting."

He hadn't bothered glancing at me before answering, and now they were holding eye contact. I thought about walking away and leaving them to it. But I didn't. Pru might be the sexiest girl at the party, but I'd seen Jamie first. Ten minutes ago, I reckoned the only thought on his mind was getting me into bed, and I'd been happy with that. With the arrival of the sexy party crasher, things might have changed.

I now had competition.

We stayed in the kitchen and chatted. I learned that Jamie had studied for his degree in Leeds before moving to Manchester, and that he lived just a couple of streets away from where the party was. Pru had grown up in a small seaside town on the south coast and moved north to study Music Tech.

There was a commotion near the back door, then the sound of a girl throwing up. A cheer rang out from the people who were with her.

Pru grimaced. "Oh dear. I doubt she'll be getting any kisses later."

Jamie's expression took on a lustful look, and again I wondered why I was bothering to compete. Jodie and Sam came to say they were heading back to our house, and I smiled and said I'd catch her later. What I meant was, hopefully tomorrow.

The smell of vomit made its way through the kitchen and we all seemed to notice it the same time.

Pru leaned closer to us both. "I certainly don't miss being a student," she whispered.

When I noticed Jamie taking the opportunity to look down the top of her dress, I didn't actually mind. We weren't a couple, and there was no denying Pru's sexiness. I think Jamie may have caught me smiling at his attempts to ogle Pru, because his expression suddenly suggested he'd solved a difficult puzzle.

"I have an idea," he said. "Why don't we grab a couple of bottles of that beer and head back to my flat so we can continue this conversation in a vomit-free atmosphere?"

The idea obviously appealed to Pru. I hesitated, wondering if I should do the decent thing and allow the two of them some privacy. But Pru pulled me close and slipped her arm around my waist, her hand resting on my hip.

"Come on, Emma," she said, her beautiful blue eyes imploring me to agree.

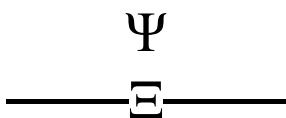

I nodded, and she whooped and squeezed me tighter.

"Jamie," she said, as he made his way towards the drink stash. "There's a shop at the end of the road. Don't pinch beer from here, I'll buy some on the way back to your place." She smiled. "I have a job, remember? I can't pinch booze from cash-strapped students."

We left the kitchen without bothering to say goodbye to Becky. Pru retrieved a lovely suede coat from a cloakroom under the stairs, and we all walked side by side along the pavement to the off-licence.

Stocked up, we set off for Jamie's flat, me linking my hand into one of his elbows, and Pru linking her hand in his other. He had a smile on his face, and rightly so. He must have been thinking he'd hit the jackpot.

Chapter Three

Jamie's flat was a typical bachelor pad—wide screen TV with gaming console, clothes left scattered on the furniture, and dirty glasses and mugs dotted around the floor.

"Remind me never to hire your cleaner," Pru said.

Jamie picked up his clothes and threw them behind the couch, then took the cups and glasses into the kitchen, returning with two clean glasses. He drank beer from the bottle while Pru and I drank wine from non-matching tumblers.

Pru went over to his smart speaker and took out her phone. She pressed a couple of buttons, and the light on the speaker started to flash as the Bluetooth connected. An acoustic number with a girl vocalist came on as Pru returned to sit next to me on the couch. Jamie was on the armchair which faced the TV—no doubt his gaming chair.

We girls chatted over a second glass of wine. I was feeling calm about what was going to happen, although I was pretty sure that Pru's presence meant there'd be no future relationship between me and Jamie. A threesome might make for a sexy night, but it's hardly the best way to meet your future boyfriend.

Pru put her glass down on the table. "So, Jamie, are you going to take us both to bed now?"

He stared at her, then at me, his eyes wide. "That sounds like the best idea I've ever heard."

She smiled and turned to me. "What about you, Emma? Will you let me share your boyfriend?"

I held her gaze. "He's not my boyfriend, but I'm happy to share him."

She bit her lip and smiled. "Good." She glanced from me to Jamie. "Do you two do threesomes a lot?"

She thinks we're fuck-buddies. Friends with benefits.

“I’ve never been involved in one before,” Jamie said quietly.

Pru raised her brows at me.

“Me neither,” I admitted.

“In that case,” she said, “I think we should make this as special as we can.”

Pru stood and held out a hand to each of us. She seemed to have progressed from party crasher to party organiser. Jamie got up and led the way to his bedroom, which was thankfully a lot tidier than the living room had been and furnished with a king-sized bed.

Pru stopped by the bed and turned to face Jamie, but she waited until I was next to her before she reached up and stroked his chest. Jamie leaned in and kissed her gently on the lips, then turned his head and kissed me. My tummy tingled at the thought of finally fucking him. I wasn’t actually bothered that another woman would be there while I did it, and also helping herself to him as well.

I tugged at the hem of Jamie’s form-fitting long-sleeve top. “I think you should take this off,” I said, showing I wasn’t going to let Pru take the lead on everything.

Jamie quickly removed his top, revealing a nicely toned hairless chest, and a firm, flat tummy with a hint of a six-pack. Pru glanced at me, then we both ran a hand over his abs, chest, and solid shoulders.

Pru slipped her finger inside his belt. “And now you need to take your jeans off.”

His eyes slid from Pru’s face to mine, then he quickly unbuckled and unbuttoned, pushing his jeans down his thighs. Pru dropped to her knees and undid the laces of his shoes, then Jamie kicked them away. She pulled his jeans and socks off, leaving his boxers on. As she stood back up, she looked at Jamie, then at me, seemingly waiting for me to decide what would happen next.

I turned to Jamie. “Lie on the bed.”

He sat on the bed, shuffled back a few feet, and lay down in the middle, watching the pair of us. “Don’t you think you two should take something off now?”

Pru lifted her dress up and off over her head. Underneath, she wore a lovely white bra and panties set. Her body was fabulous, her tummy flat and toned, the swell of her hips feminine, and her bum pert and peach-shaped. She stepped out of her boots, revealing dainty feet with dark red toenails, then looked at me and raised her eyebrows.

I slowly unbuttoned my top and slipped it back off my shoulders. I knew Jamie and Pru were both watching, but it wasn't a problem. I was happy with my own body, and had often been complimented on my natural skin tone. After kicking off my ankle boots, I stripped down to bra and panties. When I'd dressed for the party, I'd put on my sexiest black underwear in hope of ending up in Jamie's bedroom.

I'd just never imagined there'd be another woman here with us.

I could feel both their eyes on me, and I shook my hair back and smiled at them. Pru bit her lip, and I could see a bulge in the material of Jamie's shorts.

Deciding to take the lead, I knelt on the bed and hooked my fingers in the waistband of Jamie's boxers.

He placed his hands on mine and frowned. "Don't you think you two should lose a little more clothing before you strip me completely naked?"

I paused, then turned to Pru.

She grinned down at Jamie, then flashed her eyes at me. "What do you think, Emma? Should we show him our tits?"

With a smile, I knelt up and unclipped my bra. Pru watched me, and stared at my already-hard nipples for a couple of seconds before removing her own balconette. Unsurprisingly, her boobs were perfect: high and firm. Her nipples were pale pink in stark contrast to my dusky brown ones. Pru climbed on the bed beside me, and we both knelt over Jamie. This time, when I hooked my fingers in his waistband, his hands remained on the bed. I eased the boxers down his thighs and released his erection. It was an impressive size, with a slight curve.

I wrapped my fingers around its base and held it upright. Glancing up, I saw Jamie watching me. I smiled at him, pumped my hand slowly up

and down a couple of times, then lowered my head and took him into my mouth.

He whimpered, and I closed my eyes and let my tongue do a couple of circuits around his cockhead before taking him deeper. Then I released him and kept my hand around the base, turning to Pru.

She held eye contact with me for a couple of seconds, then lowered her head and took Jamie's cock into her mouth. He groaned and dropped his head back on the pillows. I watched Pru's face while she pleased him, admired her jawline and lips. She had a classic beauty that seemed timeless. She wouldn't have looked out of place in a film from the fifties.

After a few seconds, she raised her head and I took another turn at sucking him. Same sequence—suck, tongue, deeper, and back. While Pru took her second turn, I leaned down and ran my tongue over Jamie's balls. Pru released Jamie and mirrored my action. Then, as if choreographed, we both stuck out our tongues and moved up and down the length of Jamie's shaft, one either side.

Jamie started to slowly pump his hips, and as we both got to the top of his cock with our tongues out, Pru leaned in and kissed me, sucking my tongue into her mouth.

I snatched my head back in surprise, and her eyes danced with amusement for a second before she closed them and took Jamie's full length into her mouth and throat.

I stared, unsure if I could manage to do that. I could still taste her lipstick, and I wasn't sure how to react. I regretted recoiling in the way I had, but she hadn't seemed offended.

Pru released Jamie's cock and pointed it back towards my mouth, a mischievous smile on her face. As I was about to go down on him again, Jamie said, "Ladies, I think you'd better move things along before I embarrass myself."

I guess he didn't want to come before he'd fucked at least one of us. I looked at his face and laughed. He had a really expressive face, and at that moment it was telling us that although he was having a great time and would have been happy to let us tag-suck him to oblivion, he wanted his cock to experience more than just our mouths.

Pru leaned close and nuzzled my ear, making me shiver. “What do you want first, Emma, his tongue or his cock?”

“Cock.” I said it a little too fast, as if trying to remind her why I was here. I gave her a conciliatory smile. “I’ll take his cock first, if that’s okay.”

Pru nodded, then quickly removed her panties, revealing a neatly trimmed landing strip of public hair. I clumsily sat on the mattress and stripped off my black thong, letting them both see my unadulterated black triangle, then positioned myself with a leg either side of Jamie’s hips. Pru crawled up the bed and turned to face me, then straddled his head.

As Pru lowered herself down, I lost sight of Jamie’s eyes. I could see his chin moving, and she let out a sigh as his tongue evidently began its exploration. Her eyes settled on mine, and she nodded down towards Jamie’s raging cock, which was slick with saliva and pressing hard against his own tummy.

“Fuck him. I want to watch you ride him.”

I held her gaze for a second, unsure if I should respond. Then I raised myself up slightly, positioned the tip of his cock at my entrance, and slowly slid down on it.

I closed my eyes and savoured the moment, letting out a long breath. I always cherish being entered. There’s something special about the first invasive push, the stretching and adjusting, the warmth of another body part becoming a temporary part of my being. When it’s a new guy, it’s even more special. Jamie’s cock felt wonderfully big. I rotated my hips, raised up slightly, then pushed down harder.

I heard him let out a muffled groan. When I opened my eyes, Pru’s head was angled down, her gaze fixed on the union between me and Jamie. She was getting exactly what she asked for—she was watching me ride him. And now that I had her full attention, I intended making the most of it. I made slow, sensual movements with my pelvis, gyrating on the thick cock inside me.

Pru was rocking her hips too, grinding herself against his face.

I reached out and touched her arm.

She looked up and smiled. Her pupils looked big, her eyes slightly unfocused. I was pretty sure she was getting close. She deserved to come on

a cock, and I decided it'd be sexy to see her ride Jamie.

"Swap places," I whispered. "Let me see you fuck him."

Pru held my gaze for a second, then we both raised up and clambered around. I glanced down at Jamie's juice-smeared face. Saw his blissful smile. I sat down and rubbed my sodden crotch all over his lips and chin, yelping a little as his teeth grazed my swollen labia before his tongue pushed its way into my channel.

Pru guided Jamie's cock inside her and, within just a few seconds, I knew she was on the brink of her orgasm. I watched her face, the fluttering eyelashes, the creased brow, the clenched teeth and drawn-back lips. Her face was extremely sexy. If Jamie had been able to see her, he'd have come when she did.

Pru let out a grunt, then a moan. I wanted to touch her, but resisted. She grunted again, rocked her hips quickly, grinding out the last bit of pleasure. When she opened her eyes, she gave me a beautiful, self-conscious smile.

"Your turn," she whispered as she climbed off him. Keeping hold of Jamie's cock, she held it up ready for me to sit on.

I shuffled down the bed, not bothering to turn round. I didn't need to see Jamie's face. Even once I'd impaled myself, Pru kept her hand between my legs, no longer holding Jamie's dick, but resting her fingers over my labia as I slid back and forward on him. I thought about pushing her hand away, but didn't, instead closing my eyes and concentrating on clenching and releasing around Jamie's dick, enticing the cum from his balls.

His breathing became ragged. Pru still had her hand at our junction, where his thick, hard cock slid in and out of my soft, wet hole.

I felt her breath on the side of my cheek, but I didn't open my eyes or stop pumping my hips.

"He's going to come," she said in a breathy whisper.

I gritted my teeth and kept rocking.

"He's going to pump your hot little body full of cream. I hope you're on the pill, Emma."

I felt the first tingle of my own release. I nodded, then opened my eyes.

She smiled at me, her face close to mine. “Do you want his cum inside you?”

“Yes.”

Pru placed her other hand on my boob. I shuddered—or shivered, maybe. Whichever, I didn’t move her hand away. Her fingers were gentle yet firm, and they teased my nipple in a way that felt wonderful.

I let out a sigh, and Jamie dug his fingers into the flesh of my hips and started moving me on him.

“Ready for it?” Pru nibbled my ear, then she readjusted the hand at my sex and her fingers danced around my clit.

My body seemed to implode. When I squeezed my eyes shut, blue and white flashes skittered across my eyelids. Jamie groaned, and I felt his cock twitch as he unloaded inside me. A shiver ran up my spine, and then I felt another sensation...

I opened my eyes to see Pru sucking my nipple. I was still in the throes of my orgasm, and Jamie was still spurting his cum inside me, and every nerve ending in my body seemed to short-circuit.

I cradled Pru’s head and pulled her against my boob, and clenched my muscles tighter around Jamie’s cock. My heart banged in my chest and my pulse raged in my ears as I bounced along the wave of the most fantastic orgasm.

Finally, Pru pulled back and moved her hand away. As she smiled at me, I let out a long sigh and turned around. Jamie was lying back with his eyes closed and a serene expression on his face. I eased myself off him, and stood. Jamie pulled the sheet down and slipped into bed.

I needed to clean up before I started leaking. “Where’s the bathroom?”

“First door on the right,” Jamie said, without opening his eyes.

In the small, not very clean bathroom, I wiped up most of his mess with a tissue, then took a pee and washed my hands. The mirror showed smudged mascara, and my lipstick had all but disappeared. But my cheeks were pink in the afterglow from sex and my eyes sparkled.

I’d just been involved in a threesome, and it’d felt fantastic.

Chapter Four

I padded naked into the bedroom. Pru was already snuggled up next to Jamie. I was about to head for the other side of the bed when she held back the sheet and beckoned me in. That put her in the middle, but I figured she wanted to make sure she was first in line for when Jamie managed to get hard again.

We lay in silence, but after only a few minutes I could feel movement. I wasn't sure what was happening—either Jamie was touching Pru, or she was touching him. Either way, I was being neglected.

I pushed the sheet down, raised myself up on one elbow, and peered down between them. Pru was pulling and squeezing Jamie's spent cock.

I tutted at her. "Can't you let the man rest for a while?"

She snorted. "Says the girl who's just had to mop the cum from her snatch."

I gasped, shocked at how coarse she'd been.

She giggled at my reaction, then gave his dick a harder yank. "He can rest when he's given me the same. Now stop whining and do something useful. Help me get him hard again."

I looked at Jamie. "Ready to go again, Tiger?"

"Use me however you want, ladies."

The two of us crawled down the bed and took up the same positions as earlier, kneeling either side of Jamie's legs with our heads over his groin.

Pru wrapped her hand around the base and flapped his still-soft cock from side to side. "This has now been inside both of us." She turned to look directly into my eyes. "Are you still happy to suck it?"

I hesitated, but only for a second. I'd often sucked men's cocks after they'd been inside me, but I'd never sucked the cock of a guy who'd just

been inside another woman. “Yes. Are you?”

She gave the most beautiful smile, then dropped her head and took the entire cock into her mouth, which probably wasn’t difficult considering its present state. Her head bobbed and twisted, and her lips made a slurping noise. She scraped her nails slowly along Jamie’s thigh, then cupped his balls—all the time sucking and bobbing her head.

When she eventually released his cock, it was standing at half-mast. She wanked it slowly, her tongue protruding a little as she concentrated. Pru didn’t need me to help get him hard; she’d achieved it all by herself. With a triumphant smile, she held his dick upright and pointed it at my face.

I sucked and slobbered over the entire length, then spent the best part of a minute slavering and licking his balls. I could taste our juices in his pubic hair and on his skin, and the memory of what we’d done earlier turned me on.

Jamie was ready to go again.

I knelt up and looked at him. “Right, get off your back and start doing some of the work.”

Pru giggled. “You tell him, Em.”

I turned to her. “You, shut up and get on your back. And spread your legs.”

Now it was her turn to gasp, but she’d done it in the mock-horror way with the big, wide eyes and the hand over her mouth. It made her look even more like a fifties film star.

Jamie rolled sideways to get off the bed and Pru lay down in the middle. She smiled coyly at me and slowly opened her legs, bending them a little. I hooked my elbows under her knees and dragged her down the mattress until her bum was just on the edge.

“Jamie, get over here,” I ordered.

Unsurprisingly, he did exactly as I’d instructed.

I stood next to him in an awkward half-bent, half-crouched pose that probably looked ridiculous, and gripped his cock in my hand. I guided it—and him—closer to Pru. I was going to feed his cock inside her. And I still hadn’t forgotten what she’d done for me earlier.

I swiped the head through the slick folds a couple of times, then slapped it down on her mons as if holding a policeman’s truncheon.

When I looked up, she was watching my face. “Are you going to make me say please?” she whispered.

I pursed my lips as if considering the question, then nodded. “Yes.”

“Okay. Please.”

“Please what?” I asked, rubbing the dome of his cock over her clit.

“Please put that inside me. And please tell him to fuck me.”

I teased her clit a couple more times, then pointed his dick lower, putting it into position. “You heard the woman, Jamie. Fuck her.”

He pushed in, and Pru let out a grateful sob. Rather than starting slow and gentle, Jamie went straight into a firm, solid rhythm and fucked her with force, pushing up from feet planted on the floor and slamming into her over and over.

Pru raised her knees and wailed under the onslaught. I walked behind him to get onto the other side. I’d fed his cock into her with my right hand, but now I needed to be facing the other way.

As Jamie ploughed and reamed her for all he was worth, I placed the flat of my hand on her tummy and slid it downwards. I felt the thin line of her pubes.

Pru’s eyes half-opened, but she was being bounced so hard off the bed I couldn’t read their expression. The thought of touching another woman’s bits had never entered my mind before tonight, but this was special. The sounds and smells of the sex and lust we’d shared pushed me on.

When my fingers reached her opening, they were continually slapped by Jamie’s groin as he fucked her. But I didn’t let it stop me, and I slid my second and third finger down to either side of her clit.

She grunted and raised her head to look at me.

When I masturbate, I like to cup my sex and rock my hand, using the palm more than the fingers. With Jamie going at her like a woodpecker, that method was out of the question. Instead, I slid my fingers over and around her hard little clit, pinching at it with my slippery tips.

Pru’s mouth dropped open in a silent scream. Eyes wide, her legs trembled and her toes splayed. She let out a deep, guttural groan. I never let my fingers leave her clit, and amazingly, Jamie still had his stamina and his spunk.

With a squeal, Pru pushed my fingers away and Jamie out of her. “Enough.” She laughed and sighed at the same time, then shook her head. “Jeez.” She looked at me, then at him. “Her now. Fuck her as hard as you fucked me, but don’t you dare come in her.”

Pru pushed me onto the bed and Jamie climbed on top. Without giving Pru the opportunity to tease me the way I had while introducing his cock into her, he entered me with a sharp, deep lunge.

“Oh!” I pushed my head back into the pillows and raised my groin up to meet his thrusts.

I looked up at him. He was beaded with sweat, his shoulders and arms well-toned and sexy. This is what it would’ve been like if Pru hadn’t turned up at the party, but I probably wouldn’t change anything.

Jamie was going deep. He was noticeably bigger than my last boyfriend, and I loved the feeling of being filled and stretched. He pounded me hard and I locked my ankles behind his back. Just then, Pru placed her hand on my thigh. I felt it slide down, over the outside of my hip and round to my bum cheek. She caressed and squeezed my bum, Jamie never letting up with his fucking.

Pru’s hand moved a little and I yelped as she slipped her finger up my backside. I pulled away and glared at her. She just smiled sweetly over Jamie’s shoulder, then pushed her finger back in and kept it there. Jamie’s pubic bone was grinding against my clit and I melted into another orgasm. I cried and moaned and whimpered, and Pru rotated her finger and scratched the cheeks of my backside with the nails of her other hand.

“Don’t you dare come in her,” she growled in Jamie’s ear.

He pulled out and rolled onto his side, then let out a long exhale. His stamina had run out before he’d been able to come. His cock was still hard, slick and glistening in the lamplight. Pru reached down and pumped him with her hand.

I was too tired to move, and watched without bothering to join in.

Jamie moaned. Pru smiled and glanced at me, then back at Jamie. “I’m going to take you close like this, okay?”

Jamie nodded, breathing hard through his mouth.

“I’m going to take you right to the edge, and then I’m going to climb the pole and sink all the way down on it.” Pru’s hand was a blur on

his dick.

Jamie swallowed, blinked a couple of times, then licked his lips.

“Tell me when you’re getting close,” she ordered.

He nodded, opened his mouth and closed his eyes.

“Tell me when it starts to boil in your sac.”

“I... I...” He opened his eyes wide. “Now.”

Pru deftly mounted him and guided his cock inside her in one fluid movement. Jamie cried out, presumably at the sensation of being back inside a hot, snug place. She undulated her body on him, milking him.

Jamie gripped the sheets and Pru sighed. “That’s my boy. Mmm.”

I watched, mesmerised, as she drained him. Jamie’s entire body was shaking. In due course, they both stilled. Pru leaned down and kissed him on the lips, then raised herself off him. She dropped onto the bed next to me, leaned close and whispered, “Now you’re not the only one to get filled.”

I shook my head. “Are you happy now?”

She held my gaze for a couple of seconds, then smiled. “I suppose it’s my turn to go to the bathroom.”

“Yes,” I agreed.

She stood up and made her way toward the door.

“And wash your hands,” I said.

She turned and gave me the finger—probably using the offending digit from earlier—then giggled and left the bedroom. I pulled the sheet over me and Jamie. He was already half-asleep, and I couldn’t blame him.

Chapter Five

Pru returned and slipped into bed next to me, which put me in the middle. It may have been my turn for Jamie's next batch, but from the sound of his steady breathing, it wasn't going to happen anytime soon. He was having a well-earned nap.

As Pru rolled onto her side to face me, her leg rubbed against mine. The smooth softness of her skin felt weird, but in a nice way. She looked over at Jamie and smiled. "I think we've worn him out."

"Hmm. I blame you for demanding his body too soon after his first exploits."

She giggled. "He's a nice guy."

I nodded, but with a trace of regret that I'd never be able to have a meaningful relationship with him. If we ever tried to be a couple, we'd end up comparing every night in bed to the night we'd shared with Pru.

"Did you enjoy your first threesome?" she asked.

I looked into her eyes and smiled. "I loved it."

"Good." She smiled, then bit her lip and took a breath. "Can I tell you a secret?"

"Of course."

"I went to the party tonight with the intention of staying for just one drink. I wanted to show my face because the girls made a point of walking to my house and inviting me, but then I'd have left."

Yeah, well... I went with the intention of fucking Jamie and making him my boyfriend. "So what made you change your mind?"

Pru glanced over at Jamie, then focused her big blue eyes on mine. "I saw somebody I fancied, and decided it'd be fun to get better acquainted."

"Uh huh."

She smiled. “But there was a problem. The person I fancied was already interested in somebody else—and that interest was returned. I could tell by the way the two of them looked at each other. So, I had a decision to make.”

“And what was that?”

“I knew I wouldn’t be able to get the one I wanted all to myself, so my choices were either walk away, or accept that I’d have to share—at least for the first time.”

I began to get a bad feeling. “The first time?”

She shrugged. “Threesomes are fun, but twosomes are more intimate, and much more conducive to a happy, long-term thing.”

You bitch. I forced myself to keep smiling. “So you see tonight as the start of a long-term thing?”

“I hope so, but it depends... Will you come out with me tomorrow night?”

“Depends on... Wait. What?”

“I’m asking you out on a date.”

“*Me?* But you’re not a... Are you?” My mind tumbled. “I mean, I’m sorry but I’m not into—”

Pru kissed my mouth, which stopped me talking. I didn’t kiss her back, but I didn’t pull away, either. I lay on my side and let her kiss me. My eyes were wide open, hers half-closed. She gently nibbled at my lips.

“What do you think, Em? We could have supper and a drink—there’s a lovely tapas bar I know, which might appeal to your Spanish roots.”

I shook my head, stunned. It all seemed too much, too fast.

“Then we could go dancing. All the boys will be hoping to get lucky, but when we go back to my flat there’ll be only the two of us.” She cupped my breast, and I shivered. “I won’t share you tomorrow night.”

“Pru, I’m sorry, but I don’t think I could—”

Her next kiss went deeper, her tongue pushing right into my mouth. She climbed on top of me, and for all my qualms, I automatically opened my legs and slipped my arms around her waist. Her soft breasts crushed

against my own. Each time our nipples grazed together, it sent a shockwave all the way to my crotch.

I returned the kiss and sucked greedily on her tongue. I pushed up against her, grinding our mounds together.

Pru broke the kiss and raised herself up on elbows and knees, our bodies no longer in contact except for the occasional brushing of her breasts on mine. She looked into my eyes with a serious expression. “Now, I’m going to be the butterfly, and you’re going to be a flower.” She kissed me very gently on the lips. “And I’m going to savour your nectar. But I still want an answer about tomorrow night.”

Before I could respond, Pru’s head disappeared beneath the sheet.

I didn’t know what to do or say. Pru was nice. I’d enjoyed her company, and I didn’t want to appear rude. But I was straight.

Her hands came into play, and my boobs were caressed and cupped, my nipples tugged and sucked. I closed my eyes and floated in the sensations. Using just her hands and mouth on my breasts, Pru made my entire body thrum. My breath rasped as my throat constricted, and I let out a whimper as one of her hands slid down my tummy. I felt her soft kisses trailing behind her hand, and opened my legs wider.

Oh God... But...

My inner protests died as warm breath blew across the wetness of my sex. Her fingertips slowly parted me with the care and precision of someone removing a contact lens. Pru was opening me up like a flower. The first flutter of her tongue made me catch my breath, the second made me sob. Her lips gently pulled at my folds, sucking and kissing, and her tongue explored all around my inner petals. I wondered if she could taste what Jamie had deposited earlier.

She probed with a finger, brief and shallow. I raised my hips, yearning for more. She moved her finger up to my clit, sketching light circles around it. She re-inserted her finger, pushing slightly deeper this time, and her lips closed around my clit. As her tongue brushed over it, a moan escaped my lips.

I reached down for her head, though not to steer her to the right spot, which I’d often done with boyfriends. I simply wanted contact. Her

hair was so incredibly soft, as were her skin and mouth.

Her lips released my clit and she used both tongue and finger to probe me, alternating from one to the other, and sometimes pushing both in together. I entwined my fingers in her hair and pushed my crotch harder against her face. I was getting close.

Pru's hands and mouth kept going with the same gentle insistence, inching me further up the incline and closer to the edge. She added a second finger, and returned her tongue to my clit.

"Ohh..."

Jamie stirred beside me, but I couldn't keep quiet. When Pru curled her fingers and pushed my G-spot, I moaned louder. I was getting to the point of no return, digging my heels into the bed and raising my groin to give her easier access.

Pru finally gave me release. Her fingers massaged, her lips sucked, and her tongue unlocked the door. I pushed my head back into the mattress and screamed. My body shook and my mind soared.

The sheet was snatched off us and Pru was kneeling between my legs, a smug look of achievement on her beautiful face. She gave me a smile, then I noticed Jamie standing behind her. He yanked her hips higher as he got her in position. She rolled her eyes at me, then sighed as he entered her.

I smiled. Jamie had now become the party crasher.

I was the one she'd wanted all along, and it made me feel good. As Jamie fucked her from behind, Pru stared into my eyes. She was gorgeous, and seeing her eyelids flutter and hearing her moans turned me on. I scrambled round on the bed until I was kneeling and facing her. I reached my hands forward and grabbed her nipples, twisting them and making her eyes go wide in shock.

I moved my face directly in front of hers and mouthed 'Yes'.

Pru smiled, and I kissed her—tongues, teeth, saliva, the full deal.

She groaned into my mouth. I heard Jamie murmur his approval at our girl-on-girl kiss. He didn't realise he'd been used, but I guess he wouldn't care. He'd already fucked us both, and he was currently bollock-deep in the sexiest woman I'd ever seen.

He's fucking my girlfriend.

And that was okay, I was feeling magnanimous. I'd let him use her this time, but I wouldn't share her again. Tomorrow, we'd be a twosome.

I dropped down onto my back and shuffled headfirst beneath Pru's upper body. I briefly nuzzled her tits, then dug my heels into the mattress and pushed myself further until I was looking up at Jamie's cock slamming in and out of Pru's sex. I reached up and ran my fingers over around her opening. She was sopping, and Jamie's thick, slick cock was sliding in and out like a well-lubricated piston.

I pushed my thumb against her clit and flicked her bean, as Jodie describes it when she's pissed. Pru grunted, then let out a wail as she came. I kept stroking my thumb over and over her clit, but then Jamie increased the speed of his thrusts.

I gave Pru some respite and moved my hand down to cup Jamie's balls. He groaned, and I felt his balls rise in their sac and he unloaded for the third time that night. I pulled away my hand and watched their final throes—Jamie's slow, deep thrusts and Pru's never-still hips as she milked the final drops from him. Both of them were breathing heavily and mumbling.

Pru moved forward and Jamie's half-erect cock slipped out, glistening with her juices. A thin strand of his cum hung from the tip. It was directly over my face, and without thinking, I opened my mouth wide.

Jamie leaned forward, resting one hand on the bed to support himself, and used his other hand to guide his cock between my lips. He tasted of her, and I gobbled him up, moving my head up and down on his full length as I cleaned his cock.

Pru stroked my tummy as I gave Jamie's cock a final lick, then we all got up off the bed. Jamie looked dog-tired, which was understandable. The guy had performed admirably.

He glanced at the bed, then at us, probably hoping we'd stay the night and have a Jamie sandwich for breakfast. Pru walked over and picked up her panties, and I did the same. Our threesome was over. We both quickly dressed, and Jamie pulled on his boxers. Pru retrieved her coat and phone from the living room, and we both kissed Jamie and left his flat. As

we walked down the two flights of stairs, Pru reached out and held my hand. My heart fluttered.

We walked out into the cold, clear night. Pru pulled me close and kissed me gently on the lips. I broke the kiss and shrugged. This was all new for me, and I wasn't sure how to act.

She slipped her hand into my arm and steered me along the pavement, back the way we'd come. "Okay," she said in a calm, quiet voice. "Everyone who sees us together will assume we're mates. I don't expect you to announce to all your friends and family that you've changed teams."

I laughed, then cringed at the thought of my mother's reaction to me telling her I'd become *una lesbiana*.

"Men will still hit on us," Pru went on, "and if you see one you like, you're allowed to have some fun."

I turned to her, startled.

She shrugged. "I still like a meat-fix every once in a while. Sex-toys are great, but sometimes it's nice to have the real thing."

I thought about it, then shook my head. "I think I'll be happy being meat-free for a while."

She flashed her beautiful smile, and we started walking again.

"Why me?" I asked.

She scoffed. "Are you kidding? You're gorgeous, you're funny, you're intelligent and..." She leaned closer and whispered in my ear. "You're incredibly sexy."

"Where are we going now?" I asked.

"That's up to you. If you want to go back home, that's fine."

I thought about the prospect of listening to Jodie and Sam carrying out their own experiments all night long, and then having to watch their smug smiles over breakfast. "What if I don't want to go home?"

She gave me another beautiful smile. "Come back to my flat. We could share a hot bath, and then we could share a warm bed."

I smiled. "I think I prefer Option B."

She held my gaze for a second, then squeezed my arm. "Good."

We walked through the cold, deserted streets in the early hours of the morning. I didn't know what sort of future lay ahead, but I was excited at the prospect of learning things from Pru.

About the Author

Delores Swallows has many dirty thoughts, and during his free time he writes them down in the form of stories. Born and bred in the northwest of England, he has a commoner's accent and a bit of a crush on his future queen (Kate, not Camilla!).

His stories often feature petite brunettes, high-heeled shoes and voyeurism. He claims he didn't realise these were obsessions until someone pointed out how often they appear in his work.

Web of Deceit

I'm in Germany on business, attending a conference. While in the hotel spa, during a free afternoon, I meet a German couple who are on holiday. They're mid-thirties and both attractive—particularly the woman, who has a great figure. We chat while in the hot tub, and when they discover I'm staying on my own they invite me to join them for dinner that evening.

After a very pleasant meal we adjourn to the bar for a few drinks, and then we all go back to their room. I know I'm about to have a threesome, as the conversation throughout the meal had been filled with innuendo. Once in their room the lights are turned down low and we all stand by the bed. There's a lot of touching – mainly them touching me, but I also touch them. They slowly undress me, and I help them to lose their clothes, too. When we're all naked we move onto the bed. I'm lying on my side in the middle, with the guy behind me, almost lying 'spoons'. His wife lies on her side facing me, and she kisses me on the mouth and then strokes and kisses my boobs. Her husband is stroking me down my side, across my hip and down my legs. I'm pushed back a little so I'm almost on my back, with the guy beneath me. His hands are running all over my boobs and stomach, and his wife is kissing all around my bush and inner thighs.

As I look down I see her head is moving backwards and forwards. I move my leg to get a better view and see she's sucking her husband's cock. I briefly feel like I'm surplus to requirements, but then she takes it out of

her mouth and puts it at the opening of my slit. I realise she was just getting him hard enough to enter me, which he does. He slides all the way inside me from behind, pulling my hips down with his hands. Then his wife starts to lick and suck my clit, and he starts to fuck me slowly. I come almost straight away. I'm practically screaming, and he keeps fucking me and she keeps licking me. I come again. I'm pulling her hair and scratching his legs and panting like a dog.

I'm lying very still in the afterglow, waiting for my heart to stop racing and my breathing to get back to normal, and I feel him move slightly inside me. I realise I'm the only participant that's had an orgasm—well, two. I somehow manage to lift myself off him, and tell her to lie where I'd been. I want her to feel what I'd just felt. So as she lies back onto her husband, I guide his wet, slippery cock into her cunt. Then I bend forward and taste another woman for the first time ever. I lick and suck her clit as he starts to fuck her, and then I feel his dick bang against my chin. He'd obviously pulled it too far out. I hold his dick in my hand and take it as far into my mouth as I can manage. I run my tongue around the tip and I hear him moan. I slip it back inside his wife and get back to licking her and she's pulling my head against her. I can tell she's about to come. I rub his balls and then rest my fingers against the shaft of his dick. With each thrust my fingers are going inside her, and she's screaming almost as loud as I did. I decide I should help her husband along, so I drop my mouth from her clit onto his balls. I take one onto my mouth and suck it, and then do the same to the other. I can hear him grunting. Finally I press my tongue against the base of his shaft, and as he comes I can feel each spurt that he pumps into his wife.

What starts as a light-hearted flirtation with a stranger in a chatroom soon becomes an obsession for Chloe. Her on-line discussions quickly progress from innocuous revelations about previous partners to her most intimate fantasies. As she's becoming fixated with exploring different ways of giving and receiving pleasure, her partner Damien gets caught in the cross-fire. Meanwhile, Damien finds himself being used to satisfy her sexual appetite, so why does he feel so guilty?

In the anonymous world of cyber-sex and cheating, it's hard to tell exactly who is being deceived.

And what happens when the fantasy isn't enough?

She took a sip of wine. “Can I ask you something?”

He sat forward “Yeah.”

“It’s about me being with Bromley...”

“Oh.” He looked deflated, as if resigned to the fact he wouldn’t be getting any after all.

“I’m just curious about your feelings. What goes through your mind when you’re out here and I’m in the bedroom with Bromley?”

He cast his eyes to the floor. “I try not to think—”

“Come on, don’t hold back. For the first time in ages, we’re actually talking to each other like we used to. We’ve had a lovely evening.” She adjusted herself in her chair, moving her legs to reveal more of her thighs. “I’ve even dressed up for you...”

He glanced at her legs, then held her gaze. “I think about how you must look on the bed.”

“How do you mean?”

“You know, your face, your body.”

Janine was puzzled. “I’m not sure I—”

“I think about your expressions, your body language. I imagine you lying down on the bed and looking up at him.” He shrugged, embarrassed.

“You mean when I’m lying on the bed and watching him undress?”

Adam nodded.

“What about when I pass him the condom and watch him roll the rubber down onto his cock?”

“Do you help get him hard?” His voice was little more than a whisper.

She shook her head. “No. By the time he unzips his trousers, he’s got a hard-on.” She saw him swallow, bite his lip.

“And what about you? Does he need to...?” He pushed a shoulder forward in a childish shrug, as if ashamed to use the word *foreplay*.

“No.”

“Why not?”

“I’m always wet enough.”

He nodded, took a gulp of wine.

Janine was enjoying herself. She was wet now, just talking about it. “He dribbles, too. I can see precum all over the head of his cock. It glistens until he rolls the condom on.”

Adam was silent, his eyes a little glazed.

Janine uncrossed her legs, placing both feet on the floor. “When he kneels on the bed, I open my legs for him, like this.” She allowed her knees to fall open. “Do you like me opening my legs for another man?”

He frowned, nodded his head slightly.

She smiled. “At last, you’re being honest. Good.”

Adam put his wine down and slid off the sofa, crawled on his hands and knees across the rug until he was by her feet.

She raised her bum high enough off the chair for him to remove her panties. “Can you imagine my expression when he runs the head of his cock through the wetness of my slit?”

When Janine allows Adam to talk her into visiting a casino to celebrate five years together, she never imagines that a night that starts with so much fun and flirting could end in such despair and debt. Adam doesn't just lose all the money they'd saved, he takes out credit they cannot afford to pay back. They work extra hours and struggle for a month to save up enough for the first payment. Then, it appears, the casino manager has another way the struggling couple could make the interest payments.

Outraged, Janine immediately rejects the indecent proposal. But, despite the sleaziness of the suggestion, she's flattered someone would be prepared to consider giving up that sort of money just for... her, and the thought of allowing a complete stranger to use her body pushes buttons she didn't know she had.

And why does Adam seem so keen she should do it...?

A Hotwife's Journey

Her key in the door made his heart race. He listened as she came up the stairs, then held his breath when she walked into the bedroom. He couldn't help staring. Her clothes were twisted, her makeup was smudged, and her hair was dishevelled.

She's fucked someone.

Karen walked to the foot of the bed and looked into his face. "I did it."

He swallowed.

She pulled her top over her head and dropped it on the floor, then pushed her skirt down over her hips and kicked it away. Slowly, she unclipped her bra at the front. As the cups came away, he saw a love bite on one of her breasts. Karen held his gaze as she pushed her thong down her legs and then bent to pick it up, holding it open so he could see the gooey mess soaked into the crotch.

It was another man's cum, and it'd dribbled out of her during the drive home. The guy had deposited it deep in her cunt, and she'd returned home to her pervert husband to show him the evidence.

Nigel ached for her.

A Hotwife's Journey

After her husband's open invitation to become a hotwife, Karen enjoys a variety of surprises and adventures that are hotter than any wife could wish for.

This collection covers her entire journey...

Karen's Open Invitation

Nigel is a lucky man. He has everything a man could want: a successful and beautiful wife, a happy marriage, two wonderful daughters, a nice home and his own business.

So why risk it all just to satisfy his dirty fantasy?

When Karen's throwaway comment about a hot colleague in the Sweden office unlocks the door to his secret desires, he offers her the

chance to have a little fun; to mix business with pleasure.

Nigel has fantasised about sharing his wife for a long time. And from the way Karen's been behaving lately, he suspects the idea appeals to her, too.

But there's a big difference between fantasy and reality.

Will she take up his suggestion and have a passionate tryst with a virtual stranger while attending an overseas meeting? Neither know the answer when she leaves for the airport, but she doesn't have to make her decision straight away. She can see how the meeting pans out. After all, it's an open invitation...

Karen's Party Surprise

Nigel is amazed by how Karen's taken to her new role as a hotwife. Not only does she give herself freely to strangers, but she also thrills her husband by giving him all the juicy details he craves when she gets home.

Their sex-life is better than ever.

Nigel realises that an upcoming company get together will mean that they'll be staying in the same hotel as Sean, the first man he ever shared her with. He offers Karen the chance to enjoy another night of passion, and they hatch a plan that could work. But Sean comes up with a counteroffer that's just too good to refuse.

For a wife-sharing couple like Nigel and Karen, it's the ultimate party surprise...

Karen's Holiday Adventures

Life keeps getting better and better for Nigel. His long-held wife-sharing fantasy is now his reality, and he couldn't be happier.

Or at least that's what he thinks until his wife reveals her plans for a break.

Their daughters are going away with their cousin's family, so Karen books a holiday for the two of them—on a Caribbean island. What's more, she promises to make it a fun-filled week where nothing is off-limits.

Under the hot tropical sun of St Lucia, Nigel learns just how hot his hotwife can be.

He's shocked by the diversity of her sexual appetite, but then she did promise him an 'anything goes' holiday adventure...
