

A woman is seated on a dark stool, her body angled towards the right. She is wearing a black, form-fitting dress and bright red high-heeled pumps. Her legs are crossed at the ankles. She is holding a black laptop on her lap with both hands, her fingers resting on the keyboard. The background is dark and out of focus, with a warm, golden light source creating a soft glow on her skin and the laptop. The overall mood is sophisticated and mysterious.

Web of Deceit

What began as a light-hearted flirtation with a stranger in a chatroom soon became an obsession for Chloe. Her on-line discussions quickly progress from innocuous revelations about previous partners to her most intimate fantasies. As she's becoming fixated with exploring different ways of giving and receiving pleasure, her partner Damien gets caught in the cross-fire. Meanwhile, Damien finds himself being used to satisfy her sexual appetite, so why does he feel so guilty?

In the anonymous world of cyber-sex and cheating, it's hard to tell exactly who is being deceived.

And what happens when the fantasy isn't enough?

Part 1: LOL (Lust On-Line)

Damien swung his legs off the couch and onto the floor. “Right, I’m off to bed.”

Chloe looked up from the other couch in their living room. The TV was on, but she was focussed on the laptop perched on her knee.

He picked up the remote to the TV. “Do you want me to leave this on?”

“No thanks. I’ll be up in a bit.”

Damien smiled and kissed her on the top of her head. “No you won’t.”

Chloe waited until she heard him brushing his teeth in the bathroom before she logged on to her chatroom. She’d spent most of her day thinking about the recent turn of events in her social networking.

After spending a few months in the chatroom, she’d recently started swapping private messages with a guy calling himself F2XS. Since the initial few messages, which had been relatively innocent, their exchanges had become quite smutty. He’d asked quite a few questions about her and, after giving him certain details, she’d been impressed by his insight into the way she saw things. They’d told each other a few basic things about themselves, and although Chloe had no idea if he was being honest with her, she’d surprised herself by telling him the truth about many things she might have been tempted to lie about to make her life sound more interesting.

Less than five minutes after logging into the chatroom as Love Echo, Chloe received a private message.

F2XS: Ah, I see you finally have the time to join us...

Chloe smiled as she typed her reply.

Love Echo: *Sorry, but I have other admirers I need to attend to before I can get around to you.*

F2XS: *That sounds interesting. I don't mind waiting my turn. So, do I assume from that statement that you're now sending e-mails while bathed in the afterglow of an earlier liaison?*

Chloe had noticed how formal his written grammar seemed to be - nothing like the text-speak which most of the other users tended to write. It was probably because of this that many of her replies were more articulate than she would usually come up with.

Love Echo: *Perhaps I am. Can you picture me sitting here with my hair all tousled, my make-up smudged, and my stockings twisted and laddered?*

F2XS: *Such a shame you haven't got a web-cam—the dishevelled damsel is one of my favourite fantasies.*

Love Echo: *You have a bad mind. I may be late getting online because I've been doing my housework.*

F2XS: *Please, don't shatter my fantasy.*

Love Echo: *You'd approve if I was sitting here writing to you with a wet patch in my panties?*

F2XS: *I like to think you've always got a wet patch in your panties when you write to me.*

Love Echo: *Ha ha. But you'd be happier if I had a wet patch that was left there by somebody else?*

F2XS: *Of course I would—I'm a pervert. Speaking of which, I have more questions for you to answer.*

Love Echo: *What a surprise!*

Since their first few messages, Chloe had divulged a lot about herself to her on-line admirer. She'd admitted she was living with Damien—though didn't give his name. They each referred to their partner as their CSO—current significant other. Although Chloe had admitted she and her CSO had been together almost four years, she'd not mentioned they planned to marry in fourteen months.

F2XS: *Okay, first question. Tell me about any missed opportunities of a sexual nature in your past, and what alternative responses you would have given with the benefit of hindsight.*

Chloe had to read the question a couple of times before she realised exactly what was being asked. He had a weird kind of formality, this guy. And then she had to rack her brain to try and think of any examples. Again, the opportunity to fabricate was there, and yet she decided to answer with the truth.

Love Echo: *Wow—you have a devious mind. It's hard to remember them all. You must know that men are always making passes at women.*

F2XS: *I appreciate that, but thought only the important ones would stick in your mind.*

Love Echo: *Okay. When I was sixteen I was a VERY naïve catholic girl and visited Lourdes with a group of people from our local church. While I was there, a young American soldier took a fancy to me, and he took me out for a couple of walks and cups of coffee. He was in his early twenties and a complete gentleman at all times. Looking back, I suppose it would have been a romantic way of being deflowered—by an older, experienced man while in a foreign country.*

F2XS: *Would you have preferred that he wasn't a complete gentleman? Do you wish you'd lost your virginity to a Yank squaddie?*

Love Echo: No, I don't think so. I'd have been too young to handle it and probably would've resented him later for taking advantage of my naivety.

F2XS: Any others that spring to mind?

Love Echo: A couple of years ago I went on a hen weekend and stayed at a big country golf club. There was a disco full of guys on the lookout. They were on an expenses-paid work outing, all had their own rooms and were buying champagne for any women who would talk to them. I suppose if I'd wanted a night of meaningless sex with a total stranger—that would have been the time to do it.

F2XS: And did you?

Love Echo: No. They were all so full of themselves and so full of shit. But a couple of the girls from our group did.

F2XS: And do you regret not doing the same? Rampant sex with a total stranger could be fun...

Love Echo: Totally agree. It's a very nice idea to spend the night with a total stranger—where he's only interested in the hole between my legs, and I'm only interested in the pole between his—but the men were all wankers. I didn't see anyone whose pole I'd want in my hole.

F2XS: Ah, so poetically put!! No others that spring to mind?

Love Echo: Hardly. When I was at Uni I had a long term relationship with someone who I later realised was a complete dick-head. While I was seeing him, a couple of really nice guys asked me out but I refused because I thought I was with 'the one'. Can't think of any other instances.

F2XS: You mean you wished you'd fucked the nice guys behind your boyfriend's back?

Love Echo: *No, I mean I wish I'd dumped my boyfriend and gone out with the nice guys. If I liked them, then they may have got lucky with me...*

F2XS: *Fair enough. Right, I suppose you've answered that one. Now for my next question. Are there any situations of a sexual nature where you took the opportunity to do something, but wish you hadn't?*

Love Echo: *Benefit of hindsight again, right? Not really. I've never been the type to let people talk me into things I didn't want to do—even if I was drunk. So the only examples would be where I should've dumped the boyfriend instead of carrying on sleeping with him.*

So, can I ask you the same questions now?

Chloe nibbled her lower lip while she waited for him to finish typing a response. She tried to tell herself that what she was doing was just a harmless bit of fun, but knew others wouldn't see it that way.

F2XS: *Not the same questions. I want you to think up your own questions, because that will show me how your brain works much better than how you answer my questions. But I can answer that one for you quickly—my biggest missed opportunity was with a girl who was dating a friend of mine. She was really nice, and made it obvious at a party one night that she wanted us to have sex. Like a fool I said that although I fancied her a lot, I was not the type to go behind a friend's back and do the dirty on him. A few months later she found out that he'd been cheating on her, and he also told her that I'd known about it. After that she wouldn't even talk to me. So with hindsight, I wish I'd slept with her because my so-called friend turned out to be a bastard.*

Love Echo: *What a twat. Okay, my question is: tell me about the most intense orgasm you can remember having.*

F2XS: *Bloody Hell!! I started off with subtle questions, and you go straight in with a question about my best ever money-shot.*

Love Echo: *Yeah, yeah—spank me! Now answer my question.*

F2XS: *Let me think... Right, well the one that comes to mind happened a few years back with an old girlfriend. I was staying at her place and a friend of hers came round unexpectedly. She was all upset as she'd just split with her boyfriend.*

Love Echo: *Ooh—is this leading to a lusty threesome??*

F2XS: *Unfortunately not—but I really like how your mind works. Basically, I cooked them dinner, opened them a couple of bottles of wine and then disappeared to read in bed. When my girlfriend came to bed much later, I was already asleep. She woke me to thank me for my cooking and discretion. Apparently her friend had drunk way too much and was sleeping it off on the couch. Then she gave me two orders: don't move, and don't make any noise. Next thing I know, her head is under the covers and I was pleased.*

Love Echo: *So a blowjob gave you the most intense orgasm you can remember?*

F2XS: *Yes. In fact, if I were to try and list my top ten orgasms, blowjobs would probably be responsible for more than half of them.*

Love Echo: *What made this one so special?*

F2XS: *Not being allowed to move meant that I could just lie and enjoy what was going on, rather than trying to please her at the same time. And also because it all seemed to happen at a much slower pace. She was much more patient, somehow.*

Love Echo: *Explain 'patient'.*

F2XS: *What usually happens is... well, I'm sure I don't need to tell you what usually happens in a blowjob.*

Love Echo: *Of course not! But tell me anyway—I like you to talk dirty!*

F2XS: *Good. Well, what usually happens—when I'm fortunate enough to get one—is that the girl starts off slowly, licking and teasing to get me hard, and then gradually increases the pace to a steady rhythm. Sometimes they also use their hands to help things along, too, so the friction's very similar to fucking (I would have said intercourse, but you did say you wanted me to talk dirty).*

Love Echo: *And the outcome of this action is...?*

F2XS: *Exactly. Out... Come...*

Love Echo: *But it is less intense?*

F2XS: *No, not at all.*

Love Echo: *So I ask again, what made this one so special?*

F2XS: *Well, instead of increasing the pace to a steady rhythm that would have made me come quicker, she kept it very slow. She lay her head on my stomach while she sucked me, and her hand gently stroked my balls and the base of my dick. She was very patient, possibly a bit drunk, and it went on for about three quarters of an hour. By the end I was so desperate to come it was a fight not to finish myself off by thrusting it into her mouth. But I did as I was told and kept perfectly still right to the end.*

Love Echo: *And did you stay perfectly quiet?*

F2XS: *Only by placing my pillow over my mouth.*

Love Echo: Speaking of mouths, did you come in hers?

F2XS: I had to! I wasn't allowed to move!!

Love Echo: All this talk of sex is making me horny.

F2XS: I know what you mean. And here I am, stuck in my flat on my own. My CSO is staying at her own place because she's on the early shift this week.

Love Echo: Unlucky. I, on the other hand, have a man sleeping in my bed...

F2XS: So what are you waiting for?

Love Echo: What do you suggest I do?

F2XS: Are you kidding? You're a woman and you're horny. The world's your oyster. If a guy wakes his woman and says: "I'm horny, fuck me," more often than not he'll get a two-word answer, the second of which would be 'off'. But if a woman says exactly the same to a guy after she's woke him, then nine times out of ten she'll get fucked.

Love Echo: So what do you think I should do?

F2XS: Use him to relieve your frustrations, and then come back online and tell me all about it.

Love Echo: Are you serious?

F2XS: Completely.

Love Echo: Okay, maybe I will.

Chloe went upstairs to the bedroom. Less than fifteen minutes later she was back in the lounge with her laptop open.

Love Echo: *I'm back.*

F2XS: *About time. So, tell me everything. Did you use the "I'm horny, fuck me" line?*

Love Echo: *No, I didn't bother with words. I got into bed and stroked him, encouraged him to lie on his back. Then I went down on him until he was hard, and then I straddled him and fucked him.*

F2XS: *God, I really wish you had a web cam. But you've not given me enough details. Did you strip naked? Was he asleep when you got into bed? At which point did he wake up? How long did you go down on him for? Did you come before or after him? Where did he come? Describe your movements. Was there any change of positions during the sex? Did either of you say anything during it? Was there touching with hands during it all? Tell me more—I NEED to see it in my head.*

Love Echo: *Wow, you really are twisted.*

Chloe read his list of questions and wondered if she could answer them and keep a clear conscience. She didn't understand why she felt so compelled to continue with these discussions, but there was no denying the buzz they gave her.

Love Echo: *Okay, to answer each question: Yes, I stripped completely naked. Yes, he was asleep when I got into bed. He stirred when I pushed him onto his back, and was fully awake by the time I got his dick into my mouth. I only went down on him for a very short time. I only did it so I could get him inside me quickly, and he was rock hard in less than twenty seconds. The answer to the next question is 'both'. I came fairly soon after he went inside me. I held his cock straight up and lowered myself onto it. Then I rocked my hips slowly until I came. After that I leaned my hands onto his chest and raised myself up and down more quickly, thrusting my hips back and forward to make him come. And he did—inside me. By the time he'd come, I knew I'd be able to come again. So I slowed my*

movements again, grinding my clit against him until I got my second orgasm.

Neither of us said anything, but we both grunted and groaned—a lot. When I first straddled him he held my boobs, and when I fucked him harder his hands were clenching my bum. When I wasn't using my hands to support my weight, I was scratching his chest and thighs.

Now can you see it in your head?

F2XS: *Perfectly. Now, what was said afterwards? And what are you wearing now? And tell me about the dampness.*

Love Echo: *You're very sick, but I like it. I think he said something like 'What was that for?' So I told him I'd been feeling horny. I am now wearing a baggy t-shirt and my knickers, which are VERY wet, and failing in their attempt to keep everything inside them!!*

F2XS: *Well, you're not the only one with wet underwear. Did you pretend it was anyone else while you were doing it?*

Love Echo: *No—it was just a nice big dick that I used to make myself come with. But I did pretend that you were standing at the side of the bed watching me as I fucked him.*

F2XS: *I would have paid good money for that, and yet again I wish you had a web cam.*

Love Echo: *Ha ha. Now, what are you going to do about your wet underwear and horniness?*

F2XS: *What do you suggest?*

Love Echo: *I suggest, since you're all alone, that you take your dick out and imagine me licking it.*

F2XS: *What if I'm in an internet café?*

Love Echo: *Ha ha. Well take it out anyway. And imagine me kneeling between your legs, licking all the wetness from around the end of your dick.*

F2XS: *Right, I'm doing it.*

Love Echo: *Now imagine I have your cock in my mouth and that I'm watching your face. My head is going up and down slowly, and then I speed up. I take you further into my throat. I never take my eyes off yours. I want you to stroke yourself. I want you to make yourself come and I want you to imagine you're pumping all your cum into my mouth.*

F2XS: *This isn't going to take long.*

Love Echo: *Good. Increase the hand speed and tell me how far up your stomach your cum hits you. That way we'll both be covered in the stuff, because my thighs are sticking together with it now.*

Love Echo: *Are you still there??*

F2XS: *Yes, I'm here. And I'm there. It shot high onto my chest. And there seems to be a lot more than I usually produce, thanks to you.*

Love Echo: *Good. Now we can both sleep soundly. Speak tomorrow??*

F2XS: *Definitely. Right, I have some cleaning up to do...*

Love Echo: *Me too. Night night. xx*

Chloe closed down her computer and made her way back upstairs, stopping off in the bathroom to clean herself up a little. When she slipped into bed, Damien grunted and slid his arm around her. As she lay in his arms listening to his steady breathing, Chloe's mind raced with images of her on-line friend masturbating furiously while he pretended she was with

him. Had she now experienced cyber-sex? Could F2XS now be termed her 'on-line lover'?

* * * *

The next evening Damien went to bed at his usual time and Chloe logged on to her website as soon as she dared. But it took another 20 minutes before F2XS contacted her.

F2XS: *At last. I seem to spend all my time waiting for you...*

Chloe smiled to herself.

Love Echo: *And that's just how it should be. How did you sleep last night?*

F2XS: *To be honest, I was restless for most of the night. I kept thinking about what you'd written and done, and what I'd done, and I couldn't help thinking that you may have had the better deal last night.*

Love Echo: *So you didn't enjoy yourself at all?*

F2XS: *That's certainly not the case. I just think you may have enjoyed yourself a little more than I did.*

Love Echo: *Maybe I did. Sorry. Are you pouting now?*

F2XS: *Perhaps just a little.*

Love Echo: *Should I not tell you about the next instalment I got when I went back to bed? Maybe you don't want the description of me being taken roughly from behind while clinging on to the headboard...*

F2XS: *If that's what happened, then I DEFINITELY want you to describe it in great detail.*

Love Echo: *Good. And I would, if it had happened. But I went straight to sleep, like a good girl.*

F2XS: *Hmmm. Right, first question of the evening. Infidelity. Have you ever been unfaithful to your CSO?*

Love Echo: *You mean apart from sucking your dick last night?*

F2XS: *Yes, apart from that.*

Chloe wondered briefly whether to admit to a stranger something that she'd never spoke to anyone about before. Yet again, she was surprised at the ease with which she told the truth.

Love Echo: *I don't actually consider that I have, but I suppose technically the answer is 'yes'. We'd only been seeing each other a couple of weeks, and I bumped into an ex-boyfriend when I was back visiting my family. He was actually the guy I'd recently split up with. One drink led to another, and I ended up going back with him to his flat.*

F2XS: *Apparently it only counts as being unfaithful if you had an orgasm.*

Love Echo: *In that case I was unfaithful three times; twice during the night, and once more in the morning!!*

F2XS: *Sounds like a passionate relationship.*

Love Echo: *Not particularly, but we'd been together for a couple of years and we both knew it would be the last time we shared a bed.*

F2XS: *Fair enough. Any other events or close calls?*

Love Echo: *Hmmm... One time I had been on an all-day drinking session with a few people from work, and one of the guys walked me to the taxi rank at the end of the night. I don't remember how it started, but we*

found ourselves down a small alley out of view from everyone. Suddenly we were all over each other.

F2XS: *Come on, you know me by now. You have to give me more details than ‘all over each other’. I need to see it in my head.*

Love Echo: *Pervert!! Okay, he had me pushed up against a wall and we were kissing passionately, mouth on mouth. It was a bitter cold night, and we were both dressed accordingly – jeans, jumper, coat, etc. His hands were stroking my boobs through my clothes, and I could feel his hard-on as he pressed against me. But then someone else came into the alley, and we stopped.*

F2XS: *So what were your hands doing while he was rubbing your boobs?*

Love Echo: *Well, I was pulling him against me and rubbing myself against his hard-on. What else is a girl supposed to do?*

F2XS: *Do you think if nobody else had arrived that you two would have had sex?*

Love Echo: *No. It was just a very brief lapse. And it was way too cold, with way too much clothing in the way.*

F2XS: *And if it had been a warm night where you were just wearing a summer dress?*

Love Echo: *Then he would probably have seen the juices running down my thighs and not taken ‘no’ for an answer! Right, my questions. What is your CSO’s favourite fantasy, and how do you help her achieve it?*

F2XS: *Wow. I wish I could use your questions. I’m definitely going to have to think harder before I ask my next lot. Well, my CSO has several fantasies that we regularly participate in, but I suspect her ultimate fantasy is one that I couldn’t help her with.*

Love Echo: *Ooh, this sounds like fun. Tell me about the ones you regularly participate in!?*

F2XS: *Well, she likes to watch porn while she has sex, particularly oral sex. And in fairness, she likes me to watch it while she performs oral sex on me.*

Love Echo: *I'm not sure I like the idea of someone getting their rocks off with me by watching someone else.*

F2XS: *I don't think that's the case. I could be watching porn alone and nothing would happen. On the other hand, if she was doing that to me it would have the same outcome even if I was watching a political debate. We just see it as a way to make everything more sensitive. And as she points out, it's certainly a quicker way to get to the finale!*

Love Echo: *I suppose I can see that side of the argument. And the others?*

F2XS: *She likes to talk and use her hands. She likes to make up stories, or tell me about things she's done in the past, or things she's heard about. And while she's talking, she's using her hands, one on me and the other on herself.*

Love Echo: *And you're okay with that? Just getting a hand job?*

F2XS: *Oh I'm very happy with it. I don't always just get a hand job. She starts off with her hand, and she makes herself come first, and then she concentrates on me. She either finishes me by hand, but usually she puts me inside her, and then she comes again when I come. Other times she makes me come in her mouth, and I make her come with my mouth.*

Love Echo: *Sounds like you two are well in sync with each other. What makes you say you don't think you could help with her ultimate fantasy? Do you think she wants some girl-on-girl action?*

F2XS: No, that's not the reason. But yet again, I really like how your mind works. Having said that, I have no doubt that girl-on-girl would be something she'd try given the right occasion. No, what I meant was, I think her ultimate fantasy is to have sex with a stranger. Or to be more exact, sex with multiple strangers.

Love Echo: Well, I can understand that being a good fantasy. Has she told you that?

F2XS: She's not actually said that her dream is getting gangbanged by people she's never met before, but much of what she talks about when we're fooling around is based on this. And if there's a porn scene with one woman and more than one man, she tells me to imagine the woman getting all the attention is her. She often makes up scenarios she likes, and one of them had so much detail that for a long time I suspected she'd actually done it.

Love Echo: Ooh... As they say in Grease, tell me more, tell me more!!

F2XS: One night she told me that she'd gone for a walk at lunchtime from work. She works in a big hospital where there's always building work going on. As she passed a big yellow lorry, some builders whistled at her from the cab. She said she looked back and saw three guys all leering at her. So she walked back to the passenger window and said something like 'Are you the type that just like to whistle, or can any of you actually fuck?'

And with that they opened the door and helped her into the cab. Then she went into great detail about how they did everything to her, and how anybody could have seen into the cab if they'd walked past.

Love Echo: Wow. But give me more details. Tell me what she said went on, and why you suspected she may have done it?

Chloe wondered how a woman could be brazen enough to face up to wolf-whistlers, let alone get in a lorry with three of them. She found herself turned on by the idea of doing something like that, but strangely she felt guilty for asking about the details of another woman's fantasy.

The rotating egg-timer on the screen told her that his reply was still being typed, and Chloe checked her watch. She worried Damien would wake up and wonder where she was.

F2XS: I can't remember everything, but a lot of it stuck in my head. I kept thinking about it because there were so many little details about things I wouldn't have even thought of if I was making up a story. Apparently the guy nearest the door was in his late twenties. He was wearing no shirt under his high-vis jacket, and he was really tanned. She said he had a silver ring in one ear and tattoos on his arms and chest. The guy sitting in the middle of the bench seat was younger and quite skinny. The guy in the driver's seat was older, maybe late forties. He was thick-set and looked Mediterranean, with dark brown eyes and wavy black hair going grey around the temples. He also had tattoos, but she said the hair on his arms was so thick that she could barely make them out. She told me that all the men had good muscle tone, but she could tell they'd all been working hard because they all smelt of sweat.

She said it started with her being sat on the knee of the young guy in the middle and all three men pawing her. One lifted her top up and unfastened her bra, another hitched her skirt up and pulled her knickers off. Over the next few minutes she was groped by all three of them. She told me that she just lay back against the young guy's chest while they all took turns fingering her, with the men sitting on either side of her leaning over and sucking her nipples.

Although Chloe had to admit the scenario turned her on, she found it hard to believe that it'd actually taken place. Obviously his CSO had a very vivid imagination, and Chloe briefly wondered why he needed to trawl chatrooms for more sex-talk.

F2XS: Next she was moved so she laid face-up across their laps. The driver turned her head to one side and pushed his dick into her mouth. She said his dick was really thick and she struggled to get her mouth around it. The younger guy in the middle was rolling her nipples between a finger and thumb of each hand. Then the guy by the door knelt on the seat, pulled her legs apart and entered her, fucking her with long, slow thrusts. Then she was made to straddle them all, one after the other. The first was the guy by the door, and she told me he was probably the best looking of the three. He had intense blue eyes and a really good body. He lifted her up and down on his dick for a few minutes and then she was passed on to the next guy, like a parcel in a kid's party game. She said she could tell the young guy was close to coming after less than a minute of being inside her, so she clenched her muscles and rode him, giving with quick thrusts from her hips. Then she kissed him and pushed her tongue into his mouth,. He let out a cry and shot his load, and she kept wriggling and milking him. Then she climbed off him and moved onto the driver. She described in great detail how thick his cock was and what a tight fit it was when she tried to get it inside her. She said even though she was dripping with her own juices and all the cum of the younger guy, she still didn't think she'd get it in. But the driver pulled her right down onto him and she told me it felt wonderful. She told me how he kept lifting her up and then pulling her down with force onto his cock.

F2XS: Then she was encouraged to lie back down as she had done before, and the guy by the door fucked her again and the driver put his dick, now covered in a mixture of juices, back in her mouth. Both guys came like that. She said after they were finished, they all spent about ten minutes just stroking her. Then she was made to stand in her heeled sandals on the floor of the cab with her legs straight, bent forwards with her hands leaning on the dashboard while she was groped and fingered again. She said her chest was bare and her face was pressed up against the windscreen. Anyone walking past could have seen her. Then the young guy pulled her back down to the edge of the seat and fucked her from behind. After he'd managed to come inside for a second time the guy by the door pulled her head down into his own lap, and she sucked his dick until he was hard again. Then he bent her over the knees of the guy in the middle and fucked her from behind.

Love Echo: *What an imagination—or what a great lunch time ‘walk’! Did she mention orgasms?*

F2XS: *Oh yes, in great detail. She thinks she came about five times. Apparently it went on for more than forty minutes. Her first one was right at the start while she was being fingered. She came again when the good looking guy by the door fucked her for the first time. Apparently when the driver with the big cock pulled her down onto him for the first time she had a really intense orgasm and was practically screaming. Then she came again when one of the guys fingered her in both holes at once while she was up against the window. She pointed out that she had no idea which of the men had done that to her, but she was so glad that they had. And she got her last orgasm when she was fucked from behind at the end of the session.*

Love Echo: *Jesus. What about the men’s orgasms? Did she talk about them?*

F2XS: *Of course she did. She walked me through the whole thing from the first blowjob to the doggy-style over the dashboard.*

Love Echo: *Jesus. I can’t believe it—and all that detail.*

F2XS: *I know. She even told me the driver’s cum tasted of garlic!! By the time she got out of the truck she was covered in bruises and cum. She never found her knickers. She told me she had trouble walking back to work, where she had to go straight for a shower and find herself a set of scrubs to wear for the rest of the shift. But she says she would be re-living the experience in her head for a long time.*

Love Echo: *Wow again—I’m stunned. Do you believe her? Do you think she really did that?*

F2XS: *No, I don’t really think it happened. I think it just shows what a great mind she has. Her descriptions of the men are so vivid I think she may have seen them working at the hospital and let her mind do the rest. At least I hope that’s the case. She spends a lot of her time thinking about sex*

scenarios, and seems to try and think of every little thing that could happen, and then she tells them to me.

Love Echo: And what do you do when she's telling you this?

F2XS: What do you think I do? She's usually wanking me, sucking me or fucking me while she's describing things. I let my mind go wild and pretend I can see her doing it. I ask questions, get more details. And I enjoy myself.

Love Echo: Well, it sounds like you have a very active love life.

F2XS: It's not always that extreme, and we only see each other a couple of times a week. But I'm sure you're just as active in your relationship. Look at last night, for example.

Love Echo: Hmm. I think we both know what the cause of that episode was.

F2XS: No, tell me.

Love Echo: You made me horny.

F2XS: Good. And what about tonight? Has it happened again?

Love Echo: Yes.

F2XS: Good. So what are you going to do about it tonight?

Love Echo: What do you suggest?

F2XS: We had this conversation last night. You're a woman wanting sex, and there's a man in your bed...

Love Echo: And you think I should just go and help myself like last night?

F2XS: *I think you would have no complaints from either him or me if you did exactly that. But you're sitting on a pot of gold (or something even better!), and can get whatever you want.*

Love Echo: *Ha ha. So what are you suggesting this time?*

F2XS: *I'm suggesting that you could get whatever you want. You could march into the bedroom and sit on his face and demand to be pleased by his tongue. You could tie yourself to the bed and tell him to do whatever he desires. You could get on all fours on the bedroom floor and tell him to fuck you hard for as long as he can manage. Or I'm sure you can think of many other things you would like. Alternatively, you could ignore him and get yourself a cucumber from the fridge and pleasure yourself on the kitchen table!*

Love Echo: *Well, I like several of your suggestions—though the last one doesn't appeal. Cucumbers straight from the fridge are way too cold. Besides, I have better alternatives in my bedside cabinet!! No, tonight I want something warm with a pulse inside me.*

F2XS: *Then I'm sure that's what you'll get. And in the meantime, I'll be thinking about the contents of your bedside cabinet!*

Love Echo: *Pervert!!*

F2XS: *Thank you. Right, go and do your worst. Will you tell me about it tomorrow?*

Love Echo: *Would you like me to?*

F2XS: *Of course.*

Love Echo: *And what will you be doing to yourself while I'm using my man?*

***F2XS:** I honestly don't know, but I suspect it will be the same as last night.*

***Love Echo:** You're going to make yourself come?*

***F2XS:** Probably. Is that OK with you??*

***Love Echo:** Only if you tell me all about it tomorrow!!*

***F2XS:** OK—that's a deal. Have a good night.*

***Love Echo:** Oh I intend to. You too. Xx*

Part 2: Casting the Net

Damien was half-watching the television while sneaking glances at Chloe, his girlfriend of almost four years and the girl he was supposed to be marrying next year. He wondered if she was taking in any of the TV drama's plot, or whether she was thinking about the sex secrets she would share with her online buddy.

It was nearly ten, so he gave a conspicuous yawn and stretched with a grunt, working his way towards his exit from the lounge. Since nine, he'd been eager to get to bed and log on to the web-site, but he was afraid Chloe would wonder what was up with him if he went to bed too early. She might suspect he was ill and keep checking to see if he was okay. Chloe finding him in bed with his iPad logged on to the chatroom was something that he could not let happen. He didn't want to think about the trouble he'd get into if she found out what he'd been up to. Damien thought it a little ironic that he felt so guilty about what he was doing when in reality he should be angry about what she was doing.

Chloe always had a laptop on her knee during the evenings, staying up late into the night after he went to bed. It was a family trait. Chloe's mother and sister both stayed up until the small hours, reading novels or watching movies, and Chloe was just the same, except she now spent her time on the internet. A few months earlier he'd sneaked a look at her computer history and made a note of the chatroom she visited most nights. Then he'd joined under the name F2XS, and started adding comments for a few of the topics in the hope he'd be able to identify Chloe by her responses. In the end it was relatively easy to spot her. The on-line name she'd chosen was Love Echo, which seemed to be based on the letters of her name, simply expanding the letter L to the word Love.

Then he'd sent her a few private messages—fairly innocent at first until they'd built up a rapport. He'd asked a few questions about her past, just to confirm that it was her. Once certain it was Chloe he was 'chatting'

to, the content of his messages became stronger, and he was surprised by the smuttiness of her replies. Some of them were downright pornographic.

But the simple truth was that he *liked* what she was doing. It turned him on that she was having such sexy discussions with someone she thought was a total stranger. She'd divulged things about her past that he didn't know. Indeed, he had found out that she'd cheated on him early in their relationship with an ex-boyfriend. But it had happened before either of them knew they would get on so well. The fact that Chloe had been sleeping with the guy for almost two years before they'd met meant it hardly counted as infidelity anyway. But Damien knew he'd taken advantage of the situation and couldn't help feeling guilty for using this method of prying into her life.

As F2XS, Damien had fun inventing a girlfriend who was a sexual dream. His fictional girlfriend gave him blowjobs while he watched porn, reeled off made-up sex stories while she jerked him off, and told him she fantasised about getting gangbanged by strangers. All the sex-talk had left both Love Echo and F2XS really turned on. Where Damien had overstepped the mark in his own mind was suggesting that she satiate her horniness by 'using' her CSO. It was a strange situation. He actually felt guilty about the fact his girlfriend was fucking him while thinking about somebody else. He wondered if Chloe felt any guilt about what she was doing. If she did, who was the guilt aimed at? Was F2XS the wronged person because she was fucking Damien while thinking about him, or was Damien the wronged person because when she fucked him she thought about F2XS?

Damien decided it was too complicated to think about, especially when all he wanted to do was log on and talk dirty to the girl sitting opposite him. So at five to ten, he bid Chloe goodnight and made his way upstairs. It took him less than five minutes to use the loo and brush his teeth. He fired up his iPad and got undressed. By the time he'd logged onto the chatroom he already had a private message.

Love Echo: *Wanted! Company for a forlorn, lonely woman...*

F2XS: *Don't give me that. I've been sitting on my own all night waiting for you to get through with all your other admirers. I seem to be*

way down the list.

Love Echo: *And quite right, too. You are a bad, bad influence. As a result of your encouragement last night, I'm rather sore!*

F2XS: *Sounds interesting, but you know you will have to give me more details than just 'sore'. But before you tell me exactly where the soreness is, you have to describe what you chose to do last night to ease your frustrations.*

Love Echo: *I'll be glad to, but not until you tell me what you did, and what you thought I was doing at the time.*

F2XS: *You're getting as perverted as me!! Okay, I went to bed. I imagined you had woken your CSO and then told him to pretend you were a rubber doll. You told him he could do anything he wanted to you, but that you would not move in any way while he used you.*

Love Echo: *Sometimes I'm still shocked by the way your mind works. But only in a good way—I quite like that idea. And what did your twisted little mind have my CSO do to me?*

F2XS: *He laid you on your back and pushed your legs open. He was going to give you foreplay until he realised how wet you were, so he just shoved his hard cock inside you. You didn't move or make any sound. You just lay passively with your eyes closed as he fucked you slowly for about a minute. Then he withdrew and climbed up until he was straddling your stomach. Then he put his wet cock in your cleavage and used his hands to squeeze your tits around him, thrusting in and out of the fleshy valley for another minute. He then moved further up the bed and pushed his cock into your mouth. You could taste your own juices, but you didn't suck him. Your tongue didn't pleasure him. You just kept perfectly still, and he had to move his hips and fuck your mouth to get any pleasurable friction. Then he moved back down and re-entered your cunt. He fucked you some more, going on to repeat all the same stages again. Tits, mouth, cunt. He wanted to turn you over and fuck you from behind, but realised he was on the brink of coming,*

so he pushed your legs as wide as he could get them, raised himself up on his hands and fucked you with short, hard thrusts until he fired all his cum inside you.

Love Echo: *Jesus!! You have a dirty, dirty mind – I love it. And in your perverted fantasy, did I get to come?*

F2XS: *Of course you did. In my perverted mind you were so turned on when you went to bed that you came as soon as he entered you. And then you came again as he banged you at the end. In my perverted mind you have a lot of orgasms.*

Love Echo: *Mmm—I really like your perverted mind. What about you? Did you come during my adventure? And if so, what part of it?*

F2XS: *I came as soon as I imagined him pushing his cock into your mouth for the first time, and you tasting your own juices.*

Love Echo: *And did you pretend it was you that was doing it all to me?*

F2XS: *No. I like to watch. I was standing at the side of your bed jerking myself off while he fucked you.*

Love Echo: *You are a sick, sick person. But I really like it!! So, do you want me to tell you what I actually did?*

F2XS: *Of course I do.*

Love Echo: *Well, I used two of your suggestions. I went in there and sat on his face, and after I'd come I lay on the bed and told him to fuck me hard for a long time.*

F2XS: *Details?*

Love Echo: *I've pretty well given you all there was. I stripped naked and turned on the bedside lamp. He seemed to be awake, so I climbed onto the bed and held onto the headboard. Then I bent my knees and lowered my crotch onto his face. I didn't need to ask, his tongue just went straight into my hole and prodded around for a while, and then he settled it against my clit and I ground myself against his face until I came. Then I rolled onto the bed and told him to fuck me hard for a long time.*

F2XS: *And did he do as you asked?*

Love Echo: *Not really. He fucked me hard, but he came way sooner than I wanted him to. He probably didn't last more than three minutes.*

Damien wasn't sure how to respond. Should he say he understood her frustration, or that her CSO had probably come so quickly because he was so turned on? And he had been—having spent the previous hour talking dirty in their chatroom, as soon as he'd entered her he knew he wouldn't be able to last long.

F2XS: *Oh well, I'm sure you can get him to make it up to you later.*

Love Echo: *Yes, I intend to!! But he fucked me so hard I'm still sore now. His cock grew really big, and it felt like he was battering the floor of my womb. It's probably a good job he came when he did, otherwise I may have needed a wheelchair today.*

Damien was very relieved to read her last line, and it took away his embarrassment for coming too soon the night before.

F2XS: *Sounds like you'd turned him on with your sitting on the face routine. So, are you ready to answer another question??*

Love Echo: *I think it's my turn first. Tell me about some sex acts you haven't done but would like to try.*

F2XS: *Ooh, good question. Let me think... I suppose I'd like to attend an orgy. A high-class type of thing where all the women are beautiful, and all the men are athletic. As I've already said, I like to watch, but I might not find it so erotic if I were surrounded by ugly women and fat men.*

Love Echo: *Mmm. I suspect your CSO would be up for that. Any others?*

F2XS: *Maybe to go with a prostitute, but again at the higher end of the market. Not some spaced-out stick insect just working for her next fix. I like the idea of a beautiful woman telling me I can stick my cock in any of her three holes, but cannot kiss her on the mouth.*

Love Echo: *I say that to all my first dates—joking!! Any more?*

F2XS: *I quite fancy a glory hole experience. Maybe in a seedy bar in a strange city...*

Love Echo: *Would you think me naïve if I admit I don't know what that is?*

F2XS: *No. I'm not even entirely sure if it's really called that, but I've seen it written several times, occasionally as just one word—'gloryhole'—so I assume it's a common name. Basically it's a hole in a wall about crotch height, and a guy can put his cock through it. The woman on the other side of the wall can then pleasure him and they never see each other. I saw a couple of porn films with that in it, and it turned me on. The woman usually gives the man oral or a hand job, but in one of the films she bent over and backed herself onto his cock and fucked him.*

Love Echo: *Why would that be a turn-on for you? I thought you liked to watch!! I suppose it would help if one of them was really ugly.*

F2XS: *Ha ha. I suppose it's the anonymity of it. I can't say that I've ever been pleased by someone I haven't met (except you, of course).*

Having said that, my mate told me he'd seen a film where the person behind the wall was a gay bloke giving blowjobs to unsuspecting straight men, so maybe that's a good reason not to experience it.

Love Echo: *And you don't like that idea?? I thought gay men were supposed to give the best blowjobs, because they know exactly what's nice for the guy receiving it.*

F2XS: *I think I'd rather it was an ugly woman than a handsome gay bloke. Okay, my turn to ask you something. What do you think about when you masturbate?*

Love Echo: *Depends how long I've got.*

Damien read her reply several times and was momentarily dumbstruck. On several occasions in their past he had asked Chloe if she ever masturbated, and she had always insisted she didn't need to. As she put it, *'If I need to come I get you to do it for me'*. He wondered briefly if asking via F2XS was being unfair to her, as he knew she obviously didn't want him to know that she masturbated. He felt butterflies in his stomach as he fought the dilemma, but then he also felt his cock twitch.

F2XS: *Explain.*

Love Echo: *If I'm really horny but don't have a lot of time, I can just do a quick rub to get myself off. I have a scenario for that. If I have a lot longer, then I will take my time and run through a more grown-up fantasy.*

F2XS: *Would you care to tell me about them?*

Love Echo: *Would you like me to?*

Damien held his breath. He felt like a peeping Tom, and wondered why Chloe would tell a complete stranger but not the man she slept with. Damien wondered if he should do the decent thing and pretend he didn't want to know, but his considerate mind was overcome by his dirty mind.

F2XS: *Of course I would—I'm a pervert.*

Love Echo: *Good, because I want to tell you. This is actually something I've never told anyone before. My quick-fix one was formed when I was living in the city and travelling on the underground every day. I should emphasise that this has never happened at all, but I pretend I'm standing in a really crowded carriage and I feel the guy next to me push his crotch against my arse. I assume at first it was accidental but then it happens again. The train stops. Some people leave the carriage and others board, and I move my body through ninety degrees so that my side is now facing the guy. I wonder if he'll bother to rub against my hip, or if he'll try and move so he can push against my bum again. Sure enough I feel him against my hip. The train shudders over some rough track, and I move through another ninety degrees so my body is facing his, although my head is still turned away from him, looking out of the side windows. This time when he pushes against me I push myself into him at the same time. I feel his crotch against mine, and my boobs are squashed against his chest. Then I turn to look into his face. He's somewhere in his mid-fifties, wearing a grey pin-striped suit and carrying a leather briefcase. He looks embarrassed, and I push my crotch against him again. I can feel he now has an erection. I start to contract and relax my vaginal muscles to get myself off quicker, and when I push against him again I bite my lower lip and half-close my eyes so he can see I'm enjoying it. He moves against me again and we hold eye contact while I come. I let him hear the quiet moan that escapes my throat, and then I push against him and rock as the train hits another rough bit of track. I can tell by his face when he comes into his pants, and I smile at him. I like the idea of him walking home in a lot of discomfort as his cum cools and sets hard inside his underwear.*

Damien was completely dumbstruck by this fantasy. He would never have guessed it in a million years, and he'd thought he knew Chloe pretty well. He obviously didn't.

F2XS: *Wow. And you say I'm weird!!*

Love Echo: *Don't you approve of my fantasy?*

F2XS: *I wouldn't say that, but I'm maybe a little surprised. I thought most women found the 'gropers' on a train quite disgusting.*

Love Echo: *Yes, and I do too. But for a wank-fantasy it works for me!!*

F2XS: *I can see that. I'm almost afraid to ask what you think about if you have more time...*

Love Echo: *Okay then, we can leave it there. So is it my turn to ask another question?*

F2XS: *NO NO NO!! We cannot leave it there, and you know it. Tell me what you think about if you have more time. But first, define what you mean by more time.*

Love Echo: *More time is anything from 30 minutes to a couple of hours. It may be my CSO is out for the evening and I'm in bed alone, or I could take a glass of wine with me to have a nice long bath one Sunday afternoon...*

F2XS: *Ah, right. And what does your grown-up fantasy involve?*

Love Echo: *A threesome.*

F2XS: *I like it. Two men or two women?*

Love Echo: *Both.*

F2XS: *Isn't that a foursome?*

Love Echo: *Very funny. I mean both scenarios. There are two threesomes, one with two women and one with two men.*

F2XS: *Maybe if you wanted to follow through with these fantasies, you and your CSO could have some fun.*

Love Echo: *If I did follow through with any of these, my CSO wouldn't be involved. Where I have an FFM threesome I want the other two participants to be a couple, so I get all the attention. If me and my CSO were to get another woman to join us, she would get the attention.*

Damien felt disappointed, but could see Chloe's point.

F2XS: *So would you want the two men to be a couple for the other threesome?*

Love Echo: *Very funny. No, I don't want the men to be a couple. In my first threesome fantasy I'm with a straight man and his bisexual wife. In my second I'm with two straight men who are both people I've never met before, nor will I ever see them again.*

F2XS: *And do you have as much detail for these as you have for your quickie fantasies?*

Love Echo: *Of course, but you're probably not interested in hearing them are you??*

F2XS: *What do you think??*

Love Echo: *Good. First scenario, I'm in Germany on business, attending a conference. While in the hotel spa during a free afternoon, I meet a German couple who are on holiday. They're mid-thirties and both attractive—particularly the woman, who has a great figure. We make idle talk while in the hot tub, and when they discover I'm staying on my own they invite me to join them for dinner that evening.*

After a very pleasant meal we adjourn to the bar for a few drinks, and then we all go back to their room. I know I'm about to have a threesome, as the conversation throughout the meal had been filled with innuendo. Once in their room the lights are turned down low and we all

stand by the bed. There's a lot of touching – mainly them touching me, but I also touch them. They slowly undress me, and I help them to lose their clothes, too. When we're all naked we move onto the bed. I'm lying on my side in the middle, with the guy behind me, almost lying 'spoons'. His wife lies on her side facing me, and she kisses me on the mouth and then strokes and kisses my boobs. Her husband is stroking me down my side, across my hip and down my legs. I'm pushed back a little so I'm almost on my back, with the guy beneath me. His hands are running all over my boobs and stomach, and his wife is kissing all around my bush and inner thighs.

As I look down I see her head is moving backwards and forwards. I move my leg to get a better view and see she's sucking her husband's cock. I briefly feel like I'm surplus to requirements, but then she takes it out of her mouth and puts it at the opening of my slit. I realise she was just getting him hard enough to enter me, which he does. He slides all the way inside me from behind, pulling my hips down with his hands. Then his wife starts to lick and suck my clit, and he fucks me slowly. I come almost straight away. I'm practically screaming, and he keeps fucking me and she keeps licking me. I come again. I'm pulling her hair and scratching his legs and panting like a dog.

I'm lying very still in the afterglow, waiting for my heart to stop racing and my breathing to get back to normal, and I feel him move slightly inside me. I realise I'm the only participant that's had an orgasm—well, two. I somehow manage to lift myself off him, and tell her to lie where I'd been. I want her to feel what I'd just felt. So as she lies back onto her husband, I guide his wet, slippery cock into her cunt. Then I bend forward and taste another woman for the first time ever. I lick and suck her clit as he starts to fuck her, and then I feel his dick bang against my chin. He'd obviously pulled it too far out. I hold his dick in my hand and take it as far into my mouth as I can manage. I run my tongue around the tip, and I hear him moan. I slip it back inside his wife and get back to licking her and she's pulling my head against her. I can tell she's about to come. I rub his balls and then rest my fingers against the shaft of his dick. With each thrust my fingers are going inside her, and she's screaming almost as loud as I did. I decide I should help her husband along, so I drop my mouth from her clit onto his balls. I take one onto my mouth and suck it, and then do the same to the other. I can hear him grunting. Finally I press my tongue against the

base of his shaft, and as he comes I can feel each spurt that he pumps into his wife.

Damien realised he had an erection, and when he pulled back the quilt he saw there was a steady flow of clear precum dripping from the opening of his cock. He could not remember a time when he'd been so turned on. It wasn't just the content of the fantasies, it was the fact that Chloe had thought them up. Damien imagined her lying in their bed with her hand busy between her legs thinking about being pleased by another man and woman at the same time.

F2XS: *You would not believe the effect reading your fantasy has had on me. Or the consequences it has had for my underwear!!*

Love Echo: *Ooh, does that mean you liked it?*

F2XS: *I more than liked it—it was really hot.*

Love Echo: *Thank you. I'm so glad. I've never shared that fantasy with anyone before.*

F2XS: *I don't know why not—it's a real turn on.*

Love Echo: *Thanks, but I like to keep them private. They're my turn-on.*

F2XS: *Well I'm very glad you shared them with me. But I have to say having thought about your threesome fantasy again—and you should understand I'm going over and over it in my head—there is something that surprises me. In your fantasy you had the husband reaching his climax inside his wife. I would have thought that since you were the main subject of their attention, and since it's your own fantasy, that you would have chosen for him to come inside you...*

Love Echo: *Wow – Mr Perceptive!! I'm really impressed you raised that point. But don't forget this is just the start of my fantasy, and sometimes it carries on beyond that part. And later in the fantasy he comes again. Twice. And both of those times he comes inside me.*

F2XS: *Details? Positions? What's his wife doing at the time? Who else comes?*

Love Echo: *First one—I sit on his cock while his wife sits on his face. Us women are kissing and rubbing our breasts against each other, and all three of us come pretty well at the same time. Second one—his wife's lying on the bed and I'm kneeling between her legs giving her oral sex. Her husband's standing on the floor at the foot of the bed fucking me doggy style. She comes first, followed by him, then me.*

F2XS: *That makes it an even better fantasy. I can see why you can only use that one when you have quite a bit of time. At which point do you usually make yourself come?*

Love Echo: *With that one I always come at least twice, and sometimes three times. I can come at any part—it all turns me on.*

F2XS: *I can see why. How about the other one? Are there more details about the threesome with two strange men?*

Love Echo: *Not as much detail. I go to a bar specifically looking for two men together. It's always easy for a woman to get guys talking. So I allow two men I fancy to chat me up and buy me a drink or two. Then I buy them one back and suggest they take me back to one of their apartments, and we all end up in a living room with a log fire. I tell them to remove their clothes and lie side by side on the rug near the fire. Then I slowly remove my clothes while they watch me and kneel down between them. I take a cock in each hand and pump them up and down until they're nice and hard. I lean forward and take one into my mouth while still jerking the other one. Then I move my mouth to the next cock and resume the jerking with my*

other hand. I do this for a few minutes, alternately sucking and jerking the two men.

Then I tell one of the men to stand up. I straddle the guy who's still lying down and slide his cock inside me, then take the cock of the standing guy into my mouth. After a few minutes I get the guys to swap places, so I get the other one inside me. I make sure I suck and fuck them both.

Next I kneel between the legs of the guy lying down and suck his cock, instructing his friend to kneel behind me and fuck me doggy-style. When I can tell the guys can't last much longer, I lie on top of the guy on the floor and slide his cock inside me. Then I tell the other guy to lie on top of me and enter me anally. Sandwiched between these two guys I can hardly breathe, but we all start thrusting and banging and grunting and groaning. They both come inside me in their respective holes. I come so many times during the evening that I lose count.

Damien sat in bed and let the words and images wash over him. He realised he was holding his breath. His heartbeat was like a drum in his ears.

F2XS: *You fantasise about being fucked by two men at the same time?*

Love Echo: *Yes. In fact, I aim to actually do this before I'm forty.*

Damien nearly dropped his iPad. He had to stop himself from shouting out loud.

F2XS: *You WHAT??? Are you serious?*

Love Echo: *Very. If you're going to have a completely filthy night, this must be the ultimate thing for a woman. Don't you agree??*

F2XS: *What about your CSO?*

Love Echo: *I'll wait until I'm single again. Or maybe just do it if he pisses me off one night! Right, it's getting late. What are you going to do to*

relieve your frustrations tonight?

F2XS: *I don't need to do anything. I'm so wet I think I've already come.*

Love Echo: *I think you should pretend you're one of the men in my last fantasy. You can be the one that takes me anally; that way you'll be the one that goes in all of my three holes.*

F2XS: *And what will you do? Abuse your CSO again?*

Love Echo: *No, I think I'll stay down here for another few minutes and maybe make my way to the station!!!*

F2XS: *Pardon?*

Love Echo: *My hand is already undoing my jeans...*

F2XS: *Are you winding me up?*

Love Echo: *It's a summer's day and I'm wearing a thin cotton dress. I have my ticket...*

F2XS: *What are you on about?*

Love Echo: *I'm getting onto a very crowded train!*

F2XS: *Are you really going to fiddle with yourself now?*

F2XS: *Hello..??*

Love Echo: *Hmmm. Okay, now I can go to bed and sleep peacefully.*

F2XS: *You made yourself come already?*

Love Echo: *Oh yes. It doesn't take long when I'm turned on.*

F2XS: *And you fantasised about getting touched up on the train?*

Love Echo: *Yes, with a slight variation because I was feeling randy. I rubbed myself against the leg of a guy. When he didn't complain I made him come by using my hand to rub his cock through the material of his trousers.*

F2XS: *God, it can't have taken you more than thirty seconds.*

Love Echo: *I know—but I was turned on after telling you all my secrets. Right, I'm off to bed now, and I won't be on-line tomorrow as I'm going out with my mates and won't be home until late. But if you're a good boy, I'll give you a special treat on Thursday night.*

Damien was in the middle of accepting that he would be frustrated all night when he read Chloe's last line. Thursday night. Chloe knew he was away on business all day Thursday and Friday.

F2XS: *That sounds interesting. What will we be doing on Thursday?*

Love Echo: *You'll just have to wait and see. Night night. xx*

Damien powered-down his iPad and placed it in the drawer of his bedside cabinet just before he saw the stairs light come on. There was a large wet patch underneath him where he had dribbled for the previous hour, but he'd just have to put up with the discomfort. He knew there would be no sex for him tonight because Chloe had satisfied herself already, so he feigned sleep and tried to think about what she had planned for Thursday. He would be dining with the other people from work on their trip, but should be able to sneak off early and log onto the chatroom shortly after ten.

* * * *

Damien tried hard to concentrate on the banter during the meal with his colleagues, but his mind kept returning to the on-line chat he would be having in a couple of hours' time. This was a regular get-together for what management liked to call 'networking' across all three branches of the company—but most attendees just abused the fact there was a free bar and they all ended up drinking too much and talking rubbish, remembering very little of it the following day. Straight after coffee, Damien pretended he felt unwell and left the dinner before the serious drinking got underway. Within fifteen minutes, he was connecting his iPad to the hotel's Wi-Fi system. When he got into the chatroom he saw a message from Chloe.

Love Echo: *I'm ready when you are...*

F2XS: *Now that sounds VERY inviting!! What exactly are you ready for?*

Love Echo: *You'll see. Click on this link: [fk132=3455%9909183](#)*

Damien clicked on the link as instructed, and there were a few seconds of flickering before his screen filled with the image of a room in their own house. It was the small sitting room, not the large lounge where they spent most of their time. The screen was split into two separate views, shot from different web-cams. The first web-cam looked like it'd had been placed on one of the high bookshelves in the corner opposite the fireplace—he could see most of the room. One of the big leather armchairs had been moved close to the open fire, its flames casting flickering shadows against the orange walls and honey-coloured floorboards. Chloe's laptop was sitting open on a small table, moved to face the chair. The other screen view was of the empty chair, suggesting that the other web-cam was situated on this table. On closer inspection of the first view, Damien could see the small device clipped on top of the laptop screen. He realised he could hear music and increased the volume setting on his iPad. Classical music was playing, a piano piece. He knew that Chloe liked Chopin and Mozart the best, but didn't recognise the piece because his knowledge of classical music was extremely limited.

On the half screen showing the whole room, Damien saw Chloe enter. She was wearing a black dress he didn't recognise. She was also wearing black nylons and black high-heeled shoes—the ones with a very high heel that she never wore because she could hardly walk in them. She moved over to the fire and picked up a glass of red wine he hadn't noticed sitting on the hearth. She raised the glass to the camera and smiled. The definition of the camera wasn't great in this light, but Damien could tell Chloe was wearing a lot of eye-liner and dark red lipstick. However, he wondered if anyone would be able to recognise her from this shot. He could, though only because he knew it was her and he recognised his own house. But even though the definition was not good, it was easy to see that Chloe looked great. The dress had buttons all the way down the front, and the bottom few were left undone so a flash of thigh could be seen when she walked.

Chloe went to the chair and as she placed the glass on the table, Damien saw her arm on the other half-screen. When she sat down, he realised that the camera had been positioned so the view went from her legs up to her neck. She leaned forward and picked up her wine glass again, allowing a glimpse of her mouth and chin, but only for a brief moment. The definition on this screen was perfect. She sipped the wine and placed it back on the table. Then she uncrossed her legs and her hands moved to the buttons at the neck of her dress.

Damien couldn't believe what was happening. He would never have guessed Chloe would be prepared to appear on a web-cam for a stranger, and he wondered what she was going to do. He was still wondering as she undid the second and third buttons of her dress. He could see she was wearing a black lace camisole-type thing, which he was pretty sure he'd never seen before, either. The lace pulled her breasts together and showed a good cleavage, her dark nipples clearly visible through the lace. Her fingers continued further down until all the buttons were undone, although the material of the lower half of the dress still covered her from the waist down.

Chloe leaned forward again to retrieve her wine, and when she leaned back she flicked the material open with her left hand. Damien was shocked to see what he'd thought a camisole was actually something like a lace basque with attached suspenders. They were fastened to the stockings on her legs. Damien couldn't believe it. She'd refused to wear suspenders

on several occasions when he had asked her to, claiming they were too uncomfortable.

But the shock of seeing Chloe wearing stockings and suspenders was forgotten as soon as he realised she wasn't wearing any knickers. From the camera on the laptop, Damien could see the black silky triangle of neatly trimmed pubic hair, but Chloe's knees were together so some of her modesty was preserved. Chloe held her wine glass in her right hand and traced her left hand slowly down her body. Damien immediately noticed she wasn't wearing her engagement ring. When her hand got to where the lace ended and she touched the flesh of her lower stomach, Chloe opened her legs to give him an unobstructed view of her sex.

Damien didn't know what to think. Chloe had never acted this way in front of him—even during their most intimate moments. Yet here she was, doing it shamelessly in front of what she assumed was a total stranger. His emotions hovered between being hurt and being angry. But there was no denying his physical reaction—he was incredibly turned on.

Chloe slowly rubbed her hand over her sex a couple of times before inserting her middle finger into her hole. She rocked her hand backwards and forwards while her finger was still inserted, then she removed her hand completely.

She turned slightly sideways and out of shot, and the higher camera showed her leaning over the far side of her chair to place the glass down. Obviously there was another small table right next to the chair, out of view of both cameras. Chloe picked something else up from the table—a vibrator. It was about six inches long and made from bright pink rubber, moulded into the shape of a cock. Damien recognised it as the one he'd bought for her a couple of years earlier, but she'd always told him she didn't really enjoy it. *'If I want to come, I've got you'*. Her standard response rolled around in his brain. He'd assumed the toy had been left untouched in her drawer for the last two years.

Damien watched as she turned it on and rubbed the head of the vibrator all around the opening of her sex. She did this for about a minute, teasing him as much as herself, before she finally slid it inside. Sitting on the bed in the hotel room, he suddenly realised he had an erection. He was actually uncomfortable because he was so hard, so he loosened his belt and

removed his trousers. Wearing just his shirt and boxers, Damien sat back down and watched on his iPad as Chloe pleased herself with the sex toy. He kept reminding himself that Chloe thought she was doing this in front of a complete stranger, and he wondered if that made it easier for her.

The view from the web-cam on the laptop showed the full length of the vibrator was inside her, and she was using her thumb and forefinger on the switch cap to rock it gently inside her. She undulated her body in a slow, sexy rhythm as she sat in the chair, moving up and down on the seat. Chloe dropped her chin onto her chest for just a few seconds and let out a long 'Mmm'. Her right arm became more animated as she increased the speed and intensity of the strokes with the vibrator. Then her head fell back and she let out a loud, guttural moan as she finally started to come. Damien watched transfixed as Chloe fucked herself with the sex toy. Her moans got louder with each thrust and when they reached a crescendo, she arched her back and raised herself off the seat of the chair, only her feet and shoulders holding her up.

Then her hand stopped moving, the vibrator still deep inside her, and Damien could just hear little whimpers over the background of classical music. Her legs were taut, and he could see the muscles in her thighs shaking. After a few seconds she lowered herself back down onto the chair and slowly removed the vibrator, twisting the end to turn off the power. She held it close to the camera on her laptop. Damien could see it was slick with her juices, shiny in the firelight.

Chloe placed the vibrator on the table and picked up her wine glass. She didn't bother to close her dress, but crossed her legs and took a sip of wine. Then she held the glass up towards the camera positioned on the high bookshelf, and waved the fingers on her other hand before leaning forward and pressing some keys on her laptop. The screen on Damien's iPad went blank.

Damien realised he was still holding his erection. He could not believe what he'd just seen, and he couldn't remember ever being this turned on. Not even her threesome fantasy was that hot. He closed his eyes and began to move his hand on his cock.

* * * *

Fifteen minutes later, he picked up his iPad and logged onto the chatroom. Chloe had already left a message.

Love Echo: *Was that to your liking??*

F2XS: *To say I liked it would be a big, big understatement.*

Love Echo: *Good. Did you come too?*

Damien considered whether to lie, but decided not to.

F2XS: *Yes.*

Love Echo: *I'm glad. Did you get your CSO to suck your dick while you watched me?*

F2XS: *No. She's not here. But if she had been, there's a very good chance she would have drowned.*

Love Echo: *Ha ha. So, are you saying you produced a substantial amount of cum?*

F2XS: *Yes.*

Love Echo: *Tell me about how much cum shot out of your dick.*

F2XS: *I didn't actually measure it, but definitely more than usual.*

Love Echo: *Did you shoot it onto your tummy? Did it go as high up as before?*

F2XS: *No, I shot it onto the floor. It travelled about three feet.*

Love Echo: *Ooh. How many splashes? I can tell how turned on a man is by how many separate spurts he produces.*

Damien read Chloe's last line several times. He wondered how many times she'd counted the splash instalments to each orgasm she'd given previous boyfriends.

F2XS: *About four spurts, and then a couple of dribbles.*

Love Echo: *Hmm. Wish I'd been there to watch it. Maybe you could get a web-cam and let me watch you make yourself come...*

F2XS: *I don't think it would be as sexy as watching you.*

Love Echo: *Did you enjoy watching me? When did you come, before or after I did?*

F2XS: *After.*

Love Echo: *Good. I always like to come first!!*

F2XS: *Well you did, but only by a few seconds.*

Love Echo: *I wanted to give you a gloryhole experience instead.*

That got Damien's attention.

F2XS: *And how would you have done that?*

Love Echo: *I was going to book into a hotel and tell you to come along to it at a certain time. I would go into the bathroom and hang a sheet over the doorway. The sheet would have a hole cut out at crotch height. You could come into the hotel bedroom and put your cock through the hole, and I could have given you a gloryhole treat to fulfil your fantasy.*

F2XS: *You would have done that??*

Love Echo: *Yes. I really like the idea of fulfilling a fantasy you have.*

If Damien had been shocked at what Chloe had written before, it was nothing compared to how he felt now. Writing smutty messages to a stranger was one thing, and she had taken it a lot further with the web-cam thing tonight. But now he realised she was willing to give a blowjob to a complete stranger, and Damien wasn't sure what to do about that.

F2XS: *Wow—that would have been fantastic. But I think a better way would have been for me to book the hotel. A door is about two feet six inches wide and six feet six inches high, so I could take three pieces of thick card, each two foot six by two foot two. I could hide them in my suitcase and then fix them in place with me in the bathroom, and cut the hole at the required height. Then you'd just have to come into the room and do whatever you want.*

Love Echo: *Yes. I think that would be a better plan. That way you'd have to pay for the room and do all the work on the screen. I could spend the morning in the spa, and just pop along to suck your dick, and then leave you happy in the bathroom.*

Although Damien was flabbergasted by what Chloe was writing, he knew how F2XS would respond.

F2XS: *That sounds like a great plan. Maybe I could have helped with one of your fantasies at the same time.*

Love Echo: *Ooh, tell me, tell me!!*

F2XS: *Well I know you fancy a threesome, so I could invite one of my mates along. We could cut two holes in the screen. What would you do if you walked into the hotel room and saw two cocks sticking through the partition?*

Love Echo: *I would like that a lot. I'd kneel down and spend a couple of minutes gently kissing each one, until they were both nice and hard. Then I would suck one while I jerked the other with my hand. Then I'd switch, taking the other cock in my mouth while I tossed the first one. I'd*

keep doing it until you were both close. Then I'd see how I felt at the time. I may feel like using two hands so that I could watch you both come over me, or I may feel like making you both come in my mouth, one after the other. Which would you prefer?

F2XS: *Both of us coming over you would only turn me on if I could see it, so I'd want to come in your mouth. One after the other.*

Love Echo: *Good, because that's probably what I'd do. And I would swallow. Both lots. Would you want to be first or second?*

F2XS: *I don't mind. Which would you want me to be?*

Love Echo: *Second. But I'd want you to watch the other guy's face while he was coming, and I'd want you to see his pleasure as I suck him dry.*

F2XS: *Yeah, I'd like that, too. I really liked what you were wearing, by the way.*

Love Echo: *I'm glad you liked it. Maybe I could give you a better treat on Saturday night...*

F2XS: *That sounds interesting, but what could be better than what you did tonight??*

Love Echo: *Wouldn't you like to see me with something more fun than a vibrator inside me?*

Damien's mouth went dry.

F2XS: *What sort of something?*

Love Echo: *A real cock.*

F2XS: *A real cock?*

Love Echo: *Yes, a real cock. Attached to a man, who will be fucking me in front of the web-cam.*

Damien sat up straight and pulled his hands away from the iPad. What did she mean? How could he watch her fucking someone? Who would she fuck?

F2XS: *That sounds like a very entertaining way to spend my Saturday night.*

Love Echo: *Okay then, it's a date. 11pm Saturday night.*

F2XS: *I'll put it in my diary.*

Love Echo: *You do that. Right, I'm off to my bed. What are you going to do now?*

F2XS: *I'm not sure. It's quite late, so maybe I'll see what's on TV. Are you going to get your CSO to give you more pleasure?*

Love Echo: *I'm all alone tonight, so I may take my little pink friend with me. That's the best thing about vibrators – they can manage it twice in an hour without a problem!!*

F2XS: *And men can't?*

Love Echo: *Not always. I suppose it depends how turned on they are. How turned on are you?*

F2XS: *You know me, I'm a pervert.*

Love Echo: *So are you going to come again within the hour?*

F2XS: *Probably. I know I'll keep thinking about what you did to yourself, and I will think about what you said about the gloryhole idea, and*

I'll probably be spilling more cum in your honour.

Love Echo: *That's exactly what I wanted to hear. The idea of you lying in bed and playing with yourself while you fantasise about me will help me to come, too.*

F2XS: *Out of curiosity, what were you thinking about when you made yourself come earlier? Did you have your train fantasy, or a threesome fantasy?*

Love Echo: *I was pretending I was in a lorry with three workmen. Your CSO's fantasy really turned me on, so I thought I'd pretend I was in her situation. It worked for me!!*

F2XS: *Obviously. You were very vocal.*

Love Echo: *Was I? I didn't realise. Wait until you see me on Saturday. Right, I'm going to go. Have a nice time thinking about me. I'll think about what you're doing while I'm doing it, too!! Night night. xx*

The screen went blank. He was in a hotel room one hundred and fifty miles away from Chloe, but they seemed much farther apart than that. He felt like he didn't know her at all. He was too tired to watch television or to go down to the bar for a drink, so he removed the rest of his clothes and slipped into bed. He closed his eyes and wondered if he'd get any sleep at all. His mind raced, flipping through a thousand images: Chloe wearing basque and stockings, a vibrator deep inside her; Chloe on her hands and knees, alternately sucking two anonymous cocks sticking through a make-shift screen; Chloe getting fucked on a bed, and some stranger coming over her tummy.

Damien was slowly stroking his cock, and he was rock hard. He knew he was going to make himself come again, at least once. He closed his eyes and watched the show in his head. He kept the pace of his hand slow, but it took only a couple of minutes for him to come. He wiped himself with a tissue and tried to sleep, but his mind kept coming back to Saturday night. He wondered what was in store. Maybe she would hide a

camera in their bedroom and seduce him, but knew that wouldn't be very erotic for the viewer unless she could get the camera really close. Another thought crossed his mind; she may suggest they spice up their evening by filming themselves having sex. Chloe would pretend it was just for their own benefit, when all along she would only be doing it for F2XS.

* * * *

Damien returned home on Friday afternoon while Chloe was still at work. He walked into the little sitting room and all the furniture was back in its usual position. In the kitchen he found the wine bottle empty, so he assumed Chloe had needed a bit of Dutch courage before her performance. Next, he went up to their bedroom and looked in Chloe's underwear drawer but there was no sign of the basque. He went back downstairs to get a beer and found a note from Chloe on the coffee table in their lounge, saying they should meet for a drink in their local bar. So Damien skipped the beer and headed straight out of the door.

The bar was only a short walk from their house, and he'd had time for two drinks before Chloe got there. She was wearing a pale blue sweater and a knee-length grey pin-striped skirt with black leather boots. The boots had a three-inch heel and the sweater and skirt were both tight-fitting. She smiled at him as she walked towards his table, and Damien's mind slipped back to the sight of her at the height of orgasm with the vibrator deep inside her. He realised his cock was beginning to stir.

"Sorry I'm late," she said, kissing him on the cheek. She took her purse from her bag and looked at his near-empty bottle of Corona. "Want another one of those?"

Damien smiled and watched her arse as she walked to the bar. She looked really sexy. When she came back to the table they chatted about his trip and she told him about her days.

"Oh," she said, as if a sudden thought had just occurred to her. "I've arranged to go out with the girls tomorrow."

Damien felt like he'd been punched. He'd already decided he wasn't going to confront her about her life as Love Echo, as that would mean him admitting to being F2XS. So if she was going to fuck somebody else he wouldn't mention it, but he knew their relationship would be over very soon

afterwards. Damien realised Chloe had been talking and was waiting for a reply.

“Sorry. What?”

“I said Emma didn’t get the job she’d applied for so we’re taking her to Chester for a little retail therapy, then a nice lunch. I’ll be home late afternoon. But I can cancel if you want.”

Damien felt a wave of relief. “No, go. That’s fine.” He forced a smile and took another long sip from his drink.

They decided to get something to eat while they were out, and then they had a couple more drinks. It was late by the time they got home. Chloe said she needed to do a couple of things before she went to bed, and Damien had fallen asleep before she came upstairs. His tiredness was partly due to the amount he’d drank earlier, but mainly because he’d lain awake for hours the previous night, thinking about Chloe’s web cam performance.

* * * *

On Saturday morning Chloe left for her shopping trip and Damien busied himself with a few jobs around the house. Chloe arrived home at three in the afternoon. She proudly showed Damien the two new tops she’d bought for herself and then presented him with a CD she’d bought for him. He kissed her cheek and said thanks, then went into the kitchen to make them a drink.

They spent the rest of the afternoon pottering round in a comfortable silence, but Damien couldn’t help wondering when she was going to make an excuse to leave the house for a while. They ate dinner in the lounge with the plates on their knee, and then they watched a program they’d recorded earlier in the week. Damien couldn’t keep his mind off what was going to happen later. Was Chloe going to try and slip out of the house after he’d gone to bed? Or would she risk sneaking someone into their house for sex while she thought he was sleeping upstairs? He briefly wondered if she’d slipped a sleeping pill into his dinner, then realised he was being stupid. But then a thought hit him, and his heart sank. He was sure he knew how she would do it. He knew she’d been shopping today, because he’d checked the receipt for his CD, which was still in the bag. It had been bought that day at 11.04 in Chester.

But she could have gone anywhere soon after that, met up with whoever she was going to have sex with, and then simply filmed him fucking her at his place, uploading the film straight away. All she would need to do then was send him, or rather F2XS, a link to wherever it was uploaded and he would assume it was happening at that moment. Damien felt like he'd been kicked in the stomach. He felt sure his suspicion was right but he couldn't believe it had taken him so long to work out. In fact, Chloe could have done it any time on Friday and then spent all day Saturday with the girls, like she'd claimed. She could have taken Friday off work and spent the entire day filming her exploits. Then she could have picked her favourite performance to upload, or even edited them all together to make it look like a complete fuck-fest. Damien remembered how good she'd looked in the bar when they'd met up yesterday. He wondered if she'd be wearing the high-heeled boots in the film.

Damien's next hour passed in a whirl of disappointment, anger and frustration. He didn't take in anything that was on the TV, and he kept looking over at Chloe, wondering what he would see when he eventually logged on to the chatroom. He briefly considered not logging on again, thinking he may be better off not knowing for definite that she'd been unfaithful. They would maybe remain friends after they split up if she didn't know he was aware of what she'd done, but if she knew he'd been spying on her as F2XS she would hate him, even though she was having cyber-sex with F2XS, and fucking someone else so she could give F2XS even more of a thrill.

Damien checked his watch. It was twenty to eleven, and there was nothing at all on the TV that would hold his interest. So he made his excuses and went up to bed. He spent longer in the bathroom than usual, reluctant to log on and get confirmation of what he felt sure he already knew. But of course he took out his iPad and logged on to the chatroom. There was no message from Chloe. He waited another few minutes, and then he made the conscious effort to get into F2XS character. He eventually sent her a private message.

F2XS: *Hello??? Well I'm here, popcorn in one hand and tissue in the other...*

There was no reply for what seemed like a very long time. Damien felt a faint glimmer of hope. He tried again.

F2XS: *Don't tell me you've got stage fright!!*

Again there was no response, and Damien started to relax and enjoy himself.

F2XS: *Is your leading man having a few problems with the 'props'???*

Damien looked at the clock: 11.15. He felt a wave of relief begin to sweep through his body. Then suddenly he felt tense again. Chloe had just sent him a message. He felt sick.

Love Echo: *Don't you pop your corn before the action starts.*

Damien found it difficult to stay in character.

F2XS: *Glad you could join us.*

Love Echo: *Maybe I'm running a bit late because I was just making sure I'm nice and wet ready for the introduction of my leading man's big part!!!*

F2XS: *Ha. I expect you'll be hoping for him to give a wooden performance...*

Love Echo: *Yes please!! Click on the link: [fkl32=3455%9926598](#)*

Damien stared at Chloe's last line for several seconds. His finger hovered over the blue, underlined set of letters and numbers. Part of him wanted to put the iPad away, but he knew he had to watch. He clicked the link.

The screen was just interference for a few seconds, and then a very clear picture presented itself. The definition was excellent, and Damien felt

his heart drop when he saw that Chloe had decided to make her film in their lounge. He realised that she could well have made the film straight after her performance with the vibrator.

Chloe was standing alone, wearing a short blue dress and backless high-heeled shoes. This time she hadn't moved any furniture, leaving the familiar set-up of two sofas facing each other with a chunky coffee table between them. At ninety degrees to each sofa on the end wall was a forty-inch plasma TV. The camera was positioned somewhere towards the back of the room and slightly to one side, so that even though Chloe was by the coffee table there was an uninterrupted view of the TV, which showed a different view of the room.

Just then, Chloe turned her back to the camera and bent over the coffee table, resting her hands on the table top. It was only then that Damien realised the view on the TV was shot from a camera mounted on her laptop, which was placed directly in front of the coffee table. The TV screen showed a very clear close up of Chloe's face. She was wearing a lot of make up; thick mascara, black eye-liner, green eye shadow, red lipstick.

Chloe's legs were bare, and they looked really good in the high heels. Her dress was a skimpy summer style with thin straps over the shoulders and she wasn't wearing a bra. Chloe reached forwards towards the laptop and pressed some keys. Damien could hear rock music in the background, and then Chloe looked directly into the camera and spoke.

"So, am I going to get fucked tonight or what?"

Damien hadn't expected Chloe to do any narration. He was almost expecting to hear the crowd shout back in pantomime style: *Oh yes, you are!*

Chloe shook her arse towards the camera and the TV showed her put on a pout. "Is there anybody that wants to put their cock inside me?"

Damien watched open-mouthed as Chloe slowly hitched up her dress, revealing that this was yet another performance without the aid of underwear. He was wondering how long this would go on for before some guy appeared on the screen, but then Chloe spoke again and he almost fell out of bed.

"Damien, come down here and fuck me hard."

Damien held his breath. His mind was spinning. How did she know it was him watching? Was this live, actually happening now? How had Chloe

managed to get changed and made-up and set up all the cameras in such a short time?

“Damien, come downstairs. I want to ‘F2XS’. I assume your on-line tag means you like to fuck to excess, so get down here now and do it.”

Damien climbed out of bed as if in a trance and started toward the door. Just then he saw Chloe lean forwards and the sound through the iPad stopped, but he could hear the same music coming through the door. He made his way downstairs, naked. The door into the lounge was behind the camera, and Chloe didn’t turn round to greet him. But she was looking directly into the close-up camera and her forty-inch image gazed at him from the TV. She had a sly smile on her face.

“How did you know it was me?” His voice sounded frail, guilty.

“It was obvious from all the early questions.”

“But when did you know?”

Chloe stepped to one side of the coffee table and dropped to her knees. She indicated for Damien to stand opposite her on the other side of the table, which he did. The main camera showed them both in profile, and because Chloe was kneeling down the camera had a clear view of the close-up shot on the TV, which showed just Chloe’s head, facing the opposite way, like a mirror image.

She leaned over the table and put her hands on his legs, pulling him closer to her and into the scene on the TV.

“Is that what you really want to know, or do you mean did I know it was you when I told you about fucking my ex back in his flat after we’d started dating?”

Damien was just about to reply when she leaned forwards and licked the end of his cock.

Chloe looked up at his face and smiled. “I mean, would it matter if I fucked him two hundred times or two hundred and one?”

“You mean two hundred and three.”

Chloe laughed and then wrapped her hand round his cock, which was getting harder by the second. “Oh yes, twice in the night, and once again next morning; two hundred and *three* times.”

Before Damien had a chance to say another word, Chloe knelt up and while looking directly into the camera on her laptop, took Damien’s cock

further into her throat than he could ever remember her doing before. His whole body shuddered. His eyes closed and his head fell backwards.

By the time he'd recovered his composure Chloe had his dick back in her hand and was just running her tongue around the rim of the tip. But she was looking at the camera, and when he looked at the TV to see her face, she repeated the deep throat action. He watched her face on the screen. Her eyes closed and the heavily mascaraed eye-lashes seemed to reach right down her cheeks. He now had a full erection, but it was so far down her throat his pubic hair was pressed against her face. But then Chloe took his cock out of her mouth and stood up. She made her way back to the end of the coffee table and resumed her bent-over pose, with her hands flat on the tabletop. She hitched up the dress again and looked Damien in the eye.

"Fuck me."

Damien stepped behind her and rubbed his cock at the entrance of her sex. She was dripping wet.

"And what about the snog and grope in the alleyway? Was that before you knew it was me?"

Chloe smiled into the close-up camera, and Damien found himself having a conversation with the TV image. "You don't really want to know if I knew then or not. What you want to know is... did it really happen?"

Damien nodded. "Yes, I suppose that's what I mean."

Chloe pushed herself back into him, trying to get him inside her. But he moved back away from her, teasing.

Chloe smiled wickedly. "Well, maybe it did, maybe it didn't."

Damien couldn't wait any longer. He knew that he'd never know the full truth of when she realised he was F2XS. But right now he didn't really care; he was aching for her. He placed his dick between her slick outer lips and slammed into her with all his might. She would have fallen face-first onto the table had he not been holding her hips. On the TV he saw the expression on her face; shock, pain, pleasure, satisfaction.

Damien slammed into her as hard as he could maybe ten times, and then he pulled out of her again. She'd been biting her lower lip and grunting with each thrust, but now she let out a frustrated moan.

"Don't stop there. Fuck me."

Damien looked at the TV screen. The close-up camera was looking right down the top of her dress. She was braless again and her tits hung

loose inside the thin material, both nipples clearly visible. Damien stepped to one side so that the camera behind them could see her body. He was watching the screen of her laptop beneath the TV. This showed all the action, including her face on the wall.

“And what about your masturbation fantasies?”

Chloe smiled. “Did you like them?”

“Of course I liked them.”

“And did they turn you on?”

“Yes, they turned me on.”

“And what was it that turned you on?”

“What do you mean?” Damien realised that he was rubbing the tip of his cock around Chloe’s opening.

“I mean was it the fantasies themselves that turned you on, or the fact that I gave myself orgasms while pretending I was with other people?”

Damien was impressed by Chloe’s insight, and was sure she already knew the answer. “Both. I liked the content, but I also liked to imagine you making yourself come while thinking about the scenarios.”

Chloe smiled and slid her hand behind her and gripped his cock, pulling it into her sex.

“Good. I wanted to prove that I can be just as inventive as you, with your made-up girlfriend and her gangbang fantasies. Which fantasy did you like the best?”

Damien closed his eyes and felt her tighten around him, but he didn’t move his hips. “The threesome with the German couple.”

“What about the threesome with two strange men?”

“Yes, I liked that one as well, but the fact you said you’re going to do it made me a bit uneasy.”

Chloe started to gyrate her hips, milking him. “But I also told you to imagine you were the one who went in all three of my holes, so you may be in luck after all...”

Damien gripped her hips and started to slowly move with her.

“So tell me,” Chloe whispered, “did you really make yourself come after watching me pleasure myself the other night?”

Damien felt a brief moment of embarrassment, but answered truthfully. “Yes. Twice.”

The conversation stopped and their love-making became more animated. Chloe was moving with him, rocking her hips and pushing herself back to meet his thrusts, which gradually got harder and faster. But after a few minutes she pushed him away and stood upright. She pulled her dress up over her head and dropped it onto the floor, which meant she was naked except for her shoes. Chloe placed one foot on the table and reached behind for Damien's cock. He got the message and bent his knees, sliding his cock back inside her from behind. He cupped her breasts and watched the TV screen as they fucked. He was slamming into her with force, and her body shook with the impact. Chloe's eyes were closed and her head was dropped back onto his shoulder. Her teeth were clenched and her lips drawn back. They were both sweating, their bodies gleaming in the light. Damien bit down onto Chloe's shoulder to let her know he was getting close to his climax. She started to bounce up and down on his cock by bending her knees.

Her hands slid around his hips, scratching him with her nails. He moved his hands down to her hips as he slammed into her, watching her tits bounce wildly on the screen in front of him. Chloe was moaning and screaming and he came inside her, wave after wave until he could hardly stand. It was the most powerful orgasm he'd ever had. His entire body felt like it was melting; dissolving into caramel and seeping into her.

Eventually, Damien opened his eyes and looked at the TV screen. Chloe seemed to be looking directly back at him. She had her hands cupped round her breasts and was rolling a nipple between each forefinger and thumb. She smiled a sexy smile.

"Don't think you're getting away with fucking me just once tonight. Why don't you run a bath and take a couple of glasses through. I'll turn things off in here and then join you in a few minutes with a bottle of wine."

Damien smiled, kissed her shoulder, got the glasses from the kitchen and headed for the bathroom.

Love Echo: Well, did you enjoy that?

MightyFine69: Hell, yes. You are hot hot hot. Shame there was no sound.

Love Echo: Yeah, sorry. Not sure what happened there.

MightyFine69: That was even better than the vibro night.

Love Echo: Of course it was. Like I always say, cock beats plastic every time. Did you make yourself come?

MightyFine69: Not yet, but I'll have to before I can get any sleep.

Love Echo: I'm glad to hear it. What bit did you enjoy the most?

MightyFine69: It was all hot, but I really liked when you looked into the camera and swallowed his cock.

Love Echo: Good. That was for your benefit.

MightyFine69: Seemed to me like he benefitted a lot more than I did.

Love Echo: Hmmm, sorry about that. Maybe I could make sure you get the benefit one day soon

MightyFine69: Sounds interesting. Tell me more.

Love Echo: All you'll need is to book a hotel room and take three large sheets of cardboard with you.

MightyFine69: Tell me when and where, and I'll be there. So, what are you going to be doing later while I'm beating my meat?

Love Echo: I'll be sitting in a bath telling a few more lies. And then I'll treat myself to a second helping of what I just had, but this time I'll be thinking about you jerking yourself off!

MightyFine69: *Good girl.*

Love Echo: *Speak tomorrow?*

MightyFine69: *You bet your ass.*

Chloe turned off her laptop and stood up. Two minutes later she walked into the bathroom wearing just her high heels and carrying a bottle of red wine.

Damien couldn't seem to stop himself leering when he saw her body. She smiled. "Looks like we're in for a long night."

Part 3: Indecent Descent

Since Chloe's revelation that she'd seen through Damien's disguise as F2XS in the chatroom, their on-line flirting had finished completely. But their sex-life was good, and their pillow talk was much more open and raunchier than it had ever been before. However, what Damien remained unaware of was that she'd been having on-line chats with another member of the chatroom—MightyFine69. She'd started talking to him around the same time as her private messages with Damien began, and they'd quickly reached a fairly pornographic level.

Chloe wasn't sure why she continued the chats with MightyFine69, but she knew deep down that her performances on web-cam had stemmed from her wanting to impress him—even though they were ostensibly for Damien's benefit. She really liked the idea of being regarded as some pleasure-seeking Goddess with a seemingly limitless supply of ideas for sex-play. She'd taken most of the discussion topics with Damien into her chats with MightyFine69, pretending Damien's ideas were from her own imagination. She'd told MightyFine69 in great detail how she fantasised about group sex with three strangers in a truck, and described how she fantasised about giving men a gloryhole experience.

Not only that, she'd taken Damien's idea of how to make it practically possible and suggested to MightyFine69 that they do it. However, every time she sat down at her laptop and had these chats, although she loved the 'buzz' they gave her, she couldn't help but wonder what would happen when her 'imagination' finally ran dry. In the meantime, MightyFine69 was showing a lot of interest in her latest suggestion, and she knew she was finally taking the big step she'd been edging closer to for several weeks.

Love Echo: So, you'll need three large sheets of cardboard, tape and a pair of scissors. Put yourself in the bathroom, use the card to block off the

door connecting it to the bedroom, and tape them all in place. Then cut a hole at groin height and put your cock through it.

MightyFine69: *Sounds kinky. And then what happens?*

Love Echo: *Then you send me a text. I'll be close by. Tell the receptionist you're expecting me to join you and arrange for her to give me a key-card to the room. Then I'll come up to your room and give you the gloryhole treat.*

MightyFine69: *I'm hard already, just thinking about it.*

Chloe squeezed her legs together and felt the juices escape her knickers.

MightyFine69: *Where do you want me to book the hotel? I don't know what part of the country you're in.*

Love Echo: *I'm in the north-west. I could do a hundred-mile radius from Manchester.*

MightyFine69: *OK. I'm in the east-midlands. How about I book a hotel in Leeds? That would give us both a drive of seventy miles or so.*

Love Echo: *Excellent. How about this Thursday?*

MightyFine69: *Definitely. I'll get a room booked now and confirm the hotel. I'll choose a big anonymous place.*

Love Echo: *Make sure it has a spa and a pool. I'd like to relax afterwards.*

MightyFine69: *Deal. What's your mobile number for the text?*

Love Echo: *I'll let you know when you confirm you have the room booked.*

Chloe had decided to buy a cheap phone on a pay-as-you-go contract for her liaisons with MightyFine69. That way she could keep the new phone turned off and hidden when she didn't need it, probably in her desk drawer at work. She logged off and felt incredibly horny. She smiled as she made her way upstairs.

* * * *

On the Thursday morning Chloe dressed for work as usual and found Damien showered and eating breakfast in the kitchen.

"I'm on a training course today," she said. "Some new update to the software programme we use."

Damien looked up from his cereal and smiled. "Unlucky."

"Hmm. But I won't be at my desk, so you won't be able to phone me." Chloe kept her voice neutral, surprised how easy it was to lie. "And I'm not sure if I'll be able to access my e-mail account either. It depends if the training computers are networked."

"Oh, I think I'll manage to get through a day without you telling me to do stuff." Damien put his empty bowl in the dishwasher, kissed her on the cheek and left for work.

As soon as his car was off the drive, Chloe went upstairs to change. She put on a red silk blouse and tight-fitting grey skirt that came to just above the knee. She slipped her bare feet into her red shoes. They had a three-inch stiletto heel and a small opening at the front that allowed a glimpse of two painted toes. Although MightyFine69 wouldn't get to see her, it was important to Chloe that she looked and felt sexy. She packed her swimming costume into her kitbag and went to her car.

Chloe arrived at the hotel early and parked in the shade of an oak tree where she waited, excited but nervous. When the new mobile beeped from the passenger seat, her heart raced. She picked up the phone and clicked on the new message. Just one word: *Ready*. Chloe was aware she was about to enter a very dangerous game. This was way beyond dirty talk and fantasy-invention from a computer. She wasn't sure what the catalyst had been—maybe it was the on-line chats with Damien about missed opportunities—but somewhere along the way, her attitude to eroticism and

fidelity had definitely altered. Whatever the reason, there was no denying how *alive* she felt at that moment.

She checked her make-up in the interior mirror, lifted herself up off the seat and slipped her knickers off and into her handbag. She'd decided that today she was going to be a total slut, so she was getting herself prepared.

The hotel was a huge, modern affair standing seven storeys high. The front of the reception was floor-to-ceiling glass, and inside there were marble tiles on the floor and walls. Vast potted ferns were strategically positioned around the many leather chairs and couches, giving the feeling of privacy to each of the seating areas.

Chloe was aware of several men in the hotel lobby watching her as she made her way across the large space towards the reception desk. Her heels clicked on the tiled floor and seemed to echo inside her head. Knowing she wasn't wearing any underwear made her even more on-edge. She picked up the key-card and walked to the elevator, where two men were already waiting. When the lift arrived they smiled and allowed her to go in first, and in the mirrored back of the lift car she saw them both watching her backside and legs as she walked. She wondered what they'd think if they knew what she was about to do.

She briefly wondered if they could smell her sex—she was very aware that she was already wet. The men got out on the third floor and Chloe travelled the remaining two floors alone. When she reached the door to the room she hesitated for only a couple of seconds, knowing this was her last chance to back out. But she slid the card into the slot and when the green light flashed, turned the handle and walked through the door.

The room was a good size, with a king-sized bed, two easy chairs and a dresser holding a large flat-screen television. The only evidence of the man on the other side of the partition was a large black hold-all on one of the chairs. She didn't pay much attention to the furniture or the décor in the room—most of her attention was centred on the brown cardboard barrier with the hole. And hanging through the hole was a penis. It was flaccid, resting against a pair of balls. The hole was a rough circle about three inches in diameter. Chloe could see brown pubic hairs but nothing of MF69's skin.

Chloe walked over to the partition and ran a fingernail slowly down the length of the cock. She saw the balls rise slightly inside the scrotum. When she ran a finger and thumb gently down either side of the cock, it started to grow. She lifted it in her left hand and cupped the balls in her right. She squeezed lightly with each hand. The cock grew harder, and she was impressed by the size. It was long, straight and very thick.

Chloe hitched her skirt up to her hips, and leaned her body forward. She had to stretch up a little on her toes and point the cock down slightly, but she was able to rub the head of it against her clit. She moved it up and down and then round and round, teasing herself as much as him. The cock was now absolutely rigid. She noticed that when she wrapped her hand around it there was a clear gap between the tips of her fingers and thumb.

She could hear heavy breathing through the cardboard. She slowly lowered herself down, keeping her feet on the floor and squatting with her knees bent and legs wide open. She gripped the cock in her left hand and took as much of it into her mouth as she could. She felt him shudder. She moved back until the tip was against her lips and ran her tongue slowly around the head. Then she took it back into her mouth and closed her eyes and got a steady rhythm going, her tongue continually in motion against the lower ridge. At the same time, she placed her right hand between her legs and started to rub herself. After just a few minutes Chloe could hear laboured breathing and groaning from behind the barrier. The sounds of his pleasure turned her on more and she increased the speed at which she stroked herself. She was just starting to come when her mouth was flooded. He grunted and thrust hard into her mouth, making her gag. She gripped harder with her hand, using her own fingers as a buffer against her lips to stop him going in too far. But she kept his cum in her mouth, and she kept her tongue moving. Her own orgasm was very intense, but she made no sound except for breathing heavily through her nose, which she was pretty sure he wouldn't have noticed. Finally, she swallowed.

Chloe kept his cock in her mouth until she felt him soften, then finally released it and stood up. Her legs were shaking—possibly a result of her squatting position, her own orgasm, or both. She pushed down her skirt and checked her face in the mirror near the door. Her lipstick was smudged and a few strands of hair stuck to her cheeks. She smiled at her reflection and walked out of the room.

Alone in the lift, Chloe wondered if the men in the lobby would realise she'd just performed a sex act on a complete stranger. She felt her own juices on her thighs, and realised how good she felt. She walked straight through reception and out to her car, where she picked up her kitbag. Then she went to find the spa.

Thirty minutes later Chloe was showered and sitting in the sauna wearing her bikini. On the bench next to her the new mobile beeped.

Come back to the room. Now it's your turn.

Chloe smiled to herself and typed back. *That wasn't part of the plan.*

Another text arrived. *But I feel like you deserve a reward. I'm still shaking from what you just did to me.*

Chloe felt a wave of self-satisfaction. *Good. What do you have in mind?*

Come back to the room and see for yourself.

The texts continued for a few minutes, with him obviously not fooled by her teasing. In the end she agreed to be back in the room in another thirty minutes. She'd expected this may happen and was prepared for it. She still had the key-card in her handbag.

Chloe put the same clothes back on, not bothering with knickers or a bra. Her hair was still damp from the shower, and it curled slightly as it dried. She left her kitbag in a locker in the changing room, re-applied lipstick and made her way to the lifts. Back in the room, she saw the partition had been modified. The original hole had been taped over, and there was a new larger hole at about knee height. There were also two semi-circular holes at floor level on either side of the larger hole.

Chloe was impressed by his ingenuity and felt her heart begin to race even more than it had been on the way up to the room. She removed her top and skirt but left on her red high-heels. Then she turned around, dropped to her hands and knees and backed herself up to the barrier, threading her feet in reverse through the gaps at the base and pushing her rear end against the

hole. She tried to imagine what sort of view the man on the other side of the partition would have.

A tongue ran gently between her outer lips and she let out a sigh. It repeated its course, running upwards from near her clit to the back. Then she felt it move further up to her arse. The tongue traced circles around the opening, and then pushed right into her anus. Chloe let out a small cry. She couldn't believe how sensitive she was there, or how fantastic it felt. While the tongue was still rimming and probing her, a finger slid into her pussy. It moved slowly in and out, just once, and then was removed. A few seconds later there were two fingers, staying inside her for longer. They rotated, pressing gently against the inner walls, and Chloe heard herself moan again, louder. Then three fingers were inside her, bending down to the front inner wall and her G spot, pressing harder. She heard herself moan very loudly. She pushed herself back against the barrier to meet each thrust of the fingers and then she was screaming as she came.

The fingers were removed, but quickly replaced by a cock. It felt as big as it had looked earlier and Chloe had to wait until she was fully stretched before she could push herself back to meet each thrust. It battered against the floor of her womb. She bit her lip and bent her arms so her head was resting on the floor. She felt like she was being rammed by a bull. The cardboard barrier shook violently as he banged into her, and it seemed to go on for a very long time. Chloe remembered that it had been less than an hour since he'd reached his last orgasm.

It was no surprise when she felt herself start to come again. Her breathing was ragged, and she screamed again as the orgasm washed through her. It was only when her cries finally quietened down that she heard him grunting and she knew he was getting close to his release. There was a muffled cry, and he stayed still for a couple of seconds. She could feel his cock throbbing and twitching as he emptied himself into her, and then he was banging into her again, riding out the last of his orgasm. Finally he stopped moving, and she felt him slip out of her. She stayed where she was for almost a minute, feeling his juices running out of her. She wondered if he was watching the spectacle.

It took her a while to compose herself. She was sore from his onslaught, and her legs ached from being on her hands and knees. She slipped on her top and stepped into her skirt. She left the room, retrieved

her kitbag from the spa and slipped her knickers on while she was in there. Then she left the key-card at reception and went to her car. She felt remarkably calm on the drive home. When she arrived she changed into jeans and a t-shirt, and decided to make a start on the ironing pile. She was surprised how easy it was to slip in and out of her new persona.

That night Love Echo and MightyFine69 discussed what had taken place earlier.

Love Echo: *Do you realise that I've had you inside me and in my mouth and I still don't know what you look like?*

MightyFine69: *Not only that—I've come in both those places. I could be anybody; the guy next door, your boss, even an ex-boyfriend!!*

Love Echo: *You're definitely not an ex-boyfriend—I'd remember a cock like yours.*

MightyFine69: *Glad to hear it. So, we need to get together again. I want to touch all the other bits I've seen on the web-casts, and I also want to watch the expression on your face when you come.*

Chloe felt her stomach tighten at the thought of another liaison. They agreed to meet at a club in Stoke the following evening, which was a much shorter drive for both of them. Chloe would have to make an excuse for Damien, but she didn't expect it to be a problem; she often met up with friends for dinner and a chat.

Love Echo: *OK, I'll aim to get there for 9.30. Are you going to wear a carnation so I will recognise you?*

MightyFine69: *I'll recognise you, thanks to the web casts. See you tomorrow. And don't wear any knickers—I like that.*

Chloe shut down her laptop, thinking about that. Had she mentioned that she hadn't worn underwear for their first liaison? As she got ready for bed, she rehearsed her story for Damien.

* * * *

The club was actually just a room over a pub. The place was packed with people, half of them stood by the bar, the other half dancing to music so loud Chloe could feel her spine vibrate from the bass. She was just debating which end of the bar would be the best to queue when a guy approached her. He was about six feet tall and had wide shoulders and thick arms. His face had been left pock-marked after what had probably been quite severe teenage acne. He was wearing a black t-shirt and jeans and had two bottles of Bud in one hand.

He smiled and leaned close to Chloe's ear so she could hear him. "Hi. Face to face at last."

Chloe smiled, and he held up one of the bottles of beer for her.

"If you don't want a beer, I can get you another drink, but it may take a while..."

Chloe took the beer and smiled. "This will be fine. Thanks."

Conversation was difficult because of the volume of the music, so they spent the first few minutes in an uncomfortable silence. They both took sips from their beers and Chloe watched his face. He was nothing like she'd imagined. He had an almost shy smile and he kept stealing glances at her body when he thought she wasn't looking. She wore a white vest top, white sandals and a mid-blue skirt, which was several inches above the knee.

Then he took her hand and nodded towards the dancefloor. Chloe hadn't been dancing in a long time, and she laughed as he took her bottle from her and placed it with his on a table. Then they were surrounded by hot bodies, and they started dancing. He pulled her close and started rubbing his hands over her back. After a couple of minutes, she was leaning into him and his hands were getting to know her body pretty well. When she turned her head to try to talk to him he kissed her fully on the mouth. His tongue found hers and his hands gripped the cheeks of her backside through the thin material of her skirt. Chloe realised she was really turned on. She pushed her groin into his and felt his hard-on through his jeans.

They looked at each other for a couple of seconds, and then he was leading her towards the exit. They didn't bother with their drinks. Once outside, he led her to a car park just a short walk away. They didn't talk—

both knew what was in store. They reached a big dark-coloured pick-up parked in a dark corner. As soon as they were inside they resumed kissing and he reclined the big leather passenger seat. His hand slid up her skirt and her legs fell open. When he reached her sex he smiled at the absence of underwear. She was already dripping wet, and his fingers slid straight inside her. She unzipped his jeans and found his cock. It seemed smaller than she remembered, but it was still getting hard.

He climbed on top, reached round to undo her bra, and then pushed her top up to her chin to release her boobs. He pinched her nipples much harder than she would have liked. She cried out, and he pushed his cock inside her. He fucked her hard and rough, and Chloe cried out again. This was not how she liked sex. She tried to slow him down a little, to get him to be a bit gentler but he just pinched her nipples again, painfully. Chloe tried to get out from beneath him, but he was well into a rhythm and his eyes were closed. Chloe reached up and pinched his nipples as hard as she could. He opened his eyes in shock and stared at her, then arched his back and started moaning. Chloe knew he was coming inside her.

She realised that he obviously liked it rough, and she was angry enough to oblige him. She pinched his nipples again, as hard as she could. Then she used her nails to scratch him all over his back and down his sides. He was still moaning and riding the adrenalin from his orgasm. He fucked her harder, his hands gripping into the soft flesh of her bum and legs. Chloe knew she would be left covered in bruises.

He kept calling her a ‘dirty fucking beautiful bitch’ over and over as he fucked her, and Chloe was surprised when she realised she was about to come—she hadn’t felt like she’d been getting any pleasure at all. She leaned forward and bit hard into his shoulder. He screamed and started banging harder than ever and told her he was going to come again. Chloe was shocked by the intensity of her own orgasm, and then she was biting, scratching, pulling his hair and growling obscenities into his ear. He climaxed again. She clenched and relaxed around him, watching his face as she milked every drop.

It took several minutes for them to get their breaths back. He was quiet afterwards, the shy smile returning to his face.

“Can I drop you anywhere?”

Chloe directed him to where her car was parked and left without saying anything else. She got in the car and started the drive home, wondering how she would be able to hide all the bruises from Damien.

* * * *

The following evening Chloe was eager to log on to her chatroom but couldn't get the chance. Damien had been distant all evening. He didn't appear interested in what was on the TV but seemed reluctant to go to bed. He eventually relented and went upstairs at quarter past eleven. When Chloe logged on there was a message waiting for her:

MightyFine69: *I hope you're not too tired to write to me...*

Chloe smiled to herself as she typed her reply.

Love Echo: *Well I AM tired. And bruised. And sore!!*

MightyFine69: *You didn't list 'satisfied'.*

Love Echo: *Yes, that as well. Extremely.*

MightyFine69: *Good. I'm glad you enjoyed yourselves. Mike said he had a great time.*

Chloe read the message twice, feeling a frown forming.

Love Echo: *What do you mean by 'yourselves'?? And who is Mike?*

MightyFine69: *Mike is a good friend of mine. You fucked him last night.*

Chloe felt her stomach go cold.

Love Echo: *What? Are you saying you weren't at the club last night?*

MightyFine69: *Of course I was there. Who do you think pointed you out to Mike? I loved your outfit, you looked really sexy.*

Love Echo: *What are you talking about? I thought I was with you last night.*

MightyFine69: *I owed Mike a favour, so told him I'd arranged for him to fuck a sex-kitten who never wears any knickers.*

Love Echo: *You bastard.*

MightyFine69: *You just said that you were extremely satisfied.*

Love Echo: *But I thought it was you. I would never have done that otherwise.*

MightyFine69: *Stop acting like a schoolgirl. Last night you drove about thirty miles to a club with the sole intention of fucking a stranger. And that's exactly what you did. Not only that, you enjoyed it.*

Love Echo: *You lied to me.*

MightyFine69: *How did I lie?*

Love Echo: *You said you wanted to touch all the other bits, and watch my face when I came.*

MightyFine69: *That's all true and I still do.*

Love Echo: *You complete bastard. What makes you think I'd want anything to do with you after you pimped me out as a repayment to a friend!?*

MightyFine69: *What's your problem? I'm helping you to achieve all your fantasies. You said you liked the idea of sex with strangers in a truck, and that's what you got last night. And we both know how much you*

enjoyed it. So don't try and come across all hurt. But I promise the next time will be the real deal. It'll be me.

Love Echo: *What makes you think there'll be a next time?*

MightyFine69: *We both know there will, so stop your pouting. I am going to shoot my load into your dirty hole.*

As Chloe read his last line she went cold and got flashbacks to the previous night. Evidently Mike had passed on all the sordid details of what had taken place.

Love Echo: *Twat*

MightyFine69: *I love it when you talk dirty to me. Right, I'm tired after my late night. Speak tomorrow?*

Love Echo: *I'll have to think about it...*

Chloe logged off and snapped the lid of her laptop down. Only then did she notice the door was open and Damien was watching her from the hallway. He walked through the room holding his mobile phone up for her to see.

"Forgot to put my phone on charge," he said.

Damien walked through to the kitchen. Chloe heard him messing with plugs, and then he walked back through the lounge without looking at her. She sat for a few minutes while her heartbeat slowed down to normal, and then she went up to bed. She brushed her teeth and cleansed her face, and then slipped on one of Damien's t-shirts that was long enough to hide all the finger bruises on her bum. When she got in bed Damien was facing away from her and breathing steadily. Whether he was asleep or just pretending to be, she couldn't tell.

* * * *

By the following evening Chloe had started to see the funny side of the deception. As had been pointed out, she'd gone to the club with the specific intent of having sex with a man she didn't know. Not only had she achieved that, but she'd experienced sex in a new way she found surprisingly enjoyable. So much so that during her drive home afterwards she'd decided to look into more S&M opportunities.

Love Echo: *Well I'm writing to you, but from now on you're going to be MotherFucker69 in my eyes.*

MightyFine69: *Glad to hear it. I don't know how you could get your knickers in such a twist because you never wear them!!*

Love Echo: *I suppose I asked for that. But I need to know why you did it.*

MightyFine69: *Why I did what?*

Love Echo: *Gave up the chance to have me properly.*

MightyFine69: *I didn't give up the chance, I just delayed it.*

Love Echo: *What makes you so sure you'll get another chance?*

MightyFine69: *Because we're at the start of a journey. You want to experience a lot of things, and I intend to give them to you.*

Love Echo: *By pimping me out?*

MightyFine69: *I don't see it that way. I see it as letting you enjoy yourself, even if it means sometimes I take a step back. Have a look at this...*

Chloe stared at the screen and then saw that he'd sent her a file attached to a blank message. She clicked on the file and a small screen opened up and the film started running. It was a video clip of her

performance with the vibrator. The twenty-second clip showed her having her orgasm, back arched off the chair and the sex-toy buried deep inside her.

MightyFine69: *You are so fucking sexy.*

Love Echo: *That was private and I cannot believe you recorded it.*

MightyFine69: *Have a look at this one...*

Another video file arrived and Chloe was treated to another twenty-second clip of herself in a compromising situation. This one was a perfect close-up of her face looking straight at the camera with Damien's cock deep in her throat.

Love Echo: *You bastard.*

MightyFine69: *Have you any idea how many men you could have jacking themselves off over you if we posted this on the web?*

Love Echo: *Don't you fucking dare!*

Then another message arrived and there were three attachments. The first showed Chloe squatting down, sucking a cock through a hole in a cardboard wall. The camera angle made it clear that she was playing with herself at the same time.

In the second clip she was on all fours against the barrier, her face clearly visible, teeth clenched, lips drawn back, screaming in ecstasy. The final one was in black and white with a green tinge—obviously shot using night vision. A camera must have been hidden in Mike's truck somewhere above the driver's door. The clip showed Chloe scratching and biting him, and saying 'shoot your load into my dirty hole' over and over as Mike banged her with force.

Chloe felt sick and numb.

MightyFine69: *You are a natural. I'd be embarrassed to admit how many times I've made myself come watching these films.*

Love Echo: *Please, don't post them on the internet.*

MightyFine69: *Don't you like the idea of men getting off by watching you?*

Love Echo: *That's not the point. I would not want anyone I know to see them. My parents own a computer!!*

MightyFine69: *Have you any idea how many sex clips are available on line? The chances of anyone you know seeing these are less likely than you winning the lottery.*

Love Echo: *I don't care. You should not have filmed me. I could sue you because it was done without my knowledge or consent.*

MightyFine69: *Stop worrying. I won't post them until we've had a chance to discuss it fully. Speaking of which, I've arranged another night of pleasure for us.*

Love Echo: *And what makes you think I'll come?*

MightyFine69: *Oh baby you will come so many times!!*

Love Echo: *That's not what I meant. What makes you think you're going to get a chance to enjoy any sort of pleasure with me after what you did last time?*

MightyFine69: *Stop going on about last time. Now, I need you to get to Nottingham next Thursday. And try and arrange to stay all night.*

Chloe was angry at him and she was worried about Damien, but she was excited. She felt the wetness between her legs and knew she'd be going.

Love Echo: *I'll think about it.*

MightyFine69: *We both know you'll do more than that. But in the meantime, I'll have to make do with watching you on film.*

Although still angry, Chloe was secretly proud of how sexy she had looked in the video clips.

Love Echo: *And which one do you like the most?*

MightyFine69: *I love them all and I've made myself come watching each of them. I got a real kick out of the fact that you wore no knickers and made yourself come while you sucked me off. That told me a lot about what sort of woman you are. And I loved your dirty talk with Mike. We're going to explore so many different ways to get you off.*

Love Echo: *Sounds like you have it all mapped out in your head.*

MightyFine69: *All I'm doing is helping you to achieve your fantasies. They're from your head, not mine. Right, I need to go but will be back on-line before Thursday.*

Love Echo: *Don't wear yourself out too much with the films—I'll need you fit and ready.*

MightyFine69: *Baby I'm always ready!!*

Chloe sat for another ten minutes in the silence. She could tell Damien she had a work trip planned. She could stay at work a little later on Thursday evening and get dressed in the toilets before she left. She'd tell her boss she had a dentist appointment first thing Friday morning, and that would allow her time to get into work from Nottingham. She smiled to herself as she made her way upstairs, wondering what MightyFine69 had planned.

* * * *

Damien accepted Chloe's lies about the overnight business trip without batting an eye-lid.

She knew cracks were appearing in their relationship, but she found it really hard to work up the energy to care. The closeness they'd experienced after their on-line chats was fast slipping away, and their sex life was suffering. Chloe felt guilty when she realised what she meant was *his* sex life was suffering—she'd had two different cocks inside her since she and Damien had last had sex.

* * * *

The office floor was deserted when Chloe stepped into the toilets just before seven wearing a white blouse, black trousers and shoes with a two-inch heel. Twenty minutes later she emerged wearing a grey silk dress, silver sandals, and a lot more makeup than she usually wore for work. She was relieved not to meet any of her colleagues as she walked to her car.

Her GPS predicted the journey would take a little under two hours. Chloe placed her pay-as-you-go phone on the passenger seat and set off on her journey. The text arrived when she was still ten miles shy of the rendezvous point, telling her he was waiting in the bar as arranged. She pulled over into a lay-by and replied, telling him she'd be there as soon as she could. The traffic was relatively light, and she found a car park just a short walk from the bar. Once parked, she checked her face in the mirror and stared into the reflection for a few seconds. Then she sighed, slid her hands up her legs and removed her knickers, folding them into her handbag.

There were two bouncers in black leather jackets and ties standing either side of the bar door, and both let their eyes wander over Chloe's body as she walked towards them. Both men smiled as she stepped past, and in the reflection of the smoked glass door she saw them checking out her body from the rear. The bar was noisy and crowded. Evidently this was a popular venue with the clubbers for an early drink. Everyone was dressed up and Chloe relaxed a little. She'd been terrified all the other patrons would be dressed in jeans and trainers while she was there in a silk dress and high heels. As it was, most of the women were in dresses that were much shorter than the one Chloe was wearing.

Chloe was just about to make her way towards the bar when a tall man stepped in front of her.

“Hi,” he said with a smile. “It’s really me this time.”

Chloe hoped the man was telling the truth because she found him very attractive. He was probably in his mid-thirties and his physique suggested he did some kind of sport. He wore a tight-fitting black round-necked sweater that showed well-defined triceps. His chest was broad and his stomach flat. He was holding a small glass of colourless liquid—maybe water, vodka, gin or something else.

“And why should I believe you this time?” she asked, giving him a half-smile.

He looked as self-assured as he came across in writing. “Only an idiot would try the same trick twice in a row.”

Chloe nodded. “True. But for all I know, I could be with a complete idiot.”

He smiled again and took his phone out of his trouser pocket. He called a number and the phone in Chloe’s bag started to ring. “Happy now?”

“Not really. Anyone can pass a phone onto someone else.” Then Chloe took her own mobile from her bag, got on-line and called up the log-on page of their chatroom and passed the phone over to him. “Sign in and send me a message telling me you’re not yet another stand-in.”

Leaving him to it, she walked over to the bar and ordered herself a large rum and coke.

By the time she got back, he was holding her phone out to her. She took it and then logged on to the chatroom as Love Echo. She had one message:

MightyFine69: That dress makes your arse look amazing.

Chloe slipped her phone back into her handbag and then looked straight into his eyes, which were hazel and seemed to sparkle with mischief. She took a sip of her drink. “What do I call you?”

“I quite like MotherFucker69, but just so you don’t offend any other people who may be standing close by, you can call me Jack.”

“Is Jack your real name?”

“Would I lie to you?” he said with another smile. “And what should I call you?”

Chloe held eye contact for a couple of seconds, thinking. “Chloe.”

He nodded slowly, as if he were putting the face and name together. “Chloe. I like that. Good choice.”

“Well, I had a two-hour journey to think it up.”

“Right, come on. We need to be getting to the club. Drink up.”

He knocked back what was left of his drink, and Chloe had to down her large rum and coke. The bouncers on the door treated themselves to another eyeful as Chloe left the bar, and Jack noticed. He leaned closer to Chloe and slid his arm around her waist.

“Which one would you do first?” he asked.

She smiled. “I’d have them both together. They’re a team, after all.”

“Slut.”

“You hope.”

* * * *

They didn’t speak again until they were inside the club, but Jack left his arm around her waist the whole time. The music was loud and it was fairly busy already. Jack dragged her to the bar and ordered drinks; large gin and tonic for himself, large rum and coke for Chloe. He passed over a £20 note and didn’t bother waiting for any change. They found a space to stand a few feet back from the dance floor, which was packed.

Chloe stretched up so she could talk into his ear. “Do you do this sort of thing a lot?”

He looked at her. “What, clubbing?”

“No. Fucking strangers you meet on line.”

The music drowned out his laugh, but Chloe really liked his expression; he had a great smile.

“I only fuck the really sexy ones. The others I sell to my friends.”

Chloe punched him in the ribs. “Bastard.”

They finished their drinks fairly quickly and Jack led her down some stairs. Through an archway she saw another dance floor and bar, but he dragged her in the opposite direction. It wasn’t until they were through the door that she realised he’d taken her into the men’s toilets. Fortunately it

was empty. He quickly pulled her into one of the cubicles and closed the door. Then he closed the lid on the toilet and gently pushed her shoulders until she was sitting down. His hand went straight to his flies and he unzipped himself, but it was Chloe's hand that slid inside his shorts and brought out his cock. She looked into his face as she slid him into her mouth. He held his breath as she started to lick and suck, and he was soon rock hard. Chloe knew this was the cock she'd sucked through the hole in the Leeds hotel, but this time she kept watching his face as she pleased him.

Suddenly there was an increase in the music volume as the door opened, and then the room was filled with the voices of several men, probably five or six of them. They were all laughing and talking loudly. Jack and Chloe both jumped when the door of the adjacent cubicle was flung open and banged against the side of theirs. A man started chucking up in the toilet while his friends cheered from the urinals. Chloe never released Jack's cock from her mouth, even though the smell of vomit was making her feel sick.

Jack leaned forwards and whispered in Chloe's ear while pointing at the side panel next to her head. "This is only cheap fibreboard. I could punch a hole through it and let all the guys watch you sucking my cock."

Without breaking eye contact, Chloe started to move her head forwards and backwards along his shaft, trying to make him come. Jack pulled out of her mouth and hauled her to her feet, pressing her back against the side of the cubicle. The men at the urinals were still mocking the guy in the next cubicle along.

Jack slid his hand up Chloe's dress and gave a knowing smile at the absence of underwear. She was dripping wet and his two fingers went into her easily, making her gasp. She gripped her own hand around his cock, which was still sticking straight out of the front of his trousers.

Jack started to finger-fuck Chloe and at the same time he started whispering in her ear. "After watching you swallow my load they'd line up and push their cocks through the hole, one at a time. You could have a real gloryhole experience sucking them all, one after the other. There must be half a dozen of them and you'd get to taste them all, along with any other guys that may visit the toilets in the meantime."

Chloe was breathing hard and she could hear the squelching as Jack's fingers pounded in and out of her. Her hand was still gripping his cock, but Jack was in total control. He kept whispering into her ear and fingering her sex, and she was unsure which of the two things were turning her on more.

"Or maybe I should let them get a good look at you," he continued. "They'd be cheated if you sucked them through a hole. I'm sure they'd all be a lot happier if they could see how gorgeous you are. I could just open the door and stand to one side while they all took turns to fuck you. While the first guy was ramming his cock inside you all the others would be watching, probably playing with themselves. Then the second would go in, and then the third. You'd be sitting in a pool of cum by the time number four was entering you..."

Chloe was clinging on to Jack, one hand on his cock, the other on the arm he was using to finger her. She came so hard that Jack had to hold his other hand over her mouth to stifle her moans.

By the time she got her breath back, the other men had left. Jack smiled and put himself away, his erection still present. Then they sneaked out of the toilets and went to get another drink. A few minutes later Jack took his phone from his pocket and checked for text messages. He smiled at Chloe.

"There's someone I want you to meet," he said.

The new arrival was a girl called Nicki. She was petite with short blond hair and a very pretty face. She was wearing a short black halter-neck dress and black shoes. She had a small silver stud on her nose, several studs in each ear and a tattoo of a red rose on her left shoulder blade. Jack disappeared to get them all a drink. Chloe tried to make conversation, but her mind kept coming back to her strong suspicion that Jack had invited Nicki along so Chloe could experience the threesome she'd told him she fantasised about.

Over the next couple of hours, the amount of alcohol Chloe was putting away finally began to take effect, and things started to get a little hazy.

* * * *

The following morning Chloe woke up alone in a strange bed, the sheet was still slightly damp beneath her.

The window had been opened, but there was an underlying smell of alcohol and sex. She couldn't find her dress so she pulled on a robe hanging on the back of the door. Downstairs she found Nicki in the kitchen making two cups of coffee. Chloe was more than a little surprised to see her dressed ready for work. Nicki had none of her jewellery in place, and she was wearing a police uniform. Nicki smiled at Chloe and held up one of the cups.

"Milk or sugar?" she asked.

Chloe shook her head, causing her hangover-head to ache even more.

Nicki laughed out loud. "You must have drunk half your body weight in rum last night."

Chloe nodded sadly.

Nicki stepped closer and rubbed Chloe's back. "Do you remember your evening?"

Chloe looked shyly at Nicki and nodded. She felt herself blush.

Nicki slid her arm around Chloe's waist and kissed her on the cheek. "Good."

Chloe felt embarrassed to ask. "Was everything alright?" Then she looked at the uniform. "I mean did I break any laws?"

Nicki laughed again and shook her head. "You didn't break any laws, and everything was wonderful. I'm really sorry I've got to get to work. Your car's outside, Jack dropped it round an hour ago."

Chloe smiled and sipped her coffee, but needed to ask something. "Tell me about Jack."

"Well, for a start, his name's not Jack. It's Simon. But he's hated that name all his life, so everyone calls him Jack because his last name's Jackson."

"And are you two in a relationship?"

Nicki laughed again. "Well as you saw last night we occasionally have relations, but he's not my boyfriend if that's what you mean."

"How did you meet him?" Chloe wanted to know if they'd first hooked up on-line.

"Actually, I used to date his sister."

That stopped Chloe in her tracks. Nicki laughed and kissed her again, this time gently on the lips.

“Sorry Chloe, but I need to leave. I really enjoyed meeting you, and if you ever want to get in touch, please do so.”

She put her finger on a piece of paper on the counter. “There’s my number if you want it. Your clothes are in the lounge, and if you want to pinch a pair of knickers, mine are in the left-hand bedside drawers.”

Chloe felt her face redden.

Nicki smiled again. “Just pull the door to behind you when you leave.”

Chloe walked into the lounge and found her shoes by the door and her dress on the back of a settee. She looked around the room, her mind filling with flash images of the previous evening. She smiled at the memories. She quickly dressed and brushed her teeth using Nicki’s toothbrush—Chloe couldn’t imagine that Nicki would mind considering where their mouths had been over the last few hours. Then she got into her car and programmed her home address into the sat-nav. She’d decided to go straight home and phone in sick, saying her trip to the dentist had left her too ill for work.

Before she could pull out, her normal phone buzzed and she groaned to see a pester-text from Damien’s sister, who seemed determined to pin her down to an arrangement to go to a wedding fayre to look at dresses and cakes. Chloe put her phone back away, groaning. The pressure to get on with the planning was funny at first, but now it was making her feel claustrophobic and resentful.

The thrill of cutting loose and enjoying all these sexual encounters with no strings attached was addictive. The idea of marrying Damien made her feel like she was being backed into a corner.

During the two-hour journey home her mind ran through the previous night.

She felt sure she was aware of everything that happened, but some details were a bit fuzzy. She remembered all three of them dancing together in the club, and then it had been just her and Nicki, smooching to a slower song. She remembered how turned on she’d been when Nicki kissed her for the first time. Nicki’s lips were soft and Chloe could taste the other woman’s lipstick. Then Chloe and Nicki were sitting together in the back of

a taxi and Jack was in the front, chatting to the driver. Nicki slid her hand under Chloe's skirt and smiled on discovering she wasn't wearing knickers. She'd told Chloe she was a *dirty girl* and kissed her on the neck and ear all the way home.

Nicki's flat had dark wooden floors, two leather settees and big scatter cushions on the floor. Nicki had helped Chloe out of her dress and quickly discarded her own. Chloe was completely naked except for her shoes, while Nicki had on her shoes and a black thong.

Chloe remembered seeing Jack sitting on one of the settees, still fully dressed. She'd been lying on the cushions, breathing heavily after the orgasm Nicki induced with her fingers and tongue. The girls then changed places and Chloe had peeled off Nicki's thong and returned the favour, tasting a woman for the first time. She remembered smiling at Jack as he'd leaned forwards to get a better view, capturing the action on his phone. Chloe now remembered there were several cameras strategically placed around the room, and she would no doubt get sent the edited highlights.

She also remembered Jack completely naked on the couch but couldn't remember who took his clothes off. She recalled her and Nicki both crawling over and kneeling by his feet, kissing him all over his chest, stomach and groin. By the time they centred their attention onto his cock, he was rock hard. They'd both licked and kissed the length of his shaft and taken it in turns to get his cock into their mouths. They'd also stolen kisses with each other. Then Jack had lifted Chloe up, turned her around and pulled her down onto his lap as Nicki guided his cock into Chloe's cunt. Nicki had knelt up and kissed Chloe on the mouth before lowering her head to suck each nipple in turn. Then she'd dropped her head even further and licked and sucked Chloe's clit while Jack had slowly lifted her up and down on his cock.

Chloe had known at the time this was the position from the fantasy she'd described in their chats, and that Jack and Nicki had obviously discussed it beforehand. Chloe had come two more times before the others let her up.

Then Chloe remembered lying on her back on the floor cushions with Nicki on top of her in a sixty-nine position. Jack had joined them and Chloe had watched from just a few inches away as Jack entered Nicki. He'd fucked her for what seemed like a long time, his thrusts increasing in speed

until he'd suddenly withdrawn and ejaculated. His cum had splattered between Nicki's legs and on Chloe's face. Chloe remembered licking the mess from Nicki's sex and legs, and remembered Jack again had his phone aimed at them.

The three of them had retired to bed and Chloe had fallen asleep almost immediately. She knew there had been more sex in bed, but she wasn't sure exactly how much. She remembered Jack being on top of Nicki while she and Nicki were kissing, and then he'd moved over onto Chloe, withdrawing to fire his cum up at Chloe's chest where Nicki was sucking her nipples.

* * * *

By the time Chloe arrived home she was feeling really good about her night of fantasy passion. She dropped her keys on the kitchen table and called her boss to say she'd be taking the rest of the day off as holiday because of the dental treatment. Her boss told her to take it as sick leave. Chloe smiled to herself and went upstairs for a shower. She lifted her dress off as she walked into the bedroom, where she was shocked to find Damien. He stared at her in surprise, and then his eyes dropped to her body.

Chloe tried to smile but couldn't. "What are you doing home? Where's your car?"

Damien didn't look Chloe in the eye; he was still looking at her body. "It failed its MoT yesterday, so they need to keep it another day to fix it."

"Oh."

"I see you've got a couple of love bites to go with the bruises."

Chloe looked down at her body and tried desperately to think of an excuse. "It's, er..."

"And you seem to have dried-on cum all over your stomach."

Chloe looked down and knew he was right. "No, that's just..."

"Fuck off! I know what that is and so do you, so don't bother with any more lies." Damien wasn't shouting, but he was obviously hurt and angry.

"Damien, can we talk about this later?"

“No, let’s talk about it now while you’ve still got his love juice all over your body, and no doubt there’s more inside you as well.”

“Don’t do this—”

“What am I doing? Am I making up excuses to see friends you’ve never heard of, or going on bogus business trips so I can fuck around?”

Chloe didn’t bother answering.

“You met him on-line didn’t you? *Didn’t you?*”

Chloe jumped. “Yes!”

Damien nodded. “Tell me.”

“Tell you what?”

“Tell me where you fucked him.”

“What difference does it make?”

“Because I want to know.”

“First time was in a hotel, in Leeds.”

“And the other times?”

Chloe shook her head and started to walk towards the bathroom.

“And what did you do to him?”

Chloe turned around. “Do you want me to draw you diagrams?” She could have shown him the films, but she didn’t offer that fact.

“Did you let him come inside you?”

“Yes.”

“Did you let him come in your mouth?”

“Jesus, Damien—”

“Just answer the fucking question!”

“*Yes!* Yes, he came in my mouth. And he fucked me hard and long and came inside me, and I came over and over. Is that what you want to hear?”

Damien looked down at the floor and shook his head. “Why?”

Chloe was angry now. “Because I wanted more and because I could get it. Happy now?”

“No, not really.”

“Well get used to it.”

With that Chloe went into the bathroom and locked the door. She was shaking, but not really upset. She could have told him a lot more, like the fact that she had licked her other man’s cum from another girl’s pussy, or that she’d also fucked a friend of his as a favour.

While she was in the shower she heard the front door slam. Chloe went straight from the shower to bed and slept until mid-afternoon. Then she logged into the chatroom to see if Jack had left her a message or video clip. He hadn't. So she left him a message.

Love Echo: *Spent all day asleep because you kept me up all night!!*

Then she logged off and put her laptop away in case Damien came back. It wasn't that she really cared about his feelings, but she didn't need to rub his face in it.

* * * *

Damien didn't come back at all that evening, and then he sent her a text telling her that he was staying with a friend for a few days. Chloe immediately locked the front door and logged on to the chatroom. She had a message waiting.

MightyFine69: *It was your own fault you didn't sleep. You just kept asking for more!!*

Love Echo: *And you two certainly obliged. Did you enjoy yourself as much as I did?*

MightyFine69: *Oh yes. I would have been happy just watching you with Nicki, but I was much happier to join in.*

Love Echo: *Me and the other half seem to be splitting up. He found me when I got home, looking like I'd been fucked all night long.*

MightyFine69: *Oh dear. Is that going to be a problem?*

Love Echo: *Not for me. I think I'm ready to move on anyway.*

MightyFine69: *Glad to hear it. I have several ideas for what we do next.*

Love Echo: *Oh do you? And what would they be?*

MightyFine69: *Have you ever had a virgin?*

Chloe thought back to her first two boyfriends.

Love Echo: *Yes, a couple. One was my first real boyfriend, but I was a virgin, too. The second was a subsequent boyfriend. Why?*

MightyFine69: *I have a young lad lined up. He's been too busy studying at school to lose his cherry. Now he's eager and I've told him that I'll get him a night to remember, but you need to do some role playing. He thinks you're a prostitute.*

Love Echo: *Are you serious? This is ACTUALLY pimping me out.*

MightyFine69: *Ha! You'll have to choose what role you want to play. You could dress up as a school girl and pretend you're both learning what to do together. Or you could act like a school teacher and instruct him. Or dress like you did in the film with the vibro and blow his mind.*

Chloe was warming to the idea as lots of possibilities filled her head.

Love Echo: *And what will you be doing?*

MightyFine69: *Hiding next door and watching it on film.*

Love Echo: *I see. And what are the other ideas?*

MightyFine69: *There's an S&M club in Paris.*

Chloe liked that idea immediately.

Love Echo: *Would you take me to Paris?*

MightyFine69: Of course. And Paris also has the Metro, so you could have your wank-fantasy on the trains. I could openly rub up against you while other guys were there, and then I would get off at a station, but get back on the train at another door. Then I could watch to see if any other guy tries to do the same.

Love Echo: Now I'm getting wet again.

MightyFine69: Good. And there's still the threesome with two men to be done yet. I've got a few friends in mind. I just need to decide which one I'll get to join us.

Love Echo: You mean I don't get to have both those bouncers from last night?

MightyFine69: Maybe another night. Have you got any more fantasies on your wish-list?

Love Echo: I'm sure I will have, but you seem to have enough ideas to keep us busy for a while.

MightyFine69: True. But I like it more when you come up with the plans.

Love Echo: Do you think I can?

MightyFine69: I know you can. You're the beautiful bird who wants to spread her wings. I'm just the person who's going to open the cage door and let you fly.

Chloe read his last message two or three times. She didn't know where she would be in a year's time, but she was really excited about the journey she was embarking on.

Love Echo: All right then. Why not arrange for me to do the virgin one night next week? I'll have a think about what role I'll play.

MightyFine69: *You're on. Speak tomorrow?*

Love Echo: *OK. And maybe you can send me a clip to remind me of last night...*

MightyFine69: *As soon as I've downloaded and edited it, you'll get it.*

Chloe logged off and checked her watch. It was past midnight. She put the TV on and saw that *Alien* was just starting—one of her favourite films. She went into the kitchen, opened a bottle of red wine and sunk down into the couch, starting her new period of life as a single girl.

Ψ

Part 4: The World Wide Web

Chloe was sitting alone in her flat with her laptop on her knee and a glass of wine balanced on the cushion next to her. The sound from the television had been muted for the last couple of hours; there was nothing on that she wanted to watch.

She checked the clock on her computer and realised it was no longer Friday night, but now officially well into Saturday morning. She had several web pages open on her desktop and was flitting between them, half-heartedly checking her Facebook profile, the weekend weather forecast, the news and a couple of on-line clothes shopping sites. She also had the page from her favourite chatroom open, half expecting Jack to be on-line at some point. He was in Edinburgh on business and she was hoping he would send a smutty message when he got back to his hotel room.

When she clicked to open up the chatroom she saw that she had indeed got a message. She checked the time again. It was coming up to half past one in the morning, which she thought was probably a little early for Jack. Maybe the Edinburgh nightlife wasn't as good as he claimed. She clicked on her inbox and sat up so quickly she almost knocked her wine glass over. She'd received a message eight minutes ago. But it wasn't the one she was expecting.

F2XS: Hello stranger. Remember me??

It took her a few seconds to sort out her thoughts. She was just about to reply when something occurred to her: had she told Jack what Damien's on-line name had been? Could this be Jack winding her up? She typed her response.

Love Echo: *Is that really who I think it is?*

F2XS: *That depends on who you think I am.*

Love Echo: *Tell me something only the two of us could know.*

F2XS: *You have grown SO untrusting. OK then... shortly after we first started dating I snapped my Achilles tendon. I ended up moving into your small flat, and you used to bathe me with my plaster-cast hanging over the side of the bath. And the bubble-bath smelled of satsumas. Every time I smell them now I think of your bathroom in that flat.*

Chloe felt her eyes fill as she remembered those times. She was amazed Damien could remember the type of bath lotion she used to buy.

F2XS: *Or how about: the first time you told me you loved me was in a letter you'd written and sent from a motorway services on your way to visit your family.*

Chloe laughed out loud, and when she blinked a tear slid down her cheek. She knew it was probably the wine, but she felt all warm remembering that part of her life. At the time she'd been twenty eight years-old, but she'd acted like a love-sick schoolgirl when she first met Damien. After leaving work she'd driven up the motorway. Less than two hours later she'd stopped for a coffee, bought a note pad and envelopes, and written a soppy note telling him about the shooting stars she'd seen as she drove through the Lake District on that wintry night. She'd signed it, put in lots of kisses, and then added 'PS I love you,' because she knew Damien was a Beatles fan, and that was a song from their first album, way back in 1963.

Before she had a chance to send a reply, Damien spoilt the whole memory by adding another line to confirm his identity beyond doubt.

F2XS: *That could well have been the weekend when you first cheated on me by fucking your ex-boyfriend three times.*

Love Echo: *Well, now I'm convinced you're who you claim you are. The first two things you told me brought back really nice memories, but as for the third one, well I suppose I deserved that.*

F2XS: *Yes you did, but I'm sorry anyway. There was no need for me to write that.*

Love Echo: *It's OK. I'm not particularly proud of how I behaved.*

F2XS: *Don't worry about it. It was a long time ago.*

Chloe did the calculation in her head. It had been fifteen months since she and Damien had split up, and she hadn't seen or heard from him since then.

Love Echo: *So, how are you keeping?*

F2XS: *I'm fine thanks. How about you? Are you still in the house?*

Love Echo: *I'm fine. No, I didn't renew the lease on the house. I've moved to Manchester now, and I have a very posh flat in Didsbury.*

F2XS: *Wow—very upmarket. You still a medical writer?*

Love Echo: *Yes, but I moved to another firm. That's why I moved to Manchester.*

F2XS: *Wow again. I thought you were there for life—you were everybody's blue-eyed girl. I assumed you were destined for the fast-track route to the top.*

Chloe read his words and sighed. There was a time when she *had* been the face that seemed to fit, but then she'd taken her eye off the ball and her standards had slipped. Added to that was the fact that on some days she hadn't turned up for work because her social life was taking precedence

over everything else. But she didn't feel the need to tell Damien all those details.

Love Echo: *So did I, but then I was passed over for promotion twice in a few months. That made me realise it was time to move on. How about you?*

F2XS: *Well I've moved on too, but for different reasons. The powers-that-be in our company decided it was too expensive to continue chemical production in the UK, what with all the employees expecting a salary, a pension and a private healthcare plan. So they decided to close our plant down and out-source production to the Far East.*

Love Echo: *Oh no. I'm sorry, I hadn't heard about that. So did they make you redundant?*

F2XS: *They made ninety percent of us redundant, but I was one of the mad ones who volunteered to help get the process up and running in the new facility.*

Love Echo: *So where are you now?*

F2XS: *Shenzhen.*

Love Echo: *Is that supposed to help me?*

F2XS: *Geography's still not one of your strengths, I see. Not like crocheting, or needlepoint, or fucking around with strangers you meet online. Sorry, just joking with you again.*

Love Echo: *Was it joking or just making sure I feel like a bitch?*

F2XS: *It was joking. I don't want you to feel like a bitch. Better that it happened when it did, rather than after getting married. I'm over you now, so I'm not bitter any more.*

Love Echo: *Thank you. I'm really sorry it all ended how it did. I should have spoken to you about my concerns. You know, about the wedding.*

Chloe sighed as she waited for Damien to respond. He seemed to be thinking about things. She still felt guilty about the way she'd brushed him and his feelings to one side so harshly, but in those early days of getting to know Jack, she wanted—needed—to be seen as someone a little more provocative than a happily-married woman.

F2XS: *I thought you wanted to get married.*

Love Echo: *So did I, but when it was all booked and getting closer, I started to wonder if it was really what I wanted.*

F2XS: *You mean you wanted hot sex.*

Love Echo: *I was getting hot sex. I always loved what we did in bed.*

F2XS: *But 'you wanted more and you knew you could get it'. I remember you telling me that.*

Chloe's mind flashed back to the argument they'd had the last time they'd seen each other; her standing there naked—covered in Jack's cum and still tingling inside from a threesome—and Damien looking both very angry and very hurt.

Love Echo: *I know. I really regretted that outburst. It was selfish and cruel and not even true.*

F2XS: *Forget it. It's all over and done with, and my therapist thinks I may even be able to get an erection again in the next couple of years.*

Chloe smiled at his last line. She realised how much she'd missed Damien's sense of humour.

Love Echo: *So tell me again, who are you working for? I've never heard of them.*

F2XS: *I'm in Shenzhen. It's a place, not a company. It's on the south coast of China.*

Chloe sat up and frowned, suddenly feeling strangely alone.

Love Echo: *You're in China? Since when? When are you coming home?*

F2XS: *I've been here just over a year and it's a three-year contract so I'll be here at least two more years.*

Chloe couldn't understand why she felt so deflated about Damien being half-way across the world. Was she hoping that they could meet up for a coffee like old friends, or was it that she wished she'd been able to go with him? She'd always fancied living abroad for a while.

Love Echo: *I'm so surprised. How come nobody told me?*

F2XS: *I don't know. Who are you still in touch with that might have known?*

Chloe thought about it and realised she had cut herself off from most of their mutual friends. And she'd purposely avoided contacting Damien's brother and sister because of what had caused the break-up.

Love Echo: *If you've been there over a year, it must have been just after we split up.*

F2XS: *Yes. It was all just a matter of coincidence with the timing. It was probably the week after we split when we were told about the closure. I suddenly had no ties and was effectively homeless, so the move appealed to me. I suppose I may have been running away a bit—you know, not wanting to discuss with all my family and friends about why we'd split up.*

Love Echo: *I can just imagine what everyone said about me!!*

F2XS: *Nobody said anything. I certainly didn't tell people what the split was about. It was nobody's business but ours. I just told people we'd had second thoughts about getting hitched and decided to go our separate ways.*

Chloe felt another bout of tearfulness coming on. She'd been sure Damien would have told everyone he'd left her because he'd found out what a complete slag she'd turned out to be.

Love Echo: *So what about now. Are you seeing someone?*

F2XS: *Yes, I'm seeing a girl from work.*

Love Echo: *Is she Chinese?*

F2XS: *No, she's actually Venezuelan. That means she comes from Venezuela, which is in South America.*

Love Echo: *Are you winding me up?*

F2XS: *No, it's true. Check on a map—you'll see it to the east of Colombia and to the north of Brazil.*

Love Echo: *I mean about her. What's a Venezuelan woman doing in China?*

F2XS: *Exactly the same as me. She works here. It's a truly beautiful city, and a really fantastic part of the world. You should come and see it.*

Love Echo: *Is that a genuine offer?*

F2XS: *Of course it is. I've already had a few visits from old friends. Steve and Claire came last month. John and Debbie came over for*

Christmas. We all went to Hong Kong for New Year.

Love Echo: *Wow. By 'we all' I assume you took your Venezuelan girlfriend with you?*

F2XS: *No, I didn't know her then. At that time I was dating a Chinese girl called Li, and she went with us.*

Chloe wondered why she felt so upset. She'd lost count of the number of people she'd slept with in the last fifteen months, but she was really jealous to think of Damien having Chinese and Venezuelan girlfriends.

Love Echo: *Sounds like you're doing quite a bit of out-sourcing yourself.*

F2XS: *Ha ha. So, what about you? Are you still seeing whoever it was you met on-line?*

Chloe contemplated all the options open to her, but as she had done way back when the two of them started chatting on-line, she decided to be completely honest.

Love Echo: *Yes, I'm still seeing him. We're not actually dating as in a real couple, but we meet up fairly regularly.*

F2XS: *So, he's your fuck-buddy?*

Love Echo: *You could say that, but I usually describe our relationship more as 'friends with benefits'.*

F2XS: *Very funny. Still, if it works for you, that's fine with me. What's his name, by the way?*

Love Echo: *Jack.*

F2XS: *Is his surname 'Off'??*

Love Echo: *Very funny.*

F2XS: *Sorry, I couldn't resist that one. So, where is he tonight?*

Love Echo: *In Edinburgh on a business trip.*

F2XS: *Ah, poor you. And what business is he in?*

Love Echo: *Computing. Software of some sort. I don't really understand what he does, if I'm honest.*

F2XS: *Yeah—who needs conversation when you're having hot sex??*

Love Echo: *Are you going to keep this up all night?*

F2XS: *Is that what you say to Jack?? OK, I'll stop. Promise.*

Love Echo: *So where's your Venezuelan lady friend tonight, then?*

F2XS: *It's actually Saturday morning here. I've been up for almost two hours. I've been for a run, had a shower and am currently eating breakfast on my balcony. And my Venezuelan lady friend is on a three-month secondment in Shanghai. I'm taking some time off in a couple of weeks and going to see her there. So I suppose you and I are both a bit forlorn at the moment...*

Love Echo: *Sounds like you're having a really good time out there.*

F2XS: *Yes, I am. But maybe I'm exaggerating it all to try and impress you. Maybe my balcony is actually just a window-box with a view of the sewerage system.*

Love Echo: *And maybe my up-market flat in Didsbury is really just two rooms in a converted Victorian semi. What's your girlfriends name?*

F2XS: *Gabriela. She's twenty nine, petite, with long black hair. Her eyes are big and brown but she doesn't see very well, so she wears glasses or contact lenses. Now tell me about Jack.*

Love Echo: *He's thirty eight but looks younger—I thought he was about our age when I first met him. He's tall and broad and has short fair hair. His eyes are hazel and they see everything.*

F2XS: *Do you mean you show him whatever he wants to see??*

Love Echo: *I don't think you really want to know what I show him.*

F2XS: *How can you say that? Maybe I'm curious. I'm here on my own, don't forget.*

Love Echo: *OK, I show him whatever he wants to see. And I also suggest things he might like to see.*

F2XS: *Now this sounds interesting. Give me details.*

Love Echo: *Why would you want to know?*

F2XS: *Morbid curiosity, I suppose.*

Love Echo: *I'm not sure you could take it.*

F2XS: *What, physically?*

Love Echo: *Emotionally.*

F2XS: *I don't love you any more, Chloe. I won't be hurt if you tell me your new boyfriend likes to take you up the bum.*

Love Echo: *Good, because he does. And so do other men.*

F2XS: *Are you saying you and Jack aren't exclusive?*

Love Echo: *Of course we're not. Do you really want to know what I get up to, Damien? It's really nice to hear from you, but I think if I tell you some of the things I've tried, you won't want to know me at all.*

F2XS: *Don't worry about me—I'm a grown up. We could trade secrets. My ex-girlfriend Li liked to make me come with her hands. She even managed it with her feet once.*

Love Echo: *Nice. I once sucked off six men, one after the other.*

F2XS: *Jesus. Really? Does Jack know?*

Love Echo: *Of course he knows. He was one of the six.*

F2XS: *Are you serious?*

Love Echo: *Very. All of them came on my face. If you know where to look, there's a film of it on the internet.*

F2XS: *Christ, Chloe.*

Love Echo: *I've also been chained naked to a wall and fucked by a woman wearing a big rubber strap-on while several men stood on a balcony above, jerking themselves off over the two of us.*

F2XS: *Where the fuck did you do that?*

Love Echo: *An S&M club near Paris. I've also taken part in a live sex show in Prague, where I was picked from the audience and fucked doggy-style on stage by a guy wearing a wolf's head.*

F2XS: *Why the fuck would you do all those things?*

Love Echo: *There are several answers I could give you, but I suppose none of them are the complete truth. But before I get into this discussion, will you answer me a question?*

F2XS: *I'll try, but I'm a bit worried that I won't know the answer. If it's about bukkake, I think that's more Japanese than Chinese.*

Love Echo: *No, this isn't a sex question. What would have happened if we hadn't split up? Would you have still gone to China?*

F2XS: *Only you can answer that question.*

Love Echo: *What do you mean?*

F2XS: *Our plant would still have closed, and I would still have been offered the post over here. So I would have had to ask you what you wanted to do. If you had said you'd come to China with me, then we would be here together now. If you had said you didn't want to, then I would have stayed in the UK and looked for another job so we could be together.*

Chloe felt the tears fill her eyes again, but yet again she didn't really know why. Was it that she felt guilty for being such a bitch to someone who would have either taken her to China or missed the opportunity himself, just so he could be with her? Or was it because she'd missed the chance of a life that sounded really exotic at a time when her own career was falling apart?

Love Echo: *Wow. I don't know what to say.*

F2XS: *What would you have said if we'd been together? Would you have left your job and your friends and your family to come six thousand miles with me?*

Love Echo: *Is that how far away you are now? Six thousand miles?*

F2XS: *I think I may have exaggerated a little. It's actually only five thousand, nine hundred and seventy seven miles as the crow flies. Or, more*

probably, as the albatross flies.

Love Echo: *It sounds such a long way away. I can't believe it.*

F2XS: *I know. Yet thanks to the wonders of the World Wide Web, here we are, chatting as if you were downstairs on your laptop and I was upstairs in our bed with my iPad.*

Chloe laughed out loud, and then realised she was actually crying at the same time. She had to get a tissue to dry her eyes so that she could see the words on her laptop.

F2XS: *Speaking of which, I have a question of my own I'd like to ask if that's OK...*

Love Echo: *Of course. Does it involve penis size?*

F2XS: *Strangely enough, no. What I wanted to ask was—why did you feel the need to pick somebody up on-line? Was it because of my deception as F2XS?*

Love Echo: *Again there are a several answers to that question, and I still don't understand all of them. But just to be clear, it was nothing to do with you spying on me under the guise of somebody else. It soon became obvious to me you were F2XS, and after that I really got into leading you on. I used to smile to myself after I'd revealed some smutty secret, and for days afterwards I'd catch you watching me, as if you were seeing me for the first time. I also got really turned on by our chats, and I loved the sex we had straight after them.*

F2XS: *That's a relief. I was worried you'd only done it as pay-back for my deception.*

Love Echo: *No. Honestly, it wasn't your fault. I think I was just getting over-awed with the wedding plans, and then I started to have doubts.*

F2XS: *About us?*

Love Echo: *Probably doubts about me. I knew you loved me and that you would try to make me happy, but I think I needed something more. I needed to prove to myself that I could still live a little.*

F2XS: *Well, it sounds like you're achieving that. So, are you going to give me the low-down on what it's like to do all the things you've done?*

Love Echo: *I could do, but I can't think why you would want to know. Not after what I did to you.*

F2XS: *I'm still a pervert, that's why.*

Love Echo: *I'm glad that some things don't change. OK... what do you want to know?*

F2XS: *I don't know. I suppose an overview with some details would be good, but first I need to ask about what you've already revealed. How did you end up giving six men a blow job?*

Love Echo: *Well, needless to say at the time I was a little drunk. But we were on holiday in Spain. There were supposed to be three couples going to a villa, but a few days before we left one of the girls had to drop out, and so the guy invited one of his mates along instead. So there were four guys and two girls there all week. The villa was in big grounds with a private pool, so everyone was sunbathing and swimming in the nude. On the second night there we had quite a few drinks and all ended up in the same bed. And that set the tone for the holiday.*

F2XS: *You could give me a bit more detail than 'set the tone'...*

Love Echo: *I meant we found that nothing was off-limits. One of the guys was sunbathing naked by the pool, and as I walked past I noticed he had a hard-on. He looked to be half-asleep. So I just straddled him and*

fucked him there and then on his lounge. On the same day Jack and another one of the guys both took turns at the other girl in the pool while I watched.

F2XS: *Wow. But there are only four guys.*

Love Echo: *Two other friends of Jack's called in for a couple of days. They'd been touring around for a few weeks on motorbikes. And one night, after a lot of sex-talk and a lot of wine, the subject of oral sex came up. I don't remember how it came about, but I said I could suck them all off. And then that was my challenge, so I did it.*

F2XS: *Where? What else did they do to you? What about the other girl?*

Love Echo: *I did it on the terrace. They did nothing else to me. I sat in a chair wearing a dress and they stood in a line with their dicks out. Then I took them one at a time. The other girl was sitting next to me. She was the one that filmed it.*

F2XS: *Unbelievable. How long did it take you?*

Love Echo: *About half an hour, which averages out about five minutes each. But the later ones were quicker. I think they'd been playing with themselves watching me do the first few.*

F2XS: *I don't know what to say. Or think. Jesus!*

Love Echo: *Do you still have the morbid curiosity?*

F2XS: *Yes. OK, what about Paris?*

Love Echo: *Isn't that a line from 'Casablanca'?*

F2XS: *Ha ha. 'Play it again, Sam'. Now spill the beans.*

Love Echo: *I've already told you most of that. We went to a club and there was so much going on I can't remember half of it. It was like a porn film; things you'd never even think of. But I ended up in a dungeon-type room with a balcony all round it. There were men up there, all dressed in suits and ties. Their feet were just a few inches higher than my head. I was taken in and chained to the wall by a couple of guys dressed as Roman soldiers. I didn't know what was going to happen, but then a woman with a big rubber strap-on came in. She just spat onto the dildo and rogered me silly with it for about twenty minutes.*

F2XS: *Christ. Did it hurt?*

Love Echo: *No, I loved it. I came about four times. All the men were jerking off over us and we both got splattered in our hair and on our bodies. Their dicks were only a few feet above our heads, and there were probably a dozen men up there.*

F2XS: *Chloe, surely you must see this isn't normal behaviour.*

Love Echo: *What's normal? That place was crammed, and it's full every night of the year. I think it's normal for some people.*

F2XS: *And Prague?*

Love Echo: *That was a sex club with a lot of different acts on the stage. One of them was a really sexy girl singer, all dressed in ripped fishnets, suspender belt and high-heels. You would have liked her. She sang a song called 'Cunt Junkies'. The chorus was something like 'All you cunt junkies, in need of a fix—I'm here, I'm wet, just waiting for your dicks'. All the men in our group fancied her, and after the song finished she picked some guy from the audience and fucked him on the stage. And then there was a 'Little Red Riding Hood' act where a guy in a Wolf's head and nothing else did a five minute monologue about how he wished he hadn't eaten Red Riding Hood so early because eating made him horny. And that's when he said he'd have to get someone else, and I was pushed up on the stage.*

F2XS: *Who pushed you?*

Love Echo: *Jack, of course.*

F2XS: *So did the wolf-guy strip you off?*

Love Echo: *He didn't need to – I wasn't wearing very much to start with. He just bent me over to face the audience and fucked me while about two hundred people cheered him on.*

F2XS: *Did he come inside you?*

Love Echo: *No. He actually wore a condom while he fucked me, but he withdrew and removed the condom so he could come over my back and bum. That was a crowd-pleaser.*

There was no response for a couple of minutes. Chloe wondered if this was due to the long distance between them, or because Damien couldn't think of anything to say.

Love Echo: *Have you heard enough now?*

F2XS: *Probably. But I think the guy from the audience in Prague was a plant. The girl singer wouldn't fuck just anybody from the crowd. That would have been her boyfriend. But the wolf-guy, he'd fuck anyone easy enough to get on stage.*

Chloe read his words and felt a little hurt. She wanted to defend herself, but knew she couldn't. What's worse, something told her Damien was probably right.

Love Echo: *How could you possibly know that? You weren't there.*

F2XS: *I admit I may be wrong, but that's usually how it works.*

Love Echo: *You may well be right. But it made no difference—I still got what I wanted.*

F2XS: *I suppose you did. And so did Jack.*

Love Echo: *You mean there, or later?*

F2XS: *Both, I assume.*

Love Echo: *Yes, I think Jack and I both wanted the same thing. We're both thrill-seekers, and there's no jealousy involved.*

F2XS: *So you're happy sitting in on a Friday night while he fucks his way through the whores in Edinburgh?*

Love Echo: *What makes you think he'd have to pay for it?*

F2XS: *Is this where you tell me he's great looking and very charming, and could no doubt pull anybody he wanted?*

Love Echo: *Something like that. And I'd also mention he's hung like a baboon!*

F2XS: *I guess there's not really anything I can say. You're a grown up and you know what you want better than anybody else does. And like Sheryl Crow says, 'If it makes you happy, it can't be that bad'.*

Love Echo: *Are you sorry you asked?*

F2XS: *Yes and no.*

Love Echo: *Does the thought of it all turn you on?*

F2XS: *Yes and no. I find it all so hard to believe.*

Love Echo: *Do you want proof?*

Chloe opened a folder on her hard drive and browsed the file names until she found a suitable short video clip. She attached it to her next message.

Love Echo: *Have a look at this.*

The clip was taken during a fairly recent threesome she'd had with two guys they'd met at a swinging club in Newcastle. Jack had filmed it, and Chloe thought it was a really sexy clip. It starts with a close-up of her face looking straight at the camera. The Chloe on film is obviously experiencing pleasure, with her eyes half-closed and small moans escaping her lips. Then the camera slowly pans out and it becomes evident that she's sandwiched between two men, her body facing the guy beneath her. The camera slowly moves down their bodies, and then the scene changes to a new angle. This one is shot from behind and leaves no doubt that Chloe is being double penetrated.

F2XS: *When I said I found it hard to believe, I wasn't suggesting you were lying. I just meant I find it hard to believe that the woman I thought I knew could lead a life like you're describing. Do you want me to watch the video? What's in it?*

Love Echo: *It's a film of me enjoying myself. This is how I live my life now. It's up to you if you want to watch it or not.*

It was almost five minutes before Chloe got a reply, and during that time she'd finished her glass of wine and refilled it from the bottle on the table. She wondered if the film would turn him on or just turn him away. She hoped it was the former.

F2XS: *Well, I see you have got yourself a tattoo.*

Chloe smiled at the typical Damien response.

Love Echo: *I'm glad you noticed. What do you think?*

F2XS: *I think the lighting was too poor to get a proper idea of the colours in the ink.*

Love Echo: *I wasn't talking about the tattoo, and you know it.*

F2XS: *I think you looked like you were enjoying yourself. Which one was Jack?*

Love Echo: *Neither of them. He was the one with the camera.*

F2XS: *Wow. And do you film everything you do?*

Love Echo: *We try to film as much as we can, but we concentrate on enjoying ourselves. If we can capture it on film, so much the better. As I mentioned, there's a website where people can see it.*

F2XS: *Doesn't it worry you that people you know will see you with a guy in each hole?*

Love Echo: *It's not really likely anyone searching for porn would get into the site. We don't advertise anything on it, so it never comes up in searches. We have a select following. It gets quite a few hits, and people can leave messages on it. You'd be amazed how many men tell me they've jerked off while watching me.*

F2XS: *You make it sound like you think that's a good thing...*

Love Echo: *It's a VERY good thing. What could be better than knowing men fancy you so much they make themselves come watching you?*

F2XS: *I suppose I can see the attraction that may have for you...*

Love Echo: *Was that another dig, Damien?*

F2XS: No. But I don't think every woman sees it the same way as you. Most women must like to think men find them attractive, but they may find the fact men liked to wank themselves silly while watching them a little too offensive.

Love Echo: Perhaps you're right. But I like the idea. It turns me on.

F2XS: Is this where you tell me you masturbate thinking about strange men masturbating while thinking about you? That could go on forever...

Love Echo: Ha ha. OK—tell me about China. Would you really like me to visit you?

F2XS: China is really beautiful, and the people are lovely. A visit from you would be nice, but don't think about bringing Jack with you. I don't think I'd be able to make him feel welcome.

Love Echo: What about Gabriela?

F2XS: She'd have no problem with you visiting. Her ex-husband came to stay with us a couple of months back.

Love Echo: Wow, and I thought I was the permissive one!! Any sex details to reveal from that?

F2XS: There's nothing to reveal. They were married, they split up amicably—probably because neither of them fucked around—and now they're still friends. He brought his new girlfriend with him.

Love Echo: Oh. So would you two invite me into your bed? I like women too, you know.

F2XS: No. Not ever. If in the future we feel the need to spice up our love-life, then maybe we'll discuss inviting a third party to join us. But

we're still in the early stages of our relationship and are more than happy with just each other, thanks anyway.

Love Echo: *Ah, how sweet.*

F2XS: *This should be where I tell you to fuck off, but I'm too mature!*

Love Echo: *You're right, and I'm sorry. How about if I come over while Gabriela's still away? She need never know I'd been there.*

F2XS: *Chloe, I don't want to be rude, but why are you doing this? You're a part of my past, and some of the memories will always be good ones. But you cheated on me, and now it seems like you'll fuck anyone and everyone. But I no longer want you sexually. I'm very happy with the relationship I have with Gabriela. She's everything I want at the moment.*

Love Echo: *Ooh! And what is it she does that makes it so good?*

F2XS: *Everything she does makes it good, but I particularly like the fact that after we've made love, I know for sure nobody else will be in there before we make love again.*

Love Echo: *OK. I get the point, and I'm sorry for being a bitch. It's just hard to accept you're making it out to be so precious when you can't have known her that long.*

F2XS: *I've been with her for four months. Do you remember how we felt about each other at that time?*

Love Echo: *Yes, I suppose I do. So are you saying she gives you lots of blow jobs?*

F2XS: *Chloe, get a fucking grip!!*

Love Echo: *Oh stop being such a prude. You used to love this sort of chat before. What's happened, have you become a priest all of a sudden??*

F2XS: *OK, fair enough. Yes, I did like this sort of chat, and to be honest I probably still DO like to chat like that. It's just that somehow I feel every point you make is a dig at me, Gabriela or what we have. But in answer to your question, yes she gives me blow jobs. And yes, I like them. I like them very much. Sometimes she's gentle and sometimes she's rough. Sometimes she swallows, and sometimes she lets it dribble out of her mouth and down onto her chin and chest. Sometimes she spits it back all over my cock and then licks it off. And another thing she does that really turns me on is she looks at me.*

Love Echo: *What do you mean, she looks at you?*

F2XS: *When we make love, she looks into my eyes. If she's on top, she sits and watches my face while she rides me. Even when she comes, she still keeps her eyes on mine. Then after she's come she speeds up her movements and watches my face as she makes me come. I like that a lot, and find it really intimate.*

Love Echo: *Lovely. Do you want me to tell you about how Jack likes me to lick his cum out of other girls?*

F2XS: *Chloe, what the fuck is wrong with you?? I cannot believe these are things you want to talk to me about. We haven't seen each other for well over a year, and I would have thought you could have found a lot more things to ask me about than if my new girlfriend gives me blow jobs. You know—normal, everyday things. For example, I'd like to know how your family are. I remember your Dad was having trouble with his blood pressure last year. Did he manage to get it under control? And there was also some kind of problem with their neighbours. Did that all get sorted out? Because I remember your mum was getting all sorts of anxiety attacks over it.*

Chloe felt herself blush. She felt like she'd done back in school if a teacher had told her off. She could see Damien's point, and she felt stupid for her questions about his sex life. What sort of person had she become? Sex was always an important part of her life with Damien, but suddenly she realised there had also been a lot more, besides. She remembered he'd been really concerned about her father's health, and he'd also gone to see their neighbours to try and sort out what the problem was. But Chloe was too ashamed to mention to Damien that she rarely saw her parents any more—just a very brief phone call every few weeks. She told them she was too busy at work to get to spend much time with them, when really she was just too busy with Jack and their trysts with others.

But something in her head couldn't stop picking problems with Damien's relationship.

Love Echo: *You're right, but I thought we had a much more physical relationship than a 'how's your Mum feeling?' type of chit-chat.*

F2XS: *Maybe we did, but I'm still interested. I didn't just pretend to like them because they were your parents.*

Love Echo: *Well my dad's on medication and his BP is being controlled. And the neighbours ended up moving, so all is well with them. How about your family?*

F2XS: *I think my dad started having an affair with the woman next door after he caught my mum giving the milkman a blow job!!*

Love Echo: *Ha ha. Glad to see you've taken your priest-head off and gotten back to your old pervy self. But can I ask another question about you and Gabriela?*

F2XS: *As long as it doesn't involve whether she shaves her genitals.*

Love Echo: *What about when you both have to leave China? Will she be going back to South America when you come back to England?*

F2XS: *We've actually discussed this, and both of us quite fancy the idea of a few years in Australia next.*

Chloe read the last message and she felt suddenly angry. She couldn't believe Damien and his new girlfriend were already making plans for two years in the future if they'd only been together for four months. But at the same time, she wondered if her annoyance was perhaps based on the fact that Jack had told her he had no intention of ever settling down.

Love Echo: *Wow. Four months in and you're already planning a life together. Those blow jobs must be out of this world.*

F2XS: *We're not making any plans. We're just enjoying our time together. But it's a little different, because we know we'll both be leaving in 2017.*

Love Echo: *So you're going to stay together forever?*

F2XS: *You and I both know we can never tell what's going to happen. If someone had asked me two years ago where I'd be now, I'd have said 'happily married to Chloe'. But that didn't happen, so how can I know where I'll be two years from now? I just intend to take it as it comes. I'm really enjoying my time here. The work is hard but gratifying, the city is exciting and my personal life is great. I have a great flat and a beautiful girlfriend who seems to enjoy making me happy. My salary means I can live in a much better situation than I could if I was still in the UK, and the standard of living over here is really good.*

As far as I'm concerned, I don't want anything more than what I already have. But I know from past experience that it can all be taken away at any time. So if me and Gabi last forever or just for a bit longer, I intend to enjoy it while I can.

Chloe realised she was crying again. She downed the last of her wine and was just about to reply when she received a message from Jack. But she decided not to open it until she had sent a final message to Damien.

Love Echo: *I'm really glad you're having a nice time. I think you deserve to have some nice things in your life after what I did to you. It was really nice to hear from you, and I'd love us to be able to keep in touch through the www. That's what it's for, isn't it?? Apart from porn, of course!!*

F2XS: *It was good to talk to you, too. I'd like us to be friends. And maybe after a little while you could send me the link to your website. Take care, Chloe. Xx*

Chloe went through to the kitchen and opened another bottle of red wine. She re-filled her glass and carried it back to the couch and opened up Jack's message.

MightyFine69: *Are you still awake waiting for me to check in?*

Love Echo: *Of course I am. How could I possibly get to sleep without knowing what you've been doing with your big fat cock..?*

MightyFine69: *Glad to hear it – because there's quite a bit to tell you. Are you sitting comfortably? You may want to take something off to give your fingers access.*

Love Echo: *OK I'm ready. Tell me everything—and don't leave out any details...*

She took a sip of wine. "Can I ask you something?"

He sat forward "Yeah."

"It's about me being with Bromley..."

"Oh." He looked deflated, as if resigned to the fact he wouldn't be getting any after all.

"I'm just curious about your feelings. What goes through your mind when you're out here and I'm in the bedroom with Bromley?"

He cast his eyes to the floor. "I try not to think—"

"Come on, don't hold back. For the first time in ages, we're actually talking to each other like we used to. We've had a lovely evening." She adjusted herself in her chair, moving her legs to reveal more of her thighs. "I've even dressed up for you..."

He glanced at her legs, then held her gaze. "I think about how you must look on the bed."

"How do you mean?"

"You know, your face, your body."

Janine was puzzled. "I'm not sure I—"

"I think about your expressions, your body language. I imagine you lying down on the bed and looking up at him." He shrugged, embarrassed.

"You mean when I'm lying on the bed and watching him undress?"

Adam nodded.

"What about when I pass him the condom and watch him roll the rubber down onto his cock?"

"Do you help get him hard?" His voice was little more than a whisper.

She shook her head. "No. By the time he unzips his trousers, he's got a hard-on." She saw him swallow, bite his lip.

"And what about you? Does he need to...?" He pushed a shoulder forward in a childish shrug, as if ashamed to use the word *foreplay*.

"No."

"Why not?"

"I'm always wet enough."

He nodded, took a gulp of wine.

Janine was enjoying herself. She was wet now, just talking about it. “He dribbles, too. I can see precum all over the head of his cock. It glistens until he rolls the condom on.”

Adam was silent, his eyes a little glazed.

Janine uncrossed her legs, placing both feet on the floor. “When he kneels on the bed, I open my legs for him, like this.” She allowed her knees to fall open. “Do you like me opening my legs for another man?”

He frowned, nodded his head slightly.

She smiled. “At last, you’re being honest. Good.”

Adam put his wine down and slid off the sofa, crawled on his hands and knees across the rug until he was by her feet.

She raised her bum high enough off the chair for him to remove her panties. “Can you imagine my expression when he runs the head of his cock through the wetness of my slit?”

When Janine allows Adam to talk her into visiting a casino to celebrate five years together, she never imagines that a night that starts with so much fun and flirting could end in such despair and debt. Adam doesn't just lose all the money they'd saved, he takes out credit they cannot afford to pay back. They work extra hours and struggle for a month to save up enough for the first payment. Then, it appears, the casino manager has another way the struggling couple could make the interest payments.

Outraged, Janine immediately rejects the indecent proposal. But, despite the sleaziness of the suggestion, she's flattered someone would be prepared to consider giving up that sort of money just for... her, and the thought of allowing a complete stranger to use her body pushes buttons she didn't know she had.

And why does Adam seem so keen she should do it...?

Operation: Cuckold

“Come on, Sissy. Get up here now.”

Harry obeyed.

Roy held his huge cock in his hand. “Right, now jerk me off into your wife’s pretty face.”

Harry’s mouth dropped open. “What?” He turned to look at Michelle, who stared back at him with unfocussed eyes. Her hair was clinging to her face.

Roy grabbed Harry’s arm and pushed it towards his huge cock. “I said beat my fucking meat. Your wife wants to feel my hot cum all over her face.”

Harry hesitated for a split second too long.

Roy slapped him round the head. “Come on, Sissy, I’m itching to blow, here.”

Stunned, he reached out and wrapped his hand around the dick. It was hot, wet and slippery. And bigger than anything he’d ever held before. He gripped tighter.

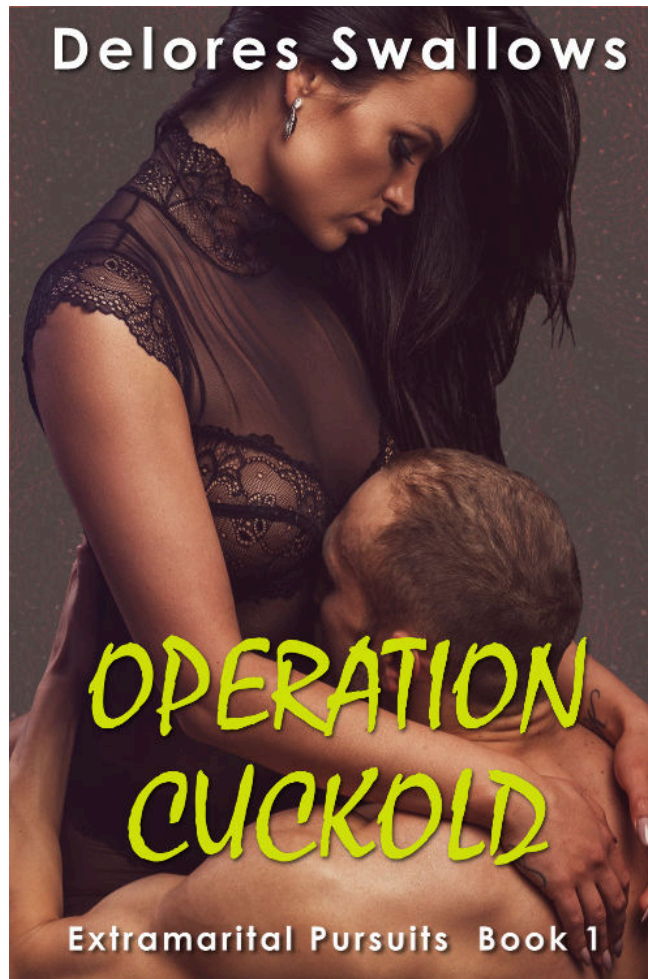

“That’s it. Now, wank me off.”

Harry started to slide his hand up and down on Roy’s cock. It felt surreal.

“Yeah, that’s it. Work it like that, but faster.”

Without taking his eyes off the cock in his hand, Harry started to pump his wrist faster. He’d had lots of practice at this over the years, but only ever on his own small cock. He looked up to his wife’s face. She was watching him, smiling. He moved his hand faster, gripped a little tighter.

Michelle shook her hair back from her face, licked her lips. “Come on, drench me.” She leaned closer and held her tongue out.

Harry's having problems rising to the occasion and discovers Michelle's been using porn to help take care of things herself.

He suggests she lives out her fantasy of a one-night stand, but is shocked by how much he gets out of it. As they repeat the experience with other men, pretty soon neither can stand the idea of going back to what they had before, even though Michelle pushes Harry right out of his comfort zone.

A cuck and bull story about a very happy hotwife.

A Hotwife's Journey

Her key in the door made his heart race. He listened as she came up the stairs, then held his breath when she walked into the bedroom. He couldn't help staring. Her clothes were twisted, her makeup was smudged, and her hair was dishevelled.

She's fucked someone.

Karen walked to the foot of the bed and looked into his face. "I did it."

He swallowed.

She pulled her top over her head and dropped it on the floor, then pushed her skirt down over her hips and kicked it away. Slowly, she unclipped her bra at the front. As the cups came away, he saw a love bite on one of her breasts. Karen held his gaze as she pushed her thong down her legs and then bent to pick it up, holding it open so he could see the gooey mess soaked into the crotch.

It was another man's cum, and it'd dribbled out of her during the drive home. The guy had deposited it deep in her cunt, and she'd returned home to her pervert husband to show him the evidence.

Nigel ached for her.

A Hotwife's Journey

After her husband's open invitation to become a hotwife, Karen enjoys a variety of surprises and adventures that are hotter than any wife could wish for.

This collection covers her entire journey...

Karen's Open Invitation

Nigel is a lucky man. He has everything a man could want: a successful and beautiful wife, a happy marriage, two wonderful daughters, a nice home and his own business.

So why risk it all just to satisfy his dirty fantasy?

When Karen's throwaway comment about a hot colleague in the Sweden office unlocks the door to his secret desires, he offers her the chance to have a little fun; to mix business with pleasure.

Nigel has fantasised about sharing his wife for a long time. And from the way Karen's been behaving lately, he suspects the idea appeals to her, too.

But there's a big difference between fantasy and reality.

Will she take up his suggestion and have a passionate tryst with a virtual stranger while attending an overseas meeting? Neither know the answer when she leaves for the airport, but she doesn't have to make her decision straight away. She can see how the meeting pans out. After all, it's an open invitation...

Karen's Party Surprise

Nigel is amazed by how Karen's taken to her new role as a hotwife. Not only does she give herself freely to strangers, but she also thrills her husband by giving him all the juicy details he craves when she gets home.

Their sex-life is better than ever.

Nigel realises that an upcoming company get together will mean that they'll be staying in the same hotel as Sean, the first man he ever shared her with. He offers Karen the chance to enjoy another night of passion, and they hatch a plan that could work. But Sean comes up with a counteroffer that's just too good to refuse.

For a wife-sharing couple like Nigel and Karen, it's the ultimate party surprise...

Karen's Holiday Adventures

Life keeps getting better and better for Nigel. His long-held wife-sharing fantasy is now his reality, and he couldn't be happier.

Or at least that's what he thinks until his wife reveals her plans for a break.

Their daughters are going away with their cousin's family, so Karen books a holiday for the two of them—on a Caribbean island. What's more, she promises to make it a fun-filled week where nothing is off-limits.

Under the hot tropical sun of St Lucia, Nigel learns just how hot his hotwife can be.

He's shocked by the diversity of her sexual appetite, but then she did promise him an 'anything goes' holiday adventure...
