The Pillow Talk Collection

Taking a fleeting glimpse inside eight private bedrooms, we eavesdrop on couples having intimate conversations. Their discussions, which involve confessions about their pasts or revelations about their fantasies, inevitably lead to them having hot sex.

Who'd have guessed what Shona got up to when she was in high school, or that Alison would go so far with a total stranger? And will Tom ever really know for sure if Eleanor's fantasy about the young stud was just a fantasy?

By spying into these bedrooms, voyeurs such as us get to learn all their sordid secrets, and we also get to enjoy their reactions to the dirty disclosures.

Sometimes, just talking about sex can be as much fun as having sex. But talking about sex while having sex is so much better...

#1 – Debbie & John

“Do you think our sex life has become a little too staid?” Debbie asked as they lay reading in bed.

John looked up from his novel. “I hope not. Why, do you?”

“Not really, but I worry that we’re not as adventurous as we used to be. Nowadays we only ever have sex in bed, and it’s usually with the light off.”

“What do you suggest? Shall we climb on top of the wardrobe?”

Debbie put her magazine down and turned onto her side, facing him. “I’m just worried that all our fun is behind us.”

“We’re just tired at the end of each day. We have two small children and we both work full-time. That’s all. And it’ll get easier as the kids get older. I certainly intend for us to have a lot of fun.”

She pulled the novel from his hands, dropping it onto the floor at her side of the bed. “Tell me something kinky you’ve done in the past — with a previous girlfriend.”

John looked surprised. “What sort of thing?”

“I don’t know. Something different than having sex in a bed.”

“When I was at Uni I used to do gardening in my spare time for a bit of cash. One day a client’s wife made me fuck her on the kitchen table.”

Debbie reached over and stroked John’s stomach. “You’ve never mentioned that before, but it’s not really what I meant. Maybe we can discuss that another time.”

John smiled at the memory. “She had amazing tits. Her husband almost caught us – I just managed to sneak out of the back door as he came in through the front.”

“What I want to know is something you’ve done that maybe we could try.” Debbie’s hand made its way down to his boxers. “Me and one of my

boyfriends used to play with ice. He liked me to rub his cock with an ice cube, and I liked him to put two or three inside me.”

John pushed up the t-shirt that Debbie was wearing. Her nipples were hard, and he teased them between his fingers as she talked.

“We even bought a mould for ice lollies. We’d tried sticking an orange lolly inside me once but it made me all sticky and felt horrible as it melted, so we made our own with just water. He’d fuck me with it for a while, and then leave it inside me to melt. I’d suck and play with him until he was ready to come, and then he’d enter me.”

John’s hand seemed to have made its way between her legs and Debbie was releasing his erection from his shorts.

Debbie looked straight into his eyes as she described previous intimate moments she’d shared with another man. John found it strangely appealing.

“And he’d come inside me,” she continued. “Because all my inside was chilled by the ice, when he shot his cum into me I could feel the hot jets splashing inside.”

John was now fingering her. His mouth felt dry, making his voice a whisper. “We could do that, if you like...”

Debbie smiled. “I’d like that. Now, what have you done in your kinky past?”

John gazed off into space for a few seconds. “I’m starting to feel like I don’t have your imagination. I’m not really sure if this would count as kinky, but when I lived with Julie we went out for a meal one summer evening. She’d worn a strappy dress and no bra, and the waiter was a young lad, probably still in school. When he took our drinks order he must have been able to see right down her dress and get a full view of her tits. I watched his face — it was a picture.”

Debbie’s hand gripped John’s dick, her thumb smearing the moisture of his arousal back and forth over the tip.

“I told her what was happening, and every time he came back to take plates or bring another course, he kept looking. Once he even sent one of the lads who was serving other tables over to get a look. I told Julie that both boys would be thinking about her while they wanked themselves off

that night, and she really seemed to like that idea. Her nipples were sticking out through the thin cotton of her dress for most of the dessert course.”

“Did you like the idea of the two of them wanking themselves off while thinking about your girlfriend?”

John nodded and smiled. “Yes, it turned me on. I reckon they were both still virgins, and I would have loved for her to pull her dress down and have them shoot their cum all over her tits. When we left the restaurant we were all over each other. During the drive home she leaned over and took my dick into her mouth. I had to stop her for fear I’d have a crash. As soon as we got into our flat we went straight to bed. We fucked all night long, both of us surprised how turned on it had made us.”

“Did you repeat the experience?”

“A couple of times we went to a club and she’d dance alone on the dance floor and I’d watch from the side as men tried to get off with her. She’d let some of them hold her close for a few slow songs, and I’d watch as they tried to surreptitiously stroke her tits and grope her arse. Then we’d go home and fuck each other.”

“Would you like me to go dancing while you watched me getting groped?”

John shook his head. “No, but maybe we could go out and you could wear something quite revealing and I could watch other men’s reactions...”

“I think you should get inside me now.”

John climbed on top, but hesitated with his cock at her entrance. “Shall I nip down to get something from the freezer?”

Debbie pulled him into her, sighing as he slid all the way in. “Maybe tomorrow. Come whenever you like, I’m almost there.”

#2 – Alison & Chris

“Chris, are you awake?”

Chris turned to face his wife in their bed. “Yes, what’s up?”

“There’s something I need to tell you.”

He pulled himself up onto his pillow and turned on his bedside lamp. “What is it?”

Alison bit her lip. “I’ve done something that I shouldn’t have, and it’s been playing on my mind.”

“What have you done? Have you scraped the car in the Tesco car park?”

“I wish it was that simple. No, it’s a lot worse than that. I’ve done something behind your back — with somebody else.”

Chris sat up, now fully awake. “You cheated on me?”

“No, not cheated. But there was a small indiscretion.”

“When? What sort of indiscretion?”

She took a deep breath. “It was when I was on that conference a couple of weeks ago. I, er... I kissed somebody.”

“What? Who did you kiss?”

“Just somebody else who was at the conference.”

Chris took a few moments to steady his thoughts and hold his tongue. His first impulse was to rant and rage, but he knew that would just make Alison clam up, and for some reason he needed to know the exact circumstances of this ‘kiss’. “Tell me how it all happened.”

“It was after the dinner on the last night. It was quite late, and most of the others had already headed off to bed. A few of us still had some of our drinks left, so we stayed chatting in the bar for another twenty minutes or so.”

“How many of you?”

“About five or six. It was the end of quite a challenging few days, and we all needed to just wind down. I’d drunk more than I should, and that probably had a lot to do with it.”

“So were the other people kissing each other as well?”

“No, it wasn’t in the bar. But as we made our way back towards our rooms, everyone started to go their separate ways until there was just the two of us. We both still had half a glass of wine, and we came to a couch in the corridor and decided to sit and finish our drinks.”

“Didn’t he try to get you back into his room?”

Alison shook her head. “No, that was never mentioned, and obviously I would not have gone to anyone’s room. I wasn’t *that* drunk.”

“So there was a couch, sitting in the middle of a corridor?”

“There were lots of little areas where guests could sit and read a paper and have a coffee, but this was about two in the morning and there was nobody else around. So we sat and chatted as we finished our drinks.”

“And then he kissed you!”

“It wasn’t just ‘like that’. We chatted for a long time, but yes, that’s when it happened.”

“And did you kiss him back?”

Alison looked into his face. He wondered if she was going to deny it, but she slowly nodded. “Yes.”

“Were there tongues?”

“Does it matter?”

“I need to know.” Chris felt foolish for asking such petty details, but his stomach full of butterflies as he waited for her answer.

“Yes.”

“Who started the tongues, you or him?”

Alison shook her head. “I honestly don’t remember.”

“Was his tongue in your mouth, or was your tongue in his mouth?”

“I don’t know. Probably both.”

“How long did the kiss go on for?”

“Just a few minutes.”

“How many is just a few?”

“I don’t know, exactly! Probably more than five, but less than ten.”

“And then what happened?”

“Erm... I may have come.”

“What?”

“I came. I had an orgasm.”

“Wow, it must have been a hell of a kiss!”

Alison placed her hand on Chris's arm and squeezed it. He could see the guilt in her eyes. "There may have been some touching," she admitted.

Chris's stomach clenched and icy jealousy seeped through him. But at the same time he needed to touch her, as if reclaiming his own prize possession from someone else. He gripped her hip gently. "We need to go back a little. What were you wearing?"

"What does that matter?"

"I just need to picture things in my head, that's all."

"God, let me think. I'm pretty sure it was my cream lacy top and grey skirt."

"What shoes?"

"Cream sandals."

"The ones with a stiletto heel and an ankle strap?"

"Yes."

"Stockings or tights?"

"Neither, just bare legs."

Chris pictured his wife in the familiar outfit. He particularly liked the shoes. "Okay, now, how were the two of you sitting on the couch? Or did you lie down?"

Alison shook her head. "We sat side by side on the cushion, but with our bodies facing each other."

"Sitting forward or resting against the back of the couch?"

"Sitting forward." Alison's hand had moved over onto his chest and she stroked the hairs there.

Chris worked his hand up her side and around, massaging her back. "So your legs were facing towards him, with your feet on the floor?"

"Yes, my feet stayed on the floor."

"You said there was touching. What did he touch you with?"

"What do you mean?"

"Whatever he touched you with made you come. Was it a hand, a tongue, a cock...?"

"Oh, sorry. It was a hand. Nothing else."

Chris sighed in relief. "So he pushed his hand up your skirt, and you just spread your legs for him?"

"It didn't seem like that at the time. First my breasts were stroked, very gently through my blouse. Then I noticed that my knee was being

stroked, and it was nice. Then it was inside my thigh. It was very gradual, but I suppose you're right—as the hand moved up my legs I didn't prevent it, and I knew where it was heading.”

“Did he touch you through your clothes or skin on skin?”

Alison paused, lowering her eyes from his gaze. “Both.”

Chris's chest ached. He realised he'd been secretly hoping it had been just the friction of his hand through her clothes that had brought on Alison's orgasm. His hand glided over her stomach, and as it slid further down she parted her legs. Chris was surprised to discover she was wet, but even more surprised when he realised he was pleased with her wetness. His fingers slid along the slippery outer lips, but he didn't slip them inside her. “How did he touch you?”

“Mostly just gently stroking me through the material of my knickers.” Reliving it seemed to excite her; she let her own hand move down Chris's body until it reached his groin, gently stroking his balls.

“And you didn't return the favour? Surely it would have been expected of you to stroke his cock through the material of his trousers?”

“I didn't do anything except kiss and get stroked.”

“Were you still kissing as the stroking was going on?”

“Yes.”

“Were your eyes open or closed?”

“A little of both.”

“You said it was *mostly* through the material of your knickers. When did that change?”

“The knickers were pulled aside towards the end, and then it was skin on skin.”

“Did he finger you?”

“Yes.”

Chris pushed three fingers inside her with force, and she moaned. “How many fingers did he put inside you?”

Alison breathed heavily as he finger-fucked her. “I'm not sure... Two, I think... and the thumb rubbed my clit at the same time.”

“And that's when you came?”

“Yes.”

Closing his eyes, he could picture it all in his mind; the guy fingering his wife and her moaning, clutching on to his arm as she came.

Alison's hand moved up and gripped his cock. Only then did he realise how hard he was. She pushed his fingers out of her and climbed on top of him. She fed his cock inside her but stayed still for a few seconds, holding herself above him on straight arms, tightening herself around him. She was soaking and he was rock hard. Finally she started to move on him, very gently grinding her clitoris against his pubic bone.

Chris looked at her face. She had her eyes closed and was biting her lower lip as she slowly fucked him. He could tell she was close to coming. They both were.

"I can't believe he didn't want to come as well. He must have tried to get you back to his room."

Alison opened her eyes and smiled at him. "I was the only one that came. And Chris," she leaned forward and kissed him on the mouth. "It wasn't a *he*."

She moved faster as her orgasm finally peaked and he just stared, trying to get his head around what she'd said. "What?"

"It wasn't... a guy... that I kissed. It was a... woman."

The image in Chris's head changed to two women kissing on the couch; he saw Alison with her knees parted and the other woman's hand busy between her thighs. Chris exploded inside her, crying out as he came, harder than he could ever remember coming before.

Alison and Chris held each other close for a long time while regaining their breath. He finally went soft, and he eased her onto the bed next to him.

"I'm sorry," she said. "I don't know why I did it."

"Why did you tell me?"

"It's been playing on my mind ever since it happened. I never wanted to cheat on you."

"Was she good looking?"

Alison punched his arm. "Would you be asking the same question if it'd been a guy?"

"Of course I would."

She smiled and kissed his chest. "Yes, she was good looking. She had dark hair, dark eyes and a lovely figure."

Chris thought about it for a while. "Maybe you could invite her round..."

Alison punched him in the ribs, much harder than her first play-punch. “No I could not.”

He smiled and kissed the top of her head. “Were you not tempted to touch her?”

“No. But I really don’t think she wanted me to.”

“Tease!”

Alison laid her head on his chest. “I know. Now, let me get some rest. I haven’t been able to sleep properly since it happened.”

#3 – Eleanor & Tom

Tom sighed impatiently, watching Eleanor flip the next few pages of her book. The next chapter heading was nowhere to be seen. “Are you going to be long with the light?”

“If you’re really tired, you should be able to sleep with my light on,” she challenged.

“I didn’t say I was tired,” he said, running his hand up her leg.

Eleanor playfully slapped his hand away and continued reading but Tom’s hand kept finding its way back to her legs. After a few minutes of this, Eleanor gave up on her book and snuggled under the covers next to her husband.

“Alright,” she said. “You have my attention. What can I do for you, sir?”

“Oh, let me think... You can start by playing with yourself.”

“And why would I need to do that, when I have a big strong man in my bed?”

“Because the big strong man wants to watch you play with yourself.”

Eleanor slipped her hand under the quilt. He felt her leg push against his as she parted her thighs to allow her hand access to her sex.

Tom watched her face for a few seconds. “What are you going to think about?”

Eleanor looked at him quizzically. “What do you mean?”

“You’ll have to fantasise about something while you do it.”

“What do you want me to think about?”

“I want you to think about something that turns you on, and I won’t be offended if it’s a tall handsome stranger.”

Tom watched Eleanor’s face. Her eyes were closed and she looked like she did when she was concentrating on a crossword puzzle.

“So, where is your mind going?”

Eleanor licked her lips, but didn't open her eyes. "I'm younger. It's before I've had kids, and my body is really good."

Tom reached over and stroked her toned stomach. "Your body is *still* really good."

"But it was better then. My boobs were really nice, and even though they were quite big I could get away without wearing a bra because they were so firm. I'm sunbathing in the garden. It's a lovely hot day, and because the garden is so private I'm topless, lying on the lounge. I'm just wearing my cut-off jeans, which are really short. I'm covered in suntan oil and have sunglasses on."

Tom pictured the scene in his head while running his fingers up and down her stomach.

"I've been out there for half an hour or so when I hear the side gate open. I don't move, but I peep through my eyes and see the young guy who does odd jobs around the garden standing at the corner of the garage. He'd got no answer at the door, so has come round the back. He doesn't want me to know that he's seen me, but he's also reluctant to stop looking."

Eleanor took a breath, and as movements under the quilt grew a little faster, Tom guessed she was enjoying this fantasy.

"I decide to give him a little more of a treat," she continued. "Without sitting up, I reach for the tanning oil. I hold the bottle over me and pour a very generous helping all over my chest. Then I slowly rub it into my breasts, massaging the oil all over them. I cup them, lift them, spread them, push them together and pull at my nipples. The guy hasn't moved, and he can't take his eyes off my boobs."

By now Tom was massaging her boobs in much the same way as she was describing, picturing the scene in his head. His erection strained against his pyjama bottoms.

"I sit up suddenly and look straight at the guy. He jumps, but I just smile and say 'hi'. He starts to explain why he's in our garden but I just tell him to come inside for a cold drink. I don't bother covering myself up, and he follows me into the kitchen. I get a couple of bottles of beer from the fridge, open them and pass one to him. Then we just stand there in silence. I take a drink from my bottle, and purposely let a bit spill. The cold beer runs down my chin and drips onto my boobs. I can see that he's got a hard-on inside his trousers."

Tom knew just how that felt—the cotton stretched tight over his cock. “What does he look like?”

Eleanor’s eyes were still closed, her hand busy between her legs.

“He’s cute, with big blue eyes and short blond hair. He’s probably about eighteen or nineteen, which makes him about ten years younger than me. He can’t keep his eyes off my breasts so in the end I just take his beer bottle, lift his hands and place them on my boobs. They’re still covered in oil, and he starts to rub them. He spends a lot of time feeling the weight of them, but then he finally starts rolling my nipples in his fingers and pinching them. They get hard and I’m getting really turned on.”

“So, what are you going to do to him?”

“He’s been working all morning in somebody else’s garden and I can smell the sweat, so I’m not going to suck his cock.” Eleanor paused, as if it was a big decision that she was actually making. “But I’m going to let him fuck me, right here on the kitchen table.”

Eleanor opened her eyes and turned towards Tom. “If I’m going to fantasise about being fucked, I’ll need something more substantial than my fingers to make it feel real.”

Tom was hoping that she’d pull him on top of her, but instead she leaned over out of bed and reached into the drawer of her cabinet. Then she lay back down and Tom heard the gentle buzz of her vibrator. He watched her face as she moved the toy between her legs. When she took her lower lip between her teeth, he could imagine her teasing her clit with its tip.

Eleanor’s eyes were now closed again. “I stand in front of him and undo the buttons of my cut-offs, pushing them down my legs along with my knickers. When I’m naked I back up to the kitchen table and sit on the edge. I spread my legs and lie back on it. He quickly strips himself and stands between my legs...”

Tom gripped his erection as she arched herself up slightly and slid the vibrator inside. The buzzing sound became more subdued as the toy was cocooned in her warm wet place.

Eleanor let out a quiet sigh and began to move her body slowly up and down, as if someone was on top of her.

“Is your young stud well-hung?” he asked, eager for her to continue the narrative.

“He’s pretty big, and he’s also being a little bit rough. He’s still pinching my nipples, and he’s pushing his dick in with a lot of force, but I don’t mind. I like his eagerness and his enthusiasm, and I want to be fucked hard. Besides, I’d teased him with the oil earlier. I wrap my legs around his waist and pull him further into me.”

Eleanor turned her head to face Tom. “I’m going to come soon. Why don’t you make yourself come at the same time?”

Tom took out his cock and wanked himself. “What should I think about as I do it?”

“Maybe you could think about coming home to find me lying naked on the kitchen table...”

Tom’s mind tumbled over. He was already close to his orgasm, but he remembered this had actually happened, years ago.

“When you see me there you just... drop your briefcase and take your dick out of your... suit pants.”

As Eleanor’s panting intensified, Tom pushed the quilt down with his feet. He could see occasional flashes of pink plastic as she moved the vibrator in and out of herself.

“You push your dick right into me, and you don’t question how wet I am. I would’ve thought it was obvious there’s far too much juice there for it to be all my own...”

Tom remembered he had fucked her on the kitchen table, revelling in the fact his new bride was waiting naked for him when he got home. But he couldn’t concentrate on the past because he knew he was coming. Yet Eleanor managed to just beat him to it. She held the vibrator as deep inside her as it would go and rocked her hips quickly, the expression on her face almost one of pain. She grunted two, three times, and then she pushed her head back against her pillow and fucked herself again quickly with the vibrator, moaning and writhing on the bed as her orgasm shook through her.

Tom’s hand was a blur, and he ejaculated. He aimed it over his wife, a series of warm liquid cords falling on her bare chest and stomach. Tom groaned and took a breath, but then he pulled at himself again and more semen came out, this time only reaching the sheets between them.

Both lay quiet for a while, breathless. Then Eleanor slid the vibrator out and wrapped it in tissues before placing it back in the drawer, to be washed clean in the morning.

Tom got a ball of tissues and wiped his mess from Eleanor and the sheets. He pulled the quilt up and lay down next to her. He wanted to ask about her fantasy, to see if she remembered that she'd actually been lying on the table waiting for him. He briefly wondered if there had been more to it, but dismissed the idea. If he really had followed some kid's performance, he felt sure he would have known.

He lay awake for over an hour, while beside him Eleanor slept peacefully.

Tom felt sure it was not the sleep of a guilty adulteress.

#4 – Shona & Gerry

Shona and Gerry were both propped up on pillows in bed. Shona could see Gerry was only part-concentrating on the latest Harlan Coben novel. Each time she looked up from the Facebook notifications on her iPhone, she caught him fidgeting.

Gerry put his book down suddenly. “I had a wee drink with Martin after work tonight.”

Shona kept her eyes on her phone. “Oh aye? How was their holiday?”

“Seems they had a great time.”

“Has he got a tan?” Shona grinned.

Gerry laughed. “What do you think? A sunny afternoon in St Andrews turns him beetroot, so a fortnight in Mexico probably meant he wore factor 50 sunblock twenty-four-seven and never ventured outdoors.”

Shona laughed at the thought of Martin flying over five thousand miles and spending all his time indoors. “Aye well, God didn’t intend ginger men to visit hot climates.”

“Hmmm. He did tell me something interesting, though.”

Shona closed down her phone app and turned to face him. “Oh aye?”

Gerry put his book on the bedside cabinet. “Apparently they went to some spa place and, after getting pampered and sitting in a Jacuzzi all day, both went for a massage.”

Shona shrugged. “You don’t have to go all the way to Mexico for that. There’s adverts for spa breaks on every other page of The Herald.”

Gerry smiled and leaned closer. “But apparently, Martin got a *happy ending* to his massage.”

“Are you serious?”

“Aye. Martin said the attractive young lady made him lie on his tummy while she oiled and rubbed his back and shoulders. He turned over

and she did his chest and then—as Martin put it—*her hand just slid under the towel.*”

“An act he didn’t complain about, I presume?”

Gerry shrugged. “Martin said he was a bit shocked at first, but the girl just smiled. She removed the towel and added more oil to her hands. Martin said he had a boner in no time.”

Shona laughed out loud. “I bet he did. I assume he hasn’t told Eileen any of this.”

“No. He doesn’t know if she got the same treatment during her massage. He wants to know, but he’s scared to ask in case she gets suspicious about what he got and then gives him grief for letting it happen.”

“Typical. I hope Eileen got a good seeing-to by some handsome masseur.”

“Aye, I suppose Martin couldn’t complain if she did.”

Shona thought about the scene for a while, wondering how it would feel to have a massage become intimate. “So, what happened next? Did the lady just massage his cock, or did she go any further?”

“What do you mean?”

“I mean did she wank him off, give him a blowjob, climb on top and fuck him, or what?”

Gerry smiled and slid his hand up her leg. “Wow, listen to you going through a list of possibilities. Is that the sort of way your mind works?”

“You wish!” Shona opened her legs slightly when his hand reached her upper thighs.

“From what I can gather,” Gerry continued, his fingers now stroking Shona’s outer lips, “she gave him a very oily hand-job. Martin said it took her just a few minutes, and then he was shooting his load all over the place. She wiped his tummy and her hand with a tissue, and that was it. He gave her a fifty dollar tip.”

Shona shook her head. “Fifty dollars for a hand-job? Jesus, I could have made a fortune.”

Gerry sat up a little but didn’t pull his hand away. “What do you mean by that?”

Shona laughed. “Did I never tell you about when I was at high school?”

“Not that I can remember, no. Why, what happened at school?”

“I used to give boys hand-jobs.”

Gerry was half smiling, as if he didn't quite believe her. “Are you serious? How come you never mentioned it before?”

Shona shrugged. “It never seemed important. By the time I'd met you I'd been engaged twice, married and divorced once, and had several other serious relationships. My tossing a few boys off at school didn't seem very interesting.”

Gerry inserted two fingers inside her. “It's interesting to me now.”

Shona clenched around his fingers, and let out a sigh as he curled them forwards and stroked her g-spot. She slid her own hand under the quilt and found Gerry had a full erection. She wrapped her fingers around it. “You'll probably think I was a right wee slag, but I don't see it that way.”

Gerry's fingers were still inside her, and she gripped his cock, slowly moving the skin up and down the shaft.

“Tell me everything.”

Shona smiled, enjoying the memory. “I remember there was this boy, Wee John MacLeod. He was in my class and used to fancy me like mad. He was always hanging around, trying to walk home from school with us. My mate Liz used to wind him up something rotten, telling him I'd said he was cute, but that he was too young for me, that I wanted somebody more mature. I must admit he was quite a good-looking lad, but he was awful small, a couple of inches shorter than I was.

“Anyway, one day I was coming home from school on my own, and he fell in line and we started chatting. It was a nice warm day, so we walked back through the park. He was being dead nice, trying to act all grown up to impress me. Not showing off or anything, just being nice.”

“Oh aye?”

“We sat by the swings for a while and we got talking about this and that. I found myself quite enjoying his company, and I decided I'd maybe give him a wee snog or something. So, I led him to a spot off the main track, and we sat down on the grass. I can't remember how it started but somehow when I leaned over to give him a kiss, my hand brushed against his trousers. His body jumped, and I could tell he'd got a hard-on.”

“I bet he had. When I was his age I had a hard-on every time I saw a girl.”

Shona laughed. "I can believe that. Well, I'd never seen or touched an erection before, but I knew what they were. I was also aware what a wank was. I don't know why I did it, but I pulled down his zip and slid out his thing. His eyes were as big as saucers as I wrapped my hand around him, and I gave it a few quick pulls. I swear it was no more than five or six strokes. The next thing I know, Wee John's moaning like he'd been kicked, his whole body's shaking like a leaf and a warm jet of stuff was shooting all over my hand and his school jumper."

"The lucky bastard."

Shona smiled. "And that was that. I'd given my first hand-job. I felt like a woman of experience. A grown-up."

Gerry pushed his fingers a little further inside her, and moved his thumb in small circles around her clitoris. She moved her hips to match his rhythm, feeling herself get wetter.

"So, what happened next?"

"Over the next couple of months I gave Wee John a couple more hand-jobs, and next I gave the same to another couple of boys that I liked. Before long word had got round, and there wasn't a boy in the school that I couldn't get to do something for me, at just the hint I'd treat him to a hand-job. Some girls, they'd give a boy everything—you know—let them shag them. I only ever let two or three of them have a feel at me, and never did I let any of them put it inside me. I was a good Catholic girl."

"Aye, right. But what did you get out of it?"

"I didn't really enjoy being felt-up when I was at school. The boys couldn't give me pleasure the way I could give it to myself. They were always too fast, and too rough. They thought they would make girls come if they shoved a finger in and out as hard and fast as they could. What I enjoyed most was the power I had over them."

Shona pushed his hand away from her and sat up on his legs, forcing him to lie flat on his back. Gerry arched his back slightly as Shona increased the speed of her strokes.

She watched Gerry's face as she slowed the rhythm again. "I got a kick out of seeing them all helpless, almost begging for me to finish them off. I'd get really turned on by the power I had over them. When I got in bed at night, I'd make myself come by rubbing myself against my pillow,

pretending all the boys were wanking themselves over me, covering me with their spunk.”

“What a dirty wee girl you were.”

Shona gave a laugh. “A friend of mine had that happen once. You know, loads of boys coming over her at once. It was when she went to some rugby game with the school team. They’d said she could be their mascot, or something. Anyway, after the game, they got her into the changing room, some shed round the back of the playing fields, I think. They made her lie down on one of the benches and stood around her. Then they all got their dicks out and wanked themselves off. She said they were all coming over her, covering her everywhere, but she only actually felt it on her face and legs. She loved the feeling of their stuff on her legs, she said. All warm and sticky. She showed me her uniform a couple of days later. It was covered in grey-white stains, all over it. I used to lie awake and think about all the stains on that dark blue dress, imagining what it must have been like, having all that stuff shot over me. I often used to make myself come, thinking about that.”

Gerry was watching her face, but didn’t interrupt her.

“Her Ma went mad about the dress. She’d told her Ma it was wood glue, that some lads had fired it at her on the bus from school. Christ knows what her Ma would have done if she’d known what it really was.”

When Gerry spoke again, he was a little breathless. “How many boys did you treat to your specialty?”

Shona looked towards the ceiling, trying for a reasonable guess. “I don’t know, maybe fifteen. No, it must be over twenty. I remember there were three or four occasions when I did two boys at once. I’d get them to lie side by side, and I’d kneel between them, facing their heads. I’d watch the expressions on their faces as I wanked one with each hand. I’d tell them it was a race, and whoever came first was the more mature.”

Gerry arched his back again, and Shona saw clear pre-cum oozing from the tip of his dick.

“One time I was doing this and one of the boys—a boy called Alexander Nadine—well he came three times, one after the other. As soon as he’d shot his load, he’d stay hard, and so I carried on and then he’d come again. I met him years later, and he told me he was gay. Apparently, he’d

got so turned on by watching me wank the other boy off that he'd just kept coming."

Gerry was now breathing quite heavily. Shona bent at her waist and laid her upper body against him, so that her boobs covered her hand and his dick. "By the time I went to Uni, I'd gotten more curious, and I lost my virginity. And I discovered blowjobs are an even more powerful weapon than hand-jobs."

Shona sat up again and positioned herself so that her crotch was resting against one of Gerry's knees. Then she slowly ground her hips as she increased the speed of her hand. "Do you want me to get some baby oil so that you can enjoy it as much as Martin did?"

Gerry was biting his lower lip. "No need, I'm enjoying this just fine."

Shona smiled again. "Good." She watched his face as she continued with her hand, increasing the pressure of her twat on his knee. She was getting close. "I'm going to come soon. Do you want to go inside me?"

Gerry looked into her eyes and shook his head.

Shona smiled. "Do you want to come in my mouth?"

He smiled back. "Aye, but not this time. I want you to finish me off like this. Treat me like one of your schoolboys."

"Schoolboys come a lot quicker than you do."

He let out a moan, and Shona knew he was close to his release. She sped up the strokes of her right hand and cupped his balls in her left. She also moved herself faster against his knee.

Just as her own orgasm hit, Gerry erupted. Thick globs of semen splattered his stomach and chest, and Shona kept her hand pumping up and down. Gerry let out a series of grunts as more stuff came out with each spasm, dribbling down the side of his shaft, covering her hand and soaking into his thick pubic hair.

Shona stopped pumping her hand, and gently squeezed his dick, forcing the last few drops from him. The room was silent, and Shona kept her eyes on the mess covering her hand. The sticky liquid began to cool, and she rubbed it onto Gerry's stomach. When she looked up he was watching her face.

Shona smiled. "Are you shocked by my confession?"

"A bit."

“Does it bother you?”

Gerry pulled her down to lie beside him. He slid his arm around her back, and she rested her head against his chest. “I can hardly be bothered about something that happened nearly twenty-five years ago. And anyway, I think I just got the benefit of something you learned at school.”

Shona laughed. “Aye. Maybe the next time I do this I can describe what I learned at university.”

Gerry slid his hand down and squeezed her backside. “I’d like that.”

#5 – Laura & Geoff

Geoff had turned his own light off and was getting ready to go to sleep when Laura looked up from her magazine.

“Kirsty said something today that surprised me.”

Geoff looked up to face her. “Oh yeah?”

Laura put her magazine down but left her light on. She snuggled down under the covers, facing her husband. “There’s a new guy working in the next office. He’s only here for a month or so—some sort of job-swap with somebody to gain experience in another field. But he’s quite good-looking.”

“You’ve noticed he’s good-looking, have you?”

Laura saw the playful smile on his face and shrugged. “Maybe. Anyway, today me and Kirsty were walking back from lunch and we met him in the corridor. He flashed his roguish smile and Kirsty said, ‘I may have to have him before he leaves.’”

“I thought Kirsty was married.”

“She is. When I reminded her of that, she said something about her and Joe having an arrangement.”

“Wow.”

“I know. When she saw my expression she said, ‘Don’t worry, we have limits on what we can do.’ Nothing more was said, but ever since then I’ve been thinking about it. What do you think the limits can be?”

Geoff raised his eyebrows and stuck out his lower lip, thinking. “I don’t know. Maybe they’re allowed kissing and heavy petting, but nothing else.”

Laura shook her head. “Kirsty said she was going to *have him*.”

“Maybe she’s allowed to fuck him, but he has to wear a condom.”

Laura thought about this for a few seconds. “Do you think that makes it all right? A thin layer of rubber doesn’t stop it from being

unfaithful.”

“I’m not saying it’s right. But if her husband knows about it, then it’s hardly being unfaithful.”

“True. But would the condom thing make that much of a difference? And what’s to stop her from lying?”

“I suppose if she brought an STD into their marriage he wouldn’t be happy about it, and he’d also know she’d ignored the condom rule.”

“Maybe. Would that make a difference to you?”

Geoff pulled her close. “Do you mean would it make it easier to accept you’d had another man inside you if he wore a condom?”

Laura nodded.

Geoff shrugged. “Not really.”

“That’s what I thought. So, I wonder what the limits are.”

“Maybe she can fuck him but not suck him.”

“Isn’t fucking him worse than sucking him?”

Geoff seemed to give it some thought. “I don’t know. Sucking is more intimate. I don’t think I’ve ever been sucked by a woman that I hadn’t already fucked.”

Laura thought about her own ex-partners and realised it was the same case for her, too. “Maybe you’re right.”

“Or,” Geoff suggested, “she can fuck him and suck him, but not let him come in her mouth.”

Laura smiled. “Now that’s a rule we should introduce for me and you.”

Geoff frowned. “Oh, I don’t think so.” He slid his hand up her t-shirt and cupped her breast. “Maybe Kirsty isn’t allowed to let men play with her tits...”

Laura smiled and stroked his stomach. “Or maybe she’s only allowed to let men stroke them but not kiss the nipples.”

Geoff pulled up her shirt and kissed one of her nipples. “I would definitely introduce that rule. A man can grope your tits all he wants, but he’s not allowed to suck your nipples.”

She slid her hand inside his boxers. “And what about this? Would I be allowed to do this to someone else?”

Geoff closed his eyes as her hand stroked him to hardness. “Yes, you could do that. But you’d have to wear rubber gloves.”

Laura laughed. “Ooh, kinky. He may like that.”

“What about me? Would I be allowed to do this to somebody else?” He pulled her thong aside and slipped two fingers inside her.

Laura moaned and gripped his cock tighter in her hand. “No. I love the way you finger me, so you’re not allowed to do it to anybody else.”

Geoff spent a few seconds pleasuring her with his hand until she was wet. He pushed his fingers deep and curled them to press against her g-spot. Laura clenched her muscles around him.

He withdrew his hand and slid her thong down her legs. Climbing on top, he teased her outer lips with the tip of his cock. “And would I be allowed to do this?” He pushed deep inside her.

Laura sighed and closed her eyes. She stayed quiet for a few seconds, savouring the moment. She put her hands on his hips and pulled him further into her, then slid her hands up his back and pulled his head closer so her lips were next to his ear. “I suppose I’d have to let you do this to them. I can’t see the point of seeing other people if you don’t get to fuck them.”

Geoff smiled. “Could I come inside her?”

“You could come in her mouth if it meant you didn’t have to come in mine.”

He pretended to be hurt. “That’s not fair. It’s usually you who encourages me to come in your mouth.”

She smiled. “I know. Although I don’t particularly like the idea or the act, when I’m really turned on I want to do it. And anyway, I know how much you like it so that turns me on as well.”

“Does that mean I’d have to allow you to swallow someone else’s cum?”

“Not at all. I’d be more than happy for you to put a limit on that.”

They were fucking slowly, barely moving at all. Geoff's forearms rested either side of her head on the pillow, while Laura's hands traced small circles at the base of his back.

"So," Laura whispered. "What would you allow me to do to the cute temp in the next office?"

"You could maybe have a threesome with Kirsty, and film it for me..."

Laura laughed. "No way. I'd want all his attention. What are my limits?"

"What does he look like?"

"Tall, well-built. Obviously uses the gym. Dark hair, brown eyes. He has dimples when he smiles."

Geoff pretended to think about it. "I suppose I'd let you kiss his dimples..."

She leant up and kissed Geoff's cheeks. "That wouldn't satisfy either of us for long."

Geoff nodded. "True. Maybe you could let him stroke your boobs a little."

"But you know when my nipples are hard, I want them sucked and bitten."

"Well I suppose, just to keep you happy, I'd have to allow him to do that, too."

"And what would my hands be allowed to do while he's doing that?"

"You could be stroking his muscled torso and pinching his nipples."

"Yes, I'd do exactly that."

Laura was breathing a little harder, and noticed Geoff was doing the same.

She started to kiss and lick round his ear. She knew exactly what effect this had on him, and he moaned out loud.

"I'd need more than tit-play though. I'd want him to get into my knickers."

“Well, I suppose he could let his hand wander up your skirt. What would he find there?”

“A very wet silk thong.”

Geoff smiled and pushed into her a little harder. “I’m surprised you’d be wearing any knickers at all.”

Laura ran a fingernail down his back. “Don’t worry, they wouldn’t stay on for long.”

“Slut!”

Laura raised her eyebrows and smiled, accepting the accusation. Her breathing was now quite ragged. She loved it when they fucked really slowly. “Obviously I’d be expected to check out what’s in his pants as well.”

“I suppose you’d have to have a quick feel. What do you think you’d find?”

“I’m pretty sure that I’d find a very impressive erection.”

“Oh. He’s big, is he?”

“Huge. I can hardly get my hand around it. What am I allowed to do with it?”

“You could let him have anal sex.”

Laura laughed quietly in his ear. “Bastard! That thing is way too big to shove up there. But I can think of other places where it’d fit.”

Geoff pushed deeper again, lifting his hips a little between thrusts. “Where would you want to put it?”

“Nowhere... yet. I’d be enjoying just stroking it. Would he be allowed to lick me?”

“Would you want him to?”

“Of course I would.”

“Okay then, he could lick you.”

“Right then, I’d be getting licked. But while he’s doing that, I suppose I should return the favour.”

“You’d want to suck him?”

“Yes, but only for a little while. Just to show him how good I could make him feel. He wouldn’t be allowed to come in my mouth.”

“Because you don’t like that?”

“No, because I’d want his huge cock inside me.”

“Of course you would. And what position would you like him to take you in?”

It only took a few seconds. She’d given more thought to what she’d do to that temp than she was willing to let on. “We would start off like this, with him on top. Then I would go on top until I came. Then he would make me kneel on the bed and have me doggy-style until he came.”

Geoff was silent for a moment. “Sounds good. Does he last a long time?”

“Damn right he does. He’d be a little rough at the end, too, and of course I’d come again as soon as I knew he was coming.”

“He’d be coming inside you?”

“Oh yes.”

“No condom?”

“Not in my fantasy world. I’d get pumped full of his stuff, and when he’d finished and withdrawn I’d feel it all dribbling out.”

Geoff looked down into her face. “You are a depraved woman.”

Laura frowned. “I’m coming.”

Geoff kept watching her, kept the same pace with his thrusts. Laura caught her breath, and then leaned up and bit his shoulder. Hard.

Geoff cried out and fucked her with much more force, and Laura dug her fingernails into his back, her teeth still gripped on his shoulder. He pounded her as hard as he could, and she finally released her teeth as her cries filled the room. Geoff came inside her but kept banging for over a minute after they’d both climaxed.

When they finally stopped, they were both breathless and a little freaked-out by how much their sex-talk had turned them on. They lay quietly for a few minutes.

Laura broke the silence and turned onto her side, facing him. “There’s no way I’d allow you to touch another woman.”

He looked sideways at her and smiled. “There’s nobody else I’d want to touch.”

“But can I still fuck the cute temp?”

Geoff laughed. “Only in your mind, and you have to share it with me.”

“Hmm, I can live with that.” She kissed him tenderly, and both were asleep within five minutes.

#6 – Amy & Ian

“Amy, are you asleep?”

“I was *almost* asleep.”

“Oh. Sorry.”

“What is it?”

“I just remembered something, but I can tell you another time.” Ian was beginning to regret starting such a trivial conversation at this hour

Amy pulled herself up a little and turned her light on. “Yeah, like I could get back to sleep now. What was it you remembered?”

He smiled. “Someone flashed their stocking-tops at me on the train today.”

Amy glared. “You woke me up to tell me that?”

“I didn’t actually wake you up. If you’d been asleep, you wouldn’t have heard my asking if you were asleep.”

Amy continued to glare at him. Then her expression softened a little. “What makes you think she was flashing her stocking-tops at you?”

“I didn’t say it was a *she*.”

The glare returned. “You woke me up to tell me about a drag queen?”

“No. Okay, it was a woman.”

Amy shook her head. “So I ask again, what makes you think she was flashing them to you?”

“Because it was obvious. And besides, I was the only one who could see.”

“Right. Now I’m confused, but fully awake. Thanks for that! Start at the beginning, and tell me what happened.”

“I was on the train, reading my paper. I was in one of those carriages where there are sets of seats facing each other, either side of a table. She got

on the train a few stations later. She took the seat facing the same way as me, but on the other side of the aisle.”

“Were there other passengers in the carriage?”

“Yes, lots. There was another guy sitting opposite her, but nobody else was at my table.”

“What was she like?”

“Good looking and well dressed. Long auburn hair and brown eyes. Smart suit, silk blouse, leather shoes with a heel, and black nylons. Looked like she could have come straight from an interview.”

“And she just flashed you?”

“Not then. But every time she reached over to get something from the bag on the seat next to her, her skirt rode up her leg. I tried reading my paper but kept getting distracted by it.”

“Distracted how?”

Ian shrugged. “I guess I kept looking.”

“There are names for people like you.”

“What was I supposed to do? Anyway, one time her skirt rode up so much I could see she was wearing stockings, attached to a suspender belt.”

“Were you turned on?”

“I was more embarrassed than aroused.”

“Why?” Amy stroked his arm. “Come on, be honest. You can tell me. If I’d been sitting opposite a fit guy and he’d exposed a bit of his six-pack when he leaned back, I’d have been turned on.” Amy’s hand slid down and stroked his stomach.

“I guess I was a little turned on.”

“Did you get a hard-on?” Her hand moved down a little further.

“No, course not.”

“But you’re getting one now.”

“That’s because you’re rubbing my cock.”

“Mmm. So what made you think she was flashing, and not just oblivious to your roving eye?”

“She left her skirt up for a couple of minutes, and then she just undid the suspender belt and rolled the stocking down a couple of inches. Then she looked over and smiled at me, and took her time to straighten them, pull them back up and re-fasten the clip.”

“Why do you think she did it?”

“No idea.”

“Do you think she was hoping you’d make a pass at her?”

“No. We were on a busy train.”

Amy slid on top of him and guided his cock inside her. “That may have been part of the fun for her.”

Ian didn’t answer, a little surprised that she was so wet already. He closed his eyes and placed his hands on her hips, moving her on him.

Amy kissed his neck. “Why didn’t you suggest you both try to find a quieter carriage, or the loo?”

Ian opened his eyes and looked at her. “I think if I’d done that, me and you would now be talking to each other through divorce lawyers.”

Amy smiled. “I don’t think so. Not if it was just a lust-fuck with a stranger on a train.”

“I wish I’d known that a few hours ago.”

Amy laughed and whispered in his ear. “Maybe I could dig out one of my suspender belts for you one night.”

“I’d like that.”

“Mmm. Me too. I’ll wear a black one with black stockings and high heels, and I’ll keep them on while you fuck me. But when you get close I want you to push your cock down the top of my stocking so I can feel you come on my thigh, and see your cum oozing out through the mesh of the nylon.”

There was no more talk. Ian gripped her backside and pulled her down onto him, pushing his hips off the bed to go as deep as he could. He came hard, and she came just a few seconds later, her contractions milking every last drop from him.

It was several minutes before she rolled off him and lay on her own side of the bed. “I’m glad you woke me up, now.”

“Me too. Although as I pointed out earlier, I didn’t actually wake you up.”

Amy lay on her side to look at him. “I think maybe I should take a trip on a train, and flash at other passengers to see what sort of response I get.”

Ian faced her. “That’d be interesting. Would you tell me what sort of response you got?”

“Of course. Better still, you could come with me and sit further down the carriage. Then you could see for yourself.”

“Yeah, I could do that. What would you wear?”

“Stockings and suspenders seem to do the trick with you. Or maybe I could have just bare legs, and no knickers.”

Ian smiled. “How about stockings and suspenders with no knickers?”

Amy nodded. “Yes, I think that would work well. And obviously I’ll have to wear high heels.”

“Obviously. How would you flash?”

Amy stroked Ian’s flaccid cock and looked thoughtful. “I’d sit somewhere so that there was a guy in a position to get a good view. Maybe the train has the same set-up as yours with tables, or it could be one of those with bench seats facing each other with no tables. Or it could be on the tube, where there are seats facing each other from either side of the carriage. A tube would be sexier, actually. Underground, false lighting, crowded carriages...”

Ian nodded. “Yeah, a tube would be better.”

“Then when I’m in position, you can sit on the same side of the carriage so you can see my legs, but also see the guy’s face as he watches me. I’ll get a magazine and pretend to read it. While I’m reading I’ll cross my legs and raise my knees up a little. Then I’ll rub my calves together, taking the top knee up so that my skirt rides up my thighs.”

Ian’s cock began to swell in her hand, but it was nothing like a full erection. She pulled him on top of her and rubbed his cock against her outer lips. “Feed it inside me.”

Ian obliged. "I won't be able to come again this soon."

Amy smiled. "I know, but I will."

Ian pushed his pelvic bone against her clit.

"After I've given him a few flashes of my stocking-tops, I uncross my legs and put both feet on the floor next to each other. Then I let my knees part, very slowly. I know he's looking, and I raise one leg up and pretend to scratch the side of my calf. He now has a perfect view of my cunt."

Ian pulled his head back, a little surprised. "I can't remember you using that word before."

Amy's eyes were closed, and she was rocking herself against him. "He can see my cunt, and he can see that I'm really wet. My lips are glistening from my excitement. He can't tear his eyes away. Slowly I put my leg back down and look up from my magazine. When he looks at my face I smile at him. He takes out a pen and scribbles something onto his newspaper. Then he rips the corner off and stands up. Before he heads for the end of the carriage he drops the note onto my lap."

Ian moved against her with a slow rocking motion. "What does the note say?"

"I read it, then stand up and walk down the carriage, dropping the note on your knee. It says 'I'll be in the toilet. Join me.'"

"Are you asking my permission to join him?"

"Of course not. By the time you've finished reading the note I'll be out of the carriage."

"Doing what, exactly?"

"Having a lust-fuck with a stranger on a train. We don't speak to each other. He pushes me against the wall and lifts my skirt. I put one foot onto the side of the pan. He opens his trousers and takes his dick out. He's already rock hard and he rams it straight into me. I moan and grit my teeth. I push back to meet each thrust. He's rough, and he bangs me hard. I come very quickly. I scratch his neck and pull his hair. By now I'm grunting. I tell him to come. I urge him to shoot his cum inside me. I tell him to flood my cunt. And he does. I can feel him pulsing time and again, and I know he's firing more and more of his spunk into me."

Ian stared open-mouthed, but didn't interrupt.

"I come again. I'm screaming, pulling him into me, getting as much of his cock as I can..."

Amy was suddenly bucking wildly beneath him, and Ian reached down and pushed a finger up her backside. Amy screamed out and scratched his back as she came. Ian banged into her, but although his cock was now relatively hard he couldn't orgasm.

Amy finally grew silent, but she kept moving herself against him slowly. After a few more seconds she opened her eyes and smiled at him.

Ian was almost lost for words. "Wow."

Amy eased him off her and they lay in silence for over a minute.

He was the first to speak. "Was he good looking?"

Amy scrunched up her face a little. "Not particularly. But I don't mind. I won't ever see him again."

"You won't be catching that train again?"

"No. But there are a lot of other trains."

#7 – Jan & Steve

Jan lay in Steve's bed, a fine sheen of sweat covering her body. With her head resting on his chest, she listened as his heartbeat slowed after the exertions of their love-making. As she looked round the stark surroundings, completely devoid of pictures or ornaments, she felt his room lacked a woman's touch. There was a cobweb above the wardrobe where the wall met the ceiling.

She took a breath. "I think Andy knows."

"What? Knows about us?" Steve suddenly sat up, pushing Jan off his chest in the process.

Jan also sat up, arranging her pillow to support her back. She shook her head. "Not us, no. But I think he suspects I'm up to something."

"Has he accused you of fucking around behind his back?"

She paused for a second. "Is that what this is? Me fucking around?"

"Huh?" Steve frowned.

"Jesus. Men!" She rolled her eyes. "I'd have described it as *having an affair* or *seeing someone else*, or even *taking a lover*. But you just see it as me fucking around behind my husband's back."

Steve held up his hands. "Okay, sorry. I admit that wasn't the best way to describe what we have, but you caught me by surprise. Has he asked you about it?"

"Not in words, no. But he's acting really strange."

"Strange how?"

"It's hard to describe. He talks in short sentences, just saying what he needs to say. There's no light conversation or chatting about unimportant stuff anymore. It's like we're strangers."

"That doesn't sound like he suspects adultery. I think if he did—he'd say so. It sounds more like he's just pre-occupied. Maybe he's got things on his mind to do with work or something like—"

“Andy isn’t the type to make accusations without being certain. I actually did a detour on the way here to make sure I wasn’t being followed.”

Steve sat forward. “Are you serious? Do you honestly think he’d miss a rugby game and follow you to see if you’re really going shopping?”

“No, I know for a fact he’s refereeing a game in Hull this afternoon. But I wondered if he’d hired a private detective to follow me.”

“You think he’d do that?” Steve sounded incredulous.

Jan sighed. “I don’t know, maybe I’m just being paranoid.”

Steve stroked her back. “I’m sure it’s probably something else that’s on his mind.”

“He’s started being much more forceful in bed.” Jan focused her eyes on the cobweb while Steve processed this information.

“How do you mean, forceful?”

Finally, Jan met his eyes. She couldn’t read his expression, but didn’t want to hurt his feelings. “He’s more aggressive in his love-making.”

Steve smiled, and Jan realised he was aware of her reticence. “Jan, I know you’re a married woman who sleeps with her husband every night. You don’t have to worry about admitting the two of you have sex—I’m not a jealous schoolboy.”

Jan held his hand. “I know, but I don’t want to rub your nose in it.”

Steve put his arm around her shoulder and pulled her close, kissed her cheek. “Do you want a drink or anything?”

Jan was about to shake her head when she changed her mind. “A cup of tea would be nice.”

Steve got out of bed and pulled on his robe. He was back in minutes with tea for her, coffee for himself.

“So,” he said, after he’d tasted his coffee. “If he really thought you were being unfaithful, wouldn’t he be more likely to *not* want sex with you?”

Jan shrugged. “Perhaps. Or maybe he’s making a point by treating me like this. He might see it as a way of reclaiming what’s his, in some primitive way.”

Steve looked thoughtful. “Do you want to tell me about his aggression?”

She thought for a few seconds, trying to decide the best way to describe it. “He’s just started doing things that aren’t in our usual repertoire.”

Steve smiled. “Well, what *is* in your usual repertoire?”

Jan took a deep breath, still slightly embarrassed. “When we first got together we were more adventurous, but over the years it’s become what I’d call normal. It’s always at night, in bed. It’s gentle and tender.” She stole a glance at Steve to judge his reaction.

He smiled at her mischievously. “Who gets on top?”

She laughed and elbowed him in the ribs.

He looked more serious. “So, what’s changed lately?”

Jan bit her lip. Steve put his hand on her arm and squeezed reassuringly.

“He’s started being... For instance, one time I was sitting on the bed drying my hair. Andy walked into the bedroom and just shoved his dick into my mouth.”

Steve’s eyebrows shot up. “What did you do?”

“I didn’t have much choice. I sucked his dick.”

“Did he come in your mouth?”

She shook her head. “No, not that time. He pushed me down onto the bed. I was just out of the shower, wearing only my underwear, but he was fully dressed. He just pulled my panties aside and fucked me. Hard. Then he withdrew and came all over me. On my knickers, bra... everywhere. I had to go back into the shower to wash all his stuff off.”

“Wow. Did he say anything?”

“No, he just buttoned his fly back up and left the bedroom. By the time I’d got out of the shower he’d left for work. Nothing was said about it when he got home that night.”

“Why didn’t you say something?”

Jan looked sheepish. “I don’t know. I was worried to hear his reason, I suppose.”

“What about when he *did* come in your mouth?”

“Sorry?”

“You said ‘not that time’ when I asked if he’d come in your mouth. That suggests he did another time.”

Jan was a little sceptical. “You really want the details?”

Steve nodded.

Jan sensed this talk was exciting him. She smiled. “Okay, one night last week I was up late in our home office trying to sort out some slides ready for a meeting first thing next morning. Andy had been in bed for about an hour. I was just closing down the computer when I sensed him on the landing. I looked over my shoulder, and he was standing there in the dark, watching me through the half-open door. I think he was checking to see if I emailed anyone. When he realised I’d seen him, he walked into the office. He was naked and had an erection. I think he’d been playing with himself while he watched me. I was in the computer chair and, as I spun round to face him, I found myself looking directly at his cock. Without a word he guided it into my mouth. I just stared up into his face, shocked. He put his hands on either side of my head and started to thrust his hips, fucking my face. He closed his eyes and shot his load into my mouth.”

Steve’s jaw dropped open. “As soon as he got into your mouth?”

“I told you, he’d been playing with himself while he was standing on the landing. I think he only allowed himself to be seen when he knew he was close to orgasm.”

“Wow.” Steve seemed at a loss for words. Then the mischievous smile returned. “Did you swallow?”

“He held my head in place, so I had no choice.”

“What about afterwards? Did he say anything about his behaviour?”

Jan nodded. “Apparently he’d been reading something on his phone that turned him on.”

“What about you? Did you get any release?”

Jan was embarrassed. It still felt weird, telling Steve about her sex life with Andy

Steve slid his hand beneath the quilt and between her legs. “Tell me,” he whispered.

“Yes, I got my release when we got into bed.”

Steve’s finger traced slow circles round her clit. “Was he hard enough to fuck you?”

Jan closed her eyes and allowed her legs to fall open a little wider. She licked her lips and let out a long breath. “No, he couldn’t fuck me. He went down on me for a while then finished me off with my vibrator.”

Steve’s eyes widened. “You own a vibrator?”

Jan laughed, still feeling self-conscious. “Yes, Andy bought it ages ago. It’s been sitting in my bedside cabinet for years. I was amazed the batteries still worked.”

He slid two fingers inside her. “Sounds like you’re getting more than your fair share of fun.”

Jan reached over to Steve’s crotch. He was hard. Wrapping her fingers around his cock, she moved her hand slowly up and down, “I haven’t told you the worst of it yet.”

Steve moved his fingers in and out a little faster. “So, tell me—”

“He woke me up yesterday morning by fingering me through my knickers. I must have been sleeping on my back, and he’d obviously been stroking me for a long time. By the time I was aware of anything I was completely soaking. As soon as I opened my eyes he slid my knickers down my thighs and mounted me. He was rock hard. After a few moments of that he told me to kneel on the bed, then mounted me from behind, doggy style. Then he pushed his finger right into my backside.”

Steve fingered her even faster. “And what did you say to that?”

“What d’you think I said? I cried out in pain.”

“And...?”

“And he took his finger out. But less than a minute later he slid it back in again.”

“How did it feel?”

“That’s not the point.”

“Oh.” Steve smiled at her and kissed her cheek. “But how did it feel?” he whispered into her ear.

“Weird. He kept it there for a while, moving his finger in and out, round and round. I could smell something. He’d put lubricant on his finger.”

“Did you say anything?”

“Yes. *Argh!*”

“Was it *Aargh* or was it *Ahhh*?”

“Huh?”

“Could he have mistaken your pain for pleasure?”

“I don’t know. He was fucking me at the same time, so I don’t know how I sounded.”

Steve removed his fingers and Jan straddled him, guiding him inside her. Jan felt the sticky wetness of Steve’s earlier ejaculation seep out of her, coating them both with a warm, slick film.

Conversation stopped.

She let out little moans as she moved her hips slowly forward and back. Steve rested his hands on her hips and pushed himself up off the mattress each time she moved backward. She could feel his cock against the floor of her womb.

Steve grew a little breathless. “So, did he remove his finger when you cried out again?”

Jan watched his face as she rode him. “Yes. But only so that he could shove his dick in there.”

He held her still, his expression one of complete shock. “You had anal?”

She nodded. After a short, awkward silence Steve gripped her hips and started to move her on him again. Jan clenched her inner muscles and he pushed up into her.

“Did he come like that?”

Jan held eye contact for a few seconds, and then nodded again.

Steve bit his lip. His eyes narrowed slightly. “Did you?”

Jan quickened her movements and ground her clit against his pelvic bone. “Yes.”

Her orgasm swept through her, and she rode Steve's cock hard, gripping and releasing with each contraction. Suddenly she was too sensitive and raised herself off him, her legs shaking with the effort.

She fell on the bed next to him and they both laughed. She leaned over and kissed his lips tenderly. "Do you want to come in my mouth?"

Steve looked at her, his gaze moving ever-so-slightly left and right as he focused on each eye in turn. Jan knew he loved coming in her mouth, so his hesitation surprised her.

"I've come in your mouth before," he said, voice thick.

Jan watched his face, his serious expression. Her smile disappeared as she realised what he was hinting at. She held eye contact with him for several seconds, then slid out of bed and stood up to find her handbag. She found the KY Jelly and took it back to bed with her.

Steve watched as she squeezed some onto her finger. She smeared it all around the head of his cock. She took another blob on her finger and watched Steve's face while she reached between her own legs and lubricated the opening of her anus. Then she lay on her back on the bed, pulled her legs up against her chest.

Steve looked puzzled. He'd obviously expected her to either lie face down or go on her hands and knees.

Jan pulled him closer and rested her feet over his shoulders. "I want to watch your face while we do it."

Steve knelt up, placed the head of his cock between her cheeks and rubbed it gently round the opening of her anus.

Jan felt a tingling sensation from the lubricant. Her heels slid down his back before she pressed down with her calves and raised her hips to him.

He pushed slowly into her and she let out a long breath, forcing herself to relax. She felt herself opening for him and watched his face as he pushed a little more. He paused when the tip slipped fully into her, his eyes on hers, as if he were afraid to go further.

"Fuck me," she whispered. She reached her hands down by her sides, gripped his hips and pulled him forwards. His cock slid all the way in. Jan groaned and used her hands to pull and push, until finally Steve took

over his own movements and Jan's hands fell back to the bed. "Fuck me, fuck me, fuck me," she hissed through clenched teeth.

Steve slammed into her time and again, Jan's entire body shaking with each impact.

She brought her hand between her legs and started to rub her clit. Steve reached forwards and pinched her nipples, which sent her even higher.

"I want you to come in me," she said, surprised at how ragged her voice sounded. "I want you to shoot your load right up there. I can feel it all hot, shooting into me. I felt it—" Jan realised she'd almost told her lover that she'd felt her husband's cum splattering her insides just the day before.

Steve pumped his hips, breathing heavily through his mouth. Jan's fingers increased their speed. Both were on the edge of orgasm.

As he grunted she felt the warmth splash deep inside her. Jan watched his face as she pushed three fingers into her cunt. Steve grunted again, releasing another spurt into her. Jan's arm shook violently as she rocked her hand and came, crying out. Steve dropped his head back, sighed as another spasm caused a final eruption from him.

* * * *

Neither moved nor spoke for almost a minute. The intensity of their orgasms seemed to have drained them both. Finally, Jan felt his dick soften, and she eased herself away from him. An audible 'plop' accompanied his withdrawal. Jan lifted her legs off his shoulders and pulled him down next to her on the bed. She kissed his cheek.

"Happy now?" she asked, a smile on her face.

Steve nodded.

"Me too." Jan kissed his shoulder. Then she looked him in the eye. "But you did act like a jealous schoolboy there."

Steve looked suitably embarrassed. Jan didn't want a fight, but she felt that she'd been pressured into what they'd just done.

“I’m sorry,” Steve said. “I know I can’t complain about what you get up to with your husband. I mean, he pays the bills, so he should get the thrills...”

“That’s not fair.” Jan could feel her cheeks getting hot.

Steve looked down. “No, you’re right.” He looked into her eyes, and shook his head. “I’m sorry. I just wanted...”

Jan placed her hand on his. “I know. It’s okay. I wanted it too, I wouldn’t have done it otherwise. I did bring the KY, after all.”

Steve smiled and kissed her. Then he checked the time on the bedside alarm. “What time do you need to be back?”

Jan glanced at the clock. “Not for a couple of hours. But I need to go and clean up—I feel like I’m leaking from everywhere.”

Steve laughed and nuzzled her ear. “If we have another couple of hours, I still have time to make it three out of three.”

Jan frowned. “What do you mean?”

He traced his finger along her lips, pushed the tip gently between her teeth. “Well, I’ve already come in two of your places today...”

Jan leaned forward and took the entire finger into her mouth, moving her tongue against the lower side seductively. “Well,” she said as she released it, leaving it slick with saliva. “I suggest we go for a shower, because you’ve got some scrubbing to do before your cock gets anywhere near my mouth.”

They showered, and decided to have a bath as well. Jan reclined in the warm water with her back resting against Steve’s chest.

“So,” he asked, gently lathering her shoulder and upper arm with a sponge. “Are you going to ask Andy why he’s suddenly started behaving the way he has in the bedroom?”

Jan shrugged. “I don’t know, I think I’m scared of the answer. What do you think I should do?”

Steve was silent. Jan wondered if Steve actually wanted more from her. They’d never talked about her leaving Andy. Even though there were no children involved, they’d both accepted from the start that what they had was nothing more than a strong physical attraction.

Steve moved the sponge around her arm and onto her boobs. “I suppose you should just enjoy the fact that you now have *two* men who want use your body as a fun fair.”

Jan laughed out loud. “Well, that’s one way of looking at it.”

“Steve leaned over the side of the bath to check his watch, which was on the toilet lid. “Do you want anything to eat?”

“No, we’re going out for dinner when he gets back.” Jan slid her hand under the water and gripped his dick. She couldn’t resist giving Steve a grin. “But I’m not leaving ‘til you give me that little drink you promised earlier...”

#8 - Emma & Jessica

Jessica had showered and moisturised her legs when Emma came into the bedroom and opened the cupboard to hang up the ironing.

Jessica remembered she needed a top for tomorrow. “Did you leave the iron out?”

Emma pulled one of the hangers back out, showing Jessica’s freshly-pressed blouse.

Jessica smiled her gratitude, glad she didn’t have to go back downstairs. “Thanks, you’re a star.” She put on a t-shirt and panties and slid beneath the quilt. She plugged in her phone to recharge and checked it for messages as Emma went to brush her teeth. A moment later, Emma slipped into bed next to her and picked up the novel she’d been reading, her left hand stroking Jessica’s arm while she read.

Jessica looked up from her phone, working up the nerve to raise the subject of babies. She’d wanted to broach it for a few weeks, now. “I saw Melissa today.”

Emma looked up from her book. “Oh yeah? Where?”

“In town. I’d called to drop off a couple of dresses at the cleaners and she came out of the pharmacy next door.”

“Did she have little Angus with her?”

“Yeah, he’s lovely. They call him Gus, which I like. Big blue eyes and no hair.”

“You make him sound like Donald Pleasance.”

Jessica laughed. “Don’t be nasty—he’s gorgeous.”

“How did Melissa look?”

“Really good. She’s got her figure back, but she looked tired. Apparently Gus is still feeding through the night.”

Emma smiled, then resumed her reading.

Jessica watched her for a couple of seconds, then realised Emma assumed the conversation was over. “Emma?”

“Hmm?” Her eyes were still scanning the page.

“What do you think about us having a baby?”

Emma looked up, her eyes wide. “What?”

Jessica shrugged, and tried to smile. “I’m a couple of years older than Melissa. I think maybe my biological clock is ticking.”

Emma frowned. “You’re twenty-nine. A lot of women don’t start a family until they’re forty.”

Jessica had no plans to leave it that late and for a moment wasn’t sure whether to continue the conversation. But she’d finally dared to start it, so felt compelled to continue. “I’d happily carry the child. We could phone the clinic—make an appointment.”

Emma put her book down on the bedside cabinet and turned to face her. “Jess, I don’t think we’re in a position to talk about this yet. We’ve only known each other for eighteen months, and been living together for just over a year.”

Jessica stared at her lover’s face. She could feel tears starting to gather, so she shook her head and turned away. “I know, it was only a thought. I just saw Melissa with Gus and—”

“Melissa’s been married to Craig for as long as I’ve known you, so they’ve probably been together for a few years. Don’t forget I’m younger than you. I’m not twenty-six yet. That’s way too young to be thinking about starting a family.”

Jessica nodded and felt a tear run down her cheek. She had a hollow feeling in her stomach, but was determined not to let Emma see how she felt.

Emma moved closer, slipped an arm around her shoulder. “Hey, come on. We shouldn’t be arguing over this.”

Jessica sniffed and wiped her face. “No, I know. We’re not arguing.”

Emma kissed her gently on the lips. “Please don’t be upset. I just think it’s too early in our relationship to be discussing families.”

Jessica nodded, blinking her eyes quickly to try and clear the tears.

“Anyway,” Emma teased. “Why would you want to carry the baby? You don’t even like men, whereas I’ve enjoyed writhing around beneath masculine bodies on numerous occasions. It’d be more logical for me to carry the baby. Theoretically speaking, of course.”

“I assumed now you knew the pleasures of the gentler sex, you were a permanent convert.”

“Oh, I like lezza-loving, you know that. But some nights I still yearn for a well-hung stud to rip my clothes off and fuck me senseless.”

Jessica slapped her arm, playfully. “You are *such* a tramp.” She tried her best to not show how deflated she felt.

Emma slid her hand up her girlfriend’s t-shirt and caressed a breast. “Yes, and you love me for it.”

Like you’ll never know. “Mmm...”

Pushing Jessica flat on the bed, Emma straddled her. She raised Jessica’s shirt and pulled it over her head. Then she traced her fingers around the sides and below Jessica’s boobs. “These would grow too big if you were pregnant. They’d get covered with blue veins, like a road atlas.”

Jessica watched Emma’s eyes—big, brown and beautiful. She couldn’t think of a reply.

Emma’s fingers traced smaller circles round her nipples. “And if I did this—” She squeezed both nipples between thumbs and forefingers. “I’d make them leak.”

Jessica’s heart beat a little faster, a wet warmth gathering between her legs. “Would leaking be so bad?”

“Well, I wouldn’t be able to do this.” Emma lowered her head, took a nipple into her mouth and Jessica’s breath caught in her throat. “At least, I wouldn’t be able to do it without depriving Junior of his dinner.”

“Ooh...”

With a triumphant smile, Emma started to undo the buttons at the front of her own nightshirt. They held eye-contact as she let her shirt slip back off her shoulders and onto the bed.

Jessica reached up and pulled Emma down on top of her, their breasts squashing together as their mouths met. They kissed passionately, tongues sliding over, under and around in an embrace of their own.

Jessica wanted to lose herself in the moment, to try and dispel the hollow feeling inside. She looked into Emma’s eyes. “I love you.”

“I know, and I love you too. But it’s too soon, Jess. Let’s enjoy what we have and see where it leads.”

“Okay, I’m sorry for—”

“Shut up.” Emma slid herself down the bed and hooked her fingers in the waistband of Jessica’s panties.

Jessica watched as the white cotton was pulled down the length of her legs and dropped over the edge of the bed. Emma placed a hand on the inside of her knees and pushed gently. Jessica obliged, spreading her legs wide, bending them at the knees to give easy access.

Emma's big eyes were watching her. Jessica fought the urge to pull her down for another kiss.

Jessica held her breath, waiting for the touch. Finally it came, a single finger running slowly between her outer lips. She felt herself opening up, like the petals of a flower at the start of a new day. She was shaking a little, buttocks clenching and relaxing with the anticipation of the next touch. Jessica wanted to close her eyes so she could concentrate on the feelings, but she also needed to watch Emma's face. She loved her expressions, the eyes constantly changing from second to second.

Emma's fingertip was stroking the inside of her thigh. It was gentle—almost tickling, but not quite. “I don't like the idea of you with your feet up in stirrups, some stranger inserting a tube full of recently-thawed semen from yet another stranger.”

Jessica didn't answer, partly because she was concentrating on the finger stroking the soft flesh of her thigh, but mainly because she wanted to know what Emma would say next.

Emma looked into her face. “If we were ever going to go down the family route, it'd make more sense for me to have the baby.”

Jessica blinked. “Why?”

“Because I also enjoy men. It'd be a much more romantic way to conceive, having a night of passion, rather than some cold, clinically-injected dollop of jizz.”

“I don't like the idea of you being with a man.” She shrugged, trying not to reveal her insecurities. “I don't like the idea of you being with anyone else, period.” The sadness started welling up inside her again.

Emma raised her eyebrows, as if trying to convince her. “But it would be for the sole purpose of conceiving. Surely even you can see it'd be a lot more fun than a turkey baster.”

“You're just yearning for the well-hung stud of your fantasies. It's my biological clock that's ticking, so I should get pregnant.”

“Yeah, okay. Maybe I'm just after my meat-fix.” Emma had put on a sultry voice, imitating the women on sex chat-lines. “It's been too long

since I had a pulsing pole stoking my fire.”

Jessica’s mind filled with images of Emma, spread-eagled and naked, and some big hairy giant of a man walking toward her with a huge erection sticking out at a right-angle. “Do they pulse?”

Emma nodded. “Oh yeah, you can feel it. Especially when it’s in your mouth.”

“Eww, gross!”

“Don’t knock it ’til you’ve tried it.”

“You actually *like* it?” Jessica couldn’t understand the concept.

“Of course I do. And the fact that they like it a whole lot more is a powerful turn-on.”

Jessica was quiet for a minute as she thought about Emma’s life before they’d met. “How many men have you slept with?”

Emma’s finger was still stroking the soft skin of Jessica’s inner thigh. “Does it matter?”

“Of course not—I’m just curious.”

Emma looked like she was trying to count them. “I’m not exactly sure, but I think it’s either eight or nine.”

“And how many women, before me?”

“Four. That’s a number I am sure of.”

“So you’ve had twice as many men as women.”

“Not if I include you, because you make it five women, and twice five is ten.” Emma was smiling again.

“How many of the men did you suck?”

Emma laughed out loud. “God, I honestly can’t remember that.”

Jessica reached up and cupped her breasts, grazing her thumbs over the hard, brown nipples. “Try.”

“Maybe half of them. Five at most.”

“Did they come in your mouth?”

“*Jess!*”

Jessica just raised her eyebrows, showing she’d like an answer.

“Some did, some didn’t. Sometimes I did it as foreplay, before they went inside me.”

Before Jessica could follow this up, Emma slid two fingers into her sex. It felt wonderful, and she clenched herself around them. She felt the thumb brushing over the soft tissue around her clit and her toes curled under

in response. Emma moved her fingers slowly, pushing in and up a little, then sliding them halfway out.

Jessica's breathing grew shallow, but she still had questions to ask. "When did you have your first woman?"

"It was in a threesome, when I was at a university."

"Three women?"

"No—two women, one man. I'd fancied him for months. We were at a party, and one of the other girls suggested we all go back to his place. I was hoping to get him on his own, and assumed she was hoping the same. But she had other plans, and we all ended up sharing a bed."

"She wanted a threesome?"

"No, she wanted me. She told me later that she'd accepted she'd have to share me at first."

"How was it?"

Emma removed her fingers and quickly took off her own panties, then lay flat on top of Jessica. She pulled herself up and back slowly, making their pubic mounds slide over one another.

Jessica let out a low moan.

Emma leaned her head down so they were cheek to cheek and whispered in Jessica's ear, "How was what?"

Jessica held her close, thrusting her hips up and down in time with Emma's movements. "How was the threesome?"

"It was enlightening. I discovered how much I liked girls."

"Did he fuck you both?"

"Yeah. He was young and fit—full of energy. He fucked us both more than once."

"And what about her?"

"She was young and fit, too. She fucked me for months."

"I'm not surprised."

Emma raised her head and smiled. She increased the speed of her movements. "If the baby thing ever happens, we should have a threesome."

Jessica frowned. "I don't think so."

"I do. We could go dancing, pick up a good looking guy. You don't want an ugly baby."

"Are you saying my looks aren't going to be enough?"

Emma smiled, but ignored the question. “We’d get a cute guy and bring him home. We’d get him into bed—”

“For your meat-fix?”

“Too right. I’d get him to fuck me hard, then I’d get him to fuck you as well.” Emma was getting breathless.

“No thank you.”

“If you don’t want him to fuck you, he can fuck me until he’s about to come, then he can slide it inside you and shoot his load. Job done.”

Jessica grimaced at the thought.

“It’s a great feeling, having a man come inside you. I like when we both lie perfectly still while he comes, and I can feel the pulsing of his dick with each spurt.”

“I don’t think I’d like—”

“Come on, Jess. I’ve made you come with a strap-on dozens of times.” Emma moved a little faster, pressed herself a little harder. “Where d’you think strap-ons get their design from?”

Jessica remained silent, not because she didn’t know the answer but because she was about to come. Emma immediately slid down the bed and pushed three fingers inside Jessica’s sex, closing her lips around her clit.

Jessica’s whole body seemed to liquidise, atom by atom, molecule by molecule, cell by cell. A wave moved through her, flowing from her brain down to her chest, picking up speed and intensity as it passed through her belly, surging down to her groin. She arched her back off the bed as the wave finally broke, colours of light exploding somewhere behind her eyes. She screamed, and Emma’s hand was pushing, going deeper, deeper inside her. Jessica forced down onto the hand, feeling herself opening up. A second wave crashed, like an electric shock, and she let out another cry.

She sensed her knee was wet and she opened her eyes. Emma was rubbing her sex against her leg, bucking her hips frantically, eyes squeezed shut and breathing heavily through her mouth. Jessica reached forwards and pinched Emma’s nipples hard, causing her eyes to fly open. But it also pushed her over the edge and she let out a long, breathy moan as she reached her climax. Her movements eventually slowed, and the room fell silent.

Jessica looked into Emma’s eyes, and wanted to cry again. She’d never felt so strongly for anybody before, but something inside told her

Emma didn't feel the same way. They'd shared a look which told Jessica volumes. Emma pulled her hand away and they lay down, side by side. They kissed, gently, then both stared at the ceiling.

After a long silence, Jessica finally spoke. "I'm sorry, it must be my hormones."

"Jess, we don't know what's going to happen in the future."

"I do. You're going to go back to the other side. You're going to get your meat-fix on a regular basis."

Emma turned her head to face her. "I like what we have. But two dykes living in a city-centre apartment is a lot of fun when you're in your twenties."

"So you're here because it's fun, for now?"

"No, I'm here because I fell in love with you. But things can change, and it may not be the same in our thirties and forties."

"I get it. You're not ready for a family."

"Right."

Jessica decided to say what was on her mind. "But when you *are* ready for a family, you'll choose the conventional route. You'll settle down with a man and have a normal family, with a mummy and a daddy."

Emma looked sad, which made Jessica hate herself for bringing up the subject in the first place.

Jessica looked away. "I'm sorry."

"I know, but let's just enjoy what we have, while we have it."

Jessica smiled and nodded. "Maybe we'll meet up in a few years' time at a mother and toddler group. You'll be married and I'll be a single mum. Our kids could become best friends."

Emma smiled at her. "Would you invite me back for coffee?"

Jessica shrugged. "Maybe."

They lay in silence for a while longer, Jessica trying hard to hold back the tears.

Emma elbowed Jessica in the ribs. "I still think we should try a threesome, just so you can feel a real dick pulsing inside you."

Jessica shook her head. "You're just angling for an excuse to get your meat-fix."

A Hotwife's Journey

Her key in the door made his heart race. He listened as she came up the stairs, then held his breath when she walked into the bedroom. He couldn't help staring. Her clothes were twisted, her makeup was smudged, and her hair was dishevelled.

She's fucked someone.

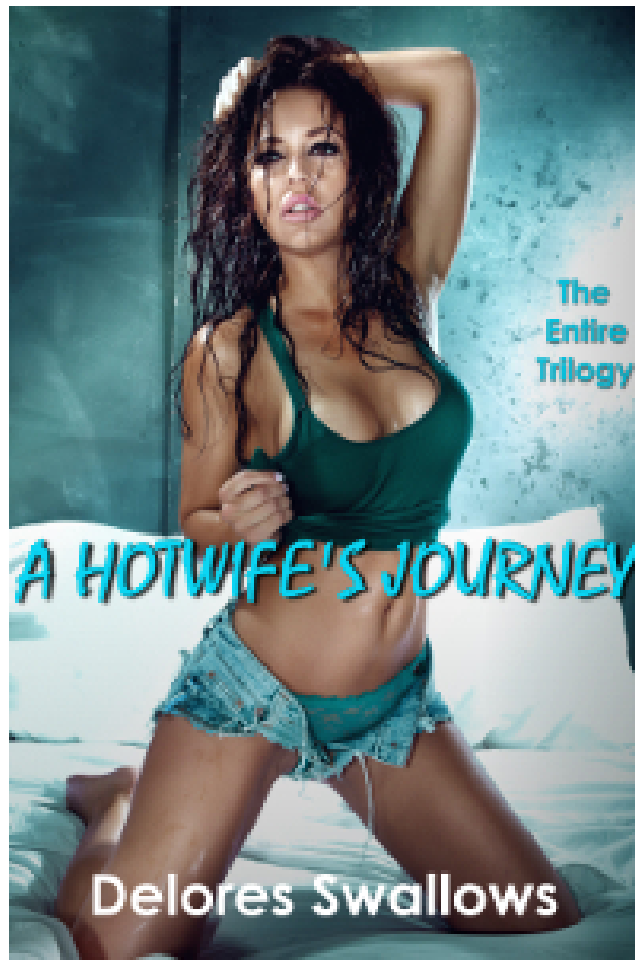

Karen walked to the foot of the bed and looked into his face. "I did it."

He swallowed.

She pulled her top over her head and dropped it on the floor, then pushed her skirt down over her hips and kicked it away. Slowly, she unclipped her bra at the front. As the cups came away, he saw a love bite on one of her breasts. Karen held his gaze as she pushed her thong down her legs and then bent to pick it up, holding it open so he could see the gooey mess soaked into the crotch.

It was another man's cum, and it'd dribbled out of her during the drive home. The guy had deposited it deep in her cunt, and she'd returned home to her pervert husband to show him the evidence.

Nigel ached for her.

A Hotwife's Journey

After her husband's open invitation to become a hotwife, Karen enjoys a variety of surprises and adventures that are hotter than any wife could wish for.

This collection covers her entire journey...

Karen's Open Invitation

Nigel is a lucky man. He has everything a man could want: a successful and beautiful wife, a happy marriage, two wonderful daughters, a nice home and his own business.

So why risk it all just to satisfy his dirty fantasy?

When Karen's throwaway comment about a hot colleague in the Sweden office unlocks the door to his secret desires, he offers her the chance to have a little fun; to mix business with pleasure.

Nigel has fantasised about sharing his wife for a long time. And from the way Karen's been behaving lately, he suspects the idea appeals to her, too.

But there's a big difference between fantasy and reality.

Will she take up his suggestion and have a passionate tryst with a virtual stranger while attending an overseas meeting? Neither know the answer when she leaves for the airport, but she doesn't have to make her decision straight away. She can see how the meeting pans out. After all, it's an open invitation...

Karen's Party Surprise

Nigel is amazed by how Karen's taken to her new role as a hotwife. Not only does she give herself freely to strangers, but she also thrills her husband by giving him all the juicy details he craves when she gets home.

Their sex-life is better than ever.

Nigel realises that an upcoming company get together will mean that they'll be staying in the same hotel as Sean, the first man he ever shared her with. He offers Karen the chance to enjoy another night of passion, and they hatch a plan that could work. But Sean comes up with a counteroffer that's just too good to refuse.

For a wife-sharing couple like Nigel and Karen, it's the ultimate party surprise...

Karen's Holiday Adventures

Life keeps getting better and better for Nigel. His long-held wife-sharing fantasy is now his reality, and he couldn't be happier.

Or at least that's what he thinks until his wife reveals her plans for a break.

Their daughters are going away with their cousin's family, so Karen books a holiday for the two of them—on a Caribbean island. What's more, she promises to make it a fun-filled week where nothing is off-limits.

Under the hot tropical sun of St Lucia, Nigel learns just how hot his hotwife can be.

He's shocked by the diversity of her sexual appetite, but then she did promise him an 'anything goes' holiday adventure...

Web of Deceit

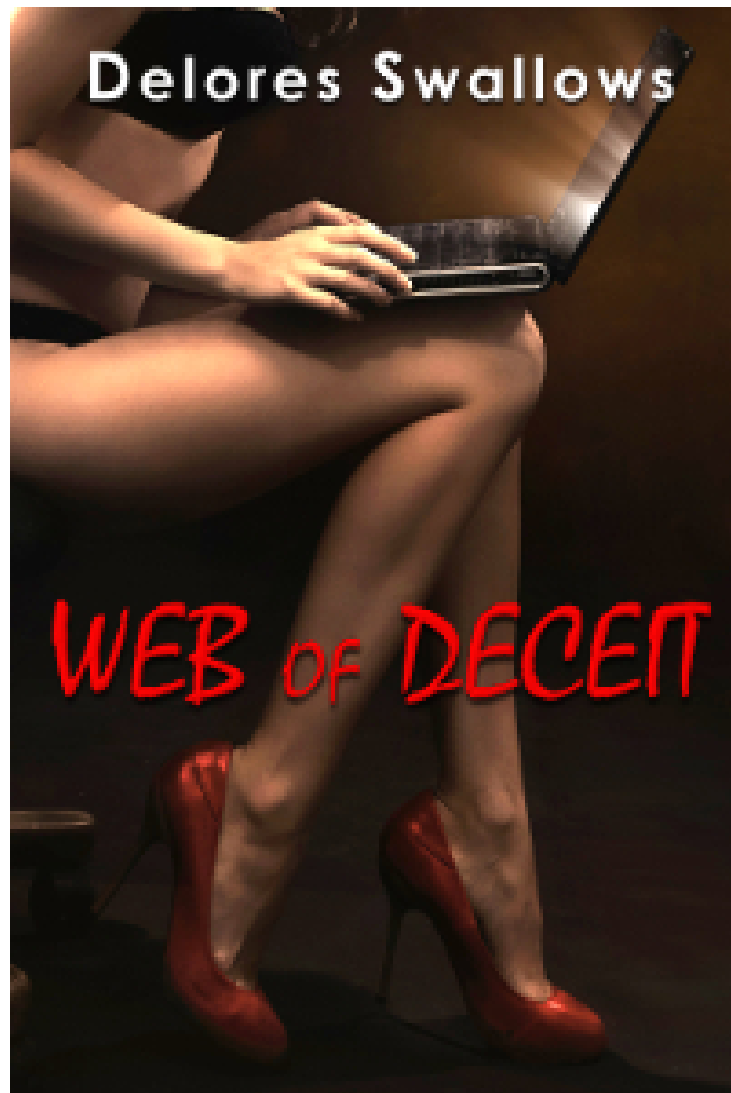

I'm in Germany on business, attending a conference. While in the hotel spa, during a free afternoon, I meet a German couple who are on holiday. They're mid-thirties and both attractive—particularly the woman, who has a great figure. We chat while in the hot tub, and when they discover I'm staying on my own they invite me to join them for dinner that evening.

After a very pleasant meal we adjourn to the bar for a few drinks, and then we all go back to their room. I know I'm about to have a threesome, as the conversation throughout the meal had been filled with innuendo. Once in their room the lights are turned down low and we all stand by the bed. There's a lot of touching – mainly them touching me, but I also touch them. They slowly undress me, and I help them to lose their clothes, too. When we're all naked we move onto the bed. I'm lying on my side in the middle, with the guy behind me, almost lying 'spoons'. His wife lies on her side facing me, and she kisses me on the mouth and then strokes and kisses my boobs. Her husband is stroking me down my side, across my hip and down my legs. I'm pushed back a little so I'm almost on my back, with the guy beneath me. His hands are running all over my boobs and stomach, and his wife is kissing all around my bush and inner thighs.

As I look down, I see her head is moving backwards and forwards. I move my leg to get a better view and see she's sucking her husband's cock. I briefly feel like I'm surplus to requirements, but then she takes it out of her mouth and puts it at the opening of my slit. I realise she was just getting him hard enough to enter me, which he does. He slides all the way inside me from behind, pulling my hips down with his hands. Then his wife starts to lick and suck my clit, and he starts to fuck me slowly. I come almost straight away. I'm practically screaming, and he keeps fucking me and she keeps licking me. I come again. I'm pulling her hair and scratching his legs and panting like a dog.

I'm lying very still in the afterglow, waiting for my heart to stop racing and my breathing to get back to normal, and I feel him move slightly

inside me. I realise I'm the only participant that's had an orgasm—well, two. I somehow manage to lift myself off him, and tell her to lie where I'd been. I want her to feel what I'd just felt. So as she lies back onto her husband, I guide his wet, slippery cock into her cunt. Then I bend forward and taste another woman for the first time ever. I lick and suck her clit as he starts to fuck her, and then I feel his dick bang against my chin. He'd obviously pulled it too far out. I hold his dick in my hand and take it as far into my mouth as I can manage. I run my tongue around the tip and I hear him moan. I slip it back inside his wife and get back to licking her and she's pulling my head against her. I can tell she's about to come. I rub his balls and then rest my fingers against the shaft of his dick. With each thrust my fingers are going inside her, and she's screaming almost as loud as I did. I decide I should help her husband along, so I drop my mouth from her clit onto his balls. I take one onto my mouth and suck it, and then do the same to the other. I can hear him grunting. Finally I press my tongue against the base of his shaft, and as he comes I can feel each spurt that he pumps into his wife.

What starts as a light-hearted flirtation with a stranger in a chatroom soon becomes an obsession for Chloe. Her on-line discussions quickly progress from innocuous revelations about previous partners to her most intimate fantasies. As she's becoming fixated with exploring different ways of giving and receiving pleasure, her partner Damien gets caught in the cross-fire. Meanwhile, Damien finds himself being used to satisfy her sexual appetite, so why does he feel so guilty?

In the anonymous world of cyber-sex and cheating, it's hard to tell exactly who is being deceived.

And what happens when the fantasy isn't enough?

She took a sip of wine. “Can I ask you something?”

He sat forward. “Yeah.”

“It’s about me being with Bromley...”

“Oh.” He looked deflated, as if resigned to the fact he wouldn’t be getting any after all.

“I’m just curious about your feelings. What goes through your mind when you’re out here and I’m in the bedroom with Bromley?”

He cast his eyes to the floor. “I try not to think—”

“Come on, don’t hold back. For the first time in ages, we’re actually talking to each other like we used to. We’ve had a lovely evening.” She adjusted herself in her chair, moving her legs to reveal more of her thighs. “I’ve even dressed up for you...”

He glanced at her legs, then held her gaze. “I think about how you must look on the bed.”

“How do you mean?”

“You know, your face, your body.”

Janine was puzzled. “I’m not sure I—”

“I think about your expressions, your body language. I imagine you lying down on the bed and looking up at him.” He shrugged, embarrassed.

“You mean when I’m lying on the bed and watching him undress?”

Adam nodded.

“What about when I pass him the condom and watch him roll the rubber down onto his cock?”

“Do you help get him hard?” His voice was little more than a whisper.

She shook her head. “No. By the time he unzips his trousers, he’s got a hard-on.” She saw him swallow, bite his lip.

“And what about you? Does he need to...?” He pushed a shoulder forward in a childish shrug, as if ashamed to use the word *foreplay*.

“No.”

“Why not?”

“I’m always wet enough.”

He nodded, took a gulp of wine.

Janine was enjoying herself. She was wet now, just talking about it. “He dribbles, too. I can see precum all over the head of his cock. It glistens until he rolls the condom on.”

Adam was silent, his eyes a little glazed.

Janine uncrossed her legs, placing both feet on the floor. “When he kneels on the bed, I open my legs for him, like this.” She allowed her knees to fall open. “Do you like me opening my legs for another man?”

He frowned, nodded his head slightly.

She smiled. “At last, you’re being honest. Good.”

Adam put his wine down and slid off the sofa, crawled on his hands and knees across the rug until he was by her feet.

She raised her bum high enough off the chair for him to remove her panties. “Can you imagine my expression when he runs the head of his cock through the wetness of my slit?”

When Janine allows Adam to talk her into visiting a casino to celebrate five years together, she never imagines that a night that starts with so much fun and flirting could end in such despair and debt. Adam doesn't just lose all the money they'd saved, he takes out credit they cannot afford to pay back. They work extra hours and struggle for a month to save up enough for the first payment. Then, it appears, the casino manager has another way the struggling couple could make the interest payments.

Outraged, Janine immediately rejects the indecent proposal. But, despite the sleaziness of the suggestion, she's flattered someone would be prepared to consider giving up that sort of money just for... her, and the thought of allowing a complete stranger to use her body pushes buttons she didn't know she had.

And why does Adam seem so keen she should do it...?
