CHAPTER 1

My heart pounds as my husband, Ian, maneuvers our car into the empty parking lot of the veterinary clinic. Ian isn't giving me many details of why we're here, but he promised me a Saturday afternoon I'd never forget. What fantasies await behind those shuttered windows? Ever since my first visit to the veterinarian clinic where my best friend told me to ask about "special services," my life has taken a wild, thrilling turn. I fucked my cat's vet Jace and his technician Matt multiple times, so a trip to the clinic while they are closed only means one thing...I'm getting another shot at their gorgeous cocks.

A shiver runs down my spine as I remember the last time I fucked them. Ian installed a stripper pole in our spare room, and I gave the three men a private dance. Jace and Matt's strong hands gliding over my skin as I danced for them was erotic as all fuck. The pole still stands ready in our spare bedroom, but today isn't a dancing day. I have a feeling this playtime will lead us somewhere entirely new and deliciously taboo—hopefully with a cock in my ass by the time we're finished.

Since that first day with Jace, he's been teasing me about fucking my ass, but he's never tried. This past week, Ian laid claim to my ass in the most

wonderful way. The feeling of him filling my ass was completely different from anything else I've experienced. I've never felt so loved and wanted.

Ian turns off the car and grins. "Are you ready, baby?"

I nod, breathless with excitement and unable to find my voice. Is it bad for me to hope that Jace is finally going to fuck my ass today? I'm new to anal sex, and I've only done it once, but with Jace's continual teasing about it, I'm turning into a wanton slut over the idea.

Since Ian lovingly and sexily claimed my ass for his own...there's a chance he'll be willing to share it. I've been wet all day just thinking about it, and I almost touched myself earlier today to take the edge off. But I was a good girl and held back. I'm so worked up, I bet whatever orgasms I have today are going to be amazing. I'm ready for the men to use me any way they want to and the ache between my legs as I get out of the car proves how much of a slut I am. Thank God my husband loves the slut he married.

As we walk across the parking lot, Ian surveys my chosen outfit approvingly. After a lot of debate this morning, I picked out a sea green skirt and simple matching tank top. Lots of easy access.

He steps behind me and rests his hands on my hips, pulling me back against him and making me stop walking. "I love that color on you."

I can feel his hardness against my ass, and I shimmy my hips to torment him. He makes a happy sound deep in his throat and holds onto me and grinds against my ass. Hell, at the rate he's going, do we even need to go into the vet's office? He could push me up against the side of the building and fuck me right here.

"You know," I say, "if you had told me what was happening today, I could have made sure I was dressed correctly."

He kisses my neck. "What you have on is perfect. You look beautiful."

I laugh and wiggle my ass again. “Thank you. But I want to look more than beautiful.”

“Oh?”

“Mmm hmm.” I press my ass against him harder. “I want to look like your slutty wife.”

He laughs. “Don’t worry, Erin. You always look like that because that’s what you are.”

Oh fuck, why is that so hot? I know he only means it in the most loving way. He and I both enjoy my newfound wild side. I whimper and lean into him. He’s so hard against me, and all I want to do is grind on his cock. I think of how he felt in my ass again, how full and new it felt, and my clit aches.

He pushes my legs apart far enough that he can slip his hand down the front of my skirt and finger my pussy. What the hell? We’re in the parking lot! I glance around and relax when I realize the side of the building is hiding us from the main street.

He makes a little growling sound against my ear. “You’re so wet already. You’re looking forward to this, aren’t you?”

I rock against his hand as his fingers circle my clit. I’m already in a little bit of a submissive headspace just from the thought of what Jace and Matt are going to do to me, and the tone of Ian’s voice makes me slip a little farther. “Mmm, yes. I’ve been thinking about it all morning.”

“Good,” he says, his fingers stroking me faster. I whimper and move my hips with him. Just feeling his hardness against me makes me think of being on all fours on our bed while he fucked my ass for the first time earlier this week. Everything is making me think of a cock buried into my ass. It would feel so good if he did that again—or if he decides to let Jace do it. I can’t

stop hoping that his whole plan today is to let Jace use whatever hole he wants.

He nips at my earlobe. “You’re going to love what we have planned for you.”

When he pulls my skirt up over my hips, I’m aware of the cold air on my ass, and I get lightheaded thinking of how it felt to have him filling me up. I really should protest that we’re in the parking lot, but my head is too fuzzy and everything feels too good. His fingers keep moving on my clit while his thumb presses softly against the fabric of my panties, as if he’s trying to rub my asshole.

It’s such a good tease, and I whimper again. “Ian. I want you so much, are you sure you don’t want to just go home and fuck me?”

I don’t really want that, and I know he doesn’t either, but he’s making me desperate.

“I’m just making sure you’re ready for all our cocks.”

“Fuck, you know I am.” The swirling of his fingers is hypnotic as heat grows in my core and my pussy clenches. If he keeps going like this, I’m going to come all over his fingers.

He pulls his hand away. “I guess we better get in there and see what happens.”

I whimper at the loss of his fingers. I know he has to stop toying with me or else I won’t get to fuck Jace and Matt, but I still wish he would have pushed me against the building and taken me right here. I want all three of the guys to use me today, and that includes my husband. I want to be the slutty wife of his dreams.

“Please,” I say, wiggling my ass at him again, but he laughs and gives me just the lightest, most playful swat before pulling my skirt down.

“Patience,” he says, shaking his finger at me.

I sigh. “Fine.”

When Ian makes up his mind about something, there’s no changing it. That’s why I haven’t tried to beg him to let Jace fuck my ass. If he decides to share me, he will. But if he does decide to...I’ll give him a private dance on that stripper pole every night I live.

CHAPTER 2

We walk into the double glass doors together. My entire body is buzzing, and after Ian's little stint in the parking lot, I'm even more ready to beg for someone's cock. Ian's been delighting me with surprises ever since I became a hotwife, and all my experiences with Jace and Matt have been amazing. Whatever they have planned for me, I want it.

Matt greets us at the door as we walk up. He gives me a long, appreciative look, his gaze tracing all my curves. His greeting is warm and makes me melt. "Hi, Erin."

He's younger than Jace. His short blond hair and deep-set grey eyes are almost cute, but the full sleeve tattoos he has on both arms make me shiver. It gives him a raw and very male energy that makes me appreciate his stamina and strength. I'm not usually attracted to younger guys, but Matt is sexy enough his age doesn't matter. Slut Erin just likes smoking hot guys.

Matt closes and locks the door behind us and starts pulling down the window shades as Ian and I move to the center of the waiting room. Just being back here at the veterinarian clinic makes my breasts tingle. Shit, am I going to get turned on every time I bring my cat to the vet now? Just being

here and knowing that the guys are going to use me makes me sink down into my submissive headspace even more. I feel pliant and ready to be used.

I'm going to do whatever they want, like the dirty slut I am. Let's get this party started.

When Jace walks into the waiting room from one of the back offices, I take a moment to admire him. I'm very aware of how his tall, well-built body can make me feel. He has a commanding presence, and he exudes a strength that makes my whole body respond...and I love it when he calls me a good girl.

Both Jace and Matt are wearing blue scrubs, but Jace has a white lab coat on over his. There's nothing about their clothing that should be sexy, but they're so hot it makes saliva pool in my mouth. Maybe I'm Pavlov's dog and trained to want them now. I'll do all sorts of tricks for a long, hard treat.

I want Jace to call me a good girl.

And I really want him to fuck my ass.

Jace gives me a long look that takes in all of my curves. I pose a little and push my hip out, trying to show off. I bet he's remembering how sexy I looked twirling on that stripper pole. That was the night where his teasing about taking my ass inspired Ian to finally claim that hole for his own.

Fuck, I really hope Ian is ready to share.

"Hello, Erin."

Jace's deep, velvet voice makes my head swim in the best way. I want him and Matt to use me and make me their mindless slut.

“Hi, guys.” Butterflies swirl in my stomach, but I’m more turned on than nervous. Even though I don’t know what’s going to happen next, a part of me is loving the suspense. This is the best way to drive me wild with desire.

“Are you trying to look innocent in that modest outfit?” Jace gestures at my skirt and t-shirt. “Because it isn’t going to work. I remember the black lace teddy you were wearing last time I saw you.”

I flash a flirty smile at Jace. “Nope, that would be silly. We all know what I want.”

He moves closer to me, smiling so warmly. “Yes, we do.”

When he pulls me against him, his scrubs can’t hide how hard he is against my thigh. “We all know you want to be spit roasted again while your husband watches.” He pushes a strand of my long, brown hair behind my ear gently. “Are you ready to be a good little slut and do as you’re told?”

My knees go a little weak as I imagine sucking on his cock, and I purr a lusty, “Yes.”

“Good girl.” He gives me a long, passionate kiss. As our tongues twine together, I throw myself into the kiss and plaster my body against his. The longer he kisses me, the more needy I get.

Right when I’m about ready to try to ride his thigh, he steps back. “Get on your knees like a good fucktoy.”

Jace’s words are sharp without being mean, and I kneel immediately. The tiles are cold, but I don’t care. All I want is to be a good girl so they will give me their cocks and fill me full of cum.

Matt and Jace don’t waste any time. They push their scrubs down just enough to free their gorgeous cocks. Both men are huge, thick, and veiny.

Matt is longer than Jace, but Jace is so thick it makes me salivate. I want to suck on them and get fucked by them both. This is the fourth time I've played with them, and I know how wonderfully full I feel when I'm stretched out by them, both in my mouth and pussy.

I can feel how wet my panties are, and it almost makes me laugh. Thank God I wore them today. I'd be a mess already without them.

Jace takes control. "Open your mouth like a good fucktoy and suck on our cocks."

His command makes me dizzy as I part my lips and stick out my tongue. Am I going to suck on them both at the same time? Jace and Matt step close, and I wrap a hand around each of their shafts. It's show time.

Leaning forward, I stretch my mouth as wide as it can go so I can engulf the head of Jace's cock. He gives me just long enough to swirl my tongue around the bulbous tip before he thrusts forward, filling my throat. He pushes past my gag reflex and holds me there. I groan, my throat working around his cock. He tastes different from Ian, and that turns me on even more. It's a dirty reminder that someone's cock is in my mouth and it's not my husband's. I know Ian wants this for me—for both of us. He loves me, and that's why he shares me. He gets hot watching me with other guys, and I get to be a dirty slut and get multiple orgasms. It's a win/win.

I bob on the cock in my throat and stroke Matt's shaft in the same rhythm.

"Fuck." Jace's voice is strained, and I feel a sense of pride. I'm a good cocksucker if he sounds like that.

He puts his hand on the back of my head, forcing me to move faster. I stroke Matt to match the rhythm, and Matt's breathing gets heavy as he jerks against my palm.

When Jace pulls back and his cock slips from my mouth, I immediately turn to lick the heat of Matt's cock. It's salty with pre-cum, and Matt shoves his cock into my mouth harder than Jace did. I have to work to keep up with him while Jace continues to control the movement of my head. There's no chance to pull back and catch my breath.

Matt groans as he slams into my throat. I can feel how tense he is, and I try to push down harder, eager for his cum, but Jace pulls me off Matt's cock. Fine, take away my treat! I get my hand back around Matt and continue stroking both of them.

I expect Jace to shove his cock back into my mouth, but instead, Matt steps to the side and Ian moves in front of me. His cock is out, leaking at the swollen tip. Oooh, what's this? I didn't know Ian was going to participate today. This is slut wife heaven.

My pussy clenches from desire as I suck on my husband. Having a third cock in my mouth within minutes pings the naughtiest side of my brain. I want to be the ultimate slut for them.

I sink onto Ian's cock with just as much joy as I took the other men's. Jace holds onto my head and pushes me down fast and hard. I can barely breathe, and I don't care. My brain shuts off, and I become just a hole for them to use. Ian's cock is leaking on my tongue, and I want to keep sucking mindlessly until he blows his load down my throat.

Jace keeps a hold of my head, moving me from one cock to the other like a filthy slut who's just there to get them off. The longer it goes on, the more I want to be that. All I want is for them to explode in my mouth as their ropes of cum mix together and become too much for me to swallow. I want it dripping out of my mouth and running down my chin until I'm covered in cum.

Before any of them come, Jace forces me to stop. He pulls me off, and I gasp, filling my lungs with air. I put on makeup this morning, but when I

see a smudge of pink on Jace's cock, it tells me that my face is probably a messy disaster. I love it.

Jace hums low in his throat as his thumb brushes my bottom lip, smearing my lipstick even more. "Such a gorgeous fucktoy."

A bolt of lust zips through my core as I stare up at the men. If Ian preplanned this all with them, my wonderful husband knows me better than I thought.

CHAPTER 3

Jace's grip is firm on my upper arms as he hauls me to my feet. My nipples harden in response to his commanding voice.

"Strip for us."

I reach for the hem of my shirt without thinking, ready to pull it off as quickly as I can. The sooner I'm naked, the faster I can get their cocks in me.

"No," he says in a firm tone that startles me.

I pause with my arms crossed over my body and look at him, waiting.

"Strip like you're getting ready to swing around a pole for us. Give us a show."

Pleasure pulses in my veins. Now I know what he wants. I give all three of them my sexiest smile before pulling my top up slowly. Matt makes happy sounds as each inch of skin is revealed. Their eyes on me sends lightning

bolts of delight through my body. It reminds me of the other weekend when I really was dancing on the pole for them and how powerful I felt knowing I had them all under my spell. When I get my tank top off, I give it a little twirl and let it fly across the room.

I'm a little showier when I remove my skirt. Turning around so my ass is facing them, I rotate my hips in a slow circle. My firm ass is one of my best assets, and the extra exercise with the stripper pole only accentuates my curves. I want all the men thinking about my ass.

God, this is so filthy.

I hook my fingers in the waistband of my skirt and drag it slowly down my hips as I continue to bounce and jiggle my ass. When my skirt and shirt are off, I turn around, striking a little pose. My arms are behind my head, elbows out, and my hip is cocked to one side. The bra and panties I'm wearing are a matching set in lavender. The balconette lace bra barely covers my nipples, and the bottom is a wisp of silk that has me hyperaware of my ass.

Jace's eyes sizzle with heat as he looks at me while Matt groans, "God, Erin. You're so fucking hot."

Jace and Matt exchange glances, and Matt nods before heading towards a back room. Those two seem to be up to something, but the way my pussy is buzzing, I enjoy the mystery of everything today.

Jace gives me a speculative glance. "We're moving. Follow me."

When I take a step, he holds his hand up. "On your hands and knees."

A blush works its way up my body. "On my..."

He nods and his voice is like steel. "Now."

I do as he says, dropping down and getting on all fours, ready to follow him. The cold tiles bite into my knees, giving me a perverse pleasure.

“Good girl. Now crawl.”

He takes a few steps towards the room Matt disappeared in. I slowly follow him, knowing that Ian is behind me and watching my ass. Why is this hot? The floor looks clean, but this is a veterinarian clinic so is it really? Crawling on a potentially dirty floor is degrading...which makes me even wetter. This is what it means to be their fucktoy—to obey.

My panties are damp and I bet Ian can see the wet patch. Just knowing I’m being watched has my pussy begging for one of their cocks inside me. They better not make me wait much longer.

Jace stops at the door to a small office and steps aside, gesturing me in first. “Go on. I want to appreciate the view.”

As I crawl past him, I put a little extra shimmy in my hips. I want his eyes on my ass. I want him thinking about fucking me. About taking control of the hole he hasn’t shoved his cock in yet.

“Mmm, so sexy,” he says, and I shake my ass again.

He gives it a tiny smack, just enough to make me jump. I’m on my hands and knees in what looks like Jace’s personal office. Matt is sitting in the desk chair, and Jace hovers behind me. I hear Ian come into the office, and when I glance over my shoulder, Ian leans against the wall and crosses his arms. I can tell he’s prepared to enjoy whatever is coming next.

“Now, we’re going to play a game,” Jace says, and my eyes snap back to him. He strokes my ass, and I whimper before he continues. “We’re going to use you.”

His fingers slip down, dodging the hole I want the most and teasing the opening of my pussy through my panties. I moan and push back against him, but he doesn't press his fingers into me.

"We're going to take everything we want."

Lower, and he's teasing my aching clit. If someone was in my mouth while Jace was rubbing my clit, I bet I could come in two minutes.

"But one thing. You don't get to come without permission."

That startles me. I glance back at him, confused.

"You heard me," he says. "You're a greedy little fucktoy who is here for our pleasure."

My head is spinning. Oh god, I need his cock, and I'll beg as much as I have to.

Jace moves my panties aside, pushes two fingers into my aching pussy, and I moan from the pleasure. I'm not sure how much more of this teasing I can take without a cock inside me.

He finger fucks me slowly. "What are you thinking about, Erin?"

"What?" It's difficult to talk when my mind is fuzzy.

"Are you thinking about how good this feels?"

I'm shivering with need, and every stroke of his fingers is a shock to my clit. "Yes."

"Are you thinking how desperate you are for my cock?"

When he rams his fingers into my soft flesh roughly, I cry out. “Yes—fuck, yes.”

He spins his fingers around so that his thumb is pressed against my clit. “You better be ready to beg, and you better hope I’m in a giving mood. I might just fuck you and leave you a desperate, wet mess.”

I don’t know if he expects an answer to that, so I stay quiet as his fingers quickly bring me close to coming. I push back harder, desperate to feel him inside me as deep as he can go. I just need a little more...

He pulls his fingers out, and I whimper as the swirling pleasure fades. Jesus, that’s mean. The ache in my pussy doesn’t go away, and I wiggle my ass. “Jace...”

“Before you get more, you’re going to make Matt feel good,” he orders me.

My brain parrots it back to me. Make Matt feel good. Okay. I crawl towards Matt, and all I can think about is being a good fucktoy and making him come.

While I was distracted with Jace’s finger in my pussy, Matt stripped naked. His cock protrudes from his lap, thick and heavy. He’s stroking it lightly, and it’s fully erect for me.

I settle between his knees and take him into my mouth. I’ve given him a blowjob so many times I’m starting to know what he likes. Swirling my tongue around the tip, I clean up the pre-cum leaking out of him before applying just the right amount of suction as I slide his full length into my throat.

He groans and starts to fuck my mouth, his hips moving fast. I don’t get to control the pace. I try to relax my throat and stay open for him as he holds onto my head and takes control. Every stroke is a lightning bolt of delight straight to my clit.

When Jace pushes my panties aside again, it's the only warning I get before he slams balls deep into my pussy. I cry out from the pleasure, but the sound is muffled by Matt's cock.

"Does that feel good, my sweet little fucktoy?" Jace's voice is a little strained, and I revel in knowing I'm giving him pleasure. I try to moan that yes, it does feel good, but my words are garbled. Matt hisses from the vibrations against his shaft, and I give up on talking as I throw myself into giving Matt the best blowjob of his life.

Jace hammers into me, and being trapped between their cocks switches something off in my brain. I really am their fucktoy right now. The only thing that would make this better is if Jace was fucking my ass, but this is close to perfect.

The pleasure builds in layers as I ping pong between the men's cocks. Every thrust from Jace shoves Matt's cock deep into my throat. I imagine both of them coming at the same time, and it almost tips me over the edge.

A stinging spank jolts me back to the moment as Jace growls, "You better not come without permission."

Heat swirls in my core as Jace drills into me, riding my pussy like he's in a competition. Every slam of his hips shoves Matt's cock so far down my throat, it's impossible for me to speak. I'm taking both of them deeper than I ever thought I could. I'm going to come, I know I am, I want to.

Before the pleasure erupts, Jace pulls out of me. I hate the immediate empty feeling, and I push back without thinking. I'm a greedy slut who needs more. My body is throbbing, and I'll do anything to come all over his cock.

"Focus," Jace says. "I haven't decided yet if you're coming today, and we're not done with you."

Fuuuuck. I want to protest, but Matt's cock in my mouth makes it impossible. Matt grips my hair, fucking my mouth vigorously while my brain keeps focusing on my ass and how much I want Jace's cock inside it.

Matt's voice is tight. "I want a turn with that pussy."

Jace must have agreed because Matt pulls out of my mouth. The men help me to my feet and then bend me over the desk. I don't get any warning before Matt's cock plunges into my pussy. I cry out from the pleasure. Matt is longer than Jace, and he's immediately knocking against a pleasurable spot deep inside me. Each thrust from Matt sends sparks of electricity to my toes, and I'm already close to coming.

"How does that pussy feel, Matt?"

Jace is talking like I'm not even here. Like I'm just an object. A toy for them to use. I groan at the thought and grip the edge of the desk harder. Each whack against my pussy is scraping my nipples against the wood and compounding my pleasure. I want to play with my clit and come for them.

"So warm and tight," Matt pants out as he jackhammers into me.

The friction in my pussy is more than I can take. Laying my head on the desk, I surrender to them and give up on coming. The desk smells of lemon cleaner, and it's almost as if I'm watching from above my body as the men use me. This is better than anything they've done to me before, and suddenly it doesn't matter if I don't come. I just want to make them happy.

I can feel my body tense as if I'm going to orgasm and then remember I'm not supposed to. Taking slow and steady breaths, I try to force my muscles to relax. I can't risk being a bad girl and them not fucking me. I've never felt like this before. I'm just a dirty slut craving cock.

"Uh oh, I think our fucktoy is going to come without permission."

Jace's voice holds a hint of amusement, and I cry out as Matt laughs. "You're right."

I'm doing everything I can to avoid coming, but it's not working. I can't stop it. I'm going to—

Matt pulls out of me an instant before the pleasure breaks and my pussy clenches around nothing. Nooooo. I mewl out in frustration. Oh holy shit. I'm so desperate to come. Why won't they let me come?

Matt presses his hand on my shoulder, so I can't stand up. "You know what I think?" His voice is teasing, and I can tell his question is directed towards Jace. "I think she's waiting for someone to fuck her ass."

I groan. Yes. God, yes, I want Jace to take my ass, but at this point, anyone's cock would do. I bet I'd come as soon as someone stretched me out. I want to orgasm like that, full and screaming.

"Too bad that she doesn't get to choose," Jace says. "Bring her here."

Matt takes a fistful of my hair and uses it to force me up. The pressure on my scalp is a painful pleasure, and I'm careful not to pull away from him. Matt makes me kneel again in front of Jace. I lick my lips as I stare at Jace's hard cock. The head is swollen and shiny, and I'm desperate to run my tongue over his veins.

Jace holds onto the base, aiming it at my mouth. "Suck it."

I open my mouth and glance over at my husband to make sure he's enjoying this. He's watching us intensely and rubbing his cock through his jeans. When he gives me a little smile and a nod, I engulf the tip of Jace's cock. My husband wants to see me be a slut, and I'm more than willing to play my part.

Jace barely needs to push me down, and I greedily suck on his cock. I can taste and smell myself on him, and I love how filthy it makes me feel. Licking my own wetness off someone's cock who isn't my husband is the right kind of dirty for me.

He groans as I deep throat him. "That's it. Just like that. Such a good little cocksucker."

Yes, I am. His praise makes me suck harder. This is as good as being a good girl. Maybe better. He's fucking my face steadily, and all I can do is kneel here and take it like a good cocksleeve.

"Now suck on Matt." His voice is tight, and I wish he had come, but I move over to Matt's cock like an obedient fucktoy.

I lick and clean my juices off Matt's cock, and the heady mixture makes my head spin. Jesus, this is so damn dirty and so fabulous. Jace kneels behind me and pulls my panties down to my knees. I'm so close to coming I really might explode as soon as he sinks into me.

Jace teases the head of his cock against the opening of my ass, and I groan. Oh god, what is he doing to me? He needs to just push it in. Do I have to beg?

I try to stay focused on Matt's cock in my mouth, but all I want to do is cry out and plead for Jace to fuck my ass.

Jace puts more pressure on my forbidden hole and growls, "Do you want my cock?"

"Yes." I struggle to get the words out around Matt's cock because right at that moment, Matt speeds up. His body is tensing, and I know he's close. I'm desperate to taste his cum, and I try to beg between thrusts in my throat. "Yes, please!"

“Tell us what you want,” Jace demands, and I have to pull back from Matt for a moment to get the words out. “I want you to fuck my ass, Jace. Please? Fill me.”

He presses harder, and I mewl from desire and slide my lips around Matt’s cock again. Matt swears and pulls my head down firmly until my nose bumps against his pelvis. I’m so soaking wet I’m not sure Jace would even need lube to fuck my ass. He could just gather some moisture from my pussy and go for it. I’m such a slut, and I want to come with Jace slamming into my ass while Matt face fucks me.

Matt’s thigh muscles quiver a second before he loses control. He comes violently, thick ropes of cum spurting down my throat as he keeps fucking my mouth and his entire body spasms. I lap it up as fast as I can, but there’s so much that it’s running down my chin.

As Matt sags back into the office chair, I grind on Jace’s cock and try to think fast. “Please. You’ve been teasing me about using my ass since the day we met. I know you want it. Please? Fuck my ass.”

“Greedy fucktoy,” Jace says. “What do you say?”

It takes me a moment to realize that he’s not talking to me. I look over my shoulder. Ian is sitting in a chair, stroking his cock through his jeans and watching these two guys turn me into a mindless fucktoy. He set all of this up for me, and the decision is up to my husband.

I could beg him, but I don’t want to. The decision has to come from him. I’m a greedy, dirty slut. And I wait for him to choose.

After what seems like forever, Ian says, “No,” and I moan loudly. Fuck.

Ian rubs his hardness under his jeans faster. “Her ass belongs to me. I’m not ready to share my toy yet.”

When he calls me a toy, a warmth of love for my husband washes over me. I know he can't be a hard dom, which is why both of us enjoy what we do with Jace and Matt. Ian gets to see me turned into a desperate slut, and Jace gives me the harshness I crave. In a crazy way, Ian not sharing my ass today makes me feel loved and cared for.

When Jace hammers into my pussy, all other thoughts drain from my head. He drills into me, brutal and fast, and I'm crying out "Oh god," with every whack against my pussy. It's a glorious roughness, and I try to match his thrusts, forcing him to fuck me harder.

Jace's voice comes out in a puff between each thrust. "If you're a good girl and thank me afterwards, you can come."

My body lights up with pleasure, and I gasp as he continues. "But you better be quick. I'm about to fill this tight pussy, and then it's all over."

The thought of him filling me is all I need to come. My orgasm bursts through me, and stars twinkle along the corners of my vision as waves of ecstasy assault me. Jace fucks me through my orgasm, and I chant, "Thank you, thank you, thank you!" as the pleasure keeps going. My entire body shudders, and my pussy milks his cock, trying to get his cum.

He grunts, and right when I think I won and I'm about to get the payoff, he pulls out and yanks me up on my feet. He pushes me back onto his desk and removes my panties before he's between my thighs, lifting my knees with his forearms. I barely have time to get used to the new position before he's balls deep in my pussy again. The first thrust makes me scream as another orgasm rips through me like wildfire, sizzling all my nerve endings from my fingers to my toes.

He hooks one of my ankles up on his shoulder to free his hand and starts rubbing my clit. "After all that," he groans, "you think you're just going to get two?"

His hips slam into me, and the fingers on my clit speed up. My back arches as the pleasure is so intense I almost shatter to pieces. I'm filthy, this is filthy. Rapture tears through me without warning, and I cry out as I writhe from the pleasurable pain. It's almost too much.

"Fuuuuck," he grunts and explodes. His cum surges into me, thick and heavy. There's so much it's leaking out of me before he's even done. He fucks his cum into me as he spasms and jerks until he's done unloading. I'm full of cum from two different men and feeling completely satisfied.

I can barely think as the men move around me, kissing me and touching me softly. I'm not sure who is doing what, and I don't care. I feel amazing, and I'm floating in my happy place. The men clean me up and thank me for being such a good fucktoy. I'm mentally fuzzy, and all I can do is grin at them. When I'm tidy and dressed and clean, Ian takes my hand and leads me out to the car to head home.

CHAPTER 4

By the time we get back to the house, my brain is working again. I feel the best kind of filthy. That was a crazy experience, and I can't believe how much keeping me on the edge of coming would turn me into a desperate slut. Thinking about how I was willing to debase myself gets me wet and needy all over again. Fuck, that was hot.

We're barely inside the front door before Ian pushes me against the wall. Well, hello. I guess he's just as turned on as I am. Not that I'm surprised. He just watched me get used over and over again.

His mouth covers mine, and he lifts my tank top to play with my nipples. I whimper and groan, trying to push against him. I want him so much.

"You were a good little slut today," Ian says between kisses. "But I told you. Your ass is mine until I say someone else can have it.

"Oh god, please fuck me," I moan and beg. All those orgasms weren't enough, and I won't feel complete until Ian comes as well. "Please? I want you inside me."

Ian grins as he shoves my skirt and my panties down my hips. He helps me step out of them, then opens his jeans to pull his dick out. When he lifts my leg and hooks it around his waist, his cock slides into my pussy easily since I'm wet with Jace's cum still.

"Fuck, Erin. You're so hot."

My back is against the wall, and he slams against me for a moment before pulling out and dragging me to the living room. Jesus, the position changes are making my head spin. He sits on the couch and pulls me into his lap. I follow his lead and straddle him, sliding down onto his cock.

As I start to move and rock in his lap, he pulls my shirt off, then scoops my breasts out of my bra, playing with both nipples with his thumbs. I grind on him, feeling my body tense as he pumps up into me. Oh god, I think I'm going to come again.

I moan when he pulls on my nipples and says, "You were desperate to have it in the ass. Admit it."

"Yes. Fuck yes. It felt so good when you did it. I want more of it."

"Mmmm, nice. I'll give you more," he says as he tweaks my nipples roughly. His words sizzle my brain as I cry out with another orgasm. I drive down onto his cock as he slams up into me, fucking me through my orgasm. My pussy pulses and my body shakes as I ride him through the pleasure.

When the rapture dies down, he pushes me to my feet and bends me over the arm of the couch. Holy fuck, this is insane. I lay my cheek on the couch cushion while I hear his clothes rustle. The sound of plastic ripping and a pop top is the only warning I get before I feel the cool lube between my ass cheeks. Ooooh, yes!

"You were ready, just in case?" I giggle as his fingers stroke me, working gently into my ass to spread the lube around. The feeling is glorious, and

my clit throbs from the pleasure.

“Of course,” he says. Like it’s the most obvious thing. “I wasn’t sure if I was willing to share you yet, but I wanted to be prepared in case I was.”

That’s just like my man to think of everything. His fingers work more lube into my ass, and I groan, grinding back against him as he opens me up. When he’s satisfied, he lines his cock up, and I feel the tip pressing against me. My body tightens in anticipation.

His hand strokes down my spine, calming me. “Breathe.”

I do, but it’s hard to relax when I want this so much. He pushes forward, and the burn is just as immense this time. But now I know how good it’s going to feel in a moment—how dirty and delicious. It’s easier to be calm and not tense up when you know how glorious everything is about to feel.

His head pops past the rim, and I groan at the sudden sense of being so beautifully full. I try to push back, to take him all, but he keeps my hips still. He sinks into me so slowly that it’s driving me crazy after this afternoon. All I want is for him to fuck me, fill my ass up, and he’s taking so long with it.

“Your ass is so tight,” he says. “And it’s mine. Remember?”

“Yes.” How could I forget?

He keeps a slow, gentle pace until he’s buried fully. I groan and shift, encouraging him to fuck me the way I want.

“So eager,” he says, laughing a little. “You love my cock in your ass.”

“I do,” I mewl out. “So, fuck me already. Please?”

He keeps going slow, and it's killing me. I try to get leverage and shove my hips back to make him move faster, and he responds by giving me what I want as he drills into me.

"This hole is mine." His voice is strained. "It belongs to me. Say it."

"It's yours! God, it's yours."

My body is singing as my breasts drag against the fabric of the couch with every slap of his hips against mine. I'm not sure I've ever felt this good.

"What's mine?" He growls, and I can tell he's feeling territorial.

"My ass." I'm close to screaming with pleasure. "My ass is yours."

"Rub your clit," he demands. "I want to feel you come while my cock is in your ass."

He doesn't have to tell me twice. I move a hand between my legs. My clit is sensitive and throbbing. It only takes a few strokes before I'm ready to explode.

"You're mine," he says again. "And I'll share my good fucktoy when I'm ready to."

That's all it takes. My husband's possessiveness sets off a chain reaction, and my body undulates as the pleasure overwhelms me. My entire body is clenching around his cock as I'm assaulted with sharp peaks of pleasure.

He keeps fucking me while the joy transcends me to a higher plane. The second I relax a little, he groans my name and shoots thick jets of cum into my ass, over and over.

He pulls his cock out and wraps me up into his arms. “You’re so fucking sexy,” he says, stroking my back. “I love you so much.”

“God, Ian. I love you too.” I mash my body against his, not wanting to break the connection.

We stay that way, just enjoying the moment, until we’re both ready to clean up. We take a shower together and then cuddle up in bed, still naked. Ian pets my hair while our legs tangle together and I play footsie with him. My head is tucked under his chin, and I can’t remember the last time I felt this relaxed.

“You’re amazing,” he says, kissing the top of my head.

I’m satisfied and feeling loved. I tighten my arms around him. “You’re pretty great, too.”

We’re quiet for a moment, and I can’t help but tease him. “Are you ever going to let Jace fuck my ass?” I make my voice all high and pouty, and he laughs.

“How about next time we get together with Jace and Matt?” He kisses the top of my head again. My heart starts to pound, and even as tired and sated as I am, my pussy gives a little whimper of pleasure as he continues. “Next time, I’ll share your ass.”

I give his chest tons of little kisses. “You, sir, have just earned yourself a private pole dance.”

He chuckles, and I feel it rumble through his chest as I melt into him. I really am the luckiest slut in the world, and I can’t wait to see Jace and Matt again.
